COACH'S MESSAGE

As I enter my sixth year as Coach of the Husson Baseball Braves, I look back with pride on our accomplishments over the past five years. The fact that we have been able to win over sixty percent of our games and have qualified for post-season play four out of the five years, is most rewarding. However, I believe what is most rewarding is that we have established a very positive image for the Husson Baseball Program. I say we, but in essence the players, through their performance, their attitude, their enthusiasm and dedication to the program; have gained respect from opponents, from the media and from those who follow college baseball.

Perhaps what makes our program somewhat special is that we have a recognition that any success we have is, or will be, an accomplishment. Our geographical location, the narrow academic offerings of a business college, the smallest enrollment of any college we compete against, and a schedule that is highly competitive; has developed a sense of pride in our players — an intangible when one competes, but a tangible when one views the results.

Our two goals at the beginning of the season are always the same. One is that at the end of the season we have had a good time together, and the second is that individually and collectively, we feel good about ourselves. Somehow, someway, we see the attainment of these two goals resulting in another successful season for the Husson Baseball Program.

PLAY BALL!

#40 MERRILL "RED" WILSON
Coach

This is "Red's" sixth year as Coach of the Husson Braves. He is a 1952 graduate of the University of Maine, Orono, where he captained the baseball team his senior year. In 1977 he was inducted into the Mass. Baseball Coach's Hall of Fame. In 1979 the baseball field at the Dennis-Yarmouth Regional High School in South Yarmouth, Mass. was named in his honor. "Red" also coaches the Women's Basketball Team at Husson.

#44 JOHN "J.K." KOLASINSKI
Assistant Coach

"J.K.", as he is known, is a 1985 graduate of Husson College, and a former member of the Husson Braves' baseball team. This past winter he returned to Husson as Residential Director and as the college's first Women's Soccer Coach. Last summer he coached the Bangor Legion Baseball Team to the finals of the State Tournament.

#16 ALAN ANDERSON, P/Of - Captain
6'1", 170 lbs. - Senior
Th/R - B/R
Hometown: Oakfield, Maine

Alan has developed into the catalyst of the Braves' pitching staff. He has gone from a thrower to a pitcher and has become a craftsman on the mound, mixing and spotting his three pitches in a way hitters think defensively rather than offensively. His ability and his leadership will mean much to the fortunes of the 1988 Braves.

THE ANDERSON FAMILY
wishes
Alan and the Husson Braves
the best of luck!

#8 PAUL BOUCHER, Of
5'10", 185 lbs. - Freshman
Th/R - B/R
Hometown: Old Town, Maine

Paul is a unique player, and, if I may, a unique person as well. He has never played baseball, just softball; and he has come out for the team without illusions of gaining a starting position, but rather as a role player - a pinch hit appearance, a pinch runner role, or whatever or whenever a situation might dictate. Pre-season drills give indication that Paul may be more of a role player than even he expected.

GOOD LUCK TO PAUL AND THE HUSSON BRAVES!
MR. AND MRS. RICHARD BOUCHER

#15 TAKAYUKI BUN, Of
175 cm - 75 kg - Freshman
Th/R - B/R
Hometown: Tokyo, Japan

Taka (as he is called) may be thousands of miles from home, have some difficulty yet with the English language, and has a limited baseball background; but he is certainly a welcome addition to the Husson Baseball Program. He is an extremely hard worker who has nothing but desire to improve, and has already gained the respect of his teammates for the progress he has made.

THE MANY FRIENDS OF TAKA
WISH THE HUSSON BASEBALL TEAM
A SUCCESSFUL SEASON.

#19 JAMES CAMPBELL, P/Of
5'10" - 165 lbs. - Sophomore
Th/R - B/R
Hometown: Bangor, Maine

In his freshman year, Jamie (as he is called) lived up to the expectations placed upon him. He became a starting pitcher in a four man rotation and offensively became a tough out in the lower end of the batting order. Defensively Jamie shared time as an outfielder and as an infielder. This year he will move into the #3 spot in the batting order (usually saved for the most consistent hitter) and when not pitching, he will play in the OF or be the DH - depending on the situation.

