Editorial

Many weeks have passed since September and the endeavor of the *Chieftain* staff has become a reality.

This annual monument comes into being each spring, and again the *Chieftain* is a profile of Husson College life and for what it stands.

As the reader turns the pages he realizes that twenty-five years' work has brought about the present facilities. He may look at the pages picturing students of different courses and visualize them out in the world practicing their accounting, working as secretaries, or teaching classes in school. He may look at the pictures of organizations, such as the Student Council, Men's Athletic Association, Women's Athletic Association, Mu Sigma Chi, Pi Rho Zeta, and sense the pulse of the school beating. He may re-live moments of relaxation as he peruses the athletic section. As a graduate he may point with pride to his contributions to the life of the school.

To our advertisers it is with genuine sincerity that we express our appreciation; for you, too, are a mighty pedestal in upholding the *Chieftain* as one of the foremost school publications.

As editor-in-chief, I wish to thank the members of the *Chieftain* Staff, the faculty adviser, the administrative staff, the Student Council, and the faculty for their wonderful cooperation in making the 1951 *Chieftain* a reality.

The College on the Hill

The College on the Hill

The burnished, yellow-cream building that stands proudly at 157 Park Street, is the tangible monument to one of Bangor's enterprising business men. The building is Husson College; the man, President Chesley H. Husson. President Husson was not always president nor was Husson College always known by that name. And, too, the location was not always 157 Park Street. Where and when did our college begin? What was its name? Who first opened the school's doors?

In the year 1926, on Columbia Street in Bangor, the Maine School of Commerce, owned and operated by a Mr. H. W. Mann, opened its doors to the public. Mr. Husson was made its principal, and he had two women teachers to aid on the teaching staff. The first student body was small, numbering fifty, even. The class rooms were located on the second floor of a factory and store and was one of a chain of five such schools in Maine, known as Maine Schools of Commerce. The other four were located in Presque Isle, Augusta, Auburn, and Portland.

From the beginning the Bangor school was a success. With Mr. Husson at the helm, there had to be success. The enrollment increased and from time to time more teachers were added. A few extra-curricular activities were inaugurated, especially baseball and basketball. In those days Mr. Husson played on the school baseball team.

In 1933 Mr. Husson received his first real break. A reorganization of the Maine Schools of Commerce came about, and Mr. Husson found himself in a position to purchase the full interest in the Bangor branch school. Thus, he was instrumental in divorcing the school from the original group, and reorganizing under the name of the Bangor Maine School of Commerce. The school was now in a

position to expand and grow into the wonderful institution that we know today.

In 1940 a new problem confronted Mr. Husson. The student body had increased to 250, making conditions virtually unbearable. In addition, there was neither a gymnasium nor an assembly hall in the old school building. All extra-curricular activities had to be held elsewhere. There was only one obvious solution—a new school building would have to be constructed. But 1940 was a war year. In Europe, the Nazis were overrunning country after country. "Duce! Duce!" was the cry of the frenzied Italian Fascists as they followed their beloved Mussolini on his ruthless trail of bloody conquest. In Manchuria the Japs were blasting the Chinese into submission and looking out of the corners of their greedy eyes at islands of the Pacific and, hence, at the shores of the United States. In short, this country, though she strove to keep out of the war, knew that sooner or later she would be in uniform and meaning business.

Despite world conditions, Mr. Husson decided to go ahead with the construction of a new building. He chose his site and began to build. In September of 1940 the building was completed and school opened, though a week late. Three hundred students were enrolled and the teaching staff had been increased to ten.

Between 1945 and 1947, two new business schools, bearing the title "school of commerce," were begun. The school, by this action, was becoming entangled in a mesh of too many schools of commerce, so named. In order to preserve the school's identity and avoid confusion, the name of the school was changed to Husson College.

That year, 1947, saw another change come to the fore; a change keenly felt by the students and faculty alike. The pressure of the administrative work of the school forced Mr.

Husson to give up his teaching duties and devote his total time in the office.

This certifies that

Husson College

This pressure was brought about in part, at least, by the end of hostilities and the sudden release of men and women from our Armed Forces, G. I.'s seeking an education. In 1946 the enrollment at Husson reached its peak with an enrollment of 512 students, an all-time high. New courses were added and Husson College began to emphasize education more and more.

Over the years the growth of extra-curricular activities has progressed and has been emphasized as being as important as classwork. With the return of men to the school, basketball and baseball again became important activities. Basketball for women was eventually inaugurated, and each year since then Husson College has boasted of a women's team of which it may well be proud. In 1947 the Mu Sigma Chi fraternity was re-activated, and many of Husson's students have, since, passed into the order.

A chapter of the F.T.A. (Future Teachers of America) was started in 1949, under the name Forkner-Nichols Chapter of F.T.A. This organization may be found on many a university and college campus, but Husson College holds the distinction of being the only private business school that can boast of an F.T.A. chapter. In addition to the F.T.A., sorority, fraternity, and sports, Husson College has many fine clubs, among which are the Dramatic Club, the Glee Club, and the Men's and Women's A. A. The school paper, *The Ledger*, has, since 1947, risen to the status and respect of a college newspaper. Each year a very fine yearbook, *The Chieftain*, is edited and produced.

FUTURE TEACHERS OF AMERICA

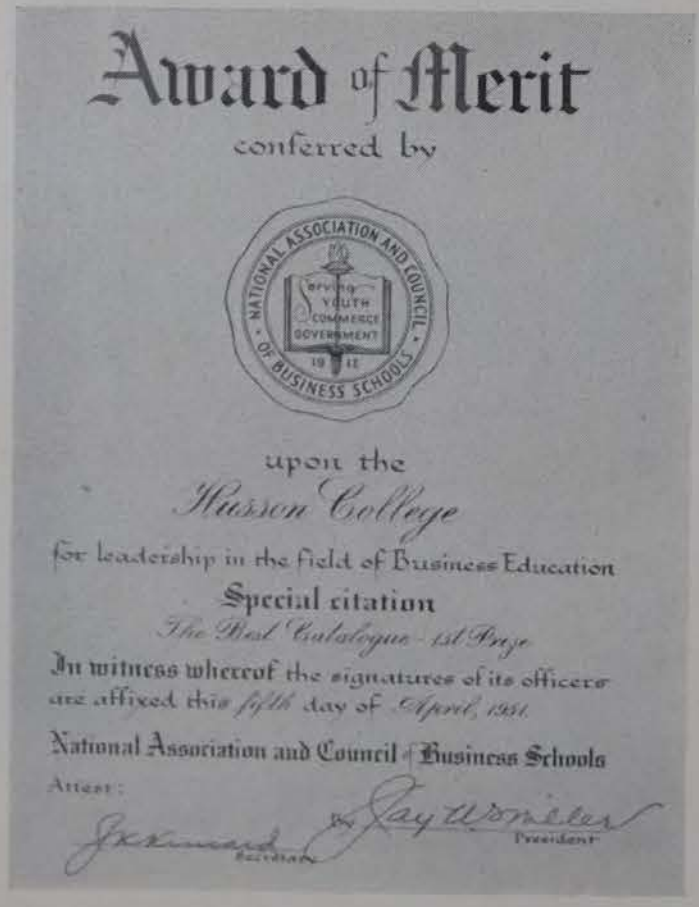

NATIONAL CHARTER

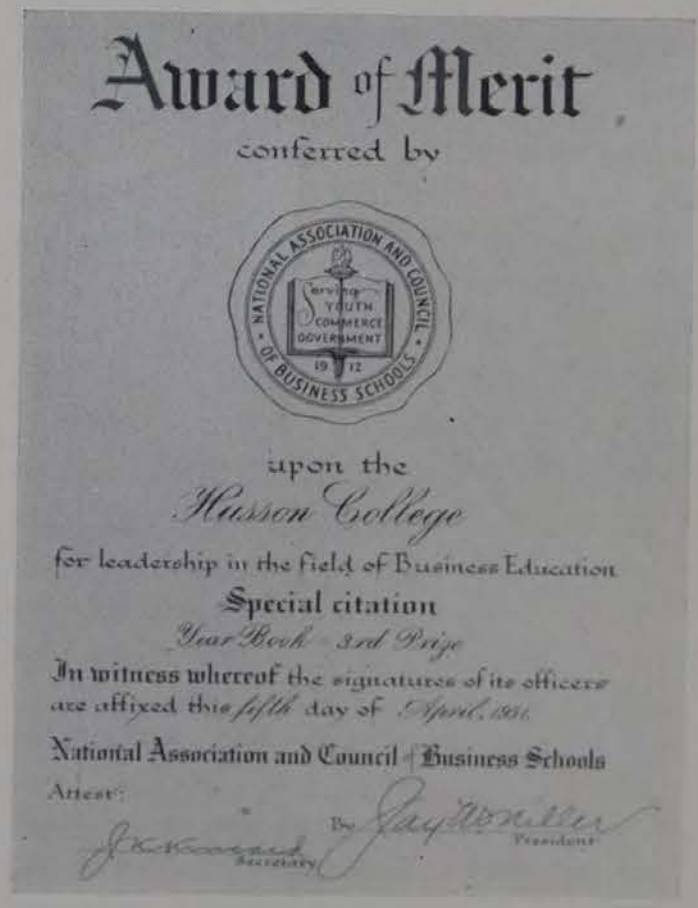

As Husson's strides forward have been marked with success, so have the lives of many of her graduates. Some have won great distinction in various fields of endeavor. One girl, for instance, became a secretary to the Hollywood motion picture producer, David O. Selznick. One man became a secretary to General George S. Patton, American Third Army commander. They and others like

