CHIEFTAIN Staff

A student is free to participate in any one or several of the clubs or organizations sponsored by the school. The Administration feels that *every* student should affiliate with at least *one* student activity. Watch the Bulletin Board and Social Calendar from time to time for announcements pertinent to the organization of your choice.

Attendance Regulations

1. *Regular Attendance*

Absences necessitate extra work for both pupil and teacher, and must be reduced to a minimum. Faithful school attendance provides a record that is of extreme interest and concern to an employer. He will not be eager to employ a young man or woman whose attendance has been irregular.

2. *Absence*

A note must be filed at office for any and all absences. Veterans only.

A student may be absent from an assigned class twice the number of periods such class meets per week. The first absence beyond this quota causes him to forfeit course credit.

Example: If the Law class meets twice weekly the student is allowed four absences. The fifth absence causes loss of course credit and it is recommended that the student drop the course and begin it again at the beginning of the new semester.

Students late for classes are to report to their instructors, and before leaving at the end of period are to request that their names be removed from the absent list. Three tardinesses count as a class absence. Tardiness can become a habit, and since business will not tolerate it, we, too, frown upon it. It is as easy to be at school on time as it is to be a few moments late.

School will be in session every day regardless of public school signals. Business offices do not close when the weather is bad, and for that reason we must avoid such habits as are not practiced by prospective employers. Students who commute, however, will be given consideration for unavoidable absences caused by inclement weather.

No pupil may be excused from class attendance except in an emergency. Inform your doctor, dentist, hairdresser, etc., that your school hours must be given first consideration, and that appointments are desired that are not in conflict with school regulations.

Veterans are urged to be careful of attendance regulations since class absences may seriously affect subsistence allowances.

In the event of continued absence the student should notify the office. Tuition will be charged until the Office Director is notified of such absences. Tuition will not be refunded for a period of less than than two weeks.

Time out of school for regular holidays and vacations may not be extended on term bill. Students may not expect refunds or deductions for time lost in this manner. Time out of school for regular vacations and holidays was computed and given consideration in arriving at the present tuition cost.

A student who absents himself before a regular vacation period, or returns late from same, will be given "double cuts." Such absences are to count double, and may seriously affect the attendance record.

Each student is requested to keep a true count of his absences from assigned classes to avoid over-cutting. If he is not sure of his standing, the information will be furnished by the office. Under these circumstances, no student may escape the penalty of lost credits with the plea that he "did not know" that he had over-cut.

The attendance regulations are definite and are organized to best serve the pupil who aspires to a successful career in the field of business. We cannot train pupils who are absent from classes. This is obvious to anyone. For this reason course credits must be the forfeit for the student who cannot attend his classes regularly to the extent that he must exceed the quota allowed.

A student reporting 15 or more minutes late to any class will be marked absent.

Grading System

Grades are recorded as follows:

A	90-100—high honors
B+	86- 89—honors
B	80- 85—honors
C+	76- 79
C	70- 75
D+	66- 69
D	60- 65
F	Failing
I	Incomplete

At the end of each quarter a Report of Grades is furnished to each student. A copy of the student's record is sent to the parents. Likewise a copy is furnished the Veterans' Administration Office. Students are requested to return their copy of the Report for ensuing grades throughout the school year. The Report becomes the property of the student at the end of the fourth quarter only.

A transcript of each student's record is furnished free upon request. Subsequent copies are furnished at the rate of $1.00 per transcript.

Rules for General Conduct

1. *Courtesy to Teachers*

Seat yourself quickly when reporting to class and remain quiet when attendance is being taken. Use same seat each time class meets. Teachers are not responsible for marking you absent if you fail to sit in chair assigned to you on seating plan.

It is considered an act of discourtesy to leave the room at the sound of the bell if the instructor has not finished. Extend the courtesy of your attention to each instructor regardless of bell signals.

Employed students in conflict with afternoon consultations and make-up work must bear in mind that school must come first. The teachers must

have first recourse to the pupil's time after the 1:45 p. m. bell when such pupil is in arrears.

Please consult DOOR CARD before entering room. Opening doors heedlessly disturbs classes in session.

Windows may be opened upon permission from instructor only.

Student conferences with teachers may be obtaind by consulting schedule.

Students will be notified via Bulletin Board if work requires outside help from instructors. Students at Husson College are considered mature enough to seek the teachers—not to expect the teachers to seek them. This latter procedure is obviously impossible to perform.

