Sometimes the game is really won in the stands.

Yelling until your throat is hoarse. Knowing every player's name and stats. Sweating and worrying until the game's over and your team wins. You hope.

Sometimes fans put as much into a game as the players. And your part can make the difference between winning and losing. You can inspire the athletes to new heights. Just as they can inspire us all to reach for something higher.

Key Bank salutes you. Because without fans, a game is just a game.

The Husson College Braves begin their 1998-1999 season ranked 27th in the country, and are looking to return to the National tournament. The braves have made 3 trips to the National tournament in the past 5 years.

Head Coach Warren Caruso starts his 5th year as head coach and his 15th year at Husson College. Coach Caruso begins the season looking to reach his first coaching milestone, needing 19 victories to reach 100 victories in his 5 year career.

The Braves loose three players from last years squad. Tony Tobin was a 3 year starter who scored over 1,000 points in his careear. Giovanni Cotto was with the Braves for two seasons scoring over 600 points in those two seasons. Mic Dyt was a 6'9" center from Austrailia who gaves the Braves something different each game, from his shot blocking to his offensive rebounding he always helped the Braves.win. Leading the way for the Braves this year are the 3 senior tri-captains, Sean Foye, Chris Funk, and Mike McCaffrey. Sean is a three year starter, and a two time captain who averaged 11points and 6 rebounds per game last season. Chris was named honorable mention All American last year. Chris has already surpassed the 1,000 point plateau. Chris was the teams leading scorer and rebounder last year averaging 17 points and 8 rebounds per game. Mike is a four year starter, who was named second team all-conference last season. Mike is also a two year captain who has also surpassed the 1,000 point mark in his career. Also returning this season is senior Brad Durost who will do whatever it takes to help the Braves be more sucessfull.

Juniors Brad Olson and Nikos Sompatzis also return to the Braves after seeing significant minutes last season. Both started last season and will be looked upon to increase their roles this season. Brad is a 6'9" center who will be asked to control the glass and increase his scoring from the post position, while Nikos a 6'2" point guard will be looked upon to control the tempo and run the offense. Junior Aaron Katz, and Sophomores Jason Leighton and Tony Robb will provide depth in the backcourt. Sophomore Matt Breen will be looked upon to provide depth at the forward position.

Additions to this years team include Dale Landrith and Willie Rivera, both of whom transferred to Husson last season and are ready to go this season. Dale comes to the Braves from Division I Hartford. At 6'8" Dale will make an immediate impact on the program and will be a force in the painted area from his center position. Willie is a former All-conference player who transferred from UMPI. Willie is a great all around athlete who will provide depth at the forward positions. Also transferring to Husson College this year is point guard Jamell Miller. Jamell is a solid player who will be looked upon to provide some quality minutes for the Braves this season. Rounding out this years team are Paul Dumont and Jamel Brown. Paul is a walk on from Old Town who will play the guard position, while Jamel from Queens New York will red shirt this season.

Coach Warren Caruso

Coach Caruso has been a part of the Husson basketball program for 15 years. A Bangor native, he came to Husson in 1984 after graduating from Bangor High School. In high school he was a track and basketball standout, being named Athlete of the year his senior year. He played four years under Coach MacGregor, and was captain of the 1988 squad. While finishing his degree in 1988, Caruso joined the men's coaching staff the next year. In all, Coach Caruso served six years as an assistant to the legendary Bruce MacGregor. During that time the Braves made four trips to the NAIA National Tournament and compiled a 164-47 record.

During his years as an assistant, Coach's responsibilities focused on recruiting, scouting, and practices. Working with Coach MacGregor for six years and making four trips to the nationals, there was plenty of opportunity to prepare for big games and that experience is valued today as a head coach. Coach was also very involved in sports information; he oversaw the production and publication of the annual media guide as well as weekly press releases. His love for the basketball program and experiences gained as a player and assistant helped prepare Coach Caruso to be named head coach in 1994.