them are a real credit to Husson College. Mr. Husson puts it very aptly when he says, "The success of Husson College is found in the success of her graduates." No greater compliment can be paid a member of the alumni.

This, then, has been a glimpse into the past, and a report of the present. What of the future? Where to now? There are plans for many things in the years to come. As to the immediate future, however, three of those plans are already entering the realm of realization. Those plans are as follows: (1) the establishment of a school library, which is an F.T.A. project; (2) the appearing before the state legislature in order that Husson College might secure for itself the right to confer degrees upon her graduates; and (3) the organizing of the alumni in order that the endowment fund, already in existence, can be augmented into a generous total. All alumni will be asked to contribute and they will retain the exclusive right to use the fund as they deem best.

This, then, is Husson College; her president; her faculty; her students; her alumni; her history. From 1926 to 1950 and into the future; from a crude beginning on the second floor of a factory and store building on Columbia Street to her attractive home at 157 Park Street; from one of a chain of five business schools to a college of distinction; this has been the life of our school. The college is, indeed, a college with a personality. Her very walls record forever the voices of those who have gone before, something of the students will also remain, forever a part of that mysterious element that makes a college a living thing.

Mu Sigma Chi

The purpose of Mu Sigma Chi Fraternity is to sponsor, to encourage, and to recognize scholarship in the field of commercial education; to provide a medium through which social-business problems may be studied and discussed; to foster a social spirit among its members; and to promote a closer relationship between the college faculty, local businessmen and the student body.

On September 25, 1950, the first formal meeting of the year was held at which time the following named board of officers was elected:

President	Robert Russell
Vice President	Clayton Rogers
Secretary	Wayne Packard
Treasurer	Everett Littlefield
Parliamentarian	Floyd Feero
Chaplain	Thomas Brown
Marshal	Charles Boterf
Sergeant-at-Arms	Robert Barter

It was decided to hold the first formal initiation on November 6, at which time fourteen new members were brought in. On December 11 the second formal initiation was held, and at this time thirteen new members were admitted.

One of the major projects for the year was the annual Christmas dance which was held previous to the Christmas vacation. The decoration committee followed the Christmas theme in bedecking the hall with evergreen, holly, and lights. Ray Downs' Orchestra provided background music for dancing. This gala event was largely attended by faculty members, students, and alumni.

At the first meeting of the new year a new board of officers was elected and consisted of the following named members:

President	Robert Russell
Vice-President	Elwin Mank
Secretary	Cecil Wilson
Treasurer	Reginald Russell
Parliamentarian	Galen Libby
Chaplain	Thomas Brown
Marshal	Charles Knowlton
Sergeant-at-Arms	Charles Boterf

The last formal initiation of the calendar school year was held March 12, and at this time fifteen new members were admitted.

The second major project of the year was the Fraternity Frolics which was held in May. This annual affair was looked forward to by students and faculty members alike. The two main purposes of this event were to provide an evening of entertainment—out of the ordinary—and to obtain financial aid for two other highlights of the school year which were the annual Boston trip and spring picnic. Those who went on the Boston trip enjoyed a weekend of baseball and sightseeing.

A much enjoyed affair which climaxed the year's activities was the picnic held at Green Lake where baseball, fishing, and refreshments were enjoyed. At this affair fifty pounds of lobsters, twenty-five pounds of frankfurters, and one bushel of clams were consumed.

Chapter of Pi Rho Zeta International

To me, the fellowship found in ETE cannot be surpassed.

As I look back to the many enjoyable times we have spent in the meetings at school, the initiations, the dances, the parties, the Boston trip, the camping trip, and the May Ball, I know that this year has been a busy year, but a year so full of memories that no girl can ever regret joining ETE.

First row, left to right: Winifred Quint, Priscilla Arnold, Stella Gerrish, Elizabeth Crawford, Elizabeth Crouse, Violette Boyd, Dorothy Hall and Jeanette Willey.
Second row: Lorraine Crabtree, Betty Chandler, Marilyn Emery, Mary Leighton, Faye Drake and Jeannette Bethune.
Third row: Leona Welch, Vena Roberts, Joan Salisbury, Barbara Briggs, Dora Gile, Althea Parker, Carolyn Tufts, Ethelyn Williams, Madeline Johnson, June Hollis, Geraldine Begin and Janet Kinney.
Fourth row: Ruth Grindle, Phyllis Robertson, Kathleen Dority, Patricia Gradie, Gloria King, Dorothy Carroll, Miss Clara Swan, Patricia Curran, Helen Berry, Shirley Clark, Phyllis Wentworth, and Patricia Robbins.

A high scholastic rank along with loyalty, honesty, and trustworthiness, which are the attributes of a good character, are required of each prospective sorority member. It is through these that ETE has established a sound name for itself.

As president of the local chapter of Pi Rho Zeta, I would like to express my appreciation for making this a successful year to the officers, to the sorority sisters themselves, and to Miss Bradford and Miss Swan. Without our two capable sponsors, ETE would be "lost".

Only the words of an outstanding writer or orator could express my appreciation. The only thing I can say is just "Thanks" and may you enjoy future years as ETE sisters together as well as 1950-51.

ELIZABETH CROUSE

ETE EVENTS OF 1950-51

"Any student group in a school is one of the school's chief assets if its objectives do not conflict with those of the administration. It provides for the development of social efficiency that cannot be taught in the classroom."

The above words expressed by President C. H. Husson a few years ago are still holding true.

Through membership in Epsilon Tau Epsilon Chapter of Pi Rho Zeta International Sorority each and every sister has the opportunity to grasp firmly her hand to her chosen goal. The endeavor and willingness of each girl have been well exemplified through the social activities of ETE.

ELECTION OF OFFICERS

Because there were only four active members of ETE returning to school this year, the election of officers was held in September.

Those installed have very capably filled their respective offices. They were: President, Elizabeth Crouse, Presque Isle; Vice-President, Eunice Harding, Lincoln; Recording Secretary, Jean (Peters) King, Orono; Corresponding Secretary, Carole (Blaisdell) Thomas, Bangor; Treasurer, Betty Crawford, Dexter; Parliamentarian, Shirley Walker, Brewer; and Sergeant-at-arms, Jeanne (Dunham) Hatt, Brewer.

OPEN HOUSE FOR GIRLS

Our first "get-together" for this year was the annual Open House for Girls. It was at this meeting with nearly every Husson girl present, that we found out who was who and where they hailed from.

After an hour of games, refreshments were served and we went home knowing each other somewhat better.

THE HOBO HOP

Among the dances sponsored by the local sorority was the Hobo Hop. The costumes showed originality,

especially those of the couple who had come in from "out'n the country" for the dance. As the prizes were awarded by Mr. Donahue, who should they be, but Pat Curran and Shirley Murchison.

Others receiving prizes were: Barbara Briggs, Grace Pollard, Fred Perkins, and Blaine Kalgren.

Cider and doughnuts were the seasonal refreshments served. Commerce Hall was decorated in the Halloween motif, orange and black crepe paper, black cats, cornstalks and skeletons.

