DEDICATION

The Yearbook Staff is pleased to dedicate this 1997 edition of the CHIEFTAIN to Dr. Janet L. Kinney.

Dr. Kinney is retiring this May after serving the college for forty years. She has been a devoted and faithful member of the Husson College community. She started her teaching as an instructor in the Department of Secretarial Science in 1957 and became head of the department in 1971.

Through the years, Dr. Kinney has seen many changes take place. The first big change was the move from the "Friendly School on the Hill" (Park Street) to the present campus. Her department, Secretarial Science, has had such names as Office Science, Office Administration, and is presently known as the Professional Studies Division. This division houses the programs of Business Teacher Education, Court Reporting, Paralegal, Medical Assisting, and Administrative Assistant.

Dr. Kinney plans to do some traveling when she retires. The Husson College Chieftan Staff wishes her nothing but happiness in her future endeavors. She will missed dearly by her students, the faculty and staff here at Husson.

PRESIDENT'S MESSAGE

The academic year of 1996-97 has been a year of growth and success. You, the members of the class of 1997 are responsible for that success. You came to us from all across the United States and from five continents around the world, and you leave us with sound academic credentials and limitless career opportunities.

Husson has come a long way from the tiny college with classrooms in a downtown Bangor office building in 1898. Husson now has sites in Portland, Caribou, Augusta, Lewiston, and Bangor. This year we graduated more students than any other private college in Maine. We have moved onto the information superhighway, but still maintain what Husson is known for: a teaching faculty, a career orientation, and a strong sense of community.

As you leave us to pursue your career, remember, we will always be your college. We need your thoughts, ideas, and support if we are to continue to serve you and future generations. Your role as an alumnus is an important one, and we hope that you will use the skills you learned here as a foundation for making your mark on the world.

Good luck and Godspeed.

