WELCOME, CLASS OF 1966

PRESIDENT'S RECEPTION

ANYONE FOR BLUEBERRY PIE
(Paul Hopper)

NEW FACULTY MEMBERS

President's Column

The school year seems to be under way as planned, and all have settled to their tasks as befits men and women of college age. I have met the freshmen twice and enjoyed my visits immensely. They were courteous and receptive, and those are the springboards into a college career that I value highly.

New adventures outside the classroom face all hands. For the first time we are sponsoring soccer, cross-country, golf, and judo. The band has been reactivated, and rehearsals are held weekly. A Debating Club is in the making and we hope to hear of its good works as time passes.

I urge every student to enlist in or join some group activity. Of particular interest is the Glee Club, especially for those who feel that athletics, dramatics, and other activities demand more time and talent than they possess. It would please me to have at least 50 voices in this organization. Think this over and I'm sure that you will thank me for the fun—and instruction—that you will derive from a Glee Club membership.

The news from the men's dormitory, Husson Hall, is very gratifying. We made a tremendous investment in furniture, equipment for the kitchen, and dining room, paint, and a dressing-up program. The food is excellent, and Mr. Robinson reports good conduct and a wholesome atmosphere. I thank the dormitory residents for their cooperation and understanding.

We will soon have hot lunches at 157 Park Street, with inexpensive daily specials. A good food service is important to good living and I'm sure this effort will be appreciated.

November is traveling month for your President. First to Wilmington, Delaware; Philadelphia, Pennsylvania; and Washington, D. C., thence to Concord, New Hampshire and later to New York City. All are necessary to keep alive our memberships in regional and national associations. This time and effort over many years have brought us national recognition, the most exciting being that of national accreditation.

This reminds me that the National Accrediting Commission will visit us between Thanksgiving and Christmas in order to measure our qualifications for another five-year period. This poses a serious challenge to our staff and to the student body. Our growth must be along accepted lines without sacrifice of course content or services. We hope that you will be on your best behavior during this visitation.

A final word to all of you in these times of national stress. Your country wants you at peak performance so that your contribution to society will be a maximum one. We cannot loiter or dawdle in college when trained hands and minds are sorely needed in a fast-growing world, one which is threatened by the bullies and brigands in the Kremlin.

Have you young men ever questioned why the Armed Services defer drafting you while in college? The Armed Forces are big business, and, as such, need many talents, many types of trained personnel, much as any business does. Their needs are similar to those of the General Electric Company, Bethlehem Steel, Douglas Aircraft, or any of the industrial or commercial giants. So they say, in effect, to stay in school until the training is completed and at that time they will welcome your services. You will have much more to contribute when your college degree is offered in evidence of your new worth. I add my voice to that of Presidents Roosevelt, Truman, Eisenhower, and Kennedy, all of whom have said to the young men of the nation, *"Stay in school"*. The values in the armed forces, as well as in civilian life, appear in bounteous harvest for the college graduate.

On the Husson College coat-of-arms we find the motto "Cor Immobile". It means "steadfast heart". As your work becomes increasingly difficult day by day, week by week, and as

pressures build from outside (I write this on the first day of the Cuban blockade) I ask that you be of steadfast heart and that you believe in yourself and your destiny. A nation of people who strive, and who believe in themselves, will be forever great in stature and a beacon light of hope and inspiration for peoples everywhere.

I wish all of you a happy sojourn as a member of the Husson "family". My office welcomes your visits—with or without problems. I would like to know each of you better, and the only way it can be done is for you to drop in for a chat and I'll provide the topics for discussion. I would be your personal friend. Try me.

Cordially,
Chief

ANOTHER FIRST — SOCCER

First row: Magers, Paine, Marques, Bouchard, Trott.
Second row: Mansell, Vierra, Searway, Roberson, Cochrane.
Third row: Assist. Coach Scott, Argraves, Fraser, Luiso, Blaisdell, Day, Lee, Hopper, Henry, Coach Dana.

For the first time at Husson College, a soccer team was organized under the supervision of Mr. Chester Dana. The following boys were members of the team: John Cochrane, Dale Paine, Serge Henry, Terry Roberson, Ronald Luiso, Dick Trott, Shane Argraves, Barry Fraser, Dennis Day, Paul Hopper, John Bacicher, Rich Marquis, Manny Viero, Ray Magers, Craig Lee, Bill Blaisdell, and George Tilly.

They played the following teams: University of New Brunswick, Mount Allison University, Ricker, and Farmington State Teachers. Perhaps by next year we will be able and more ready to play a bigger variety of teams.

Although the boys did not win all of their games, they tried very hard and next year they will be more skilled at the game. This sport is sure to become one of the major sport events at Husson College.

Varsity Basketball

The biggest turn out in several years greeted Mr. Merrill on October 15, 1962 at the Brewer Auditorium for the first basketball practice. The only familiar face was that of Fred Sigrest, the only returnee.

After two weeks of conditioning, drills, and scrimmages, the following fifteen men remain varsity candidates: Wayne Hartford, Presque Isle; Delmar Clark, Fort Fairfield; Jon Predaris, Bangor; Wayne Buzzell, Ellsworth; Robert Tenan, Lincoln; Gerald Jameson, Presque Isle; David Bernard, Fort Fairfield; Robert Allen, Presque Isle; Robert Duprey, Presque Isle; Wayne Astbury, Blue Hill; Fred Sigrest, Newport; Richard Marquis, East Hartford, Conn.; Tom Coughlan, Prospect, Conn.; Robert Brown, Waterbury, Conn.; and Robert Gilbey, Westbrook.

The boys will be playing a variety of teams consisting of the following schools; Maine Maritime Academy, University of New Brunswick, Farmington State Teachers College, Aroostook State, Washington State, Mount Allison University, Ricker, Lyndon State, Eastern Nazarene, and Gordon.

He who laughs last didn't catch on very fast, did he?

This year's Indian tribe is a young one; but a very determined one. It is hoped that the student body will support the braves by turning out in full force for *all* home games and as many of the away games as possible.

Frosh Basketball

Due to the organizing of a freshman basketball team this semester, intramaurals have been delayed in getting started this year. Volleyball and basketball will not be started until sometime in December for the men at Husson.

