# HUSSON COLLEGE

BANGOR, MAINE

# William P. Newman
# Physical Education Complex . . .

The Newman Physical Education Building at Husson contains two regulation basketball courts and seats 2,000.

The new facility houses much more than the basketball program. Beyond the spacious new gymnasium is an Olympic size swimming pool, and the lower level contains a complete laundry, equipment room, rooms for judo, wrestling, weights, handball and a rifle range.

The facility not only houses complete indoor varsity athletics, but provides physical education and recreation for the entire student body, faculty and staff.

Sports Information Director, Les Nadeau, may be contacted at the College, 945-5641, extension 303.

# The Team Effort . . .

DEL MERRILL
*Director of Athletics*

The Husson College administration is firm in its conviction that graduates must not only be academically proficient, but should also experience participation in extracurricular activities which appeal most to them. The varsity and intramural athletic programs at Husson provide the opportunity for students to broaden their areas of learning through athletics and recreation.

Athletics, therefore, has become invaluable to the athlete and his college by supplementing what is learned in the classroom, by emphasizing cooperation, leadership, courage, sacrifice, and above all, discipline. This, we believe, leads to the team effort.

Athletic policies at Husson College conform to the regulations of the National Collegiate Athletic Association and the National Association of Intercollegiate Athletics, in both of which organizations the College holds membership. Within the NCAA and the NAIA framework, Husson College participates intercollegiately in basketball, baseball, soccer, golf, swimming, riflery, and wrestling.

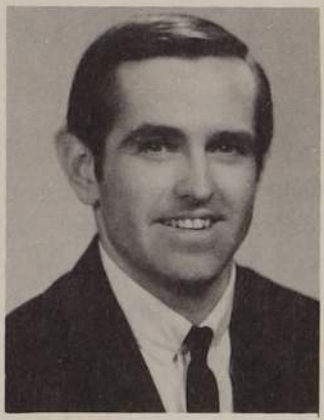

The College is also a charter member of the Northeast College Conference comprised of colleges from Maine and Canada. Husson participates at present in the following conference sports: soccer, golf, and baseball.

Husson's varsity record includes league championships in basketball, baseball, soccer, and golf.

In addition to varsity sports, Husson offers, to men and women, an extensive program of intramural activities, including judo, bowling, swimming, volleyball, badminton, hiking, touch football, softball, and riflery.

Husson College will continue to meet the needs of its students by providing an ambitious, interesting, and competitive sports program.

# Soccer - Wrestling

JACK McNALLY
*Varsity Coach*

A newcomer this fall, Jack brings to Husson professional coaching and playing experience in soccer. He has coached at the University of Colorado; at Colorado Academy, a college preparatory school; at Rockhurst College in Kansas City, Missouri; and, during 1969, he was Director of Soccer for the Kansas City Spurs whose club ended with the league title.

Jack received his Bachelor of Arts degree in Physical Education fom the University of Colorado and his M.S. degree from the University of Missouri in Kansas City. He is also enrolled at the University of Missouri in a post-graduate program.

In addition to his coaching duties at Husson, Jack's long-range plans are to develop soccer clinics around the city and state and eventually a youth league soccer program.
