President's Message

Dear Graduates of the Class of 1996:

Congratulations to you for completing your degree. We are proud of you and wish you our very best as you pursue your professional career.

These are challenging times. Our world is evolving from an industrial to a knowledge based society. In the years ahead, a college degree will be valued as never before. Knowledge and skills, however, are not enough. They must be tempered by clear thinking and compassion in a complex and often confusing world. Nor is knowledge static, it evolves, and you will find the degree you now possess will become a platform for lifelong learning.

The college will miss you as students, yet the relationship is not ended. As an alumnus or alumna you will represent Husson in society at large, your interests, successes and quality of life will be a reflection of your college. At the same time Husson becomes a reflection of you. We need your thoughts, ideas and support if we are to continue to serve you and future generations. It is a mutual bond and we value it.

We wish you well.

Sincerely,

William H. Beardsley

William H. Beardsley
President

Dedication

The Yearbook Staff wishes to dedicate this year's edition to Husson English Professor Albert E. Weymouth. Professor Weymouth is retiring after this year. He has been a faculty member for 33 years.

Professor Weymouth graduated from the University of Maine in 1951 after serving in the Navy during World War II. He majored in English, concentrating on written and speech communications. He taught at Bar Harbor High School with his father from 1954 to 1963. He was then asked to join Husson's faculty.

Professor Weymouth has not only been an integral part of the Husson family, but of the community as well. He has been a member of the Bangor School Committee, the Bangor City Council, and Mayor of Bangor.

When asked what his plans for retirement are, Weymouth said he's going to take time and do the things he's always wanted to do. He has recently moved back to Belfast, where he grew up. Weymouth says he will miss the Husson family the most in his retirement.

To his students, Weymouth says "If you find something to focus on and go for it, you should have no trouble succeeding."

The Chieftain Staff would like to wish Al Weymouth all the best in his retirement.