Coach Caruso begins his fifth year as head coach with an overall record of 82-42 and two trips to the NAIA National Tournament. Last year's team finished 21-9 earning the #1 seed in the MAC tournament. The Braves lost in the championship game to Saint Joseph's College. Coach Caruso was named Maine Athletic Conference Coach of the year for his teams efforts last season. The most memorable win for Coach Caruso came in 1996 when Husson under his guidance, upset over NCAA Div. I University of Maine 73-72. Everyone who was at the game will remember Chris Funk's 3-pointer going through the net with 7 seconds left to give the Braves the edge.

A 1989 graduate of Husson, Caruso earned his B.S. in Public Accounting. Caruso has run a family business since 1981 and took over complete operation of Dana's Grill in 1988 from his father Richard. Dana's Grill is Bangor's oldest restaurant opening in 1938. Coach Caruso and his wife, Nicole opened a second location in Hampden in 1990. This past spring they opened a third location on 290 State Street in Bangor. The State Street location is opened year round while the other two locations are opened seasonally, April to September. His mother, Judy, has worked in the restaurant for over 10 years as the food prep.

Nicole and Warren were best friends in high school and started dating in 1983. They got married on September 29, 1990. Nicole works at the Edddington post office and part time at the resturants. Nicole is the Braves #1 fan, many times being the lone voice of support when the Braves are on the road. Together they run three resturants, a number of apartment buildings, and love Husson basketball. Nicole and Warren have one child, Nathan Richard Caruso born February 29,1996.

Coach Caruso believes in education, to date 10-11 of his seniors have graduated and his first recruiting class is on schedule to march in May. Three out of the last five semesters the Braves have had a team GPA above 3.0. Coach also feels that knowledge is gained through life experiences. Each year the Braves travel throughout the United States competing with some of the best NAIA and NCAAII basketball programs in the country. Over the last four years his teams have traveled to Florida (2 times), California , Idaho (3 times) and all over the northeast region. This years trips include Florida, New York, Canada, and Connecticut.

In addition to his coaching duties, Caruso has other responsibilities on campus. He serves as advisor to students and is on the Homecoming Committee. Over the past year Coach Caruso has been names to two national committees. He now serves on the NAIA Men's Basketball All-Amercian and Division II Rating committee. He has been a member of the National Association to Basketball Coaches since 1993. Coach Caruso is the president of the Maine College Basketball Coaches and Writers Association, an organization that serves college basketball in the State of Maine. In the past he has helped promote the NAIA District V and Maine Athletic Conference men's and women's championships during 1990-93 seasons. Coach Caruso has also worked at Coach MacGregor's Northeast school of basketball, a summer camp for younger players as well as been guest lecturer at many other camps throughout the state of Maine. He also organizes clinics and Husson inter-squad games throughout the State.

Braves' Graduates

At Husson College, the men's basketball program has had its fair share of success on the hardwood. A great deal of time and hard work has gone into those achievements, but our basketball achievements would never outweigh our accomplishments in the classroom. Over the last 29 years, 90% (76-84) of the student athletes who participated in their last year of playing or eligibility have graduated with degrees from Husson. Most of these men have gone to be business and community leaders.

Degrasse and Kenyon Awards

Each year two awards are given to male basketball players. These awards are very important to our program. They are the Nelson Degrasse Award and the Allan Kenyon Basketball Scholarship. The Nelson Degrasse Award is given to an individual for his athletic ability, courage and good sportsmanship. The award has been given since 1969, and as the award states, "its aim is to keep alive in the minds of those who follow, the immortal image of a great American. We, who remain, proudly present our everlasting tribute to those whose standards can equal those of Nelson Degrasse." The 1998 winner of the Nelson Degrasse award was senior Giovanni Cotto. Giovanni will finish his education next year and graduate May 1999. "G" hard work and sacrifice for the program earned everyone around him their respect. He will be deeply missed in the years to come.

An annual scholarship has been presented since 1978, to the male basketball player who best exemplifies former Assistant Coach Allan Kenyon's dedication and love for Husson College Basketball. The award was conceived in the emergency room at Eastern Maine Medical Center while Coach Kenyon's wife Linda and Coach MacGregor waited for word on an extremely sick Coach Kenyon. As Coach passed away that evening the scholarship grew rapidly from donations given by friends of the very popular Coach. Coach Kenyon coached during some of the most successful years for the Braves and his caring nature, sense of humor, and teaching ability left a mark on the program that will also be appreciated and remembered through this scholarship. Mic Dyt was the 1998 recipient of the Allan Kenyon Award. Mic graduated a year early this past May 1998, forgoing his senior year. His love for those around him and the basketball program will make him a difficult person to replace.

