Co-Captains Rod Wilson and Al Paradis

PRE-SEASON OUTLOOK

Six solid returning players and the largest turnout for baseball in recent years, could result in a successful year for the Braves. Leading the returnees is Senior, Co-Captain Rod Wilson - a proven performer at second base, on the mound and at the plate. Also returning is Junior, Co-Captain Al Paradis (ss), George Small (of), Chris Kender (C), Jack Farmer (lb), and Jamie Hunt (P).

Among the fourteen newcomers on the roster, there are a number of players who were outstanding in high school and who have shown promise in pre-season.

However, optimism has to be tempered somewhat because even with a solid nucleus of veterans and the addition of some quality newcomers, there are major concerns. First, the availability of only one catcher for twenty-three games, twenty of which are doubleheaders. Second, the limited experience of the pitching staff - only two returnees. Third, a definite lack of team speed - an essential in baseball today.

In summary, however, the plusses appear to outweigh the negatives. The team is strong up the middle, where one looks for strength; the two returning pitchers are the leading pitchers from a year ago; and what the team gives up in speed could be compensated for in power.

The outlook is that the 1986 Braves should improve on the 11-11 mark of a year ago.

COACH'S MESSAGE

Each year in this yearbook, I attempt to convey to the reader some insight into our baseball program here at Husson College. It is a vehicle for communicating facts about our program unknown to those not close to the scene.

First of all, we pride ourselves that we, as a small northern college, have established a positive reputation for our baseball program. In a college of approximately six hundred students, of which four hundred are females, we take pride in saying that one of every ten male students on campus is a member of the baseball team.

In the past three years, we, as a team, have raised money (via this yearbook) to supplement our program. We have purchased a batting cage, dug-outs, fencing, practice uniforms, a secondary shirt, tc., etc.

We consider our program an excellent one in scope and competitiveness. In essence, we have three seasons; a fall season, our southern trip to Florida, and our spring season. In all, we play approximately forty-five games. Teams on our spring schedule include UMO, Southern Maine, Colby, Bowdoin, Bates, St. Joseph's, Farmington, etc.; and in Florida we play a blend of Florida colleges and "northern" schools.

Our overall goal, on a yearly basis, is no different than any college involved in competition - that is, to win our conference and to go as far as we can in post-season play. However, what makes us unique is that we recognize from the beginning that we can be successful even if our goal(s) go unfulfilled. What is really important when the last out is made is that we feel good about ourselves, and that is no different than one's objective should be in life.

#40 MERRILL "RED" WILSON, Coach

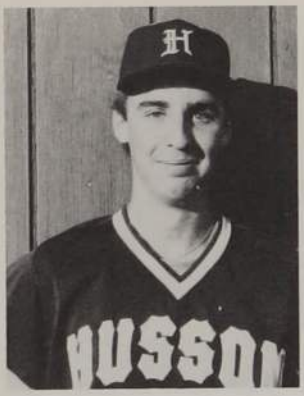

This will be "Red's" fourth year as Coach of the Husson Baseball Team. In the three years he has been at the helm, the Braves have not had a losing season, and have been in the District V Tournament two out of those three years. "Red" is a 1952 graduate of the University of Maine (Orono) where he captained the baseball team in his senior year. In 1977 he was voted into the Mass. Baseball Coaches Hall of Fame. During the summer he manages the Y-D Red Sox in the Cape Cod Collegiate Baseball League.

THE 1986 HUSSON BASEBALL TEAM SINCERELY WISHES TO THANK THE BUSINESSES AND THE INDIVIDUALS WHO CONTRIBUTED TO MAKE THIS YEARBOOK POSSIBLE. MANY, MANY THANKS!

#14 JOHN KOLASINSKI, Asst. Coach

J. K. (as John is referred to) is a volunteer part-time Assistant Coach for the 1986 Braves. He graduated from Husson in 1985 and in his Junior and Senior years was a very valuable member and contributor to the baseball team. J. K. is respected for his knowledge of the game, and certainly the 1986 team will benefit from his input. During the summer, he is an Assistant Coach for the Bangor Legion Team.

#16 ALAN ANDERSON P
6'1" - 160 lbs. - Sophomore
Th/R - B/R
Hometown: Oakfield, Maine

Alan comes to the Braves via Southern Aroostook High School and the University of Presque Isle. He is a transfer into the Husson baseball program and is looked upon to settle immediately into the pitching rotation. Alan is not an overpowering pitcher, although he has added velocity since fall baseball; but he relies primarily on his ability to pitch to spots and mix his pitches. This, coupled with a positive attitude, could make Alan one of the top pitchers on the staff.

