Sometimes the game is really won in the stands.

Yelling until your throat is hoarse. Knowing every player's name and stats. Sweating and worrying until the game's over and your team wins. You hope.

Sometimes fans put as much into a game as the players. And your part can make the difference between winning and losing. You can inspire the athletes to new heights. Just as they can inspire us all to reach for something higher.

Key Bank salutes you. Because without fans, a game is just a game.

Dear Braves and Fans:

Sports are dynamic at Husson with new teams,win/loss records,stars,facilities, and opponents. Yet, basketball is an anchor to winward. It's a tradition that goes back to that 1907 team of Howard Lunt, Walter Dow, Burley Knight, George Higgins and Frank Nickerson. Basketball games have broken up the winter and brought students, staff, and faculty together. There have been the memorable moments from Raymond Alley and Dana Wilson's records to Chris Funk's three-point victory shot over the University of Maine, to Dr. Charlie Sullivan's introduction of Buster Fredrick. All total, basketball has been an integral part of Husson.

The 2000/2001 season is an opportunity for coach Caruso, the team and Braves fans to carry on the great tradition. Onward and upward.

Sincerely,

William H. Beardsley

Preview for 2000-2001

The Husson College campus is filled with excitement as the Men's Basketball Program gets set for another season. This season the Braves begin a quest for an unprecedented third straight Maine Athletic Conference title. Seven players return from last years championship team who posted a 19-11 record and earned a trip to the NAIA National Tournament held in Branson MO. The Braves have a great tradition of success averaging over 20 wins a year for 32 years and in the past ten years our average record has been 23-7.

Coach Caruso returns for his 17th year at Husson and his 7th season as Head Coach, with an overall record of 123-61. Under his guidance the Braves have made four trips to the NAIA National Tournament (1995, 1997,1999&2000) and will look to make three straight trips for the first time ever. The Braves will have seven returning players and an exciting group of new faces to guide them as they look to repeat.

Husson will say good-bye to last years senior class of Aaron Katz, Brad Olson, and Nikos Sompatzis. In their four seasons at Husson this group won three MAC championships. Since leaving Husson Nikos and Brad have both signed professional contracts in Europe.

The Braves will look to seniors Matt Breen and Tony Robb to provide leadership both on and off the floor. Matt Breen enters his senior campaign after being named Academic All-American last season. Matt averaged 11 points and 5 rebounds a game last season. Tony Robb is coming off a injury plagued season, which included a torn ACL. The Braves look for Tony to make a full recovery and make an impact with his shooting and leadership this season.

Junior Quinson Lancaster returns after a strong sophomore season. Quinson played over twenty minutes a game last season averaging 10 points per game. Quinson has the ability to run the point, and knock down the open jumper. Quinson shot over 40% from 3-point range last season. Quinson will be looked upon to be a floor general using his ability and experience to lead the Braves this season. Juniors Tony Green and Melvin Atkinson are two transfers who sat out last season and will be looked upon to contribute this season. Tony's energy is second to none and he will be looked upon to provide quality minutes at the small forward position. Melvin has been fighting injuries but is willing to do anything to help the Braves win.

The sophomore class returns four players who all saw quality time in their first seasons' as Braves. Guard Jamel Brown has continued to work hard and has added a deadly jump shot to his offensive skills. Jamel will be looked upon for quality minutes from the point guard position this year. Forward Randy Fletcher has worked hard in the weight room this off season and will be looked upon to block shots, rebound, and finish on the fast break. Guard Ryan Rivera came on strong at the end of last season finishing with a 25 point performance at the National Tournament. Ryan will be looked to for his quickness and his shooting ability to help the Braves this season. Guard Anthony Russo started much of last season playing in all 30 games. Anthony can play 3 positions and will be looked upon to use his knowledge of the game along with a consistent outside shot to help the Braves in their quest for a third title.

This year's recruiting class has the Husson community excited. It is one that seems to fit perfectly with the program. The class is led by transfer Guard Robert Pillsbury (Portland, ME), he lead Portland High School to an undefeated season (18-0) and a Class A State Championship in 99'. He was Maine's Mr. Basketball in 1999. Robert attended Champlaine Jr. College last season. Robert is a pure scorer and will be looked upon to make an immediate impact. The Braves also landed 6'10" Nikos Armenakis from Lagadas Greece. Nikos provides a great post presence and will be a factor immediately. 6'6" Scott Griffin (Presque Isle) will also be looked upon to provide depth at the power positions. The Braves also acquired Guard Nate Cyr (Howland) who transferred from Eastern Maine Tech. Nate has a great shooting touch and will add depth to the Guard position. Tim Hughes (Brewer) is an athletic forward who will be competing for playing time along with Guard Scott Cunningham (Glenburn).

