HUSSON LEDGER

NOVEMBER, 1957 | HUSSON COLLEGE, BANGOR, MAINE | VOLUME 32, NO. 1

WELCOME FRESHMEN!

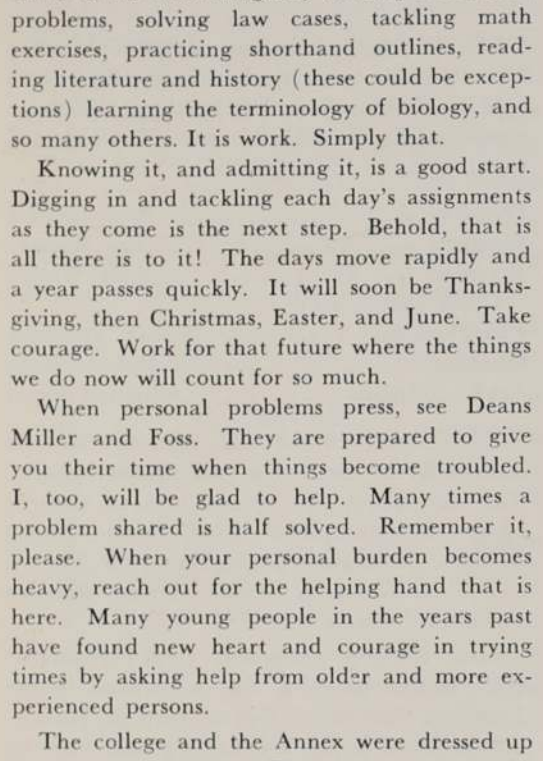

President's Column

Welcome, freshmen. And warm greetings to the upper classmen. A new year and a new adventure has begun for you, and for us. May we find a joy in achievement working together, and a bit of fun and play as days roll on. There is no glamour in study. It is not easy to sit down to the tasks assigned, working accounting problems, solving law cases, tackling math exercises, practicing shorthand outlines, reading literature and history (these could be exceptions) learning the terminology of biology, and so many others. It is work. Simply that.

Knowing it, and admitting it, is a good start. Digging in and tackling each day's assignments as they come is the next step. Behold, that is all there is to it! The days move rapidly and a year passes quickly. It will soon be Thanksgiving, then Christmas, Easter, and June. Take courage. Work for that future where the things we do now will count for so much.

When personal problems press, see Deans Miller and Foss. They are prepared to give you their time when things become troubled. I, too, will be glad to help. Many times a problem shared is half solved. Remember it, please. When your personal burden becomes heavy, reach out for the helping hand that is here. Many young people in the years past have found new heart and courage in trying times by asking help from older and more experienced persons.

The college and the Annex were dressed up during the summer. The front stairway on Park Street, the driveway around the buildings, both have the new look. Did you notice the new paint job on both buildings? Lots of working pleasure.

There is much yet to do, but we must wait and catch our breath. There are four main projects planned by the Administration; namely, furnishing the Lounge in the Annex, equipping the Infirmary, opening the Library, and widening the exit at the rear of the auditorium to relieve congestion when passing from one building to the other. This year's budget excludes the possibility of any action on these items, and this I regret. The Annex, and the purchase of fifty acres of land for our new campus, both during the year 1956, have exhausted our reserves. Yes, we are poor at the moment, but we work hardest when we are in debt. We'll dig out as we have so many times in the past, and then these things that we desire and need will be added unto us.

The problem of keeping the auditorium clean is still with us. After eating, it is so easy to take care of containers, bottles, paper, etc. If each one would take care of his own, it would solve the problem overnight. So easy could it be, if all were courteous. If each one would leave the table as he found it, unsightly messes would not occur. Visitors' judgments are governed by first impressions. Let's have pride in our college and its reputation.

In conclusion I have a message for all of you, and it applies to the administration and faculty, too. It is well to remember:

"If a task is once begun
Never leave it 'til it's done.
Be the labor great or small
Do it well, or not at all."
Anonymous

If we start a thing, let's finish it, and take pride in it. Sloppy work, careless work is a reflection upon the person guilty of it, and bodes ill for the future. Neat work, conversely, wins its own high regard and tomorrow's employer will applaud it. Think of this, and be painstaking in your tasks.

I wish you a happy and fruitful year of study. My office door opens easily, it is warm and comfortable, and I enjoy visitors. Come in anytime the mood prompts you, especially if you have any ideas on how the Husson way of life may be improved or intensified.

Cordially,
"Chief"

Roving Reporter

A married veteran student is not unusual here at Husson College; or even a married veteran father is no longer a novelty. However, Everett Johnston holds the distinction of being one of the few fathers of twins.

Mr. Johnston was graduated from Houlton High School where he was a member of the English Club and Honor Society.

He was a Private in the United States Army. Besides being stationed in South Carolina and Pennsylvania he served ten months of Korean duty.

His wife, the former Jane Ingersoll of Ellsworth, is a graduate of Ellsworth High School.

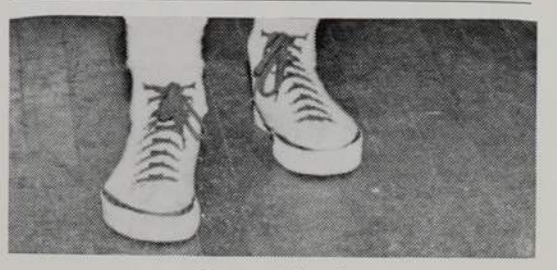

Here at Husson Mr. Johnston is a member of Mu Sigma Chi and the Men's Athletic Association. He is a senior and majoring in Accounting. The Johnstons have no definite future plans but we wish them luck and offer our congratulations.

