2009-20010 PREVIEW

The Husson University men's basketball program is gearing up for the 2009-10 season. The 2009 NAC Champions have been pick #1 in the NAC Preseason Poll with a solid line up returning. The Eagles return their top three scorers from a year ago but only 6 players from last year's championship team.

Head Coach Warren Caruso returns for this 16th year as head coach. He is just 6 wins shy of his 300th career win. Last season, the Eagles finished 16-12 and 11-3 in conference play. Husson has dominated NAC play over the last 5 years compiling a 59-9 conference record. Over the past 15 years, Caruso has guided the Eagles to 10 regular season titles and 7 National Tournament appearances along with a New England ECAC Tournament appearance.

A pair of 1st team All-NAC picks return to pace the Eagles, seniors Brock Bradford (Kenduskeag, ME) and Matt MacKenzie (Warren, ME). MacKenzie led the team in scoring with 18.7 points per game while shooting 59.5% from the field. MacKenzie a 6-4 post led the team in rebounding with 5.8 boards per game. Bradford is a four year starter, last season averaging 13.8 points and over 4 assists and rebounds per game. Bradford also led the team in steals (53), 3 point shooting (39.2%), and foul shooting (87.3%).

Seniors Matt Cummings (Howland, ME) and CJ Hodges (Glen Mills, PA) provide experienced depth. Both played key minutes last season during the second half of the year. Hodges and Cummings are tough defensively and provide a good balance to the rotation. Hodges will start at the off guard spot while Cummings will start the year as the all important 6th man. Bradford, Cummings, and MacKenzie are the 2009-10 captains.

Junior Jay Uhrin (Winterport, ME) returns as the team's third leading scorer averaging just under 10 points per game off the bench last season. He will move into the starting line-up this season. Sophomore Brad Libby (Brewer, ME) is the other returning member of last year's championship team.

Husson will have two transfers and two returning students to help replace the graduating seniors (Scott Kissinger, Blaine Meehan, Nick Perras, and Fabian Figueroa). Transfer junior Josh Jones (Serria Vista, AZ) will move into the starting line-up to start the year. The 6-5 athletic forward will provide the Eagles with plenty of versatility at both ends of the floor. Junior Dwayne Mitchell will provide depth at

2009-2010 PREVIEW

the point guard spot. Mitchell will sit out the first semester and be eligible to play in January. Sophomores Tim Hughes (Brewer, ME) and Chris Bryon (East Millinocket, ME) return to the roster. Hughes was a part of the 2000-01 team while Bryon was part of the program in 2007-08.

The first year class is deep and rich with talent. Guard Phil Leighton (Lake Region, ME) gives the Eagles a versatile guard who can play both positions. He can score and distribute the ball very well. 6-10 Center Mark Zaharchuk (Richmond, ME) spent last season polishing his skills at MCI Prep and will provide a good presents in the paint. Eric Modica (Kittery, ME), Jon Klages (Freeport, ME), and Brooks Spaulding (Fairfield, ME) provide depth and will all compete for playing time as the year goes on. Wes Murphy (Norwich, CT), Eben Powers (Deer Isle, ME), Stephen Johnson (Kansas City, MO), and Joey L'Heureux (Sanford, ME) round out the roster.

COACH WARREN CARUSO

Coach Caruso has seen the program from almost all angles: as a freshman he appeared in only 13 games but worked his way through the system and as a senior he was named captain and averaged 14 points per game. While finishing school in 1988, head coach Bruce MacGregor invited him to join the staff, an opportunity he quickly accepted. Coach Caruso would spend six years as Coach MacGregor's assistant. During that time, coach's responsibilities focused on recruiting, game preparation, and practices. The program made four trips to the NAIA National Tournament in those six years. The experience and knowledge gained while working under legendary Coach MacGregor (545 career wins) is extremely valuable today and helps make Coach Caruso's teams successful

