Preview for 1994

As the Braves start the 1994-1995 season, there will be a few changes at Newman Gym. Head Coach, Bruce MacGregor, will take a one-year sabbatical. Coach MacGregor leaves as one of the most successful NAIA coaches in the country His overall record, 545-176, ranks him in the top ten in both victories and winning percentage in the nation. Also, longtime assistant Neil Waterman steps down after eleven years at Husson. We will say good-bye to three seniors, First Team All-American Ray Alley, Rich Mazurek, and Dwayne Knowlton. The seniors capped their careers with a 28-4 record and a trip to the National Tournament.

Warren Caruso begins his eleventh year on the Husson campus as interim head coach, taking over one of the most successful NAIA programs in the country. Over the last six years Husson has compiled a 156-45 record and have made four trips to the national tournament. The Braves have been nationally ranked at some point for six seasons straight and once again have been ranked #10 in the nation by the NAIA Pre-season Coach's Poll.

The Braves will be led by their senior tri-captains Jimmy Watkins, Xavier Joyner, and Obadiah Johnson. All three seniors transferred to Husson last season and were instrumental in the 28-4 season. Obadiah Johnson is the leading scorer returning from last year's squad. He is a versatile forward who can play four positions. Jimmy Watkins led the team defensively last season and will have to step up his presence in the paint for the Braves to be successful. Xavier Joyner is an athletic guard who can hit the open shot. The other returning veterans are Junior Guard Bryan Jefferson, a strong and quick point guard who will get the Braves fast break going. Junior Center Rick Sinclair, who came off the bench last year, will look to do the job in the paint. Sophomores Tony Tobin, Brian Alley, and Jeremy Durost, will add depth and look to play a bigger role in this year's team.

Four men join the team this season after taking classes at Husson last year. The group is led by Senior Forward Rob Rice, who sat out last season to concentrate on academics. Rob played on the 1992-93 team and is a gifted athlete with great hands. Junior Guard Brian Weed is a transfer from Thomas College, where he was 1991 Conference Rookie-of-the-Year. Sophomore Guard Rob Holmes transferred from NCAA Div. I Morgan State, along with redshirt freshmen Mike Kennedy, will add depth to the guard position.

This year's recruiting class is small but has a great deal of potential. Pat Moody was a standout point guard for Windam High School where he was the team's MVP. Larry Locke was a three-sport star in football, basketball, and track at Avon High School in Connecticut. Fran McAneany rounds out the class and will look to control the paint for the first time since he left Westfield High School.

The Braves are optimistic about this season as they enter the year defending their Maine Athletic Conference Championship.

Interim Head Coach Warren Caruso

Coach Warren Caruso takes over the leadership of the Husson Braves this year while Head Coach D. Bruce MacGregor takes a one-year sabbatical.

Caruso is no stranger to Husson basketball. A Bangor native, he came to Husson after graduating in 1984 from Bangor High School where he was a track and basketball standout. He played basketball for four years under Coach MacGregor, and was the captain of the 1988 squad. Coach Caruso joined the men's coaching team the next year and has been an assistant coach for the past six years. During that time the Braves have made four trips to the NAIA National Tournament.

Caruso's responsibilities have focuesed on sports information. He has overseen the production and publication of the annual Braves media guide and has prepared weekly press releases. In addition, he was also involved in scouting and recruiting as well as practices.

Coach Caruso has worked at MacGregor's Northeast School of Basketball, a summer basketball camp for younger players. He has helped organize clinics and Husson intersquad games throughout the state.

A 1989 graduate of Husson, Caruso earned a B.S. in Public Accounting. After graduation, Caruso took over the operation of Dana's Grill, a popular seasonal restaurant in Bangor, which he and his father, Richard, had run for a number of years. Caruso and his wife, Nicole, have opened a second restaurant in Hampden, Dana's Grill Dockside, and his dad runs a third restaurant, Dana's Grill Dockside II, in Southwest Harbor.

High school sweethearts, Coach and Nicole were married in 1990. Nicole works full-time for the Brewer Post Office.

Caruso says that operating a seasonal business and being a basketball coach is almost a "perfect match" for him and for Husson.

In addition to his coaching duties, Caruso is also a member of the Board of Directors for the Bangor City Management Corporation, which helps promote Downtown Bangor and organize special events. He has successfully spent the last four years working with the NAIA District V and Maine Athletic Conference in promoting the men's and women's championship.

