President Beardsley's Message to the class of 2007

These are exciting times at Husson College and in the world around us where you will be pursuing your lives, vocations and careers.

Husson's enrollment has soared during your years at the College, new academic programs, new faculty, new facilities have been added as we evolve from being a college into a university. At the same time, you have changed as well, with new knowledge, professional skills and licensure, new friends and an ever-expanding network of future colleagues in your chosen profession.

We wish you well. We also welcome you as alumni/ae of Husson College. You are our product and the measure of our success. We always want you to think of Husson as your alma mater and to know you are always welcome home.

Good luck, best wishes and God Speed.

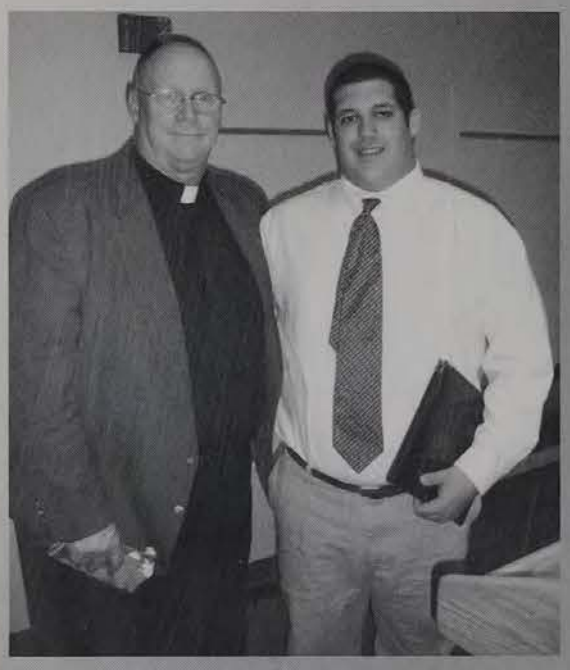

William H. Beardsley

SIMON SAYS...

Freshmen Orientation and Graduation

Thanks for everything, Husson will always be your Home

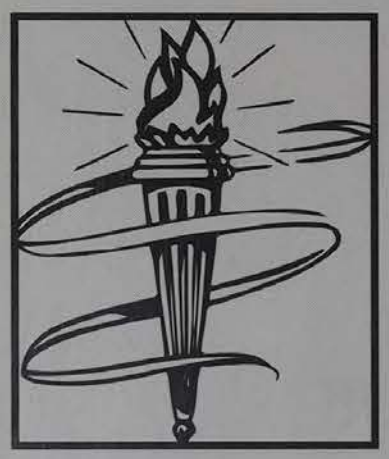

In loving Memory of:

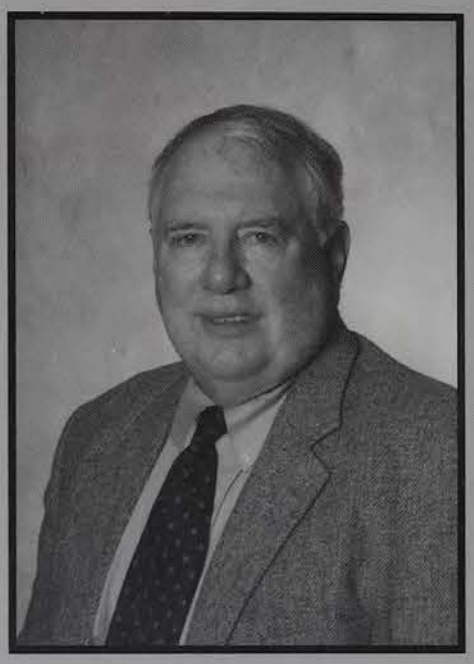

Allen Friedman

October 20, 1946 - October 23, 2006

Allen was a trusted member of the professional staff of Husson College. In his quiet and unassuming way impacted not only our ability to maximize the technology of a system called CAMS but he impacted positively all those persons he encountered. He, at the same time, was a devoted son, brother, husband and friend. He had a passion for the art of communications and was active at NESCom. He wrote and produced a weekly internet radio broadcast called, Road Rage, and was a volunteer reader at Maine Airs continuously from its on-air debut. Let us always remember him in our own special way.

Organization of Physical Therapy Students (OPTS) is an on campus organization for physical therapy students that focuses on educating the Bangor area as well as the Husson community about physical therapy. We also support the physical therapy students throughout their journey through the program. We raise money for the disabled community through Wheel Chair Basketball and raise awareness through booths at the mall promoting PT month and teaching ergonomics. We encourage student involvement and feeling of community by holding a PT fun night that pits class against class in a fun competition that culminates in an ice cream sundae party for all. We support the senior class through a senior gift and through research funding. We encourage all physical therapy students to get involved. Finally, we help students meet their club/organization and volunteer graduation requirements.

Clubs and Organizations

Diversity Club

Diversity Club was made to accept all races, ethnicities, size, color, religion, sexual orientation, shape and cultures. They have sponsered a movie night that involved a hate crime in the hopes to help educate the students at the college of how diverse we are and how we can accpt everyone. We like to do service for the school and particiate in any events that we can to help the students at the school. Everyone is welcome to join.