William H. Beardsley, President

HUSSON BEATS UMO

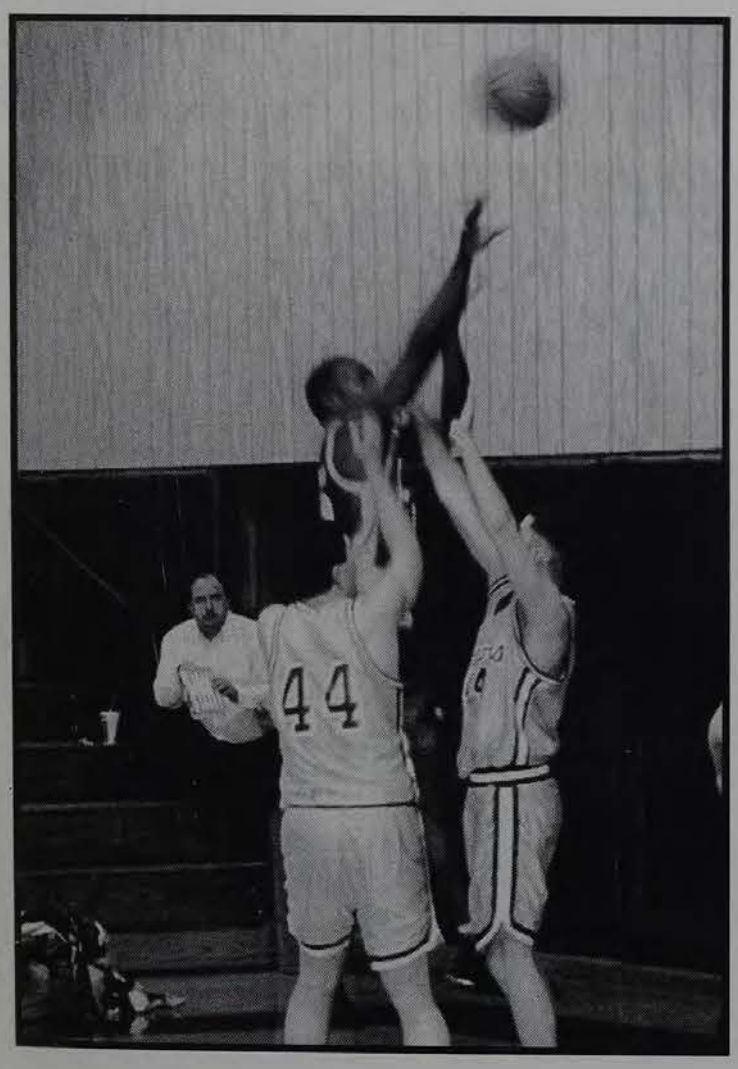

On December 3,1996, the Husson College Men's Basketball team beat the University of Maine Black Bears 73-72 at the Alfond Arena. It was probably the highlight win of the season for the Black Bears.

Husson came out early in the game and took a 9-2 lead, leaving the Black Bears surprised. At half time Husson was down only by 7. With 1:26 left in the second half, Husson started making their magic come alive with baskets from Mic Dyt and Tony Tobin. Husson sent UMaine's Dade Faison to the line for a 1-1 with 22.3 seconds left, who missed it, Brian Alley grabbed the rebound. With 6.9 seconds left, Husson called a time out. Mic Dyt hit Chirs Funk with a bounce pass from the corner, he let the ball go hitting a three pointer. Giving Husson a 73-72 victory over UMO. After the game, Chris Funk said "he knew it was his shot."