Next spring Mr. Chester Dana hopes to start intramaurals either in soccer or softball.

Intramurals

Women's Intramural Swimming Program

On October 9, the Swimming Program for girls started at the Y. M. C. A. Every Monday night these girls take lessons.

The swimmers have been grouped into three areas: Beginners, Intermediates, and Advanced Swimmers.

The beginning swimmers are learning the prone float, the back float, and a few more strokes. The intermediate swimmers are being refreshed in their basic strokes and are being taught the side stroke, breast stroke, and the elementary back stroke. The advanced swimmers are reviewing all stroking techniques. These girls are doing distant swimming and are taking Senior Life Saving. All of these girls will have an opportunity to receive their life saving certificates from the Red Cross.

The following girls are Beginners: Carol Brooks, Claire Beaulieu, Linda Davis, Sheila Pickering, Ruthanne Seekins, Linda Scott, and Mary Wilber.

The Intermediate Swimmers are: Regina Doolan, Jacqueline Guerette, Elizabeth MacDonald, Geraldine Reardon, and Leona Spencer.

Those who are working for their Senior Life Saving certificates are: Helen Coston, Eleanor Bohan, Nancy McKenney, Carolyn Morse, Karin Reynolds, and Carol Shane.

We are fortunate in having a Husson Student, Jane Lanpher who is a certified Red Cross Instructor. She is teaching the Senior Life Saving group. All of these girls will be working toward their certificates in the different levels of swimming.

Women's Intramural Bowling

For the first time this year, the Intramural Bowling Program has been formed into nine leagues. The leagues meet every Tuesday at the Bowl-Mor Lanes. The girls are bowling in a handicap league.

The following Teams have been formed:

Team I—Barbara Evans, Carlene Perrin, Ruth Seekins, Brenda Sampson, Sharon French. Record—3 wins, 0 losses.

Team II—Claire Beaulieu, Diane Cleaves, Carol Shane, Linda Porter, Jean Pellitier. Record—1 win, 1 loss.

Team III—Jackie Hunter, Sherry Hillier, Roberta Beaudin, Roberta McLean, Sharon Smith. Record—1 win, 2 losses.

Team IV—Claudia Gowdy, Sharon Standish, Phyllis Perrault, Mary Thompson, Luere Hodgkins. Record—1 win, 2 losses.

Team V—Gina Doolan, Bobbie Sigler, Ida Lauridsen, Carolyn Guptill, Brenda Bubar. Record—1 win, 2 losses.

Team VI—Brenda Sumner, Diana Hatch, Wanda Leavitt, Lillian Green, Jo Ann Edgecomb. Record—2 wins, 1 loss.

Team VII — Janet Drinkwater, Maureen Leach, Sheila Pickering, Shirley Hersey, Carmen Lovell. Record—1 win, 2 losses.

Team VIII—Dawn Spinney, Pam Barrows, Patricia Bradbury, Sandy Williamson. Record—1 win, 1 loss.

Team IX—Pamela Pendleton, Mariam Snow, Carol DeBeck, Phyllis Pengree, Jo Ann McLellan, Barbara Theile. Record—2 wins, 1 loss.

Cheerleading

On Monday, October 22, approximately twenty girls started practicing for the final day of tryouts, under the leadership of Miss Nancy Hogan, cheering advisor. After two days of practice, the following girls were selected as Husson cheerleaders: Janice Sawyer, Brewer; Kathy Marsden, Turner; Fran Donaher, Worcester, Mass.; Lea Welch, Bangor; Linda Smith, Charlestown, N. H.; Dail Hersey, Bangor; and Jean Pelletier, Millinocket. The two substitutes chosen were: Linda Havey, Bangor, and Nancy Cormier, Rumford.

These girls are full of pep and will be ready to cheer the basketball boys on towards victory. Both the cheerleaders and the boys will need a lot of support; and they hope to see you, as Husson students, there to help cheer "your" team on its winning path.

Under the supervision of Mr. David Robinson, a cross country team was organized this year. This was the first time that Husson has had a sport of this type, and quite a bit of interest was shown.

The following boys were members of the team: Don Wheaton, Henry Drouin, Harry Greenfield, Bob Fraser, John Stather, and Lewis Babbige.

These boys competed against University of New Brunswick, Ricker, Maine Maritime Academy, and Colby College. The boys did very well and by next year, there should be a lot more interest in this sport; and Husson will be more experienced for their competing teams.

M. E. X.

On October 11, 1962 another big year was started for Mu Sigma Chi. This was the date of the first meeting. At this meeting the format for this year was discussed. The fraternity hopes to present another year of great enjoyment for Husson. The hopes of the fraternity are to have the Christmas Ball and Minstrel Show as in previous years. Both events have been greatly accepted by the student body in past years. The fraternity hopes to make both events bigger and better than ever before.

The first event of the year will be a T.V. raffle sponsored by the fraternity and the two sororities in the school. This is being done together since all three orginizations are under Pi Rho Zeta International, and the money will go toward taking care of part of the expense for the International Convention which will be held in Bangor next August. This convention is another great event which Mu Sigma Chi is proud to announce. This will be the first international convention ever brought to Husson by any of its organizations. The fraternity also hopes to definitely arrange for a fraternity house next year. That is one objective we have resolved for this year.

At the present time MEX is busy taking in new pledges. There are 28 pledges who have been selected for this year. Their initiation will take place the week of October 29, 1962 through November 5, 1962.

Let's have the entire student body back MEX in their endeavors this year. Your support is necessary in order to make some of our projects successful. Your support would be greatly appreciated by the entire membership.

D. S. D.

With President Henrietta Coulombe at the wheel and Vice President Nathalie Burnett by her side, Delta Sigma Delta Sorority is eagerly looking forward to an exciting year. Rounding out the new slate of officers are: Recording Secretary, Ruthanne Seekins; Corresponding Secretary, Anne Roberts; Treasurer, Audrey Simpson; Parliamentarian, Sandra Frost; Sergeant at Arms, Lea Welch; and Special Appointment, Judi Dobbins. We are all happy to have Miss Madelyn Jordan as our advisor again this year.

