Dedication

As time brought us together, so shall it separate us.

But before time brings a final departure we would like to express ourselves and our feelings to two very special people. In remembrance of our school years at E.M.M.C., we proudly dedicate our Yearbook to Katie Cauble and Mary Bacon.

To each of us, they hold special and sincere thoughts of personal friendship and interpersonal guidance and concern. As outstanding individuals and instructors we recognize the genuine interest, understanding and support they so strongly gave us as students and more importantly as individuals.

No extraneous verses or words can approach our true feelings of respect for you, Katie and Mary. The feeling exists in each of us as love.

To the two people who united our Class, we all join in heart and harmony in expressing our thoughts of appreciation for all you have done for us and a sincere and grateful "thank-you," for making our years together most rewarding and happy.

MISS IRENE SHANNON

DIRECTOR'S MESSAGE

Living and working in our complex society today challenges the professional nurse, as never before, to keep himself informed of the new technologies and in the operation of the new equipment used in the delivery of health care. Consumers of your care will benefit from the warmth, the understanding, and the knowledge you bring with you as you assume the responsibilities of a beginning practitioner of nursing

My best wishes for success go to each member of the Class of 1974 as you begin your professional career.

The Nurse

The World Grows Better, Year By Year
Because Some Nurse In Her Little Sphere
Puts On Her Apron And Grins And Sings,
And Keeps On Doing The Same Old Things,
Taking The Temperatures, Giving The Pills
To Remedy Mankind's Numberless Ills,
Feeding The Baby, Answering The Bells,
Being Polite With A Heart That Rebels.
Longing For Home, And All The While
Blessing The Newborn Babies First Breath;
Closing The Eyes That Are Still In Death.

Taking The Blame For So Many Mistakes,
Oh Dear, What A Lot Of Patience It Takes;
Going Off Duty At Three O'clock,
Tired, Discouraged, And Ready To Drop,
But Called Back On Special At Three Fifteen
With Woe In Her Heart, But It Must Not Be Seen,
Morning And Evening, And Noon And Night,
Just Doing It Over And Hoping It's Right.
When We Lay Down Our Caps And Cross The Bar,
O Lord, Will You Give Us Just One Little Star
To Wear In Our Crowns With Our Uniforms New
In That City Above, Where The Head Nurse Is You?

National Convention

We were very fortunate to be voted as the two students from EMMC to go to the National Student Nurse Association Annual Convention that was held at Minneapolis, Minnesota, in May, 1973. It was a rewarding experience that involved students Nationally and it entailed many new ideas in nursing. We thank all who made it possible.
