EDITED BY

THE COLLEGE COMPOSITION CLASS

VOLUME XIX NUMBER 1

JUNE 1949

Editorial

It is with pleasure and honor that the staff of this year's CHIEFTAIN can present to the student body a completely new and different yearbook. Our endeavors have been to grace these pages with the articles and features that you desire to hold in memory throughout the coming years.

Our greatest innovation is the featuring of the hard-cover type of binding. This assures the individual of a yearbook that will stand the rigors of hard usage year after year. This type cover also raises the standard of our yearbook to those of schools of equal caliber.

The purpose of any yearbook is to capture entirely all of the activities throughout the school year. This we have tried to do while still getting our copy to the printers on time. School life is portrayed through this book by the many pictures and write-ups of each and every organization which functions at Husson College.

The sincerest appreciation is due to the many agencies that make this book possible each year: the faculty for its utmost cooperation; the administration for its untiring efforts; the advertisers for their financial aid. To these people we owe our many thanks.

And to the members of the staff must go the thanks of the editor-in-chief and the school for their efforts in consolidating all the material into a composite, well-organized yearbook. Your efforts can never be praised enough; this book is the tangible evidence of your hours of work.

We hope that the members of the student body will find this CHIEFTAIN to be a book of fond memories of their pleasant years here at Husson College.

Words From Our President

Perhaps one of the most exciting moments of a girl's life is the time she receives her bid to join ETE Chapter of Pi Rho Zeta International Sorority at Husson College. This honor signifies friendliness, honesty, scholarship, and trustworthiness. These factors are the foundation of this organization.

This year, as in the past years, the girls have been very cooperative and have worked diligently in reaching our goals with success.

I would like to express my appreciation to Miss Swan and Miss Bradford for their untiring efforts and to all members who have fulfilled the offices and duties which have been assigned to them.

May the coming year find all the qualities which we have tried to develop in this Sorority, still as great a part of your life as they have become through your membership in ETE.

PI RHO ZETA AWARDS

Miss Shirley Libby of Brooks received the quarterly award from Pi Rho Zeta International for her outstanding service and loyalty to ETE and Husson College. Miss Libby served as Parliamentarian of the school chapter while a student at Husson. She was outstanding on the basketball court and still pushes a mean left-handed shot. Currently she is private secretary to Dr. Herbert Clough of Bangor and is active in both the school and alumnae chapters, serving as Sergeant-at-Arms of the Alumnae Chapter. Her hobbies are skiing and basketball. She is a recognized official on the Eastern Maine Board of Women's Officials. She is the daughter of Mr. and Mrs. Roscoe Libby of Brooks.

Miss Marion Brown of Grand Lake Stream is the second girl to be honored this year by National. Marion is president of our chapter. Her gracious and naive manner lends charm to all meetings. Miss Brown is active in basketball, student council, Future Teachers of America, and the Women's Athletic Association. She was crowned Queen of May at the annual ETE Ball last year. She is a student of the Teacher-Training department and will return for another year. She makes a fine president and richly deserves this award. She is the daughter of Mrs. Lillian Brown of Grand Lake Stream.

Miss Dorothy Crane of Machias is number three on the outstanding list for the year of 1949. Miss Crane is

the first president of the newly organized Alumnae Chapter of Pi Rho Zeta. She has the honor of being the member with the longest service in our chapter. Her personality and wit lend much to the meetings and fun. She is employed as bookkeeper at the Henley Kimball Co. of Bangor. She served as Sergeant-at-Arms in the past. Miss Crane's outstanding hobby is fishing. She is the daughter of Mr. and Mrs. R. L. Crane of Machias.

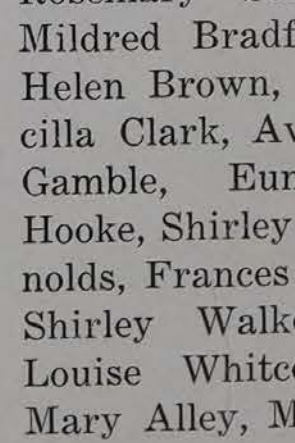

Miss Frances Sanborn of Stockton Springs is currently the Vice-president of our chapter. She received her award for faithful service and her outstanding contributions to ETE. She is employed by New Franklin Laundry as the supervisor of the office and head bookkeeper. Miss Sanborn's hobbies are drawing and deep-sea fishing. She is the daughter of Mrs. Ferne Sanborn of Stockton Springs.

