Welcome to Governor's

A Most Unusual Restaurant

Back in 1960, the sliding window at a little ice cream take-out was slid open for the first time. Owned and operated by Leith & Donna Wadleigh. "Creemee's" came into existence. The original idea was to sell ice cream year round. But, as is the case with many "great" ideas in Maine, the reality of what effect winter would have came to roost on the Wadleigh's little stand with the first snow. So, for the first two years, "Creemee's" was open and serving terrific ice cream from Mother's Day until the end of October.

At the end of two years, a sit-down lunch counter was added and then, to ensure year-round employment, the Wadleigh's opened a full service restaurant with a dining room and waitresses. Of course, with all the changes taking place. Leith & Donna thought a new name would be in order. Now Leith could remember how to build the best hamburger in town, and recite the ingredients of his famous strawberry pie in his sleep, but remembering customers names was something else. All of the regulars were greeted with *"Hi ya Governor!"*. Seeing as it was the customers who really made the restaurant what it was. Leith & Donna decided to name the new restaurant in honor of all those folks . . . thus, "Governor's" was born.

Over the past thirty years or so, "Governor's" has grown to four restaurants, all with the primary goal of providing good wholesome food in a family dining atmosphere at prices a family *could afford*.

Since the first "Governor's" open, the Wadleighs have gone the extra step to insure their homemade pies, cakes, bread and rolls are the tastiest and freshest available (our bakers start each day at four in the morning), and making sure the "Daily Specials" truly are *special*. Thanks for making "Governor's" what it is today, and enjoy your meal!
