May 1995

Dear Graduates:

Congratulations!

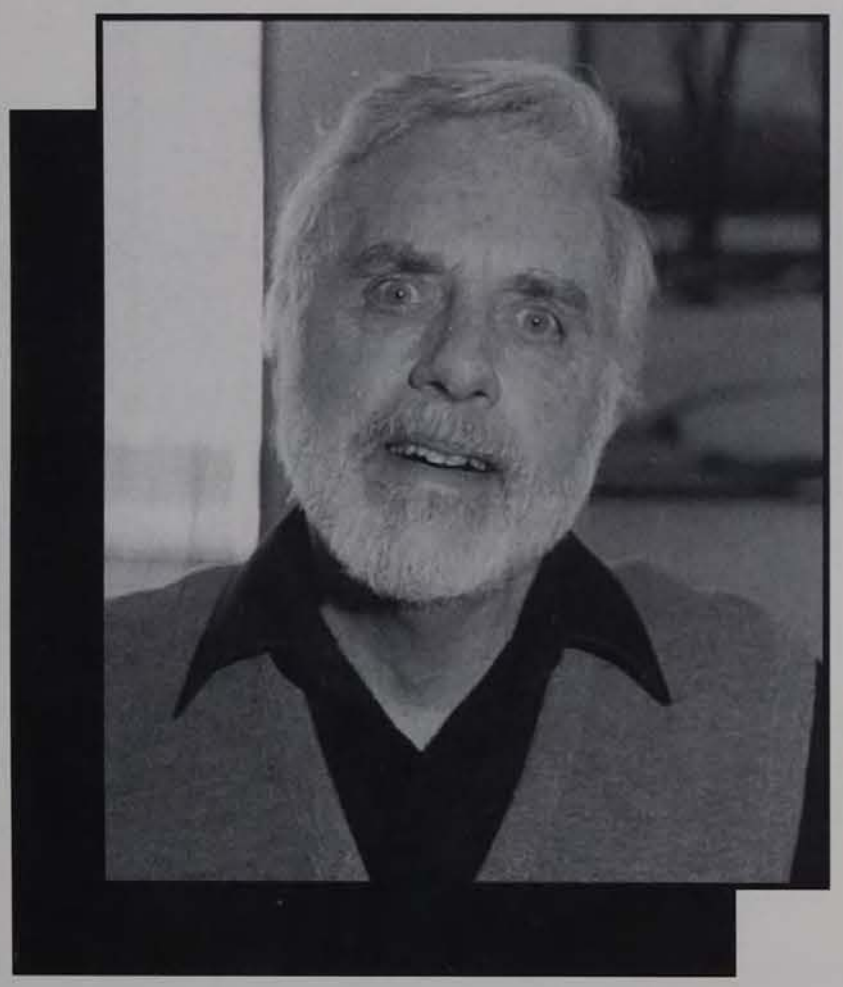

Husson College is proud to recognize you as our alumni. The success that you have accomplished in the classrooms and the development that you gained through the collegiate life experience have prepared you for meeting future challenges in our everchanging world.

Husson College will always be a part of you. The memories that are captured in this book are a reminder of your Husson experience and some of the people who shared it with you. Build upon your college experience and always remember the people you have met along the way.

Your graduation is a time of new beginnings. May your hopes and dreams for the future be realized in your new beginning.

Sincerely,
John Rubino, Dean for Student Affairs

Dedication

The Chieftain Staff is honored to dedicate the 1995 edition of the Chieftain to Dr. Paul Curtis, a Professor of Biology who is retiring from the College.