To All Students

There will be issued from the Executive Director's office each Monday a bulletin called "Husson Notes." This has come about because of the size of the student body, the failure of the students to check the bulletin boards for administrative notices, and the necessity of advance publicity of various activities. This is to be considered "official" propaganda and each student should obtain his copy weekly in order to keep up to date on his obligations to the college. Copies will be available in the Gym.

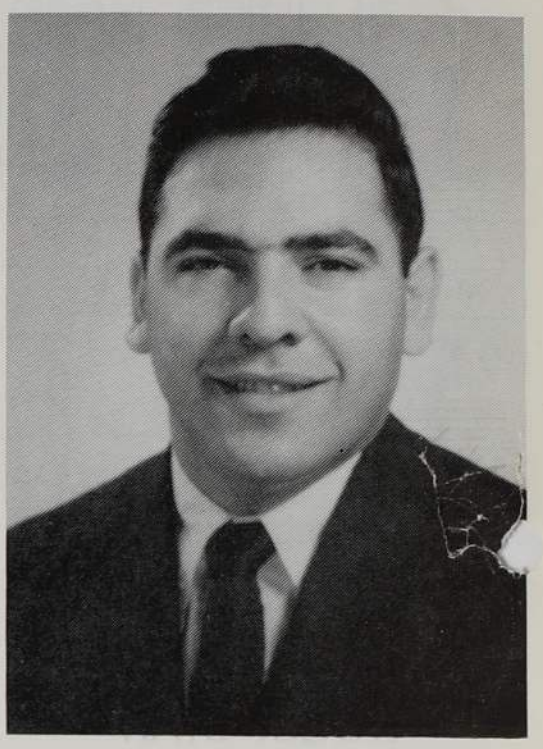

Graduation notices, special events, special social activities, notices of polio shots, etc., will be announced through the "Notes." The Administration asks your cooperation in this project.

Activity notices may be left on Miss Swan's desk on Fridays.

Guess Who?

Miss Robbins graduated from Stonington High School in 1956. She is enrolled in the Executive Secretarial Course here at Husson. She is active in Epsilon Tau Epsilon Sorority, Student Council, and Women's Athletic Association. Miss Robbins had a double surprise the night of the ball as she became engaged, too!

Cheerleading

Six peppy cheerleaders will soon be leading the Husson fans on November 21 at Washington State Teachers College. This year they are wearing pleated green and white skirts, white long-sleeve blouses and green weskits for their new uniforms.

They have many new ideas for cheers request many cheers from the crowd to help them out.

Those on the squad are: Sandra Hammond, head cheerleader; Diane Dunning, Jane Feeney, and Betsy Kline, all of Bangor; Judy Wilbur, Camden; and Frances Akerley, Farmington. Alternate is Judy McQuarrie, Madawaska.

This conversation between a waiter and a diner occurred in a restaurant notorious for the smallness of the portions it served. "Well, sir," asked the waiter, "how did you find your beef?" "Oh, I just happened to shift a potato, and—well, there it was."

"Why do they call these dentists' offices dental parlors?" asked Smith of his friend. "Why, parlor is the old-fashioned name for drawing room."

CHIT CHAT

The girls' lounge does not get as noisy or as full as it did last year. Everyone is either taking advantage of the new Annex lounge or they have turned over a new leaf and are not cutting classes.

The new '57 conversation in the girls' lounge: "I can't get that piece of hair in place. I'm not fat. Do you think I am fat, Rita?"

J. Russell, have you got a "callin' out" from B. Kane yet?

By the way, who put the school sign in your way, Bonnie B.?

Familiar picture about 10:30 a. m.: Bev G. sitting on the wastebasket reading a letter or *two* from Cuba.

V. A.

A disabled veteran who finds he can't keep his appointment at a Veterans Administration clinic for outpatient treatment should notify the clinic at least 24 hours ahead of time, so VA may schedule another disabled veteran in his place.

That's the advice of Dr. L. M. Schmidt, Chief of Outpatient Service at Togus, Maine.

Dr. Schmidt said VA clinics are extremely busy, providing nearly 1,000,000 medical treatments annually to eligible veterans for service-connected disabilities.

V. A. (continued)

"A broken appointment isn't fair to the other disabled veterans who could have been treated at that time if the veteran had given sufficient advance notice of cancellation," Dr. Schmidt said.

VA has established certain rules to keep broken outpatient appointments to a minimum so the clinics may take care of as many veterans as possible every day.

When a disabled veteran breaks one appointment without a reasonable excuse or advance notice, he is notified by VA that if he breaks another without at least 24 hours' notice or a reasonable excuse, he will be deemed to have refused Government treatment.

He then will receive no further treatment until he has filed a formal application for it and satisfactorily shows a willingness to co-operate by keeping his appointment or by giving at least 24 hours' notice when an appointment must be broken.

"These rules," Dr. Schmidt said, "are in operation for the benefit of all eligible veterans who need outpatient treatment for their service-connected disabilities. They also assure full use of our clinics, which is an important consideration in view of the large number of veterans eligible for this treatment."