A Most Unusual Restaurant

Back in 1960, the sliding window at a little ice cream take-out was slid open for the first time. Owned and operated by Leith & Donna Wadleigh, "Creemee's" came into existence. The original idea was to sell ice cream year round. But, as is the case with many "great" ideas in Maine, the reality of what effect winter would have came to roost on the Wadleigh's little stand with the first snow. So, for the first two years, "Creemee's" was open and serving terrific ice cream from Mother's Day until the end of October.

At the end of two years, a sit-down lunch counter was added and then, to ensure year-round employment, the Wadleigh's opened a full service restaurant with a dining room and waitresses. Of course, with all the changes taking place, Leith & Donna thought a new name would be in order. Now Leith could remember how to build the best hamburger in town, and recite the ingredients of his famous strawberry pie in his sleep, but remembering customers names was something else. All of the regulars were greeted with *"Hi ya Governor!"* Seeing as it was the customers who really made the restaurant what it was, Leith & Donna decided to name the new restaurant in honor of all those folks...thus, "Governor's" was born.

Over the past thirty years or so, "Governor's" has grown to four restaurants, all with the primary goal of providing good wholesome food in a family dining atmosphere at prices a family *could afford.*

Since the first "Governor's" opened, the Wadleighs have gone the extra step to insure their homemade pies, cakes, bread and rolls are the tastiest and freshest available (our bakers start each day at four in the morning), and making sure the "Daily Specials" truly are *special.* Thanks for making "Governor's" what it is today, and enjoy your meal!

Coach Bruce MacGregor

On Saturday October 17, 1998 the newly renovated Hall of Fame room was dedicated to D. Bruce Macgregor. The ceramony started off by an introduction from Husson President William Beardsley, than an emotional Pam Henessey recalled her past experiences working with Coach MacGregor. Head Coach Warren Caruso than spoke and highlighted Coach Macgregor's career. Coach MacGregor than took the podium and recaped some of his fondest memories. When the question was raised" why didn't you ever move up to the bigtime?" Coach MacGregor replied,"For me this gym was the bigtime!" Coach MacGregor kept reminding us why "he loved this gym (Newman Gymnasium)." Coach MacGregor than highlighted the importance of his family. Four generations of MacGregors were in attendance. His family at the induction included: His Mother and Father Peg and Don, mother-in-law Dot, Daughter Betsy and her husband Chip, daughter Jill and her husband Todd, and Son David and his wife Ethel, and his six grandchildren: Cameron, Gordon, Sid, Bruce, David, and Cellise. As always right there at his side was the beautifull and always supportive woman he has called his wife for the past 38 years, Chris. Coach MacGregor than let the audience know that his family does not stop there. Every coach and player who has been a part of the basketball program has become part of his family.

Bruce with Ray Alley

Just over a week after the Bruce MacGregor sports hall of Fame room was dedicated an announcement was made by Steven Parker, President and CEO of the NAIA, that D. Bruce MacGregor will formally be inducted into the NAIA Hall of Fame on Tuesday, March 9,1999 in Nampa Idaho, as part of the NAIA Division II Men's Basketball Championship. This is the highest honor presented by the NAIA. Coach Macgregor will join the likes of Bruce Jenner, Walter Payton, and Laker coach Del Harris among others as part of the NAIA Hall of Fame. Coach MacGregor was a member of the National NAIA chairs commitee for six years. Coach MacGregor was also named *NAIA Male administrator of the year* in 1994, that same year he was named *Man of The Year* by The Maine College Coaches and Writers Association. Over the years Coach MacGregor has compilled some very impressive statistics. Here are just a few:

Total Coaching Record:	912-206
Husson Coaching Record	545-176
Coach of the Year	12 times

At Retirement:
Winningest Coach in New England
Fifth active winningest coach in the NAIA(75%)
Fourth in total wins in the NAIA(545)
Out of all of Coach MacGregors acomplishments the one that may be the most impressive is that he graduated 92% of the Athletes who played in their last year of eligibility at Husson College.