ETE ALUMNAE

I am grateful for this opportunity to convey my own best wishes and those of ETE Alumnae to the members of this year's graduating class. It is an honor to have our thoughts published along with those of many others and along with the photos and mementos of another year at Husson College. May the best you gained at Husson be with you always, to lift your thoughts, to keep you ever mindful of your own chosen goal and help you reach your rightful destination.

Even though you will be leaving school, I hope you will endeavor to stay in contact with the many friends you have made and the ever present activities at Husson.

To those girls who are members of ETE, we issue a welcome into our sister sorority, knowing that with us you will have that opportunity to keep those close ties established at school. We know that you will enjoy the good times we share each month at our dinner meetings. This year we have been entertained by speakers, a play at Husson, a Stanley brush party, and of course, the main event of the year, the annual May Banquet. We hope to see your faces in the midst of our group next year.

Congratulations, good luck, and best wishes to each and everyone of you.

Sincerely,

FRANCES H. SANBORN,
President, ETE Alumnae

THE BOSTON TRIP

Although Ol' Man Winter really decided to let loose on Friday, February 23, 1951, he did not stop thirty-five sorority and basketball members, "Bashful" Osgood (?), and Hadley Burrill.

At midnight, the travelers boarded a chartered bus, driven by Hadley (and his cigars!). Five of the alumnae girls were more than safe in Osgood's Pontiac.

After a five o'clock breakfast in Portland, the weather cleared, and the girls were well on their way. Between June's giggling and Pat's and "Chippie's" jokes (?) they managed to stay awake until they reached the Hotel Touraine about ten o'clock.

First was registration. After lunch in the hotel, the girls browsed about town. Saturday night some of the girls enjoyed "Romeo and Juliet" starring Olivia de Havilland, while others saw "The Moon is Blue."

Sunday most of the girls put on their gayest garb and attended church. Only an "innocent" few stayed at the hotel and had BREAKFAST in their room. These "innocent" few certainly could not have been the culprits who short-sheeted all the beds (even their own!) Right Brad?????? Leave it up to "Liz" and "John" to exhibit one of their finer arts by sewing up the teachers' pajamas.

That afternoon one could find the girls either walking on the Common or trying to find their way back from Scollay Square. (Just ask B. B. and J. K.) these two gals also found that you cannot cross a street which is elevated. You just have to go down under.

The highlight of the trip was the "Ice Follies". Some of the girls have said, "It was the most wonderful show that I've ever seen; it was really our whole weekend."

That weekend would not have been complete without the pajama party in the teachers' room! (Only *One* complaint from the management this year.) And poor Basil, how many times did you go after food for those voracious females? (They took it for granted that he didn't mind).

It was a short weekend, but one full of memories. Everyone either recuperated or came down with the flu!

Observations and advice to fellow travelers: Clarkie, when you have a box of candy, take only one piece and be satisfied whether you like the flavor or not; Althea, a little less ginger ale next time; and you, Chandler and Leighton, use Duz and you won't have dishpan hands!

1950-51 INITIATIONS

We at Husson are proud to have had so many girls become affiliated with our local chapter of Pi Rho Zeta International Sorority.

During October eleven girls were pledged. Those who accepted sorority bids were: Violette Boyd, Mars Hill; Victoria Boynton, Bangor; Mabel Cosseboom, Brewer; Teresa Julian, Bangor; Marie Martin, Mattawamkeag; Marilyn Payson, Union; Phyllis Robertson, Spruce Pine, N. C.; Vena Roberts, Machias; Mary Ruth Shannon, Bangor; and Marilyn Drew, Blue Hill.

At the formal initiation on November 1, these girls became full-pledged ETE sisters.

Probably one of the largest groups of initiates were accepted into the

sorority shortly before Christmas vacation. After a fairly "rough" week of bowing and accommodating other sorority sisters, they received their national pins and membership certificates.

Those who joined at that time were: Priscilla Arnold, Stockton Springs; Geraldine Begin, Bingham; Helen Berry, Bangor; Barbara Briggs, Freedom; Dorothy Carroll, Searsport; Cecelia Chandler, Bucksport; Lorraine Crabtree, Milo; Patricia Curran, Milo; Kathleen Dority, Camden; Faye Drake, Woodland; Marilyn Emery, Machias; Patricia Gradie, Mattawamkeag; Ruth Grindle, Winter Harbor; Dorothy Hall, Machias; June Hollis, Veazie; Madeline Johnson, Brooks; Gloria King, Old Town; Janet Kinney, Bangor; Mary Leighton, Milbridge; Althea Parker, Wilton; Winifred Quint, Patten; Mary Jo Ann Quirk, Bangor; Patricia Robbins, McKinley; Carolyn Tufts, Presque Isle; Leona Welch, Bradford; Phyllis Wentworth, Union; Jeanette Willey, Limestone; Betty Jean Smith, Caribou; and Shirley Clark, Sebec.

Seldom does ETE have three initiations during the year. However, five girls; namely, Joan Salisbury, Camden; Ethelyn Williams, Lincoln; Stella Gerrish, Milo; Jeanette Bethune, Houlton; Dora Gile, West Paris were initiated at the close of the second ranking period. Their initiation, as you will well remember, was highlighted by their superb performance at the faculty game.

THE MAY FORMAL

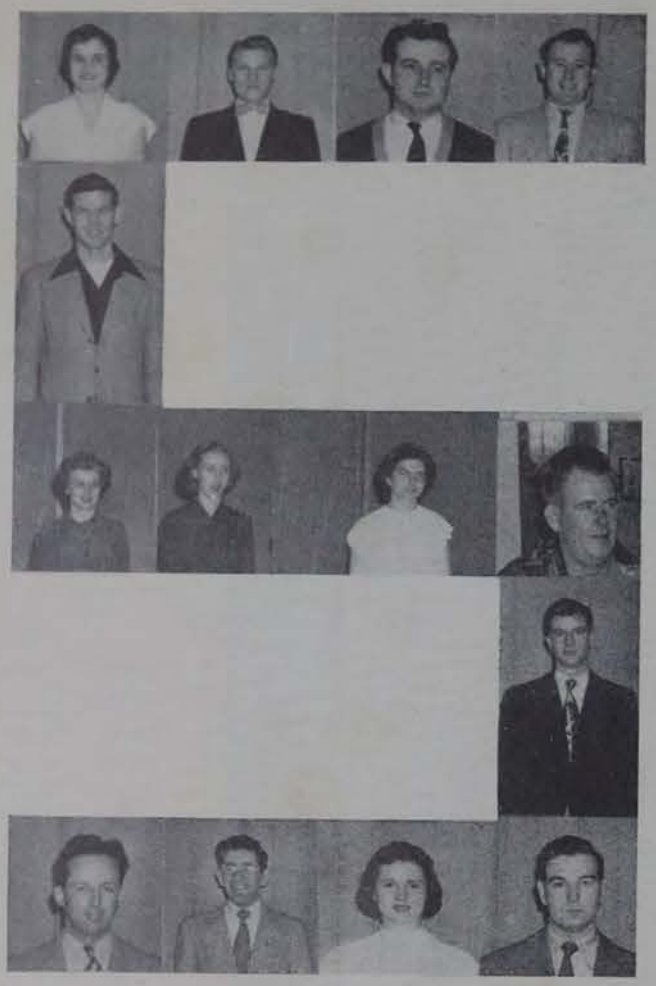

Early in May the most outstanding event of the entire sorority year took place. The May Formal is, perhaps, the most attractive dance held at our school. Along with the decorations, the beautiful shades displayed by the many evening gowns make it one of the prettier Spring affairs.

At a sorority meeting in April, five women and five men were selected to vie for the title of king and queen. Those selected were Violette Boyd, Betty Crawford, Joan Salisbury, Patricia Gradie, Patricia Robbins, Basil Osgood, Charles Boterf, Blaine Jack, Wayne Packard, and Loren Ritchie.

The student body elected, by popular vote, Violette Boyd as queen and Basil Osgood as king. They were crowned by President Husson.

The Glee Club sang "Easter Joy" and "In Joseph's Lovely Garden", at the Easter Assembly. Also, Sylvia Applebee sang "It is no Secret."

At the May Operetta the chorus sang favorite melodies from the operettas of Sigmund Romberg: "Coming thru the Rye", "In an Old Dutch Garden", "Clancy Lowered the Boom", and "Honeysuckle Time in Dixie".