It looks to be another competitive year for the Maine Athletic Conference, as the Braves will look to win a third straight. It will not be an easy road back to the MAC Championship, but this group seems to have the desire needed to win a championship.

Coach Warren Caruso

Coach Caruso was born and raised in Bangor, Maine. He enjoys being a part of the community where he grew up, went to school, works and is raising his family with his wife Nicole. Coach Caruso and Nicole meet at Bangor High School where they both excelled in sports. Nicole was a part of the swim team that won three straight State Championships and was a member of the track team where she was a part of an All American relay team. Coach Caruso excelled in cross country, track, and basketball. During his senior year he was named Athlete of the Year for his athletic accomplishments. Coach Caruso and Nicole were best friends in high school and started dating in 1983. They got married on September 29, 1990. Nicole works at the Eddington Post Office and part time at the restaurants. Nicole is the Braves #1 fan, many times being the lone voice of support when Husson is on the road. Nicole and Warren have one child, Nathan Richard Caruso born February 29,1996. They are expecting their second child in April. Together they share a love for the Husson College Basketball program which they have been a part of for 17 years.

Coach Caruso came to Husson in 1984 and begins his 17th year on campus. He has seen the program for almost all angles as a freshman he appeared in only 13 game but he worked his way through the system and as a senior he was named captain and averaged 14 points per game. While finishing school in 1988 head coach Bruce MacGregor invited Coach Caruso to join the staff, an opportunity he quickly accepted. Coach Caruso would spend six years as Coach MacGregort's assistant. During that time coach's responsibilities focused on recruiting, game preparation, and practices. The program made four trips to the NAIA national tournament in those six years. The experience and knowledge gained while working under legendary Coach MacGregor (526 career wins) is extremely valued today and helps make Coach Caruso teams successful. Coach Caruso's love for the basketball program comes from his hard work as a player and assistant to help make the program successful. This hard work and love helped Coach Caruso to be named head coach in 1994.

Coach Caruso begins his seventh year as head coach with an overall record of 123-60. He has guided his teams to four trips to the NAIA National Tournament including two straight trips. Last year's team finished 19-11 and defeated University of Maine Farmington in the Championship game in a thrilling 72-70 victory. There has been many big wins over the years, one came last year when the braves defeated Embry-Riddle University 89-

75, Embry-Riddle went on to be NAIA National Champions. The most memorable win for Coach Caruso came in 1996 when Husson upset NCAA Div. 1 University of Maine 73-72. Everyone who was at the game will remember Chris Funk's 3- pointer through the net with 7 seconds left to give the Braves the win.

A 1989 graduate of Husson, Caruso earned a B.S. Public Accounting. Caruso has run a family business since 1981 and took over complete operations of Dana's Grill in 1988 from his father Richard. Dana's Grill is Bangor's oldest restaurant opening in 1938. Coach Caruso and Nicole opened a second location in Hampden in 1990. In 1998 they opened a third location at 290 State Street in Bangor. This past spring they sold the original location, which left them with two locations. The State Street location is opened year round while the Hampden location is opened seasonally. His mother Judy has worked in the restaurant for over ten years. Coach and Nicole also own a number of apartment buildings.

Coach Caruso believes in education, to date 18-19 of his seniors have graduated. Five out of the last eight semesters the Braves have had a team GPA above 2.85, including four semesters over 3.0. Coach also feels that knowledge is gained through life experiences. Each year the Braves travel throughout the United States competing with some of the best NAIA and NCAA basketball programs in the country. Over the last six years his teams have traveled to Florida (3 times), California, Idaho (4 times), Canada (3 times), Arizona, Missouri and all over the northeast regions. This year's trips include a return to Orlando, FL along with a trip to New Hampshire and Vermont.

