Coach

This will be "J.K.'s" first year as Coach of the Husson Braves. He is a 1985 graduate of Hussn College where he played on the baseball team. He has been an Assistant Coach at Husson since his graduation. He has also been active with the Bangor Legion Baseball Team for the past five summers. In 1987, his first as the head coach, he led the Bangor team to a 2nd place finish in the State Tournament. "J.K." also coaches the Women's Soccer Team at Husson.

A freshman who will play a vital role in the Braves season. Kevin is a fierce competitor who never gives in to a batter when on the mound. He will add depth and quality to the pitching staff. He currently is the number three or four pitcher in the rotation. He is coming off a fine high school senior year that included a no hitter against Hampden Academy, a one hitter against Bangor High, and a two hitter against Brewer High School.

A fine person, excellent student, and quality baseball player all describe Jamie. Last years team MVP returns to bat fourth in the line-up and to fill the number two spot on the mound. A deans list student who is well-respected by his teammates. This is shown by his selection to be a captain for the 1989 season. Look for Jamie to have another banner year.

**#17 JOHN JORDAN, Of/P**
5'8", 155 lbs. - Junior
Th/R - B/R
Hometown: Bangor, Maine

Last season saw John develop and mature into the player that everyone had predicted he would be. He hit over .400 and became a reliable starting pitcher. John, who is one of the fastest players in New England, is a threat to turn every single into a double or triple. It is possible that he can steal 20 bases this season. An early season appendicitis operation has slowed his preparation for the upcoming season.

Chris looks to improve on his disappointing performance last season. A steady defensive 3B who must cut down on the number of his strike-outs. A fine person who never complains. Upon his graduation in May, Chris would like to become a graduate assistant coach in baseball at a Southern college.

Th/R - B/R
Hometown: Charleston, Maine

A sleeper. Tim may not become a great collegiate player, but he will be a steady and reliable one. He must make the transition from catcher to third base. How quickly he learns to hit the off speed pitch will have a lot to do with his amount of playing time.

**#3 DENNIS LALLY, 2B**
5'11", 170 lbs. - Senior
Th/R - B/R
Hometown: Bucksport, Maine

One of only four seniors on this year's ball-club. Dennis was moved from shortstop to second base in the fall. He responded with his best fall yet. It seems that the shorter throw made Dennis relax more, thus a better performance. All eyes are on Dennis to be the leader of the middle infielders this season.

5'10", 175 lbs. - Freshman
Th/R - B/R
Hometown: Jonesport, Maine

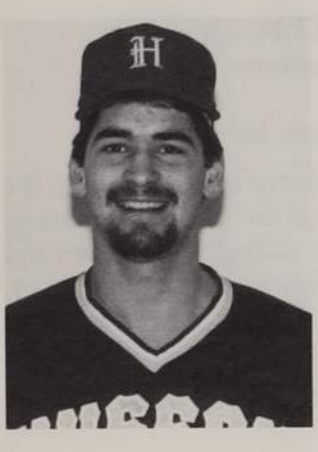

Bill has not played a lot of baseball due to the weather in the area of the State of Maine in which he is from. His willingness to learn and listen will increase his baseball knowledge. The more he learns the game the deeper the Braves will be up the middle.

**#35 LLOYD ROSS, C/P**
5'10", 160 lbs. - Junior
Th/R - B/R
Hometown: Tabusintac, New Brunswick, Canada

Lloyd has developed into a fine defensive catcher with a strong and accurate throwing arm. He will probably play a bigger role this season from the mound. The fall season showed that with some work Lloyd could be an asset to the pitching staff. Look for Lloyd to see a lot of playing time out of the bullpen as a short reliever.

**#21 JOHN SHAW, P**
6'2", 195 lbs. - Junior
Th/R - B/R
Hometown: Caribou, Maine

John is looked upon to be the "stopper" of the 1989 Braves pitching staff. He had a fine season last year that included a two hitter against the University of Maine and a one hitter against the University of Maine at Presque Isle. John is a hard worker who enjoys the game of baseball greatly.

**#33 MIKE STAPLES**

Hometown: Kennebunk, Maine

For the third year in a row a senior who has not played baseball in high school has come out for the team. For the third year in a row the team will benefit from that decision. Mike will be used as a spot starter and the long relief man out of the bullpen. His delivery is deceiving and he is working on a knuckleball.

**#16 SEAN SULLIVAN, Of/Inf**

Th/R - B/R
Hometown: East Corinth, Maine

Mr. Utility. He should get plenty of playing time. This playing time will be divided up between 6 different positions (2B, SS, 3B, LF, CF, RF). His ability to play more than one position makes him a valuable member of the 1989 Braves. Sean is a contact hitter, who runs fairly well, and can make things happen.

A welcomed addition to this year's team. Cory is a fine person and an ever improving baseball player. He is so quiet that at times you forget he is there. His bat has shown some punch in the pre-season. With people like Cory in the Husson Baseball Program only good things can happen both individually and team wise.