The fifth member of this year's outstanding group is Miss Geneva Somers of Corinna. Geneva is corresponding secretary of the chapter, the Sorority representative to the student council, secretary of the Senior Class, and has the ability to write 180 words per minute in shorthand. She will be graduated from the Business Administration Course. Her hobbies are sewing and stamp collecting. She is the daughter of Mr. and Mrs. Otis Somers of Corinna.

Miss Ann Ricker of Sebec, received the final quarterly award for outstanding service to Epsilon Tau Epsilon Sorority. A one - year student enrolled in the Junior Accounting course, Ann plans to become a bookkeeper. She has a very pleasing personality and is loved by all who know her. She is the daughter of Mr. and Mrs. George Ricker of Sebec.

FORMAL INITIATIONS

ETE started off an active year with a formal installation of officers, Open House for Girls, two informal and formal initiations, Penny Carnival, and May Ball. MAY FORMAL

Miss Marion Brown of Grand Lake Stream was crowned Queen of May, 1948, and Walter Moores of Lincoln was crowned King. The gymnasium was beautifully decorated and the gown and corsages added to the enjoyment of the evening. The King and Queen were presented gifts and reigned for the rest of the evening.

Emmaleen Willey, Shirley Klimavicz, Mary Lou Benn, and Cora Dyer were the ladies-in-waiting.

Plans for the 1949 May Ball were carried out very successfully. The gymnasium was decorated with a May Pole and a race fence. Decorations were in charge of Fae Marshall. Candidates for King were Francis Cawley of Bangor, Everett Tucker of Cherryfield, Robert West of Bangor, John Blaney of Woodland, and Thomas Pelkey of Bangor. Roanne London, Marcella Ayotte, Jean Clemons, Evelyn Ryder, and Geneva Somers were candidates for Queen. Roanne London and Francis Cawley were crowned Queen and King by Mr. Husson. The royal couple led the grand march and received gifts from the Sorority.

ALUMNAE CHAPTER OF PI RHO ZETA

The ETE alumnae of Husson College grouped together and after much discussion on the pros and cons for an alumnae chapter, decided that an active alumnae group would be an addition to the activities at Husson. With thirty active members and thirty corresponding members, the ETE Alumnae Chapter now functions independently of and cooperatively with the school chapter. Officers elected for the year of '49 were Miss Dorothy Crane of Machias, president; Miss Avis Dinsmore of Whiting, vice-president; Mrs. Esther Ford Kennett, secretary; Miss Ella Hooke of Winn, treasurer; and Miss Shirley Libby of Brooks, sergeant-at-arms.

Pi Rho Zeta Convention is to be held at Winnipeg, Canada, and a delegation from both chapters will attend.

The chapter at Husson College is the sixth college chapter in Maine, but Husson is the first commercial college in the country to establish such an organization. All members of the teacher-training course are eligible for membership in the F. T. A. The basic purpose of the Forkner-Nichols chapter is to better educational conditions locally, state-wide, and nationally.

Each semester Mu Sigma Chi initiates new members into the Fraternity. Last fall sixteen new members were initiatd. Twenty-five additional members were initiated during the Spring semester.

Under the efficient directorship of Mr. Alvah Ford, the Sophoclesians contributed a vital part to the school life and experiences of Husson College. Among the members were John Blaney, Charles Butera, Wayne Ames, Roberta Patrick, Marguerita Vasquez, Pauline Ward, Dorothy McLean, Alton Dubay, Patricia Allen, Richard Guzman, Wesley Vigue, Elinor Gray, Marsha Kane, Annmarie Whitley, Dean Carroll, Bernard Wilbur, Arlan Mitchell, William Clement.

The first major production, *The Trial of Mary Dugan,* was a decided success. John Blaney as Mr. District Attorney was outstanding in the performance.

