HUSSON COLLEGE DEGREES

Degree Granting Authority

Husson College has been awarded degree-granting authority by the Maine State Legislature. Authorization to award the Bachelor of Science (B.S.) degree in limited areas was initially enacted in 1953 and the degree was first awarded in 1954. Delmont Merrill, former president of Husson (1978 - 1987) was the first recipient of the B.S. degree in 1954.

Husson received additional limited degree-granting authority, including the Associate of Science (A.S.) in 1965, the Masters of Science in Business (M.S.) in 1978 and the Bachelor of Science in Nursing (B.S.N.) in 1982. The institution's degree-granting authority was further broadened with approval of the generic honorary doctorate degree in 1969, the generic Bachelor of Science (B.S.) and Associate in Science (A.S.) in 1991 and the generic Masters of Science (M.S.) in 1993.

Recognition of Academic Distinction

Students who maintain a cumulative grade-point average of 3.4 (on a scale of 4.0) or better throughout their enrollment at Husson are recognized for that achievement as follows:

Cum Laude	3.40 - 3.59
Magna Cum Laude	3.60 - 3.79
Summa Cum Laude	3.80 - 4.00

Graduate Degrees

In 1978, Husson College received approval from the State Legislature to award the Master of Science in Business. The first degrees were conferred in 1981. In 1993, the State Legislature authorized Husson College to confer Master of Science degrees in Nursing. The first degrees were conferred in 1997.

Academic Regalia

The academic regalia or dress worn by graduates and other participants during a commencement exercise is steeped in tradition. The use of caps, gowns and hoods as part of academic ceremonies began in European universities around the thirteenth century. It is thought that the regalia was worn to distinguish academic persons from other members of society. The regalia was also thought to serve some practical purposes as well in the unheated medieval buildings. In addition, custom dictated that hoods were needed to cover the heads of medieval scholars.

Late in the nineteenth century, academic regalia use became more formalized through the introduction of uniform code or standards of dress. Today the style of gown and the length of hood indicate the degree to be conferred. Dress differs for candidates receiving the undergraduate, masters or doctoral degree.

The hood is lined with the colors of the institution conferring the degree. Husson's colors are green and white. The velvet edging of the hood varies according to the degree. The color gold is indicative of science. The apricot velvet edging signifies nursing and the blue signifies physical therapy. Husson uses a yellow tassel on its mortarboards (caps), which is also a school color.

HONORARY DEGREES

One Hundred and Fourth Commencement

Honorary Degrees have been granted by colleges and universities since colonial times. These degrees are not awarded for academic achievements but rather they are awarded to honor or recognize the achievements of outstanding citizens.

Honorary degrees usually highlight the accomplishments of individuals in the arts, public life, education, scholarship, business, health and the sciences. The first honorary degrees date back to 1662, when Harvard College granted its first honorary degree fifty years after its founding.

Since 1969, Husson has recognized prominent citizens for their contributions to the community, the State of Maine, the nation, and the world.

By virtue of the authority vested in its members, the Board of Trustees is pleased to confer two honorary degrees upon the occasion of Husson College's One Hundred and Fourth Commencement.

KEUN PYO HONG

To Keun Pyo Hong, in recognition of your love of faith, family, and profession, your care for the suffering, your perseverance in adversity, and your leadership in transforming and modernizing nursing education in Korea, the Board of Trustees of Husson College is proud to bestow upon you the Honorary Degree of Doctor of Education with all the rights and privileges pertaining thereto.

OWEN W. WELLS

To Owen W. Wells, for your exceptional professional accomplishments, your commitment to Maine, your counterintuitive approach to service, and your unwavering belief in the common man, the Board of Trustees of Husson College is proud to bestow upon you the Honorary Degree of Doctor of Humanities with all the rights and privileges pertaining thereto.