Failure to report income above the legal limits will be costly to veterans or their survivors receiving pension from Veterans Administration, Myles P. Cronkite, Officer-in-Charge of the Veterans Administration Office, 96 Harlow Street, Bangor, Maine said today.

Not only will they be required to return all over-payments from the date their income exceeded the legal limits, but also all regular pension payments back to the first of the calendar year, Cronkite said.

However, if the pensioner notifies VA promptly of an income increase above the statutory limits, VA will discontinue the pension as of the last payment and no over-payment of any type will result, he said.

Cronkite explained that pensions are not payable under law if the income of a pensioner without dependents exceeds $1,400 a year, or $2,700 a year with dependents.

Since VA must check the annual income of pensioners every January under the law, any increase above the legal limits from any source other than VA will be discovered at that time, Cronkite explained.

"So it's better to report excess income right away and avoid an overpayment," he said.

Overpayments to disabled veterans receiving extra compensation for dependents are subject to recovery by the Government, but can be avoided if the veteran reports promptly any change of dependency.

Myles P. Cronkite, Officer-in-Charge of the Veterans Administration Office, 96 Harlow Street, Bangor, Maine said additional payments for dependents are authorized by law for vet-ns whose service-connected disabilities are ed at fifty per cent or more.

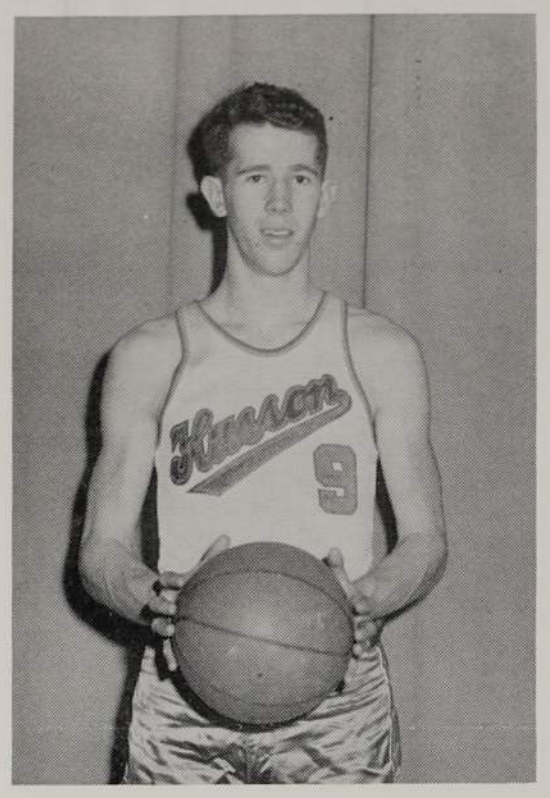

Overpayment of these allowances is usually the result of changes in marital status, death, or dependent children marrying or reaching the age of 18, Cronkite explained.

Prompt reporting of dependency changes, Cronkite emphasized, enables VA to keep its records current and prevent overpayment, the ry of which often comes as a hardship to the veteran and his family.

CONGRATULATIONS!

Bev Govone

Coach Swan has issued her annual basketball call and practice is well under way. Veterans returning for the season include "Bev" Govone of Forestdale, Massachusetts, a guard of high caliber, and Ellen Severance of Corinna, who held down the center forward position last year; also Ida Wilson of St. George, a fine center guard, and Janice Day of New Sharon, a fine forward.

This year will find many new faces in the line-up. Girls reporting to Coach Swan for the first time include the Murphy twins, Cary and Jean, of Millinocket, Nancy Hamilton of Bangor, Judy McQuarrie of Madawaska, the Curran twins, Jackie and Jo of Milo, Janith Veinot of Searsport, Rachel Mitchell of Union, Anne Langley of Orono, Ruth Whittier of Winterport, Arlene Pease, of North New Portland. All these girls are trying out for forward positions. We have the short and tall of it this year. New faces in defense will be Mary Ames of Camden, Marjorie Cummings of Lagrange, Emily Fitts of Thomaston, and Jessie Russell of Bangor.

Coach Swan has hopes of developing a fine team and looks forward to a successful season.

Girls serving as Managers for the 1957-58 season are Janice Moody, scorer; Nancy Wells, timer; and Elaine Roundy, details.

The girls will meet Nasson College and Westbrook Junior College, also Lee, Erskine, Mattanawcook, Hampden Academies, Deer Isle, Newport the Husson Alumnae, and anyone else who wishes to play.

The girls' first appearance will be on Tuesday, November 19, when they meet the Faculty team at Husson in a benefit game for the Cheerleaders. The faculty team will be composed of men and women of Husson, all dressed for the occasion.

Bill had a bill-board. Bill also had a board bill. The board bill bored Bill, so that Bill sold the bill-board to pay his board bill. So after Bill sold his bill-board to pay his board bill, the board bill no longer bored Bill.

"The horse and the cow is in the field," read the teacher. "Mary what is wrong with that sentence?" Mary, says the New York Tribune, was evidently more versed in the rules of politeness than in the rules of grammar, for she answered promptly: "The lady should be mentioned first."