The Glee Club was slow getting started this year; but, with the cooperation of Mr. Husson, some tentative plans were made. Several obstacles had to be overcome: there was no piano available, no director, but a supposedly large number of interested students. Mr. Husson influenced Mr. William G. Cupp, director of the Bangor Male Chorus and other choral groups in the city, to conduct the Husson College group. He also purchased a piano for its use. Rehearsals finally began late in October. However, the problem now was to find the large number of would-be vocalists. The turnout was small but the quality was good.

Nevertheless, the club progressed rapidly. Officers and a representative to the Student Council were elected, and rehearsals were held regularly each week. By Thanksgiving the club was ready to makes its first appearance at the Thanksgiving Assembly. It also had a prominent part in the Christmas assembly program.

After Christmas it practiced for the Easter program and for the commencement exercises in which it participated.

The members of the club appreciated the efforts of Mr. Cupp and have learned much from him. They also with to thank Mr. Husson for his interest in the club and his generosity which made it possible.

The Women's Athletic Association began the school year of 1948-1949 by electing the following officers:

President ..... Jean Clemons
Vice-President ..... Julia Mercer
Treasurer ..... Joan Littlefield
Secretary ..... Evelyn Ryder
Student Council Representatives ..... Charlene Roberts, Cora Dyer

Money received in form of dues was used toward helping athletic organizations in which girls participated at Husson College. All girls taking part in bowling, hiking, basketball, and cheerleading are members.

A Saint Patrick's Day Dance was sponsored by the Women's Athletic Association for the purpose of raising money for the purchase of sweaters for the basketball girls. Committees were as follows:

Decoration: Dorothy Cammic, Cora Dyer, Mary Alley.

Orchestra: Charlene Roberts, Marion Brown, Jean Clemons.

Advertisement: Evelyn Webber, Audrey Potter.

Refreshments: Student Store.

Tickets: Joyce Mahaney.

Miss Clark, a new member of the faculty this year, was the Women's Athletic Association sponsor. She was very helpful with suggestions and ideas for improving the organization.

The purpose of this organization is to arouse an interest among women for activities outside of school. Many new acquaintances were made and wonderful times were enjoyed through this organization.

Cheerleading

Left to right: Betty Curtis, Frances Hamilton, Evelyn Ryder, Alton Lubay Marilyn McGraw, Eva Willis, Joan Nadeau.

School spirit is an indefinable quality ever present in any institution. It is evidenced in every phase of school life; particularly does it reach a high pitch during the athletic contests. Husson College finds that one of its most tangible assets for school spirit is the cheerleading squad. Although these students are prominent on the basketball court during the home games, their radiation of warm enthusiasm in the classroom, in the corridors, and on the street also adds much to the friendliness for which Husson College is noted.

Early in the school year a strong cheering squad was chosen from a large group of candidates. Under the capable coaching of Miss Bradford, the squad, comprised of Alton Dubay, Betty Curtis, Francis Hamilton, Marilyn McGraw, Joan Nadeau, Evelyn Ryder, and Eva Willis strove for perfection in the art of cheering.

Regular and consistent practice developed a smooth squad which produced good cheering at the rallies and all the games. Every member of the school will remember the "Locomotive Cheer!" Good rhythm and originality—as well as *strenuous* practice—were exhibited in the variety of unusual formations.

To Miss Bradford, the coach, goes the appreciation of the squad and the school.

Girls' Basketball

Row 1, left to right: Maxine Eustis, Barbara Hoar, Evelyn Webber, Charlene Roberts, Mary Davis, Marilyn Raymond, Joan Washburn.
Row 2: Florence Page, Hope Sherwood, Marion Brown, Joyce Mahaney, Roberta Patrich, Joan Littlefield.
Row 3: Clara Swan, Cach; Elaine Spruce, Assistant Manager; Priscilla Clark, Assistant Coach; Joan Clemons, Manager.

With the smallest group of girls ever to report at Husson, the girls' team under the coaching of Clara L. Swan established a fine record for the season. Winning ten of the fifteen games played, the squad is to be congratulated.

In October there was the usual number of drop-outs due to working, illness, etc. In November things started humming after the girls got all the kinks straightened out and found their strength for the season. At practice the girls put forth their best efforts, and many a night could just make the bus after they were dismissed.

