FOREWORD

The words "mission accomplished" have become a by-word in war-time phraseology. It aptly fits the appearance of the 1946 *Chieftain,* a mission undertaken with vision and great effort by Mrs. Louise B. Miller of the English Department and Robert E. Buck, editor, and his staff. Into the archives of our history, into cob-webbed hiding places, and far out into the field the workers searched for the material that would piece out a complete and continuous picture of our existence. It was discouraging at times, for the missing pieces eluded discovery for weeks only to appear in part or in whole as dirty hands, perspiring faces, locked receptacles, untraced graduates, and old newspapers, all fused to light up many obscure and almost forgotten details.

It is the first anniversary issue to grace our library. To record even a portion of twenty years' history would be a task of tremendous proportions, and one of endless research. Limited space also meant paring and compressing the material until only the highlights and featured happenings could be written into a single edition of the *Chieftain.* Nevertheless, the work has been done, the material has been gathered, sorted, and filed, and our debt to the present *Chieftain* staff is one that is difficult to express in words, but one which is fully appreciated by every pupil who has ever toiled and played within Commerce walls.

I have been awaiting the appearance of the 1946 *Chieftain* with humility, yet with considerable anticipation. I am pleased to formally thank the staff which fought its way out of the swamps and deep woods with such determination and courage. I am humble before such devotion and effort. I also know that this edition will be a treasured one, for it will bring back fond memories of the years now gone.

As the reader turns the pages may he find a full measure of pleasure and warmth in the memories stirred by the written word and the pictures. He will learn many new things about Commerce, too. If a heart is reached here and there then well may it be said, "mission accomplished."

The 1946 *Chieftain* is presented by the staff with a sense of its incompleteness. We now keenly realize that so elusive is the spirit of Commerce life that it can never be mirrored satisfactorily within the pages of a mere book. It has been our aim, however, to suggest the main currents of Commerce activity over a period of twenty years. We have thought pictures the most effective of all media in realizing our aim and thus have endeavored to gather for the book a larger collection of snaps and photos than has ever before appeared in a Commerce publication.

The editor expresses here his deep appreciation for the efforts of all of those who have aided invaluably in the construction of this *Chieftain:* Mr. Husson, the faculty, Richard Morgrage, and the individual members of the staff.

The staff takes also this opportunity to make special recognition of the efforts of Mrs. Louise Miller, faculty adviser. Her contribution of cheerfulness and life to this publication, her sagacious personality, and her untiring efforts, have endeared her to the *Chieftain* staff, and to the people of Commerce.

AN ADVENTURE GLORIOUS

Today is the day—the biggest day of my life—I am 17 years old—I am going to college—my, but I feel important.

Classes start at 8 o'clock, so I had better walk up that long hill. I arrive in front of a most important looking building. It sits up on the hill and looks so inviting. I just stand here and look at that great institution of learning — the Bangor Maine School of Commerce, the school of my own choice.

There's a lump in my throat, and my knees are sort of shaky. Well, there are others going in—Here I go—Mr. Husson said it *was* easy—What am I afraid of?

What a hub-bub? The office—oh, yes —up these stairs. A line waiting—all new—my, I'm scared.

Finally made the grade! The office girl takes my money, hands me several sheets of paper, and says, "Lockers are upstairs. Find yours. Your books are in it. Make a copy of your program card and return the original to the office."

So many papers—Rules and Regulations—Locker combination — Program Card! Have some free periods—no classes—lucky, huh? Oh, yes—my locker —to the right; to the left; and back again. After the first five unsuccessful attempts, I look disgusted and ask the girl next to me to help me. Presto—chango—it opens. Books—all mine—Woe is me! What a lot of books—Better close that locker. No school until tomorrow. My, what a place.

The next morning rolls round,—

everyone trying to get books out of lockers, finding rooms that are on the cards—trying to get into the right classes at the right period. Free periods! No study halls—Time to relax. Rules say students may go where they wish during free periods—Some different from high school—No supervised study—Gee!

To class I go—8:00 Shorthand—as the teacher enters, the room becomes as quiet as a church house—Shorthand—no matter what mark I make it means a word—Well, it always was all Greek to me and always will be. I'll have to drop that or take a review class. That Miss Swan expects too much of you—Type next. Goodness, what a lot to do—How can I remember all that—Three to five lessons a week—Oh, heavens! I never realized before that my hands are so long and that all ten fingers are thumbs. It's all the machine's fault if I can't type—It's terrible!

Arithmetic—Law — Legal terms — I know now that I never will be a lawyer, and I am beginning to think that I don't want to work in a lawyer's office—English—Spelling, Penmanship and so on far into the night. Spelling—syllabication, pronunciation—Bookkeeping—red ink, blue ink—Oh, heavens, why did I ever come here! My head is in a whirl—I don't know anyone—No one speaks to me—Oh, well, I'll go home and maybe things will look brighter tomorrow. Different from high school—I thought I new everything when I graduated back in 194—?

Weeks pass by quickly. Athletic associations are organized—Fun! That's the way to find out who's who—E. T. E. gives a get-acquainted party. In the Quiz Program—almost won—but how did I know the motto at the foot of the stairs said: "We are here to make good, not to make excuses."

Oh, yes—there's the studying, too—Law isn't so tough. Mr. Husson's jokes keep us going. Spelling—I can spell better, too. Even Penmanship—I can write better when I have to—May even get a certificate. Filing, Salesmanship, and good old Jr. Business. Those G. I.'s surely have been around—They can think of more questions—They need a Philadelphia lawyer for an instructor. Even exams are easy *if* you study.

Time flies, and here I am a part of Commerce. To me Commerce has become my school—the one I root for—the one I cherish. My life is richer because of Commerce friendship, the guiding hand of "Chief," the tightness I find in my throat when I receive my Basketball Letter, Penmanship Certificate, Filing Award, or any recognition. I have developed the confidence and poise that I need to take my place in the business world.

Commerce is a great place. It belongs to me. I have learned that those who give receive 100-fold. If I do my part, I have nothing to worry about.

The faculty is interested in all I do—each of us feels the same way. My problems are theirs. It is wonderful to feel that I can get help, comfort, and understanding when I want it.

In my heart I find something new—a thing to love—a school which fosters that feeling. Down deep I know I don't want graduation to come—I don't want to leave. I'd go to school forever if I could. But I know, too, that I will always be welcomed at any school gathering for the annual E. T. E. Banquet—I can be a part of a get-together and relive old times.

I have to laugh when I think of the first week of school—lonesome, scared—My, how silly! Today I am a part of a great institution—I am one who helps make it great. This school is mine—now and always.

As I leave Commerce Hall I am able to look a person squarely in the eye and say, "I am a ciitzen of tomorrow and I know how the affairs of the business world are conducted, I know how to get along with my fellow workers." Truly an adventure glorious!

PICTURED THOUGHTS

How true it is that, "Big oaks from little acorns grow!" It is hard to realize, as I turn back the pages of Commerce History, that our little school of forty students in 1926, new and untried, was to prosper and to expand to its present size—for today Commerce is one of the largest and finest equipped schools in the East.

As I turn the pages of my scrapbooks and quietly and proudly review the record of the twenty years just ending, it is easy to see why Commerce, like Topsy, just grew and grew. Throughout these years the students have shown a willingness, yes, an eagerness, to mix study and play, to live a full life

1926

1940

during their year or more at Commerce. It is the result of this desire to live vicariously that Commerce Scrapbooks are full of pictures and clippings: pictures of dances, socials, clubs, play casts, editorial staffs, athletic teams—basketball, football, baseball, hockey—and weddings; clippings that picture the main stream of Commerce life.

In September 1926, I, "Chief" Husson, of Lynn, Massachusetts, came to Bangor to be principal of Bangor Maine School of Commerce, which was former-

ly the Shaw Business College on Columbia Street. The entrance of the school was far from attractive, but the Main Room, ah!—that was HOME. Is not the picture familiar? the water cooler? the desks? the teachers' faces?