2. *Courtesy to Other Students*

Avoid confusion and noise when the bell rings. Pass quietly and quickly to your classrooms, as directed by printed traffic regulations. It is suggested that students organize their lockers and their needs around several classes that may follow consecutively. Likewise, if students having a free period would wait until the others have gone to class before going to their lockers, they would contribute a great deal to the efficiency and smoothness with which the school is run.

A telephone has been installed for students' convenience. Please answer it and locate party wanted. *No pupil may use office phone.* The student phone number is 9081.

No pupil will be called from class to answer phone. Ask party to leave number to be called later when pupil is free. Leave name and phone number posted on bulletin board.

Report lost property to office. All property found should be turned over to the office.

We extend a welcome to your friends who care to visit school. Introduce them to the President who will make arrangements for seats.

3. *Courtesy to the Administration*

Foreword:

Our school building is new. It will remain clean and attractive with your help. We count on your pride not to deface or to destroy the walls, equipment, or any part of the building, the act of which would be a breach of conduct unbecoming to the dignity of a lady or gentleman.

Do not sit on chair arms or desks. They are not constructed to carry such weight.

Do not sit two in a seat.

Do not wear caps or hats during or after sessions in any part of the building.

Use wastebaskets for paper rather than desks and desk racks.

Furniture or fixtures broken or destroyed must be replaced by the student. Reasonable care must be exercised in the use of school equipment.

Gum-chewing is considered unbecoming to the dignity of a college freshman.

Deportment unbecoming that of a lady or gentleman will not be tolerated. Our school stands only for the highest standards of conduct.

Loitering in corridors is forbidden. Rest rooms have been provided to lessen the noise of "corridor conversations." The gymnasium is also available.

The management appreciates the student courtesy of turning off lights when not in use, regardless of location.

Avoid all contact with the sprinkler system. In the event of a break, hundreds of dollars' worth of damage is sure to occur.

Turn off lights in Typewriting Room (No. 3) when not in use. *Cover machines before leaving them.*

The school is not responsible for texts or student property left in desks or dressing-rooms. Please keep money on person or *in locker.*

Rooms 1, 3, and 9 may be used for after-school study. *No other rooms may be used after 1:45 p. m.* A warning bell will ring at 3:45 p. m. and all students must have left the building at 4:00 p. m. The building is closed Saturday to all students.

Pupils are urged not to tamper with thermostats in rooms. Our air-conditioning system has been adjusted carefully to two school zones and controls the stoker feed.

Pupils who bring their lunches or patronize the Student Store are requested to eat in restroom or in gymnasium. Please return Coca-Cola empties to rack. Be careful of crumbs and paper. *Eating in classrooms is forbidden.*

Failure to return Coca-cola bottles to rack will result in sales stoppage of same. Be thoughtful of building superintendent at all times.

Our floors have been redone at considerable expense. *Ink spilled on floors must be reported to office immediately. Please cap bottles before moving from desks.* We sincerely solicit your extreme carefulness in this matter.

Most doors are phrased "KEEP CLOSED." That is because each room's temperature is thermostatically controlled. Also entrance to MEN'S ROOM AND WOMEN'S ROOM in basement. Won't you help by closing them at all times?

—WATCH THE BULLETIN BOARDS—

4. *Office Regulations.*

Students who change address after school begins should notify office of such change. It is important that the office be able to communicate with the student at any time. *This is very important.*

You are responsible for keeping your program card at the office window up-to-date at all times. No report card is issued for anyone who does not have a program card on file. Record changes promptly.

Students are to transact business through office window. *Do not enter office except by appointment.*

Students who leave school are requested to report to the office for final instructions. Charges continue until such notice is received.

Supplies and texts may be obtained at office between the hours of 8:00 a. m. and 8:30 a. m. and between 11:00 a. m. and 2:00 p. m. Please anticipate needs in advance to prevent embarrassment caused by refusal of office to serve you other than during these hours.

Items of $1.00 or less may not be charged (Veterans excepted). Charge slips are provided at the office window. Veterans are to use *white* slips. Others are to use *yellow* slips.

—WATCH THE BULLETIN BOARDS—

5. *Smoking Regulations.*

Smoking is permitted in the Men's Rest Room, Boiler Room and Girls' Lounge only. Smoking in Assembly Hall or other parts of the building is forbidden at all times. This includes all rehearsals and practices after hours. An inlaid linoleum floor has been installed in the Girls' Lounge. This material will burn and show scars. Smokers, therefore, should stub burning cigarettes in ash trays and urns to save the floor. This privilege will be forfeited if smokers fail to use trays and urns for ashes and stubs. Cigarettes on the floor and other violations of cleanliness and order are unfair to the janitor. Help him all you can.