The following wish Alan and the Husson Braves
the best of luck in 1986!

#19 JEFFREY DAY Inf
5'8" - 145 lbs. - Freshman
Th/R - B/R
Hometown: Winslow, Maine

Jeff is what is referred to as a "walk-on" in the baseball program. He is a graduate of Oak Grove High School where he participated in soccer, basketball and baseball. At one time, Jeff was not certain he would play baseball at Husson, but his decision to play is a plus for the program. He is one who gives nothing less than 100% at all times, and what he may lack in innate ability is made up in his strong desire to succeed.

#32 CHRIS DIONNE Inf/P
6'1" - 200 lbs. - Freshman
Th/R - B/R
Hometown: Pittsfield, Maine

Two things are being asked of Chris. First, to be able to make the transition from being a good high school hitter (.400 BA and MVP at MCI his senior year), to being a good college hitter. Second, to move from first base across the diamond to third base. Based on his fall performance, and early season workouts, Chris is making strides at being successful in both areas. If attitude was the sole criteria for success, Chris will make his mark. He will not fall short.

The following people would like to wish Chris
and the rest of the Husson Braves
Good Luck in the 1986 Season:

#7 JACK "SNAPPER" FARMER 1B
5'10" - 195 lbs. - Sophomore
Th/R - B/R
Hometown: Winter Harbor, Maine

As a freshman, "Snapper" (as he prefers to be called), became the Braves' regular first baseman and handled himself relatively well. This past fall, however, he became a much improved player - both offensively and defensively - and based on this performance, he could become a catalyst in the Husson line-up. A possessor of a strong arm, Snapper could also see some innings as a short reliever.

The following would like to wish Snapper and the Braves a Great 1986 Season:

#21 STEVE HOWE If/Of
6'3" - 200 lbs. - Freshman
Th/R - B/R
Hometown: Augusta, Maine

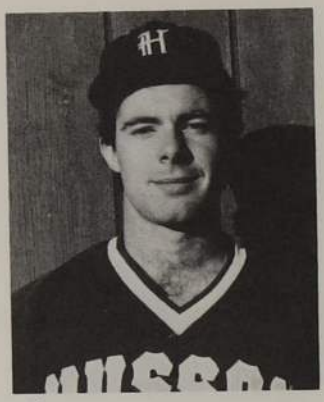

Steve came to Husson to play basketball, but an injury prevented this and he turned to baseball. He is no stranger to baseball, however, for he was captain of the baseball team at Cony High School his senior year. Steve is a first baseman by trade, but he may be asked to play in the outfield. He has the potential of being one of the best hitters on the Braves roster.

BEST OF LUCK TO STEVE HOWE
and the
HUSSON BRAVES
During Their 1986 Baseball Season.

Janice and Bob Howe
Robbie Howe

Mary and Forest Vigue
Susan Vigue

#10 JAMES HUNT P/Inf
6' - 160 lbs. - Sophomore
Th/R - B/R
Hometown: Houlton, Maine

As a freshman pitcher, Jamie (as he is called), had the most decisions (7) and the most innings pitched (37) of any Brave hurler. The fortunes of the 1986 baseball team will revolve heavily around his performance this year. He is looked upon to be the #1 pitcher on the staff, and those who know Jamie, know he will work hard to attain and maintain that status.

The following would like to wish Jamie Hunt
and the Husson Braves
the Best in the Coming Season:

MR. AND MRS. JIM HUNT

MR. AND MRS. HERBERT J. HUNT

MR. AND MRS. JERRY O'ROAK

MRS. ISABELLE G. SHUTTLEWORTH

#30 JIM JOHNSON Of
5'10" - 140 lbs. - Sophomore
Th/R - B/R
Hometown: Bangor, Maine

Four years since he last played competitive baseball doesn't lend itself to giving Jim much of a chance to be a college baseball player. Don't count him out. Jim is an athlete, and was a better than average high school baseball player. In fall baseball he was, perhaps, the most improved player from the beginning to the end of that season. There are three outfield positions. Don't bet against Jim being in one of them.

GOOD LUCK, JIM!

#12 CHRIS KENDER C/Of
5'8" - 170 lbs. - Sophomore
Th/R - B/R
Hometown: Harwich, Massachusetts

In 1985 Chris gave a strong indication that he would be a quality college player, both offensively and defensively over his four years at Husson. Throughout most of the season he was one of the leading hitters on the team and defensively, as a catcher, he became a solid performer behind the plate. With a year of experience behind him, Chris is looked upon to have an even greater season in 1986.