Warren Caruso
Men's Basketball Head Coach

Coach Caruso arrived on campus in 1984 and will begin his 26 season with the program. Over the last 15 years as head coach he has amassed on overall record of 294-139. Last season, he guided the Eagles to their first trip to the NCAA III National Tournament. They finished 16-12 and won the North Atlantic Conference Championship. This season Coach Caruso will become the fourth coach in State of Maine history to surpass the 300 win total. Coach Caruso 294 wins places him 60th among active coaches in the NCAA III and his .679 winning percentage places him 30th among active coaches. He has guided the program to seven conference championships, including 6 trips to the NAIA National Tournament making three straight trips in 1999, 2000, and 2001 along with last year's trip to the NCAAs. Also in 2008 the Eagles advanced to the New England ECAC Championships Semi Finals.

There have been many big wins over the years, one in 1999 when Husson defeated Embry-Riddle University 89-75. Embry-Riddle went on to win the NAIA National Championship that year in Branson, MO. The most memorable win for Coach Caruso came in 1996 when Husson upset NCAA Div. I University of Maine 73-72. Everyone who was at the game will remember Chris Funk's 3-pointer going through the net with seven seconds left to give Husson the win.

A 1989 graduate of Husson, Caruso earned a Bachelor Science Public Accounting. He later earned a Master of Science Degree in Business. Coach Caruso has run a family business since 1981 and took over complete operations of Dana's Grill in 1988 from his father Richard. Dana's Grill has been in operations in the Bangor area since 1938.

COACH WARREN CARUSO

Coach Caruso believes in education and to date 94% of his seniors have graduated. He also feels that knowledge is gained though life experiences. Over the years, Husson has traveled throughout the United States, each year taking a trip to compete against some of the top programs in the country. Over the last fifteen years the program has traveled to Florida (5 times, California (3 times), Idaho (4 times), Canada (3 times), Arizona (2), Washington DC, Ohio, Pennsylvania, Missouri (3 times) and all over the Northeast regions.

Coach Caruso has been a member of the National Association of Basketball Coaches since 1994, and Coach Caruso has served on the NABC Division III National Congress since 2006. Since 2008 he served on the ECAC Selection Committee for the ECAC New England Basketball Championship. Caruso is the past president of the Maine Basketball Coaches and Writers Association, an organization that serves college basketball in Maine. In the past, he served on two national committees with the NAIA, Men's Basketball Rating Committee and Men's Basketball All-American Committee.

Coach Caruso is also active in the community. In 2008 he was elected to serve on the Bangor School Committee. On the School Committee he serves on two committees. Coach also runs four summer camps. At Husson he offers a boys and girls team camp, All-Sports Camp, and Husson Hoops a day camp for ages 8-14. He is also the Co-director of Northeast Basketball Schools which is a coed camp for ages 8-18 and is located in Castine, ME.

Coach Caruso was born and raised in Bangor, Maine. He enjoys being a part of the community where he grew up, went to school, works, and is raising a family with his wife Nicole. Coach Caruso and Nicole started dating in 1983 and married on September 29, 1990. They have two children Nathan Richard Caruso born February 29, 1996 and Luke Ballard Caruso born March 23, 2001.

CAREER

2007 - Brock had a very good first year with the program. He started the year coming off the bench and worked his way into the starting line up just after Christmas break. He started the last 16 games in which the Eagles went 14-2 in that stretch.
2008 – Brock was named 1st Team All-NAC and was voted team MVP. He tallied a career high of 36 points on February 26, 2009 against Johnson State.
2009 – Again Brock was named 1st Team All-NAC. He was also named 1st Team Academic All-American by COsIDA, he becomes the program's first 1st Team Academic All-American. At the end of the year he has started in 73 straight games.

COACH CARUSO'S COMMENTS

"Brock will leave the program, as one of the most successful "student athletes" to wear an Eagle uniform. He carries a 3.98 GPA and has started every game since middle of his first year. His impact on the program from all aspects helped raise us to a Championship level. Brock has been a pleasure to coach and we look forward to our final year with him.

