Dedication

to Jane Goodwin

The 2002 Chieftain Yearbook is proudly dedicated to Jane Goodwin, Director of Admissions. She graduated from Husson in 1961 with a Bachelor of Science in Business Teacher Education. While attending Husson Jane became an Epsilon Tau Epsilon (ETE) sorority sister.

Jane was one who could not get enough of Husson's Community, so she returned in September 1962 for a position in the Data Processing Department. She became a part-time faculty member and eventually entered the field of Admissions.

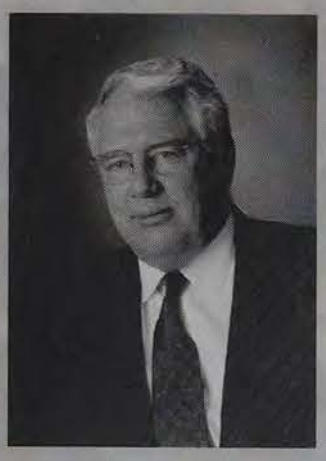

Jane is known as truly genuine and loving woman by students in the Husson community. We give her our appreciation and thanks for all of her hard work she has done for Husson.

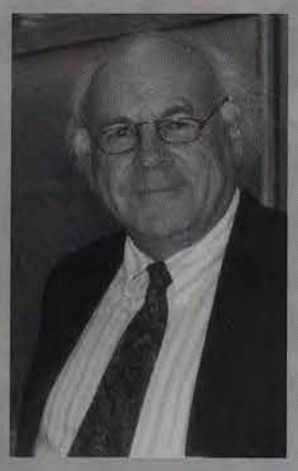

Jane Goodwin has been an inspiration to many other faculty/staff members and students throughout her forty years at Husson College

We love you, Jane!--The Class of 2002

President's Message

President of the College
Willam Beardsley

Acting President

Dear Class of 2002:

It is my pleasure to greet you in this 2002 edition of *The Chieftain* on behalf of the Husson College faculty and staff and congratulate you on your accomplishments at Husson. We are proud of your success and of the sacrifices you made to achieve your goals here. I ask you to remember those who helped you along the way to graduation—family, friends, teachers—people who made a difference in your lives; and I urge you to consider how you might use your knowledge and skills to make a difference in the lives of others.

Your final year at Husson was a most extraordinary time. Fall 2001 classes were in session only a few days when the tragic events of September 11 occurred. That day set a somber and serious tone for the year, and it gave all of us reason to examine once again what is most important in our lives.

As you move forward from here, I trust you will keep the perspectives that come from posing and answering that question. You have great opportunities for achievement ahead of you, and I am confident you will be successful, but each day take a minute or two to reflect on the things that are most important in your life.

You will always be part of the Husson community. We wish you success and happiness in the years ahead.

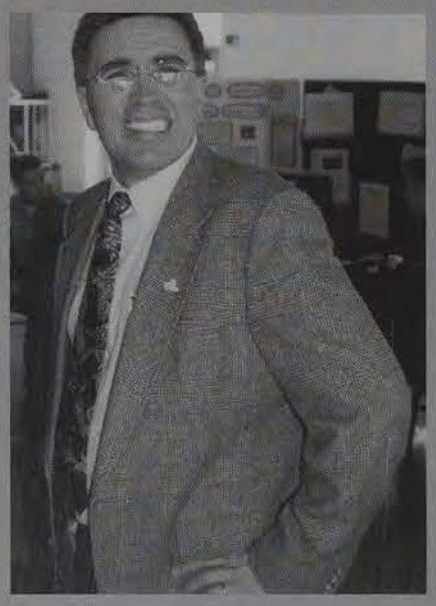

Sincerely,

Bob Smith

FACULTY AND STAFF

Nelson Jewell

We have had people come and go over this past year. There are new members of the staff, but people who have left will never be forgotten. Nelson Jewell, former Student Activities Director, is going to be missed, but we wish him much happiness and success in his future endeavors.

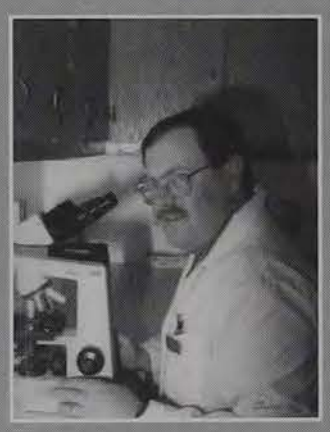

Nelson Jewell

Now, in no particular order, we introduce some of the many hard-working members of the faculty, staff, and Husson community.

