Husson Softball
"A Reflection"

It goes without saying that an athlete aspires with every ounce of life blood to be a competitor and to win the game. It also should be noted that a real team is like a family -- a support system for each team member in time of need. The current softball team and the coaching staff exemplify a true support group in its purest sense. The death of Crystal Hinton's father was bereaved by the whole group and the 1991-92 season was dedicated to Mr. Hinton, one of the most supportive and kind people whose love for athletics was obvious. In the same season, another step-father was also suddenly lost and the team expressed its support to Michelle Provencal as well.

Through tragedies such as those eluded to above, lessons in the real scheme of life were learned. Life was made "real" and growth and development resulted. Athletics and winning were more easily placed in proper perspective.

The wins and losses will fad as time passes. Friendships and memories of the times shared will last a lifetime. Having touched each other's lives, we are better people.

Michelle Duchette--Outfield

Michelle is a freshman majoring in Paralegal at Husson. She is a Dean's List student. Michelle graduated form Lewiston High School where she played softball. Michelle is a true team player with much knowledge of the game of softball. She will see her playing time in the outfield and as a designated hitter.

Amy Dyer--Pitcher/Infield

Amy is a freshman majoring in Sport Management at Husson. She is a graduate of Belfast High School where she played field hockey, basketball, and softball. At Husson, Amy plays basketball and softball. For the softball team, Amy will be pitching and playing first base.

Angeline Grant--Infield

Angeline is a freshmen majoring in Accounting at Husson. Graduating from Mount Desert Island High School, Angeline played basketball and softball. For Husson, she also plays basketball and softball. She has worked hard during the pre-season and should be a solid contributor to the softball team. Angeline will be playing first base.

Good Luck
Crystal

Crystal Hinton--Pitcher

Crystal is a junior majoring in Accounting at Husson. She is a tri-captain. She graduated from Calais High School. At Husson, Crystal has played basketball, volleyball, and softball. Softball is her favorite sport; she was the co-MVP on the 1991 team. Crystal works hard year-round and has earned much creditability as an outstanding small college pitcher.

Chris Longtin--Catcher/Infield

Christine is a Dean's List sophomore majoring in Accounting at Husson. She graduated from Brewer High School where she was an outstanding athlete in basketball and softball. Christine is a true leader for the team. Her knowledge and love for the game inspires her teammates. Christine will be catching and playing first base.

Zita Maloon--Infield

Zita is a two-year senior majoring in Medical Assisting at Husson. She is from Exeter, ME and graduated from Dexter Regional High School. At Husson, Zita is a significant contributor to both the soccer and softball teams. In softball, she plays second base. Zita's strongest part of her game is her offense as she is an excellent hitter who loves to score runs.

Angela McPeek--Outfield

Angela is a junior majoring in Marketing at Husson. She is from Mexico, ME and graduated from Mexico High School where she played softball. At Husson, she will play outfield. Angela is a team player who displays good knowledge about the game.

Michelle Provencal--Infield

Michelle is a junior majoring in Business Administration at Husson. She is from Woodstock, NH and graduated from Lin-wood High School. While in high school, Michelle was an outstanding softball player who earned All-State honors. At Husson, Michelle has been a solid contributor to the softball team's success. She has played in the infield and served as a designated hitter as well. Michelle has a .331 career batting average after two years of play.

Stephanie Shaw--Catcher/Infield

Stephanie is a freshman majoring in Sport Management at Husson. She graduated from Maine Central Institute in Pittsfield, ME where she was an exceptional athlete, competing in soccer, basketball, and softball. She was selected to the All-Maine Team in high school in softball and basketball. At Husson, Steph was a solid contributor to the very successful basketball team. Steph will share time behind the pate with Chris Longtin and will also play third base. She is an excellent hitter.

Sharon Siebert--Outfield/Infield

Sharon is a senior majoring in Paralegal at Husson. This is Sharon's second major as she graduated last year in Finance. Sharon has played softball for three years. In 1989, Sharon was an NAIA All-District #5 player and an MAIAW All-State player at second base. After two years of not playing, she is a welcomed player to the squad. She graduated from Deer Isle-Stonington High School where she was an exceptional athlete competing in basketball and softball. At Husson, Sharon played four years of basketball holding school records in scoring and rebounding.