06-07 - Matt has a solid first year with the program. He worked his way into the rotation and saw some quality minutes.
07-08 - He has worked very hard in the weight room in the off season and has improved his strength. Became a force in the paint area as his post play developed. Started all 29 games and led the team in field goal percentage.
08-09 – Matt emerged as one of the top players in the NAC earning 1st Team NAC honors. He led the team in scoring and field goal percentage. Matt was voted team MVP.

COACH CARUSO'S COMMENTS

"Matt has developed into one of the best post players in New England. His blue caller approach wears opponents down as he is always working for position. Matt's defense is under-rated as he has the ability to guard three positions on the floor. As tough as Matt plays he's always a gentleman and one of the most respected athletes I have coached ."

06-07 – Matt played sparingly in his first year but was recognized as one of the program's hardest workers. Through the year his skill set improved and he learned the system. 07-08 – Matt appeared in 13 games and his play in the JV games continued to raise expectations. He was very consistent with his work ethic and performance. 08-09 – Matt had a breakout year, starting in 8 games in late December and early January. An ankle injury in mid-January slowed him down but he played valuable minutes as a starter.

COACH CARUSO'S COMMENTS

"Matt is the type of student athlete that every program needs. He comes to work every day, is a good team mate, and is willing to do whatever it takes to make the program better. Matt has emerged as a leader and was voted a captain, a credit to his hard work and the impact his character has had on the program."

2008-2009 GAME BY GAME REVIEW

2/26/09 Husson 67 U. Maine Farmington 65

The NAC Semi-Final would be the 3rd meeting between the Eagles and Beavers. It was a typical hard fought grind for both teams as the game would come down once again to a buzzer beater. With the score tied 65-65 UMF had the ball with less than 40 seconds to go, the Eagles would get the stop they needed setting up Husson final possession and the game winning shot. With 20 seconds left, Husson worked the ball to Jay Uhrin got the shot off with 2 seconds left. The shot bounced off the rim but Nick Perras was there to tip it in at the buzzer for Husson to advance to the Finals. Perras finished with 15 points and Matt MacKenzie had a game high 19 points.

2/27/09 Husson 73 Thomas 60

The NAC Championship game featured the top two teams in the conference, both finishing the season with an 11-3 record. The first half of action was back and forth, featuring five ties and eleven different lead changes. However, the Eagles would outscore the Terriers 41-27 behind a 15-3 scoring run that came late in the second half. The Eagles' defense would hold the Terriers to just 29% shooting on the afternoon, while the Eagles themselves would shoot 44.3% in the game. Tournament MVP Matt MacKenzie finished with a game high 25 points along with 11 rebounds shooting 10-18 from the field. Jay Uhrin and Nick Perras added 13 points apiece. Perras was named to the All-Tournament team.

3/5/09 WPI 86 Husson 57

The Eagles made their first appearance in the NCAA III National Tournament. It would be their 7 appearance in a national tournament in the last 15 years (NAIA National Tournament in 95,97,99,00,01,03). Husson didn't fair well as they struggled in the first half falling behing 42-24 at the half. A bit undersized and in foul trouble throughout the game the Eagles never made a run. Scott Kissinger finished with 10 points as the only Eagle to reach double figures. Brock Bradford and Matt MacKenzie each finished with 9 points.

At Husson University, the men's basketball program has had its fair share of success on the hardwood. A great deal of time and hard work has gone into those achievements, but our basketball achievements would never outweigh our accomplishments in the classroom. Over the last 31 years, 91% (95-105) of the student athletes who participated in their last year of playing or eligibility have graduated with degrees from Husson. Most of these men have gone to be business and community leaders.

NELSON DEGRASSE AWARD

The Nelson Degrasse Award is given to an individual for his athletic ability, courage and good sportsmanship. The award has been given since 1969, and as the award states, "its aim is to keep alive in the minds of those who follow, the immortal image of a great American. We, who remain, proudly present our everlasting tribute to those whose standards can equal those of Nelson Degrasse."