Future Teachers of America

The Fockner-Nichols Chapter of the Future Teachers of America at Husson has successfully completed its third year of activity. The officers were William Burrill, President; Timothy Mayo, Vice - President; George Portwine, Secretary; Wayne Packard, Treasurer; and George Bell, Student Council Representative.

The advisers of the group were Mr. August Crane and Mr. Chesley Husson.

The library for the benefit of the students attending Husson College was conducted by the members of the organization. This service has proved a great boon to the students, and we hope that it will increase in volume and activity.

The well-known educator, Mr. Roland J. Carpenter, addressed the organization speaking on "Why become a Teacher?" He explained some of the problems that the teachers are faced with. Miss Clara Swan also gave her views on "Teaching as a Career."

An outing at President Husson's cottage at Green Lake climaxed the year's activities. The members were as follows:

All members of the staff deserve much praise for their outstanding and diligent work in making this year's publications a success.

Athletics

Athletic Council

Left to right: Theresa Nicholson, Basil Osgood, Patricia Curran, William Burrill, Madeline Johnson, Edward McInnis, June Hollis, Barbara Briggs.

The initial meeting of the Athletic Council was held March 1, 1951, for the purpose of designating awards for Boys' and Girls' Basketball and Cheerleading.

The Athletic Council is made up of representatives from the Men's A. A., Women's A. A., coaches of varsity athletics and council store manager.

Its purpose is to consider all problems in varsity sports and to award letters for basketball, baseball, and cheerleading.

The following officers were elected:

Chairman ..... Edward Gott
Vice-Chairman ..... Basil Osgood
Secretary ..... Patricia Curran
Treasurer ..... William Burrill
Council Store Representative ..... June Hollis

Sponsors for the Athletic Council are Miss Mildred Bradford, Cheerleading Coach; Mr. George Husson, Boys' Baseball and Basketball Coach; Miss Clara Swan, Girls' Basketball Coach.

The members of this council were Barbara Briggs, William Burrill, Patricia Curran, Edward Gott, June Hollis, Edward McInnis, Basil Osgood, Madeline Johnson, and Theresa Nicholson.

Men's Athletic Association

The Men's Athletic Association held its first meeting on October 5 with the faculty adviser, Mr. Foss, in charge. The officers chosen were as follows:

President ..... Edward Gott
Vice-President ..... A. Lee Hull
Secretary ..... Timothy Mayo
Treasurer ..... Richard Leeman

The first social event of this organization was the Open House for Men held on October 11. This was a very successful evening whereby the men of the school became better acquainted.

The responsibility of this group is to sponsor athletics at the school. Bowling, basketball, and baseball are the major sports at Husson.

The basketball managers for the season were elected as follows: John Billington, manager; Addison Palmer, assistant manager.

At a meeting in the fall the bowling teams were organized to start off a successful season on every Thursday evening. All the teams were regrouped at the mid-year. Intramural basketball was carried out with four teams competing for the championship.

The Men's A. A. is an organization for all men of the school whether they actively participate in sports or not. It is hoped that in the years to come that the men students will keep it active.

Women's Athletic Association

The Women's Athletic Association again met this year under the leadership of Miss Clara Swan. Sixty-seven girls applied for membership in the W. A. A. The officers chosen were as follows: President, Barbara Briggs;

vice-president, Patricia Gradie; secretary, Violette Boyd; and treasurer, Betty Jean Smith.

The hiking team was organized with Lorraine Morris and Theresa Nicholson as captains. The thirty-nine members of the hiking team did a bit of hiking last fall, but there is still more to be done in order for the girls to qualify for their letter.