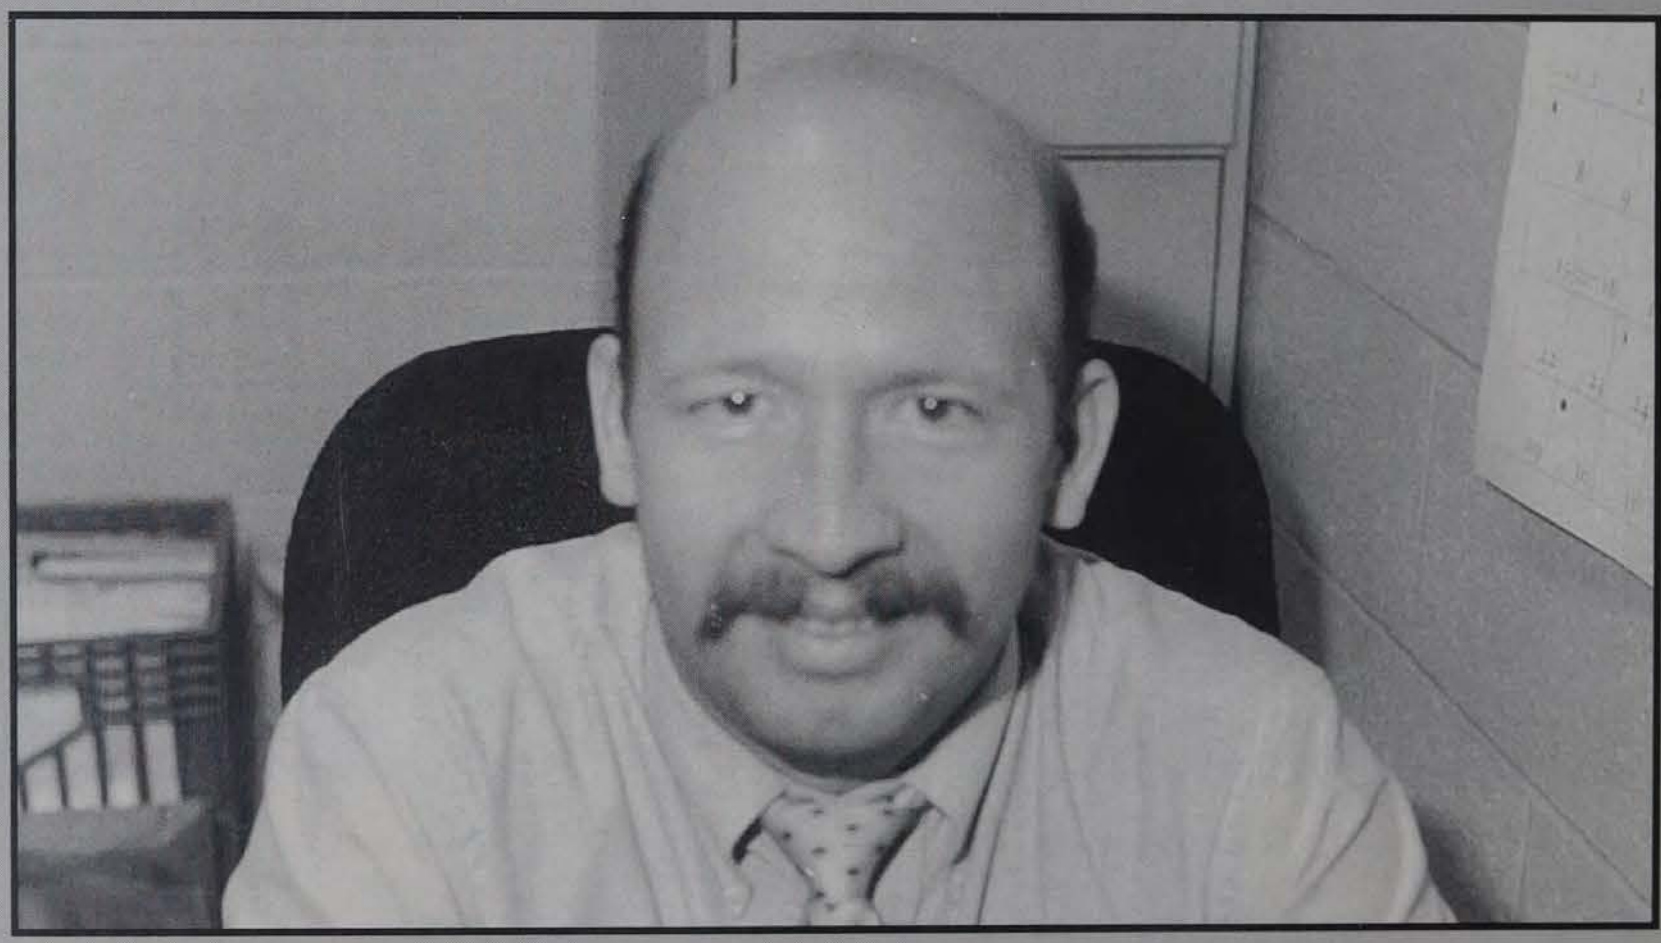

Dr. Curtis received his Bachelor of Arts degree from Wooster College in Ohio, and then went on to serve in the Korean War. Upon returning from the war he continued his education, receiving Masters and Ph.D. degrees in Microbiology from Ohio State University.