Compare the Main Room in the new building with that of the old! How different was the appearance of the interior of the old school from that of today's building. Tables were used instead of desks. To be exact, they were large, green tables at which four students studied. There was no bell system at that time. During the latter part of the fall term, I stayed up all of one night to install a system of bells to relieve the teachers of the task of announcing the end of classes, After many hours of work, I confidently pressed the button on the desk in the main room—! yes, you guessed it. Not a sound. After a little more work, I became a full-fledged electrician and the new system was ready for classes the next day.

Machines Room

1926-1927

The typewriting room, too, differed a great deal from that in the new building. In the old building the machines were on long benches which ran along the two sides of the narrow room.

The faculty of Commerce for 1926-1927 included Miss Freda Seeley, Miss Marjorie Runnells and me. In this class was the future Mrs. C. H. H.; but little did I know it. How many of us can you recognize in the graduating picture on page 82.

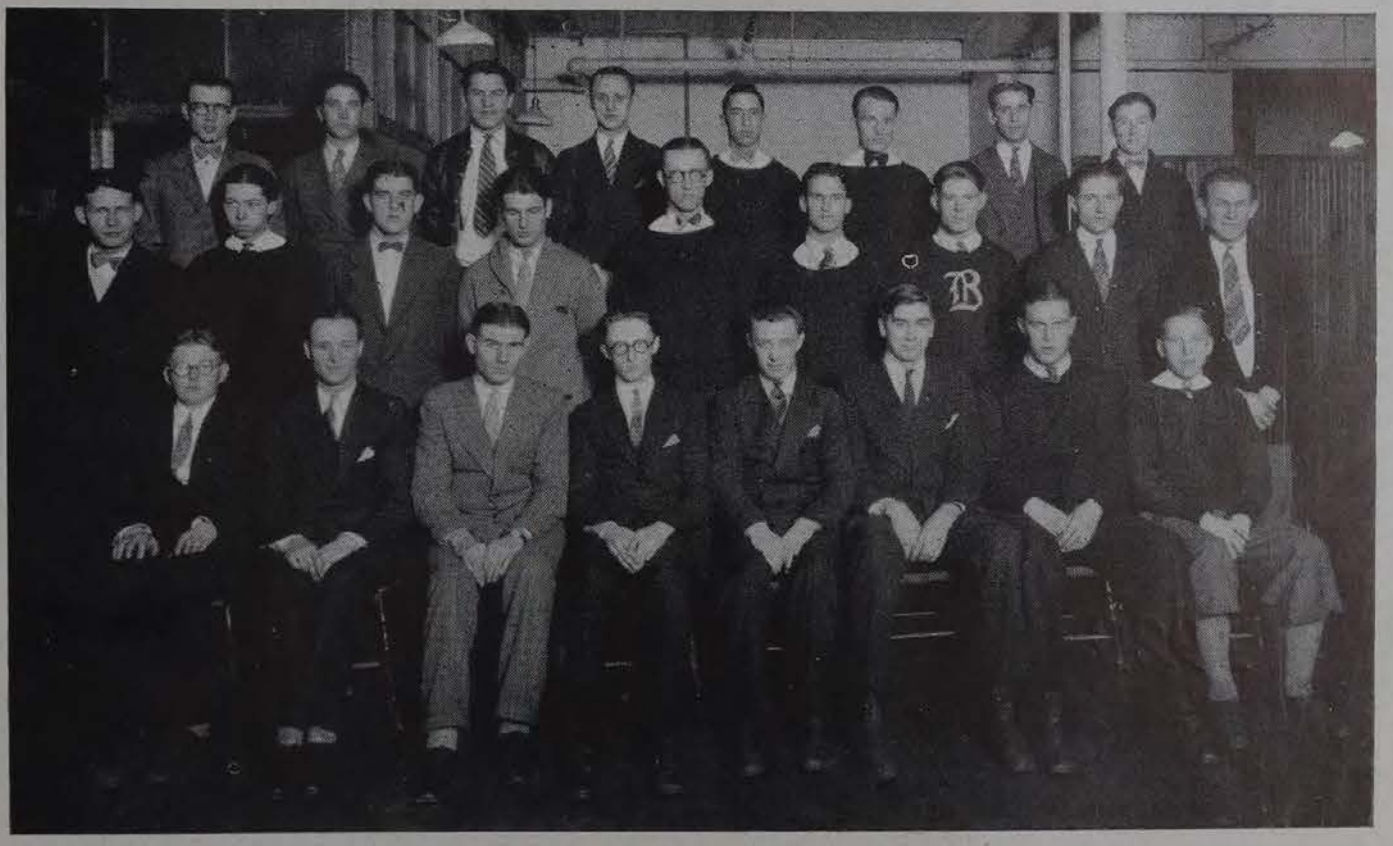

Using the gymnasium at the Y. M. C. A., we organized our first basketball team. The members would have vied with Joseph for variety; for they played in suits of many colors. The team traveled extensively and enjoyed a mildly successful season.

To celebrate the survival of the first year, the school bought a room full of new typewriters! Out went the big, green tables and in came the large desks that we are using to this day. Even now former students feel a sense of home when they enter Room I in the present building; for there they see the old friendly double desks that have been used so many years. There were over one hundred students for our second year. Mr. Alton R. Covell of Hinkley, Maine, who later married Miss Runnells, became a member of the faculty. Girls' basketball appeared on the scene during this second year, as did boys' baseball. Here is a picture of the girls; quite flashy, aren't they? (Notice the overshoes in the back row!)

As I look through my largest scrapbook, I have concluded that one of the most serious (?) mistakes I made during the early years of Commerce Life was that of seating the boys and the girls together. The engagements and marriages of Commerce students fill one book. Was yours in the paper? Come in, I have a copy of it.

Among the students in 1931 were Fred Pinkham, teacher and coach at Bangor High School; Clara Swan, our own coach and member of Bangor Maine School of Commerce faculty; and Bernard Deering, teacher and coach at Orono High School.

During the scholastic year of 1931-1932, Tau Epsilon and Mu Sigma Chi were formed. Tau Epsilon is the Honorary Scholastic Society of Commerce, requiring an average of ninety per cent in all school subjects for admission. The Tau Epsilon charter members of the Bangor Maine School of Commerce Chapter included Miss Marion M. MacKenzie, North Vassalboro; Mr. Edwin S. Collamore, Pittsfield; Miss Alice M. Perkins, Orono; Miss Blanche M. MacDougall, Bangor; Miss Clara L. Swan, Brewer; Mr. Donald E. York, Howland.

Mu Sigma Chi, the men's fraternity, had as one of its objectives the improvement of the scholastic standing of its members. However, its purposes also included participation in the co-curricular activities. The officers of the first chapter were Owen W. Wardwell, Calais, President; Edwin S. Collamore, Pittsfield, Vice-president; Durgin A. McKusick, Derby, Secretary; Charles S. Sadler, Bar Harbor, Treasurer.

Commerce Wins Trophy

March (1932)—By defeating the Auburn Maine School of Commerce on their home floor the Bangor Maine School of Commerce five won permanent possession of the H. W. Mann trophy and concluded a successful season, which has brought the Queen City team against some of the best outfits in the state. The Bangor team won the trophy successively in 1931 and 1932.

The names of the players have been inscribed on the trophy.

The regular season wound up in brilliant style as the team copped four wins in as many games in its tour of Aroostook and Canada. In three games the team lagged at the half, but responded to the winning urge and flashed to test, as the time gradually faded, to bring home the bacon.

Coach Husson winds up his career in that capacity, having established an enviable record of winning 113 games of 136 games played in six years, with the trophy safely tucked away.

The class of 1932 had a good basketball team; for it was this team that won for Commerce the H. W. Mann Trophy. This trophy became the permanent possession of the School of Commerce that won it three years in succession. It will always occupy a prominent place in my office.