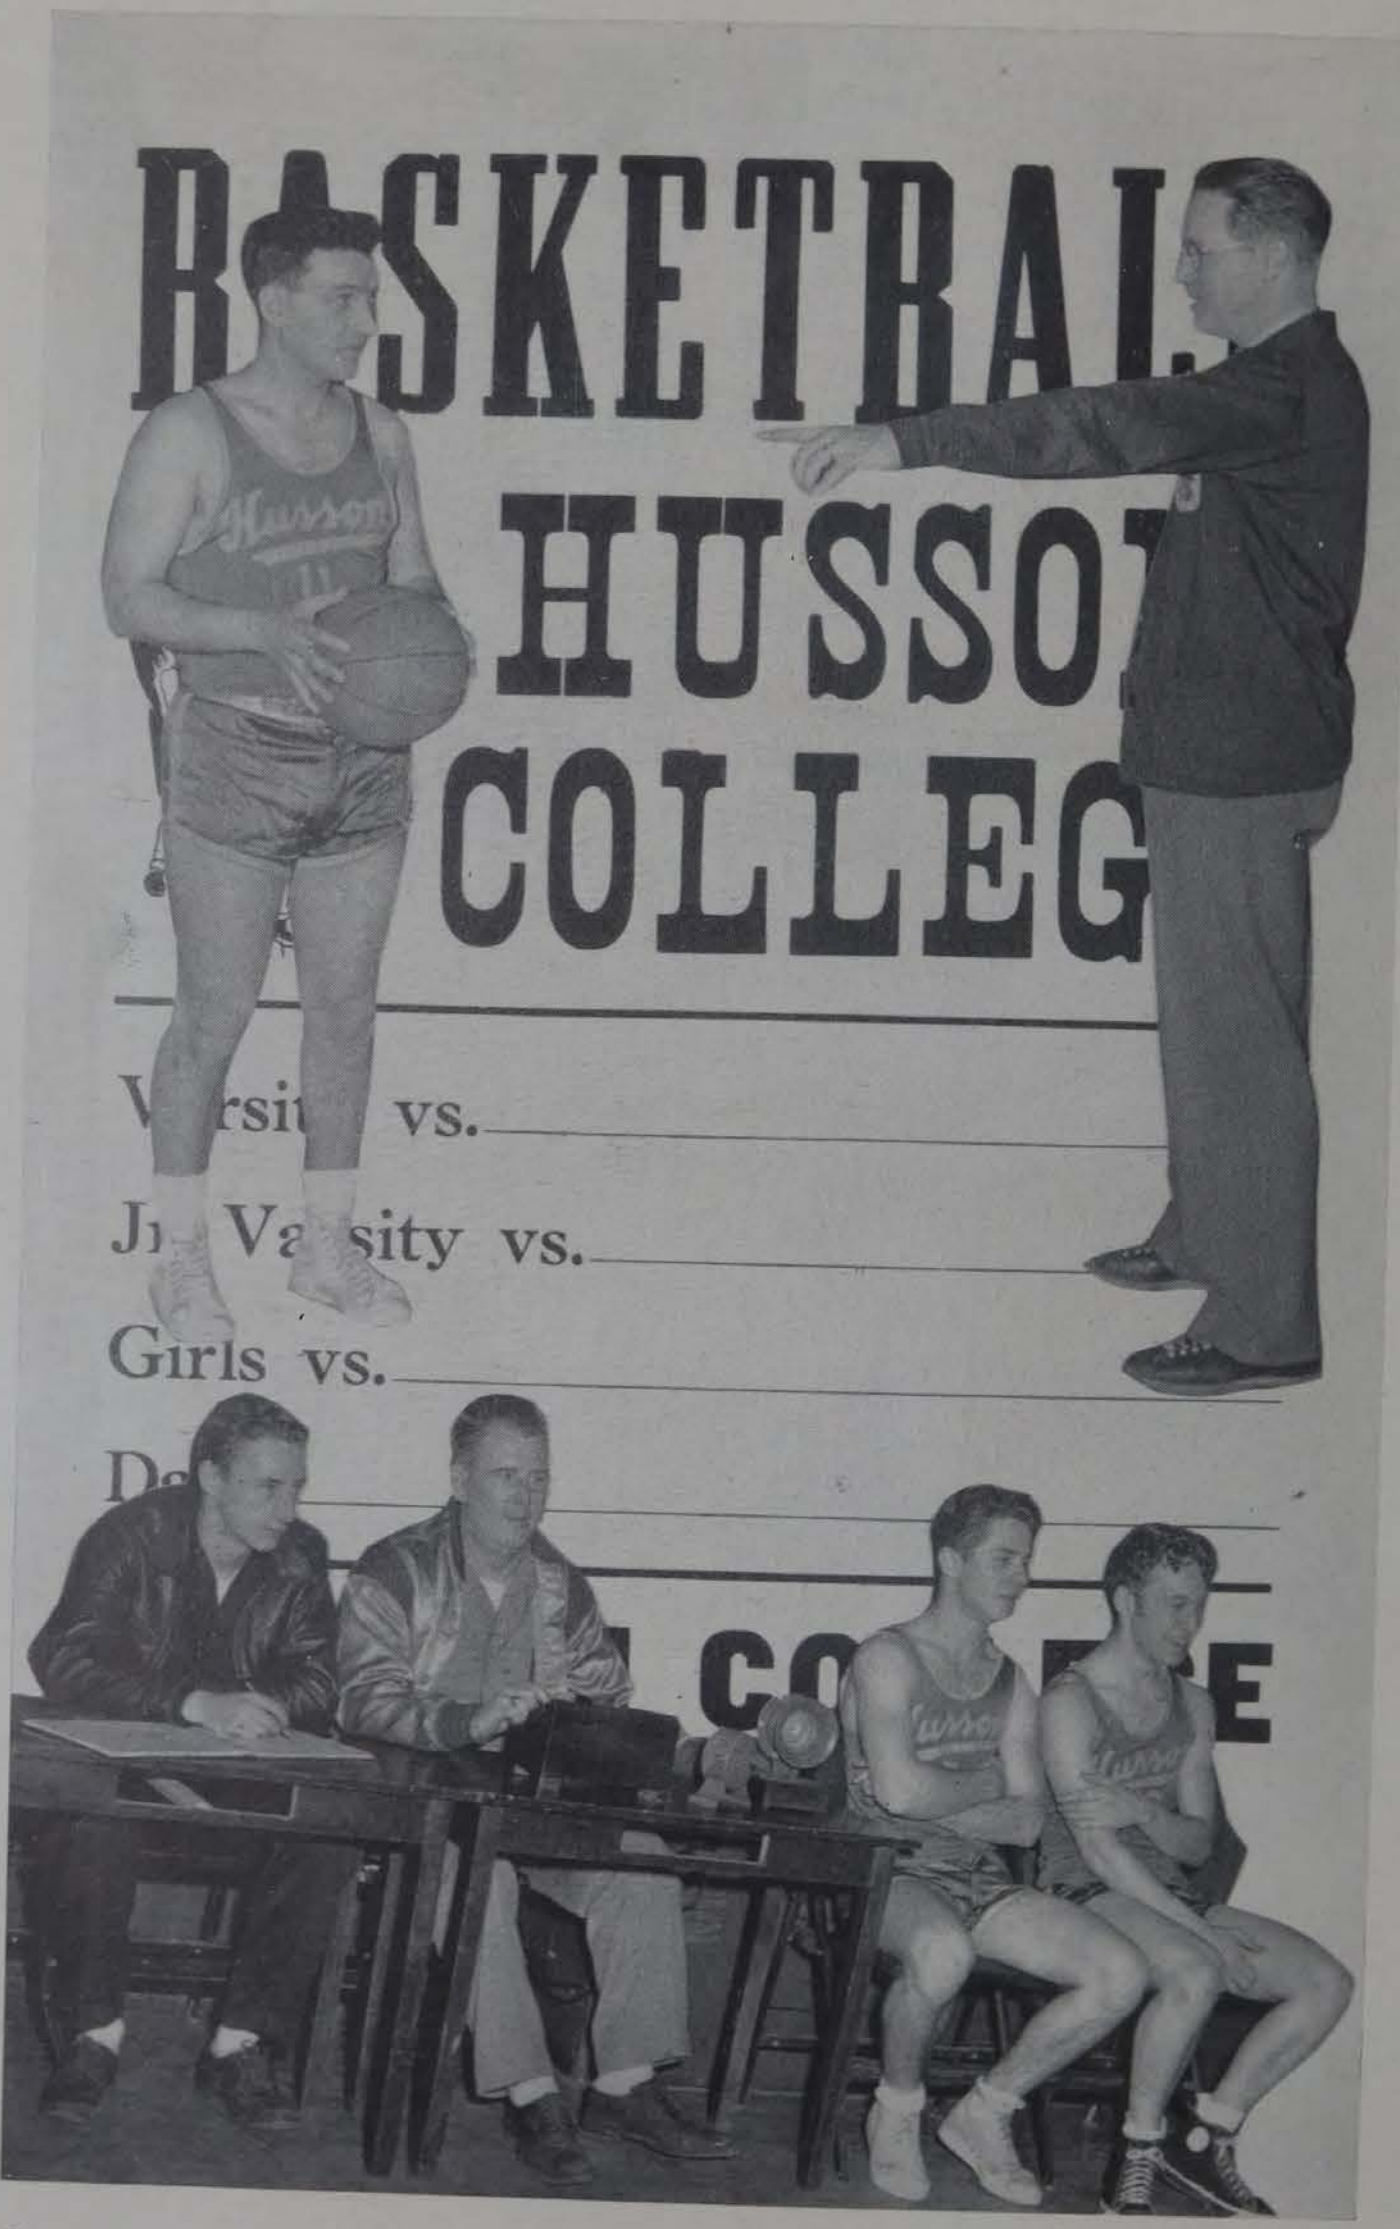

Two bowling teams were organized with Winifred Quint and Vena Roberts as Captains. These thirty members met every Tuesday or Wednesday at the Bowling Academy to work towards their letters.

