HUSSON LEDGER

Volume XXII, No. 1 HUSSON COLLEGE, BANGOR, MAINE November, 1948

THE PRESIDENT'S COLUMN

Greetings!

The first issue of the Husson Ledger indicates that a new year is well under way, and that all hands are busy aboard the good ship Husson.

I wish to commend the Student Council for its efficiency and capable management of the student store. Mrs. Lowe lends a woman's touch that is needed, and service already improved may reach even further. Your comments and recommendations are solicited. What would you like to eat at recess? Would you like to have the store open until 2:00 p. m? We are grateful for your patronage and interest. It will help pay for the moving picture machine which we have acquired and which is considered the best in its class.

The basketball teams seem to be rounding into shape, and should do well. Let's support them and send them to Boston at the season's end to participate in the New England Business School Association's play-off. We hope to see many of you at the home games. That's where noise counts.

The new mimeograph machine has been acquired at considerable expense and we are pleased to have it for instruction purposes. It's for you—to use, not abuse. Permission to use it must be had before using it, and will be granted to only those who have been shown the new features. We were quite disturbed to find it broken down before it was here a week simply because some thoughtless person tried to use it without proper instruction.

Other new equipment, besides the moving picture projector, is a piano

(Continued on Page 3)

Editor-in-Chief

The Husson Ledger proudly presents, John Blaney as its new Editor-in-Chief. John is the son of Mr. Merle Blaney of Calais, and is a graduate of Calais Academy. While attending the academy, he was an active participant in many school activities, including: school paper, glee club, public speaking, and the Senior Class play. It is just this generosity and willingness of spirit that has won him respect and honor among his fellow students, here, at Husson College.

Besides the busy and somewhat painstaking job of being Editor, John is an active member of the Husson Sophoclesians. He received a prominent part in the play, "The Trial of Mary Dugan," as District Attorney Galwey, displaying his fine dramatic ability.

As Editor, John, will welcome all suggestions you have for making this year's Ledger one of the best.

SHALL I JOIN?

This question faces many of the members of the HUSSON COLLEGE student body. With a very diversified activity program offering you an opportunity for trying out your powers of leadership and 'followership', it seems that there is only one answer to the question, most emphatically, YES. Whether it is the student council, glee club, an athletic team, the dramatics club, or what have you, the opportunity to participate should not be passed up by a single student. Dr. Mackenzie, one of the leading educators in the field of curriculum revision, states that "all of the experiences that come under the direction of the school" make up the curriculum. It is of paramount importance in our modern and complex society that each individual, upon the successful completion of his formal schooling, enter society ready to make his contribution in making this country of ours a better place in which to live and a better place in which to make a living. I know that many of you feel that your biggest job right now is the acquisition of a skill that will enable you to become a wage earner. Do not overlook the fact that there are many, many lessons to be learned that will not come from the classroom. Let me use just one example to illustrate this point. In a very short period of time many of you will be joining service clubs, community organizations, etc., yet how many of you are famliar enough with parliamentary procedure that you could conduct a regular business meeting of an organization of your choice? That lesson must be learned here and now, not there and then.

(Continued on Page 6)

HUSSON LEDGER STAFF

Board of Publishers:
Faculty Adviser . . . . . Miss Thelma Watson
Editor . . . . . John Blaney
Assistant Editor . . . . . Merrill Dellaire
Business Manager . . . . . Gus Parsons
Circulation Manager . . . . . Paula Ward

Staff:

Charles Butera, Bernard Wilbur, Jr., Richard Kelsey, Marsha Kane, Annmarie Whitley, Retha Booker, Robert Barter, Dean Carroll, Marguerita Vasquez, Clair Taylor, Russell Smart, Paul Bilodeau, Frank Perkins, Robert Sun.

SCHOOL STORE

Although your Student Store is now under new management, it is still owned and operated by you—through your Student Council.

Mrs. Carl Lowe is the lady you have hired to manage the store for you. Mrs. Lowe makes and sells sandwiches so that you may obtain your lunches at school. She is very capable and her wish is to grant your desires. Why not patronize your school store. Show the Student Council you appreciate this effort on their part.

