PRE-SEASON OUTLOOK

The 1985 edition of the Husson College Braves Baseball Team will be striving to earn their third consecutive invitation into post-season play. However, sorely missed will be last year's tri-captains Jim Black, Ed Boyce, and Ken Huot; as well as two other quality players, Mike Ware and Jeff Crowley.

Returning is a nucleus of players who have proven themselves by past performance. Heading this list is Senior Captain Randy Harris, who will share time behind the plate and in the outfield. In the middle of the infield is All District Five selection, Rod Wilson; and highly regarded Alan Paradis. Walt Foster, perhaps one of the most underrated players in the state, returns in the same role as before - as a utility player, filling in where needed. John Kolasinski will settle in one of the outfield slots after a year as an invaluable role player. The mound corps will be headed by left hander David Vertefeulle, who established himself as a solid performer last year when he led the team with a 4-0 record. The remainder of the sixteen man squad are all newcomers, but the potential of many of the players is such that if they can adjust to college play quickly, the Braves could be contenders once again.

COACH'S MESSAGE

Three years ago when I accepted the position as Head Baseball Coach here at Husson College, I sat down with the players and discussed goals we would attempt to accomplish/achieve in the years to come. Certainly high on our list was to work to make Husson a relatively good baseball school which would be recognized in our geographical area as just that. In two years, we feel we have taken giant strides in accomplishing this as is attested to by a 24-11 won and lost record and two consecutive appearances in the District V (New England NAIA) post-season tournament; in which we were a finalist in 1984.

It was also our direction at that time to not only gain recognition through our play on the field, but to be a credit to our college as well as to ourselves as we performed. Again, we feel we have accomplished our goal, for many have been most kind in their comments regarding our players' attitudes and sportsmanship. For this we are most proud.

Another goal three years ago was to enhance our program with some material things, i.e. dug-outs, batting cage, announcer's booth and fencing. Where we had not thought of benefactors to make any of the above possible, benefactors (local businessmen) did appear and dug-outs became a reality. With monies earned from this very Yearbook, a batting cage has been purchased, an announcer's booth erected, and if all goes well, a section of permanent fencing will be installed this spring.

There are other goals we set for ourselves - tangible and intangible - that we will continue to strive for. However, the most important goal that has been set is that each and every year when we have played our last game, we can all look back - regardless of our won and lost record - and say "we have given the best effort possible." If we can do that, we will feel good about ourselves, and that is a primary goal of life.

#40 MERRILL "RED" WILSON, Coach

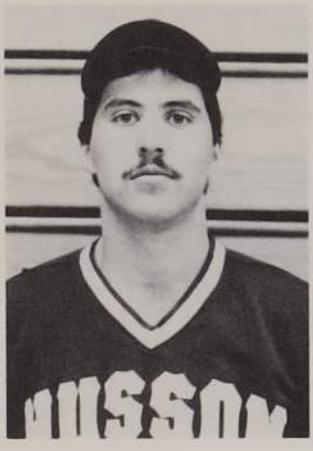

This is "Red's" third year as Coach of the Husson Baseball Team. In his two years at the helm, the Braves have participated in the District V Tournament both years and were finalists last year. Also achieved was Co-Champion of the WMAC Conference last spring. "Red" is a 1952 graduate of the University of Maine, Orono where he captained the team in his senior year. In 1977 he was voted into the Massachusetts Baseball Coaches Hall of Fame. During the summer, "Red" manages the Y-D Red Sox in the Cape Cod Collegiate Baseball League.

THE 1985 HUSSON BASEBALL TEAM SINCERELY WISHES TO THANK THE BUSINESSES AND THE INDIVIDUALS WHO CONTRIBUTED TO MAKE THIS YEARBOOK POSSIBLE. MANY, MANY THANKS!

Randy Harris
Captain

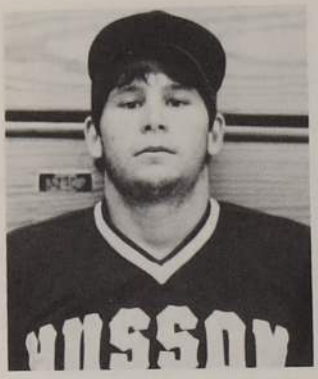

#15 RANDY HARRIS, c/of
6'2" - 195 lbs. - Senior
Th/R - B/R
Hometown: Molunkus, Maine

A four year veteran of the Braves, Randy has established himself as one of the premier players ever to wear the Green and Gold. He is Captain-elect of the team, and his leadership is not only on the field, but off the field as well. Randy is a multi-dimensional player who runs well, throws well, hits for average and hits with power.