Beginning his teaching career at Eisenhower College in New York, Dr. Curtis then moved on to Rochester Institute of Technology. He also taught at American University in Washington D.C. before coming to Husson in 1983.

Dr. Curtis has used his experience and knowledge to leave his mark on the Husson Community over the last twelve years. He was named Teacher of the Year in the Spring of 1994. Dr. Curtis has many activities planned for his retirement, and he emphasizes that they all involve learning. He has always told his students that learning never stops, and has inspired them to have confidence in their own reasoning power.

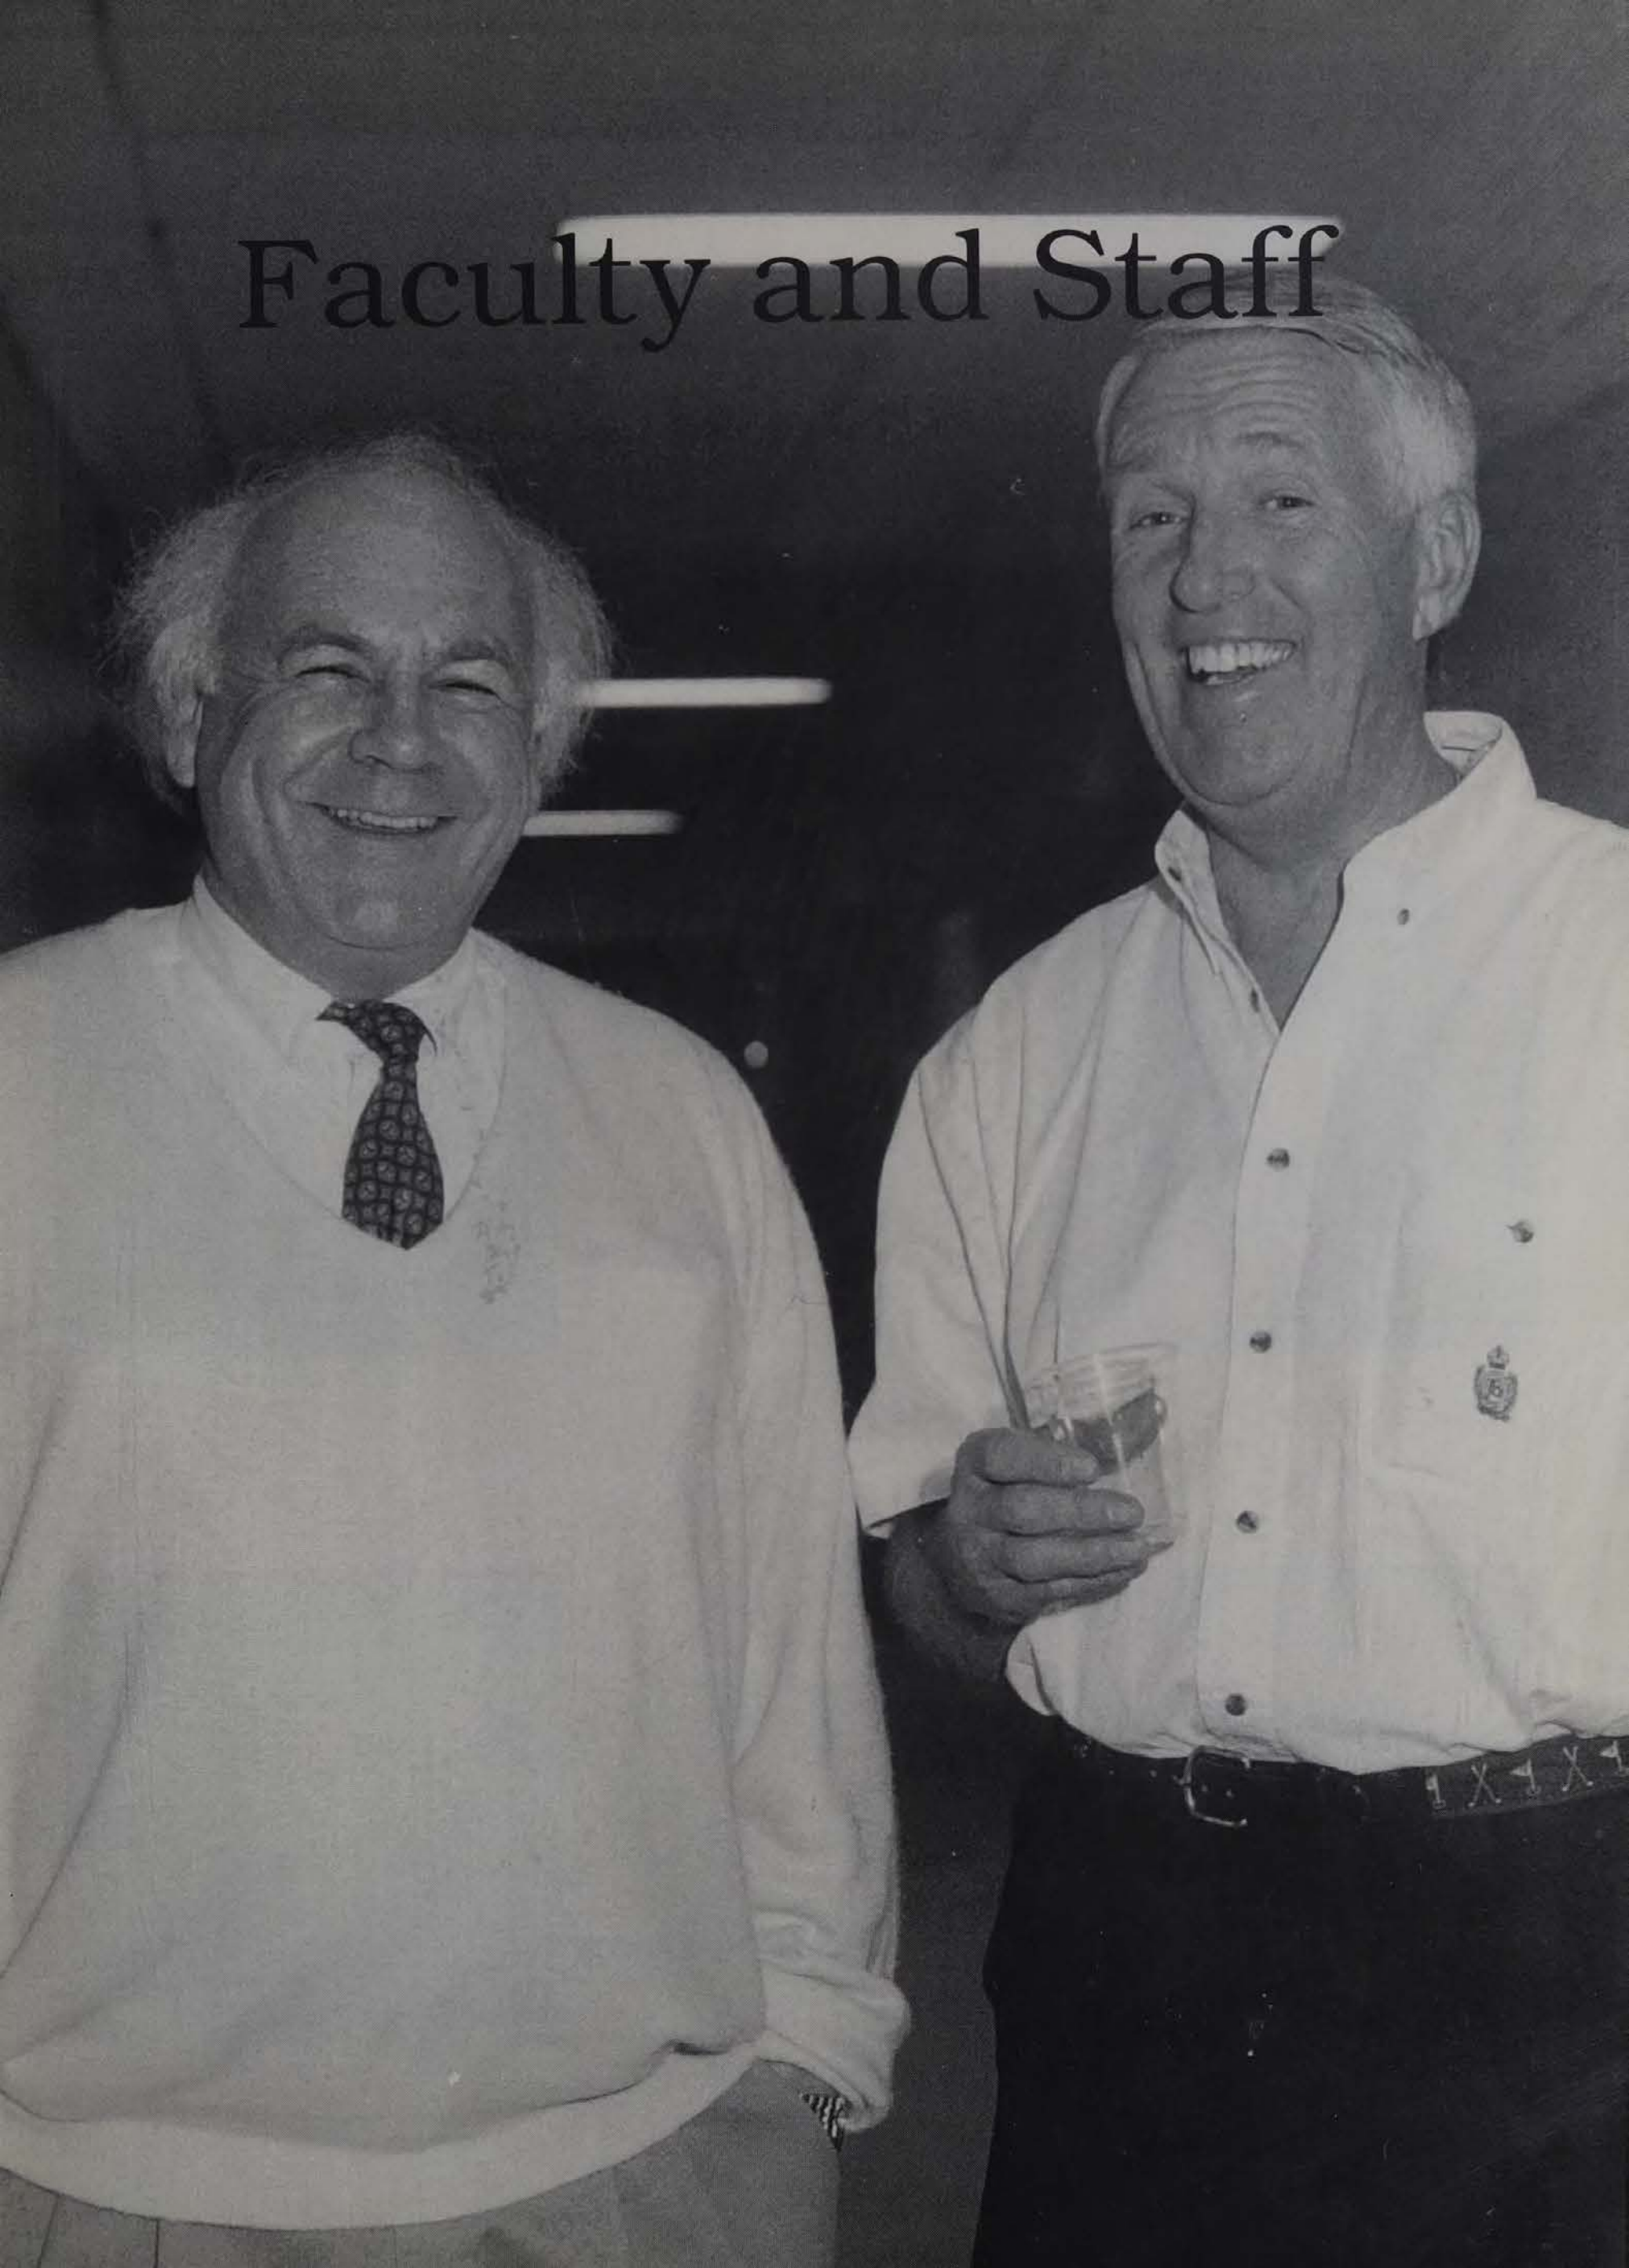

The Chieftain Staff would like to thank Dr. Paul Curtis for his years of service. We wish him the best of luck and an enjoyable retirement.