These officers were installed at a candlelight ceremony held jointly with Epsilon Tau Epsilon Sorority. The ceremony was climaxed by a report and slides of the trip to the Conclave held in Milwaukee during the summer.

The sixteen members present at the first meeting enthusiastically volunteered for various committees, determined to make this one of the most outstanding years ever for D.S.D. They are as follows: Standing Conclave Committee: Brenda Glenn, Martha Farwell, Lea Welch, Ruthanne Seekins, Judi Dobbins (stand-by). Open House Committee: Cecile Bosse, Joyce Hamilton, Brenda Lancaster (stand-by). Standing Refreshment Committee: Audrey Simpson, Joyce Hamilton, Brenda Lancaster. Standing Publicity Committee: Judi Dobbins, Marlynn Wilbur, Sandra Frost.

Plans are now underway for the annual Open House to be held on November 7, 1962. Members are anticipating a drive for membership of all those girls enrolled in a 1 or 2 year course who are eligible at the close of the quarter.

The formal business meeting was held on August 11, 1962, at the Hotel Pfister. Delegates from each chapter at the conclave were present. The meeting was presided over by President, Gayle Dvorak. Several amendments and revisions were made to the constitution. It was also voted to raise the international dues $2. Miss Swan was re-elected to the office of Vice-President.

E. T. E.

Husson College will be very busy this summer! The International Pi Rho Zeta Conclave will be right here in Bangor. Preparations will soon be in the making in order that this Conclave will be a "remembered event" for all of the members of Pi Rho Zeta.

The first meeting of the year was highlighted with the formal installation of officers. ELAINE GOODWIN was installed as President. Elaine is a Senior in the Business Education Department. She is from Madison, Maine and looks forward to a very exciting year as President. Lois Cross was elected First Vice President. The remainder of the officers are: Ann Smith, Second Vice President; Peggy Brewer, Secretary; Veronica Yuskiewicz, Treasurer; Sergeant-at-Arms, Simone Levesque; Christine Demko, Historian; Leah Kearney, Chaplain; Nelda Scott, Student Council Representative; Carole Worden, Ledger Editor; Priscilla Boucher, Assistant Ledger Editor.

Many projects have been undertaken. The Scholarship Drive is to be held during October and November. We are in hopes of breaking the record this year!

To the upperclassmen who have been wondering, YES, the Sorority Show will be presented again this year. The theme has not

(Continued on page 5)

E. T. E.

(Continued from page 4)

been decided upon, but you can be sure that it will be outstanding.

In May, we will be selling candy for Mother's Day. This project will be very handy for the students who need a Mother's Day gift to take home with them.

Plans are in the making for inviting new members to join Epsilon Tau Epsilon. Transfer students and upperclassmen who are eligible will be invited.

We hope to visit many of the municipal institutions in the city of Bangor. A magazine drive will be held for the purpose of enriching these institutions, and enabling us to "cheer up" the individuals. The entire sorority is behind the aiding of charitable organizations, so this year should prove very worthwhile.

Epsilon Tau Epsilon looks forward to a great year with Miss Swan and Miss Bradford. Our goals are high, and our enthusiasm equal!

MILWAUKEE BOUND

In August two cars, bearing Maine plates took off from Bangor, early in the morning (4:30 a.m. to be exact) and headed toward unknown territory. These two cars contained Delta Sigma Delta and Epsilon Tau Epsilon Sorority Sisters who planned to attend the International Conclave in Milwaukee, Wisconsin. The girls who were up so bright and early were Elaine Goodwin, Patricia Bailey, Anne Smith, and Sandra Frost. Faculty members were Miss Jordan, Miss Renaud, Miss Bradford, and Miss Swan. The biggest problem so early in the morning was the storage of suitcases. Most of the girls had packed two bags, one for travel and one for the Conclave. The two cars were loaded down with suitcases, cameras, extra shoes, extra food, bathing suits, and towels.

The first stop was for breakfast in Etna. In Fairfield, Elaine and Patty waited patiently with their dads. They finally joined the group. In Auburn an extra passenger was dropped off. All got out for a leg stretch and the cars started toward the objective. Lunch was at a Howard Johnson's on the Pike. The day was warm and grew warmer. After fighting traffic and heat, it was decided to leave the freeway in Utica, New York. The gang stopped

"Country Squire"

overnight at "The Country Squire" Motel. As the gang landed, a thunder shower of good proportions greeted them. The first thing was a swim in the pool—very refreshing. All eight then meandered across the main highway and found a beautiful Italian Restaurant. Patricia Bailey was elected by popular vote to go in to see if the group could enter in their shorts, Bermudas, etc. An excellent meal was placed before us. Miss Swan chickened out on the Italian food. At the end of the dinner the waitress placed a large platter of fruit on the table. In two winks of an eye, it was all gone—not eaten, but placed in pockets, pocketbooks, etc. for the next morning's breakfast. Two meals for the price of one, it seems.

Tuesday the gang arose bright eyed and eager. Niagara Falls was the first big stop. It was a beautiful day. The group spent most of the morning there. One highlight of the visit was a train ride around the islands to see the sights. Pictures were taken and the breath-taking Falls amazed all.

Niagara Falls

Tuesday night was spent in a small town, Strongsville, Ohio, at a beautiful motel. This was the night that we ate another big dinner. We drove to a nearby restaurant where food was served family style. Miss Renaud was chosen mother for the evening because of her service record. This was a great meal. All were stuffed to the ears. Calais and Moosehead were listed as great recreational areas for fishing and hunting. There we met people from Machias, Maine. Small world, huh?

Wednesday appeared to be an exciting day since the girls expected to reach Hotel Pfister in downtown Milwaukee before night. After a hot ride, then a cooling thunder shower, the cars stopped at the back door of the hotel. Some think the cars would still be there if a man hadn't asked Miss Bradford if she wanted a ticket! "What?" asked Miss Bradford. The cars were in a bus zone and the front door was on the other side of the hotel!