In 1933 our school broke away from the chain of five schools known as the Maine Schools of Commerce of Bangor, of Presque Isle, of Lewiston, of Auburn, and of Portland. I was elected president of this school. My brother, George E. P. Husson, Jr., became the first vice-president and George T. Carlisle, Jr., became the other vice-president. These officers still control the destiny of Commerce.

Plan Sorority for M. S. C. Women

November (1933)—A meeting was held Wednesday evening in the Maine School of Commerce for the purpose of organizing a woman's sorority. Miss Madge Stacy of Derby was elected temporary president, and Miss Elizabeth Collins acted as chairman and then turned the meeting over to Miss Stacy.

A committee consisting of Miss Marion F. Hayes, Bangor, chairman; Miss Natalie Hanson, Newport; Miss Debra Dingwall, Presque Isle, and Miss Elena Sprague, Bangor, was elected to draw up a constitution to be submitted for approval. This committee will meet Thursday afternoon.

The following were chosen to be charter members: Sally Chapman, Bethel; Glenna Tapley, Robinson; Marietta Welch, Machiasport; Letitia Smith, Derby; Elizabeth Dickenson, Houlton; Catherine Greaney, Brownville Junction; Natalie Hanson, Newport; Elaine Hanscom, Milo; Maxine Harris, Milo; Vina Albee, Ashville; Marion Hayes, Bangor; Genevieve Hayes, Bangor; Mary Riley, Houlton; Elena Sprague, Bangor; Maverick Whitney, Hampden; Eleanor Spencer, Hampden; Catherine Ladd, Brownville; Eleanor Bean, Sullivan; Clara Skoog, Derby; Madge Stacy, Derby; Debra Dingwall, Presque Isle; and Mildred Tupper, Bangor.

Miss Elizabeth Collins, Miss Pauline Dunn, and Mrs. Alton Covell were chosen as faculty advisers. Miss Collins and Miss Dunn were elected to look up and arrange for the name of the sorority.

Each year witnessed the steady increase in enrollment. Partitions in the rooms of the old building had to be torn down and facilities had to be improved to provide the needed room. Too, our school continued to develop good teams in football, basketball, and baseball. Although our scores were sometimes on the "red" side of the ledger, we made up in fun, pleasure, and good times what we lacked in scores. Many of the clippings we will pass over, but just take a look at these teams.

The ever-increasing number of women students gave Commerce an opportunity to organize a sorority, Epsilon Tau Epsilon. The sorority, founded in 1933, like the fraternity, requires a high scholastic standing of its members. It, too, offers a social and cultural program for its members.

Football, with "Bunk Hatfield" of Brewer as coach, started in 1936. Both the men and women supported the school athletic program through their Athletic Associations. Jack Moran, now Secretary to Governor Hildreth, also coached football and basketball for us.

In 1936, we had our first hockey team. The coach was Owen Osborne. Here is a picture of one of the hockey teams. Richard Morgrage, a member of one of the hockey teams, has contributed much in the development of the theme of the anniversary issue of the CHIEFTAIN. *He has made all the sketches, including the cover.*

Throughout these first ten years, few changes in the faculty were made. How familiar are the faces of Mrs. Covell, Mr. Covell, Mr. Linscott, Miss Tuomi, Mr. Lunt, Miss Collins, and Mrs. Crane!

1937-1938

Although the Dramatic Club did not organize as a club until 1938, groups of students as early as 1936 produced plays for the entertainment of Commerce students. Among these plays were OH, PROFESSOR and THE NINTH GUEST. During the past few war years, the Dramatic Club, like the fraternity, has not functioned because of the lack of "manpower."

However, every indication is that we will again have a club and will give all students an opportunity to develop their talents. Around 1935 we organized our first orchestra. See some of our orchestras! These, too, will be re-organized next year, now that the men are back from the war.

About this same time, around 1937, a new school publication greeted the horizon, THE COMMERCE CHATTER. *It is a splendid school paper and, with few exceptions has been a pleasant part of the school life of each class.* THE COMMERCE CHATTER *not only serves as a medium for knitting the entire student body together, it also gives the members of its staff valuable experience in planning, setting up an edition, mimeographing, and financing a well-edited school paper.*

With the approach of the "40's", I realized that Bangor Maine School of Commerce was fast outgrowing its home. Plans began to formulate for a new Commerce—better, larger, modern—in short, our own new home. In 1940 construction of Commerce Building on Park Street was completed. "The College on the Hill" was a dream come true. Do you wonder; look at it!

FACULTY

The building was originally without showers, but the alumni—always loyal to Commerce—contributed sufficient funds to install the necessary equipment for both girls' and boys' showers. What a building—large, airy classrooms, Commerce Hall, gymnasium, social room; in short, a proper building for a progressive business school such as ours, and a student body appreciative of its conveniences and opportunities for service.

No longer do we have to hold our graduation programs at Dorothy Memorial Hall, John Bapst High School; nor do we have to rent the Y.M.C.A. gymnasium, the Seminary gymnasium, Dahlberg Hall, Society Hall, the Roseland, or the Chateau for our athletics, socials, dances, and get-togethers. C O M M E R C E H A L L ! Would that all my "family" might come together and enjoy this new home.

In 1940 we reached an all-time high in attendance—two hundred ninety-nine students enrolled. Commerce, however, like all other institutions of higher learning, felt the serious effects of the war, which caused a sharp decrease in enrollment. This year, our anniversary, we are experiencing a "come-back" with well over the three hundred pupils enrolled. Throughout these war years the Women's Athletic Association sponsored various athletic programs, keeping the

name of Commerce in a prominent place on the sports page. Before the school year of 1945-1946 was too advanced, enough veterans had enrolled in school to enable us to have a good men's basketball team. Again Coach "Bunk" Hatfield of Brewer led the team to many victories. Here in a recent Daily News article by Owen Osborne, you may well view the place athletics has won for Commerce.

In 1944 Mrs. Louise B. Miller joined the faculty as head of the Normal Department. It is under her direction that THE CHIEFTAIN *is now published.*

The last ten years witnessed several changes in the faculty; Miss Tuomi was replaced by Miss Haavisto; Mr. A. R. Covell was appointed deputy auditor for the City of Bangor in 1943; Mrs. Marjorie R. Covell retired in 1943; Mr. Wilbur Stanton has been Guidance Director at the Fifth Street Junior High School, Bangor since 1944. We still see a great deal of him; he referees some of our basketball games and teaches summer school. Mrs. Mildred Tupper Van Wart is now

living on a farm, rearing a son. Miss Clara Swan, our old stand-by, who is head of the Shorthand and Bookkeeping Departments and Director of Summer School, is still with me. Miss Beryl Crosby, now Mrs. Clark, once a student, later a teacher at Commerce, is now my secretary. Mrs. Bowron, nee Miss Haavisto now living in Massachusetts, is spending her time caring for a young son. Miss Mildred Bradford, a graduate of Maine School, joined the faculty in the fall of 1942.

Oh, I almost forgot to explain the name of our yearbook. During the first quarter of this era, the school annual was called the HERALD. *Some of the copies were printed, a few were mimeographed. Beginning in 1935, however, the name was changed to* THE CHIEFTAIN. *Since that time the yearbook has been published regularly under the supervision of the English Department.*

COMMERCE COACHES COVER MANY POINTS IN MAINE

Bangor School Has Produced Some of State's Top Mentors

By OWEN OSBORNE

(1946)—The State of Maine is peppered with coaches from many points throughout New England, but a Bangor school, namely, the Maine School of Commerce, has probably turned out more coaches, physical education instructors and teachers, than any other school of its size in the East.

Although the majority of these teacher-coaches are instructing our own boys and girls right here in eastern Maine, many of them are scattered throughout western Maine, as well as New Hampshire, Vermont and Massachusetts.

