Degrees: Offers two and four year degrees, based on liberal arts foundation, in accounting, business administration, business education and secretarial science.

Costs: Tuition and fees $1,700; room and board $1,250; current total $2,950 per year.

Athletic Grants: For information on athletic grants write:

Director of Athletics
Husson College
Bangor, Maine 04401

Financial Aid: Applicant must submit a Parents' Confidential Statement.

Colors: Green and white.

Team Name: Husson Braves.

Phone: (207) 945-5641, Extension 210.

THE TEAM EFFORT

Husson College's philosophy holds that there is more to learning than academics. Besides attending classes, every student must have an opportunity to participate in whatever recreational or athletic area his or her interest lie.

Thus evolves the team effort: varsity and intramural athletic programs supplement the classroom experience by emphasizing cooperation, leadership, courage, sacrifice, and discipline.

Athletic policies at Husson conform to the regulations of the National Collegiate Athletic Association and the National Association of Intercollegiate Athletics; the college is a member of both. Within the NCAA and NAIA framework Husson College teams participate on an intercollegiate level in basketball, baseball, soccer, golf, and swimming.

The college is also a charter member of the Northeast College Conference and competes in two varsity sports in that league.

In addition to varsity sports, Husson offers men and women an extensive program of intramural activities including bowling, swimming, volleyball, badminton, weight-lifting, hiking, touch football, softball, riflery, and others.

The spacious Newman Physical Education Center provides one of the most modern small college facilities in the East. The gymnasium can seat 2,000 fans and contains two regulation basketball courts. Located in the same facility are an Olympic-size swimming pool with ample seating, handball court, and rooms for judo, wrestling, weights and riflery.

Also contained in the center are offices for the entire physical education staff, a complete laundry, and equipment rooms.

Husson College just completed one of the finest years in sports in the College's history.

The soccer team, undefeated in its 1972 regular season with a 12-0 record, was selected for a NAIA playoff berth. The soccer team set a fast pace for the 1973-74 season by winning the District 32N title and placed 2nd in Area 8.

The basketball team finished 14-6 during the season and was the winner of the Paul Bunyan

Tournament. The team was chosen for a playoff berth and bowed to Keene State in the finals to place second in the District 32N.

The Golf team, playing a limited schedule due to early graduation, (May 5) finished with a 3-1 record, however, they captured the District 32N title by defeating six other New England Colleges and competed in the Nationals at Spartanburg, South Carolina.

The baseball team ended its rain-abbreviated season with a fine 13-3 record, the Northeast College Conference Championship, the District 32N title, and represented the District in the Area 8 playoff for the National tournament held in Fairfax, Virginia.

The Women's basketball team won the Husson Invitational Basketball Tournament and enjoyed their most successful season in recent years with a 10-2 record.

The combined record of all Husson Athletic teams for the 1972-73 season was 54 wins and 21 losses for an excellent average of .720.

Director of Athletics

BASEBALL

Del Merrill

Del, also Husson's Chairman of Physical Education, has compiled an enviable coaching record since coming to Husson College twenty years ago.

Prior to relinquishing his basketball coaching duties to devote more time to administrative matters, his teams annexed seven league crowns and two state championships over a fourteen-year period winning 197 and losing 86.

His baseball teams have been equally impressive winning 195 and losing 82 for a winning mark of over 700. In 1973 the Braves won the NAIA District 32 Championship (New England) and competed in the Eastern Regional Tournament in Fairfax, Virginia. Several players have gone on to professional Diamond careers after playing under Del's tutelage.

The teams under the guidance of Coach Merrill have received NAIA playoff bids seven times in the past ten years, and won eight Northeast College Conference crowns in a twelve-year span. Del has been voted New England Baseball Coach of the Year on three occasions: 1968, 1969, and 1973.

During his career as a high school and college coach, Del's teams have a combined record of 514 wins and 177 losses for an amazing winning mark of .744. Del is also recognized as one of the state's top basketball officials on both the high school and college levels.

Just recently Mr. Merrill was elected by the Board of Trustees as Administrative Vice-President of the College.

An Ellsworth native and U.S. Marine Corps veteran, Del holds a B.S. Degree from Husson, a Master's from the University of Maine, and a Certificate of Advanced study from the University of Maine.

Keith C. Mahaney

Assistant Director of Athletics

GOLF

Now in his sixth year at Husson College, Keith has coached the golf team to an outstanding 42-4 record over a four-year period. From 1969 to 1973, the golf team went undefeated in 30 straight matches and annexed two Northeast College Conference golf titles and two undefeated independent schedules.