Raj Jennings (2008) and Blaine Meehan (2009) were the past two Nelson Degrasse Award recipients. Raj completed his career in 2008, graduating with a degree in Business Administration. He was a tireless worker and made people around him better, leading by example. Dedicated to the program he played a valuable roll every day in practice. Raj understood the culture of the program and we benefited by him being a part of it over the years.

Blaine Meehan graduated in 2009 with a degree in Business Administration. He was a captain of last year's NAC Championship team. Blaine's roll on the floor was to guard the opponent's best player, one he took great pride in and had great success. His blue collar work ethic and gritty play factored greatly into the program's championship run.

ALLAN KENYON BASKETBALL SCHOLARSHIP

An annual award has been presented since 1978, to the male basketball player who best exemplifies former Assistant Coach Allan Kenyon's dedication and love for Husson University Basketball. The award was conceived in the emergency room at Eastern Maine Medical Center while Coach Kenyon's wife Linda and Coach MacGregor waited for word on an extremely sick Coach Kenyon. As Coach passed away that evening the scholarship grew rapidly from donations given by friends of the very popular Coach. Coach Kenyon coached during some of the most successful years for the Braves and his caring nature, sense of humor, and teaching ability left a mark on the program that will also be appreciated and remembered through this scholarship. Today the scholarship is just an award, due to NCAA regulations.

Sheraud Lee

Sheruad Lee (2008) and Fabian Figueroa (2009) were awarded the Allan Kenyon Award for the past two years. Sheruad's play through the 2008 season inspired the program to an 18-11 season with plenty of quality wins. Though the year ended with a disappointing loss in the NAC Semi-Finals, his leadership helped pave the way to a championship in 2009. His passion for the game of basketball, his team mates, and the program left a lasting effect on the program and those who returned the following year.

Fabian's growth through his four years at Husson make him one of the "most successful" basketball players at Husson in the last ten years. He came to understand what the program meant to him and the result was a NAC Championship in 2009. Fabian energy was unmatched and pushed those around him to work harder. He is a champion on the hardwood and in life.

DUROST TEAM AWARD 2007

A new award was created in 2000 for the Men's Basketball Program. The award is The "Durost" Team Award. The award's name is given in honor of Brad Durost '99 and Jeremy Durost '97 who both spent four years in the program. Throughout the years, the success of the Eagles has always been about "team work," no two people have ever brought a better understanding of that philosophy to the Men's Basketball program then Brad and Jeremy. For this we forever honor their understanding of this philosophy with this award.

Matt Cummings

Brock Bradford

Jeremy and Brad are the epitome of "team player". Their constant positive attitude towards their teammates, the basketball program, and Husson University will never be forgotten by those who played with them. The impact their attitude made on all of those around them can not be measured by numbers but it did make each individual on the teams they played on better players. The Husson University Men's Basketball Program is forever better because of the six years Brad and Jeremy spent with the program. They are the standard that others after them will be measured by as "team players". They were always on the right page: "ALL TOGETHER ALL TOGETHER BETTER."

Matt Cummings (2008) and Brock Bradford (2009) have received the Durost Team Award over the past two years.

Brock is a leader in many areas on and off the floor. In 2009, he was a statistical leader in many categories – assist, assist / to ratio, ft %, steals, minutes, and 2nd leading scorer. His performance on the court earned him NAC 1st Team honors. Off the court he carries an overall GPA of 3.96 and was selected as the program's first ever CoSIDA 1st Team Academic All-American. Brock is always there to help someone in need, genuinely cares about everyone around him, and has a great work ethic. He not only is a team player but his contributions to the program extend far beyond his stats and speak more to the person that he is every day.