All the money you put into the store is given right back to you, because all profits derived from sales go to the purchase of letter awards for basketball and baseball. Certificates and medals are bought for bowling, Glee Club, Dramatic Club, Husson Ledger Staff and the many other different organizations at Husson College. Movie equipment has already been purchased from these funds. What would you like to see the Student Council buy next? Tell your student representative on the council. He can start the "ball rolling."

PATRONIZE YOUR STORE

WHO'S WHO

Did you know Marilyn R. Gaudet is a graduate of Greenville High School? She tells us that for a small community this high school is one of the most beautiful buildings in the entire State of Maine. Miss Gaudet pursued a commercial course while attending high school, and upon graduation decided to further this training by entering Husson College. Reading good literature is her favorite pastime. She enjoys basketball games, so Marilyn we will be looking for you at all the games. We assure you the Husson teams will provide all the basketball thrills you will want to see. Welcome to Husson.

PI RHO ZETA SORORITY

Epsilon Tau Epsilon Chapter of Pi Rho Zeta International opened its activity calendar by installing its officers for the year 1948-49 at a candle-light ceremony held in Commerce Hall at Husson College.

MARION BROWN

The officers installed for 1946-49 are: President, Miss Marion Brown, of Grand Lake Stream; Vice President, Miss Frances Sanborn of Stockton Springs; Secretary, Miss Rosemary Storey of Bangor; Treasurer, Miss Arlene Buck of Caribou; Sergeant-at-arms, Miss Louise Whitcomb of Bangor; Parliamentarian, Miss Charlotte Reynolds of Addison; and Corresponding Secretary, Miss Geneva Somers of Corinna. The active Pi Rho Zetans who will help the officers carry out all plans for the coming year are: Janet Bates, Mildred Bradford, Helen Brown, Marion Brown, Priscilla Clark, Cora Dyer, Charlene Kartus, Marion McFarland, Julia Mercer, Florence Page, Evelyn Ryder, Geneva Somers, Rosemary Storey, Clara Swan, Thelma Watson.

Honorary members of the organization are Mrs. Pauline Curran, Mrs. Marie Foss, Mrs. David Hourin, Mrs. Dorothy Husson, Mrs. Jean Husson, Mrs. Grace Stewart and Mrs. Marie Wilson. Mrs. Louise Miller is affiliated with Kappa Delta Sorority and Mrs. Ruth Frost with Chi Omega Sorority, therefore are unable to affiliate with Pi Rho Zeta. The Honorary members entertained the Sorority at the home of Mrs. Grace Stewart a few weeks ago. This is an occasion all members look forward to each year.

The Annual Open House for girls was planned and successfully carried out by this active club. The spooky Hallowe'en party gave all girls a chance to meet sorority members and one another. Sorority provided ghosts, headless horsemen, quiz programs and refreshments. One more feather to be added to their cap.

Sorority was the first organization to hold a school dance. Two hundred students and friends attended the Hop. Old clothes and costumes seemed to be the dress of the evening. Jack MacDonough furnished the music. Paul Lynch and Julia Mercer led the grand march before the judges, Mrs. Ruth Frost, Miss Mildred Bradford, and Mrs. Dorothy Husson, who chose the best male and female Hoboes. (Of course "Chief" assisted). After the completion of the march, "Chief" Husson awarded prizes as follows.

First prize to men, Winfield Grant, of Cherryfield; Second prize to men, John Billington of Bangor; Third prize to men, William Braveman, Bangor, Raymond Rollins, Sangerville.

First prize for women, Joyce Pinkham, Bangor; Second prize for women, Joyce Mahaney, Easton; Third prize for women, Mrs. Harold Soucie, Bangor.

Sorority is now planning its Rush Parties, Christmas Assembly, and Christmas Party. This is one of the most active organizations in school. Wouldn't you like to join? Phi Rho Zeta membership is open to any girl enrolled in Husson College and carrying at least five subjects in any course of study. She will be considered a candidate for membership if she received an average of B plus for the ranking period.

After those girls with the B plus average are known, each candidate is considered as to character, loyalty, and service. All candidates go through a two or three week probationary period.