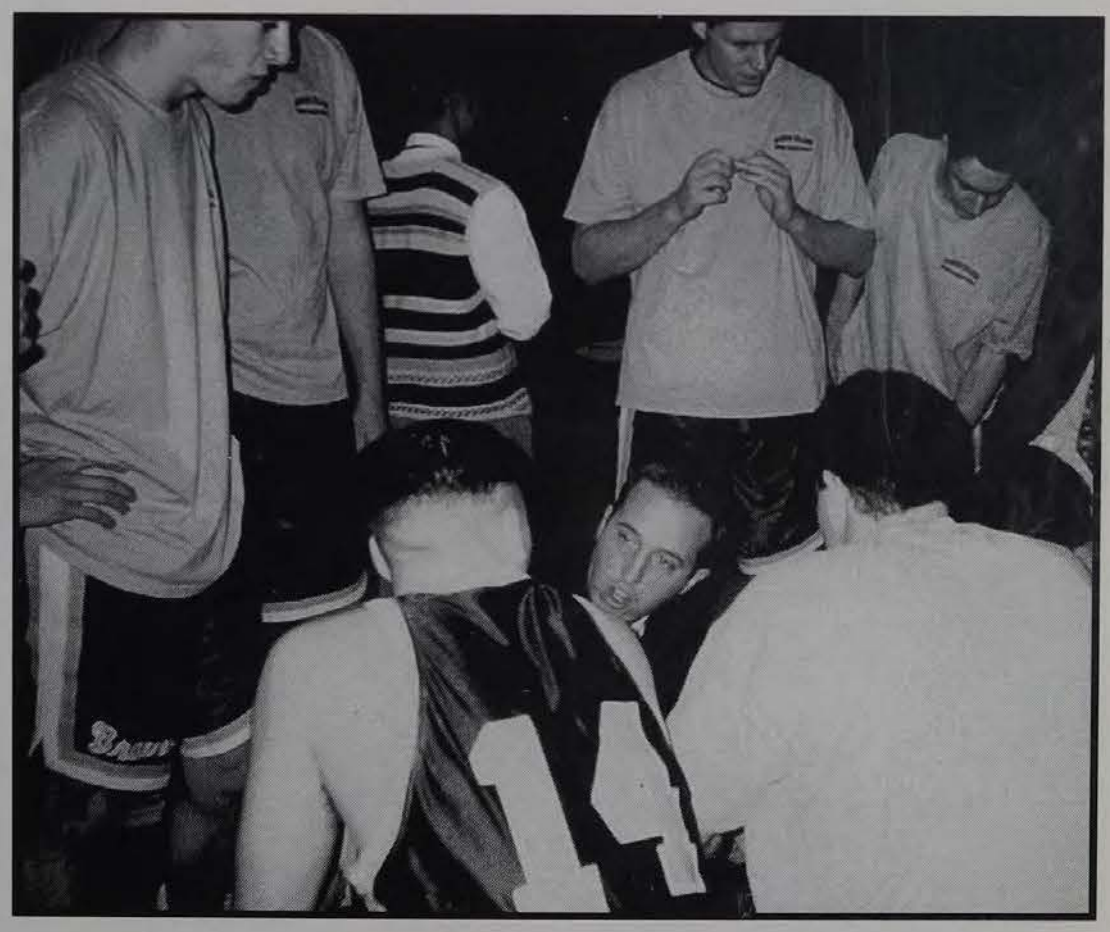

They captured the MAC title with a 87-85 win over St. Joseph's College. They went on to play Pacific College a school in Oregon in the NAIA National Championship Tournament held in Nampa, Idaho.

BILL RASMUSSEN, FOUNDER OF ESPN SPEAKS AT HUSSON

Bill Rasmussen, the founder ESPN, spoke about "The Founding of ESPN", on Wednesday April 2, in the Campus Center.