Pinkham Tops

The close of the basketball season brought a Maine school graduate to the foreground when Fred Pinkham, penmanship teacher at Bangor High, coached the inexperienced Rams to the eastern Maine championship. Previous to that, he coached the junior varsity team, which was undefeated for two consecutive years. Pinkham, who hails from Lincoln, formerly coached at Islesboro.

Another top athlete-coach to come from the Park Street School is Into Suomi, of Monson, who now coaches at Cumberland Center. A former Bangor High and Junior High coach and teacher, Suomi also is a member of the Eastern Maine Board of Officials, and recently officiated at both the large and small school tournaments.

Orono and Old Town

The destiny of athletic teams at Orono High is controlled by Barnard Deering of Brooks, former mentor at Merrill High School, while at Old Town High Bernard MacKenzie coaches three sports and is physical education instructor for all schools in the Canoe City. MacKenzie, whose home is in Danforth, formerly coached at Oakfield High.

Brewer High has two Maine School graduates in Woodrow Bailey of Lincoln and Maynard Sawyer of Bucksport. Before coming to Brewer, Sawyer coached Patten Academy. Both are members of the Eastern Maine Board of Officials.

Stan Stromback of Monson, coach at Aroostook Central Institute in Mars Hill, attended Commerce, while

Earle Jowdry of Brownville, now attending Syracuse University, has coached at Patten Academy, Stearns, and Cony High schools.

A Commerce graduate can be found at most any point in the state, from Fort Fairfield to Kittery. However, the war interrupted many coaching careers, with many still in the service, while some are now attending college under the G. I. Bill of Rights. Both Jack Johnston of Ellsworth and Andrew Laughton of Hartland coached at Fort Fairfield before entering the service, and both are now attending the University of Maine, while LeRoy Derby of Newport and Dana Giggey of Masardis also are attending Maine. Derby was head mentor at Jonesport High before entering the Navy, while Giggey coached at Merrill.

Many Mentors

The list of Commerce coaches is a long one. A quick glance over the names will find Carlo Ninfi of Northeast Harbor coaching at Gilman High, his alma mater; Frank Gilpatrick, of Danforth, at Eliott High, near Portsmouth, N. H.; Austin Miller, of Bangor, at Morse High in Bath; Stora Emmett, of Crystal, assistant coach and teacher at Old Town High; Ramie Parady, of Old Town, principal and coach at Medway, and Albion Livingston, of Brownville, who now is a director of the Veterans Administration. Still in the service are Leonard Page, of Orono, at Presque Isle; Everett Hitchings, of Calais and Calais Academy; while James Buck, of Milo, former Limestone mentor, has retired.

Women, Too

Not all Maine School teacher-coaches are men, however, as many women graduates of the Bangor School are also turning out top teams throughout the State.

Number one on the list is Commerce's own Clara Swan, director of girls' athletics there. Many of the women mentors to come from the Park street institution received their basic training in coaching from Miss Swan, who is vice principal of the school.

Among the top lady mentors who have produced winning teams are Hazel Day, of Union, at Foxcroft Academy; Hilda Banks Wardwell, of Bangor, at Lee Academy; Inez Wood, of Ellsworth, at Bucksport High; and Margaret Gillis, of Milo, at Schenck High in East Millinocket; Phyllis Fraser, of Old Town, at George Stevens Academy, in Blue Hill.

Commerce women are scattered throughout the entire state, from Aroostook County to Kittery, where Marion Hayes, of Bangor, coaches girls' teams at Traip Academy.

Other top-notch mentors are Esther Gott, of Ellsworth, at Morse High in Brooks; Virginia Blood, of Morrill, at Mattanawcook Academy in Lincoln; Barbara Drew, of Carmel High; Ina Anderson, of Thomaston, at Camden High; Alice Stevens, of Lee, at Sullivan High; Hazel Benn, of Smyrna Mills, former Hodgdon and Fort Fairfield coach, is now a lieutenant in the Marines; Hildred Williams, Orient; while Gladys Clements, of Belfast, former Mattanawcook Academy coach, and Etta Thompson of Lee are retired.

As proof that Chesley Husson, principal of Commerce, believes his graduates make the best teachers, most members of his staff are former Maine School students, including Clara Swan, Mildred Bradford, who also instructs the cheerleaders, and Beryl Crosby Clark.

Frank Gilpatrick

Patricia Gilpatrick

As I look over the list of graduates for the year 1946, a familiar name catches my eye; yes, G I L P A T R I C K. Back in the 1930's, Frank Gilpatrick was an outstanding student in all Commerce activities. This year his daughter, Patricia, graduates from the Accounting Course.

Shall we close this scrapbook? Here is a new one, with a picture of Commerce in it. Let's open it, date it "1946-1966." Let us begin a second generation for Commerce, knowing that our interest in youth, our faith in its ability, our pride in its accomplishments grow keener with the years, and will pilot us safely and surely to greater achievements and new horizons. (Now much more could be written of these twenty years—but space was limited. Please forgive the omission of details that rightfully belong in a narrative of this kind and scope.)

EPSILON TAU EPSILON

Epsilon Tau Epsilon is Commerce's one and only sorority. This is the most active organization in the school. The girls receiving bids this year had to have an average of 88 per cent in order to be eligible for membership. Character, personality, school leadership, and loyalty all enter into the selection. It is an honor to belong to E. T. E.

The first meeting of the year was held mainly for the purpose of electing officers. At this meeting, Shirley Wilson of Bangor was elected President. Frances McDonough of Hampden was chosen as Vice President while Ruth Wormlight of Brooks took over the duty of being Secretary. Juanita Reed of Northeast Harbor became our Treasurer.

At a later date Ruth Wormlight left to be married and her secretarial job was taken over by Frances McDonough who had returned to school. Edythe Freeman of Bucksport was elected to fill the vacancy caused by Frances McDonough's illness.

When the new sorority members are taken in, two officers, the Scribe and Marshal, are chosen from this group. The honor this year was bestowed upon Nathalie Hall of Patten as Marshal and Marilyn Ryder of Brooks as Scribe. This board has functioned all year very successfully, and the sorority wishes to thank these officers for such a successful year.

Commerce Hall was very much alive the night E. T. E. gave its annual Get-Acquainted Party to all girls in school. Over one hundred girls attended this affair and everyone had an excellent time. Dorothy Crane, an alumna, told what the sorority meant to her. President Shirley Wilson spoke of the many activities of the sorority and told the numerous requirements for admission. An impromptu program of stunts and a quiz program followed.

Another social event of the year was a surprise birthday party for Miss Bradford which was held in the sorority room. Cake and ice cream were in the offing, and Miss Bradford received a lovely gift from E. T. A.

Epsilon Tau Epsilon was chosen to put on the annual Christmas assembly which is the largest one of the year. Miss Bradford's trained choral group rendered several numbers which were very well received by the audience. A great deal of credit is due Miss Bradford and those who sang.

Ted Hunt of Island Falls made an excellent Santa Claus and passed out a small gift to every member of the student body. Mr. Husson was honored with gifts from the Commerce Men's Club, Women's Athletic Association, and Epsilon Tau Epsilon Sorority. The sorority also presented "Doug" with a shirt and tie for his many generous deeds in our behalf. Miss Swan received a gift from her basketball team at this assembly.

Reverend John Feaster of Bangor was the speaker for the day with his serious thoughts guiding the student body in their thanks for the return of the servicemen and women to their homes and to our school. His part in the program was as excellent as usual. The sorority presented Mr. Feaster with a billfold from Santa.

The sorority got together at Queen City Grange and enjoyed a delicious chicken pie supper. We all brought our appetites with us. After a six mile ride in the back of Doug's truck in the cold wind, it was amazing just how much food we did store away.

And now—there are men once again in the halls of Commerce, so Epsilon Tau Epsilon put on the first dance since 1942. The music was by Ward Shaw, a Commerce man, and his orchestra. The Hatchet Dance was a huge success. Everyone had an enjoyable evening.