INTERNATIONAL CLUB

Husson College's International Club allows foreign and American students to join hands in a new friendship and learn about each others' cultures in a fun way. This club provides a good situation for students to meet the types of friends they may never have otherwise.

Organization of Physical Therapy Students

Above: OPTS students at the parade.

OPTS is a student-run organization that assists in the marketing strategy of Husson's Physical Therapy program by participating in community service projects. Some of the events that took place this year were the Wheelchair Games and AIDs Awareness. During these events, students had the opportunity to show what they've learned in their intense education at Husson College.

Information Technology Club

The Information Technology Club is made up of Computer Information Systems students. The club is designed to give them extra experience in the field of computer technology. This year they worked on putting together a new lab just for them, to be used to experiment and learn about hardware and networking.

Putnam Investments

Putnam has an on-campus site which employs students in various educations. For those students who are going into financing or business, Putnam is a great resume builder which enhances their skills for the "real world." They may even be able to continue their employment with Putnam at various other locations after graduating.

RAs have one of the toughest jobs on campus. These people are not only full-time students who try to lead a life outside of work, but are sometimes forced to discipline their peers. REMEMBER WHEN:

- April wore a dress.
- We forgot to turn pics in to the yearbook.
- We were late for class because of all those late nights and early mornings playing cards, dice, and poking fun at each other.
- Kevin cut his foot camping and didn't know until later.
- Jake ruined Kelly's favorite calendar.

X-treme Air!

Nothing to do at Husson? Where were you? Too chicken?

X-treme Air is an intense free-falling simulation. X-treme Air came to Husson College and set up by the Bell Tower. Students had the opportunity to don helmets and glasses to give this a try. The pictures speak for themselves!

"Better Grades, Less Time"

Listen up and improve your grades.

On October 30, 2001, Gary Cohen was one of the several speakers to visit the Husson College campus this year. His presentation focussed on providing students with some new ideas and tools for improving their academic performance while still having free time.

Gary Cohen presented students with facts about reading, memory, and learning. Spectators learned some great speed-reading techniques to help them study.

Fun Flix

Fun Flix gave everyone a chance to get up in front of the green screen and make their own videos. Choose a costume, get up and perform, then add goofy settings and crazy backgrounds later. Students and even some staff members got out of character and went crazy for a night, then kept the videos as souvenirs.

Left: Nelson and Reverend Bob joined in the fun with impressive new hairdos and headgear.

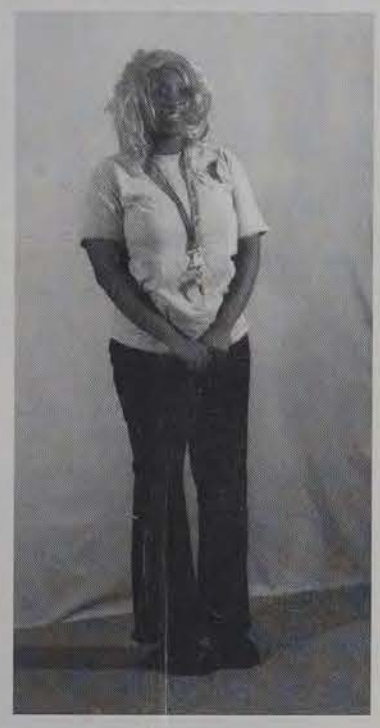

Right: Travis and Kara get down for their latest music video.

Casino Night

Fun and games help students beat the cold weather blues!

Blackjack and poker were the big attractions at Casino Night.

Players could turn in tokens for prizes. Winnings included Husson College apparel like t-shirts, water bottles and shorts, as well as movie tickets and gift certificates.

Dance Contest

We turned the Campus Center into a dance club. Who's the best?

After a difficult week full of tests and stress Husson students shake their booties during the late night hours in our very own Campus Center.

Top Right: Our very own Kevin Terrio shows everyone how to get down and boogie with Melanie. As the crowd roars, the finalists win the Contest.