A hard lesson for the athletes of Husson College is the fact that their loyalties must change in a short period of time from the blue and white of their high schools to the green and gold of Husson. With this in mind they endeavored to work for a new coach and with new team mates. And the result—a team which showed amazing spirit and the will to win and the desire to play ball every minute of the game.

Early in December suits were awarded to all the girls on the squad. The first game was at Greenville where the girls fought to the bitter end only to be defeated. However, with more fight than before, the girls went to Northeast Harbor where they met a team coached by Marilyn Ryder, a former Husson captain. It looked like another Husson team. With Mary Davis, Julia Mercer, and Marion Brown sharing the scoring honors this game was the first victory.

The first home game was with

Ellsworth, which was undefeated until this game. With Mercer and Brown scoring equally, Husson won this one. Sullivan same to Bangor and gave us a good hard game. With Brown high scorer with 14 points the Husson girls put this one under their belts.

When Greenville came to Bangor, the Husson girls were all set for a victory. With Davis out with the measles and Brown out for the rest of the year with a head injury, things didn't look too sharp. But Sherwood and Raymond helped us to win from our arch enemies, and there was another scalp tied to the Husson belt.

Gilman High journeyed to Bangor only to lose a hard-fought game to Husson. It was a close game and the Gilman girls and Miss Ryder are to be congratulated on their showing.

After winning five in a row the Husson girls lost a close but well-played game at Ellsworth. Mercer, playing her last game, scored 8 points. However, after a fine feed of fried chicken in Ellsworth the sky became rosy again.

Meeting another Husson-alumnae-coached team, our girls won a close decision from M. C. I. of Pittsfield. Returning to M. C. I. later in the season Husson emerged the victor. Roberts had a wild night scoring 23 points.

Touring through the ice and snow with Hadley, Husson girls lost at Higgins Classical Institute. With Sherwood now on the injured list and the forward court pretty well maimed, the girls put forth all their efforts, but still came out on the short end of the score.

In one of the best games of the season, the girls lost a high-scoring game at Lincoln. The Lincoln team is coached by a former Husson Captain, Shirley Klimavicz of Dover. Using the same plays and same defense, the two teams looked well on the floor. Briggs of Lincoln scored 24 points and Roberts of Husson scored 23 for the evening. In a return game with Lincoln, Webber held Briggs to 4 points and the Husson girls defeated Lincoln in a well-played game. In a second game with Higgins, the girls found our baskets covered with celophane and lost a close 2-pointer.

In the last game of the season the Husson girls met the faculty and what a game! The score book 68 points for the girls and 65 for the faculty. Watson was high scorer for the faculty and "Cutie" Curran stole the show. The Pajama sextette held their own, however.

The stars of the game are not always the forwards. This year the opposition scored very few points because of the strength of the guard section. Outstanding guard is Evelyn Webber of Phillips. Filling the center guard position as well as the best, "Web" made her presence felt in every game. Cool and steady, "Web" kept the zone defense at its best Teaming up with Webber were Maxine Eustis of Phillips and Barbara Hoar of Grand Lake Stream. "Mac was a steady, hard-working guard and covered her side of the floor at all times. Barbara played great ball all season, and for the most part the guard section remained intact. The passing and team play on the part of these three girls made an outstanding combination.

High scorers for the season were Roberts with 116 points, Davis 72, and Mercer 61 (for half the season). Charlene Roberts and Evelyn Webber were co-captains. The schedule follows:

melodrama, *Curse You, Jack Dalton*, kept the entire assembly in tears of laughter. An all-male cast, the boys taking feminine roles, outdid themselves. Bernard Wilbur scored a major success in his initial appearance on the stage. Wesley Vigue must have taken lessons on "Clinging vine, Mamma's-little-girl" type.

Another evening of entertainment was afforded the students of Husson College in the spring production of *The Butter and Egg Man.*

Although the Dramatic Club was small this year, its leaders hope that in another year a larger number of students will evidence interest in dramatics.