Girls and luggage, two trucks full, were checked in. Then the fun began. Without dinner the girls went to register. Miss Janet Kirchoff of the Milwaukee Sorority Chapter welcomed the group from Maine. Tickets, tags and information were received by all. Then, on to the reception which was being held for Pi Rho Zetans—beer and pretzels were served—introductions and chatter filled the room. The girls from Maine, still hungry, decided to go out at 8:00 p.m. for dinner. They asked the doorman where to find a restaurant and he wanted to know if it was a cheap one we wanted. The girls said, "No, just food." He directed the group down the street to the "Binnacle Bar" and Restaurant. Into a dark room, lighted by candles, decorated with a sea motif, the girls filed one by one—not knowing whether to turn around and go back or go eat. Once inside and settled, all by themselves, they found the German food very much to their liking. It was excellent. Price, $1.50 per person! They had good food, good service, and a good time with many laughs.

The Conclave started in full swing Thursday morning. Over half of the Pi Rho Zeta chapters had representatives present. At the business meeting, Bailey, Renaud, Bradford and Goodwin were assigned to committees by the Pi Rho Zeta International President. Court Judge, Robert W. Hansen, spoke at the luncheon. Thursday included a tour through Pabst Breweries with a visit to the Beer Garden (see picture).

Beer Garden

The group boarded a bus and had a slow but interesting ride to the home of Ron Becker in Waukeska, Wisconsin where a cook-out was held. It was very cool and a few hardy souls went swimming. Mr. Becker (Ron's father) was a delightful host, bare feet, and all. Bridge, badminton, treasure hunt, bonfire and food were enjoyed by all. It was interesting to see kegs of beer tapped and sampled. At 11:00 p.m. the boys and girls started home by bus, tired but singing.

After numerous committee meetings Friday a.m., the girls went shopping, visiting, and slept. The gang lunched together before boarding a bus for a trip to Spencerian College. The tour was conducted by skilled guides who explained school history, laboratories, and pertinent data. Lamba Chapter (Fraternity) demonstrated the proper formal initiation ceremony. It was well done and impressive. Ralph Frietag was in charge of the ceremony. The College served a buffet dinner to all. This was held in the student lounge. Miss Ethelyn Bennett, owner and director of the College, came to the dinner especially to meet the Pi Rho Zetans from all over.

Without as much as a second breath the Pi Rho Zetans jumped on the bus to go to the State Fair. The Fair was stupendous. Miss Bradford spent most of her time at the flower show. Miss Swan ate cream puffs at the dairy exhibit, and Miss Renaud kept Miss Jordan away from the side shows on the midway. No one investigated the "young fry" too much and they didn't tell where they went and what they did. From 12:30 a.m. on that night, the International President, Executive Secretary, and Governor General served Pizza to the Maine group in the Pi Rho Zeta Headquarters at the Hotel Pfister. This was a fitting end to one of the busiest days since leaving Maine. Everyone turned in and slept until committee meeting time—8:30 a.m.!

Miss America Runner-up

During the day Friday, word was getting around that the Bangor group was interested in the 1963 Conclave. The Husson group really got organized and became Public Relations and Good Will Officers at once. They did a good job and all were mighty happy when the Chairman of the Site Committee, Juanita Hitch, announced Bangor as host city in 1963 and Evansville, Indiana in 1964. Miss Swan was re-elected Vice President. Mr. Dvorak was re-elected President, and Mr. Kurtzheim, Secretary-Treasurer. Mr. Gorsky, our excellent Governor General, will serve another term—and more it is hoped!

On Saturday, the Conclave had a grand spaghetti feed at the Venice Club in downtown Milwaukee. At the luncheon, Sandra Frost and Elaine Goodwin won prizes. The last evening event found Patty Bailey winning a huge spray of orchids from Hawaii, compliments of the chapter at Hilo Business College.

The formal banquet was held in the East Room of Hotel Pfister. Over 100 folks were in attendance. Each guest received a beautiful Pi Rho Zeta plate as a momento of a tremendous conclave. New friends were made and old friendships were renewed. Juanita Hitch and Glenn Hoffman were crowned Queen and King of the 1963 Conclave. Dancing followed. The Maine group entertained later that night. People dropped in and fun was had by all.

Sunday the Conclave closed with a breakfast in Mr. Gorsky's honor. He is a tremendous individual and all of you Bangor people want to meet him in August, 1963.

HOMEWARD BOUND

The Bangor crew left for home Sunday. They went a couple of miles, waded in Lake Michigan, picked the first good-looking motel in Green Bay, Wisconsin and fell into bed to recuperate from a strenuous but worthwhile week. The group purchased all the cheese they could get into two cars and headed for Saulte Ste Marie where they would ferry into Canada. Shopping in Montreal, stopping at Trois Rivere's (Three Rivers to you!) and picnicking on the way home were highlights of the trip. Bridge was played; also, "Good Morning, Queen." When the cars headed for home and arrived in Mexico, Maine, at 8:00 p.m., it was decided—*ALL* the way! Home at 1:30 a.m., tired but happy. Worthwhile? You bet! Every year from now on Epsilon Tau Epsilon and Delta Sigma Delta will go to the Conclave.

Mu Sigma Chi Fraternity President Receives Scholarship

Leo Loiselle, President of Student Council and Mu Sigma Chi Fraternity has been notified that he has been awarded a $2,000 teaching fellowship from Michigan State University. He will report in June to begin his work for his M. B. A. degree with an accounting major.

ADVICE

When things go wrong, as they sometimes will,
When the road you're trudging seems all uphill,
When the funds are low and the debts are high,
And you want to smile, but you have to sigh,
When care is pressing you down a bit—
Rest if you must, but don't you quit.
Life is queer with its twits and turns,
As every one of us sometimes learns,
And many a fellow turns about
When he might have won had he stuck it out.
Don"t give up though the pace seems slow—
You may succeed with another blow.
Often the goal is nearer than
It seems to a faint and faltering man;
Often the struggler has given up
When he might have captured the victor's cup;
And he learned too late when the night came down,
How close he was to the golden crown.
Success is failure turned inside out—
The silver tint of the clouds of doubt,
And you never can tell how close you are,
It may be near when it seems afar;
So stick to the fight when you're hardest hit,—
It's when things seem worst that you mustn't quit.