Freshmen Orientation

Orientation: PlayFair and Fun

Coming to college is a struggle for all of us in one way or another, but we managed to find some new support groups during Playfair. It may have been silly, but we left with a friend or two. Who knows? Maybe you found your best friend here or even your significant other!

Sunday, September 1, 2001 Featured the Class of 2005!! Orientation: PlayFair and Fun contained a BBQ, Caricature Artist, Tattoo Artist, Sand Art, Rock Climbing Wall and the spectatular PlayFair leader who brought up all together with silly get to know eachother activities. We got to know who had the same birthdays, where they are from and their names.

Below: Brunch Bingo is a great event if you forgot some items at home. Prizes ranged from shower totes, flip flops, and laundry detergent, to movie tickets and alarm clocks.

Right: Yes, we will obey our parents, at least until they leave.

Mud Games

You're never too old to get dirty and play in the mud.

Comments made during the Mud Games:
"What a mess!"
"This is too cool!"
"I loved it!"
This seemed to be the general consensus from all the students involved.

A little healthy competion between Hart and Carlisle brought us together with the upper-classmen. Hart Hall won the dirt-encrusted trophy which is displayed with pride.

Right: Tug-of-war in the mud was a definate challenge!

Lower Right: Whoa, Tony, hold on to your britches!

International Night

A night of multi-cultural food and entertainment

This year our annual event went just as planned. We changed the location from the Campus Center to the Newman Gym. This change had mixed reviews, but the feedback made us able to prepare for next year. Thanks to maintenance and Clara Swan's opening the next day we were able to make the event a big success and affordable!

Our day started with food, lots of food from different countries. For example, some of the Korean students made Kim Chi, which is pickled cabbage, and Colombian students made a fried dough with different toppings.

International night isn't just for foreign students. It is a time to learn about all cultures world-wide.

Food, fun and entertainment was our goal. From hamburgers to sushi and other great tastes our bellies were full.

International Night

A night of multi-cultural food and entertainment

Also, students from Japan made sushi rolls, and to top it all off the American students had good old hot dogs and hamburgers.

Next on the agenda was the fashion show, where students showed off their traditional clothing from their countries. Vietnam, Colombia, Iran, Japan, Korea, Cambodia and America were all the countries represented in our fashion show this year. It was an amazing display of colors and culture.

Our last event was the talent show. This is usually the best part of the show, and this year's was better than ever. Our prizes went out to well-deserving talents. 1st place went to Portland High School students from Cambodia; they performed their break-dancing routine. 2nd place went to some wonderful dancers from Panama, Juaquien and Sarah. Finally, 3rd place went to a group of Korean ladies that did a beautiful traditional fan dance.

Cambodian breakdancers came to perform for the International Night.

yoko, Chami, Wel Ja, Ajuko, and orissa: a mix of people and cultures ll come together on this great evening, nd great friends are made.

Congratulations to the Class of 2002!

Women's Entrepreneurship

Women empowered!

Above: The satellite feed of President George W. Bush

The Women's 21st Entrepreneurship Conference was a big deal for Husson College and the Greater Bangor area. The Guest Speaker, President George W. Bush spoke of women and their successes in the small business endeavors. Preparation for this event took many hours of satellite setup and extra security. We (Husson) were connected via satellite to Washington, D.C. Husson was one of the four designated locations to view this once-in-a-lifetime event.

The Center for Family Business was one of the more fortunate institutions to welcome the conference for small business owners and women Entrepreneurs. One of the guest speakers was our very own Cheryl Russell, who was able to converse with President George W. Bush.

Open House

Learn about Husson's best while having some fun and free candy.

At the semi-annual Open House, prospective students and their families get to check out Husson College. They go on tours then come to the Campus Center to learn about Husson and NESCom's groups and organizations. They get to meet students and faculty members in a fun-filled atmosphere. The groups design their own booths and enter theme-based contests like "Candy Land" to see who makes the best.

Open Mic Night

Thursday night on-stage action at the Arrowhead

Open Mic Night was one of our most popular Thursday night events. Students were always making their very own songs and bringing them forth in front of the toughest crowds, their peers.

Some of the shyest student would come out to speak or sing a song about their sorrows, pains, and joys in their life while attending college. This proved to be one of the most therapeutic events for some. It was a great feeling to watch people support one another after an emotional song or poem.

Middle Right: Tom "Uno" Doucett brings the crowd to a roar with one of his songs.