Graduate School

Louis Peters and Richard Goggin, graduates of the Class of 1958, will complete the required work for a B.S. Degree in Accounting in January. These two men have been accepted as graduate students at Michigan State University, East Lansing, Michigan. Both men will enter the second semester class at Michigan State. These boys are to be congratulated on their efforts, and interest in the Accounting field. We at Husson wish them unlimited success in their studies.

Hamm has made an outstanding record at Husson, having received all A's for seven straight semesters. If he does the same for this semester, he will be the first 4.0 man to graduate from Husson. ALUMNI

From Germany

5 June 1957

Dear Clara:

I received your most welcome letter this week. I'm answering right back to let you know that I've not received any of the Husson Ledgers. Maybe they are being sent to the wrong address. If not they have gone astray somewhere. I certainly would like to see the Ledger again even though I don't know many of the people at Husson any more. Elsie Reynolds wrote me and sent me a clipping about the Alumnae banquet. Sure would like to have been there.

We have about eight more months here. We are due to leave Feb. 15. The advance party, however, will leave Dec. 15, but we just couldn't be so lucky.

We are pretty proud of our little daughter. She's growing like a weed, is getting fat and spoiled.

Our bowling banquet is Friday and I will get four trophies this year. Our team won first place again this year. I also have second high game (216) and third high average (138).

Rumor has it that we are going to Fort Ord, Calif. when we return. We were supposed to return to Maryland but it doesn't look like it now. When we get in California we'll probably get home as often as we do from here.

I'm sending a snapshot of the baby, taken when she was four days old. Don't I look motherly?

Must close now and catch some sleep while I can.

Write when you can. I love hearing from you. Say "Hi" to Brad.

Love, Shirley

Dear Miss Swan:

Would you please see that the attached form is completed and forwarded in the enclosed self-addressed envelope. I have secured employment in the town of North Haven, Connecticut, and this form is needed as part of my certification requirements.

This will be my return to the classroom after a two-year absence. I have been getting some in-the-field training working in the accounting department of one of the local factories. The experience received will be of great resource value, but I can hardly wait to get back to teaching again. Nothing beats it.

The physical plant of North Haven High School is modern and well-equipped. With the combined Junior and Senior High, there will be 1300 students enrolled for classes beginning in September. I will be teaching classes in Shorthand I, Typing, Business Math, and perhaps a class in Junior Business Training.

Thank you very much for attending to this matter for me. My regards to you, the "Chief," and the staff.

Sincerely yours,
William Burrill

Dear Miss Swan:

This is a note to thank you for filling out any papers in my behalf while I have been trying to secure a teaching position here in Connecticut.

I have signed a contract with Windsor High School at a salary of $4200. I am to have four classes of Personal Use Typing and one of General Business. It is a school of approximately 1300 students. It will certainly be different than teaching at Pemetic! It will probably take me a month to find my way around!

Thanks again for all your trouble! Hope you and Miss Bradford are having a nice summer.

E. T. E. Alumnae

A covered dish supper was held in the new Husson Annex Monday evening, October 21, 1957. The eats were numerous and excellent. Beans, salads, spaghetti, casseroles, rolls, muffins, cake, cookies, and ice cream and coffee were served. Twenty-four members attended. A nominating committee for 1957-58 officers was appointed by President Helen Brown Dunham of Ellsworth.

The next meeting date is Monday, Nov. 18, 1957 at Pilots Grill. Dinner time is 7 p. m., so that mothers can leave their children with baby sitters. Diners may choose from the menu. A program committee is working on a fine evening's entertainment and it is the hope of the "old faithfuls" that the membership will increase. Get your old Sorority crowd together and notify Gail Jones in the school office that you plan to attend. Tel. 4043.

Last summer the Administration and Sorority members were saddened and shocked at the untimely death of one of the outstanding graduates of Husson College. Ethelyn Williams passed away and the loss is felt by us all. The ETE Alumnae voted to honor Ethelyn's memory by naming one of its annual scholarships, the Ethelyn L. Williams Memorial Scholarship. This scholarship will be awarded at the last assembly of the school year in June.

He and she arrived in the fifth inning. He (to a fan)—What's the score? Fan—nothing to nothing. She—Goody! We haven't missed a thing!

E. T. E.

Epsilon Tau Epsilon Chapter of Pi Rho Zeta recently began another active year by installing officers in an impressive ceremony. Miss Bradford and Miss Swan officiated in installing the Misses Janice Moody and Darthea Hubbard as co-Presidents, Nancy Wells as Vice-president, Beverly Kane as Secretary, Ida Wilson as Treasurer, Janet LePage as Sergeant-at-arms, Janice Day as Member-at-large and Student Council Representative, and Charlotte Turner as our yearbook Representative.

The Sorority has chosen to sell Christmas cards as a project for this year.

The annual Hobo Hop, sponsored by the Sorority, was a huge success, as usual. A large, congenial crowd attended, and our own Beverly Kane won the second costume prize for "boys." Her "get-up" was unique and brought many laughs.

Open House will be held on October 30 at the Annex for all girls. Various committees were chosen and plans formulated for the affair.

Sophomores in Sorority will soon be donning their new Sorority jackets.

A Scavanger Hunt will be held in conjunction with the Fraternity at the next regular meeting of Epsilon Tau Epsilon.