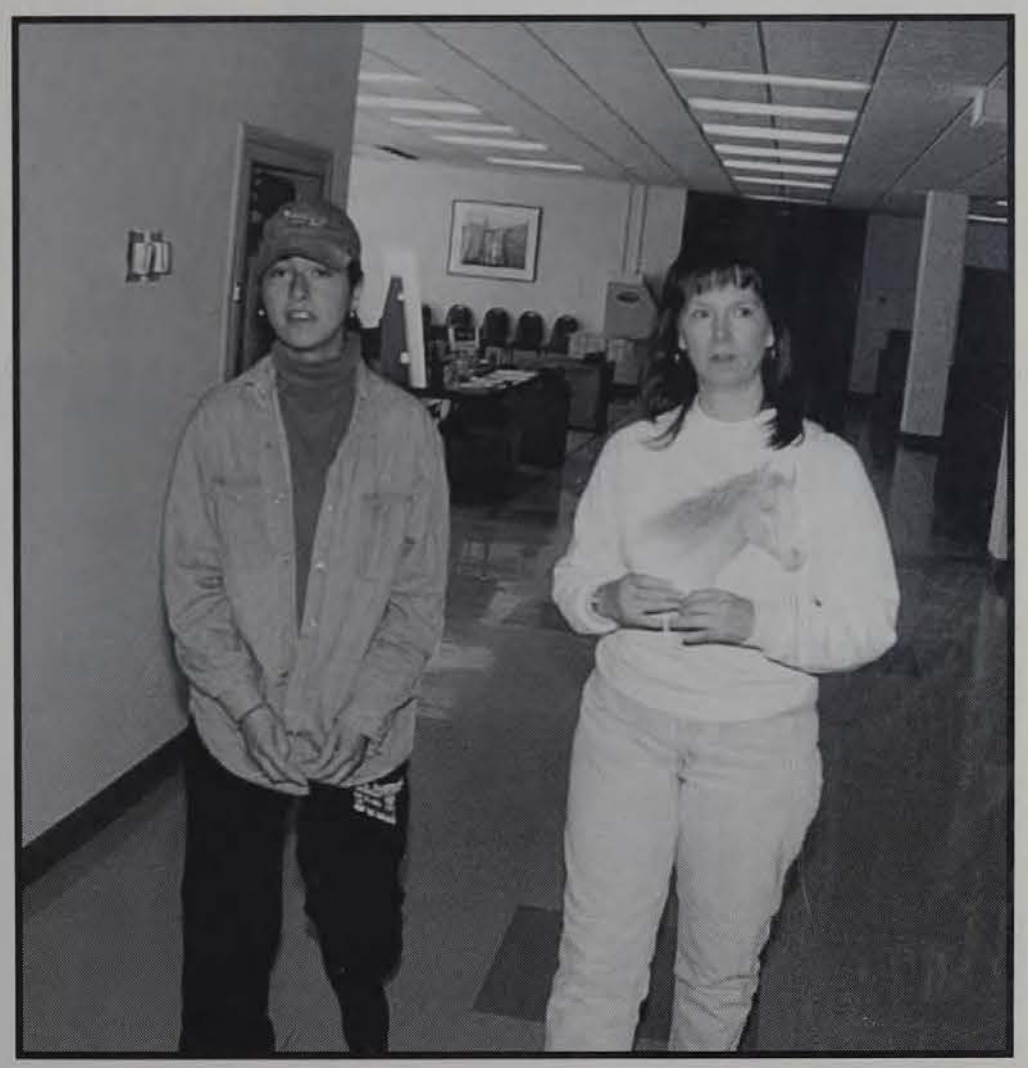

Mr. Rasmussen said it was his love of sports and the people who watch, play, and compete in its many variations that triggered the creation of ESPN. Facing unemployment, and armed with just $9,000 in credit card loans, Mr. Rasmussen crated cable television's total sports network. Today ESPN is TV's largest network that reaches more than 63 million U.S. homes and is delivered in 11 languages to 120 countries worldwide.

In 1994, he was honored as one of the 40 individuals who have had the greatest impact on the world of sports over the past 40 years by Sports Illustrated.

RAPE AWARENESS WEEK

Rape Awareness Week was held from September 30 to October 3, 1996. The purpose of the week was to make students more aware of the crime of rape. The week kicked off with Kathy Walker from the Rape Response Services, speaking about rape in our society. This was followed by two plays in Kominsky Auditorium about the issue of rape. The week ended with Rev. Bob Carlson speaking to the students about "Rape Awareness as a Moral Issue." The winner of the banner contest were announced. They were as follows: First Place- 4th Level Hart; Second Place- Kappa Lambda; Third Place- TKE. Each winner received a gift certificate to a place of their choice.