Assistant Coaches - Victor Garay and Dwayne Knowlton

Victor Garay

Victor Garay starts his sixth year at Husson College and his second year as an assistant coach. His hard work, enthusiasm for the game and knowledge of basketball will be assets to the program. Victor's responsibilities will include practice, development of players, game preparation, and recruiting.

A 1993 graduate of Husson College, with a degree in Business Administration, he played on the team during the 1990-1992 seasons. Victor played the point guard position and was like having another coach on the floor. He is currently working on his second degree in Business Teacher Education.

Victor works with a local AAU team, the Hampden Broncos. This summer, the team won the state tournament and traveled to Knocksville, Tennasee to play in the national tournament. He also works at the Northeast School of Basketball for two weeks in August.

Victor is married to Mary Garay for two years and they reside in Bangor. Mary is the manager at a Big Picture Video.

Dwayne Knowlton

Dwayne Knowlton starts his fifth year at Husson College but begins his first year as assistant coach. Dwayne will bring a fresh look to the coaching staff, and his responsibilities will include practice, shooting instruction, scouting, and recruiting.

A 1994 graduate of Husson College, with a degree in Busioness Administration, he played four seasons with Husson, 1991-1994, and was captain during the 1994 season. Dwayne was a blue-collar worker who could really shoot the three. He finished his senior year averaging 7 points and 3 assists per game while shooting 40% from the three-point line.

He is a Maine native and graudate of Rockland High School. There he was a three-sport star in football, basketball, and baseball, being named to the All-State Team in basketball and baseball.

Dwayne works at Eastern Fine Paper where he spent two summers working part time and upon graduation was given a full-time position.

MacGregor Takes Sabbatical

Bruce MacGregor, the head coach of the Husson College Men's basketball team for the past 26 years, will skip his 27th season with the Braves to take a one-year leave of absence.

MacGregor requested and was granted the leave so he could further develop his coaching skills. He plans to return to the Braves as head coach in the fall of 1995. The Braves' assistant coach, Warren Caruso, who has been with Husson for 10 seasons as a player and as assistant coach, will be the interim head coach for the 1994-95 season.

"I am pleased to have the opportunity afforded to me by Husson College to continue my professional growth," MacGregor said. "Obviously, I will miss being with the players next year. But I am looking forward to acquiring new knowledge and returning with that knowledge for the 1995 basketball season."

During his tenure at Husson, MacGregor teams have posted 545 victories against 180 losses, making him one of the winningest active NAIA coaches. He is placed fifth on the winningest coaches in the national list with a .753 average, and is fourth in total victories. His teams have made 22 appearances in the NAIA New Englnad Tournament during the past 26 years, and have gone to the National Tournament four times in the past six years.

In addition to his college records, MacGregor boasts a 90-20 record as a high school coach at Reading memorial High School in Massachusetts.

Coach MacGregor also serves as the New England District Chair along with sitting on the National Chair Committee, Chair of the National Basketball Tournament Committee, and the National Basketball Coaches Convention Committee.

Coach MacGregor's success can be attributed to his concern for his players both on and off the court. He creates a supportive network for his players to keep them physically, mentally, and emotionally challenged. He organizes early morning weight-training sessions, evening study halls, and clinics where his players perform and teach basketball skills to young basketball players throughout the state. The team has also been active in the local Big Brother program and works with United Cerebral Palsy of Eastern Maine including helping to staff their annual telethon.

Coach MacGregor is also known for conducting basketball clinics, not only throughout the northeastern United States, but he has also lectured for the Sate Department in three different continents and seven countries. He and his family have also directed the very successful Northeast Basketball School for over twenty years.

Coach MacGregor graduated from Springfield College, holds a master of education degree from Salem State and a certificate of advanced study from the University of Maine. He and his wife Christine, principal of the 14th Street School in Bangor, are the parents of Betsy (Chair of the Technology Department at Thornton Academy), David (a civil engineer for the county of Los Angeles where he lives with his wife, Ethyl), and Jill (Operational Manager, Gosselin's Bridal Boutique), who lives in Bangor with her husband, Todd St. Peter. Betsy is married to Calvin Webb '81 and they have two children - Cameron, 8, and Gordon, 4, - and two very doting grandparents in Bruce and Christine MacGregor.

Husson Braves Tour Europe

Last season the Husson College Men's Basketball Team took a 10-day tour of Europe over Christmas vacation. This was the program's fourth such trip to Europe. There was a great deal of time and effort put forth by the players and coaching staff but was more than worth the effort.