Memorial

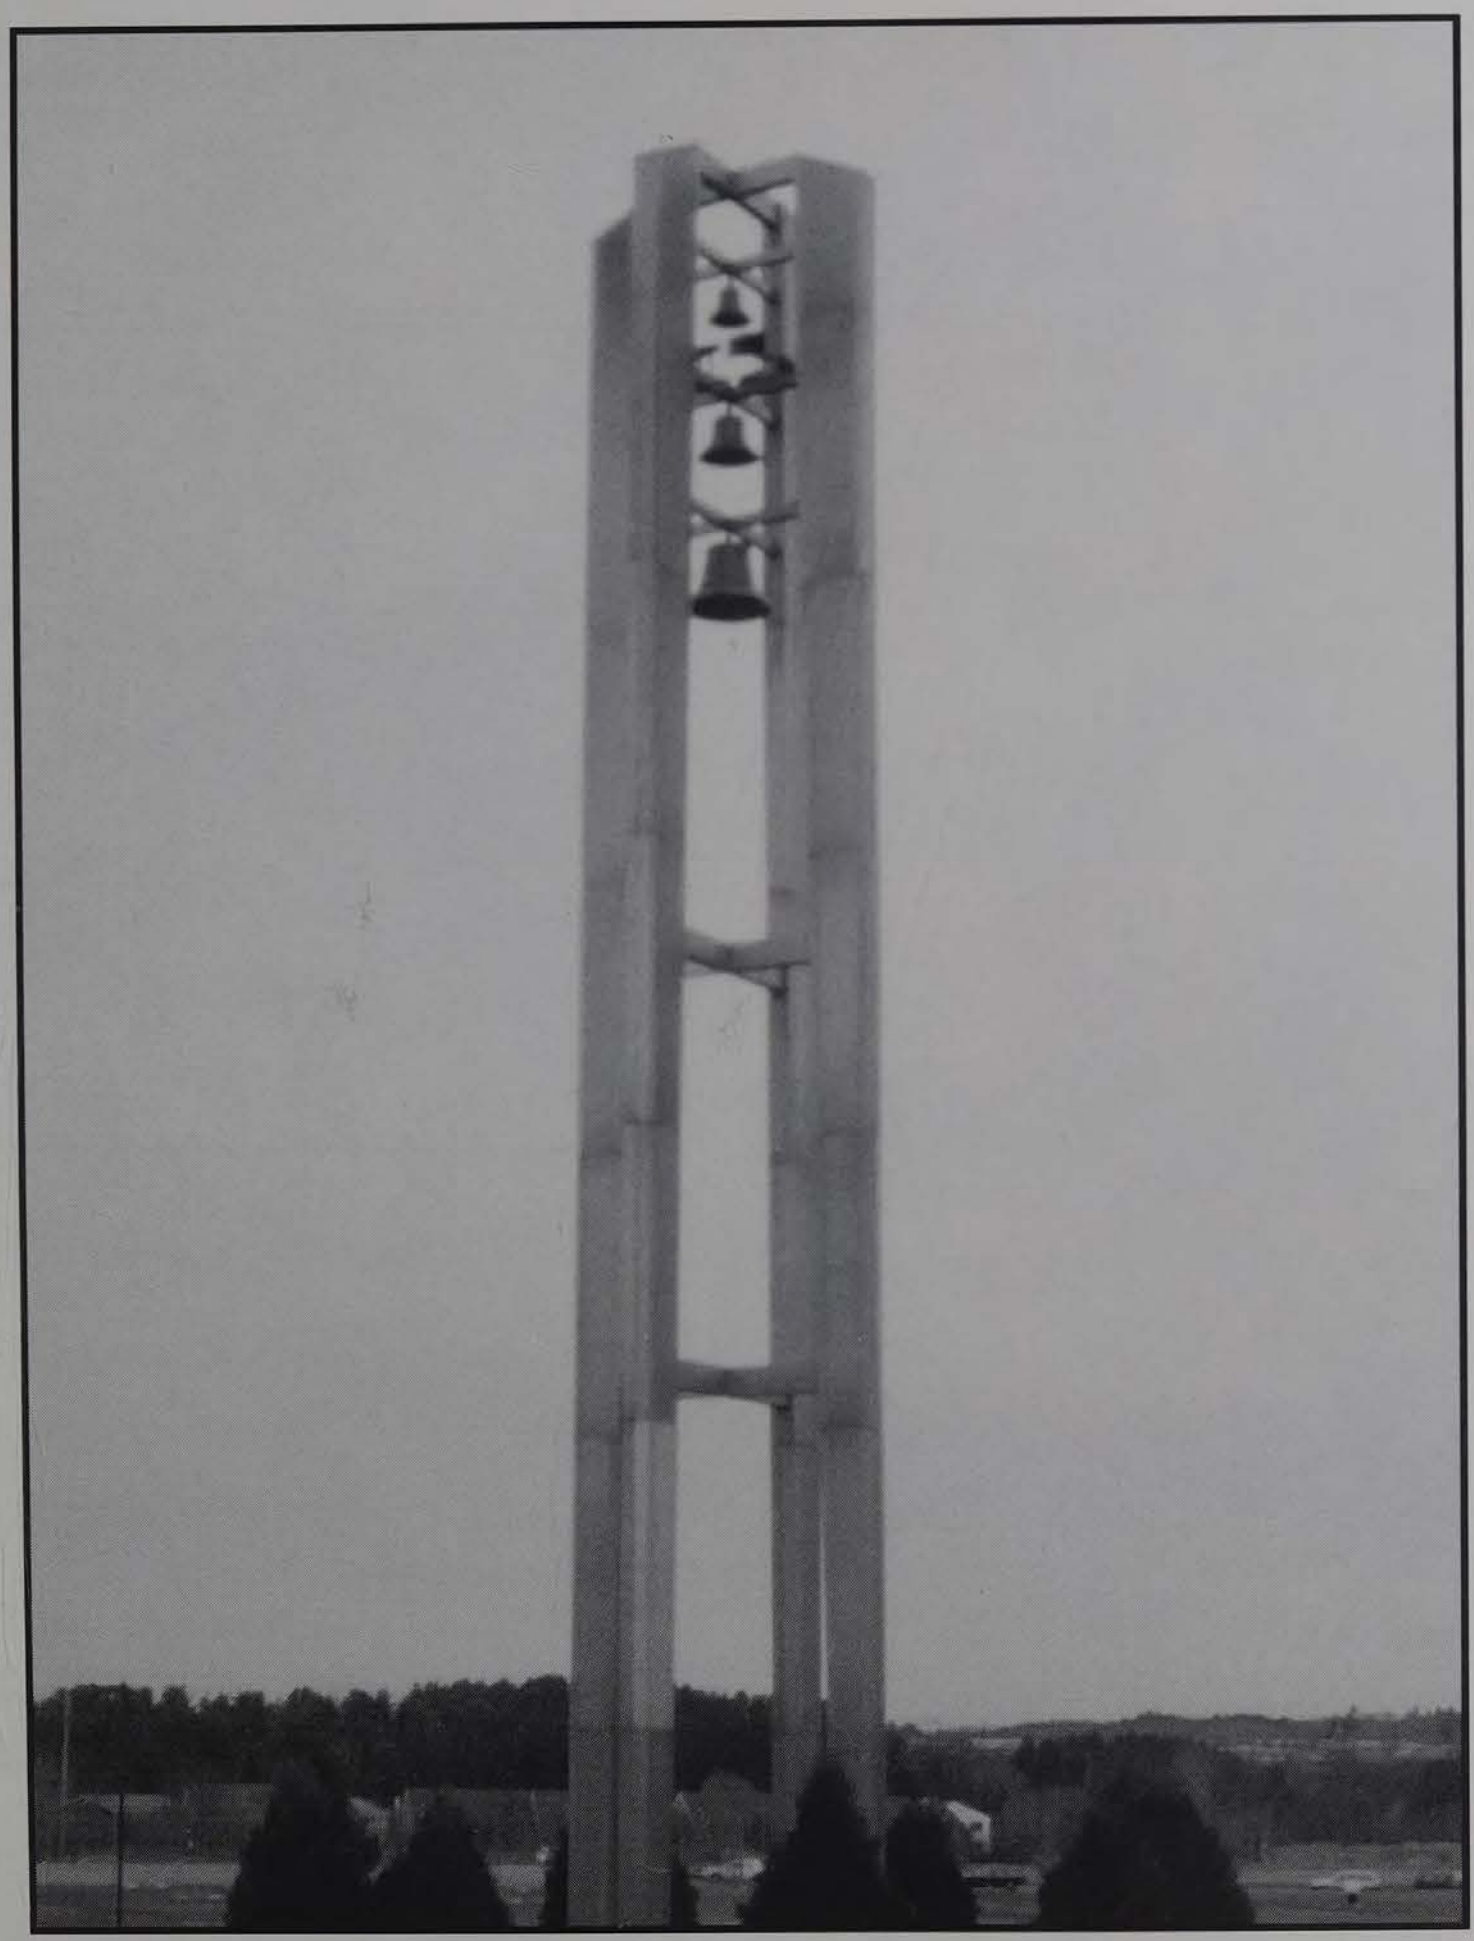

Shortly before Christmas 1995, the Husson Community suffered the tragic loss of Ydune Gibson. Ydune was a Nursing student and a member of Delta Sigma Delta here at Hudson.

The loss of Ydune is felt by many on the campus of Husson. She will be remembered by students, faculty, and staff as a wonderful person.

The Chieftain Staff wishes to extend our condolences to all those who were touched by Ydune Gibson's life.

Season Ends in Heartbreaker

On February 25 at the Bangor Auditorium, the team faced the University of Maine Presque Isle in the Semi-finals for the MAC. The Braves came out on the floor ready to play but they weren't ready for sophomore guard Willie Rivera from UMPI to hit 7 three-pointers. Husson fell to a sixteen point deficit in the middle of the first half while they went 4:44 without scoring. With 10:57 left in the first half UMPI had a 23-9 lead over the Husson men.