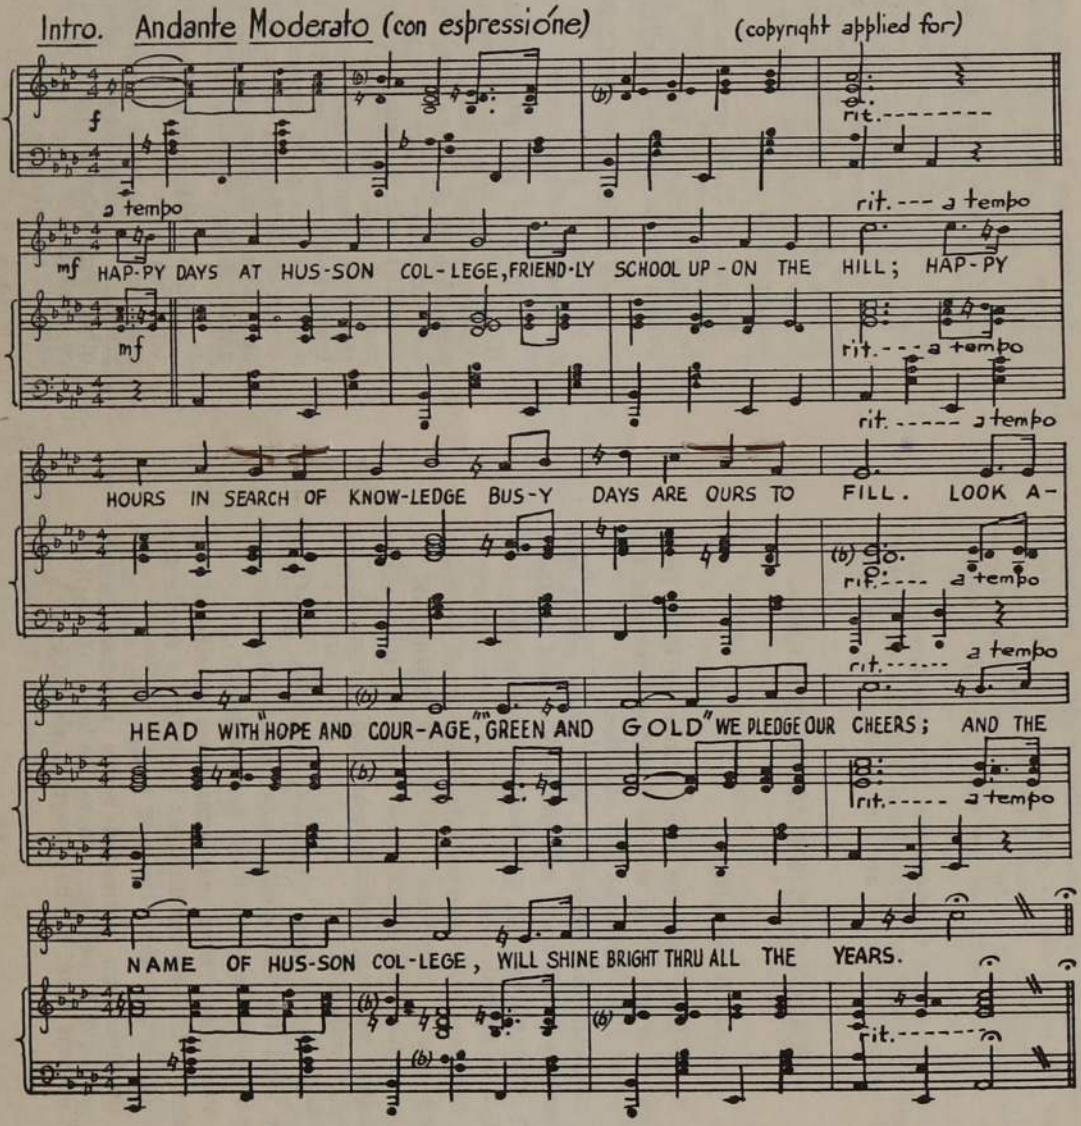

Students assigned to Study Halls will be excused ten minutes *before* the end of the period to allow a smoking period for those students who wish to smoke. Smoking between classes is not permitted other than above. Lateness to a Study Period is counted as a tardiness, and three tardinesses constitute an absence.