Clubs and Organizations

Education Students Association

The Education Students Association (ESA) is a club for all education majors at Husson College... Biology, Business Technology, Elementary and Physical Education! Being a member is a great way to get to know the other students in your chosen major, develop friendships, and get involved with things on the campus and in the community. We plan community service activities, go to plays and other fine arts activities, hold fundraisers and other fun activities on campus

International Club

The international club is an diversity alliance on campus. They welcome all ethnicities on campus to promote a general togetherness between all races on campus. The international club hosts an annual international festival with a fashion show and international dinner fundraiser.

Clubs and Organizations

Accounting Society

Accounting Society Our club is an organization made up of mostly accounting students. We try to let our members know what it is like out there in the real world of accounting. We host speakers from some of the big accounting firms, we hold mock interviews, and we attempt to make the process of looking for employment easier by searching for internships that relate to our field. We also attempt to let our students know about community service that is available in our area so that they may fulfill their requirements. The fun things we do are that we always host a Christmas party and an End of Year party. Usually every year there is a trip to Boston that is an exciting way to get to know your fellow peers and have fun. This trip usually will help to fulfill two of those fine arts requirements.

Clubs and Organizations

Campus Crusade for Christ

Campus Crusades for Christ is an organization on campus that seeks out to find newcomers looking to share with others and to serve God together. We are involved in starting a commitment to be involved in community service at local nursing homes and homeless shelters. Our goals are to reach out to the non Christians on campus and accompany the Christians on campus by strengthening our relationships with Christ.

Chi Alpha

Chi Alpha is a movement on campus that provides a spirit charged informal venue for Christians to worship, grow in their faith, and spend time together. Chi Alpha is active both on campus and off. As college students preparing to become leaders in your professional field and community, this is a vital time to grow firm roots in the teachings of the Bible. Visit us at one of our information booths, look for events sponsored by Chi Alpha, or stop by a meeting; wed love to get to know you!

Clubs and Organizations

Student Government

We, the students of Husson College, in order to increase student influence in the college community and to do whatever is necessary and proper to promote the betterment of Husson College and to protect and insure student rights, do hereby establish the Husson College Student Government. We are elected representatives of the student body. We talk about student issues and make changes as necessary to events, schedules, and our Constitution. We plan and run events on campus and conduct meetings with Senate members. We are the voice of commuters, residents, traditional, non-traditional, and NESCOM students. Between the Senate and Executive Board members, we ensure that the students have a voice and they have enrichment.

Alpha Phi Omega

Alpha Phi Omega is a national service fraternity. Alpha Phi Omega main focus is community service throughout the Husson/Nescom community. There is a strong connection with alumni and service also within the Maine and regional community. Joining Alpha Phi Omega would be a great opportunity for anyone that wishes to have a strong involvement in community service. Gaining experience in giving back to those less fortunate can be a wonderful opportunity for all. Alpha Phi Omega is involved in food drives . We have worked with Big Brothers Big Sisters, Good Shephard Food Bank, donated items and non parishable food items to the troops in Iraq, Easter Baskets for the children in the Pediatric ward in EMMC and service at many other local non-profit organizations

Epsilon Tau Epsilon

Epsilon Tau Epsilon is a sorority on the Husson campus that welcomes both Husson and Nescom students. Their main focus is community service both on and off campus. Off campus community services involves service at nursing home and local elementary schools. Epsilon Tau Epsilon also hosts their annual toga dance in May. They are also very active on campus in greek life on campus. With involvement in Mu Sigma Chis 24 hours relay to benefit the Childrens Dream factory and Greek Games at the end of the year.

Delta Sigma Delta

Our sorority is made up of a variety of female students that attend Husson College and NESCOM. One of our priority is community service. In the 2001-2002 academic year we received the highest GPA and the most community service awards for a Greek organization on campus. We are also the largest sorority on campus and have been for the last three years. We sponsor activities on campus such as dances and fundraising.

Clubs and Organizations

Outdoors Club

The outdoors club is an active club on campus. Their main focus is advocate outdoor activities both on and off campus. Recently they have created trails in the woods of campus for walking, running, and hiking. They also introduced the idea of free skiing, snowboarding, and tubing tickets to Student Activities personnel. As a new club on campus they are steadily growing with more and more members each year.

The Acadia Trip

Clubs and Organizations

Mu Sigma Chi

Our fraternity consists of male students from both Husson College and NESCOM. Throughout the year we fundraise to host social events such as: the MEX Christmas Ball, held each year in December. We also have a retreat in the spring. Our biggest fundraising event is our 24 hour relay, which we donate all proceeds to the Childrens Dream Factory of Maine. We have had the highest GPA for a fraternity for the past two years, and had the most community service hours for the 2002 2003 school year.

The Volleyball program at Husson College is new. Head Coach Patrick DeBeck has seen some early success with the new program in his first few seasons as the team's coach with the team finishing 2nd and 3rd in their conference respectively. 10 of the 12 players on the roster are Maine residents from local High Schools. The Eagles have also had their share of All-Conference selections as well as the Sunrise Conference Coach of the Year in 2002. The volleyball team plays indoors at Husson's Newman Gym during the fall semester.
