PRE-SEASON OUTLOOK

Pre-season reports indicate that every team on our schedule is as strong, if not stronger, than a year ago. All have veteran teams and can point to two or three newcomers who are considered to be very positive additions to their programs.

Here at Husson, we only have three everyday starters back from a 9-10 team a year ago, and two pitchers who combined for a total of two wins. However, optimism is certainly present as the Braves enter the 1987 season.

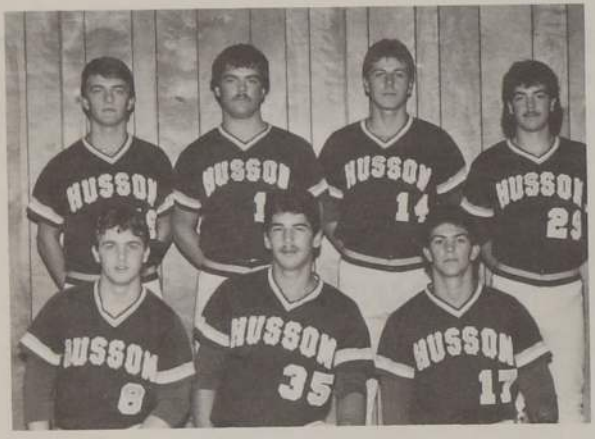

Barring injuries, the Braves could be as strong defensively as they have ever been. Offensively, they have the ability to score runs; and although not overpowering, a seven man pitching staff capable of being winners.

The veterans are all quality performers, led by four year starter and Tri-Captain, Al Paradis at shortstop; three year starter and Tri-Captain George Small in centerfield; and two year starter and Tri-Captain Jeff Wildey in left field. Chris Khoury, who was injured and forced to sit out most of the 1986 season is the leading candidate for the third base position.

The two returning pitchers, Alan Anderson and Steve Thurston, are both in their second year and are looked upon to be one, two in rotation.

Along with the above veterans, a talented group of "newcomers" could give the Braves a winning season if potential is attained offensively and defensively, and the pitching staff can keep themselves in ball games.

The outlook for the Braves is not to be counted in, but rather not to be counted out.

COACH'S MESSAGE

The intent of the Coach's message each year is to convey to the reader an insight into our baseball program.

Our geographical location and a narrow choice of academic pursuit, does not lend itself to putting forth a competitive baseball program here at Husson College. However, our record and performance during my four years as Coach gives strong support that obstacles can be overcome, if, in fact, one does not see them as obstacles.

Against competition such as University of Maine, Southern Maine, Colby, Bowdoin, Bates, St. Joseph's, Babson, Gordon, etc., the record for the past four years is 44-34; with participation in the District V post-season play three out of the four years.

What we have at Husson is not always numbers, but rather a group of baseball players who enjoy the game, believe in themselves, give of themselves, and offer no excuses.

Starting with our fall program, continuing with our annual trip to Florida, and on-going into our spring schedule; we endeavor to minimize our mistakes and bring out the maximum in each of us.

Our goals at the beginning of each season always remain the same — at the end of the season to have had a good time together, and to feel good about ourselves. Wins and losses will take care of themselves.

#40 MERRILL "RED" WILSON
Coach

This is "Red's" fifth year as Coach of the Husson Braves. In the four years he has been at the helm, the Braves have had only one losing season, and have been in the District V post-season play-offs three out of the four years. "Red" is a 1952 graduate of the U of Maine (Orono) where he captained the baseball team his senior year. In 1977 he was inducted into the Mass. Baseball Coaches Hall of Fame. In 1979, the baseball field at the Dennis-Yarmouth Regional High School in South Yarmouth, Mass. — from which he retired — was named in his honor. "Red" also coaches the Women's Basketball Team at Husson.

JOHN "J.K." KOLASINSKI
Assistant Coach

"J.K." is a volunteer part-time Assistant Coach for the Braves. He graduated from Husson in 1985 and is currently an accountant for a local business firm. In his undergraduate days, "J.K." was a respected outfielder for the Braves, contributing both offensively and defensively. This summer, he will be taking over as Coach of the Bangor Legion Baseball Team.

#7 JACK "SNAPPER" FARMER
Student Assistant
Hometown: Winter Harbor, Maine

"Snapper," a proven college player, is being forced to sit out the 1987 season because of a set of circumstances. However, he continues to be a valuable member of the Braves, helping the coaching staff where needed and working with the newcomers with different aspects of their game. His contribution to this year's team, while not between the lines, will be most helpful.