Lorie Stevens--Outfield

Lorie is a senior majoring in Marketing at Husson. She is a tri-captain. Lorie has been a captain on the softball team three out of her four years. She graduated from Bucksport High School, where she played soccer, basketball, and softball. At Husson, Lorie has played soccer, basketball, and softball. In softball, she holds many school records with still the 1992 season to play. Lorie was an NAIA All-District #5 and an MAIAW All-Star outfielder her junior year.

Sue Teeney--Infield

Sue is a junior tri-captain majoring in Business Administration at Husson. Sue is from Unity, ME and graduated from Mount View High School where she was an outstanding athlete in soccer, basketball, and softball. At Husson, she plays both softball and soccer. She is a catcher with much flexibility; she will see most of her action at third base. Sue swings the bat well and has a career batting average of .387 which is a school record. In the 1991 season, Sue hit .417 and led the team in RBI's.

Nicole Wyman--Outfield

Nicole is a freshman majoring in Business Administration. She graduated from Livermore Falls High School where she played three sports-field hockey, basketball, and softball. In softball, Nicole was selected to the All-Star First Team for her conference. For Husson she will see much action in the outfield.

Lori Yanush--Infield

Lori is a freshman majoring in Accounting at Husson. She graduated from Old Town High School where she was an outstanding athlete. As a softball player, she was selected to the Penobscot Valley Conference First Team. Lori will see much action as a shortstop for Husson as a freshman.

Valerie Tefts--Manager

Valerie is a senior majoring in Business Management at Husson. She is from Easthampton, MA and graduated from Holyoke Catholic High School. Valerie is Husson's "All-Star" Manager. She is most instrumental to the team's success. Valerie is an extremely dependable and supportive manager. She is enthusiastic and sportmanlike.

Shannon Whiting--Head Coach

The 1992 Softball Team is under a new head coach, Coach Shannon Whiting. Whiting played at Husson for three years and was an outstanding left fielder. After playing, she served for five years as Husson's assistant coach, under Coach Pam Hennessey.

Coach Hennessey will serve as consultant for the 1992 softball squad. She retired from the head coaching position after many years at the helm. Hennessey had been the head coach longer than other coach in the State of Maine at the Division III/NAIA level.

Coach Hennessey was the founder of the softball program in the early 1970's at Husson. She also coached a highly successful women's basketball team for ten plus years. Hennessey is currently Husson's Athletic Director.

Husson Softball--An Overview

Husson College Softball is well established. The current coaching staff has been involved with the program for many years.

The team plays 25-30 games and competes in District #5 NAIA and the Western Maine Athletic Conference.

The Husson squad has been a repeating post-season tournament team and is recognized as a top contender in the District. Several players have received All District and All Maine honors. In addition, players have been selected as Academic All-Americans.

Since Husson is an NAIA College, it recognizes talented exceptional athletes with athletic scholarships. This is an outstanding recruiting tool.

Husson has a program which addresses each student's academic responsibilities. Academic progress is closely monitored and study halls are available. The results speak for themselves as the team's grade point average is higher than that of the typical college student. The academic majors of the 1991-92 team are wide spread in the curriculum including accounting, marketing, business management, sport management, medical assisting, and paralegal studies.

A high point for the Husson team is the recent addition of the Florida Spring training trip. The team flies to the warm south and practices and plays a number of games against NAIA, NCAA Division I, II, and III teams. This spring trip allows the team to ready itself for the upcoming season.

The Husson program has high aspirations for the future. The sport is the second most popular one in the District surpassed only by men's and women's basketball.

Florida Spring Training

The Husson Softball Team is among the "elite" in the state of Maine. It is the only small college which flies to Florida to participate in Spring Training.

The experience is something the team plans for and looks forward to throughout the College year. The Husson squad flies out of Bangor during the "Spring Break." It practices and plays a number of games against good competition. The team has practice fields available throughout the day for its sole usage.

Husson stays in a local motel in the Fort Pierce area, practicing and playing games on the city's fields. At least one night contest is played under the lights as well. In addition to the "work" portion of the trip, some fun is included. The team has opportunities to relax by the pool, go to the local beaches, and to engage in other pleasurable activities. They attend local professional baseball team's Spring Training games, and travel to Disney World and Epcot Center among other things.

The "Florida experience" certainly has played a tremendous part in the success of the team when it returns to Maine for the regular season of play. The Northeast region's weather is not conducive to early outside practices and without the Florida trip, the team often played its first game without having enjoyed the benefit of practicing in the out-of-doors.