THANK YOU!

#27 CHRIS KHOURY Inf/Of
6'5" - 215 lbs. - Freshman
Th/R - B/R
Hometown: Bangor, Maine

There is no member of the 1986 Braves who has worked any harder during the year to improve himself as a baseball player than Chris. What role he will play in the fortunes of the season is not known, but if desire and self-sacrifice alone were the determinators of one's baseball ability, Chris will find a role and fill it well. In fall baseball, he began the transition from being a high school (Bangor H.S.) first baseman to a college third baseman. To date, no one can say Chris can't handle the move - least of all, Chris.

GOOD LUCK TO CHRIS AND THE

#11 DENNIS LALLY Inf
5'11" - 160 lbs. - Sophomore
Th/R - B/R
Hometown: Bucksport, Maine

Dennis transferred to Husson in January of last year and had to sit out the spring season because of the transfer rule. He was an outstanding athlete at Bucksport High School where he was All Conference in both football and baseball for two years. Based on his background and his performance in the fall, Dennis has to be regarded as a strong candidate for a starting infield position and/or a replacement for either of the mid-infield co-captains, who pitch as well.

#8 MIKE LAPLACA Inf/Of
5'8" - 150 lbs. - Freshman
Th/R - B/L
Hometown: Fair Haven, Vermont

Mike comes to the Husson Braves highly heralded, particularly as a hitter. In high school in Fair Haven, Vermont, he received more honors as a football player than as a baseball player, but in Legion baseball he became an All Tourney selection. If Mike can hit in college, as everyone feels he can, he will, in all probability, settle into one of the three outfield positions. He is a very coachable player who will give 100% effort in whatever he is asked to do.

GOOD LUCK, MIKE, AND THE

#3 AL PARADIS Inf/P Co-Captain
5'10" - 155 lbs. - Junior
Th/R - B/L
Hometown: Houlton, Maine

If one is looking in the collegiate ranks of Maine for a quality shortstop, one need not look any further than Al Paradis. In two years, as Husson's regular shortstop, Al has earned the respect of teammates and opponents alike with his play. Whereas in his first year he was tentative in the field, as well as at bat, last year he became more confident, and, consequently, a more aggressive player. His .353 batting average, and only seven errors in twenty-two games, gives some indication of his value to the Braves.

THE PARADIS FAMILY WISHES THE
HUSSON BRAVES THE
BEST OF LUCK.

GOOD LUCK TO AL AND THE REST OF
THE BRAVES,
FROM GRAM GRENDALL.

#44 GABE POLCHIES P/1B
6'2" - 210 lbs. - Freshman
Th/L - B/L
Hometown: Bar Harbor, Maine

When the 1986 season ends, one may find that Gabe has contributed greatly to whatever success the Braves have had. This contribution may be strictly as a pitcher, as an everyday player (1B, DH or OF), or as both. What Gabe has going for him, along with athletic ability, is a love for the game and the fact that he is a product of excellent coaching in high school (MDI). On the mound, Gabe will not overpower hitters, but with control and proper use of his pitches, he could, as much as anyone on the staff, keep hitters off balance and be in charge of that phase of the game.

The following would like to wish Gabe and the
Husson College Baseball Team the
Best of Luck in the 1986 Season:

#20 GEORGE SMALL Of/P
6′ - 170 lbs. - Junior
Th/R - B/R
Hometown: Searsport, Maine

George transferred to Husson in January last year, and during the spring season he became a starter in the outfield. At season's end, he led the team in runs batted in (23) and was second in batting average with a .389 mark. George also adds an intangible to the team, for he is quick to encourage others and his enthusiasm spills off on others. As one can surmise, George is a valuable member of the 1986 Braves.

#33 BLAINE STEEVES
6'2" - 190 lbs. - Freshman
Th/R - B/R
Hometown: Caribou, Maine

As the season begins, we will look to Blaine to be one of the stalwarts of the pitching staff. He was an outstanding athlete at Caribou High School, where he was captain of the basketball team and MVP of the baseball team. Whereas, down the road Blaine may be used as an everyday player - he is a very promising college hitter - his pitching talent is what is going to be utilized by the Braves as much as possible.

We would like to wish Blaine and the
Husson Braves Good Luck
in their upcoming season.