As Adrian introduces Dave to the stand she praises her peers for their knowledge and music abilities.

Improving Athletic Facilities

With a lot of work and anticipation, our additions are opening

The Clara Swan Fitness Center is in the process of being build and will open in late May. Students will enjoy the fully equipted facility next year. If you are a graduate then you will have to come and view what is being offered for or current and future students during homecoming.

The Organization of Physical Therapy Students (OPTS) annual fundraiser is a day filled with fun wheelchair games. This program raises money for the Maine Adaptive Sports & Recreation, Youth in Motion and their physical therapy class/organization. It is a great fundraiser and community service event, which educates the community about physical therapy and what Husson has to offer.

Skate Night

Skate the night away at Bouchard's Arena!

Right: Khoa rescues a damsel in distress.

Skate Night was fun for all who attended. We had plenty of international students who had never skated before or seen an ice rink, and it was very brave of them to give this a try. However, all left with a smile and a few bruises. What a way to welcome people to Maine Life!

Winter Carnival and Chief Week were two great events that help blow off steam from all of those difficult exams and papers. AKA: Crunch Time.

The faculty/staff gave it their all, and we still helped them out!!

ICLS

The International Center for Language Studies. Students from all over the world come to ICLS to learn the English language and about American culture and daily life. Some of the enjoyments these students welcome are pizza and chocolate, whale-watching and also sharing their languages and cultures with Americans. ICLS students are, at first, a little afraid of saying or doing something unacceptable by American standards, but they soon realize that they fit in quite well. The students of ICLS who take full advantage of learning socially and academically have the best friends, colleagues and experiences possible.

This year we had students from Japan, Korea, Domonican Republic, South America, Equador, Egypt and many more wonderful places.

NESCom

Above: NESCom students at Open House

The New England School of Communications is located within the Husson campus.

NESCom is its own school but shares its community and its events with Husson and vice versa. NESCom offers a vast array of technological advancements in communication.

The courses available at NESCom include Broadcasting, Sound Engineering, Multimedia, Television Production, and Web Publishing. Students take part in running WHSN, creating their own shows and announcements.

Below: The Chris & Chris Show in action

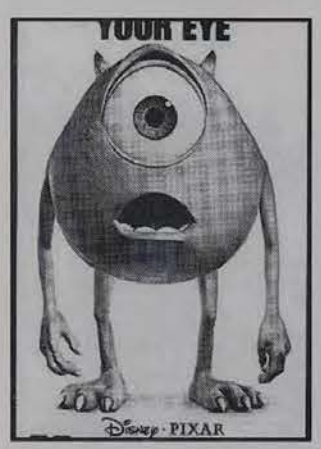

Movie Night!

Free movies. Free popcorn. Free fun.

This year's feature films:

The Mummy Returns
Crazy/Beautiful
Tomb Raider
American Pie 2
The Fast & The Furious
Zoolander
Riding in Cars with Boys
Monsters, Inc.
Harry Potter & The Sorcerer's Stone
Ocean's 11

Movie night takes place in our Kominsky Auditorium almost every other week. Student Activities and the Social Committee have a 16mm projector set up to view new movies. Students on these committees get to choose which movies are going to be played each year. It gets cooler. The movies are free to watch for the College Community and their guests; even the popcorn is free. Sometimes prizes are given out during the movie. Movie Night has proven to be very popular, and it is a great way to have fun with your peers during the week for free!

REMEMBER WHEN:

- Fran discovered the girls' beer die table on 9th floor.
- The "Firecrackers 2002" caused a ruckus on 4th level, which resulted with fire trucks, and 24-hour quiet & chem free rules were set.
- Ryan Rivera fell down the stairs and got a black eye.
- Residential Life found the Husson water coolers filled with alcohol in Corey Pion's dorm room.
- Drunk people always loved to talk to Husson Security.
- People borrowed Peabody Hall tables for beer die tables.
- Pils made a 3-point shot on the buzzer during our home game vs. St. Joe's, which made us the winner.
- The Golf team won championships.
- The fitness center was dedicated to Clara Swan on her 90th Birthday in April.
- Snow was still falling in late April.
- Nelson thought bulk film was a great deal.
- RAs Kelly D. & Nicole M. (non-smokers) saved the Butt Hut from an out-of-control fire @ 3:54a.m.
- We wondered why Kelly & Nicole were out that late anyway.
- Mark thought fruit flies bite.
- Mark took a stand for napkin holders.
- Mark defended Papa Gino's staff and dignity.
- Walter Dylan was thirsty.
- Lane & Caroline discovered Fran really isn't that bad; she just doesn't like to be woken up at 3am during the week nights.
- Randy's building had more chem free floors in April than Carlisle.
- Matt decided to carve a bunny on the wall in his room on 7th level.
- Ken the maintenance guy made the boys in Hart hall flush the toliet.
- Dewey Martin took us all to see Harry Potter at Hoyt's, AKA the expensive theater.
- Tuesday seemed to be the best night to take your date to the movies; who knew Tuesdays were dollar nights.
- Karen's boyfriend tackled disruptive student for security.
- We thought funnels were cool, until Randy, Fran and Security took them. Who knew those were known as weapons!
- Kissy introduced Isaac as the new little b-ball player in the distant future.
- RA Kenny Welch decided that 4th floor was going to join in Cardio Kick for educational purposes. Right Kenny!!
-Dave ate too much food at the Superbowl party.
-2nd level boys gave Fran a card as big as her and a dozen pink roses on Valentine's Day during the Portland String Quartet.
- Fran thought she was going to go bald; but thanks to Cora and Zann, she didn't.
- We played Family Feud with the Faculty and Staff.

Members of the Senior Class

DJ Nate Cross

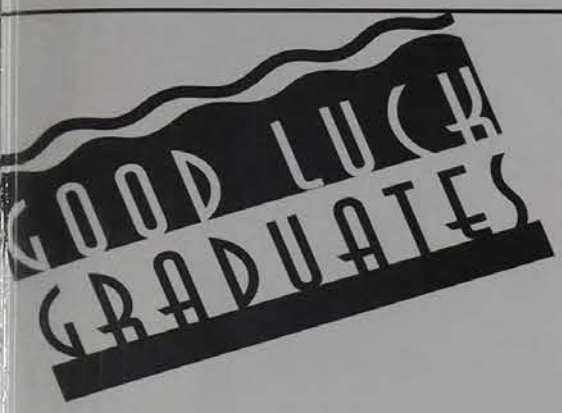

Comedian Tim Clue

The evening started with a so cial hour at 6:00 p.m. and din ner at 7:00 p.m. After dinner Comedian Tim Clue took the evening away, joking about Maine, Husson and "the way life should be after graduation." At 9:30 p.m. the crowd started moving in their seats and de cided it was time to dance as DJ Nate Cross started the music.