Snapper would like to thank
the following two people for their
never ending support and for always caring:

MOM and DAD

#3 AL PARADIS, Inf/P - Tri-Captain
5'11", 165 lbs. - Senior
Th/R - B/L
Hometown: Houlton, Maine

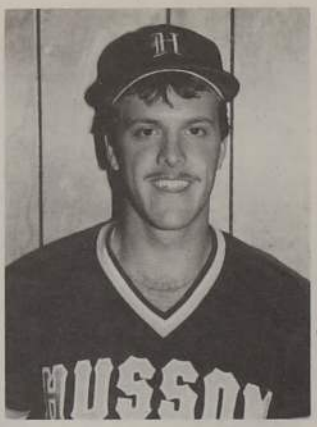

When one looks for the best all around shortstop in the collegiate ranks in Maine, one doesn't have to look beyond Alan Paradis. In four years, Al has developed into a premier baseball player who earns the respect of opponents and teammates alike. With three years experience behind him, Al moves and reacts with the confidence one associates with "quality." Suffice it to say, Al is one of, if not the best, shortstop to ever wear the green and gold.

GOOD LUCK, HUSSON BRAVES!

NASON FARMS
Linneus, Maine

LEVERSA GRENDALL wishes Al and the Husson Braves the best of luck.

#20 GEORGE SMALL, Of - Tri-Captain
5'11", 170 lbs. - Senior
Th/R - B/R
Hometown: Searsport, Maine

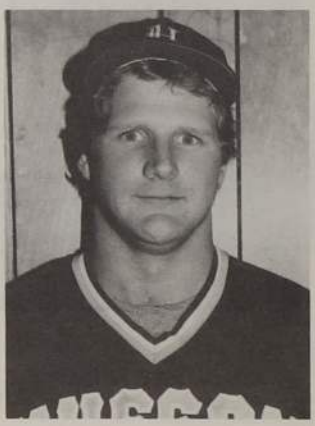

George hit .389 in his sophomore year and led the team in RBI's with 23. As a junior, these marks fell off. If George can regain his offensive production of two years ago, coupled with his steady performance in centerfield, he could easily be the catalyst of the 1987 Braves.

Good luck, George, and the 1987 Husson Baseball Team!

MR. and MRS. SMALL

MITCHELL INSURANCE AGENCY
343 Main Street
Searsport, Maine

#15 JEFFREY WILDEY, Of/1B - Tri-Captain
6'3", 205 lbs. - Senior
Th/R - B/R
Hometown: Old Town, Maine

In his first year last year as a member of the Braves, Jeff hit a very respectable .318. This performance, coupled with the fact he was elected a tri-captain by his peers, tells you something of Jeff's value to the Husson baseball program. He is counted on to be a solid, legitimate middle of the order hitter, hitting for both average and for power.

Best of Luck to Jeff
in his upcoming baseball season!

MR. and MRS. GEORGE WILDEY
MR. and MRS. JOSEPH DeMARI
LAURIE DIONNE

#16 ALAN ANDERSON, P/Of
6'1", 165 lbs. - Junior
Th/R - B/R
Hometown: Oakfield, Maine

Alan transferred to Husson at the beginning of his sophomore year. He is looked upon to be one of the mainstays of the 1987 Braves pitching staff. He is not considered a "power" pitcher, but relies on spotting the ball and keeping hitters off balance by mixing speeds with both his fastball and his breaking pitch. This past winter, Alan was a color man for a radio station in his area for both boy's and girl's high school basketball games.

The ANDERSON FAMILY

wishes Alan and the Husson Braves
the best of luck!

#19 JAMES CAMPBELL, P/Inf
5'10", 160 lbs. - Freshman
Th/R - B/R
Hometown: Bangor, Maine

Jamie (as he is called) was a heralded player for John Bapst High School, as both a pitcher and an infielder. Here at Husson, he is being asked to fill the same role. What perhaps best distinguishes Jamie is his positive attitude and his determination to improve himself.

