Commencement Speaker

PETER N. KYROS

Congressman—First District

United States House of Representatives

Husson College's commencement speaker, the Honorable Peter N. Kyros of Portland, has chosen "Your Future and Maine's" as the theme for his address.

As Maine's First District Representative to the United States House of Representatives, Mr. Kyros received the commendation of the National Education Association in 1970 for his support of fiscal measures to strengthen education.

Mr. Kyros' major contributions in Congress have been in the areas of conservation and health. He is a member of the Health Subcommittee in the House, and in 1970 he was listed with 22 other Congressmen who, in the opinion of the League of Conservation Voters, had maintained a perfect voting record on environmental issues.

He attended the Massachusetts Institute of Technology and graduated in 1947 from the United States Naval Academy, Annapolis, Maryland. In 1957, he received a degree from Harvard Law School. He practiced law in Maine and served for three years as counsel to the Maine Public Utilities Commission in Augusta.

The Democratic Congressman is a member of the Maine Bar Association, the American Bar Association, the Maine Trial Lawyers Association, the American Trial Lawyers Association and the New York State Trial Lawyers Association. He has been admitted to practice before the Supreme Court of the United States.

He is currently serving on two committees in the House of Representatives: the Committee on Interstate and Foreign Commerce and the District of Columbia Committee.