E. T. E. sponsored the first lunch held at Commerce this year. It was very successful, being the first of many to follow.

In November, E. T. E. held its formal and informal initiations, receiving into its membership fifty girls from this year's student body. In February, six more members were initiated. Initiation is one of the biggest events of the sorority and many a queer-looking sight is seen around the streets of Bangor. The pledgees do a great job of entertaining us here at school; for three days anything can happen.

We got together for our Alumnae banquet on April 27, 1946. Many alumnae attended and were seated at class tables. Mr. Husson was the guest of honor. The present sorority girls presented a program of stunts after the chicken dinner. It was certainly a grand reunion with over one hundred present. The sorority song was very popular and a feeling of fellowship and sisterly love predominated.

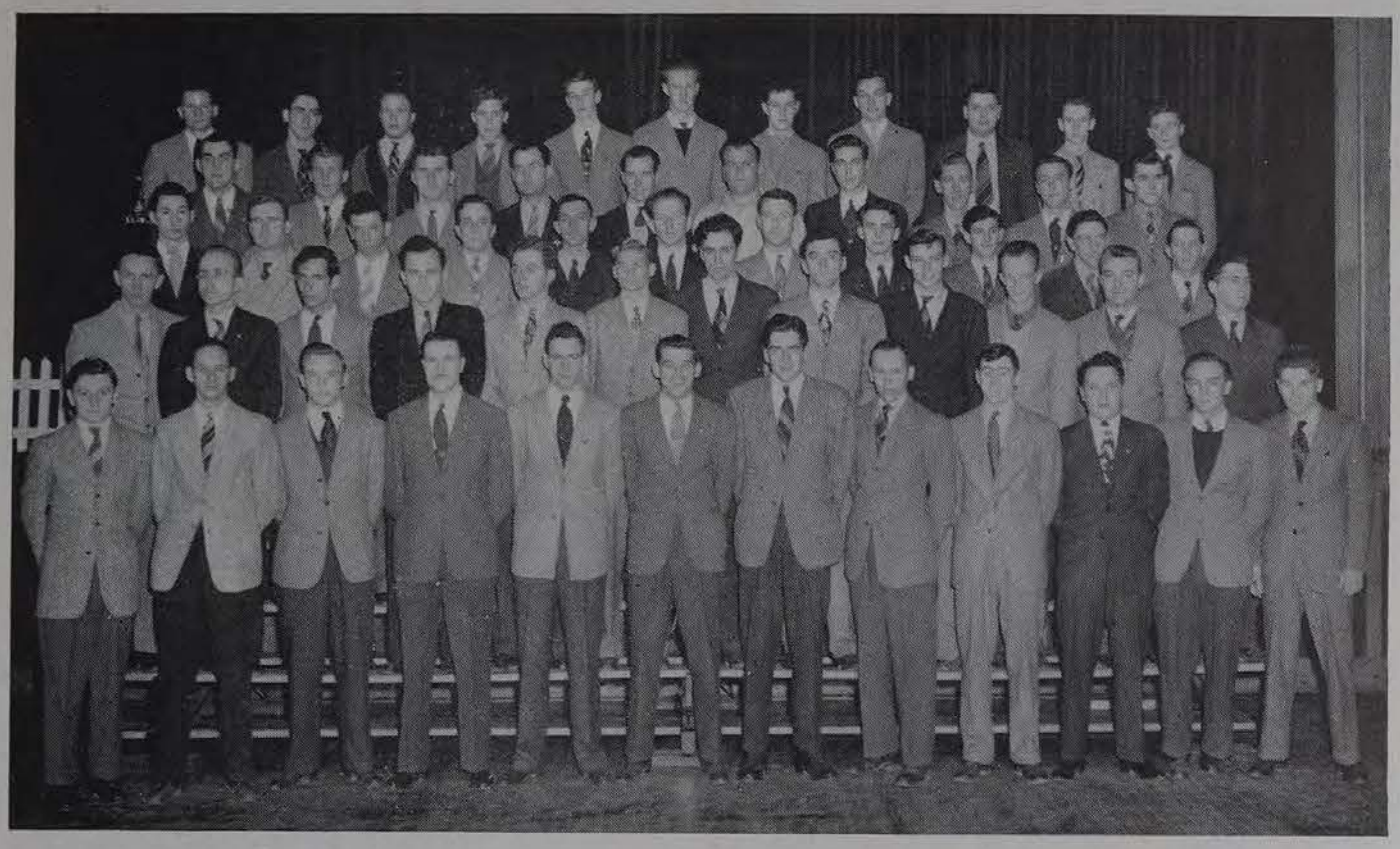

E. T. E. sorority voted to give a sum of money toward new basketball uniforms for the girls next year. This is their annual gift to the school. Another big gift by E. T. E. is the award of the cup made to the outstanding girl for the present year and is presented at the graduation exercises.

The weekend before Memorial the sorority held a camping trip at Camp Roosevelt. Many a girl returned with fly bites, sunburn, and no sleep. This was the most hilarious event of the year.

Another event is the annual rummage

The Bangor Maine School of Commerce Men's Club has completed with success the first anniversary of its existence. Before the war, Mu Sigma Chi, Commerce men's fraternity, offered the men students of Commerce a social program comparable to that of E. T. E. After 1942, however, there were years during which there were not enough men students in school to fill the positions of the officers, thus Mu Sigma Chi went on an inactive status. In the spring of 1945 men began to return to Commerce. A group of twelve students met at Mr. Husson's home and enjoyed their first "Smoker." At this informal get-together the Men's Club was organized. The Club honored the members of E. T. E. with a social.

Evidences of the war being over and Commerce life returning to normal became very apparent during November 1945. For the first time in several years there are as many men as women in the corridors of M. S. C. With the innovation of men's basketball came the organization of Commerce Men's Club for the school year 1945-46.

The following officers were elected: Paul Burns, Dover-Foxcroft, president; Phil Harris, Old Town, vice-president; Louis Levitt, Bangor, secretary and treasurer. The boys' athletic coach, Lloyd Hatfield, was elected the club adviser. Although several members of Mu Sigma Chi—John Riley, Ralph Bearce, Charlie Mitchell, Cleo King, Ariel Edwards, Douglas Van Wart, Harlan Megquier, Ward Shaw, Harwood Steele, Donald Stone—returned in January, it was not feasible to reinstate the fraternity this school year. The Men's Club, a war time expedient, has completed a successful year. It is anticipated, however, beginning the school year of 1946, Mu Sigma Chi will be active and the Men's Club will be a war time casualty.

The members of the club appreciate Mr. Hatfield's interest, enthusiasm, and leadership.

The first meeting of the W. A. A. was held in the fall with the following officers elected: President, Edythe Freeman of Bucksport; Vice President, Nathalie Hall, Patten; Secretary, Catherine White, Southwest Harbor; Treasurer, Elsie Grant, Bangor; and Scribe, Ethel Scott, Winn.

The W. A. A. sponsors basketball, cheerleading, hiking, and bowling. Hiking captains appointed by Miss Swan were Ruth Wishart of Brewer and Alberta Goodwin of Hull's Cove. Hiking requirements are 40 miles for a letter. It was decided to hike on Monday and Thursday afternoons. Some of the places hiked were the Tin Bridge, the Armory in Brewer, WLBZ Station, City Park, and Oak Grove Spring. Rolande Cyr of Van Buren was elected to take the place of Alberta Goodwin.

Bowling captains appointed were Frances Sanborn of Stockton Springs and Catherine White of Southwest Harbor. Fifty strings is the requirement for a bowling letter. It was agreed to bowl Wednesday afternoons. Several girls have bowled all this school year and have received their letters.

Miss Bradford's request for cheerleaders was promptly answered with a squad of 8 girls and 2 boys. The cheerleaders added much zest to the rallies and gave great support to the teams during the entire basektball season.