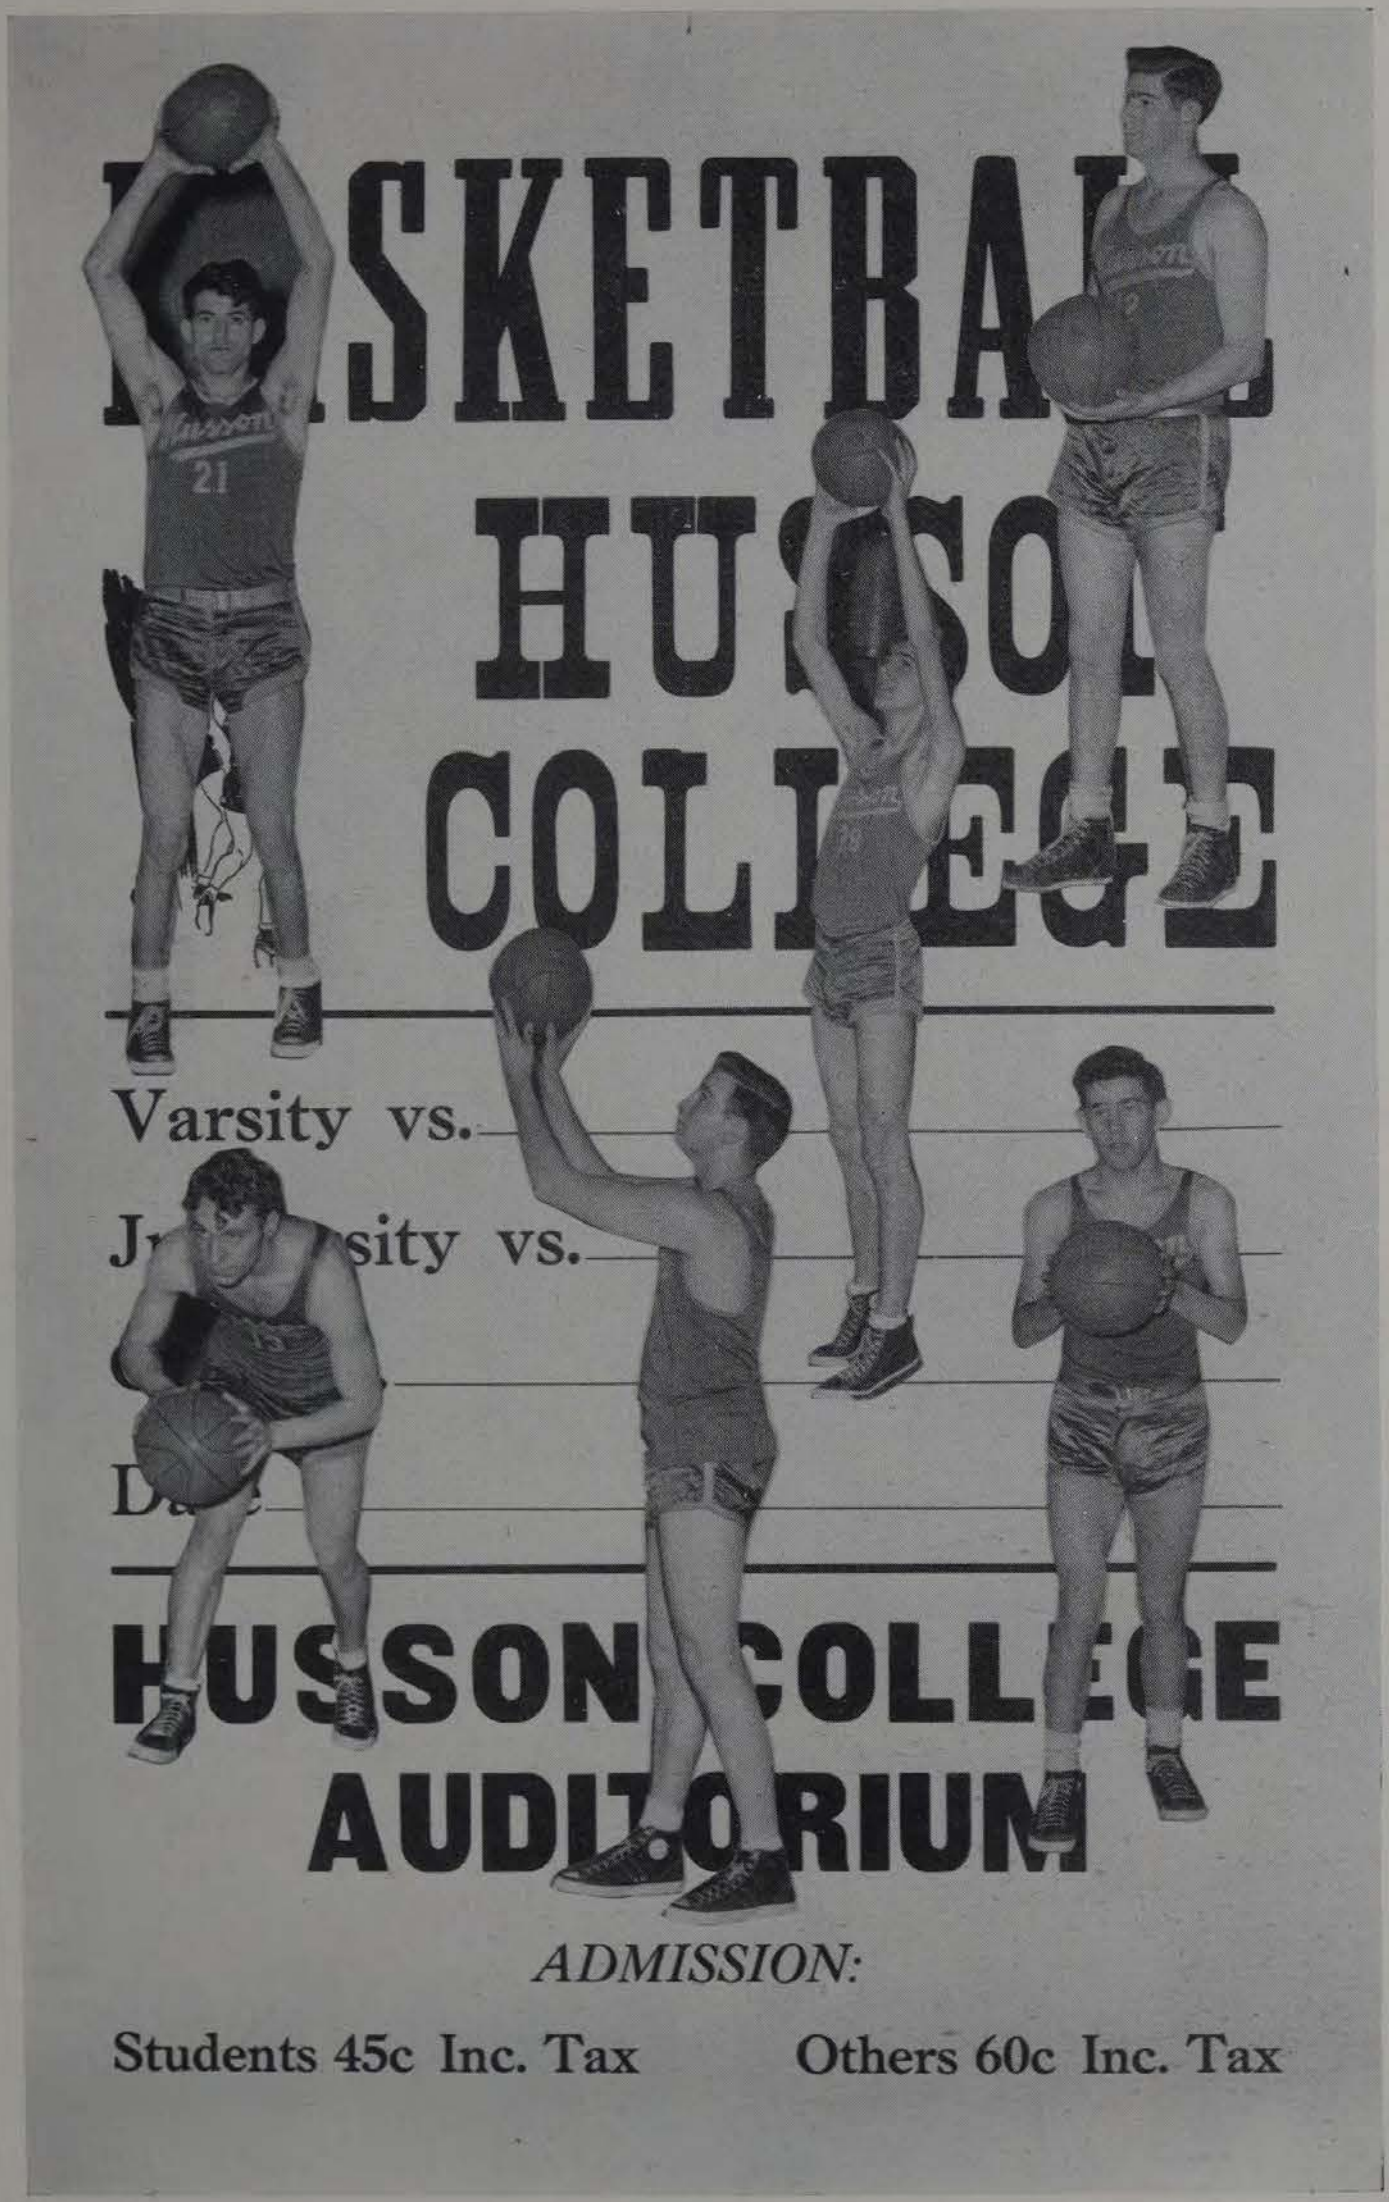

The cheerleaders consisting of Phyllis Robertson, Rita Ouellette, Patricia Spinney, Marilyn Emery, Glendora Knowles, Ida Leonard, and Claudette Lancaster did a good job in cheering our boys and girls to many a victory during the basketball season.