The following wish Jamie and the Husson Braves the best of luck in 1987:

MR. and MRS. WILBERT CAMPBELL

TATE'S STRAWBERRY FARM
East Corinth, Maine

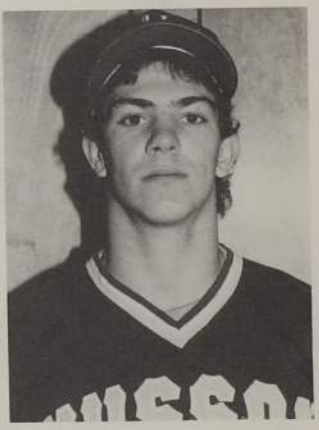

CRANE BROTHERS POTATO FARMS
Exeter, Maine

#37 DON DOW, C
6'2", 225 lbs. - Sophomore
Th/R - B/R
Hometown: Bass Harbor, Maine

After sitting out a year as a transfer student, Don is looked upon to be a solid two-way performer for the 1987 Braves. His catching ability should be of great value to the pitching staff — setting up well behind the plate and throwing runners out with a reasonable amount of consistancy. Offensively, his bat should add power to the batting order.

#17 JOHN JORDAN, Of/Inf
5'7" - 145 lbs. - Freshman
Th/R, B/R
Hometown: Bangor, Maine

John could be one of the more exciting players to play for the Braves in recent years. He is possessed with excellent footspeed and when called into play offensively or defensively, can be a great plus for the team. John's value does not stop there, for he is more than a capable hitter and has a strong throwing arm.

GOOD LUCK, JOHN

#27 CHRIS KHOURY, 3B/1B
6'6", 229 lbs. - Sophomore
Th/R - B/R
Hometown: Bangor, Maine

If outstanding work ethics alone could make a baseball player, Chris would be ALL Everything! No one works any harder than he does to improve himself. Half way into the season last year, Chris settled in as the Braves' third baseman, but a knee injury occurred and he was sidelined for the remainder of the year. Because of his size and recent knee surgery, one hesitates to project Chris as the starting third baseman for the 1987 Braves — that is, everyone except Chris!

Good Luck to Chris and the 1987 Husson Braves!

#1 TIM LARE, Inf
5'9", 165 lbs. - Sophomore
Th/R - B/R
Hometown: Hampden, Maine

After attending a year of college in Florida, Tim transferred to Husson and is a welcomed addition to the Braves. During his senior year at Hampden Academy, and while playing legion baseball, Tim demonstrated that he is a "player." He is a contact hitter who uses the whole field, and has a good glove with range.

The following wish Tim and the Husson Braves
the best of luck in 1987:

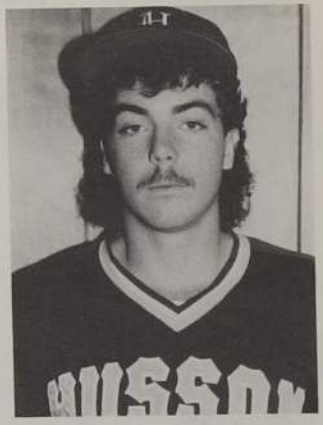

RON and CHERYL LARE
HARRY and KATHY ROGERSON
TROY LARE

SHARPE and ASSOCIATES AUTO SALES
West Hampden, Maine

#21 JAY MOORE, 1B/P
5'10", 150 lbs. - Sr.
Th/L - B/L
Hometown: Bucksport, Maine

Not everyone can be away from baseball for three years and come out his senior year in college and be an impact player. Jay, however, is looked upon to do just that. He was a quality high school and legion player and his athletic ability is further attested to by his outstanding career on the basketball court here at Husson where he has earned many honors. In the trade, Jay is called a "competitor."

#29 DARIN PAVONE, Of
5'11", 160 lbs. - Freshman
Th/R - B/L
Hometown: Woodland, Maine

Darin comes to Husson from a small town that geographically has limited his baseball development. However, early season practices give indication that he has the potential to be a real contributor to the 1987 Braves — in particular, as a hitter. An extremely hard worker, Darin is determined to get the most out of his ability.

Good Luck to Darin, Coach Wilson and the rest of the Husson Braves from:

MR. and MRS. BRUCE McKEIL
and
MR. and MRS. ANTHONY PAVONE

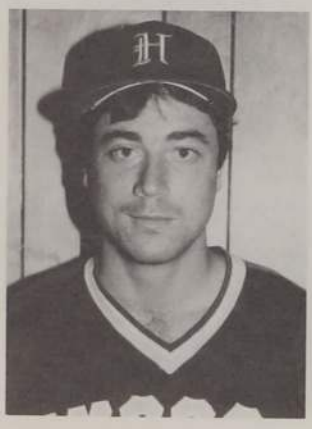

#8 MIKE PERDUE, P/Of
5'8", 145 lbs. - Freshman
Th/R - B/R
Hometown: Washington, Vermont

In high school, Mike was a good two position player — pitcher and shortstop. Here at Husson he is being asked to settle in primarily as a pitcher — a role he accepts. His performance in the fall showed a competitiveness on the mound that could be geared as either a starter or a reliever. Whatever the role, Mike will be a plus for the pitching staff.