The following wish Husson College and James best wishes for the 1988 season:

DEARBORN FARMS
East Holden

MR. AND MRS. WILBERT CAMPBELL

#10 MIKE CRABTREE, C
5'7" - 185 lbs. - Freshman
Th/R - B/R
Hometown: Cherryfield, Maine

Cherryfield, having produced a former Major Leaguer, and more recently a quality high school baseball team, is rich in baseball pride. This is evident in Mike, who is a strong contender for the #1 catching position on the 1988 Braves. What characterizes him - from a coach's view - is that he will get nothing but better.

THE CRABTREE FAMILY WISHES MIKE AND THE 1988 BRAVES A SUCCESSFUL SEASON.

#20 ROB CIMBOLLEK, 1B
6'1" - 195 lbs. - Freshman
Th/R - B/L
Hometown: Bangor, Maine

It may take a little time for Rob to adjust from being a high school hitter to a college hitter, but he will; and when he does, he will be a good one. Rob, as good hitters do, takes his hitting seriously, and with pride. It is early to project where Rob will be best used as he develops, but indications are that he will be a DH as well as a first baseman or an outfielder.

THE CIMBOLLEK FAMILY - BOB AND JUDY - WISHES THE HUSSON BASEBALL TEAM A VERY SUCCESSFUL SEASON.

#7 JACK "SNAPPER" FARMER, 1B
5'10" - 200 lbs. - Junior
Th/R - B/R
Hometown: Winter Harbor, Maine

Returning to the Braves after a year's absence, Snapper is looked upon to bolster the team both offensively and defensively. His determination and pride to succeed sometimes is seen as a detriment to his performance because of the pressure he puts on himself; but as he realizes that baseball requires a relaxed athlete, Snapper can and will become more productive in all facets of the game.

THE BROTHERS OF KAPPA DELTA PHI, LAMBDA CHAPTER
and
THE SISTERS OF KAPPA LAMBDA
WOULD LIKE TO WISH SNAPPER AND THE BRAVES A GREAT 1988 SEASON.

GOOD LUCK! LOVE, ROBIN

#29 ROB GILMORE, Of/P
6' - 175 lbs. - Freshman
Th/R - B/R
Hometown: Brewer, Maine

Rob's credentials as a high school and American Legion player will make him a very positive addition to the Husson Baseball Program. He is a hitter with power; and although he may not be a member of the pitching rotation, he will be used on the mound as situations dictate.

BOB AND PATRICIA GILMORE
WISH THEIR SON AND THE ENTIRE
HUSSON BASEBALL TEAM A GREAT SEASON!

1988 HUSSON BASEBALL SCHEDULE

10	Jay Moore	1987

#33 MIKE GOODWIN, Of/P
5'9" - 160 lbs. - Senior
Th/R - B/R
Hometown: Brewer, Maine

For the second year in a row, a senior who has not played baseball since high school has come out for the team. For the second year in a row, the team will benefit from that decision. Although Mike has been away from baseball for three years, he is a good athlete, and was a better than average high school player. He has yet to settle in at a position, but indications are that it will only be a matter of time before he does.

MIKE WOULD LIKE TO THANK HIS
FAMILY FOR THEIR SUPPORT —
MOM, DAD, JULIE, MATT and AUNT NELLIE.

#17 JOHN JORDAN, Of/Inf/P
5'8" - 145 lbs. - Sophomore
Th/R - B/R
Hometown: Bangor, Maine

If John overcomes some deficiencies in his game, he will go from a good college player to an outstanding one in one year. Possessed with outstanding foot speed, good arm strength and good upper body strength, his potential as both an offensive and defensive player is unlimited in terms of what his performance could mean to the Braves this year. John has the ability to make things happen - not all players have this ability.

GOOD LUCK, JOHN
From the
STEEGO PARTS CORPORATION

#27 CHRIS KHOURY, 3B
6'6" - 230 lbs. - Junior
Th/R - B/R
Hometown: Bangor, Maine

Chris started to arrive as a ballplayer last year and now is looked upon as one of the quality players of the Braves, both offensively and defensively. Gaining this status has come about not only through experience, but outstanding work ethic as well. Chris will anchor the third base position and hit in the middle of the order.