A special thanks to the
KIWANIS CLUB of CARIBOU

#13 STEVE THURSTON P/Inf
5'10" - 160 lbs. - Freshman
Th/R - B/R
Hometown: Augusta, Maine

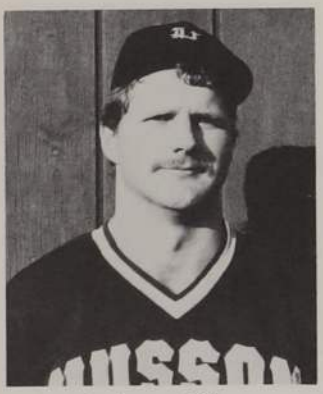

Like many of the freshmen on this year's Husson Baseball Team, Steve brings to the program an excellent baseball background. At Maranacook High School, and in Legion Baseball, Steve had great success as both a pitcher and as an everyday player in the infield. In fall baseball, Steve learned that he will need to make adjustments in his game if he is to perform on the college level, and he has worked hard to strengthen his weaknesses. It is expected that he may be used primarily as a pitcher this year, for this will be where his talents can best be utilized.

GOOD LUCK
from the

MARANACOOK COMMUNITY HIGH SCHOOL
BLACK BEAR BASEBALL TEAM.

We wish Steve, Coach Wilson and the
rest of the Husson Braves
the Best of Luck in their
upcoming baseball season.

#15 JEFFREY WILDEY P/1B
6'3" - 205 lbs. - Junior
Th/R - B/R
Hometown: Old Town, Maine

Jeff is a transfer student in his junior year who has not played baseball since high school. However, there are strong indications from his performance in the fall, and again in early season workouts, that he could make a major contribution to the 1986 Braves. Jeff, in all probability, will settle in as a pitcher. If he can gain control of his pitches, he will become an important member of the pitching staff.

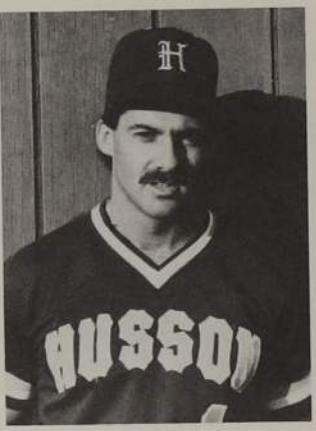

Best of Luck to Jeff
in his upcoming baseball season!

#1 ROD WILSON Inf/P Co-Captain
5'9" - 165 lbs. - Senior
Th/R, B/L
Hometown: St. Stephen, N.B., Canada

Rod is a four year veteran of the Braves and has already established himself as one of the premier players ever to wear the green and gold. His accomplishments have been both as an everyday player and as a pitcher. This past summer, Rod became the second Husson College baseball player ever to play in the Cape Cod Collegiate Baseball League.

BEST OF LUCK TO ROD WILSON

1986 SPRING BASEBALL SEASON
from
THE ROD WILSON FAN CLUB!

#37 JIM KREIE
6'4" - 230 lbs. - Freshman
Th/R - B/R
Hometown: Ogunquit, Maine

Jim comes to Husson via Wells High School and Maine Central Institute. In high school, he was a three sport standout - football, basketball, and baseball. In fact, in football Jim was an All State quarterback. Based on his high school performance and pre-season workouts, Jim's bat could be a factor in the fortunes of the 1986 Braves. He is also a member of the Husson basketball team.

#17 ART VILLATOR P/Of
6'3" - 160 lbs. - Freshman
Th/R - B/R
Hometown: Ogunquit, Maine

Art is one of two ex-Wells High School athletes who primarily came to Husson to play basketball. Because of his athletic ability and a solid background in baseball, he could emerge as an important part of the pitching staff. Early season workouts showed that Art has fairly good velocity, relatively fluid pitching mechanics and a breaking pitch that could develop.

BOB DUFF Manager/Scorer
Freshman
Hometown: Gouldsboro, Maine

Those who are close to athletics know that a most valuable member of any team is its manager - a coach's right hand man. Bob, who is also a member of the Husson soccer team, is just that for the 1986 Braves. His diversified responsibilities will include that of keeping score, but this is no strange role for him, for he was scorer for his high school team (Sumner).

RANDY HARRIS
Class of '85
Hometown: Molunkus, Maine

The 1986 Yearbook wishes to recognize Randy Harris, who graduated last May after being a member of the Braves baseball team for four years. He culminated his career hitting .406 and being selected to the All District 5 Team, an honor he also received as a sophomore. Upon graduation, Randy signed professionally as a catcher with the Miami Marlins of the Florida State League. His professional career was cut short, however, because of an arm injury. It is believed that Randy is only the third Husson player ever to go on to professional baseball. Presently, Randy is Head Basketball and Baseball Coach at Lee Academy in Lincoln, Maine.
