# COACH'S MESSAGE

The 1990 season should be an exciting one for all of us involved in the Husson College Baseball Program. We will fly to Florida for the second time and play one of the most demanding schedules that any team at Husson College has ever undertaken. Every team that we play in Florida won over 20 games last year. The spring trip should prepare us for the northern part of our schedule. Overall, our schedule consists of 38 games — the largest in the history of the baseball program.

The strength of this edition of the Braves will be in the outfield. Rob Gilmore in left, John Jordan in center, and Jamie Campbell in right are all fine college players. Gilmore was the 1989 team MVP as was Campbell in 1988. Jordan hit .404 in 1988. These three players will be the catalysts for us. The infield will consist of freshman Greg Morrill at third, and either sophomore Mike Austin or freshman Matt Dutille at short. Second base will be anchored by junior transfer Jim Palmer and first base by transfer Frank Peckham. The infield is young but is one of our more talented ones. The catcher will be freshman Ron Mayo.

Our reserve players will have a large impact in our success this season. We possess some solid people here. People who will push the starters for playing time and a position. These players are Sean Sullivan, Scott Godbout, Tim Knapp, Vance Bullard, Mark Bennett, and K.C. Winchell. We have no flame throwers on the pitching staff, but players who compete. If the young pitchers (Dutille, Winchell, Morrill, Austin) pitch up to their potential this area could become our strength.

We the baseball team would like to thank all the financial backers of our program — the advertisers in this yearbook, raffle ticket buyers, 100 Inning sponsors, and parents of our players. All of these people make our southern trip possible and our program special.

***PLAY BALL!***

**#14 JOHN "J.K." KOLASINSKI**
Head Coach

This will be "J.K.'s" second year as head of the Braves. A 1985 graduate of Husson, he spent the next three years after graduation as an assistant to Merrill "Red" Wilson. A true fan and student of the game best describes him. J.K. also coaches the women's Soccer Team at Husson.

**#15 MIKE AUSTIN, SS/P**
6'1", 185 lbs. — Sophomore
TH/R - B/L
Hometown: Howland, Maine

Experience is a key word when one talks about Mike. The more Mike has, the better baseball player he will be. He did a fine job on the mound for the Braves last year. If he continues to swing the bat like he did in the Fall, his offensive numbers will improve greatly.

**#12 MARK BENNETT, 3B**
5'8", 175 lbs. — Freshman
TH/R - B/R
Hometown: Brooks, Maine

A true student of the game of baseball best describes Mark. He is always looking to learn more about the game and its players. Mark has made a smooth transition from high school to collegiate baseball. He will add depth to the Braves while contending for an everyday job.

## Stacey's Motel, Inc.

**#27 VANCE BULLARD, 1B/OF**
6'2", 210 lbs. — Freshman
TH/R - B/R
Hometown: Oxford, Massachusetts

Another newcomer to the Braves this semester. Vance transfers to Husson after spending the Fall semester at Bridgewater State College. Early indications show that Vance will be a positive addition to the Braves. Vance was the captain of his high school team.

**#19 JAMES CAMPBELL, P/RF**
Tri-Captain
5'11", 175 lbs. — Senior
TH/R - B/R
Hometown: Bangor, Maine

The best way to describe Jamie is by listing his accomplishments. A captain for the second year in a row...a career .300 hitter...a dean's list student majoring in Public Accounting...Brave's MVP 1988...a steady and reliable pitcher who has averaged close to a strikeout per inning pitched during his career, all sum up Jamie's value to our baseball program.

A freshman who should have an immediate impact for the Braves on the mound. Matt has only been pitching for two seasons, but you couldn't tell it by his performances this Fall. Matt also possesses the potential to be an excellent college shortstop.