The names of candidates successfully fulfilling probation requirements are brought before the organization at which time an election by ballot is held. Candidates elected

(Continued on Page 3)

GLEE CLUB

Again this year Husson College has formed a Glee Club. It is under the direction of Mr. William Cupp, a professional singer, and also teacher of voice. Mr. Cupp is formally from Pennsylvania. He graduated from the Eastman School of Music, which is a part of the University of Rochester, with a Bachelors Degree. **Here in Bangor,** he is director of several church choirs and the familiar Male Chorus. Last year he directed the successful musical the "Pirates of Penzance." The Husson Glee Club should enjoy a successful year under his able guidance. Welcome to Husson College, Mr. Cupp.

The officers elected to represent this club are: President, William C. Johnson; Vice President, Arland Mitchell; Treasurer, Retha Booker; Secretary, Marsha Kane; Librarian, Paula Ward; Student Council representative, Wayne Ames. Its active members are: Annmarie Whitley, Marsha Kane, Merrill Dellaire, Rosemary Storey, Retha Booker, Arland Mitchell, Paula Ward, Wayne Ames, William C. Johnson, Charlene Kartus, Bernard Wilbur, Alton Crosby, Alton Dubay, Robert Barter.

The club has only a few members at present, but we are hoping to enlarge this group. Anyone interested may join this club by simply reporting to Room 7 on Monday at 2:30. This is all the invitation necessary to join the Glee Club. Why not JOIN?

HUSSON BOWLING LEAGUE

The Husson Bowling League will be pleased to welcome all members of the Men's Athletic Association to participate in its league. A large number of men have already enrolled, but there is room for more. The purpose of the League is to promote good sportsmanship and understanding among its members.

The league will meet every Thursday night at 6:00 at the Bowling Academy. The cost of one string is 30c. Of this amount, 20c goes to the bowling alley and 10c goes to the league. In the period of twenty weeks of our scheduled bowling, the treasury should have approximately a surplus of $200. At the end of the season the league plans to give awards to teams and individual honors.

MU SIGMA CHI

Mu Sigma Chi is a social-professional fraternity established to give recognition to outstanding achievement in both scholarship and social participation. Membership is open to all male undergraduates of the college recommended by an active member.

WILLIAM CARMALT

Candidates for membership must have a rating scale of eighty-five, which is a combination of credits obtained in both class room work, and extra curricular activities, such as sports, clubs, etc.

The Fraternity plans to take an active part in the social life of the college this year. Mu Sigma Chi sponsored Open House for all men of the school in October, and plans for a Rush Party have been formed. The Rush Party, to be held during the latter part of November, shall be attended by candidates eligible for membership to the fraternity. Initiation of successful candidates will be held in December. A Christmas dance is also being sponsored by the fraternity; plans soon will be started in preparation for the Fraternity Frolics. Presentation of the Fraternity Frolics will re-establish a Mu Sigma Chi custom and will do much toward placing the fraternity in its pre-war standing.

At the first meeting of the school year the following temporary officers were elected: President, William J. Carmalt; Vice President, Ralph Hagerman; Secretary, Leon Cote; and Treasurer, James H. Marraty. The present active membership in school includes: John Blaney, William Carmalt, Reginald Chamberlain, Richard Church, Leon Cote, Ronald Deyone, John Dinsmore, Arthur Frieder, Frank Gardiner, Charles Goggin, Ralph Hagerman, Frederick Hamm, Roland Kinney, Jr., James Marraty, Wesley McGibney, James Moore, Roland Plourde, Robert West, Frank Whirty, Kendall Farrar, George Lord.

Our faculty advisor, Mr. Foss, is pitching right in and giving us a hand with his bowling.

PRESIDENT'S COLUMN—Con't.

now located in Room 7. The Glee Club needed it—so a need expressed is a need met when it is humanly possible to do so. Many people signed their names when asked if they were interested in Glee Club work, and for that reason I felt the investment in a new piano was worthwhile. Many of those names have failed to report, but I feel that with Mr. Cupp directing, a new piano, and a room for practice, that those people will now revive their interest and honor their signatures. One should not lightly sign his name to any paper which may prove misleading to those who care. Be careful now, and always, about such things. Please give Husson College a big Glee Club.

I hope our new students have found our school to be a friendly one, and that they are enjoying their experiences as "freshmen." I hope to know more of you personally as the year rolls on.

