COACH'S MESSAGE

Enthusiasm and expectations are running high for the Braves as they enter the 1995 season. We return a solid nucleus of veterans who will be joined by a freshman class that many of us feel to be the best ever to enter Husson College.

Veterans Sandy McCuaig, Troy Martin, and Mike McBride give us an outfield that is solid defensively as well as offensively. Each of these three hit over .300 last season. Bill Swift, John Novak, and John McCarty anchor the infield as veterans. Jeff Fogg comes off a fine year offensively to move into the catching role where Jason Parks will use a year of college baseball experience to add depth. Mark Hreben and Mike Kirby give us a solid #1 and #2 starter. Matt Mahar has the ability to be a set up man and long reliever.

The new people, as we call them, all come from fine high school and legion programs. Most have participated and won many state championships and received numerous awards. This fine group is headed by pitchers Gary Sibley, Eric Murray, Brent Brown, Jason Littlefield, Dan Parks, and Ryan Snair. Positional players who will have an impact are Justin Shaw, Chris Hashey, Roy Peary and Matt Alaimo. There are also other new people who will be positive additions.

We the Baseball team would like to thank all the financial backers of our program — the advertisers in this year's yearbook, raffle ticket buyers, 100 inning sponsors, and parents of our players. All of these people make our Southern trip possible and program special.

#14 JOHN "JK" KOLASINSKI
Head Coach

JK, as he is known, enters his seventh season as Head Coach for the Braves. He has a career record of 90-96-01 and is the second all-time winningest baseball coach in Husson history. His teams have qualified for post season play for the past five seasons in a row. In 1993 they were New England Champions and Runners-up in 1990 and 1991. Over the past six seasons 21 of Coach Kolasinski's players have been selected as All New England Selections and two have received Honorable Mention All American Honors. He has been selected as the NAIA District 5 Coach of the Year in 1990, 1994 and NAIA Northeast Region Coach of the Year in 1994. He was also selected the Maine Athletic Conference Coach of the Year in 1994. He serves the NAIA as a National Rater and the New England Baseball Chairman. In the summer he is the President of the Eastern Maine Amateur Baseball League.

#13 Jason Littlefield, RHP
5'10", 160 lbs. - Freshman
TH/R - B/R
Hometown: Brooks, Maine

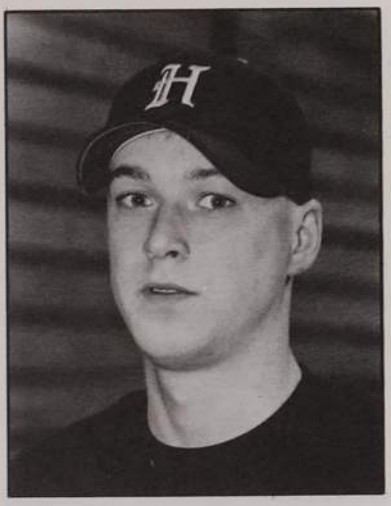

In high school Jason was a good two-position player — pitcher and infielder. Here at Husson he is being asked to settle in as a pitcher. His performance in the fall showed a talent and competiveness on the mound that can be geared as either a starter or reliever; no matter which, he will make a solid contribution to the pitching staff.