GOOD LUCK TO CHRIS AND THE 1988 HUSSON BRAVES!

THE KHOURY APARTMENTS

332 State Street
Bangor, Maine 04401

Telephone
947-4806

#3 DENNIS LALLY, Inf
5'11" - 165 lbs. - Junior
Th/R - B/R
Hometown: Bucksport, Maine

Dennis returns to the Braves after a year's absence, and his return is welcomed. In high school and Legion ball, Dennis was a shortstop, but was moved to third base when he began college play. This year he is looked upon as the leading candidate for the graduated All-District player, Al Paradis, at shortstop. If one knows Dennis, this is a challenge he accepts without hesitation, and meeting this challenge could be a very important factor to the success of the 1988 Braves.

The following would like to wish
Dennis and the Husson Braves
the best of luck!

MOM, DAD, SCOTT and JANA

DENA'S MARKET
Main Street
Bucksport, Maine

PROMENADE SHOP
Colon and Hazel MacDonald
St. Petersburg, Florida

#1 TIM LARE - Inf
5'9" - 165 lbs. - Junior
Th/R - B/R
Hometown: Hampden, Maine

Tim could be considered the most complete ballplayer on the Braves roster. A good glove, good range and above average arm describes his ability defensively. A good contact hitter, with the ability to hit to all fields, describes his ability offensively. These qualities, coupled with good foot speed and good baseball instincts is why Tim is recognized as a solid performer.

EASTERN EXPRESS AIRLINES
and the
HAMPDEN POLICE DEPARTMENT
wish Tim and the rest of the Husson Braves
good luck in their upcoming baseball season!

#37 JOSEPH PORTER, 1B/Of
6'1" - 210 lbs. - Freshman
Th/L - B/R
Hometown: Glastonbury, Connecticut

Joe's athletic concentration in high school was basketball. Here at Husson he has changed to baseball. Even though his skill development is behind, his athletic ability, in many areas, takes over. Joe's infectious enthusiasm, as well as his potential as a baseball player, is certainly a plus for the baseball program.

MARIANN PORTER AND HER SONS KEN AND BRIAN WISH JOE AND THE HUSSON BRAVES THE BEST OF LUCK!

#35 LLOYD ROSS, Of/C
5'10" - 160 lbs. - Junior
Th/R - B/R
Hometown: Tabusintac, New Brunswick, Canada

Lloyd comes from an area of Canada where baseball is limited. However, after one year of experience with the Braves, he has emerged as a solid contender for a starting position as an outfielder or as a catcher on this year's team. He has an excellent throwing arm.

The following would like to wish
Lloyd and the Braves a great
1988 season:
ROBERT and MYRNA
BERNADETTE and MARK
SHANE and NOELLA
CARLA

#14 JOHN SHAW, P/1B
6'2" - 190 lbs. - Sophomore
Th/R - B/R
Hometown: Caribou, Maine

It is said there is often a fine line between being good and being great. That fine line presently exists in John's pitching, but a love for the game, and excellent work ethic, gives indication that that fine line may be erased sooner than one might speculate. A solid mound performer in 1987, a better year is predicted in 1988. Beyond this, John has shown ability with the bat and it is planned to exploit this ability as best befits the team.

GOOD LUCK!

JOHN RICHARD SHAW
REAL ESTATE

#13 STEVE THURSTON, P
5'10" - 175 lbs. - Junior
Th/R - B/R
Hometown: Augusta, Maine

Steve may not be rated in pre-season as the top pitcher on the Braves' staff, but he could easily be considered the most important. Most college coaches will tell you that the 3rd and 4th pitchers on a staff, in some ways, will determine the success of a season more so than the number 1 and 2 pitchers. From this position last season, Steve more than gave strength to this philosophy. He is a smart pitcher with a great attitude.

THE MARANACOOK VARSITY BASEBALL TEAM
WOULD LIKE TO WISH STEVE
THE BEST OF LUCK IN
THE 1988 SEASON!

GOOD LUCK, STEVE!

Love,
Mary