The Girls' Hiking and Bowling Clubs, which have been a part of the Husson athletic program for many years, were organized again this year under the sponsorship of the W. A. A. Although these two clubs are not new at Husson, this year's members, who met the award requirements established by the W. A. A., will be the first to receive the new Husson "H" bearing the Hiking and Bowling emblems. As the 1949 *Chieftain* went to press, the activities of these organizations were not completed, but some of the members of each club had nearly achieved the goal and will in all probability be among the first to wear the new award. Included in this group are Hiking: Fae Marshall, Florence Page, Ann Ricker, Beverley Dunn, Roanne London, Geraldine Boisclair, Margaret Lyden, and Phyllis Tolman; Bowling: Beverley Dunn, Evelyn Webber, and Audrey Potter.

The record speaks well for the Husson J. V.'s. Although the schedule of the J. V. squad was rather short, the boys displayed much good basketball.

In addition to winning nine of the twelve games played on this schedule, many of this squad did excellent work as substitutes on the college varsity squad.

The squad this year was a team in spirit as well as name. There were no spectacular stars, but all were capable players—out for another team victory.

Clark and Grindle alternated at center and were outstanding at that position. Kelsey, Sun, and Leeman were the forwards. Pelky, Cawley, Rollins, and Frost comprised the the guard section. Cushman had the role of utility man—one of the hardest assignments on the squad. He turned in an excellent job and more than one game was won by the backboard work of Cushman, Clark, and Grindle. Cawley and Pelky were outstanding in their floor play and control of the ball. As for the for-

ward line Kelsey and Sun seemed to alternate, first one was "hot", then the other. Bob Leeman was always good for a couple of quick baskets—and a couple of quick fouls, too!

Many of this squad will be returning for another year at Husson, and another year of basketball. Prospects look very good from this corner for another J. V. season.

The leading scorer of this year's J. V. Team was Bob Sun, the Hawaiian Hotshot. Bob scored 145 points to lead the Husson College Junior Varsity to victory in 9 out of 12 games.

The complete scoring:

Player	*FG*	*FT*	*Pts.*
Sun	61	23	145
Kelsey	37	29	103
Clark	26	8	60
Cawley	15	9	39

This year, the Husson College Junior Varsity Team picked, for the first time, an All-opponent Team. The squad is composed of members of the various school quintets faced by the J. V.'s during the '48-49 season.

The team chosen was:

Guards: Ryder, Greenville; Jones, Sullivan.

Center: Carver, Winter Harbor.

Forwards: Becknam, Winter Harbor; DeVoe, Greenville.

Intramural Basketball

Exciting basketball games were witnessed this year during the Intramural Basketball Tournament, sponsored by the Men's Athletic Association. Ten teams were selected by impartial means, each team being headed by a varsity or a junior varsity player as captain. The use of the "winner-play-loser" means of seeding the teams provided for more basketball and more chance to win in the finals.

Every game was close and many times not decided until the final minute. Surprising basketball developed in many instances by players whose abilities were not realized prior to game time.

Early in the tournament the so-called favorites fell victims to the less-rated teams which made for a much more interesting tournament. Added incentive was given to each game by the student body which cheered for their favorites and enjoyed riding the referees.

Not many can forget how Dick Buxton held Dick Kelsey to a mere six points in the second round of the tournament—and the shot made by Doug Clark that took seemingly hours to execute from high in the air—and those two speed demons that flew everywhere, Spencer and Vigue! Many impossible shots were made from all over the court, much to the amazement of the teams and fans.

High scorers in the tournament were Rollins, England, Booker, and Clark.

The final game brought together the "Clark's Crushers" and the "Cawley's Cagers" and a fine game was witnessed by a good crowd of spectators. The final gun showed that "Clark's Crushers" were the victors over "Cawley's Cagers" by a 54-38 margin.

Men's Athletic Association

During the past years the Men's Athletic Association has occupied an important place at Husson College. Under the leadership of "Chief" Husson himself and other able leaders, such as Pete Gattrell, Bill Stanton, and Barney Deering, the organization was active in the promotion of athletics. Then came the war years, and Uncle Sam thought of other ways to occupy our young men's time. The "friendly school upon the hill" felt keenly the absence of young men. The Men's Athletic Association became inactive until two years ago. In 1947 it was organized under the leadership of Coach Jack Johnston.