The team lived and practiced at an Olympic-style sports center in Sittard, Netherlands, where they rubbed elbows with athletes from a number of different countries. The team also played four games while they were there. Three of the games were against professional Division II teams from Germany, Belgium and The Netherlands. They also played a U.S. Army team from a nearby Army base.

On several occasions, the host teams exchanged gifts with the Braves and sponsored a dinner after the game where players and officials had the chance to get to know each other a little better but most of the contact with the local people came while the team was touring. Despite their practice and game schedule, the team was able to tour the area including trips to Paris, Brussels and Amsterdam as well as a side trip into the north of Germany. One of the highlights of the trip, MacGregor said, was New Year's Eve. Team members celebrated at a Dutch Disco near Sittard, while the coaches headed into town to join the public and private parties that spilled into the narrow streets of Sittard.

The Grand Palace, Brussels, Belgium

Although the team had to struggle with all the things travellers encounter - rotten weather, different food and juggling five different currencies - MacGregor said they enjoyed the trip and appreciated the opportunity to see a bit of Europe.

"We were able to tour quite a bit," he said. "And we got a chance to experience European life. I think they have a much better feeling of what Europe is all about."

A brief itinerary details some of the high points of the trip:

Day 1: Leave Husson College 10:30 in the middle of a snow storm. Travel to Boston's Logan Airport and meet rest of team. Flight delayed 6 hours due to engine trouble. 11:35 p.m. take off for Brussels.

The team outside their 4-Star Hotel

Day 2: Good flight over. Land 11 a.m. Brussels time. Transferred to Hotel Carrefour De'L Europe, a beautiful, four-star hotel in the heart of Brussels. Spend day walking throughout Brussels, highlighted by the sight of the Grand Palace. After a gourmet dinner at the hotel, spend the evening experiencing the capital of Europe.

Day 3: 8 a.m. Transferred by bus to Sittard National Sports Centrum. Afternoon practice goes well, except for the rubber balls. Living quarters remind kids of summer camp. Evening is spent in downtown Sittard, where we are able to meet and talk to local people. People speak English well and are very friendly.

Warren Caruso, Tony Tobin, Jim Watkins, Brian Jefferson, Rick Sinclair, Ray Alley, Victor Garay, Jeremy Durost, Xavier Joyner, Kevin Moore, Wayne Ireland, Rick Mazurek, Dwayne Knowlton, Ed Gerald, Brian Alley, Bruce MacGregor and Obadiah Johnson.

Napolean Square with Eiffel Tower in background

Day 4: Morning breakfast not up to par. Hard-boiled eggs and bread. Morning shoot around to prepare for evening game in Germany. Leave Sittard at 4:30, expecting an hour and a half drive. Turns out to be 2 3/4 hours. Arrive at 7:45 for a 7:30 game. Tip-off finally at 8:15. Husson plays well in the first half and trails 52-51 . But run out of gas in the second half and lose 103-80 to Tus Hieten of Germany. The team treats us to a wonderful meal at a nearby restaurant.

Arc de Triomphe, Paris, France

Day 5: Everyone is up early, 5:30 a.m. for a five-hour bus drive to Paris, France. It is raining again, but as we arrive in Paris at 10 a.m., the sun starts to come out. Paris was the highlight of the trip, from the Cathedral of Notre Dame to the crowded streets, to the Eiffel Tower. Return home around 11:30.

De Basilick Sucre Coeur or Holy Heart Church, Paris France

Day 6: Another early wake up, 7 a.m. as to day we travel to Amsterdam, The Netherlands. Arrive 9:30 a.m. and spend the day walking the interesting streets of Amsterdam. If you name it, you can find it in Amsterdam. The city has 1000 bridges and hundreds of miles of canals. Some of the team spend an hour on a boat tour of the city. Return home to celebrate New Year's Eve, Europe's biggest holiday. The team would spend the night at "The Pepper Mill," a disco that holds more than 6000 people. Other spend the evening in Sittard Square and are treated to fire works and friendly hospitality.

Day 7: New Year's Day without Bowl Games was tough. Practiced in the morning and scrimmaged a team from a nearby NATO base. This was a day to relax and recoup from all the travel.

Day 8: Afternoon game against BSW Wurt, a Division II Dutch team. The Braves win 88-65and start preparing for the second half of their season. The evening many take a train to visit a small town, Ualnburg.