KAPPA DELTA PHI PLEDGES SEVENTEEN

First row: Kenneth Collins, William Pelletier, Anthony Pavone, David Salway, Harland Green, Stanley Gott, Lloyd Ritchie, Wayne Campbell.
Second row: Terrance Weymouth, Gene Nardi, Robert Graham, Lewis Cahill, Robert Gross, Carl Brown, Ronald St. Pierre, John Sprague, Paul Gervais.

Kappa Delta Phi

Kappa started off the year with a new advisor. Upon Mr. Wright's retirement, Mr. Lebrun took over the advisors position. The Brothers of Kappa wish to thank both men for their interest in the fraternity.

Thirty men expressed their desire to become pledges of Kappa Delta Phi. The Brothers voted on these men Oct. 11. Twenty-one have become official pledges. Those chosen to become pledges will pass through a series of tests. Good luck, men!

Next month Kappa will hold a steak supper for the new brothers and their dates at Husson Hall. From the reports from the Frosh at Husson Hall this meal should be a real treat.

Kappa is proud to announce that six of the eight proctors at Husson Hall are associated with the fraternity. Kappa men are on the move.

We of Kappa wish to congratulate all the February graduates which include the following Brothers: Business Administration, Jere Donahue; Robert Gilbey; Edward Libby; John Lynch; and Eugene Nardi. Business Education, Karl McGaw.

New officers for the year 1962-63 are President, Dave Adelman, Mars Hill; Vice-president, William Carney, Buckspot; Secretary, Wayne Hewitt, No. New Portland; Treasurer, Paul Bradeen, Milo; Chaplain, Lewis George, Bangor; Pledge Master, Vincent McLaughlin, Augusta.

CHIEFTAIN

"The Chieftain," our yearbook here as Husson, will be edited this year by the Junior Class. In previous years our yearbook has been edited by the Louise B. Miller Chapter of the Student Education Association. Last year the Chieftain was redesigned from cover to cover and the class of 1964 will edit our yearbook in the same manner this year. The staff includes: Editor-in-Chief, Lois Cross; Class Editor, Pamela McKelvey; Activities Editor, Wayne Hewett; Sports Editor, James Carisle; Business Manager, Rebecca Blood. Volunteers from the Sophomore Class are assisting with the yearbook for they will be in charge of the project next year. The Chieftain will go to press in March and should be ready for all to see when school closes in June. Our advisor this year who is helping with the Chieftain is Mr. David Bertolotti. We all will be looking forward to the debut of the Chieftain in 1963.

GLEE CLUB

The club has started its activities for the new year under the direction of Mr. Cupp. The new members are: Patricia Floyd, Mary Bamford, Carol Shane, Dianne Cotter, Carol Brooks, Clair Beaulieu, Norma Thompson, Pat Bradbury, Lois Cross, Priscilla Boucher, and Patricia Theile.

Come and join the Glee Club everyone. Husson needs you to make the Glee Club a success this year. See you all at the next meeting? Come and have a singing good time!

S. E. A.

The Student Education Association of Husson College is under way once again. President Peter Lucas has the following slate of officers: Vice President, Lois Cross; Secretary, Carole Worden; Treasurer, Frances Donaher.

The first meeting of the year was an organizational meeting with our president outlining the purposes of S. E. A. and proposing a tentative program for the year. A planning committee was established to develop interesting and beneficial programs for future meetings.

The Student Education Association is an organization primarily for Business Education Students. It is a source of enlightenment into the field of teaching and what it entails, not only in the academic areas but also in such areas as school activities and student-teacher relationships.

The membership fee of $3.00 pays the national, state, and local dues and includes a subscription to the NEA Journal.

Future Business Education Teachers support your local S. E. A. chapter for the building of better teachers for tomorrow.

BAND

Once again Husson College has a concert band. For a number of years the college had a concert band under the personal direction of the "Chief." Mr. Chesley Husson has always had a keen interest in music. As a boy he learned to play the saxophone and later directed the first Husson College band until pressure of executive duties forced him to give up that activity.

As soon as school opened this fall, the new band director was busy organizing and making plans for the band. Instruments were rented, music was bought, students were contacted, and the band was launched with a total of seventeen students participating. An official invitation was extended to the students of the Northern Conservatory of Music to also participate in the Husson College band.

It is planned to have the band play for assemblies, school sports activities, and a music night in the spring. Blazers will be furnished this year for the band members, officers will be elected at a later date, and some type of suitable music award will be made to those who actively participate while at Husson College.

There are still approximately fifty students at Husson College who play musical instruments but have not come forward to play in the band. The band particularly needs clarinet players. Let's get behind this band and make it an organization that Husson College can be proud of.

To date the following students have participated in the band: Herbert Hopkins, Ronald Gallagher, Keith Bolster, William Blaisdell, Linda Havey, Donald Dinsmore, Joyce Hamilton, Robert Lord, Carolyn Flewelling, Gail Cullen, John Faulcher, John Bates, Edward Hadley, Carol Wylie, Joel Voisine, Theodore Durepo, and William Allen.

Newman Club

The Newman Club of Husson College held its first meeting under the supervision of Father O'Donnell, Thursday, October 17 at John Bapst. Plans for the coming year were discussed and the officers and committees elected. The officers are as follows: President—John Donovan, Lewiston; Vice President—Phil Roy, Fort Kent; Treasurer—Bob Dore, Orono; Secretary—Louise Coombs, Livermore Falls; Publicity—John Cochrane, Bangor.

This year it was decided that we would have dorm counselors in any home that had more than six students. Their duties would be to encourage the Catholic students to attend Newman Club and to inform them of our regular meetings. The following counselors were chosen:

Husson Hall — Dean McDougal, Joe Voisine, John Donovan, Peter Mecca; King's Daughters—Pam McKelvey; Rendell Hall—Brenda Mahany; Woodman Home—Priscilla Boucher; St. Joseph's—Henrietta Coulombe.

The committee to work on the yearbook is as follows: Kelvin Hanlon, Phil Roy, Louise Coombs, and Frank Dumont.

