HUSSON COLLEGE DEGREES

HUSSON COLLEGE HISTORY

Husson College was founded as two institutions: the Bangor General Hospital School of Nursing, founded in 1892; and the Shaw Business College, founded in 1898. Shaw College evolved into The Maine School of Commerce, and then into Husson College in 1947 and the School of Nursing became part of Husson College in 1980. Today, Husson is comprised of schools of business, health, education, pharmacy, science and humanities, and a subsidiary, the New England School of Communications. The College is regionally accredited by the New England Association of Schools and Colleges, Inc., and is classified as a "Master's/M" institution by the Carnegie Foundation.

DEGREE-GRANTING AUTHORITY

Husson College is incorporated as a nonprofit, independent institution of higher education by the State of Maine. The Maine Legislature first enacted degree-granting authority for Husson in specific Bachelor of Science programs in 1953 followed by other specific degrees and, most recently, the unrestricted authority to award the Associate of Science (1992), Bachelor of Science (1992), Master of Science (1993), and Honorary Doctorate (1969) degrees. In 2004, the Maine State Board of Education granted Husson the authority to award the Doctor of Physical Therapy. In 2007, the Maine State Board of Education granted Husson the authority to award the Doctor of Pharmacy and the Juris Doctor.

ACADEMIC DISTINCTIONS

Based on a 4.0 grading scale, Husson College recognizes the following academic distinctions at graduation:

Cum Laude	3.40 - 3.59
Magna Cum Laude	3.60 - 3.79
Summa Cum Laude	3.80 - 4.00

The Valedictorian is the baccalaureate graduate with the highest grade-point average. The Salutatorian is the baccalaureate graduate with the second highest grade-point average. The Outstanding Achievement Award is granted to the baccalaureate graduate with the highest grade-point average who does not meet the eligibility requirements for Valedictorian or Salutatorian, which include completing 90 credit hours at Husson College, enrolling as a full-time student, completing the degree in five years and other eligibility clarifications as set forth in the College Catalog.

ACADEMIC REGALIA

The tradition of academic regalia is traced back to medieval Europe. King Alfred the Great opened teaching facilities in Oxford, England, in the late ninth century. In 1214, Edward III granted a university charter, its chancellor the bishop's representative. Academic regalia evolved from simple cassocks into evermore ecclesiastical vestments, spreading to King's College in the American colonies (now Columbia University) and other early North American universities in the eighteenth century. In the late nineteenth century, hoods and gowns were standardized by degree while colleges and universities and academic programs introduced defining colors. Husson regalia includes the traditional black gown and mortarboard with gold tassel. Husson graduate hoods vary in color by program, including gold for business, criminal justice, and occupational therapy, apricot for nursing, teal for physical therapy and light blue for school counseling.

HONORARY DEGREES

One Hundred and Ninth Commencement

Honorary degrees have been granted by colleges and universities since the late 15th century, when Oxford College initiated the tradition. The practice migrated to the new world in 1662, when Harvard College granted its first honorary degree fifty years after its founding.

These degrees are not awarded for academic achievements but rather they are awarded to honor or recognize the achievements of outstanding citizens. Honorary degrees usually highlight the accomplishments of individuals in the arts, public life, education, scholarship, business, health and the sciences.

Since 1969, Husson has recognized prominent citizens for their contributions to the community, the State of Maine, the nation, and the world.

By virtue of the authority vested in its members, the Board of Trustees is pleased to confer honorary degrees upon the occasion of Husson College's One Hundred and Ninth Commencement.

JOSEPH F. DOOLEY

Joseph F. Dooley, for your extraordinary thirty-three year career with Duracell, The Gillette Company and Procter & Gamble, rising from entry-level sales to the presidency of Duracell and Gillette North America, the Husson College Board of Trustees hereby bestows upon you the Honorary Degree of Doctor of Business Administration, with all the rights and privileges pertaining thereto.

HILDA HUTCHINS MCCOLLUM

Hilda Hutchins McCollum, for your lifetime of volunteerism and service to and support for your church, those in need, the arts and Husson College, the Husson College Board of Trustees hereby bestows upon you the Honorary Degree of Doctor of Public Service, with all the rights and privileges pertaining thereto.