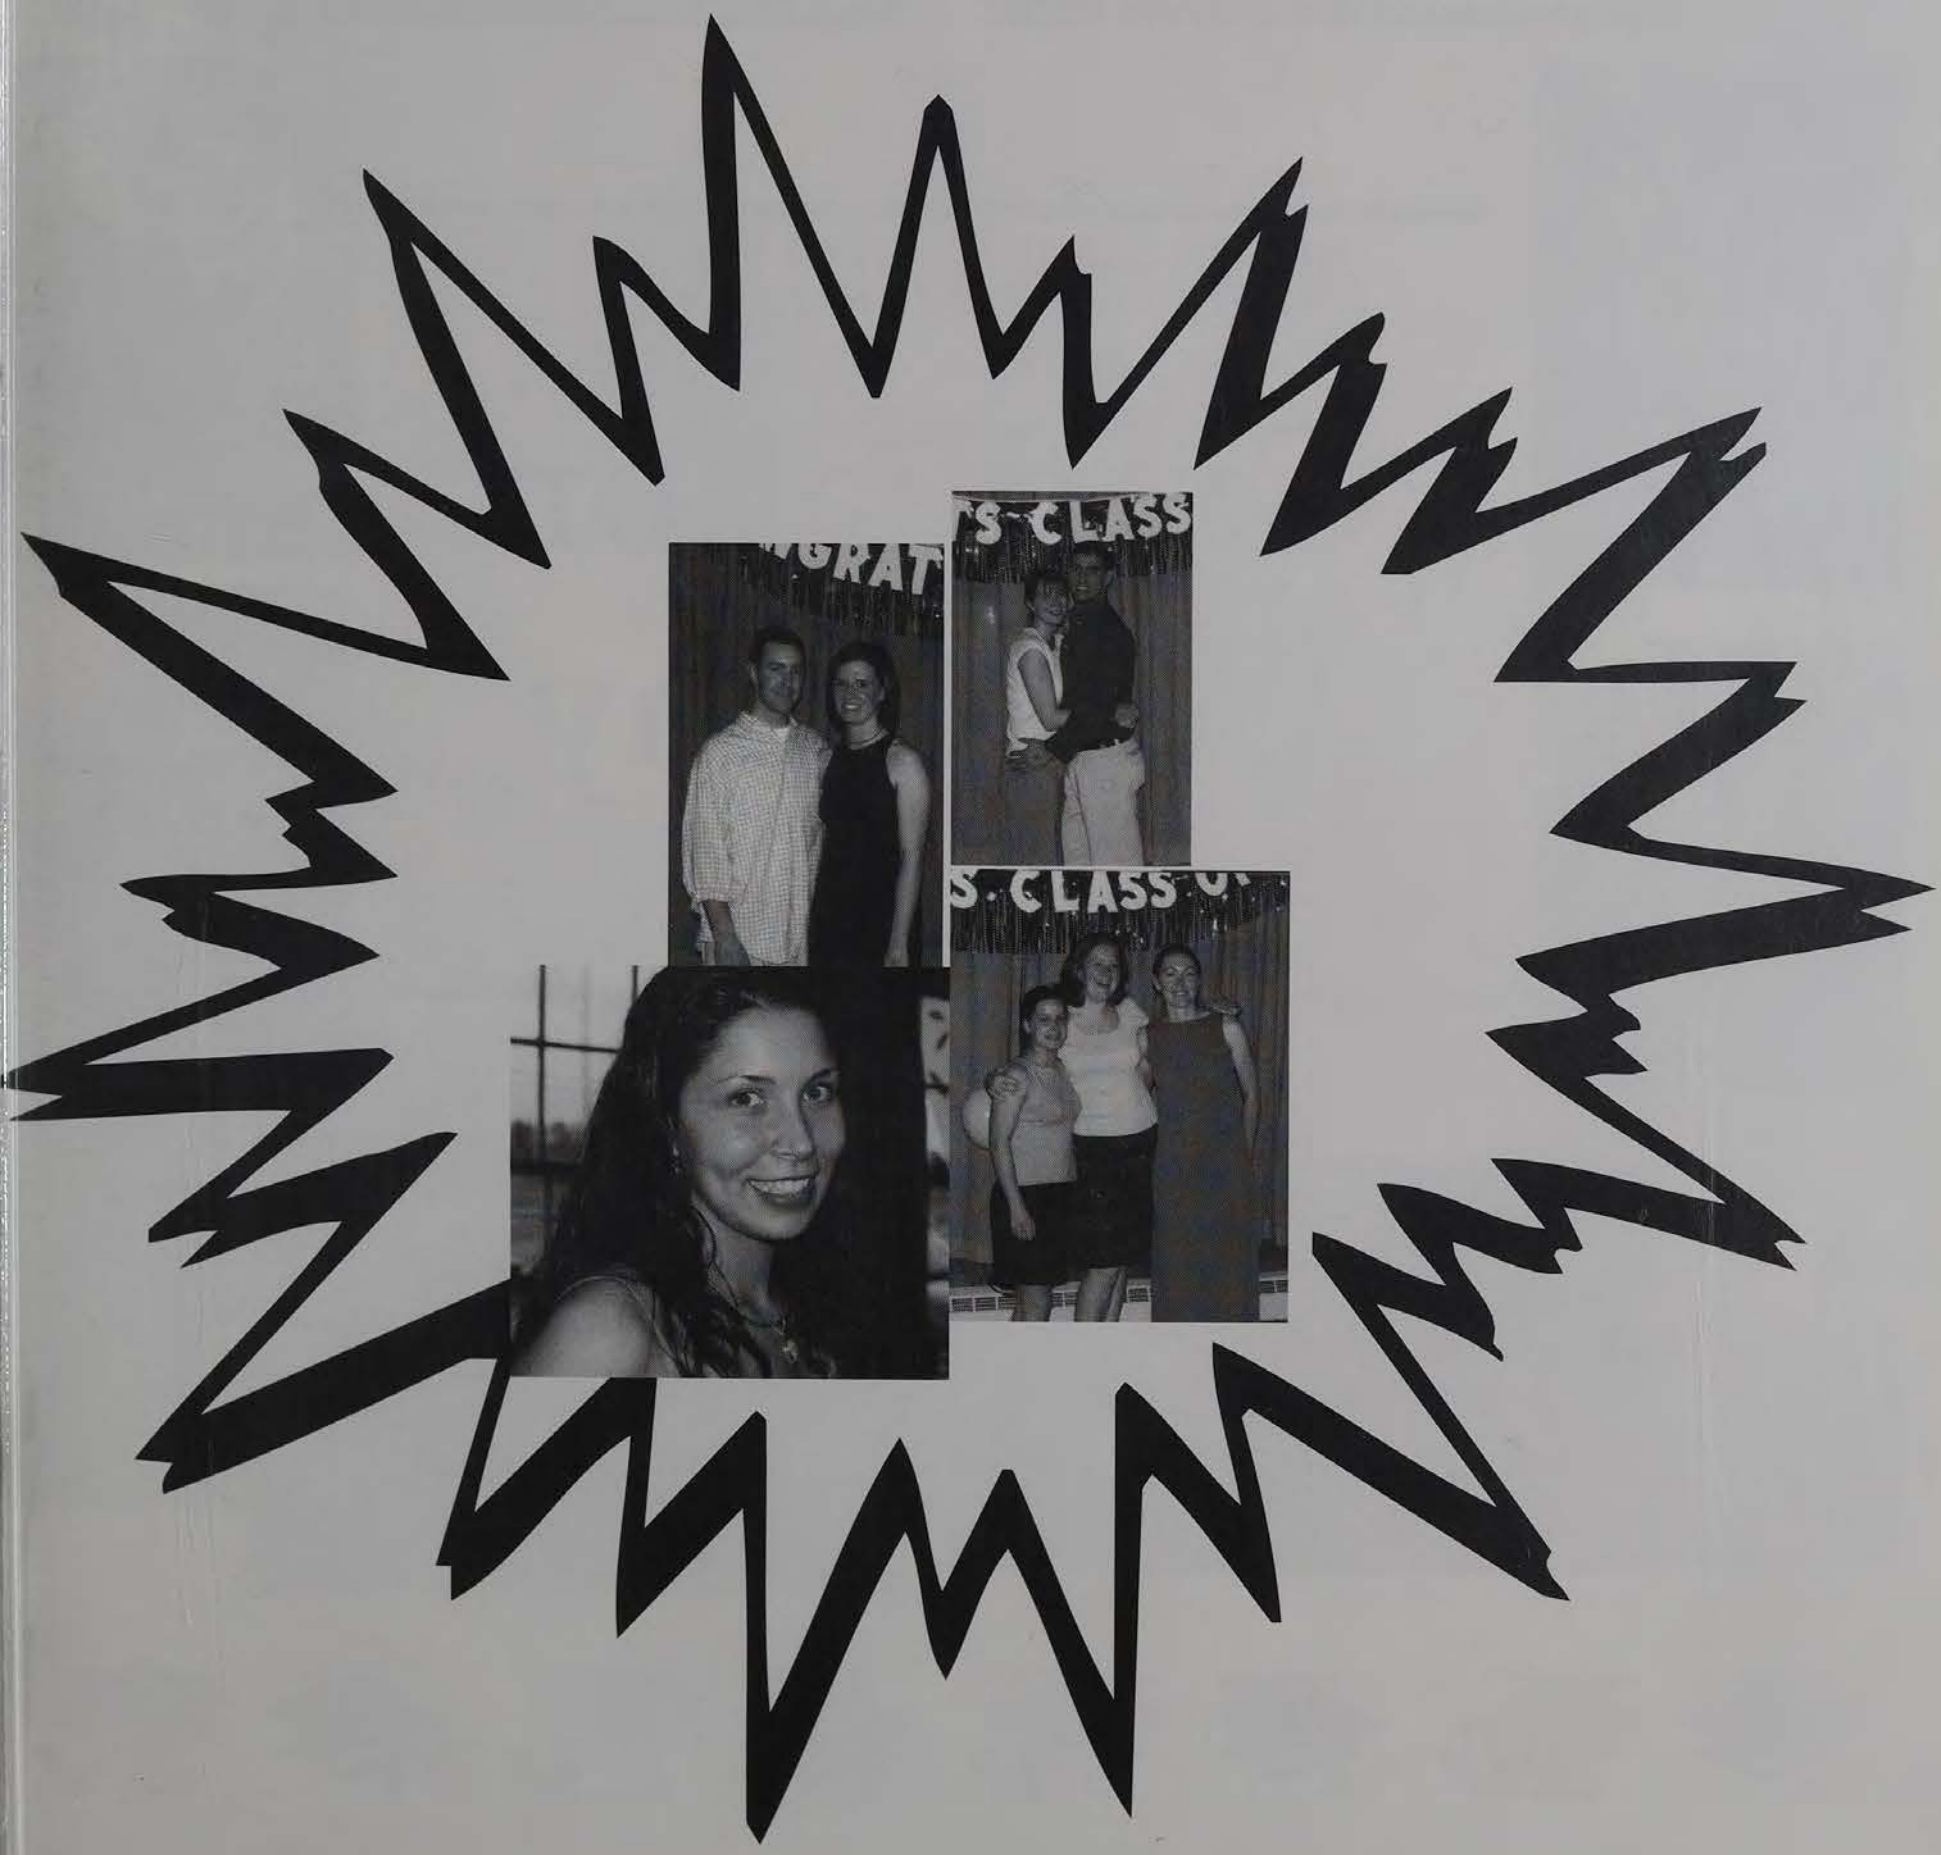

Senior Banquet

MEMORIALS

On May 27, 2002 Eleanor Harris died of pancreatic cancer. Eleanor was born Eleanor Ruth Boltson in Rego Park, Queens, New York. She was on leave from her position as Director of the International Center for Language Studies here at Husson College. She leaves behind Peter, her husband of 45 years; Daniel, her son; Marion, her daughter; and Ariel, her 11-year-old granddaughter. Countless family, friends, and students throughout the world to whom she was a great inspiration and mentor will miss her. Eleanor had an extensive career in International Education, serving in numerous programs in many different countries, promoting education and cultural understanding worldwide. She graduated from Forest Hills High School and Antioch College. She earned a Master's Degree in Bilingual Education from the University of Florida. She loved to travel, and she visited many parts of the world on business and pleasure with her husband, Peter. Eleanor was an avid reader, an enthusiastic gardener