Others winning in the Hobo Hop were as follows: Judy McQuarrie, Madawaska; received first prize for girls and Charlene Albert, Madawaska, second prize for girls. Dale Cox, Bangor received first prize for boys. They all were dressed very appropriately and added much to the evening's fun!

President's Column

Merry Christmas. May the season find you with your loved ones. May it also reach you with its significance. Ours is a world of wonder, each day unfolding fabulous probings into the nature of it. We are about to enter space. We look to God to guide us into these great adventures, and to help us with the less staggering ones. It is a season to get in closer touch with our Creator and do those things which find favor in His sight.

Mrs. Husson and I had a delightful trip which covered 3000 ground miles, less 37, on the return trip through 17 states. Ours is a great country, and seeing it serves only to prove it. But Maine looked so good after so many days away, that we fell in love with it all over again and rate it first in our hearts. Those of you who have been away, especially you veterans, know what we mean. We now know that the grass in our own backyard is the greenest anywhere.

Grades were issued to the freshmen at the quarter. It was a pleasure to witness the number who qualified for the Dean's List. My compliments to them, and may it inspire them to stay there. For those who failed a subject or two, take heart. A little more time, a little more effort, these are indicated. The quarter grades are not recorded so that present deficiencies may be overcome by the end of the semester and a new forward look may be written into the permanent records.

Are you satisfied that you devote enough time to your studies? If you can answer yes then I have no quarrel with you. If not, may I repeat that school time is work time, and before it is too late you should and must give your college career the time that it requires. All else is futile. An employer will scan the record you make here. Make it the best that you can, since it is for your good, and your good alone. It helps me to be warm in my recommendations, too, because I'm personally interested in each student's progress in the classroom and in the world into which he takes his Husson degree, or diploma. When you do less than your best, less than the best will come back to you.

The parents in the background are always happy when your grades are good. Keep them happy. How worried they are when you falter. I talk with many of them, and the ones unhappy because of the poor grades issued their sons and daughters disturb me deeply. They are hurt. Their plans, their sacrifices, their inspirations, seem to be wasted. They do everything to encourage more and more education for their children, knowing the values it will have in later life. The unthinking student is reminded that he is never alone in his quest of an education. Behind are those who pray for his success and he would do well to consider them as he attends his classes. His country, too, needs each at his best. He must contribute the fullest of his talents and capabilities if America is to lead. I conclude this thinking with the recommendation that for the remaining weeks of the semester each and every one please make a special effort to do a better job of being a student. O. K.?

After the holidays, we have an increased number of visitors. I ask again that you do *your* bit to keep our buildings neat and clean. They are attractive when clean, and our visitors are impressed by our college home. I ask each one of you to try, and I thank you for listenin'.

It's a long haul to the Easter vacation. Everybody, instructors included, will be tired by then, and ready for a deserved rest. In between come the mid-year examinations which take their toll of effort and concern. So enjoy the Christmas vacation to the full and store up the energy that will be needed for the uninterrupted voyage to meet Peter Cottontail. Happy Noel!!

Varsity Basketball

The Husson boys will be defending its Northeast College Conference Championship for the third straight year. They are off to a very good start.

Coach "Del" Merrill brought his fighting Indians home from Washington State Teachers College with a 67-54 victory. He also led them to a victory over Mount Allison College 116-59. Maine Maritime Academy bowed to the Husson organization to the tune of 84-76.

Back this year with Coach Merrill are: Bob Burleigh, Millinocket; Dickie Moore, Milo; Bob Gross, Milo; Dana Dow, Mapleton; and Bob Cimbollek, Bangor. Newcomers to his squad are: Dave Kelly, Bangor; Don Vachon, Brewer; Bruce Bower, Brewer; Wayne Richards, Pittsfield; John Dill, Hampden; Danny French, Bangor; and Wayne Haskell, Hermon. Paul Goss of Charleston and Charles Bears of Millinocket are managers for the squad. They are both newcomers at Husson.

Husson College welcomes the newcomers to the team and wishes Coach Merrill and his boys the best of luck throughout the season. "We will all be rooting for you all the way!" (Especially, Miss Swan!)

Student Council

The Student Council started off with a good beginning this year, having a large membership. These members are making it possible to make advances in bettering the school for the interests of all the students.

Recently, the Student Council presented Mr. Curran with a saw table in appreciation for the many years of service that he gave to the Council as their adviser. We hope that Mr. Curran will get much enjoyment from this gift, using it in his hobby of woodworking.

Due to a problem in the parking lot behind the school, a new parking system has been organized. Car owners are to enter the lot from the French Street driveway and leave by the Park Street exit. Also, cars should be parked orderly around the lot with no parking in the center. In doing this we hope to eliminate problems that have existed in cases of emergencies. We hope the student body will cooperate in carrying out this new plan.

Work is being done on setting up a Student Loan Fund to give financial aid to students who wish to further their education at Husson but who are unable to because of financial difficulties. In the next Ledger issue we will have more information to give the student body.

V. A. NEWS

Back payments of compensation for service-connected disabilities may be made to one of three different dates, Myles P. Cronkite, Officer-in-Charge of the Veterans Administration Office, 96 Harlow Street, Bangor, Maine, reported today in answer to numerous inquiries.

He said the retroactive payments are determined by three different sets of circumstances based on the date of application. He listed them as follows:

1. If the veteran files his application within a year from the date of his release from active service and if VA finds his service-connected disability was severe enough at separation to be compensable, payment may be made retroactive to the day following his release.