Hotal -- Sittard, Holland

Day 9: Spend the day relaxing at the complex and shopping in Sittard. Play that evening in Belgium against St. Truiden. Husson wins again 80-67. After the game the team is treated to a meal.

Day 10: Transfer by bus to Brussels airport. Discover we have been bumped from our flight for more fuel due to bad weather in Boston. Finally, they send us to New York City where we wait forever and spend the night in the Big Apple. The day lasted 18 hours and we still aren't home yet!!

Day 11: Fly from New York to Boston. Then take bus from Boston to Bangor. Arrive home at 2:30 p.m.

The Braves would record their 7th straight win to push their record to 23-3. Rich Mazurek paced Husson with 19 points and Kevin Moore added 10 points and 10 rebounds.

2/16/94 **Husson 90 St. Joseph's 79**
Newman Gym was packed and the Braves did not disappoint their home crowd. Husson opened the game with a 12-2 run and never trailed to avenge an earlier season loss. Ray Alley led the way with 33 points, while Freshman Kevin Moore chipped in 10 points and 10 rebounds.

2/19/94 **Husson 101 Green Mountain College 67**
Husson traveled to Vermont and exploded to a first half lead 62-21 and cruised to victory. All thirteen players scored with Ray Alley leading the way with 31 points, while Rick Mazurek and Bryan Jefferson added 11 and 12 points, respectively.

2/20/94 **Husson 95 Westbrook College 110**
The Braves brought a nine-game winning streak to #10 Westbrook College, only to have it broken. Westbrook came out firing, hitting on 7-8 from the 3's to open the game. Kevin Moore led the way with 24 points and 10 rebounds. Obadiah Johnson chipped in 23 points, while Ray Alley had 15 points and Bryan Jefferson had 12 points.

2/28/94 **Husson 95 Univ. New England 85**
Husson received a bye to semifinals and saw Ray Alley explode for 16 of his 38 points in the first six minutes. An early 11-2 run in the second half would put the game out of reach. Rich Mazurek had 16 points and 7 rebounds, while Kevin Moore added 14 points and 10 rebounds and Obadiah Johnson chipped in 13 points.

3/1/94 **Husson 87 Univ. Me Presque Isle 86**
This game featured everything a championship game should-drama, big plays, and great effort from both teams. Husson powered the ball inside to Kevin Moore, who finished with 17 points, 14 rebounds, and 5 blocks, while UMPI bombed away from the arch hitting eleven 3's for the game. Tournament MVP Ray Alley hit two free-throws with four seconds left to seal the victory, finished with 23 points. All-Tournament selection Rich Mazurek tossed in 13 points and Bryan Jefferson added 11 points and 5 assists.

3/10/94 **Husson 84 Northwest Nazarene 114**

The #11 ranked Braves would make their fourth trip in six years to the National Tournament, and take on the host of the Tournament. In front of a capacity home crowd of over 5,000 people, it would not be Husson's finest hour. Husson could not get out of the gate, and the host, Northwest Nazarene fed off of the emotion of their crown. NNC would shoot a sizzling 14-26 (54%) from 3-point range including 7-10 in the second half. Ray Alley capped his career with a 28-point performance and did all he could to keep the Braves in the game. Kevin Moore added 10 points and 9 rebounds while Rick Sinclair tossed in 10 points off the bench. NNC would go on to advance to the Final Four.

National Administrator of the Year Award

The National Association of Intercollegiate Athletics (NAIA) has selected D. Bruce MacGregor of Husson College, Bangor, Maine, as the 1993-94 NAIA Administrator of the Year.

MacGregor said he was very surprised to learn that he had been named by the NAIA as Administrator of the Year. "Once that reality set in," he said, "I felt a great sense of humility and of pride to have been honored with such a prestigious award."

MacGregor, a tenured professor and men's basketball coach at Husson, has racked up 545 college basketball victories and holds the title of winningest active coach in New England. The 12-time Coach of the Year is ranked in the top 10 in the NAIA for number of wins and winning percentage in basketball and has earned championship titles in golf and baseball. As a coach, he has conducted clinics in Somalia and Djibouti, Africa, and numerous other countries.