ED AND LORRAINE HARRIS
WISH
RANDY
AND HIS
TEAMMATES
THE BEST OF LUCK IN THEIR 1985 SEASON.

#7 JACK FARMER 1B
5'11" - 185 lbs. - Freshman
Th/R - B/R
Hometown: Winter Harbor, Maine

"Snapper", as he prefers to be called, has the potential to make a very positive contribution to the 1985 Braves. He was an outstanding player at Sumner High School, and if he can make the adjustment from high school baseball to college baseball quickly, it will be a plus for the team. Unfortunately, "Snapper" fractured his wrist the second day of fall baseball and he missed the entire fall season.

BEST WISHES TO SNAPPER AND THE 1985 HUSSON BRAVES:

Bubs Pub, Ellsworth, Maine
Winter Harbor Food Service
Winter Harbor 5 and 10
Mr. and Mrs. Jack Farmer
Mr. and Mrs. Gary Stanwood
Katina and Ashley

#44 WALT FOSTER Of/Inf
5'8" - 180 lbs. - Junior
Th/R - B/L
Hometown: Richmond, Maine

In 1984, Walt led the team in home runs (3) and runs batted in (24); and finished with a .313 batting average - 3rd best on the club. He is, without question, a quality college baseball player, both offensively and defensively. Walt is a true utility player, and before the 1985 season ends, we could see him playing in all three outfield positions, at third base, at second base, as shortstop and catching.

GOALS, INC., the best fund-raising company in New England, would like to wish WALTER FOSTER and the Husson College Baseball Team, under Red Wilson, a very successful spring.

KEN HUOT
GOALS, INC.

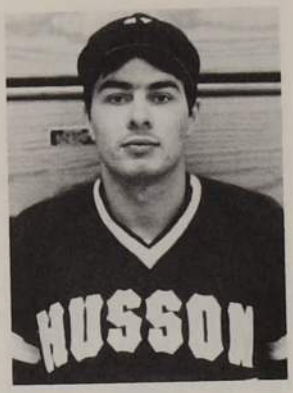

MU SIGMA CHI would like to wish WALT FOSTER and the Husson Braves a very successful 1985 spring season.

DELTA SIGMA DELTA would like to wish WALT FOSTER and the Husson Braves a successful 1985 season.

Best of luck to WALT FOSTER and the Husson Braves.

BELUSHI

#33 GREG FRIEL Inf
5'8" - 160 lbs. - Freshman
Th/R - B/R
Hometown: Houlton, Maine

The fortunes of the 1985 Braves could rely heavily on the development of Greg as a college baseball player. He comes from an excellent high school baseball program where he was one of the team's leading hitters and played both mid-infield positions. At Husson, Greg is being asked to play third base. Unfortunately, he missed the entire fall baseball season because of the need of minor surgery. Greg is the fastest player on the squad.

THE FOLLOWING WISH GREG AND THE 1985 HUSSON BASEBALL TEAM A GREAT SEASON:

P & G's EXXON, Houlton, Maine
CHRIS AND BETTY FRIEL
OSCAR AND ADA GRANT
TERRY GRANT
JAMES MOFFITT
NATHAN SINCLAIR
CLARENCE AND NAOMI JACQUES

Also:
Rob Moran, Steve Fitzpatrick, Blake and Phyllis Donnelly, Brian Nightengale, Willis Nason, Dale Chasse

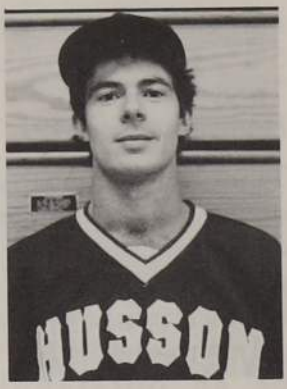

#19 TIM GILPIN Of
5'8" - 155 lbs. - Sophomore
Th/R - B/R
Hometown: Houlton, Maine

Tim did not play baseball in his freshman year at Husson. In high school he was a starting outfielder for the Eastern Maine Champs, Houlton High School. Tim's strengths as a baseball player - beyond the ability to learn quickly - is good running speed, the ability to make contact with the bat and an understanding of the game. He made great strides as a hitter in fall baseball, and if he continues to improve, he will be a serious contender for one of the outfield positions this spring.

ALL WISH TIM GILPIN AND THE 1985 HUSSON BASEBALL TEAM A VERY SUCCESSFUL SEASON.

#10 JAMES HUNT P/Of
6'1" - 160 lbs. - Freshman
Th/R - B/R
Hometown: Houlton, Maine

Jamie, as he is known, can be one of the top pitchers on the Husson staff as a freshman. He has good velocity, a good breaking pitch, and spots the ball well. How quickly he learns to mix speeds will determine how well he makes the transition from high school baseball to college baseball. Jamie is a product of Houlton High School where he pitched his team to the Eastern Maine Championship in his junior year.

THE FOLLOWING WISH JAMIE AND THE HUSSON BRAVES A VERY SUCCESSFUL SEASON:

Mr. and Mrs. Herbert J. Hunt
Mr. and Mrs. James Hunt
Mr. and Mrs. Jerry O'Roak

#12 CHRIS KENDER C/Of
5'8" - 160 lbs. - Freshman
Th/R - B/R
Hometown: Harwich, Massachusetts

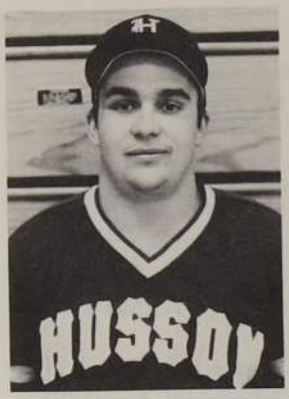

Through fall baseball and early season workouts, Chris has established himself as a "blue chip" addition to the Husson Baseball Program. He will split the catching this year with Randy Harris, and when not catching, he will play in the outfield. Chris has the potential to be an outstanding receiver - a receiver pitchers enjoy throwing to, not only because of his catching mechanics, but his ability to work with their individual personalities. Chris is a graduate of Harwich High School, Cape Cod, Massachusetts.

GOOD LUCK, CHRIS!

#14 JOHN KOLASINSKI Of
5'6" - 165 lbs. - Senior
Th/R - B/R
Hometown: Winsted, Connecticut

In 1984, John only had 11 at bats and a .273 batting average, but his value to the team goes beyond statistics. He is a true role player who puts the team ahead of himself. The success of the 1984 Husson baseball team was as much a part of John's contribution when called upon as perhaps any member of the team who played regularly.

#3 ALAN PARADIS Inf/P
5'11" - 155 lbs. - Sophomore
Th/R - B/L
Hometown: Houlton, Maine

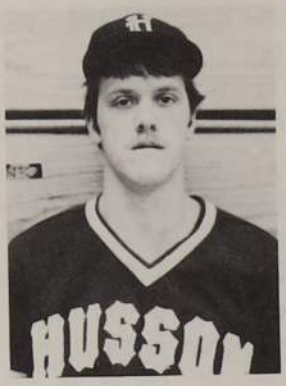

In his freshman year, Alan showed he had the potential to become a quality mid-infielder. In fall baseball, he demonstrated offensively and defensively that he has done just that. Defensively, Al has excellent range, good hands, and the ability not only to make the routine play, but the difficult play as well. Offensively, he, in one year, has gone from a bottom of the order to a top of the order hitter. He is a team player who inspires others.

GOOD LUCK FROM THE
PARADIS FAMILY.

GOOD LUCK, HUSSON BRAVES!
P. E. NASON & SONS

LEVERSA GRENDALL WISHES AL PARADIS AND THE
HUSSON BRAVES THE BEST OF LUCK!

#20 GEORGE SMALL Of/P
5'11" - 175 lbs. - Sophomore
Th/R - B/R
Hometown: Belfast, Maine

George transferred to Husson in January, and in pre-season practices has shown he will be a positive addition to the Husson College Baseball Program. However, he may be behind in his game for a short while because he has not played competitive baseball for over a year. George possesses a strong arm, good foot speed and athletic ability; and he could be in the starting line-up before the season is too old.

#8 KENNETH SPINNEY P/Inf
6'1" - 175 lbs. - Freshman
Th/R - B/R
Hometown: Skowhegan, Maine

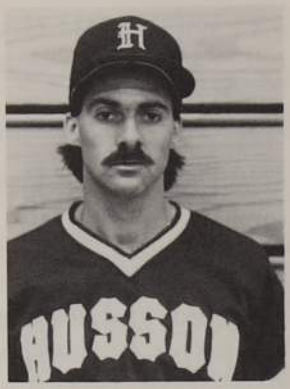

At Skowhegan High School, Ken played baseball through his junior year, but gave it up in his senior year to concentrate on basketball. Here at Husson, he once again has chosen to play baseball and could help the program both as an everyday player and as a pitcher. He is an extremely hard working player whose attitude is never less than positive.

GOOD LUCK TO KEN SPINNEY AND THE
HUSSON BRAVES ON THE 1985 SEASON.

The Spinney Family
and
Catherine Perry

Bernard Charlton Stable wishes the Husson Braves the Best of Luck on a fine 1985 Baseball Season.

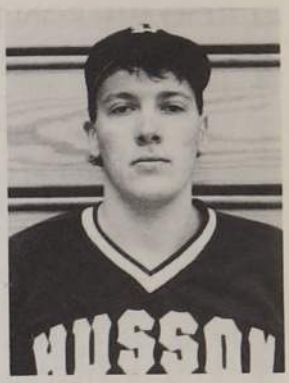

#1 ROD WILSON Inf/P
5'9" - 165 lbs. - Junior
Th/R - BL
Hometown: St. Stephen, N.B., Canada

This is Rod's third year as a member of the Husson Braves. 1984 honors included being voted the team's MVP, selected to the All District V All Star Team, and selected to the Western Maine Athletic Conference All Star Team. In 1984, Rod led all Husson hitters with a .379 average and led the mound corps with a 2.16 earned run average. As one can surmise, Rod is an invaluable member of the Husson baseball team.

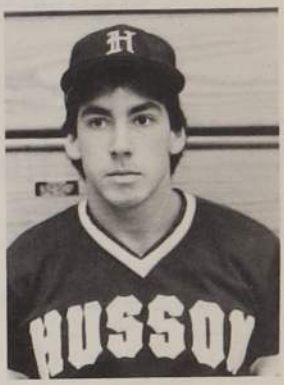

BEST OF LUCK TO ROD WILSON AND THE
HUSSON BRAVES
IN THEIR
1985 SPRING BASEBALL SEASON
FROM
THE ROD WILSON FAN CLUB!

#13 RICHARD HAAS Of
6'3" - 230 lbs. - Freshman
Th/R - B/R
Hometown: New Gloucester, Maine

A walk-on to the Husson baseball team after playing soccer in the Fall, Rich has shown potential in early season work-outs. However, a knee injury has impeded his progress. If attitude and desire alone can make a baseball player, Rich will play a lot of baseball for Husson before he graduates.

#21 LONNIE OTHOUSE P
5'11" - 170 lbs. - Sophomore
Th/R - B/R
Hometown: Greenville, Maine

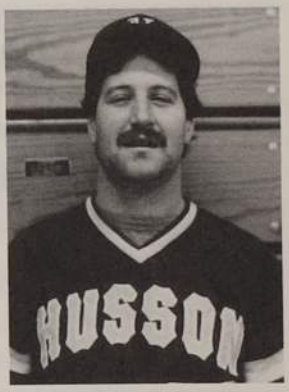

Lonnie is the hardest thrower on the Husson pitching staff. If he can develop a breaking pitch, as well as a change up, he will be one of the premier right handed pitchers in the State of Maine. Lonnie missed the 1984 season, but in fall baseball he showed great improvements in his game. He is a hard worker who never gives less than 100% when he is on the mound.

#32 PHILLIE SMITH Of
5'11" - 160 lbs. - Freshman
Th/R - B/R
Hometown: Toronto, Canada

Phillie joined the baseball team late, after being a member of the Braves basketball team during their season. His athletic ability -particularly his speed and quickness - could lend itself to Phillie becoming in invaluable role player as the season progresses.

#30 DAVID VERTEFEULLE P/1B
5'10" - 180 lbs. - Senior
Th/L - B/L
Hometown: Ellington, Connecticut

If he continues to improve, David could become one of the outstanding left-handed pitchers in Maine this spring. Last year he finished with a 4-0 record and a 5.57 ERA. What the statistics don't show is stronger performances each time out, and, along with this, a confidence that characterizes winners. David is being looked upon as the catalyst of the 1985 Husson pitching staff.