2. If the veteran files application within a year from the date of his release, but his disability was not severe enough at release to be compensable, payments may not be made for periods earlier than the date the evidence shows the disability became severe enough to be compensable.

3. If the veteran files his application later than one year after release, payments may be made retroactive to the date of filing, if the evidence shows that the service-connected disability was severe enough to be compensable at the time of filing the claim.

Cronkite said this does not mean there is a time limit for filing. Veterans may apply for disability compensation at any time during their lives.

Compensation may be paid monthly to veterans who have disabilities which are determined to have been incurred in or aggravated by service in the armed forces either during peacetime or wartime service. The peacetime rate is 80 percent of the wartime rate unless the disability resulted from extra-hazardous service, in which case the wartime rate may apply.

Compensation claims of veterans in this area are handled by the VA Office located at 96 Harlow Street, Bangor, Maine.

* * *

Although the Veterans Administration gives priority in hospital admission to those needing treatment for service-connected disabilities, it is not prohibited from admitting those who need treatment for conditions not connected with military service.

The second group includes veterans discharged for disability incurred in line of duty or receiving compensation from VA for disability who need hospitalization for nonservice-connected conditions. They may be admitted to VA hospitals when beds are available, Myles P. Cronkite, Officer-in-Charge, VA Office, 96 Harlow Street, Bangor, Maine, said.

The third group includes war veterans without service-connected conditions who may, under law, be admitted to VA hospitals if three conditions are met.

First, they must need medical care of a type or extent for which hospitalization is required.

Second, they must certify under oath they are unable to pay for the needed hospitalization elsewhere.

Third, a hospital must have a bed available. In Maine's only VA Hospital, at Togus, the favorable bed situation makes it possible to admit patients without long delay.

Cronkite said peacetime veterans are eligible for care in a VA hospital only if they were discharged under other than dishonorable conditions for disability incurred in line of duty, or are receiving VA compensation for service-connected disability.

He added that VA hospitals, like other hospitals, accept emergency patients as a life-saving measure, and that VA priorities for admission are waived in such cases.

Four suggestions to aid survivors of deceased veterans in filing claims for compensation or pension under new laws enacted by the last session of Congress were offered today by Myles P. Cronkite, Officer-in-Charge of the Veterans Administration Office, 96 Harlow Street, Bangor, Maine.

By following these suggestions, Cronkite, said, survivors will expedite adjudication of their claims.

1. If the veteran's death certificate does not contain a statement as to cause of death, it should be accompanied by a certificate from the attending physician, showing dates of treatment and cause of death.

2. A widow filing a claim should furnish the record of her marriage to the veteran. If she or the veteran were previously married she should, if possible, furnish copies of death or divorce certificates to establish that the previous marriages were dissolved.

3. If minor children are among the survivors, birth or baptismal records sshould be furnished, containing the names of both parents and date of birth. If the children were adopted, a copy of the court order should be provided.

4. Parents filing a claim must establish their relationship to the veteran by furnishing VA with a certified copy of the veteran's birth or baptismal certificate containing the names of both parents.

Detailed information about compensation and pension claims is available at the VA office, 96 Harlow Street, Bangor, Maine, Cronkite said.

With The "Chief"

Our traveling President completed his term of office as President of the New England Business College Association during the Thanksgiving recess.

The convention was held at the Sheraton-Plaza hotel in Boston, November 29 and 30, and was attended by delegates from about thirty of the leading business colleges in the six states.

In our interview with him we learned that all Northeast planes were grounded and that he sat up all night on the train from 10:30 p. m. to 5:30 a. m. after spending five hours at the airport before the flight was canceled. "It was quite an experience," he said. "It is good for our patience, sometimes, to have our pace slowed for us. But I'd hate to sit 18 hours again in the space of two days. I missed the opening day of the convention, but enjoyed thoroughly the closing session and luncheon."

The New England Business College Association has been revising the criteria for admission to its membership and only the most progressive and aggressive schools may succeed to membership. Every effort is being made to upgrade, and further upgrade, the offerings of the schools, including more and more courses in general education. Mr. Husson urged all members to apply for national accreditation in addition to regional approval thus announcing to the public its intense desire to be of honest service to the students enrolled in its classrooms.

"The rest of the country looks to New England," he said, "as the seat of learning, as the home of its first and best schools, and an area in which ethics and sound administration and organization govern the educational institutions. This includes the private college such as ours, and because I have great faith in our contribution to business education in today's workaday world, and in the men whom I have met who have devoted their lives to it, I was willing to serve as President as part of my contribution of service to the field in which I earn my bread and butter." Then he added, "You know, it's quite nice to retire from office and to be a common citizen again. I will attend the spring convention in Vermont as a member only, with no worries as to program and other details. I think I'm going to like that."

We are sure that Mr. Husson has earned a bit of rest from his many outside activities, but it's my prediction that he'll accept such calls as long as his health permits. Wait and see!

CHEERLEADING

The peppy cheerleaders look real good in their new uniforms and we all compliment them on the fine job they are doing this year. They need much support from everyone at Husson and ,would like everyone to attend as many home games as possible. The basketball team needs many cheers to help them win their way to the Championship and cheering does help!