MEMORIAL

The Husson Community was shocked and saddened at the passing of faculty member Joseph "Joe" Snack this past Spring Break. Joe was an Accounting Professor and advisor to the Tau Kappa Epsilon fraternity here at Husson. The Chieftain Staff would like to extend our condolences to the family and friends of Joe Snack. Joe will be remembered for his way with students and his love of music.

Husson captures the NAIA District 5 title!

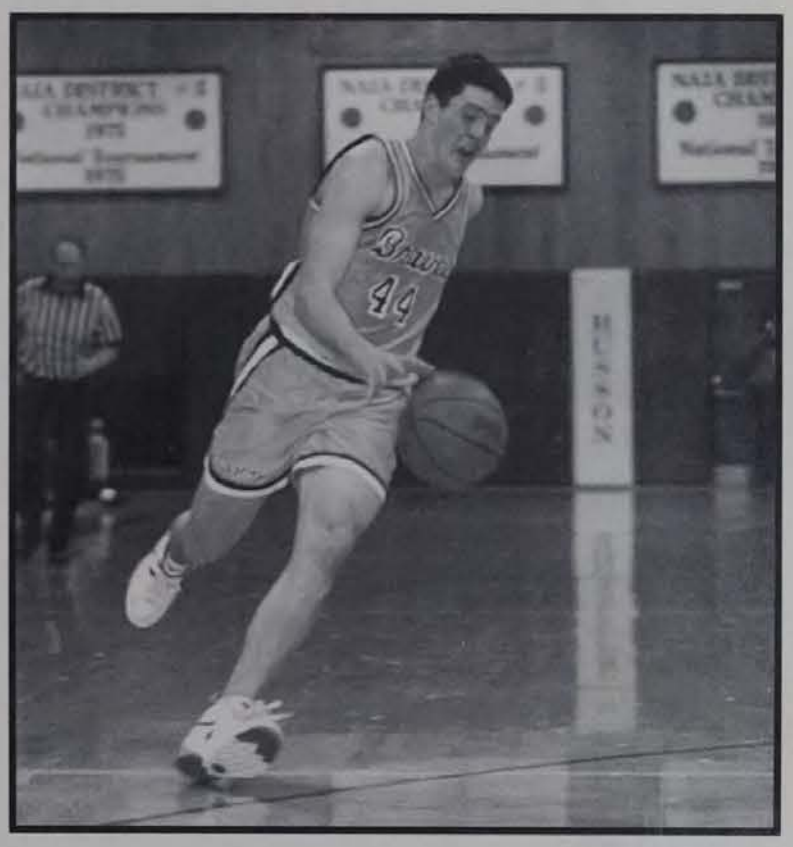

HUSSON HEADS TO NATIONALS!

Capping off a great year under head coach Warren Caruso, the Husson men's basketball team headed out to Nampa, Idaho, for the national tournament. This was Caruso's first year as coach of the team as Coach Bruce MacGregor was on sabattical.