In addition to his coaching duties on campus, Coach serves as an advisor to students and is on the Homecoming Committee and the Employee Capital Campaign Committee. Coach Caruso serves on two national committees: NAIA Men's Basketball All-American Committee and NAIA Division II Men's Basketball Rating Committee. He has been member of the National Association of Basketball Coaches since 1993. Coach Caruso is the past president of the Maine Basketball Coaches and writers Association, an organization that serves college basketball in the state of Maine. Coach is also the Co-director of the Northeast Basketball school, a summer camp for younger players. He has also been a guest lecturer for camps for both students and coaches.

Assistant Coach Victor Garay

Born and raised in the Bronx, New York Victor is a 1993 graduate of Husson College, With a degree in Business Administration. Victor played three seasons for the Braves at the point guard position and it was like having another coach out on the floor. His knowledge for the game then prompted coach MacGreagor and his staff to acquire Victor to contribute to the growing success and tradition Husson College has to offer.

In 1994, Victor Garay stepped into the lead assistant job and has been instrumental in the program's success. Victor spends countless hours both recruiting and scouting. His ability to relate to student athletes and convey his knowledge and love for basketball and Husson makes him an invaluable asset. Victor's responsibilities also include practice, and individual player development.

In addition to being an assistant coach, Victor holds a full-time job at Eastern Fine Paper Company in Brewer, ME, where he works in the coater department.

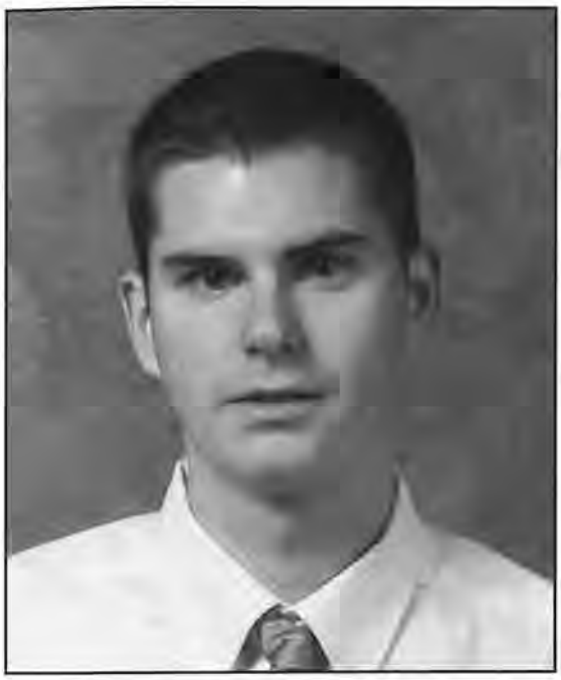

Assistant Coach Justin Moffatt

Coach Moffatt returns for his fourth season as an assistant at Husson College. Justin is a 1997 graduate of Husson College with a degree in Sports Management. Justin is Married to Sherri (Sanna) who has recently returned to Husson to continue her studies. Justin has overcome much adversity to get to where he is today, in 1993 Justin was diagnosed with Hodgkin's disease and has been fighting ever since. To help further his professional growth Justin is a member of the National Association of Basketball Coaches. Justin's duties include game preparation, practices, and recruiting.

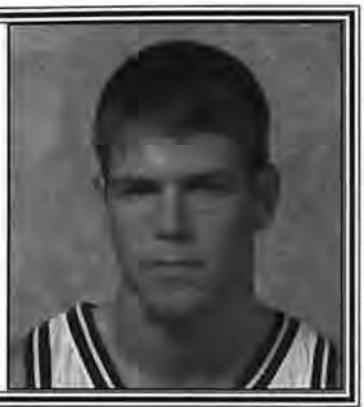

Student Assistant Thomas Sherman

Thomas is a Senior Sports Management student from Brooklin, Maine. Thomas graduated from George Steven's Academy in 1997. Thomas enjoys watching High School and College basketball. Upon graduation Thomas would like to pursue a career in coaching. This is Thomas's second year helping the Men's Basketball program. Thomas spent last season helping both the Men's and Women's programs. Last season Thomas's duties included statistics, filing of games, and practices. This season Thomas's duties include statistics, practices, scouting, and recruiting.

At Husson- Anthony returns this season after a strong freshman year in which he started 27 games for the Braves. Anthony used his shooting abilities and his knowledge for the game to help lead the Braves to the MAC title. Anthony will look to make even more of an impact this year as the Braves try to win a 3rd straight title.