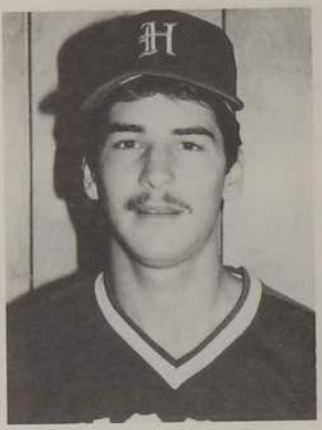

MR. and MRS. JOHN PERDUE

wish Mike and the Husson Braves the Best of Luck.

#10 ALLEN PERLEY, Inf.
5'8", 165 lbs. - Sophomore
Th/R - B/R
Hometown: Hampden, Maine

Al is a transfer from the University of Maine and has not played baseball in two years. However, fall baseball showed that although a bit rusty, he has innate ability that could be a big plus for the 1987 Braves. His versatility as an infielder allows him to start or to fill in wherever needed in the infield — a role he is most willing to accept.

#35 LLOYD ROSS, Of/C/P
5'10", 160 lbs. - Sophomore
Th/R - B/R
Hometown: Tabusintac, Canada

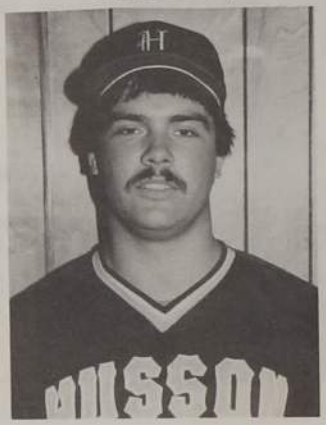

Although Lloyd has a limited baseball background, there are three reasons why he just may develop into a "better than average" college baseball player: 1. Possesses an excellent throwing arm, 2. His strength belies his size, and 3. He has an excellent attitude. At this point, experimentation is on-going attempting to settle Lloyd into a position that best befits his innate talents.

The following would like to wish Lloyd and the Braves a great 1987 season:

ROBERT and MYRNA
BERNADETTE and MARK
SHANE and NOELLA
CARLA and JULIE

SYDNEY BREAU ESSO
Tabusintac, N.B.

CECILE STEWART TEXACO
Tabusintac, N.B.

#12 MIKE SEYMOUR, Of
6'1", 190 lbs. - Freshman
Th/R - B/R
Hometown: Biddeford, Maine

Because of medical reasons (kidney transplant), Mike has not played baseball since his junior year in high school. However, a sincere love of the game of baseball and a desire to prove that he can play, makes Mike a "special" member of the Husson baseball team. It may take him a while to get going again, but when he does, he will be a positive contributor to the club.

Best of luck to Mike and the Husson Braves from the following:

MOM and DAD, Brothers JEFF and STEVE, Sister SANDY, Brother-in-law MARC, and Nephew JACOB.
The DUTREMBLE FAMILY, and the
KIDNEY FOUNDATION of MAINE.

#14 JOHN SHAW, P/1B
6'2", 190 lbs. - Freshman
Th/R - B/R
Hometown: Caribou, Maine

In John's senior year in high school, he was voted the top pitcher in Aroostook County. His love for the game, excellent work ethics, and a strong throwing arm give indication that he could develop into an outstanding pitcher for the Braves.

GOOD LUCK!

#13 STEVE THURSTON, P
5'10", 165 lbs. - Sophomore
Th/R - B/R
Hometown: Augusta, Maine

This year Steve is looked upon to be one of the mainstays of the Husson pitching staff. After a year of learning, he is ready and will—ing to be handed the ball in tough situations. Besides being "stronger" than a year ago, Steve has come along well in giving different looks to the batters. He is one who pitches with his head as well as his arm.

We would like to wish Steve and the entire Husson College baseball team the best of luck in the upcoming season:
