HUSSON LEDGER

OCTOBER, 1956 | HUSSON COLLEGE, BANGOR, MAINE | VOLUME 31, NO. 1

WELCOME FRESHMEN!

President's Column

Opening day is always an exciting experience not only for the freshmen and the upperclassmen, too, but for me as well. The familiar faces of our students who return for another year, their warm greetings with each other and with the faculty, add to the day's contribution to gracious living. When I hear the phrase, "It's good to be back," I feel a pride difficult to describe. It is a compliment to the college and its fine staff, a tremendous compliment, if you please. It measures in great degree the investments of heart as well as mind in our living and working together. We cherish this precious thing and count it our most valuable treasure.

The freshmen, eager, alert, wondering, losing, finding, pleased, dumfounded, seem to run the gamut of emotions as they settle to a new way of life. They quickly catch the Husson spirit and the "family" is welded together. History was made when this class was counted the largest to enter in our history. My welcome is deep and sincere to all who apppeared on opening day and I want them to visit my office often. Problems shared are half solved and that is sufficient reasoning for this invitation to visit me when I might be of help.

Few complaints have been heard about our inability to have the Annex ready for occupancy when school started. It is bothersome to walk down the hill to the visiting room in the church, and around the corner to the John Bapst High School, but it's fun, too. The weatherman hasn't been unkind so far, and making a lack of it is so much better than groaning and getting excited about it. It won't be for long, I assure you. And many, many thanks for taking things in stride. It's just another facet of Husson spirit which makes for understanding and harmony with the administration.

Have you seen the plans for the Husson College of tomorrow? Cafeteria, gym, dormitories? The first step has been taken; we have fifty acres of land on Broadway located on the prettiest site imaginable. Drop into my office and see the blueprint.

Many of you have asked for part-time employment. Only those of you who must work while attending school should attempt such a burden. The rest we will help as best we can, and as quickly as openings occur. Be patient. It takes a bit of time to meet so many requests, and we just don't want anyone to go hungry or sleep in the open because funds are gone.

Have you seen the plans for the Husson yet? Look around and find one activity, at least one, in which you might like to take part. You will benefit by the experience, and your school will mean more and more to you as you live school instead of merely passing through. The world does not want educated sticks; it wants people who are socially efficient as well as academically efficient. So listen well and become a "joiner." Please don't bypass the Glee Club. Give it a try before you count it out. Those who have heeded this advice have been pleasantly surprised. That leaves it up to you—right?

Somehow I feel a special thrill all my own when the son or daughter of a graduate appears in the classroom. It's a compliment to the institution to witness this expression of faith by former students. Brothers and sisters, too, have a special place because their older counterparts found Husson to be good for them and recommended it to the rest of the family. That is the acid test of the soundness of our administration and organization, and a test of character. We have always asked the best of our students, and we will continue to accept nothing less than the best as we move forward into the exciting future.

Just one last word. Husson College is not a couple of buildings with instructors, secretaries, janitors, typewriters, business machines, desks and armchairs. It is *you*. You are Husson College, c'est tout. Without you there is nothing. What you do here and what you do when school days are over determines the success, or failure, of your college. We are concerned with your success because it is the breath of life for those of us who have undertaken the task of preparing you for careers in business and in education. Those who have gone before have set a shining example for you. Husson's success is measured in their success, but they had to prove the soundness and scope of their training. Because industry and education demanded more of them, your college is growing rapidly. It plans to accept the increased demands upon it to provide society with specially trained personnel. Read that last sentence again. That "specially trained personnel " is you. You are the raw material of our promise to serve the increasing needs of society. We are getting *you* ready to take a place. We are preparing *you* to make a real contribution to the community, here or far away. Understand? *You*.

So, don't fight us. Don't fight our books. Work with us, study hard, study long, give it your best effort. Make your career here a profitable one. You will be pleased, your college will be pleased. That, good friends, is a real reward. It is worth having.

The knob on my office door is kept polished by the hands of visitors. I look to you to keep it bright and shining.

My best wishes attend your efforts.

Cordially,

"Chief"

Grenier, Leonard Kenney, Joseph Theriault, and Arthur LaChance.

Two sets of twins are here at Husson this year; Roger and Ronald Archer, and Jacqueline and Josephine Curran.

We have several brother-sister students, too. They are: Ronald and Richard Byers, Roger and Priscilla Dole, David and John Edgerly, John and Ronald Geagan, George and Donald Wallace, Earle and Thorton Harvey, Louis and Paul Maroon, Gary and John Rioux, and Ernest and Jeannette Sementilli.

We are happy to see daughters of former graduates come to our school. It means that Husson is all that we praise it, because others have recommended our fine school to their daughters. There are three girls whose mothers and fathers have gone before them; Adrianne James, Sandra Babineau, and Lea Wright.

Husson Vets Returned

We cordially welcome our veterans who have just returned from the service and have come back to Husson to finish their college education. You will find the same friendly atmosphere here, boys! The only change is the addition of the new Annex and *many* new students. Those who have returned are: Charles Burleigh, Alphy Ceir, Roger Dole, Miles Elsmore, Arthur Everett, Edmund Hardy, Elwin Mank, Frank Morgan, Derrell Page, Robert Perkins, Keith Antworth, and Milton Proctor.

WANT ADS

The following ads were clipped from various newspapers:

LOST—Green fountain pen by man half full of ink.

WANTED—Man to wash dishes and two waitresses.

WANTED—Man with horse sense to drive a motor truck.

LOST—A five dollar bill by a working woman tied in a knot.

WANTED—A writer with a sense of humor who will be funny around the office.

NOTICE—Anyone found near my chicken house at night will be found there the next morning.

SALE—Special sale of apples and chestnuts. Come in the morning—the early bird gets the worm.

FOUND—Lady's pocketbook in my car while parked. Owner can have same by paying for this ad. If she can explain to my wife how the pocketbook got there, I will pay for this ad myself.

MEET THE FACULTY

MISS ROBBINS

This year Husson College has made some additions to its faculty staff. In this issue of the Ledger and the ones to follow we are going to have a faculty column until we have introduced you to the lives of all our new faculty members.

In this issue we are going to introduce to you one of Husson's former graduates, Miss Robbins and our southern gentleman, Mr. Spain.

Miss Robbins is from Wilton, Maine. She is a high school graduate of Pemetic High, Southwest Harbor, and a college graduate of Husson College. While attending Husson College Miss Robbins took an active part in bowling, Glee Club, Chieftain Staff, Ledger Staff, W.A.A., and Phi Rho Zeta member. She held the offices of Vice President and President in the sorority.

After receiving her B.S. Degree in Business Education in 1954, she taught two years at Wilton Academy. She attended summer school at Boston University in 1956 and in her previous summers she worked in her father's store as a bookkeeper and sales girl.

As a new member of the Husson College faculty staff, Miss Robbins teaches shorthand, typing, transcription and she is the new W.A.A. adviser.

Miss Robbins says she is very happy to be here teaching at her old Alma Mater but it is somewhat different being on the other side of the desk.

Mr. Spain

Mr. Albert Spain (Buddy) was born in Durham, North Carolina and educated in the public schools of Durham.

He received his A. B. degree from the University of North Carolina. While in college Mr. Spain took part in the various activities of the Monogram Club, Campus University Club, Drama Club, Phi Kappa Sigma, and received a letter for track. For three summers he has been waterfront director at the Durham Y.M.C.A. camp for boys.

During his hitch in the Navy he was stationed in the Pacific and in Korea.

Mr. Spain, his wife, and young son, Stevie, live in Bangor while Mr. Spain is a teacher of English and Literature here at Husson.

Mr. Spain says that he likes teaching at Husson because he likes the type of student, since they are friendly and willing to learn. He likes the Downeast attitude and atmosphere and is happy in all respects to be here.

TO OUR HUSSON GRADUATES

Dear Graduate:

The cost of printing and mailing the Husson Ledger is fast becoming too burdensome to continue without help. Thus, it is that you are given an opportunity to become a paying authority to transfer such a balance, if any, to the Building Fund. We are facing crowded conditions for a long time to come, and plans for expansion are fast taking shape. Thus, indirectly, each of you could be contributing to the proposed new building by becming a subscriber to the Husson Ledger.

If you know of any graduate who is not receiving the Ledger, please send the name and address to us. We want everybody to"get aboard" and help this dream of a new building, cafeteria, and dormitories come true.

A list of the subscribers will appear in a later issue of the Ledger. Be sure that *your* name is on it.

Many, many thanks.

"Chief"

Dear Mr. Husson: I enclose $2.00 for my subscription to the Husson Ledger. Please donate any monies left, after expenses, to the Husson College Building Fund.

Miss Mildred Bradford and
Miss Clara Swan
Husson College
157 Park Street
Bangor, Maine

Dear Brad and Swan,

How are things running at school this year? I will bet there was quite a bit of confusion at the first with so many students there. Ann Pelletier has taken some of my duties over through another job opening here in the hospital and the day school opened, you never saw two girls wanting to go back so much.

How are the two sororities making out? I hope for the better. There is one thing I would like to have from them, that is my life-time membership card for Pi Rho Zeta.

Brad, if any of the forms I use in my daily work would be of any help to your Medical Shorthand class, I would be glad to send them to you for use. We use the following: History (parts I & II), Physicals, Narrative Summaries, Operation Reports and Tissue Examinations mainly. I could fill some in and then you could see how we set them up, via Air Force regulations.

I got my job as Medical Stenographer at the Hospital at Loring Air Force Base through Civil Service. Work started for me the Tuesday after graduation, my interview was held on the Monday before. They gave me a position rated at GS-4, which they told me was unusual for a person to start at, but both girls who had held these positions previously had left so they filled the higher vacancy first. At the present time, I have one girl under my supervision. She has had no medical training whatsoever so it was pretty rough for her at first, but between the two of us we are now keeping our work up to date. When I first came here, I must have pulled some boners although I never heard of many. I had no one to show me how the office should be run or how the records should be typed, so I dug through the Air Force regulation books in order to get the things right. My starting salary averages about $52 per week clear. This I consider good for this section of the country.

In the office we have two IBM electric typewriters, one is an executive type and the other is medical type. We have two audograph (Gray) machines by which the doctors dictate reports to us from seven stations throughout the hospital. We take the records from the dictating machines and transcribe them by way of earphones. Talk about a busy place, well this is it. The Obstetrical Department alone averages about 80 or 90 patients per month, they tell me that it is less during the wi[nter] months though.

If the forms can be of any help to your classes, please let me know as I am more than willing to do all I can to help the up and coming Medical Stenographers.

Say hello to everyone for me, I certa[inly] miss each and every one of the faculty at HUSSON.

Sincerely,
Doreen De Merchant

One of our bright little Freshmen who wrote home that he had three cuts received a first-aid outfit in the return mail.

The College Veterans' Club, of Husson College, held its first meeting of the year, Tuesday evening, October 2.

The meeting was called to order by past president Robert McCarver who welcomed back the old members and brought the new members up-to-date on past accomplishments of the club.

Mr. John M. Tyler, the Club's new class advisor, was introduced to the group, at which time he gave his welcoming address.

Mr. McCarver then presided over the election of the new officers. The officers chosen were:

President.....Earle Harvey, Wilton
Vice-Pres......Ronald Porter, Houlton
Secretary.....Bertrand Abbert, Madawaska
Treasurer.....Ralph J. Fortier, Brewer
Chaplin.....Louis Peters, Carmel
Student Council Rep......Wayne Holmquist, Stockholm

Recreational Activities
Chairman.....Robert Perkins, Orrington
Project Committee,
Chairman....William Betterley, East Holden
Student Aid Committee,
Chairman.....Paul Maroon, Waterville
Publicity.....Reginald McKenney, Madison

The CVC will hold its regular meetings on the first Tuesday of each month at the school, and all veterans are welcome.

On September 20, 1956, the Club presented an assembly which included Gerald McInnes, Ed Casey, William Plummer, Ed Street, Fred Inman, Richard Dyke and Bob McCarver. Judith Sousa and Mary Crouse were kind enough to give their time to handing out programs.

Mr. McCarver, past president of the Club, presented to the school, through Mr. Husson, an American flag and a flag bearing the school colors. It is the Club's wish that these colors will be flown at all assemblies.

The first project of the year was to assist the Lion's Club in attaching signs to all parking meters for donations to the School Children's Fun. Those who volunteered their services were: Albert Chasse, Conrad Martin, Robert Viola, Robert McCarver, Richard Scribner, William Goodwin, Richard Pinnette, George Lousier, Roger Daigle, and Earle Harvey.

Recipe For A Teacher

Select a young and pleasing personality, trim off all mannerisms of voice, dress, or deportment. Pour over it a mixture of equal parts of wisdom of Solomon, the courage of young Daniel, the strength of Samson, and the patience of Job.

Season with the salt of experience, the pepper of animation, the oil of sympathy, and a dash of humor.

Stew for about 4 years in a hot classroom, testing occasionally with the fork of criticism thrust in by a principal or superintendent.

When done to a turn, garnish with a meager salary and serve hot to the community.

CHIT CHAT

The Husson girls' lounge has many new additions this fall. Some of our most welcomed newcomers such as Connie McCain, Beverly Fornier, and Ann Thibodeau have become permanent fixtures in our lounge; but they find it real difficult to beat Winnie, Thelma, and Madalyn when it comes to grabbing a cozy corner for a cup of coffee and a cigarette.

The main topic of conversation, at the present, seems to be studying. Across the crowded room one can hear moans of Shorthand, Bookkeeping and Biology plus many others. "Stick with it girls, it isn't as bad as it seems". We do have other amusing incidents, such as our friend with her portable radio.

We are all looking forward to the opening of our new annex where we will have the new lounge. With the new classrooms and all, this will surely be a great addition to our college.