The cheerleaders had a basketball game, Faculty Freaks vs. the Pajama Girls and received partial payment for their new uniforms. Recently they have been selling chocolates to try to finish paying for them. We wish you much success, each and every one of you in your undertakings this year.

Conference Time

Mr. Husson, lately returned from the Boston convention of the New England Business College Association, which followed a Cincinnati convention of the National Association and Council of Business Schools, is now confronted by another peregrination, this time to Hartford, Connecticut.

The National Commission on Teacher Education and Professional Standards has invited our President to participate in the 1958 Regional Conference on "The Teacher Education Program—Basic Principles and Issues at The Statler, Hartford, Connecticut, January 3 and 4.

He said that he was honored by the invitation. Husson College should be represented on such a Commission, he said, since it has been training teachers of business for over thirty years with approval of the State Department of Education, and with Legislative authority since 1953.

We wish Mr. Husson a happy and fruitful trip, and hope the weatherman will permit him to fly. We see by another article in the Ledger that he lost a lot of his Thanksgiving vacation just a'sittin'. We also compliment him for the honor embodied in this invitation to sit with the national commission most concerned with teacher education. We are fortune to have such a busy man working for our interests outside the classrooms, and doubly fortunate for those who remain at home also toiling for our advancement and progress in the courses of our choice.

Girls, want to go skating? Join up with the W.A.A. Plans are being made for a BIG skating party real soon. Roller skating or ice skating, makes no dif'. We're going to do both so why not string along.

Our organization is sure fun this year! We just drew up a new constitution that is getting us started in the right direction for sure. It was presented by our President, Jessie Russell, last meeting.

Now you sports lovers, let's think about earning some of that extra money we always need. Ever had the desire to referee a basketball game? If so, here is opportunity knocking at your door. Our group is sponsoring an officials club. Of course you may become a participant. The group would love to have you as a member.

SEE YOU AT OUR NEXT MEETING!

"No, sir!" exclaimed the drummer. "No house in the country, I'm proud to say has more men and women pushing its line of goods than ours!" "What do you sell?" asked the man with the chin whiskers. "Baby carriages."

I've been the State's newest official court reporter since last December. The work and new associations are great, and a regular term of court in one location each month is much better than pounding the highways between Kittery and Fort Kent continually.

I'm in hopes of being able to drop in for a visit one of these days.

Elizabeth Crouse will be married December 28. All your friends wish you the best, Liz.

Harriet and Lawrence Eaton and baby, Mary Jane, stopped in for a moment. They are all fine and dandy and will spend Christmas with Harriet's sister in Massachusetts. Mary Jane is the spittin' image of her *old* man!

Notes

"NEW NOTES FROM HUSSON Hummers"
Dear Betsy Bettle,

Here we are in the middle of December again. The summer was an eventful one for me. As you probably heard, I spent the vacation with my friend Sam Potatobug in Aroostook County.

It was wonderful to crawl back into the swing of things here at Husson. Things are pretty much the same; although, there are many new faces.

The other day, Betsy, I was taking my afternoon walk, when all of a sudden I heard the clomping of feet and the chatter of voices. Sakes alive! I had to jump to one side to prevent being trampled underfoot. I thought my number was up!

After calming my shattered nerves, I decided to follow these girls. In my many years at Husson, I had never seen a group so enthusiastic. Down the last three stairs I hurried. Never had the gym seemed so huge.

What was that? It sounded almost like music! Yes, it was music. I took one hand and lifted a corner of the curtain.

Mr. Cupp was seated at the piano with a group of seventeen girls circled around him. At this moment I realized they were the Husson Hummers gathered together for a practice.

They tell me these girls helped with the Thanksgiving music. Don't let this out to anyone, Betsy, but I heard they are working extra hard on the Christmas Program.

Why don't you come down and attend it with me? I'd love to have you, and I'm sure it will be well worth your time.

Your cousin,
Benny Bettle

Girls' Basketball

The female basketeers of Husson College opened their 1957-58 basketball season victoriously with a 58 to 30 win over Milo High School.

The starting lineup consists of three new faces, Nancy Hamilton of South Brewer as center forward, Cary Murphy of Millinocket as left forward, and Rachel Mitchell of Searsmont as right forward. In the back court, we find Beverly Govone of Forestdale, Massachusetts, Ellen Severance of Corinna, and a new face, Ruth Whittier of Winterport. A second six, of a high caliber, too, are Judith McQuarrie of Madawaska as center, Janith Veinot of Searsport as left forward, and Jean Murphy of Millinocket as right forward, and guards, Mary Ames of Camden, Ida Wilson of St. George, and Marjorie Cummings of Lagrange. In addition to these twelve girls are two forwards, Janice Day of New Sharon and Anne Langley of Orono; two guards, Emily Fitts of Thomaston and Jessie Russell of Bangor.

It is expected that this team will be a credit to the green and gold of Husson College. This is Coach Swan's nineteenth Husson team. The girls are looking forward to twelve good games and stiff competition.

DRAMATIC CLUB

Three new members have joined the dramatic club. They are Janice Frazier and Judy Anderson, both Freshmen, and Joan Nickerson, a Sophomore. This brings the active membership up to about 15.

The club met recently to have tryouts for a play which will be presented in the near future at a student assembly. The play consists of three men and three women. As yet, the parts have not been assigned. The play, a one-act comedy entitled "PERSONAL COLUMN," is about two bachelors who put an ad in the local paper for a wife. The results are humorous and the final outcome will surprise you. Under the excellent direction of Mr. Norton, club adviser, we can expect to see good acting as well as good directing.