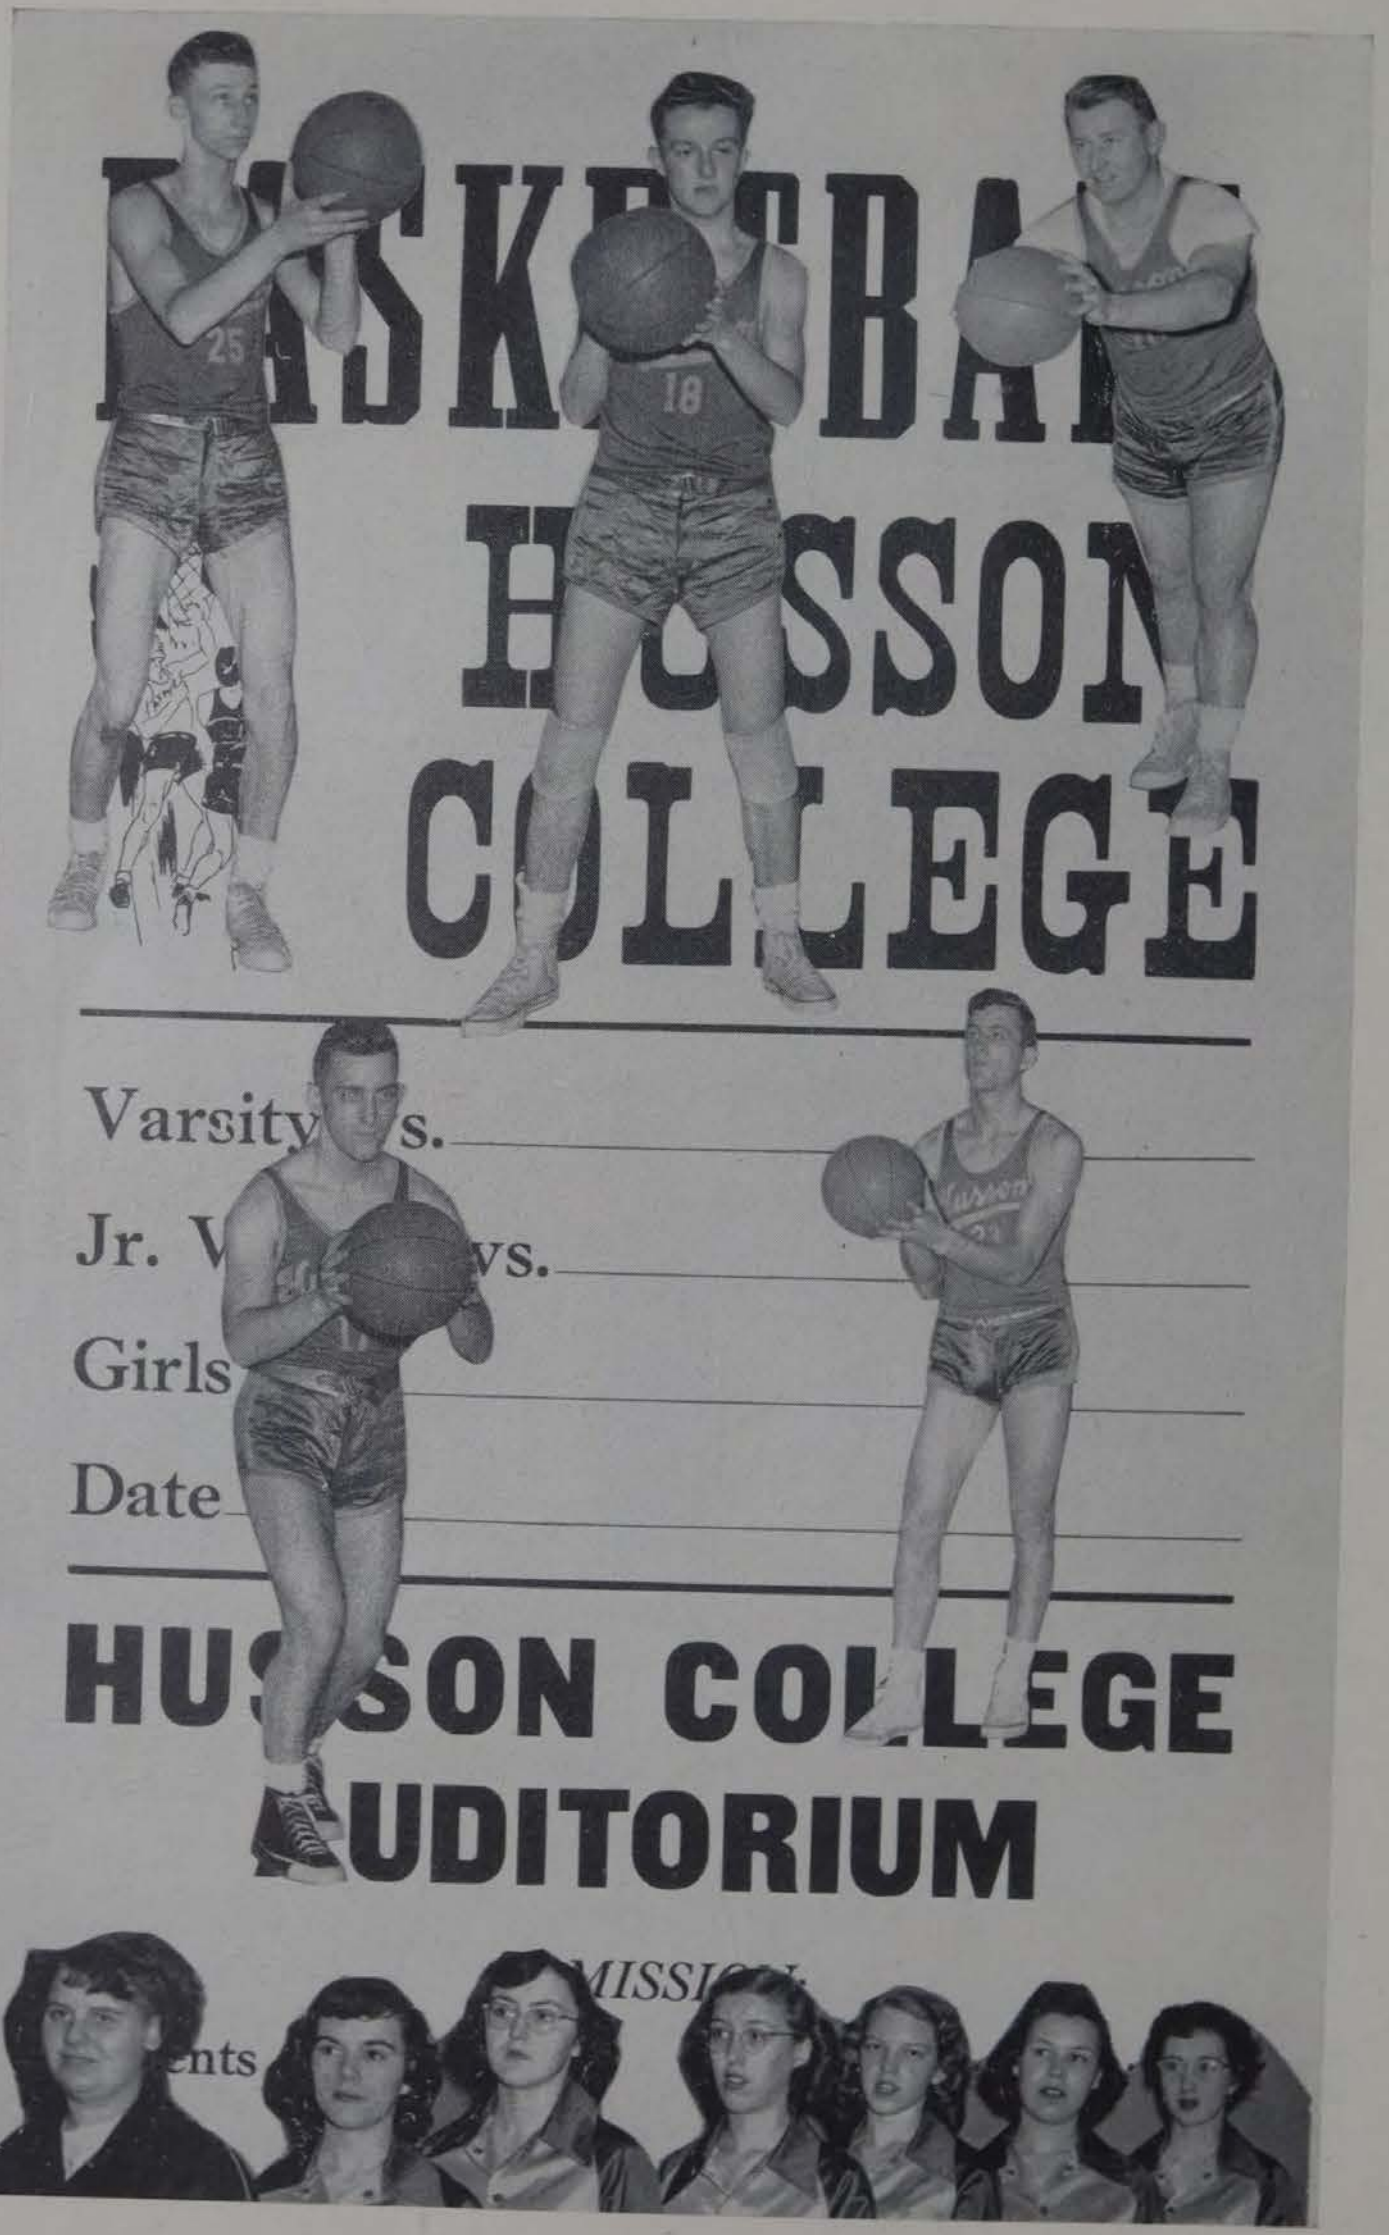

The girls' basketball team made a good record. Junior varsity awards were given to each member of the team at an assembly.