A planning committee was also chosen to organize the programs for the year and to contact the speakers. The committee is as follows: Sylvio Raymond, Pam McKelvey, John Donovan, Phil Roy, Lea Welch, Joe Voisine, John Corrigan, Dave Fernald, John Cochrane.

Following the election a general discussion was held, followed by refreshments served by the mothers of Newman Club members in the Bangor area.

This year looks to be a very interesting year. Already members of the club have attended two meetings at the University of Maine. October 21, 1962, Husson was represented by a large group at a meeting and reception held in the Main Lounge of the Memorial Union at the University. The speaker was the National Chaplain of the Newman Club. Following the program, a short question and answer period was held.

ADELMAN CROSS

Y. R. C.

The Young Republicans' Club of Husson College is off to what looks like, the best and most active year yet. The young people of this country have the greatest stake in its future. The decisions of today will determine the kind of world you will live in tomorrow. As a member of the Husson Young Republican Club, you will be able to join with others in making your voice heard on the social, economic and political problems of the day.

On September 22, 1962, John Cochrane, Dick Trott and past members Charles Kendricks and John Greer got the Republican ball rolling in the right direction by attending a chicken barbecue honoring Congressman Clifford G. McIntire and Governor John H. Reed. This was sponsored by the second district committee and held in Skowhegan. The Husson boys took complete charge of serving the food for more than 1000 people.

The first meeting was held on October 9th. Election of Officers took place and they were: President, John Cochrane; Vice President, James Hanson; Secretary-Treasurer, Barbara Thiele; Publicity, Richard Trott.

Discussed at the meeting were plans for the oncoming election on November 6th. The club members have been distributing posters and pamphlets helping the candidates. A drive to get new members was set up, and is now in full swing. Members of the club have gone down to the local radio stations to voice their political opinions at the request of the Bangor Republicans' Club. President Cochrane had a meeting with Congressman McIntire concerning the work to be done by the club. At this time Mr. McIntire expressed his great desire to speak to the club. It is hoped that we will be able to get both Congressman McIntire and Governor Reed sometime in the middle of November.

Today's Republican Party is composed of young men and women with sound ideas. Thoughtful Americans are learning that the Republican Party is today's only effective political force which is dedicated to preserving the rights of every man. People between the ages of 18 and 40 are participating in this political action movement in cities and towns and on college campuses across the country. Your activity in a Young Republican Club will give you an opportunity to develop your abilities as a leader. You'll broaden your acquaintances by working with others in promoting good government.

PLACEMENT OFFICE

Been looking for Mr. Wright? He's really not hiding this year—he is at a new location! The Placement Office now occupies the space formerly held by Dean Foss in Hart Hall.

A busy year is forecast. The usual follow-up studies are underway and work is commencing on individual student records. February seniors are beginning to find placements.

The tentative recruiting schedule is listed below. Students are encouraged to watch the bulletin board for any changes in scheduling and for the opportunities offered by each company.

Date of Visit	*Company*

March 27	American Fore Loyalty Group (Continental Insurance Co.)
March 28	State of Maine Bank Examiners

Two urgent problems confront us. Part-time employment, perhaps the most urgent, has been temporarily eased. Direct mailing of a circular indicating that we have students desirous of work has been mailed to many Bangor merchants. In addition, an advertisement was placed in the Bangor Daily News. We hope to receive many more opportunities through these devices. The demand, at the present, seems greater for men; the women remain on the waiting list much longer.

The other problem we are having is in finding experienced people to fill employer requests for full-time workers. A special plea is made for alumni to "sign up" at the Placement Office if they are desirous of making a job change. Opportunities for positions have been available in accounting, general business, secretarial, and teaching. There is no charge for this service. Although many of the Maine companies do not hold recruiting sessions on Campus, quite frequently they call us for experienced personnel. Why not keep in touch with the Placement Office for any information regarding employment opportunities.

Early to bed and early to rise and you'll never have red in the whites of your eyes.

ALUMNI

The Eastland Motor Motel, Portland, was the scene of the annual teachers' convention dinner for the Husson College Alumni. The teachers assembled for dinner at 12:00 noon on Thursday.

President C. H. Husson gave a brief summary of the college events during the past year, and spoke of expansion plans for the future.

Mr. Kenneth B. Fobes, Assistant—Head of the Education Department, University of Maine, was the guest speaker. He spoke on the role of the Business Education teacher in our secondary schools, in the past, at the present, and in the future.

A short business meeting was held and conducted by Hildred W. Phillips, Stevens Academy, Blue Hill, President of the Husson College Alumni Association. New officers for the year 1962-63 are Douglas Harrington, Bridgewater, President; Diane A. Henderson, Brooklin, Vice-President; and Ruth E. Wishart, Brewer, Secretary.

Alumni members attending the dinner were Madalyn Jordan, Husson; Dolores Renaud, Husson; Louise Miller, Husson; Jane Goodwin, Husson; Janet Kinney, Husson; Ruby Swett, Husson; Mildred M. Dartnell, Husson Chaplain; and President and Mrs. C. H. Husson.

AWARDED DEGREE

8 School Street
Windsor Locke, Conn.
June 3, 1962

Dear Mrs. Miller:

The University of Hartford, formerly Hillyer College, gave me full credit for the work I had done at Husson; and by attending the Evening Division, I was able to complete my required courses. I was granted a B. S. degree in June, 1960.

I have been employed by a public accountin firm in Hartford for six years and successfully passed the exams for and became a Certified Public Accountant, December, 1961.

My family is all well and still the same size, two boys. We purchased a home here in Windsor Locks two years ago, which is twelve miles from Hartford.

Sincerely,
Charles E. Knowlton

Sept. 9, 1962

Dear Mrs. Lowe:

Please forgive me for not having answered your letter sooner. I received your letter shortly after my arrival in Germany. As always, I found it most enjoyable and once again, I thank you for keeping me in touch with the goings on at Husson.