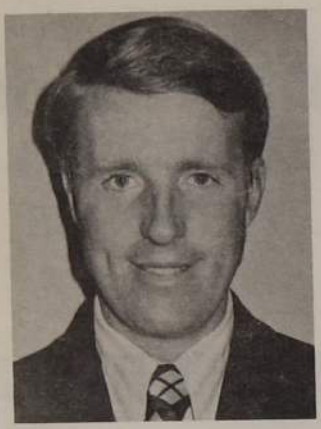

In 1973 Keith's golf team brought honors to Husson College by winning the National Association of Intercollegiate Athletics District 32 North Golf Championship and represented Maine, New Hampshire, and Vermont at the NAIA National Golf Championships held at Spartanburg, South Carolina. His nine year overall record is 80-5!

Prior to joining the Husson staff, Keith attended the University of Maine and was a record-setting scorer in basketball. Before his graduation in 1957, he was chosen All-Maine, 2 years; All-Yankee Conference, 2 years; and All-New England, 1 year.

In addition to his success as a player, while teaching and coaching at Greenville and Boothbay Region High Schools; he produced Eastern and Western Maine championship contenders in basketball and football. He also coached the Boothbay Region High School golf team to 38 straight victories over a four-year period before joining Husson's staff in 1968.

Keith earned his Master's Degree in education in 1968 and graduated with a C.A.S. Degree in Education in 1970 from the University of Maine, Orono.

Keith resides in Bangor with his wife, Karlene, and two children, Shawn and Mary.

Bruce MacGregor

BASKETBALL

During Bruce's five years as Husson's basketball coach, he has led the Braves to a 79-33 record.

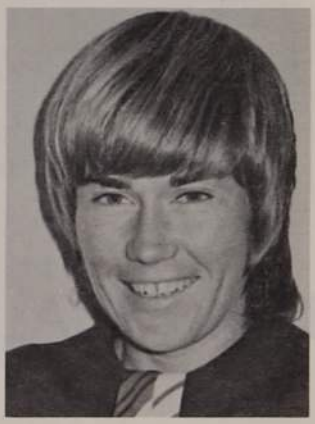

In 1970 he led the Braves to 22 wins with only 3 losses. For his efforts, Bruce received three separate coaching awards. He was named New England Small College Coach of the Year by United Press International, was selected as Maine's College Athletics Coach of the Year for District 32 (New England).

Prior to joining the Husson staff, Bruce coached at Reading Memorial High School in Massachusetts where his team compiled a record of 90-20. In 11 years of college and high school coaching, his teams have won 169 games out of 222 for a 76% win record.

A native of Connecticut, he attended Roger Ludlow High and Andrew Warde High which are both in Fairfield. His Ludlow team won the New England basketball championship in 1955 and he captained his Warde High team in 1957.

A 1961 graduate of Springfield College, he played varsity basketball for three seasons, one of which the team competed in the NCAA playoffs. Bruce received his master's degree from Salem State College and completed his Certificate of Advanced Study from the University of Maine.

He, his wife, and three children live in Hampden, Maine.

Pam Hennessey

Director of Women's Athletics

BASKETBALL

Pam, a native of Augusta, earned her B.S. and M.Ed degrees from the University of Maine, and will be completing the C.A.S. degree by January of 1974.

Before joining the Husson staff, Pam taught at Old Town Junior High School. A qualified water safety and small craft instructor, she is past chairman of basketball, swimming, and diving for the Maine Division of Girls' and Women's Sports.

Pam is a member of the Eastern Maine Board of Women Officials; the American Association of Health, Physical Education and Recreation; the Women's National Aquatic Forum; and the Maine Association of Physical Education for College Women.

Among her many roles at Husson are those of women's athletic director, women's intramural director, aquatics director, and head basketball coach.

The 1972-73 girls' basketball team, under the guidance of Pam, won the Husson Invitational Tournament and finished the year with an excellent record of ten wins and two losses.

SWIMMING

Lionel Bishop

Lionel was born in Dover-Foxcroft, Maine, 29 years ago. He now lives in Milford, Maine with his wife and three children.

Lionel has received his Bachelor of Science Degree in Health, Physical Education, and Recreation from Aroostook State College at Presque Isle, Maine.

He has experience in coaching swimming, baseball, basketball, and varsity cross-country teams at junior and senior high schools, and at Aroostook State College. He was also Playground director for City of Old Town Parks and Recreation Department.

Milan Keser

SOCCER

Born in Yugoslavia, Milan graduated from Groficka Skola in Zagreb in 1956. In 1959 he moved to Johnstown, Pennsylvania.

He served in the United States Air Force from 1960-1964 and was honorably discharged in June of 1964. In 1968 he received a Bachelor of Science Degree in Education from Westfield State College in Westfield, Massachusetts. While at Westfield, he played varsity soccer and was elected captain of the team each of the four years he played.

He holds a Master of Education Degree and a Master of Science Degree from the University of Maine at Orono and is currently a Ph.D. candidate at the University of Maine.