Coach Swan issued a call for basketball players and a squad of 35 responded. The team had an unusually long and successful season, winning 19 games out of 20. Shirley Wilson of Ban-

gor was captain for the season. This was Shirley's third year of playing basketball for Commerce. Shirley Wilson was high scorer with 243 points. Shirley Libby of Brooks scored 213 points, and Elsie Grant of Bangor scored 120 points. Edythe Freeman of Bucksport played a stellar game in the back court.

The annual girls' tournament was held in March with 24 girls taking part. In the first game Libby's *Lumbermen* met Nicholson's *Nightmares*, the *Nightmares* being the victor. In the second game Wilson's *Whizzes* met Freeman's *Follies* with the *Whizzes* the victor. In the third game Wilson's *Whizzes* played Nicholson's *Nightmares* with the *Whizzes* the champs. The winning team, consisting of Captain Shirley Wilson of Bangor; Marilyn Ryder, Brooks; Phyllis Donham, Island Falls; Kathleen Babbin, Greenville; Jean Curley, East Millinocket; and Sybil Hutchins, Orono, were presented with silver basketballs by the W. A. A.

The W. A. A. sold over 100 season tickets to the games this year. The proceeds were used to sponsor both boys' and girls' basketball.

For other activities the W. A. A. held two noon lunches, sponsored a Hobo dance, and from the proceeds presented the girls' basketball squad with sterling silver basketball medallions.

The girls receiving first team medals are Captain Shirley Wilson, Shirley Libby, Elsie Grant, Edythe Freeman, Lima Nicholson, and Phyllis Curtis. Girls receiving second team medals are J. V. Captain Marilyn Ryder, Nathalie Hall, Betty Larson, Hildred Jordan, Kathleen Babbin, Irene Delano, Ruth Dean, and Ruth Wishart.

All in all the W. A. A. had a very successful year. The following are members of the W. A. A.

ATHLETICS

GIRLS' BASKETBALL

First Row, left to right—Ryder, Marilyn; Grant, Elsie; Libby, Shirley; Wilson, Shirley; Freeman, Edythe; Curtis, Phyllis; Nicholson, Lima; Hall, Nathalie.
Second Row, left to right—Wormlight, Ruth; Delano, Irene; Wishart, Ruth; Jordan, Hildred; Coach Swan; Larson, Elizabeth; Deane, Ruth; Babbin, Kathleen.

Under the direction of Coach Clara Swan, the girls' basketball team at the Bangor Maine School of Commerce wound up its season with the best record of any girls' team in the history of the school, by winning all but one tilt of its 20-game schedule.

Starting the season with only one veteran, Captain Shirley Wilson, Coach Swan turned out one of the top teams in the state, playing against the best teams in Eastern Maine. However, the entire team will be lost through graduation.

Captain Wilson heads the forward department, scoring a total of 243 points during the season, while Shirley Libby, of Brooks, turned in a sparkling performance on the center-forward berth, scoring 216 points. Playing her first year of varsity basketball, Elsie Grant, of Bangor, tallied 116 points. This trio was strong on passing and both offensive and defensive work. On the backcourt berths were Edythe Freeman of Bucksport, a standout defensive player, Phyllis Curtis of Harrington, and Lima Nicholson of Howland.

Edythe Freeman's uncanny ability to figure out what the opposing forwards were up to kept us in the win column. The guards, Freeman, Curtis, and Nicholson, deserve a great deal of credit. When the season started, all three girls played a different style of defense. Commerce uses strictly zone defense, and Nicholson and Curtis were man-to-man players. Despite many misplays in practice the first of the season, this guard section became the most outstanding back court at Commerce. An outstanding team is supposed to use both zone and man-to-man defense, but Coach Swan figures if the zone defense is good it has to be strong enough for all opposition—and it was.

Two outstanding Jayvees who substituted were Marilyn Ryder of Brooks, and Kathleen Babbin of Greenville.

The J. V. team deserves fifty per cent of the credit for our good team as the first team received valuable practice against them. A good team is backed by a good team. In fact, the squad was 100 per cent.

Varsity letters and certificates will be awarded to forwards: Shirley Wilson, Bangor; Shirley Libby, Brooks; Elsie Grant, Bangor; and Jayvee Captain

COACH SWAN SPEAKS

GIRLS' FIRST SQUAD
Left to right—Coach Swan; Grant, Elsie; Libby, Shirley; Wilson, Shirley; Freeman, Edythe; Curtis, Phyllis; Nicholson, Lima.

To My Squad:

To each and every one of you girls, singularly and collectively, I wish to say that I have the deepest respect and admiration for you as a squad. Never has there been a more congenial, more loyal, and more ambitious girls' squad at Commerce. Thank you for being so faithful about practice and games and for being so loyal to Commerce. The little things make big things in this world —and your little things made this year a huge success.

To My Team:

This year you were undefeated in sixteen straight games and lost the seventeenth game by one point. Do not consider this a defeat—you were superb in your loss and a good team can lose with the same spirit as when winning, and this you did! It isn't the number of wins and losses on your record; it is your true spirit of sportsmanship that counts. Carry on in the same manner after you leave Commerce. You will always be remembered as an A-1 team of your school.

Capt. Shirley Patrick Wilson
(Left Forward)

Shirley is the daughter of Mr. and Mrs. Kenneth C. Wilson of Bangor. She is a graduate of Bangor High School, and is at present a member of the Normal Department of B. M. S. C. She is President of Epsilon Tau Epsilon Sorority, a member of the W. A. A., and a three-letter winner in Varsity Basketball, serving as Captain this year. Shirley is Mr. Husson's assistant in the Bookkeeping Department and teaches a class of Filing, also. She is also a student corrector in the Accounting Department.

Shirl, you have been a dream basketball player because of your height, your aggressiveness, your defensive playing, and the fact that all rebounds in our forward court were in your hands before the opposing guards could get them. Shirley, you know that my three years with you have been three of the best of my basketball career. You came here with no Varsity experience under your belt, and in three years' time have become an exceptional player. All the opposing teams can talk or think about is "that" Shirley Wilson. It just goes to show you that I knew "you could"! If I had listened to you, I guess you would have been on the bench instead of in the fifty games you have played for

Commerce. Do you realize that you have played three years and your teams lost only three games. This only goes to prove my point—you are a fine player. Our success has been partly yours—by that I mean you were a part of three very fine teams. My sincerest thanks for being "My Girl, Shirl", and for your untiring effort to become a better player in every game. This you succeeded to do. I owe you a lot more than I can ever repay. Knowing Marie and Kenny as I do is one life-long gift I cherish. They are grand—both of them. Commerce has enjoyed their interests, help, and their baby, and thanks for it all. You are truly a fine athlete and student, and I wish you all kinds of success in your chosen field. Never forget "J", our camping trips, Toivo, Union and the ketchup, E. T. E. and "The Royal Mess".

Shirl, as Captain you have been an A-1 leader. As forward you have scored 243 points. What more could a coach want? Just your faith in me—and thanks for believing in my way of doing things. I know you'll never forget Commerce. It will always be *the* school in your life. There are times when one hates to say "So Long", and this is one of the times. You're "tops" all around.

SHIRLEY LIBBY (Center Forward)

Shirley is the daughter of Mr. and Mrs. Roscoe Libby of Brooks. She was graduated from Brooks High School in 1944 and worked a year before coming to Commerce. "Lib" is enrolled in the Junior Secretarial Course and will graduate in June. She is a member of E. T. E. Sorority, W. A. A., Hiking and Bowling Clubs.

"Lib"—It has been a gratifying year with you playing the most difficult forward position on the court. Your possibilities have been numerous. Your floor play is A-1; your left-hand shots from the center of the floor or corners of the court were breath-taking. Rhode Island had the same type of center in Calverly. You rate with him, Lib, and he's *good!* I admire your feint, your ability to get around; in fact, I would have you no different if I could. You have shown excellent teamwork, and the others depended on your poker face and cool head. If I had three wishes, all three would be the same—that we have you another year at Commerce. Brooks should be mighty proud of you. We, who have watched you on the court and who have practiced with you, know the real athlete you are. That left arm of yours fooled them all!