This year the Men's Athletic Association occupies a prominent place in men's activities. As the aim is to

The Husson College Bowling League was organized early in the school year to provide all interested persons with an recreational form of entertainment. Six teams were selected and officers elected for the year were J. Marraty, president, R. West, vice-president, D. Carroll, secretary, G. Cushman, treasurer, and Mr. Foss, Faculty Adviser.

The league met every Thursday night at the Bowling Academy throughout the fifteen-week schedule. After five weeks of bowling the teams were reorganized. The winners of the first round were "Huck's Boys".

At the end of the season the teams held a banquet, at which time the individual prizes were awarded. Interesting statistics show that "Huck's Boys" had the high team total with 1387, the High Single String total was 135 by J. Marraty, the High Three Strings were 354 also by J. Marraty, and the High Season Average was 99 by D. Carroll. Other high string totals were bowled by Cushman, Coffin, Rollins, West, England, Blaisdell, Buxton, and Feero.

The league is looking forward to next year for a bigger and better league to represent Husson College. The league also wishes to thank the faculty adviser, Mr. Foss. His cooperation was splendid, and the boys of the league enjoyed having him very much.

Boys' Baseball

First row, left to right: R. Wiley, R. Kelsey, R. Church, G. Hurd, R. Chamberlain, W. Grant, R. Rollins. Second row: R. Buxton, C. Page, R. Golightly, R. Kinney, V. Downes, A. Finley, S. Wyman, D. Gallupe, G. Husson, Coach.

At the time the yearbook goes to press, the baseball team is still in the middle of its 1949 schedule. The opening game was with the University of Maine Jayvee team. Although Finley pitched a beautiful four-hitter, he wound up with a sore arm and has not been able to pitch since. The pitching load fell squarely on the shoulders of Wiley. He was helped out by Reginald Chamberlain, the old "War Horse". Reg started the second game against Dow Field in which he gave up only five hits over the route. From the bench it was a case of the Air Force being unable to hit what they couldn't see.

Dick Church carried out the catching assignment. Doug Clarke was the substitute catcher until he was sidelined for the rest of the season because of a hand injury. Stan Wyman, an outfielder, was converted to a first baseman. Roland Kinney took over the second base spot while Dick Kelsey filled the shortstop post. When not pitching Reg Chamberlain completed the infield. Chute played outfield as long as he was with the team. Winfield Grant played left field, while Ray Rollins regularly covered right field. Clukey, Golightly, Gallupe, and Kelsey covered center field whenever needed for strength. Hurd and Downes were utility men in the infield and outfield. Ray Buxton, the manager, not only managed the team well but also pitched for batting practice.

become more than just an organization to promote interest in athletics, it assumes the responsibility for the administration of the entire men's athletic program.

The officers elected for this year to help launch the Men's Athletic Association program in this direction were as follows: James Marraty, president; Robert West, secretary; Ray Buxton, treasurer; and Jay Curtis and Stan Wyman, representatives to serve on the Student Council.

A successful intramural basketball tournament was sponsored with ten teams participating.

Tentative plans for future activities including volley-ball and ping-pong tournaments and sponsoring a softball team have been made.

Gradually the Men's Athletic Association hopes to assume the responsibility of sponsoring basketball and baseball. The responsibility of formulating policies, financial control, and full administration of all athletics has been requested by Mr. Husson, who feels that the Men's Athletic Association can do it better than he.

The aim of the Men's Athletic Association is to make the Husson College sports program of equal caliber to that of the best institution in its class. The ultimate goal is to have Husson teams, teams to be respected; teams that will be a vital part of the school life.

Plans are being developed to enable alumni to participate in all events of the fraternity in which they may be interested.

The highlight of the Fraternity's social program was the Christmas Dance, held in Commerce Hall, December 16, 1948. The hall was beautifully decorated with evergreen, complete with Christmas trees, lights, and mistletoe. Ray Downes' orchestra provided the dancing pleasure for the largest crowd ever attending a social event at the college.

The fraternity is now preparing a minstrel show and dance as its next major social activity of the school year.

A trip to Boston to see some major league games will conclude the program of the fraternity.