Braves' Graduates

At Husson College, the men's basketball program has had its fair share of success on the hardwood. A great deal of time and hard work has gone into those achievements, but our basketball achievements would never outweigh our accomplishments in the classroom. Over the last 31 years, 92% (85-95) of the student athletes who participated in their last year of playing or eligibility have graduated with degrees from Husson. Most of these men have gone to be business and community leaders.

Degrasse and Kenyon Awards

Each year two awards are given to male basketball players. These awards are very important to our program. They are the Nelson Degrasse Award and the Allan Kenyon Basketball Scholarship. The Nelson Degrasse Award is given to an individual for his athletic ability, courage and good sportsmanship. The award has been given since 1969, and as the award states, "its aim is to keep alive in the minds of those who follow, the immortal image of a great American. We, who remain, proudly present our everlasting tribute to those whose standards can equal those of Nelson Degrasse." The 2000 winner of the Nelson Degrasse award was junior Matt Breen. Matt was named Academic All American last season. Matt is the epitomi of Husson athletics. He has worked hard on and off the floor for his suscess.

An annual award has been presented since 1978, to the male basketball player who best exemplifies former Assistant Coach Allan Kenyon's dedication and love for Husson College Basketball. The award was conceived in the emergency room at Eastern Maine Medical Center while Coach Kenyon's wife Linda and Coach MacGregor waited for word on an extremely sick Coach Kenyon. As Coach passed away that evening the scholarship grew rapidly from donations given by friends of the very popular Coach. Coach Kenyon coached during some of the most successful years for the Braves and his caring nature, sense of humor, and teaching ability left a mark on the program that will also be appreciated and remembered through this award. Nikos Sompatzis was the 2000 recipient of the Allan Kenyon Award. Nikos never missed a game in the four years in which he was at Husson. His hard work and team play symbolizes what Coach Kenyan stood for.

Durost Team Award

A new award was created last year for the Men's Basketball Program. The award is The "Durost" Team Award. The award's name is given in honor of Brad Durost 99' and Jeremy Durost 97' who both spent four years in the program. Throughout the years, the success of the Braves have always been about "team work," no two people have ever brought a better understanding of that philosophy to the Men's Basketball program then Brad and Jeremy, for this we forever honor their understanding of this philosophy with this award.

Jeremy and Brad are the epitome of a "team player". There constant positive attitude towards their teammates, the basketball program, and Husson College will never be forgotten by those who played with them. The impact their attitude made on all of those around them, can not be measured by numbers but it did make each individual on the teams they played on better players. The Husson College Men's Basketball Program is forever better because of the six years Brad and Jeremy spent with the program. They are the standard that others after them will be measured as "team players". They were always on the right page: "ALL TOGETHER ALL TOGETHER BETTER."

The first Durost team award was awarded to Aaron Katz last season. Aaron was a true leader on and off the floor who was willing to sacrifice anything for the team. Aaron understood the team concept and that is why he was a part of three championship teams. Aaron acted as a mentor to many younger players. His understanding and knowledge for the game made him an invaluable member of the Husson family. His sense of humor and passion will not soon be forgotten. Aaron was always a class act on and off the floor, we at Husson will all miss him.

Husson Braves go overseas
Brad Olson & Nikos Sompatzis

Brad Olson and Nikos Sompatzis both graduated from Husson College in 2000 having an idea of what they wanted to do. Since graduation both have signed professional contracts to play Basketball overseas. Nikos has known since he came to the United States that he wanted to play professional basketball . When Nikos returned to Greece after graduation he had a contract within a month to play for the Thames Valley Tigers in England. Nikos was very proud to be playing in the "A" league. Nikos was also excited to learn that he would be playing on the same team as former University of Maine star Casey Arena. When Nikos arrived to England Casey had moved on to a different team but had left his best wishes to Nikos. Nikos is very happy to be chasing his dream and we all wish him the best of luck.

Brad decided late in his careear that he wished to play professionaly. After graduation Brad attended a Free agent camp in Chicago where he impressed many professional scouts. While at the Camp players were placed on teams and Brad immediatley recognized one of his teammates as former St. Joe's standout Carl Howell. Brad enjoyed playing with Carl as the two both made the Camp all-star team. Within a few weeks after the camp Brad had offers to play in Columbia, China, Ireland, and France. Brad chose France and in September he was on his was to play for CSL Dijion of the French Pro B league. Brad has been very sucsessful scoring over 20 points on several occasions. Brad is taking French at a local University and says he is starting to overcome more of the language barrier each day.