Outside of coaching, MacGregor served as the District 5 chair for three therms and as vice chair for the prior six year. He was named a member of the NAIA Division II Men's National Basketball Tournament Committee and the National Basketball Coaches' Association. His leadership has also included serving as honorary chair for the Eastern Maine United Cerebral Palsy Telethon, as chair for the Cancer Walk-a-thon, chair of the R.S.V.P. Committee, which benefits retirees in Bangor, Maine and as a faculty representative of the Husson Board of Trustees.

Governor John R. McKernan, Jr. was quick to offer his congratulations. "As Governor of the State of Maine, it is a pleasure for me to extend my congratulations and best wishes to Husson's Coach Bruce MacGregor for his success. He has done a great job in encouraging the members of his team to succeed."

Husson College President Dr. William H. Beardsley also spoke highly of MacGregor's accomplishments, "Bruce is exceptional in that he exemplifies the wedding of athletics, academics, and governance," Beardsley said. "He is a leader at Husson. He has served as vice president of the faculty, is a tenured full professor, a coach in two sports, a fund raiser and a part trustee."

"His leadership in the NAIA in Maine, New England, and nationally, along with his trips to rural high schools in Maine, his fund-raising to take his teams to Europe to compete, his service to the U.S. State Department as an ambassador running basketball clinics in East Africa, and the unsung things he does, like the regular study halls and a home-away-from-home atmosphere he provides for his players and other students, are all a measure of the qualities of this extraordinary man. He deserves to be recognized for his efforts and accomplishments over the years and we at Husson are extremely proud that he is a part of this college community."

MacGregor noted that Husson has always supported his involvement in NAIA activities. "Husson College has given me the opportunity to be involved and has encouraged all of us to work with our national organization," he said, "and I'm grateful to the college for that opportunity."

Richard Meader, the commissioner for Maine Athletic Conference, noted that MacGregor had provided "dynamic leadership" in District V and beyond. "Under his guidance, more women have become active in district committees, women's programs have increased at the district level, and the quality of our district events has improved immensely," Meader said. "Our annual district convention involves more of our constituents and promotes NAIA to the New England states. Bruce is the man who has made it happen. He deserves the highest recognition the district and national organization can bestow."

MacGregor has been active in the NAIA affairs for most of his college coaching career. He has served nine years as the District % Chair, serving approximately 18 schools in the New England area. He also previously served six years as the vice chair for the district.

His teams have made 22 appearances in the NAIA New England Tournament during the past 26 years and have gone to the National Tournament seven times, including five times in the past seven years.

In addition, MacGregor has had a distinguished teaching career at Husson. He has represented the faculty in a number of leadership roles and is currently the vice president of the Faculty Forum. He will serve again as its president during the 1995-96 year. He has been elected teacher of the year at the college and is the cochair of the faculty for the Campaign for Husson, the College's Capital Campaign. He received the Service Award from the Husson College Alumni Association during Homecoming festivities this month.

MacGregor is involved in community affairs and is active in Rotary. He's been active with the Big Brother program, United Cerebral Palsy and was cochair for the local chapter of the American Cancer Society.

Braves' Graduates

At Husson College, the men's basketball program has had its fair share of success on the hardwood. A great deal of time and hard work has gone into those achievements, but our basketball achievements would never outweigh our accomplishments in the classroom. Over the last 26 years, 92% (66-72) of the student athletes who participated in their last year of playing or eligibility have graduated with degrees from Husson. Most of these men have gone to be business and community leaders.

Graduating seniors Rich Mazurek, Dwayne Knowlton, and Scott Brown.

Degrasse and Kenyon Awards

Each year two awards are given to male basketball players. These awards are very important to our program. They are the Nelson Degrasse Award and the Allan Kenyon Basketball Scholarship. The Nelson Degrasse Award is given to an individual for his athletic ability, courage and good sportsmanship. The award has been given since 1969, and as the award states, "its aim is to keep alive in the minds of those who follow, the immortal image of a great American. We, who remain, proudly present our everlasting tribute to those whose standards can equal those of Nelson Degrasse." The 1994 winner of the Nelson Degrass award was senior Rich Mazurek. Rich graduated in the spring (1994) with a Business Administration degree. Rich was a fierce competitor and a winner on and off the floor

An annual scholarship has been presented since 1978, to the male basketball player who best exemplifies former Assistant Coach Allan Kenyon's dedication and love for Husson College Basketball. The award was conceived in the emergency room at Eastern Maine Medical Center while Coach Kenyon's wife Linda and Coach MacGregor waited for word on an extremely sick Coach Kenyon. As Coach passed away that evening the scholarship grew rapidly from donations given by friends of the very popular Coach. Coach Kenyon coached during some of the most successful years for the Braves and his caring nature, sense of humor, and teaching ability left a mark on the program that will also be appreciated and remembered through this scholarship. Xavier Joyner, senior, was the 1994 winner of the Alan Kenyon Scholarship. Xavier's hard work and commitment to winning would have been greatly appreciated by Coach Kenyon.

