REMARKS

Robert Clark

FAREWELL & INVITATION TO ATTEND RECEPTION

Dan Hutchins

Through good times and challenges, Husson has continued its inexorable march forward. Today, it is one of the nation's top professional educators. Getting to this point, however, has been marked by both highs and lows.

Donor Recognition

We are grateful to the generous donors who have helped Husson University grow, expand and adapt for a changing world.

Donors whose names appear italicized in this program are being recognized for generously making financial gifts to Husson University for the past 25 or more consecutive fiscal years. These individuals are deserving of this special recognition of their support that has been essential to the University's growth. Their loyalty and commitment to creating a stronger Husson have brought the institution to greater heights.

2008 Society

In 2008, Husson College transitioned to Husson University, signifying tremendous academic growth of the institution. The 2008 Society recognizes individuals and corporations whose lifetime cumulative gifts and commitments to Husson University have reached \$1,000,000 or more.