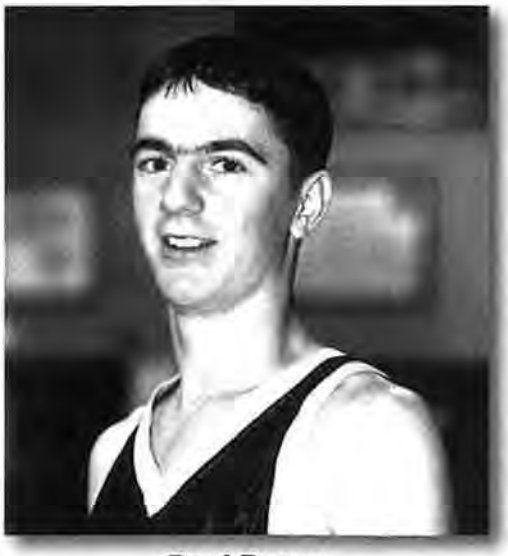

Matt is one of the hardest workers the programs has ever seen. He is a grinder "Mr. Blue Collar". Matt comes to work every day and gives you his best. He never complains and is always there for a team mate. Whether he is in a JV game or varsity game he plays with the same intensity and treats every play like it is his last. He is respectful to the game of basketball and appreciates the opportunity to be a student athlete. He is respected by his team mates, coaches, opponents, and everyone around him. Matt makes a difference everyday in the people around him and the men's basketball program.

HUSSON MEN'S BASKETBALL 2008 TRIP

The men's basketball program has always made travel a part of each season. Each year the team takes a trip to help build team chemistry and serve as a way to advance our student athletes cultural understanding of other parts of the United States. Over the past four years, the program has traveled to Washington, DC, Daytona Beach, FL, San Francisco, CA, Long Island, NY, and Newport Beach, CA.

Last year we traveled to Washington, DC over Christmas break and Long Island, NY to open the season. While in DC we played in the Catholic University Tournament. We visited Arlington Cemetery, Smithsonian Museum of Nature History, Smithsonian Museum of Air and Space, The Archives, Washington Monument, and Lincoln Memorial.

In 2008 we attend the Trip Sports Tournament in Newport Beach, CA. On the trip, we practiced at the Staple Center prior to seeing the LA Clippers game on New Year's Eve. On our free day, some student athletes visited Disney Land and others were able to spend the day at the beach.

While in Daytona Beach in 2007, we visited the Daytona 500 Speed Track and saw Florida University play Liberty University. Our hotel was located on the beach and we played at NAIA powerhouse Embry Riddle University. In 2006, we traveled to San Francisco, CA were we visited Pier 39, Alcatraz National Park, toured the Golden State Warriors practice facility and corporate office, and visited the Oakland Coliseum. Additionally we attended an NBA game featuring Golden State and San Antonio.