I really don't know where to begin for I realize, and hope that you will, that it would be impossible for me to tell you all of the wonderful country of Germany. It just doesn't seem possible that I've already been here three months. I am stationed at an evacuation hospital as a stenographer to a Lieutenant Colonel who is a doctor of orthopedics. I enjoy my work here at the hospital and am in a wonderful slot for promotions. The hospital is located in the small resort city of Bad-Kreuznach Geographically, I couldn't be better situated. I'm approximately sixty miles southwest of Frankfurt. I am only two hundred miles from Paris and within five hours from the neighboring borders of France, Belgium, Denmark, Switzerland, and Holland. As I have exactly two years remaining, I'll have plenty of opportunities for travel, and I will be sure to take full advantage of all of them.

Here in Bad Kreuznach I am located in a valley surrounded by rugged hills and the scenery is beautiful. The weather has been ideal here this summer for the hundreds of people touring this area of the country. I have spent a great deal of time at the nearby pool enjoying the sun and water and of course the colorful bikinis parading by constantly—*most interesting ! ! !*

I am flying to London on Tuesday, the 11th. I should be there by the time you receive this letter. Yes, I'm very excited, for London is one place I have always wanted to visit. I will be traveling north to Southport for the weekend. I have been corresponding with a girl for eight years. I still cannot believe that I am finally going to meet her. After the week-end I will return to London for two days and then fly back to Germany and Army life. I am hoping to spend a week in Switzerland sometime in September. I have always wanted to ski and this will be my main purpose of visiting this haven for snow lovers. I am also hoping to hit Paris before the tourists arrive next summer. There is so much I want to see and do and although two years seems like a long time now, it really isn't.

Adjusting to this place was a frustrating experience and I never anticipated it would be so difficult. I guess it was due to the fact that I hated to leave my folks, loved ones and friends for such a long time. However, the wonderful things that are happening here are making my tour such a wonderful experience.

Very sad to relate to you that I've gained fifteen pounds since my arrival here. I'm on a starvation diet right now. You know what I mean—no meals just ice cream cones, potato chips and other trash—no wonder I haven't lost any weight.

Say, I sure could go for a crabmeat salad on rye or better yet a hard roll, but not one of those terrible pickles. Ha. Ha.

P.S. The thing I failed to mention was life here in Germany. The German's way of life is primitive compared to life in the States. Very few people know the luxury of an automobile. They simply cannot afford one. Bicycles are the means of transportation, and I've seen more people over sixty riding them than I have six year olds. It really is pathetic to see some of these people huffing and puffing.

Do they like the American soldier? Yes and No. It is only natural for a country to not want foreign troops in its country. The older generation definitely does not appreciate the fact that we are still here. They are still living with World War II. However, they do realize that it is necessary for us to be here if the NATO Alliance is to be successful. I love the youth and enjoy being near the small fry. They really like the Americans.

Have been trying my talents at photography as there is an excellent photo shop on post. Am sending a sample of a beginner's work.

THANK YOU

Dear Miss Swan,

I would like to express a sincere thank you for the lovely "mother pin," which was presented to me on my birthday recently, as our girls gathered for the occasion. Carole presented the gift of love and appreciation from E. T. E. I felt very honored and surprised! The pin will be worn with pride and I shall endeavor to earn the right to wear it in future years. I shall be happy to assist the girls through other projects and will enjoy seeing their success.

Sincerely,
Mrs. Dorothy A. Hamilton

SENIOR BALL — 1962

STUDENT COUNCIL

Self service is much in evidence this year in our favorite nook. Even though there have been many changes, we are glad to welcome Mrs. Lowe and Mrs. Seba back.

It's good to see so many old members back from last year. With the inclusion of the new members we expect to have a real hard-working, active group. The new members admitted so far are, senior—Nancy Sanborn; juniors—Charles Guiggey, James Hanson, Barbara Theile, Bob Trask, Roger Castonguay, Ed Tuttle, Dean McDougal, Dale Green; sophomores—Sue Stone, Lea Welch, Diane Cleaves, Carroll Strout, Louise Coombs, Brenda Mahany, Diane Malloch, Lewis Cahill, Loretta Stanwood, and Ted Jellison. The freshmen members will be brought in later.

This year the new officers elected were: Bob Dore, president; Fred Astle, vice-president; Pam McKelvey, secretary; Judy Otis, historian; and Dick Mallor, publicity chairman. Louie Abbotoni was kept on as treasurer.

At the last meeting, October 16, 1962, the Council was proud to present Leo Loiselle, past president for two years, with a gift of our appreciation for all he has done for the Council in the last few years.

This year is going to be a challenging and exciting one for the Council. Many plans are already underway for our becoming a Student Senate. A number of other grand projects are also in the process of planning.

Faculty Changes

1. Mr. William Parker is on a leave of absence for advanced study. He is attending the University of Massachusetts where he is working for a Master's degree in Business Administration. He will return to Husson College in the fall of 1963. Mr. Parker has been appointed teaching assistant in the Accounting Department at the University. We are pleased with his appointment since there are only two teaching assistants in the school. He is teaching a class that is an experimental group, that is, a teaching machine type of program rather than a regular textbook class.

2. Dr. George McCabe has joined the staff of Bryant College in Providence, Rhode Island, in order to be nearer his home in Connecticut.

3. Mr. Kane and Miss Reines are teaching in New York State and Massachusetts, respectively. Miss Reines is at Nautucket High School, which is located on an island. She is reported to be enjoying herself there.

4. Miss Bradley is teaching at a business college in New Hampshire. She is a member of the Secretarial Staff.

Additions and changes have been made in the current teaching staff at Husson. Administrative changes are the following:

1. Miss Clark has been elected by the Board of Directors to the positions of Third Vice President. Miss Clark, due to the pressure and demand of her office, has retired from the teaching staff. (She may be talked back into one class in the years to come!) Miss Clark has been an outstanding classroom instructor and her cohorts feel the loss.

2. Mr. Husson, Jr. has been appointed to serve as Director of Admissions. All applications will be processed in his office and Mr. Husson will meet with groups of visiting students from the various high schools. He will meet with the students and their parents when they come to apply or register.

3. Mrs. Jane Mahan Goodwin, Class of 1961, has joined the staff as Director of Public Relations. Her duties consist of publicity work, arrangements of Open House and Alumni Homecoming Day, etc.

Mrs. Goodwin is also teaching classes in Office Machines. She taught at Charlestown, New Hampshire before returning to Husson. She is the wife of Robert Goodwin, Class of 1962.