The dramatic club has more entertainment in store for the student body throughout the year.

S. E. A.

The Student Education Association, at its December meeting, had a Christmas party. Games were played, joke gifts exchanged and refreshments served.

The highlight of the affair was the presentation of a gift to Mrs. Louise B. Miller. The S.E.A. also took this occasion to announce that it is changing its chartered name from Forkner-Nichols to the Louise B. Miller Chapter of the Student Education Association of Maine. S. E. A. is a national organization of college students preparing for the teaching profession. It is sponsored by the National Education Association.

Mrs. Miller has been the head of the business education department at Husson College for ten years and has been highly instrumental in improving the standards of our teacher preparation program.

The presentation to Mrs. Miller was made by President Husson who had high praise for Mrs. Miller's contributions to our college.

Clarence Thompson, Springfield, was in charge of the affair. On the committee were the officers of the S. E. A.: Paul Maroon, President; Elaine Roundy, Secretary; (Mrs.) Sally Walker, Treasurer; Beverly Kane, Chaplain; and (Mrs.) Adrienne Strout, Public Relations Officer. Mr. Wright is the faculty advisor.

Mrs. Miller was educated in the Mississippi public schools, received her A. B. from Bethany College, and A. M. from the University of Maine. She has taught in Dexter High School and Orono High School. At Orono, she served as a Critic Teacher in the English Department for the University of Maine. She completes all arrangements with High Schools in this area to place the Husson College practice teachers.

Mrs. Miller has served as yearbook advisor for a dozen years and always produced a fine "Chieftain." She has served as Dean of Women since Sept., 1954. She is affiliated with Kappa Delta, and Delta Kappa Gamma Sororities. She holds life membership in the National Education Association. Mrs. Miller does a great deal of public speaking on the subjects of English, Psychology, Etiquette and various topics.

The Ledger staff wishes to congratulate "L. B." on this honor bestowed upon her. Those connected with the Ledger agree that the honor is well deserved. May it bring much happiness to you, Mrs. Miller.

Mu Sigma Chi

Since the last issue of the *Ledger* this active organization has held many festive events. First of all a gala outing at the Rod and Gun Club in Brewer on October 26. What a feed, lobster no less!

After meeting the prospective candidates at a Get-Acquainted Party at Commerce Hall November 6, the process of initiation began. Probably you noticed the strange looking characters around the school Friday, November 22. If you missed them at school you certainly must have seen them Friday night SOMEWHERE in this vicinity. Following this display they were put through the informal initiation at the school, November 24. What a night!

A spaghetti feed followed the formal initiation at the Rod and Gun Club on December 4th at which time the following became official members of Mu Sigma Chi:

Richard Cox	George Hamilton
Robert McNally	Donald McDonnell
James Picard	Mitchell Descoteaux
Richard Lemelin	Peter Briggs
Carlton Gerow	Richard Sullivan
Thomas Graves	John Geagan
Norman Frost	Terry Coyne
Richard Stacey	Lewis Albert
Richard Parlee	Charles Davis
Paul Foster	Alan Smith
Robert Crane	

These new members have certainly earned their membership. Isn't that right men?

By the time this paper reaches you, you will have danced to the music of Nat Diamond and his orchestra at the Christmas Ball. With Mu Sigma Chi as the sponsor of this dance, it is bound to be one of the best ever.

Never a dull moment! Now this active group is making plans to entertain us with the annual Frat Frolics to be presented sometime in the not too distant future. See you there!

One memory that the old college song brings back is that we never did learn the second verse.—Homer Phillips.

Kappa Delta Phi

The annual Thanksgiving Dance, sponsored by Kappa Delta Phi, was held on November 20, 1957 at Commerce Hall. The decorating committee with George Albert as chairman used orange and black crepe paper streamers to decorate the walls and ceiling. Squash and pumpkins were combined with the streamers to decorate the stage. Sammy Saliba's fine orchestra furnished the music for the evening's festivities. During intermission, two chances were drawn to determine the winners of the turkey raffle. The surprised recipients were Mr. Robert Ferris and Mr. Paul Hanson.

The fraternity brothers met at Pilots Grill for their regular monthly meeting on December 5, 1957. After a short business meeting, the group enjoyed the remainder of the evening by feasting themselves in the dining hall.

The annoying thing about teen-agers is not their age, but the fact that they're enjoying it.—Harold Coffin.

WOW! What's this? Yes, it is Charlotte Turner's living room. But what *is* going on? What? You say that it's an E.T.E. Chapter meeting? My goodness, there must be thirty girls here.

Who are those new girls over there? Oh, eligible girls for Sorority membership.

Bids were issued on November 27 and accepted bids were to be returned on December 2. On December 3, the following girls were pledged by Miss Swan, Miss Bradford, and the Officers: Delta Sigma Delta Chapter: Barbara Patch, Linda Wheelock, Frances Akerley, Donna Bigelow, Joan Crabtree, Penelope Day, Eleanor Griffin, Gloria Hjulstrom, Sandra McNeal, Jeannine Morrill, Jean Murphy, Arlene Pease, Judith Ross, Jeannette Smith, and Marilyn Stanchfield.