Miss Bradford awarded the cheerleading letters to the following girls: Ida Leonard, Claudette Lancaster, Phyllis Robertson, Glendora Knowles, Patricia Spinney, Rita Ouellette, and Marilyn Emery.

Boys' Basketball

Last fall Coach George Husson called out the candidates for basketball and some twenty-four boys reported. Getting down to serious practice the group was divided into varsity and junior varsity squads.

The season opened with a game with the strong Maritime Academy in Castine which, although Husson went down to defeat by a close margin, proved that our team would be troublesome to any of its opponents on the schedule.

At the mid-year the team lost eight fine ballplayers, most of them entering the service at Dow Field with a national guard unit. Coach Husson was confronted with a complete revamping job to place a team on the floor. However, he was very successful, and this new team gave a good account of themselves.

The starting five for the varsity at the beginning of the season consisted of Dick England and Howie Ouelette at the forward positions, Al Hickson filling the pivot post, and Ray Crosby and Jim O'Connell as guards. Other members who contributed valuable service were Dean McGinley, Tom Brown, Ed McInnis, Pat Barry, Charley Boterf, and Bob Baker. Although the lineup was changed frequently these men carried the load for the varsity games.

The Jayvee squad played a great many high school teams as well as the jayvee teams of Maine Maritime Academy and Thomas Business College of Waterville. This squad for the most part was a younger group of boys and showed plenty of enthusiasm and established an enviable record.

The starting five for the Jayvees at the first of the season found Johnny Barrows and Fred Perkins at forward, Tom Brown at center, with Loren Ritchie and John Quirk at the guard positions. They were capably backed up by Elmer Curtis, Bill Burrill, Don Norris, Burchell Morrill, and James Leeman.

The outlook for next season is rather uncertain due to the national emergency. It is hoped that Husson College will again be able to hold its own in the athletic world of this area. We wish them a very successful season.

Girls' Basketball

First row, left to right: Mary Leighton, Marilyn Payson, Ida Stinson, Joan Salisbury, Barbara Briggs, Althea Parker, Frances Cooper, Mary Lawrence, Ethelyn Williams.
Second row: Elaine Coffin, Barbara Bell, Marie Martin, Madeline Johnson, Shirley Murchison, Arline Dyer, Miss Swan.
Third row: Ruth Grindle, Mary Ruth Shannon, Patricia Curran, Janet Kinney, Cecila Chandler.

Coach Clara L. Swan issued the call for Girls' Basketball practice in the month of October. This year's squad looked promising after the first two weeks of practice. (The 18th squad in Miss Swan's coaching career.)

Reporting for practice were representatives from many towns in the State of Maine. The teams of Husson can be called a team of the communities. Towns represented were Union, Prospect Harbor, Camden, Freedom, Wilton, Madison, Cherryfield, Lincoln, Veazie, Mattawamkeag, Brooks, Milo, Liberty, Bucksport, Bangor, Gouldsboro, and Milbridge.

Playing a stiff schedule against Ellsworth, Higgins Classical Institute, Southwest Harbor, Greenville, Winterport, Carmel, Corinna, Lincoln, Hampden, and Bucksport, the girls won 10 of 13 games played. Husson scored 616 points to their opponents' 405 points, averaging 47.5 points per game.

Barbara Briggs, captain of the squad, scored 240 points for the season. Ida Mae Stinson stands in second place with 146 points. Elaine Coffin and Arlene Dyer shared third place.

The team surely missed Marilyn Payson and Mary Ruth Shannon when they were graduated at mid-semester.

Forwards winning their certificates and letters are Marilyn Payson, Union; Ida Mae Stinson, Prospect Harbor; Barbara Briggs, Freedom; Arlene Dyer, Liberty; Shirley Murchison, Milo; Marie Martin, Mattawamkeag; Elaine Coffin, Lincoln; Mary Ruth Shannon, Bangor, and Patricia Curran, Milo.

Cheerleaders

The first meeting of the cheerleaders brought out all new talent. Under the direction of Miss Bradford, Marilyn Emery, Glendora Knowles, Ida Leonard, Rita Ouellette, Claudette Lancaster, Phyllis Robertson and Patricia Spinney, they turned out a superb cheerleading squad.

The cheerleaders took over at rallies, under the leadership of Marilyn Emery, and proved to the students of Husson what an important part of basketball they can be.

The first game of the season they sparkled out on the floor with their green and gold uniforms to set the pace for the spirit that was to continue throughout the year.

From the midst of the most exciting games to the depths of depressions, the cheerleaders were always there cheering them on until the end.

Little do people realize the time and work that is put into working out the routines, and therefore making a cheerleading squad possible. So, let's take off our hats to the 1951 cheerleaders!

Intramural Basketball

After the regular varsity season closed, the Men's Athletic Association formed four teams to compete in an intramural program. Each team was captained by a varsity player.

Two tournaments were held with the first as a round robin tourney and the second, an elimination tourney. The round robin tourney finished with Brown's *Bombers,* first; McInnis' *Marvels,* second; Ritchie's *Ramblers,* third; McGinley's *'Troopers,* fourth.

In the first round of the elimination tourney Brown's *Bombers* defeated Ritchie's *Ramblers* and McInnis' *Marvels* defeated McGinley's *'Troopers.* In the consolation contest Ritchie's team proved too much for the McGinley five.

The finals of the elimination tourney was held in the evening where Brown's *Bombers* packed too many guns to send the McInnis' *Marvels* down to defeat.

As a special preliminary attraction, the Girls' *Pajamaettes* tangled with the Faculty *Fumblers.* The faculty squad included such stars as "Swizzle" Swan, "Boop-Boop-a-Doop" Bradford, "Klodhopper" Kingsbury, "Debit" Donahue, "Cutie" Curran, "Swish" Watson, "Gorgeous" George Husson, and "Crackpot" Clark. As the game warmed up the referee, "Killer" Miller, removed a layer of her uniform. The action was so furious that the score ended in an indecision.

As usual these intramural games uncovered some talent that had never shown itself before, and the boys participating seemed to enjoy the program a great deal.

Men's Bowling League

In the early fall the Husson College Bowling League was organized into eight teams which were to compete during the first half until midyear. At that time the teams were to be reorganized for the second half of the season.

The group elected the following officers for the year:

President ..... Harold Gerow
Vice-President ..... Thomas Brown
Treasurer ..... Edgar Mace
Secretary ..... Donald McInnis
Secretary ..... Richard Leeman

All the bowlers enjoyed the season and wish to thank Mr. Foss for his wonderful cooperation as faculty adviser.

A banquet was held at the close of the season of bowling to complete the bowling activities for the year.

Baseball

Around the middle of April Coach George Husson issued his call for baseball candidates. Because of bad weather, only those out for pitching and catching were able to work out for a couple of weeks.

Before the first game with the Colby Frosh, uniforms were issued to the following: Ed Mace, Dave Garland, Ed McInnis, Jim Ingraham, Basil Osgood, Howard Ouellette, Dean McGinley, Loren Ritchie, Fred Perkins, Tom Brown, Bill Burrill, Nelson McLean, Art Larlee, George Clark, and Gene Merrill.

Tim Mayo was team manager and did a very efficient job.

Early in October a large group of accounting students met with Mr. Donahue to form the 1950-51 Accounting Society. The following officers were elected:

President ..... Edward Mace
Vice-President ..... Albert Hickson
Treasurer ..... Ronald Potter
Secretary ..... Betty Crawford

The Society donated a subscription to the Journal of Accounting to the library.

Gilbert Jameson, John Russell, John Callahan, Robert Golightly, and John Monohon, former students, gave talks on the practical side of accounting.

Ethelyn Williams of Lincoln and Mary Leighton of Milbridge received managerial awards.

All in all, Husson girls had an outstanding season for the following reasons: (1) a new team with one veteran from last year, (2) team play and sportsmanship and (3) building for a 1951-1952 season.

Returning next season to give Coach Swan a real beginning will be forwards Patricia Curran and Barbara Briggs; guards, Joan Salisbury, Althea Parker, Mary Lawrence, Madeline Johnson, June Hollis, and Janet Kinney.

This group of girls upheld the records of previous Husson teams and will be one of the pleasant memories of 1951.