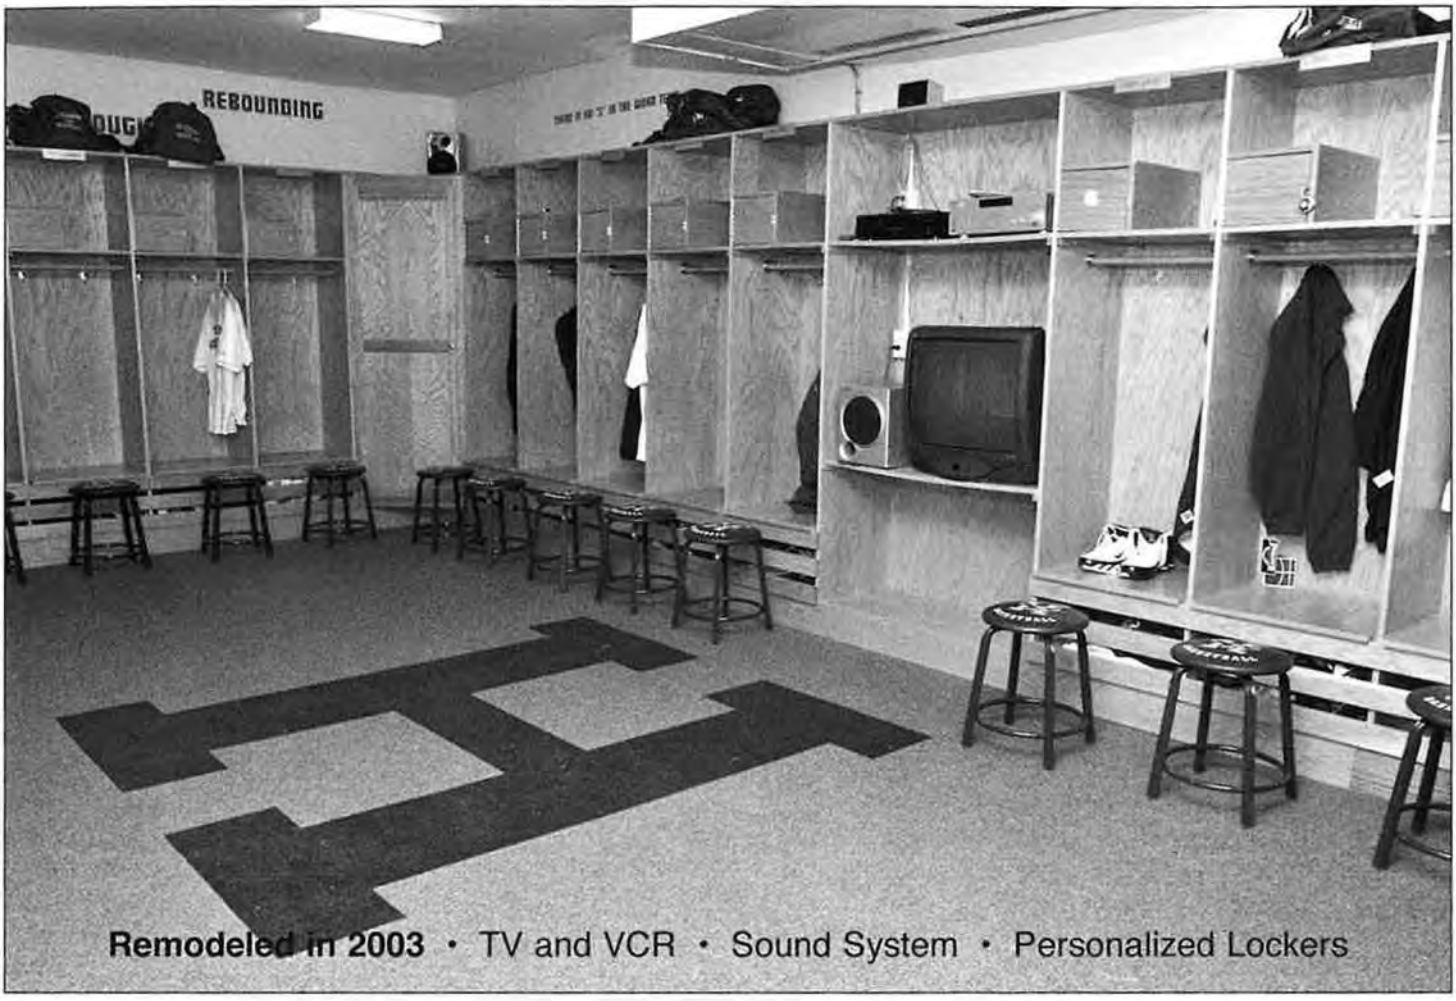

In 2010-2011 we are planning to travel to Trip Sports Tournament in Phoenix, Arizona. Over the past 16 years under Coach Caruso's direction the program has traveled to Los Angeles, CA (2), San Francisco, CA, New York City, Long Island, NY, Boise, ID, Canton, OH, Phoenix, AR (2), Daytona Beach, FL, (3), Orlando, FL (2), and Washington DC.