Sometimes the game is really won in the stands.

Yelling until your throat is hoarse. Knowing every player's name and stats. Sweating and worrying until the game's over and your team wins. You hope.

Sometimes fans put as much into a game as the players. And your part can make the difference between winning and losing. You can inspire the athletes to new heights. Just as they can inspire us all to reach for something higher.

Key Bank salutes you. Because without fans, a game is just a game.

This season should be an exciting one for the Maine Athletic Conference. University of Maine Machias enters their first year in the conference, after being an independent last year. The teams making up the conference are Husson College, Thomas College, Univ. ME Farmington, Univ. ME Machias, Univ. ME Presque Isle, University of New England, and Saint Joseph's College.

All seven teams are poised to challenge 1993-94 conference champion Husson College for this year's title. Husson 28-4 last year returns a solid cast to defend their title. UMPI will look to make a strong run this year as they return all five starters from last season's squad who lost by one in the finals. Saint Joseph's College, a semi finalist last season returns a solid group and has an strong recruiting class as they will make a strong bid for the title. UNE, the other semi finalist from last season look poised to make another run this year. UMM entering their first season in the MAC is no stranger to winning conference championship as they won 11 straight North Atlantic conference titles (83-93). UMF returns all their key competitors from last season and were never out of a game, will look to put things together and make a run at year's end. Thomas College graduated two all-conference players will depend on young people to compete for the title.

This year's conference "final four" tournament will be held at the Bangor Auditorium, February 26 and 27. The winner of that tournament will advance to the National Tournament in Wampa, Idaho at Northwest Nazarene College March 8-14.

A *MOST* UNUSUAL GOVERNOR'S RESTAURANT

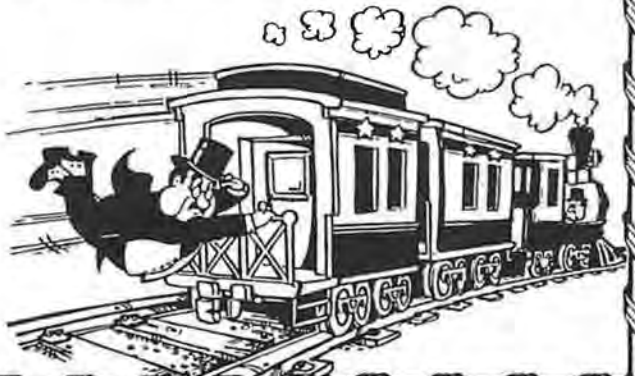

Back in 1960, the sliding window at a little ice cream take-out was slid open for the first time. Owned and operated by Leith & Donna Wadleigh, "Creemee's" came into existence. The orignal idea was to sell ice cream year round. But, as is the case with many "great" ideas in Maine, the reality of what effect winter would have came to roost on the Wadleigh's little stand with the first snow. So, for the first two years, "Creemee's" was open and serving terrific ice cream from Mother's Day until the end of October.

At the end of two years, a sit-down lunch counter was added and then, to ensure year-round employment, the Wadleigh's opened a full service restaurant with a dining room and waitresses. Of course, with all the changes taking place, Leith & Donna thought a new name would be in order. Now Leith could remember how to build the best hamburger in town, and recite the ingredients of his famous strawberry pie in his sleep, but remembering customers names was something else. All of the regulars were greeted with "*Hi ya Governor!*". Seeing as it was the customers who really made the restaurant what it was, Leith & Donna decided to name the new restaurant in honor of all those folks...thus, "Governor's" was born.

Over the past thirty years or so, "Governor's" has grown to three restaurants, all with the primary goal of providing good wholesome food in a family dining atmosphere at prices a family *could afford*.

Since the first "Governor's" opened, the Wadleighs have gone the extra step to insure their homemade pies, cakes, bread and rolls are the tastiest and freshest available (our bakers start each day at four in the morning), and making sure the "Daily Specials" truely are *special*. Thanks for making "Governor's" what it is today,and enjoy your meal!