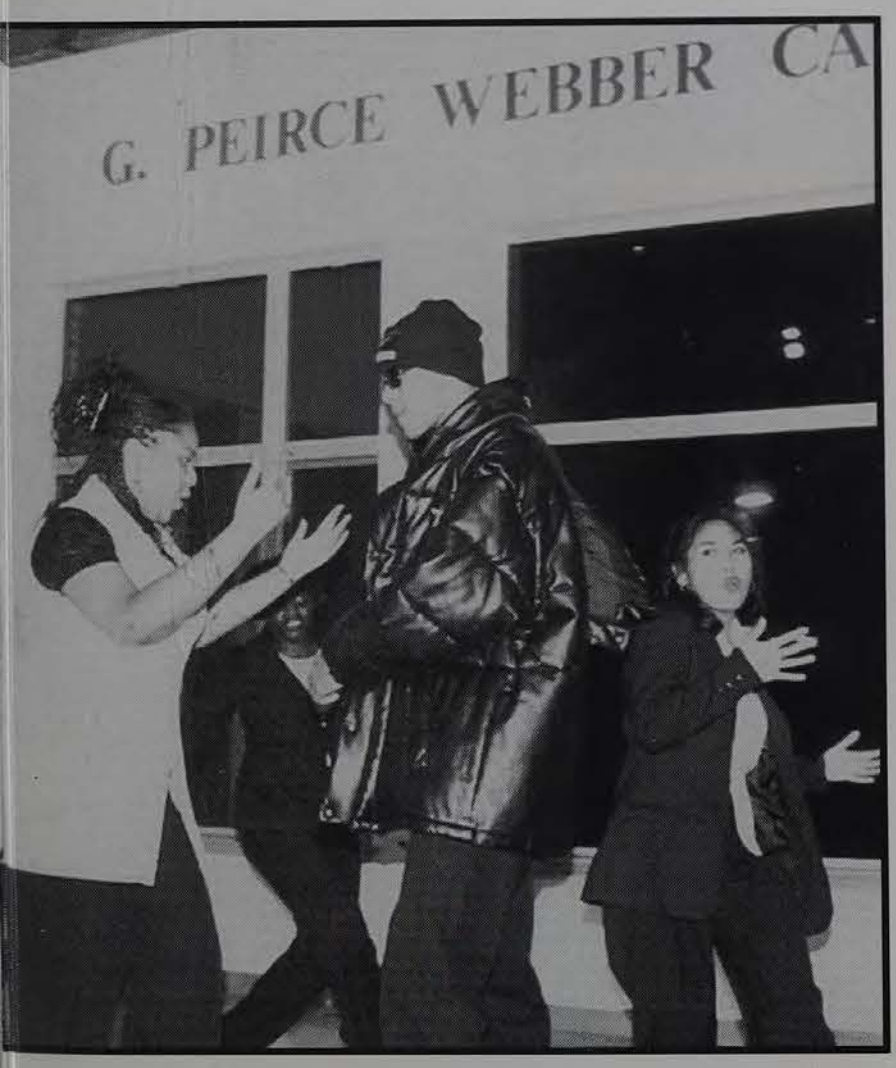

ALCOHOL AWARENESS WEEK

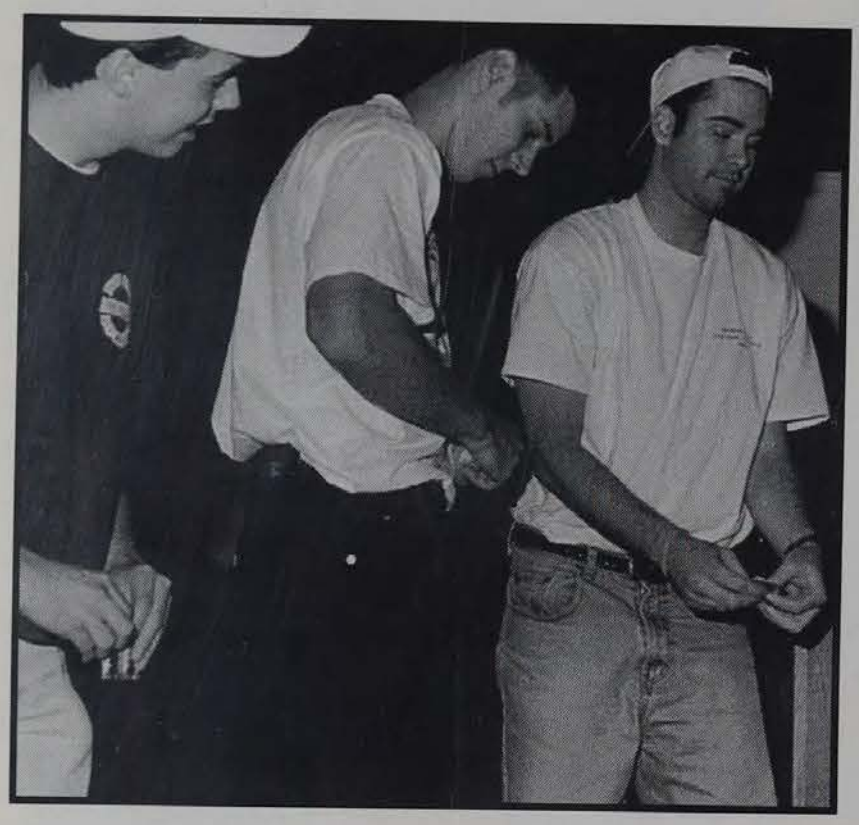

Alcohol Awareness Week was held the week of October 21-25. The week kicked off with a movie called "Leaving Las Vegas". Tuesday night brought back the tradition of bowling night. Probably the best attended event of the week was the mock cocktail party and Lip Sync contest. The students and staff packed the campus center to hear some memorable routines such as "I got you babe," and "The devil went down to Georgia."

Heather Lessard, Crystal Burgess, Dare Officer Stevens, Misty Coolidge, and Shannon Pike pose for a picture.

AIDS AWARENESS WEEK

The Husson College Community observed AIDS Awareness week from October 14-18. It was sponsored by the Student Life, and the Student Activities. The week included some of the following events: a food drive held by the Greek community, a presentation at the D.D.C. that featured games, and a guest speaker from the Eastern Maine AIDS Network. During the week red ribbons were passed out in observance of the week.