The new regulations for cutting classes were made necessary by only a few students who even yet fail to realize that course credit will be denied them when grades are issued. The real offenders will be "flunked" out, and there is no more painful experience in my day's work than to witness failure, especially when it could have been avoided. I am grateful to those of you who courteously inform me of your absences, both before and after they occur.

Thanks, too, for your care of Commerce Hall. Most of you are considerate of the building, and our building superintendent smiles when asked how things are. He says that it could be a lot worse. He seems to be satisfied. If you are careless once in awhile, try to do better next time. Bottles and paper! Get them to the proper receptacles.

"Chief" Husson

PI RHO ZETA—Continued

are then pledged to Pi Rho Zeta. An informal invitation is held and after all tests are successfully passed, the officers perform the formal ritual at which time the girls become sisters and receive membership certificates and pins.

A $25 fee covers national and local dues, initiations and banquets, and the identification pin.

W. A. A.

The Husson College Women's Athletic Association was organized early in the year with Miss Priscilla Clark as its adviser. This group, to which any girl at Husson may belong, sponsors the girls' basketball team, hiking and bowling clubs. All participants in these three activities must be members of the W. A. A.

At the first meeting of the organization the following officers were elected: President, Miss Jean Clemons of Sullivan. Miss Clemons is a second year student in the normal department and has been active in many Husson College activities. She is now serving as assistant manager of girls' basketball.

JEAN CLEMONS

Miss Julia Mercer a senior in the normal department was elected Vice President. "Red" has been a member of the basketball team for three years and is also a member of E. T. E. Sorority.

The duties of W. A. A. secretary have been delegated to Miss Evelyn Ryder of Ellsworth. Miss Ryder is an active member of E. T. E. and a senior in the normal department at Husson.

Miss Joan Littlefield, a newcomer at Husson was elected treasurer of this organization. She formerly attended the University of Maine, and is a popular member of this year's basketball squad.

WHO'S WHO

Ann M. Ricker hails from Sebec. She is the little girl who is amazing us, and putting some of us to shame, with her skill at one-handed typing. Ann is a graduate of Foxcroft Academy. While in high school, she was a member of the Glee Club and worked on the staff of the school yearbook. Her decision to enter Husson was brought about by the influence of other graduates of the school. She says she has found Husson to be all that her friends claimed it to be and is most happy here. Although Miss Ricker pursued a college course in high school, she possessed a great deal of interest in figures so decided to study accounting. Ann proves herself to be a trouper.

HIKING CLUB

Just the other day, we were having an interesting conversation with Florence Page and Fae Marshall, the two hiking captains. They were telling us, over a few cigarettes in the girls' lounge, how much fun the girls are having taking their long walks to all the interesting places we have in Bangor and vicinity.

They said that each of them have a team of ten girls. Of course, we were interested in knowing who these girls were, so we asked. The girls on Florence's team are: Elaine Spruce, Ann Ricker, Beverly Dunn, Doris Mace, Margaret Lyden, Kram Gould, Eva Willis and Betty Dennison. The girls on Fae's team include: Geraldine Boisclair, Charlotte Little, Evelyn Bredeen, Phyllis Tolman, Audrey Potter, and Roanne London.

Another thing we asked about, is the time and the day these two teams hike. Fae's team hikes on Tuesdays; Florence's team hikes on Wednesday. Both teams meet at Husson College around 3 o'clock and usually hike about two or three miles.

Now girls, there are no special requirements to join these hiking teams, except the love of walking. Come on, all you girls. Let's build up these teams and see all the interesting countryside in Maine.

CHEERING SQUAD

In answer to a call for cheer leaders, issued by Miss Bradford, ten lovely ladies and three not so lovely gentlemen responded. Their first meeting was held on October 18.

This year Miss Bradford plans to have six leaders on the floor with several reserves. Graduation riddled the ranks of last year's squad, leaving only one veteran "Franny" Hamilton, but with plenty of very nice . . . . material to work with we are sure to have a real good "Yell" Gang.

The people working hard to perfect cheers to give the teams the feeling that their school is behind them are the following: "Franny" Hamilton, Evan Willis, Carolyn McBurnie, Nellie Adams, Margaret Lyden, Betty Curtis, Kay McIntyre, Alton Dubay, and Wesley Vigue.

When the basketball season rolls around, let's all get out and back our teams on to a successful season.