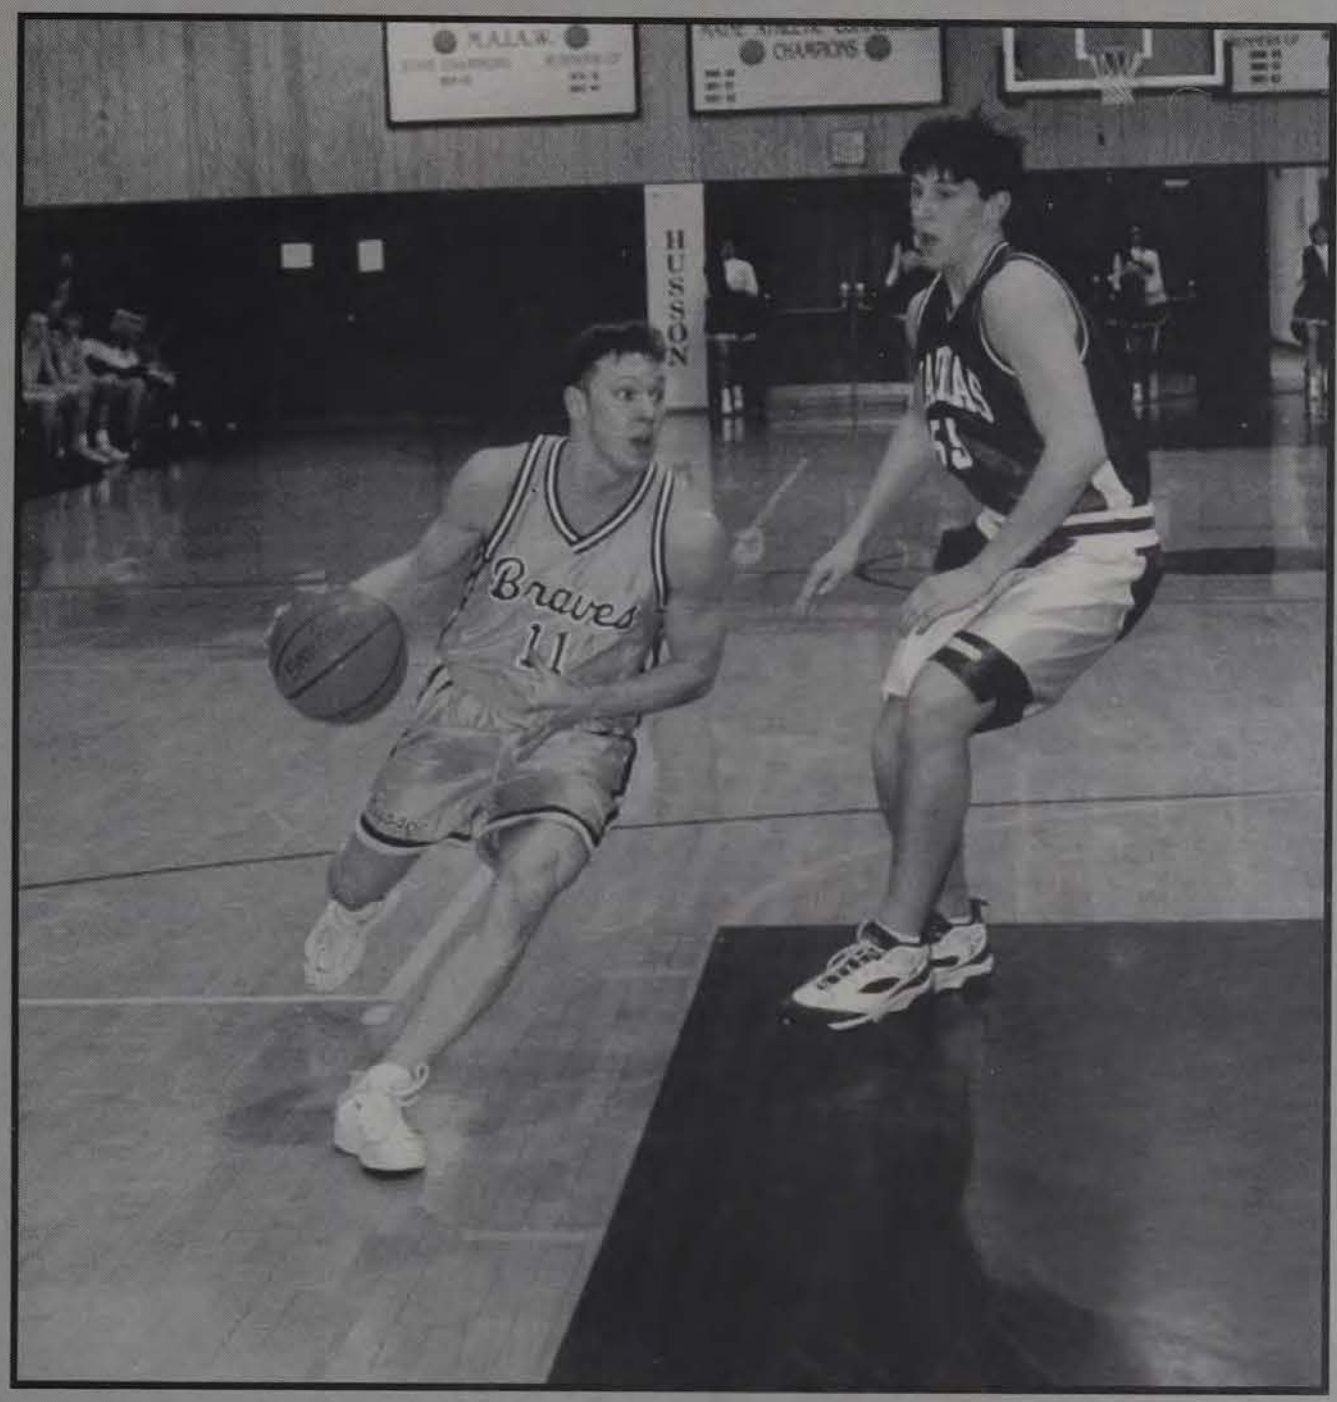

Senior guard Bryan Jefferson played hard and connected for 9 straight points in the second half but still could not spark the Braves' offense. With 9:02 remaining in the game freshman Chris Funk led on a fast break and dunked the ball over a UMPI forward. This brought the Braves to within 13. UMPI's next two times down the court Rivera hit three pointers. The two main factors in the Braves loss were turnovers and lack of rebounding.

