2010 HUSSON EAGLES LACROSSE PREVIEW

As the 2010 Husson Men's Lacrosse Team enters its second year, the players are filled with a mix of emotions. There is tremendos excitement for what the future holds, but there is also lingering sadness over the loss of one of their 2009 teammates. The team will dedicate the 2010 season to the memory of Kyle Dwyer, who was lost this past September.

The Eagles will take to the field this spring with 29 players; 11 returners from last year's inaugural season and 18 newcomers to the Bangor campus. Coach Jeremy Mattoon is excited about the Opportunities for this year's team, stating "we are extremely young as a team but we have some tremendous sophomore leadership, all four of our captains were part of our inaugural team and these guys will set the tone and expectations for the new guys."

The Attack will be led by two year captain Ben Landry (Lewiston, ME - Lewiston). Landry is a left-handed shooter who led the team in points last season with 45. Along with Landry, the attack will feature two freshmen out of York County, Pennsylvania, Mitch Heaps (York, PA - Red Lion) and Derrick Schlimmer (Hanover, PA - Southwestern), who will make an immediate impact and be expected to contribute at the offensive end.

The Midfield will be young and athletic, led by sophomore Nick Brown (Sabattus, ME - Oak Hill), who scored 42 points last season and was the Eagles' second leading scorer. Brown will be joined on the first midfield unit by freshman Chris Pelettier (Rome, ME - Messalonskee) and freshman Alex Ryan (Northfield, ME - Bishop Brady). The second midfield line will feature three returners from last year's squad including captain Anthony Diaz (Brunswick, ME - Brusnwick), Sam Smith (Rockport, ME - Camden Hills), and Chris Lloyd (Oxford, ME - Oxford). This unit combined for 48 goals and 24 assissts last season. The defensive misfield line will consist of sophomore captain Nate Briggs (Freeport, ME - Freeport), Mike Lapoint (Barnegat, NJ - Barnegat Township) and David Smith (Fryeburg, ME - Fryeburg Academy).

The Eagles defense will be anchored by sophomore captain Mike LaBrie (Oakland, ME - Messalonskee) and two freshmen, Matt Tabler (Catonville, MD - Catonville) and Wayne Stubbs (Keene, NH - Gow School). Backstopping the defense, Coach Mattoon will employ a "3-headed monster in the goal". Curry transfer Jon Hooper (Wakefield, RI) will share time in the cage with Alex Behzad (Stamford, CT) and Tyler Quinn (McLean, VA).

The Eagles will open their season at Gwynedd-Mercy on March 7.

2010 HUSSON EAGLES LACROSSE COACHES

Jeremy Mattoon
Head Coach

mattoonj@husson.edu
207-941-7155

Coach Mattoon was named head coach in November 2008 and is the program's first coach. He is a native of Corning, NY, and has coached lacrosse for more than 10 years. He has spent most of his coaching career in the Washington, DC area, serving as an assistant coach with 2 different programs and head coaching two others. Coach Mattoon also spent some time in his hometown, serving as a volunteer assistant at Notre Dame High School in Elmira, NY.

In addition, Coach Mattoon has taken his lacrosse career overseas, serving as the men's lacrosse director of the HTHC Hamburg Warriors from 2002-2005. Based in Hamburg, Germany and the Warriors are widely recognized as one of the premiere lacrosse organizations in Europe. While in Germany, he posted a remarkable .975 winning percentage in just over three season with the Warriors. On two separate occasions (2003, 2004), Mattoon led the Warriors to the German Championship game and was twice named Northern German Lacrosse League Coach of the year.

Prior to being named men's head coach, Coach Mattoon served as a history teacher and as boy's varsity head coach at Saint Johns Catholic Prep in Frederick, Maryland. Saint Johns is a member of the prestigious MIAA conference and competes in its "C" conference. Coach Mattoon is proud to say that in his two seasons with the Vikings, he coached four All-MIAA selections and over 10 All-County selections. In 2008, he guided the Vikings to a 13-0 regular season record and an appearance in the MIAA "C" conference championship game. Mattoon was also named the 2008 Frederick County Coach of the Year.

Coach Mattoon holds a Bachelor's degree in History from the University of Maryland and his Master's degree in Secondary Education from McDaniel College in 2009.

Coach Mattoon has a 5-year old son, Alexander.

2010 HUSSON EAGLES LACROSSE COACHES

Daniel Henning
Assistant Coach

Daniel Henning is originally from Grafton, Massachusetts where he played four years of varsity lacrosse. He was given most valuable player awards his junior and senior year along with being named captain his senior year. After high school, Dan attended Franklin Pierce University where he played NCAA division II for the Ravens as a goalie in the challenging Northeast-10 conference. He then spent two years at The University of Southern Maine where he helped manage the Huskies.

Coach Mattoon said of Dan, "We are extremely lucky to have Dan on staff this year. He played lacrosse at the Division II level and will focus his attention on our goalies and defense."

Travis Karpak
Assistant Coach

Travis Karpak is a native of Middlebury, Vermont and played Varsity Lacrosse at Middlebury High School. He was recognized as a Vermont All-Star his senior season. After high School, Karpak came to school in Bangor, Maine to study Audio Engineering at the New England School of Communications. Upon hearing about the Husson Eagles debut lacrosse season, he transferred to Husson to be a part of the inaugural team. Karpark was a vital part of the Eagles defense in the 2009 season and was one of only three freshmen to be named All-Conference honorable mention.

"Travis did a phenomenal job for us last year" said Coach Mattoon, "and I believe that he will continue to help our program as a coach this season."

- M.S. in School Counseling
- Doctor of Pharmacy**
- Doctor of Physical Therapy (3+3 Entry-level program)

*Note: Husson University Law School has asked the Maine Supreme Judicial Court to deem its graduates eligible to apply for admission to the Maine Bar, and Husson University is filing a notice of substantial program change with the New England Association of Schools and Colleges (NEASC). All applications are contingent upon favorable action by the Court and NEASC. Because Husson University Law School is not seeking ABA approval, its graduates will not be eligible for immediate admission in most other states.
**The School of Pharmacy has received pre-candidate status through ACPE.