My sincerest thanks for a job well done and for your faithful teamwork and your fighting spirit. Commerce has been lucky in having you. So have I and if ever I can do anything for you, I am at your service. You're swell—and I mean it. "So Long" and don't pick on Dottie too much. Leave the pieces for me!!

ELSIE GRANT (Right Forward)

Elsie is the daughter of Mr. and Mrs. P. H. Grant of Bangor. Elsie was graduated from Bangor High School in June 1945 and entered Commerce in September. Elsie is a member of E. T. E. Sorority and the W. A. A. She is one of the student correctors in the Accounting Department. Miss Grant is a Junior Secretarial student here and will graduate in June.

"Elsie," you are famous for your hook pass, and what a wonderful one it is. You have played a difficult position, because it is hard to be the passing forward of a team. The others more often get the credit, but I want you to know that if it hadn't been for you, the other forwards would not have received the ball so they could get a basket. You could have shot more, had you wished. Elsie, we all appreciate the great game you played all season. Your teamwork was excellent, your foul shots fine, and you are O. K. by Commerce. I do hope you will change your mind and return for another season; would love to have you. "Freck" should be proud of you. Your folks are grand people. So glad you came to Commerce. You're part of a great team, Elsie, and that's what counts. You may count on me always.

EDYTHE FREEMAN (Center Guard)

Edythe is the daughter of Mr. and Mrs. Everett Freeman of Bucksport. She was graduated from Bucksport High School in 1944. She is enrolled in the Normal Course at Commerce and will go out to teach and coach this coming year. Edythe is vice president of E.

MEN'S BASKETBALL

First Row, left to right—Lynch, Paul; Smith, Philip; Whitney, Wayne; Ryan, Ruy; Burns, Paul; Harris, Philip; Church, Harry; Veysey, Darrell; Daigle, Robert; Hunt, Theodore; Harrington, Douglas.
Second Row, left to right—Coach Hatfield; Henry, Calvin; Scribner, Richard; Garland, Moses; Beaton, John; Sellars, Lawrence; Smith, Jasper; Barriault, Stanley; Lewson, Russell; Manager Dean.

The Maine School of Commerce Indians resumed basketball after three years of inactivity. A squad of twelve reported for the first practice. In the absence of our coach, still in service, Captain Phil Harris, Old Town, very capably coached the team. Just before the Christmas holidays, Coach Lloyd Hatfield assumed his duties.

Our squad was quite different from the usual bearers of the Green and Gold, the youngest player being sixteen and the oldest, twenty-eight. It was a more serious group, on the whole, as three-fourths of the men were war veterans. As there was such a vast difference of experience and ability our Coach was faced with the task of developing an attack and a defense within the range of ability of the entire squad. Through the teaching of the fundamentals and basic technique of team-play, we realized a smooth-passing, accurate-shooting, steady-playing team, conspicuous for its teamwork and aggressiveness.

The basketball squad grew in numbers with the beginning of the second semester, as many veterans entered school under the G. I. Bill of Rights. Several very capable basketeers strengthened the squad considerably.

Highlights of the season were our two victories over Farmington State Teachers College,—the first time a Commerce team has ever defeated the future teachers. Our eleven-game winning streak was terrific, two of these victories being over Greenville, runner-up in the Class B, State Championship playoff.

Coach Hatfield advocated developing a squad rather than five players with the result that we had ten lettermen and several others just failing to qualify. In the forward positions Bob Daigle, Bangor, played a very aggressive, steady game at right forward. Wayne Whit-

ney, Lee, developed into a very aggressive replacement at right forward. Paul Lynch, Millinocket, a mighty atom, was the fastest man on the team and completed the season in fine style with an accurate eye for the basket at left forward. Alternating with Lynch at the left forward post was Doug Harrington, Bangor. A well-poised, experienced player, Harrington not only scored needed points at critical moments but was most valuable as a team player and organizer, setting up many scoring plays.

The center post was well taken care of by Guy Ryan, Bangor, and Harry Church, Brewer. Ryan possessed a great eye for the basket and was our offensive threat the early part of the season. Church entered school the second semester, thus taking the pressure off Ryan. Harry not only scored points, but was the best passer on the team, setting up plays. He was very powerful defensively.

Captain Phil Harris, Old Town, because of poor health, only participated in eleven games. Phil was magnificent and easily stood out as the best player on the court in those contests. The early part of the season Phil played center; the latter part of the season, he played left guard.

Phil Smith, Mapleton, and Dal Veysey, Danforth, shared the left guard position. Both boys played sparkling defensive ball and developed into top performers as the season progressed. Although not scoring much, they were always a threat as they frequently went on solo flight through the center to net one-handers. Paul Burns, Foxcroft, was most valuable as right guard. Our opponents rarely recovered rebounds off the backboard; for Paul displayed unusual ability to get up in the air and snare the loose pellet.

Other players who saw a great deal of action but failed to qualify for letters were Dick Scribner, Lee, at either forward; Ted Hunt, Island Falls, who played very steady ball at right guard; and Stan Barriault, Old Town, who played either guard and had a good eye for the basket. Val Dean, Orono, proved to be a most efficient manager.

Bob Daigle was high scorer for the season with 231 points, closely followed by Guy Ryan with 208 points, and Paul Lynch with 143 points. For eleven games, Captain Phil Harris netted 94 digits, Doug Harrington 93, and Harry Church 91 points. Hunt, Veysey, Smith, and Barriault led the guard with 30, 21, 15, and 14 points respectively.

Our Indians scored a total of 956 points to the opponents' 823 points.

Lettermen are: Captain Harris, Burns, Church, Daigle, Harrington, Lynch, Ryan, Smith, Veysey, Whitney, and Manager Dean.

For meritorious service certificates are awarded to: Barriault, Beaton, Garland, Henry, Hilliker, Lawson, Scribner, Sellars, and Jasper Smith.

CHEERLEADING

Coy, Ruth; Bowker, Donna; Walls, Helen; Shaw, Mary; White, Catherine.

It is said that history repeats itself, and we certainly hope it proves to be true in the case of the Cheerleading squad for next season. The group this year was excellent in performance due to that able young man, "Diz" Daily, who was the leader until he was called into the Service in February.

The squad underwent many changes during the season. The first group working the games included Francis Daily, Alberta Goodwin, Helen Walls, and Donna Bowker. Then Kay White joined them, and many new cheers were added to the list for a five set-up. The wrinkles were beginning to iron out for smoother rhythm in a fine manner when "Berta" Goodwin, one of our best cheerers, left school to go to work. Her place was filled by Mary Shaw, a newcomer to our Commerce family, and a grand cheerleader.

Now everything seemed to be all set for an uninterrupted group to carry on through the season. Then the blow fell —"Dizzy" Daily left! The whole school felt the loss as well as the squad itself. A gift was presented to him by the basketball teams at his last rally.

At this point the formations must all be changed over to accommodate four instead of five. It was agreed, however, after much practice, that another member was needed. Ruth Coy then became the fifth girl on the squad. Helen Walls and Mary Shaw shared the honor of being head cheerleader.

On most of the out-of-town games the Cheerleaders had a chance to go along with the basketball players. Those trips were something new for Commerce Cheerleaders, and what fun!

Many thanks to the best Cheerleading Squad the school has ever had. Your execution of cheers was an inspiration to the teams and an added incentive to the spectators.

Coach Swan wishes to take this opportunity to thank each and every member of the squad for the beautiful gift and for her part in making the season a successful one. Losing one game, girls, didn't mar your record. You were superb in your defeat as well as in your wins. You deserve all the credit. My part was a minor one compared to yours. My teams were yours and thanks for a swell season. In my opinion you couldn't do anything wrong. You didn't! !