Roving Reporter Writes

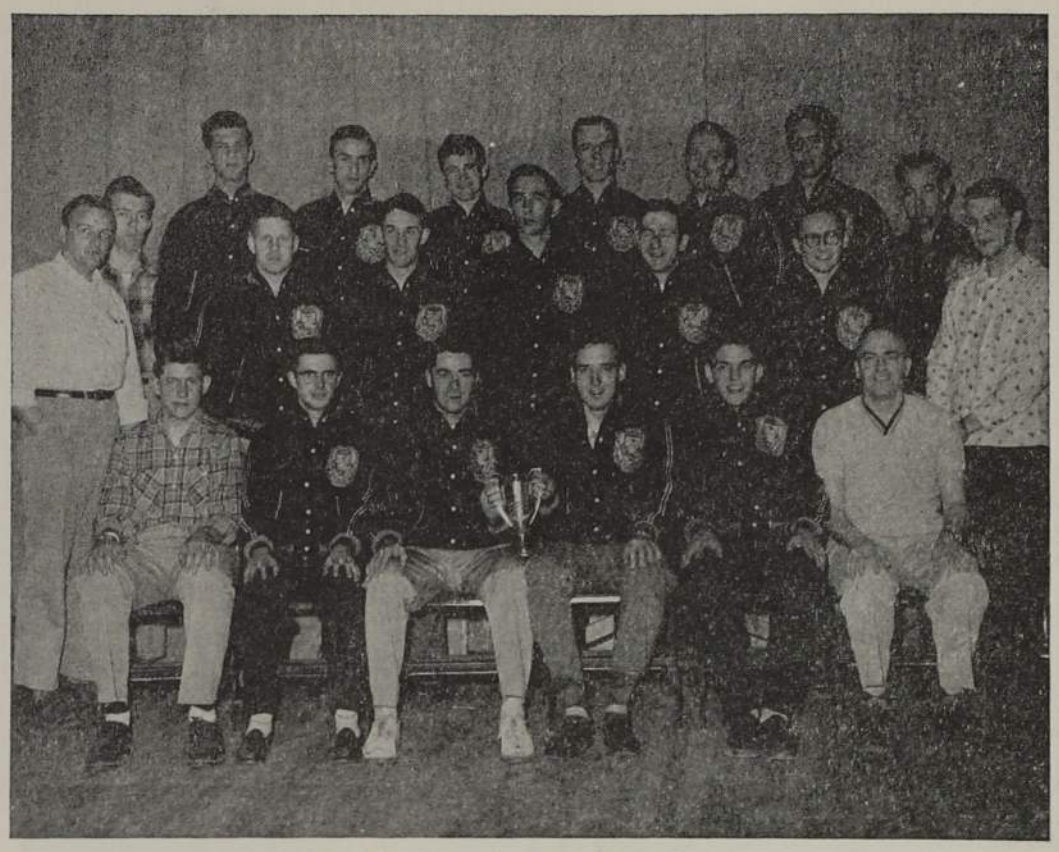

A member of the freshman class this year is Stanley Scott, 18, who comes from Greenfield, Massachusetts. He is a graduate of Greenfield High School, Greenfield, Massachusetts where he majored in the College Preparatory Course. At Husson, Stanley is enrolled in the Business Education Course, and at present is living at the Y.M.C.A. He is working at Husson in his spare time.

To give a preview of his outstanding feats, we shall say that Stan is a four-letter man. Shall we start with football? He played this game in high school and was picked All Western Mass., Channel 22 All Stars, and All-Scholastic Football Team. He won a trophy for All-Western Massachusetts Football Scorer. Last year Stan proved to be a valuable basketball player and was named Captain of his team. Baseball is another of Stanley's outstanding sports, where he holds a .345 average for the last two years. This past summer of 1956 he made a trip to Pennsylvania to play in the All-States Baseball Tournament. Last but not least is track where Stan is outstanding. He is the winner of the All-Western Massachusetts 220 yard dash two years in a row, and came up last year by breaking the record with a 22.4 victory.

Stanley has had many victories in his life and holds 10 letters and the newly awarded Saxton Trophy. During the past two years he has been awarded 12 ribbons for track, and last year he was awarded the Alumni Trophy for outstanding athlete in his class. Everyone here at Husson wishes him the best of luck and hopes he enjoys us as much as we will enjoy him.

KAPPA DELTA PHI WINS CUP

"I'm In The Army Now"
Phil Gerow

Lambda Chapter of Kappa Delta Phi started its year off in a big way with a spaghetti feed at Mr. Husson's camp on Tuesday, October 2. Sixteen of the members were present plus Mr. and Mrs. Husson. The feed was terrific. The only complaint was that of full stomachs. Plans are now being made for the initiation of new members and a Thanksgiving Dance in November.

Newly elected officers are as follows: President, Clarence Thompson of Carroll, Maine, 3rd year Business Education; Vice-President, Raynald Martin of Madawaska, Maine, 4th year Business Education; Secretary, Daniel Hastings, of Woodland, Maine, 4th year Business Education; Treasurer, John Rioux of Limestone, Maine, 3rd year Business Administration; Chaplain, George Albert of Millinocket, Maine, 2nd year Business Education; Gerard Pecard of Fort Kent, Maine, 2nd year Business Education; and Joseph Daigle of Glostonbury, Conn., 2nd year Business Administration. The advisor of Kappa Delta Phi is Mr. Delmont Merrill.

M. A. A.

The first meeting of the M. A. A. has been held and elections were made at that time.

Elected as President was Conrad Martin; Vice-President, Earle Harvey; Secretary, James Ugone; Treasurer, Tom Welch. Ed Casey is the representative for Student Council and Bob McNally is the Publicity Director.

Plans were discussed about Intramural Bowling, Basketball, Volleyball and the Harvest Dance, which will be held with the W. A. A. on October 17.

There has not been a complete list of basketball and baseball players made at this time, but the following boys are bowling this year: T[illegible] Economy, Earle Harvey, Harry Lee, Ron[illegible] Martin, Albert Chasse, Robert McNally, Paul Maroon, R. Peters, Paul McCollor, Denny Honey, Terry Soucie, Kenneth Paradis, Co[illegible]d Martin, Gerald Callman, Paul Foster, T[illegible] ton Harvey, George Lausier, Norbert Poulin, Joseph Curtis, Herman Clukey, Jr., Gerald Martin, Tom Ham, Edward Haines, Ronald McReavy, Richard Cox, James Whidden, Harry Hanscom, Jr., Arthur Wood, Mat Williams, Charles Danis, Donald Wade, Edmund Hardy, Bert McLaughlin, Edward Hadley, Peter Plourde, Roger Daigle, John Dort, Arthur Clevette, Franklin Fournies, Reginald Hand, and Ronald St. Louis.