HUSSON COLLEGE SONG

Words and Music by HEYWOOD S. JONES, ASCAP

Respectfully dedicated to my good friend President Chesley H. Husson and to the faculty, students and alumni of Husson College, Bangor, Maine.

Heywood S. Jones
June 27, 1947

Smoking is prohibited within sight of the building. *Do not smoke on grounds or sidewalk in front of the building.* We count considerably on the first impressions gained by our visitors. Exception—smoking is permitted in back yard in teachers' parking area.

Do not light cigarettes on front stairway upon leaving building. Wait until sidewalk is reached. Unlighted cigarettes are out of order at all times.

—WATCH THE BULLETIN BOARDS—

6. *General Information*

Term bills must be paid within 10 days from date of issue. They will be found quarterly in the *Student Post Office* at left of office.

Students are advised to write their names and numbers in all texts and property owned by them. In case of loss or misplacement, ownership may thus be proved.

Students are urged to participate in all academic and social functions. HUSSON COLLEGE is your school and solicits your best efforts in every student activity, and whole-hearted co-operation in every project.

The adding and calculating machines may not be used for arithmetic assignments, and only by permission for accounting assignments.

Pupils may have mail sent them in care of the school. Consult the *Student Post Office* frequently to prevent accumulations of mail.

Students are permitted every freedom during free periods and may leave building if desired. (Veterans must follow program as outlined).

The Assembly Hall must be used extensively for study. Please maintain quiet.

The juke-box and piano are reserved for use during the *recess period only.*

New students who find second-hand texts in their lockers will find that these texts have been issued at *reduced prices.* If unwanted, return same and new will be issued.

Keep these rules. You will be held responsible for a thorough knowledge of their contents.

7. *Special Information for Veterans.*

Veterans are entitled to keep their books only after completion of a major part of their course as outlined for a diploma. Termination at an earlier stage necessitates the return of books to the office for credit to their accounts.

Veterans are to use supplies in moderation. To exceed limit may result in personal expense to the trainee.

Veterans are urged to be careful of attendance regulations, since class absences may seriously affect subsistence allowances.

Schedules are arranged to include 5 clock hours per day. Study Period attendance is required as assigned by Public Laws 16 and 346. The teacher in charge of a "Study Period" is responsible for attendance and order only. No student will be permitted to leave room except in case of extreme emergency. The room is to be quiet. No visiting with other students is permitted.

STUDY may be cut 4 times only. The fifth cut results in the loss of a day's subsistence pay.

The application fee will be returned to you at an announced time within ten days from the opening date of term.

Please fill in this page on the first day that each class meets. The instructor will notify each class which way the rows and seats are numbered.

Opening Day Directions

Registration will be from 8:00 a. m. to 4:00 p. m. Auditorium and office will be closed between 12 noon and 1:00 p. m.

Application Fee will be refunded to veterans during first week at an announced time. Non-veterans will have this fee credited to their accounts to cover the Activity Fee and Registration Fee.

Information Desk will assist those who experience difficulty in following these directions.

New applicants for admission should report to Miss Swan first and then follow the procedure outlined below. A new applicant for admission is one who has not filed an application at office.

Read regulations for students' conduct which become operative immediately.

Write names in all texts to insure against loss or misplacement.

Report to classes Tuesday as indicated. Be sure to follow TUESDAY'S schedule!

Office will be open for business all day Tuesday. Beginning Wednesday the office will be open from 8:00 a. m. to 8:30 a. m., and from 11:00 a. m. to 2:00 p. m. daily.

MESSAGE FROM THE SOCIAL DIRECTOR

"All work and no play makes Jack a dull boy." We want no "dull" boys or girls at Husson College.

To this end a varied, diversified, and entertaining social life has been planned for Husson students. All activities are scheduled month by month to offer to all students the experiences that insure a well-rounded educational program. To make any social activity a success co-operation is required from the entire student body. Whether the calendar calls for a penny carnival, a barn dance, a sorority or fraternity get-together, an athletic contest, or a president's reception, much planning, preparation, and expense are entailed.

Your co-operation in accepting all invitations issued within ten days of such notice will help immeasurably for the complete enjoyment of our social life.

From time to time suggestions, "orders of the day", and timely hints will appear on the bulletin boards. Please read these. Should you have any questions, feel free to contact me.

Cordially,

Louise B. Miller,

Social Director.