and tennis player, and a great cook. She delighted in her 11-year-old granddaughter, Ariel. Contributions can be made in her name to: International Rescue Committee, 122 East 42nd St., New York, NY 10168, Attn: Alicia Smith, 212-551-3173. A memorial service to celebrate her life was held June 1 at the Fields Pond Nature Center in Holden, Maine. Eleanor was passionately committed to social justice and creating a better world. She will be greatly missed.

MEMORIALS

On September 8, 2001, Kyoung Hee Kim died in a car accident on Route 1. She was born September 15, 1962 in Pusan, Korea. She arrived at Husson College on October 23, 2000. She was studying English in the International Center for Language Studies. Once she finished her language studies, she planned to attend the nursing program here. In Korea she was already a nurse, but she wanted to take the course here in the United States also. Kyoung Hee aspired to be an English writer. Her funeral service was postponed due to September 11, but the service was finally held at the end of September in Bangor. Kyoung Hee had many friends here, and they will all miss her greatly.

Kimberly Ann Johnson, 18, of Charlotte died unexpectedly on November 5, 2001. She was born February 14, 1983, the daughter of Terry and Jolene Johnson. Kim graduated from Washington Academy in June of 2001 and was attending Husson College, majoring in the Paralegal Studies program. Kimberly will always be remembered for her zest for life and ambitious belief that she could accomplish anything she set her mind to. She is survived by her mother, Jolene of Bangor; her father, Terry and his wife, Paula of Charlotte; her brother, TJ of Pembroke; her step-brother, Joshua of Charlotte; her aunts and uncles and their families, many cousins and loving friends. A memorial service was held November 10, 2001, at St. Johns Catholic Church, Pembroke. Donations in her memory may be made to Manna House in Bangor or PAWS in Calais. As this bright star fades from Earth, a star in heaven will surely become brighter. We will look for you every night, and we will always love you, Kibbles.