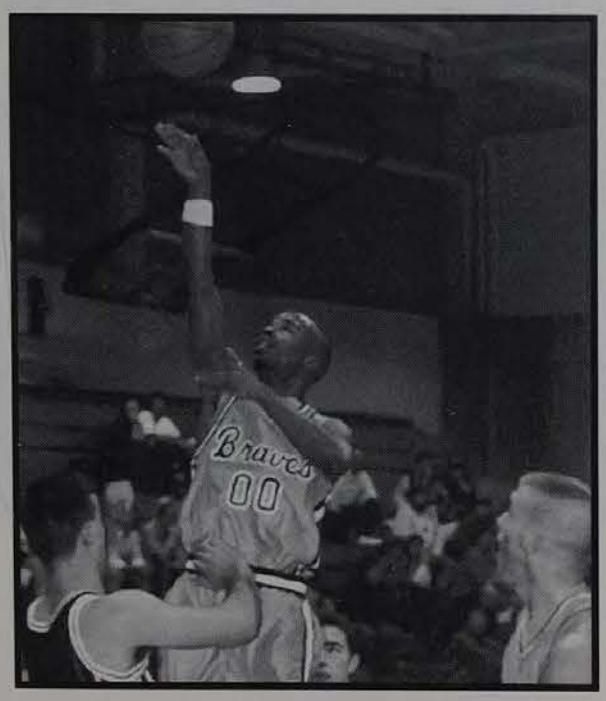

Husson played tough in the first half, with the score being 50-46 in the favor of Hastings. Hastings, however, turned it on to outscore Husson 61-45 in the second half. The final score was 111-91. For Husson, Bryan Jefferson had 29 points, Xavier Joyner had 15, Rick Sinclair and Jimmy Watkins had 13 apiece. The loss was disappointing, but look out, because Husson will be hungry next year!

HUSSON WOMEN OREGON BOUND!

Capturing the Maine Athletic Conference title with a win over St. Joe's, the Husson Women's basketball team headed to Oregon for the NAIA National Tournament. Coached by Kissy Walker, Husson faced Huron College of South Dakota. Huron was too quick for Husson though, defeating them 99-62.

Said Coach Walker, "Huron was a great basketball team who deserved a lot of respect. They were a lot quicker than we were, and they played a person-to-person defense full court for the entire game. This was something we just weren't used to and weren't expecting it."

Led by Stacy Hafford with 18 points, Steph Shaw had 11, Sue Ann Allen had 10, and Tara Leavitt had 10 rebounds.

A Rebuilding Year for the Husson Women

This year was a tough one for the Husson College Women's Soccer team. Last year's team didn't have a coach, and the team wasn't able to play indoor soccer. For many of the players preseason was the first time they had touched a ball in almost a year.

Coach Kellie Leeman, however, felt that this year was a precursor for future success. Husson was led by Juniors Carey Sheehan and Rochelle Gillis, Freshmen Terri Inman and Audrey Johndro, and Sophomore Julie Buffington.

Leeman feels optimistic about next year. Husson only loses one senior to graduation, Kim Smith, and the rest of the team members plan on returning. Leeman also believes that with a deeper bench the team could be a contender for next year's playoffs.

Husson Men Make Playoffs

The Husson College Men's Soccer team had another successful year, with an offense led by Adam Heaslewood and Chris Steppe. The team earned a spot in the playoffs by defeating higher ranked St. Joe's 5-1, a game where Matt Stelzer scored two goals.

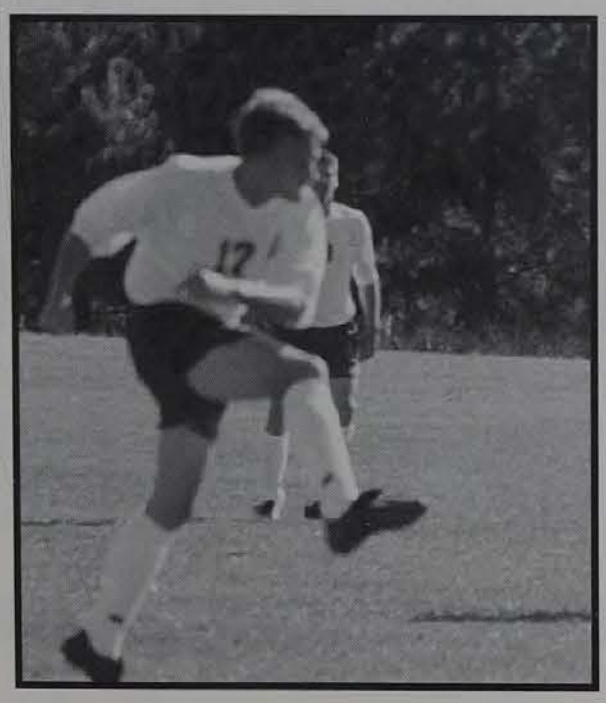

The team played the University of Maine at Farmington on October 29, at Thomas College. The Braves lost 2-1 in overtime in a tough game, but you can be sure the Braves will be in contention again next year.