GIRLS' BASKETBALL

With basketball season just around the corner, girls basketball is in full swing. Miss Swan tells us that she expects a good season.

With only one veteran left from last year's team, Coach Swan will be busy building a winning team. Knowing Miss Swan's coaching ability, we will bet our money on Husson having a winning girls' team this season. With a good guard section and the small but fast forward section that is being trained each day, we feel sure that the team will do justice to Husson as their predecessors previously have done.

Suits were handed out a week ago. The lucky girls receiving them are, Forwards: Marion Brown, Grand Lake Stream; Julia Mercer, Bucksport; Mary Davis, Hampden; Charlene Roberts, Brownville Jct.; Hope Sherwood, Stillwater; Marilyn Raymond, Phillips; Joan Washburn, Hampden. Guards: Maxine Eustis, Phillips; Evelyn Webber, Phillips; Barbara Hoar, Grand Lake Stream; Roberta Patrick, Bangor; Joan Littlefield, Old Town; Florence Page, Bangor.

Mark my word, these girls will be proud wearers of the Green and Gold before the season is over. Here's wishing you an undefeated season!

BOYS' BASKETBALL

The call for basketball players was issued by Coach Husson on October 18. Forty-four men reported; the squad is now down to twenty-three members. Out of this number a College and Varsity team must be picked. Every afternoon practice is held so that a well-shaped team will be ready at the opening game, December 3rd. Everything at this time seems to point to a very good season for both teams. A list of the players now on the squad follows:

Dick England, John Trainer, William Booker, Robert Leeman, Francis Clukey, Donald Clark, George Cushman, Clayton Veno, Richard Kelsey, Douglas Blanchard, Harold Herd, Vernon Drews, James Coyne, Ray Rollins, Richard Church, Paul Brooks, Stan Wyman, Robert Sun, Gerry Estabrook, Winfield Grant, Thomas Pelkey, Miles Grindle, and Edward Herring, Ray Buxton has been appointed student manager for the year.

BASKETBALL SCHEDULE FOR 1948-49

GIRLS' SCHEDULE

Dec. 7	Greenville	There
Dec. 10	Northeast Harbor	There
Dec. 13	Ellsworth	Here
Jan. 7	Sullivan	Here

Feb. 15	Sullivan	Here
Feb. 17	Maine Central Institute	There
Feb. 18	Higgins Classical Institute	There
Feb. 25	Open	

Support your teams. It may mean the difference between victory and defeat. We suggest that you pin these schedules up where you may refer to them.

Take Your Time

Contributor (in letter): "I am a speedy worker. I finished the enclosed article in an hour and thought nothing of it."

Editor (replying): "I got through your article in a fraction of that time, and thought just the same."

Reinstated

Said the moth as he met his friend in a dark closet. "Isn't it good to be back in civilian clothes again?"

Deduction

Mother, hearing crash from kitchen: "More dishes, Mary?"

Mary: "No, mother, less."

Harold Soucie, President

HUSSON SOPHOCLESIANS

The Husson Sophoclesians met October, 1948, and once more found itself under the capable direction of Mr. Alvah Ford. At an early meeting of the club Harold Soucie was re-elected president, Raymond Wiley, vice-president, Elaine Spruce, secretary-treasurer, and Merrill Dellaire was elected club representative to the Student Council.

The club, according to its constitution, is to give to the college, students, faculty, and the people of Bangor and surrounding communities, a season of excellent entertainment.

Early in the season the club decided to present a mystery for its first play. Mr. Ford suggested that they try "The Trial of Mary Dugan." This suggestion was carried out by the club. Their choice was a good one, in our opinion, as the play was enjoyed by all who were fortunate enough to attend.

The following are the members at present: Donald Bailey, Robert Barter, John Billington, Paul Bilodeau, John Blaney, Charles Butera, Dean Carroll, William Clement, Jerre Cole, Merrill Dellaire, Alton Dubay, Carolyn Goodwin, Elinor Gray, Richard Guzman, Barbara Hoar, Joan Foster, Raymond Fournier, Robert Leeman, Harold Levy, Joseph Lewis, George Lord, Kay McIntire, Dorothy McLean, Arland Mitchell, Joan Nadeau, Roberta Patrick, Jeannine Pelletier, Frank Perkins, Harold Soucie, Elaine Spruce, Marguerita Vasquez, Wesley

(Continued on Page 6)

SHALL I JOIN?—Continued

Membership in our many school organizations will help you, not only in gaining knowledge of running parliamentary meetings, but in actual practice as well.