Husson had 19 first half turnovers and the Owls scored 21 points off of Husson's errors. When asked what he thought of the Braves loss Coach Caruso had no comment. Only five players scored for the Braves - Jefferson had 29 points, McCaffrey had 18, Sinclair contributed 14, Funk netted 11, while Alley added 3.

The Husson men say goodbye to seniors Bryan Jefferson, Fran McAneany, and Rick Sinclair. They will be greatly missed on the court next year for the Husson Braves.

The Braves will have several strong players returning to next years squad. Including Bryan Alley, Tony Tobin, Larry Locke, Chris Cameron, Jeremy Durost, Mike McCaffrey, and Chris Funk.

Look for the Braves to be very competitive again next year.

Women's Basketball

Great Year for Husson Women

The Women's Basketball team had a very good season winning 21 games while suffering only 8 defeats.

The key players contributing to the team's success were Becky Moholland and Tara Leavitt who averaged 10 points per game. Beth Miller averaged 11 points per game. Sue Ann Allen (12 pts.) and Emily Walker (15 pts.) made the Maine Athletic Conference All-Star team and the 2nd All-State team for Maine. Becky Moholland made the 2nd MAC All-Star team. Sadly, the team will be losing seniors Becky Moholland, Tara Leavitt and Angeline Grant.

This seasons best games were played during the championships against UMF and St. Joseph's. Winning the MAC, by crushing UMF by 31 points, allowed the team to qualify for the NAIA Tournament. Seeded at #21 the women drew #11 Tusculum in the first round.

The team has played in the MAC Championship two years in a row, and has been selected to play in the National Championships three out of the last four years.

Overall, the team was well-balanced. We had a lot of "depth in the frontcourt" said coach Kissy Walker. The chemistry among the players was powerful. With such a strong "nucleus of a team" said coach Walker, the team has a positive outlook for next year.

Jubilation, baby!

Another Exceptional Season

A mid-season streak of 8 shut-out games helped the team qualify for the Maine Athletic Conference for the 5th consecutive year. The Men's Soccer team ended the season with a 12-4 record.

Coach Mitch Ellison said, "the team showed lots of character, especially in the early season." The season began with four games in ten days — all against tough opponents. But, the team was up to the challenge - winning 3 of the 4 games. Everyone worked hard, with a lot of defensive organization.

Teamwork was the key to success this year, with Adam Heaslewood, a junior midfielder, scoring 15 goals and 24 assists. Guyguy Mpeye a senior forward, scored 14 goals and 6 assists, while Joe Melanson, a freshman midfielder, scored 8 goals and had 9 assists.

With 18 of 21 players returning next year, coach Ellison said "the feeling of optimism is high." Great job team and good luck next season!

Women's Soccer

Front: Keri Early, Crystal Burgess, Audrey Johndro, Marnie Caramore, Carey Sheehan, Teri Inman. Back: Julie Buffington, Caroline Kus, Angie Valincourt, Sherry Sanna, Jessica Sullivan, Rochelle Gillis, Coach Jen Farina.

Teamwork and Support

The Women's Soccer team struggled through a disappointing season with 6 "overtime" games and 9 losses. Yet, coach Jen Farina believes it has been a fruitful season.

Teamwork played an important role in helping to build morale and comraderie during the long season. The team listened to Farina's instructions, and she felt that they used the field well — they could usually see everything that was occurring on the field.

Utilizing the entire team was essential this year, do to early injuries. Even with these obstacles, the team was able to play well. And, eventually the team picked up additional players.

Every year there are players who move on in their lives to begin careers, and this year is no exception. Seniors Rachel Gillis and Carrie Shan will be leaving the team. The Women's Soccer team is losing two fine players.

However disappointing this year may have been, the outlook for next year is very good. There are new recruits coming and the team is sure to pick-up some additional players along the way.

Coach Farina says "the team will make the conference next year, for sure." Good luck in your efforts!
