COACH'S MESSAGE

Wow! A lot has happened in our program over the past year. The most important item being the gift of $200,000 from Assistant Coach John Winkin to begin the renovation process of our baseball diamond. The first phase of dugouts, backstop, press box, concession stand, and a baseball hall of fame room is progressing along and should be ready for our home opener. This facility is going to be one of the best college baseball complexes in New England when completed.

On the field this team looks to continue its ride as one of the top NAIA teams in the Northeast. All signs point to us qualifying for our twelfth consecutive post season berth. The longest streak of any NAIA New England Team.

Our pitching is very experienced. All five of our starters have thorough college experience. Jeremy Nelson, John Montgomery, Dave Dostie, and Keith Simmons all return from last year. They are joined by Rob Worcester who transfers to us from the University of Maine. All five of these pitchers have the ability to be a stopper for us in conference play. This may be the best starting rotation assembled during my 13 years as head coach. The bullpen has experience with Travis and Eric Reynolds and then some talented freshman that can contribute.

The everyday players are led by the return of Don Sawyer (99 Conference player of the year) after being a medical red shirt last season. All conference catcher Mike Worcester returns as well our entire outfield. Offensively we will be a team that has to move runners around the bases. We do have some players who can hit the long ball but we cannot sit back and wait for this to happen.

Last we need to acknowledge all alumni, advertisers, patrons, and kids who attend our camps for making our program special. All of your financial assistance is greatly appreciated as it helps us in making our southern trip a reality and our program special.

PLAY BALL!

14 Kolasinski, John "JK"

This will be JK's 13th season at the helm of Braves. He is the all-time winningest baseball coach at Husson College with a career record of 220-212-1. During his tenure the Braves have been NAIA New England Champions on 2 occasions and Maine Athletic Conference Champions 4 times. 58 Braves have received All New England Honors and 4 have been selected as NAIA Academic All Americans. JK was named the NAIA Northeast Regional Coach of the year in 1994 and has been named Maine Athletic Conference Coach of the year on 4 different occasions. JK currently serves the NAIA as the Region 10 Baseball Chairman and is the secretary of the NAIA Baseball Coaches Association.