But at this point you may be asking yourselves this question, I am willing to join clubs, but I cannot make up my mind which one is best for me? This question is a very difficult one and I must admit that the final decision can only be made by one person, and that person is yourself. But possibly I can help you in making this decision by pointing out some factors that should be considered. Ask yourself the following:

1. In what way will this organization contribute to my total educational pattern?

2. Will this activity have a carry-over value for me after I have left school?

3. Is this activity one of passing interest or does it contribute to a major interest of mine?

4. Does this activity infringe upon time already alloted to other things of major importance?

5. Does membership in this group give me the opportunity to learn to work with others cooperatively?

6. Will an investment of my time and my money in this activity stand to pay a dividend while I am in college?

There are many other questions that you might ask yourself but I hope that the above will give you an idea of how to make an activity inventory.

Let me close by saying to each and every member of our student body, participate fully in our college, both inside and outside of the classroom, because college is like everything else in life, "you get out of it what you put into it."

Mr. Frost
Counselor.

Robert E. Sherwood

The happiest miser on earth—the man who saves up every friend he can make.

Two to One

She: "I see by the paper that a boy who speaks six languages has just married a girl who speaks three."

He: "I'd say that is about the right handicap."

HUSSON COLLEGE ADDS NEW FACULTY MEMBER

Miss Priscilla Clark, daughter of Mr. and Mrs. Charles C. Clark of Fairfield, Maine is the only new member of the Husson College faculty, serving as instructor in advanced accounting subjects, which include; Auditing, Social Security Taxes, Cost Accounting, Marketing, Credit Management, and Federal Income Taxes.

Miss Clark is a graduate of Lawrence High School and has had several years experience in the business field, having been employed as general office clerk, head bookkeeper and chief payroll clerk and office manager by various businesses in Maine.

Prior to coming to Husson College as a student, Miss Clark was a member of the Women's Army Corps. As technical sergeant, Miss Clark served as chief clerk in the office of The Strategic Intelligence School, a section of the War Department's Military Intelligence Service in Washington, D. C.

Upon discharge from the Women's Army Corps, Miss Clark entered Husson College where she took an active part in school affairs, being a member of the Women's Athletic Association, Student Council, Captain of Girls' Basketball and president of E. T. E. Sorority.

Miss Clark is now the sponsor of W. A. A., Girls' hiking clubs and bowling team.

Our best wishes for a happy and successful school year are extended to you Miss Clark.

CHATTER

Husson Store Special

I never saw a purple cow
I never hope to see one
But from the milk we're drinking now
I'm sure that there must be one

There's Frost in the Air

Mr. Frost was standing up in front of a freshman class when he asked if there were any nitwits in the class, and if so would they please stand up. Hesitatingly, a boy did so—Mr. Frost asked him if he really thought that *he* was a nitwit. To which the boy answered. "Oh! no, sir, but I hated to see you standing up all alone."

We hear that the Stewart House is just the place to learn to dance with teachers like A. F. and Buzz G. and pupils like D. M. Chateau here we come.

Who Is It:

Watch that boy Bernie W. He's carrying a heavy, well-lighted torch for a member of Husson's fairer sex. Watch this column for a blow by blow description.

Inferiority Complex

Some folks have no brains at all
And others have too many
So I will share the brains I have
With those who haven't any.

Up Patter Way

Clem Hatt to his wife: "I'll say one thing for your relatives—I like your mother-in-law better than mine."

SOPHOCLESIANS—Continued

Vigue, Paula Ward, Annmarie Whitley, Bernard Wilbur, Raymond Wiley, Wayne Ames, Eilene MacNichol.

Though this is a good showing, new members are always welcome. It takes a working team to put on a successful show. No one person is more important than any other; no one is unimportant. With its first show over, the club looks forward to another and equally successful play. The Ledger Staff extends to the Husson Sophoclesians all the luck they so richly deserve, and know that good plays and excellent casting will continue to result in many successful productions.