Coach Swan Speaks

(Continued from page seventy-two)

T. E. Sorority and president of the W. A. A.

"Freemie"—You have developed into the best center guard Commerce has ever known. We have had some pretty grand guards and you're tops. That is the greatest compliment I can pay you. You have shown an uncanny intuition as to the opposing forward's next move and have beaten them many times. Your defensive work is remarkable, and your offensive work, just as soon as the ball is in your hands, helped us to win those 19 games. It is a difficult job to keep a zone defense—yet you have kept our defense working as a unit. The back court of this year's team has received and deserves more praise than any former team. With "Nick" and "Curt" you've been a stone in a stone wall. My thanks to you, Freem, for your loyalty, fight, cooperation, and just being you. I wish you luck and success with your teaching and coaching, and let's have two good games of ball next year. Don't forget to come back for the Alumnae game. Be seeing you, Freem, and I hope you have enjoyed basketball at Commerce as much as I have enjoyed you.

LIMA NICHOLSON (Right Guard)

Lima is the daughter of Mr. and Mrs. Neil Nicholson of Howland. She was graduated from Howland High School in 1945 and is enrolled in the Junior Secretarial department of Commerce. Lima is a member of E. T. E. Sorority and the W. A. A. She will be graduated in June 1946.

"Nickie", of course nicknames are a hobby with me; and once one is attached to a person, that person is more often known by her nickname than not. To me you are just "Nickie". You are an agile guard. Nickie, your offensive and defensive play is above reproach. Your spirit of cooperation is A-1. You are one of the reasons my guard section was so strong and so scrappy. The boys call you "Scrapper"—well earned and deserved—and a compliment! Your ability and excellent guarding won for us the Lincoln, Lee, and all other 19 games. You have a right to be part of a team. Many thanks for your fine playing and

your great spirit and all you've done for Commerce this year. I could use you another year and I enjoy Freddie, too. He's a great guy!

PHYLLIS CURTIS (Left Guard)

Phyllis is the daughter of Mr. and Mrs. Ralph Curtis of Harrington. She was graduated from Harrington High School in 1945 and is enrolled in the Junior Secretarial course at Commerce. Phyllis will graduate in June. She is a member of the W. A. A.

"Curt", you have improved the most of any one on the entire squad this year. It was difficult for you to get into the zone defense, but you did. Your ability to bend your opponents over almost double, and not foul, and your guarding in the corners saved us many a time. Your part in the trio zone defense was just the part to make it hold against all the forwards. You've done a grand job, Curt, and many thanks for your grand playing. Hope you will always remember Commerce and all the games, the trips, and fun we have had. Your fighting spirit kept us going all season. Here's success to you next year in whatever you do.

Besides the regular players on a team, a coach must have substitutes. A second team makes a good first team, and my team and I owe the other players on my squad a debt we can never repay. The squad's untiring effort, faithful attendance at practice and fighting spirit made our season so very successful. To each one of them I have a few words to say.

J. V. Captain MARILYN RYDER
(Center Forward)

Marilyn hails from Brooks and really is an A-1 ball player. Her spectacular center shots, foul shots, and team work have made her a valuable player. Brooks can be as proud of you as Commerce is. You rate tops, Marilyn.

My thanks for being so cooperative, so anxious to do your part when sent in the game and your excellent sportsmanship. Your ability has won you a Varsity letter, and I am very glad to know that you will return to Commerce for another year. You will make us another *Brooks* center and will try to keep our record as good as this year's. Be seeing you on the court next year.

KATHLEEN BABBIN (Center Guard)

"Babbie" hails from Greenville and is known for her aggressive guarding. Babbin plays the ball and her section of the floor at the same time. Babbin has come a great way and made a valuable substitute. She filled in any of the guard positions at a second's notice. Her guarding is of the Greenville style, a thing of which she is proud, and of which Commerce is proud. Babbie, I'd rather have you just as you are than all the other guards we played against, and they were some of the best.

Do wish you could come back to us for another year. Our defense would be on the up-and-up, Babbie. Thanks for everything. Your spirit, cooperation, and excellent playing have won you a Varsity letter this year. You're a wonderful kid, Babbie. Good luck now and always.

NATHALIE HALL (Forward)

Nat hails from Patten, and has played quite a bit of ball for us this year. She made a second fine forward section complete. Her passing to Ryder and Betty Larson was excellent and her teamwork made this a great forward section. Truly, Nat, you are O. K. on the court and for a "half-pint", you're dynamite. I am glad you are returning to us next year and hope to see you in the Green and Gold again. Don't forget our fun, Paul, the trips, and the many times I have pounded you up! Thanks for it all, Nat.

ELIZABETH LARSON (Forward)

Betty hails from the North woods, too, Greenville. Betty used her height under the backboard to her advantage. Her foul shots are the best of the entire squad. Her fighting spirit put her home town team on the spot at Greenville. Bet, you've been a part of a fine forward section. I do hope you've enjoyed it all. Thanks for your fine cooperation and best of luck always.

HILDRED JORDAN (Forward)

Hildred: You have made fine progress in the basketball court, and it has been a real pleasure to have you with us. Your height surely helped you out. Thanks for coming to practice, keeping "Curt" on time, seeing that she managed to get to bed by twelve on the nights

before the games. Your disposition and red hair do not match, but your fighting spirit and hair do. Thanks for a job well done.

RUTH DEANE (Forward Guard)

"Deanie": You have been my handyman this year. A coach always needs one player who can do a fine job in either court. I know you are a forward. This year you have played both positions and made a go of them. I am fortunate in having Shirley and you interchangeable. Another year would give you the faith you need in your ability to do either. Thanks for your cooperativeness, fighting spirit, those long arms and legs of yours. It has been swell knowing you and having you on the squad. I could use you another year. My very best to you, and I hope you have enjoyed Commerce. (Your Shorthand is on the up-and-up!)

RUTH WISHART

Ruth is the daughter of Mr. Albert Wishart of Brewer. She was graduated from Brewer High School in 1942 and entered Commerce in September 1945. At present she is a Junior Secretarial student and is thinking of taking the Normal Course. She is an E. T. E. sister, Co-Captain of the Hiking Club, and a member of the W. A. A.

Ruthie, your spirit and determined point of view have done much for you this winter. Being the only squad member who never played ball before and sticking to it is all in your favor. It's been fun having your Dad and your sister at the games. They are swell sports. Do hope you come back, and we will have more fun.

IRENE DELANO (Guard)

Irene played ball at Lee Academy and received much valuable instruction under Hilda Banks Wardwell, a former guard at Commerce. Glad to have you here, Irene. Do hope you have enjoyed this year.

RUTH WORMLIGHT (Guard)

"Wormie" hails from Brooks, and this was her second year at Commerce. Near the close of the season, "Wormie" left us to be married. Best of luck with your new adventure "Wormie", from all of us.

sale held by E. T. E. This was successful as usual and the girls who sold all gained experience in salesmanship. This is one of the most profitable events of the year.

At this writing plans are being made for the May Formal, at which time a King and Queen will be crowned.

During the summer session E. T. E. meets every Wednesday night just for a social evening. Picnics, swimming, hiking and general fun keep this group together.

The most enjoyable thing about our sorority is the friendliness and the love of fellowman that is so prominent. It brings Commerce near to all sorority members and gives us all lasting and cherished memories of our school days.

INTERPRETATION

† Killed in action.

° Married; present name and address unknown.

Many students may find their pictures in one class group and their names in a later class group. This arrangement is evident, particularly for the classes during the first ten years. Too, many of the class lists are not alphabetically arranged.

To qualify as an alumnus of Commerce the pupil is required to have attended one full semester (twenty weeks) or more. This may account for missing names. However, if there are any errors or omissions, or information of any kind that would improve the records, the office will be grateful indeed to receive new data.