4. Miss Janice Moody is no longer teaching. She was elected Assistant Treasurer of Husson College by the Board of Directors. She is in charge of the I.B.M. installation here and has her hands full of figures, papers, class lists, and crazy little boards covered with wires.

5. Mr. John Tyler has been appointed Assistant Department Head in the Accounting Department. He is teaching only in this area now.

6. Mr. Richard Cohen is Director of the English Department. Mr. Cohen returned in February of last year after a leave of absence to work on his Ph.D. degree. His Department has increased to six members this year.

Staff Additions

Library:

Mr. Alton McKenzie of Arlington, Massachusetts has joined the staff until February. In February Mr. McKenzie must fulfill his obligation with Uncle Sam. Due to this increase in staff, the library is kept open evenings and Saturdays.

In February Miss R. Arline Wray of Brewer will join the Library Staff on a full-time basis. Miss Wray is currently Head Librarian at Mattanawcook Academy in Lincoln.

Dept. of Accounting:

Reginald McKenney of Bangor, Class of 1960, has joined the department. Mr. McKenney recently received certification as a C. P. A. in the State of Maine.

Mr. Robinson has transferred from the Business Administration Department to the Accounting Department. He is teaching Introductory Accounting and Law.

The "Great White Father" is still boss-man. The number of freshmen has increased from a lowly 200 to an unbelievable 400 students.

Dept. of Business Administration:

Mr. Curran, Director, has eight faculty members teaching in his department. New additions to this staff are Dr. Charles H. Merchant, formerly of the University of Maine staff, Gordon Morse, a recent graduate of the American International College of Springfield, Massachusetts, and Abbott Rice, formerly of the faculty of Northampton Commercial College.

Dept. of English:

David Bertolotti of Springfield, Massachusetts and American International College has joined the staff of Freshman English instructors. Mrs. Susan Darling, formerly of Aroostook State Teachers College, is teaching Freshman English and Report Writing.

Dept. of Secretarial Science:

Mrs. Jane Goodwin is an addition to Miss Bradford's department as noted previously. Dolores Renaud, Lt. j. g. U.S. Naval Reserve, is teaching Introductory Typewriting and Filing in this department. She is currently sitting out an Alert 3 order! Miss Renaud is a Husson graduate and has been in the U. S. Navy a long time.

Meet Your Faculty

The English Department, under the direction of Richard Cohen, has increased its staff by two new members, Mr. David Bertolotti, Jr., Springfield, Massachusetts; and Mrs. Susan Darling, Presque Isle, Maine.

David Bertolotti is a graduate of Technical High School, Springfield, Massachusetts, and received his degree from American International College, in English, in June 1962. Mr. Bertolotti will conduct Freshmen English classes. He is a member of Alpha Sigma Delta Fraternity. Mr. Bertolotti will reside in Bangor.

Bertolotti

Darling

Mrs. Susan Darling received her M. A. in English Writing from John Hopkins University, Baltimore, Maryland, in June, 1960. During the academic year 1960-1961, she taught English Composition part-time at Worcester Junior College, Worcester, Massachusetts. During the year 1961-1962, Mrs. Darling was an English Instructor at Aroostook State Teachers College, Presque Isle, Maine. Mrs. Darling will teach Freshman English, Report Writing, and English Literature.

The Secretarial Science Department, under the direction of Miss Mildred Bradford, has added to its staff, two new members. Miss Delores Renaud, Bangor, will be teaching full-time, and Mrs. Jane M. Goodwin, Bangor, will be teaching on a part-time basis.

Miss Delores Renaud is a graduate of Lewiston High School and holds her B. S. in Business Education from Husson College. Miss Renaud served in the United States Navy, and has been employed in the Business Education Department at Brewer High School during this past year. Miss Renaud will instruct classes in Typewriting, Office Practice, Accounting, and Filing. She makes her home at 192 Forest Avenue, Bangor, Maine.

Renaud

Goodwin

Mrs. Jane M. Goodwin is a graduate of Stearns High School and holds her B. S. in Business Education from Husson College. She will teach Business Machines on a part-time basis. She has joined the office staff and will handle public relations for the College. Mrs. Goodwin taught in Charlestown, New Hampshire during the past year.

Four new men have joined the Business Administration Department. Mr. W. J. Curran, Jr., Director, will have a total of ten faculty members under his supervision. The four newcomers are Mr. Reginald McKenney, Bangor; Dr. Charles H. Merchant, Orono; Mr. Gordon Morse, Springfield, Massachusetts; and Mr. Abbott E. Rice, Weston, Massachusetts.

Mr. Reginald McKenney is a graduate of Madison High School and holds a B. S. in Accounting from Husson College. Mr. McKenney is a Certified Public Accountant and has been employed as an accountant in Bangor. Mr. McKenney will instruct classes in Business Math, Introduction to Business, Accounting, and Federal Taxation. He is married to the former Nancy Wells, and they reside at 191 Center Street, Bangor, Maine.

McKenney

Merchant

Dr. Charles H. Merchant will join the faculty at Husson College in the fall. Dr. Merchant holds a Ph.D. from Cornell University. He has taught at Cornell University, was Professor and Head of the Department of Agricultural Economics and Farm Management at Utah Agricultural College, and is recently retired as Professor and Head of Departments of Agricultural Economics in College, Station and Extension Service at the University of Maine. Dr. Merchant is married, has one daughter, and makes his home in Orono, Maine.

Mr. Gordon Morse, Springfield, Massachusetts, is a graduate of English High School, Boston, Massachusetts. He attended the University of Massachusetts, Boston University, and was awarded his B. S. in Business Administration (Management Major) from American International College in June, 1962. Mr. Morse served in the United States Navy. Mr. Morse will instruct classes in Business Math, Introduction to Business, Law, and Economics. He is married and will reside on Fellows Street, Orono, Maine in September.

Morse

Rice

Mr. Abbott E. Rice of Weston, Massachusetts, attended Newton Public Schools, Newton Massachusetts, and received his A.B. in Business Administration from Colby College, Waterville, Maine. Mr. Rice received his Ed. M. in Business Education from Boston University in 1959. He has taught in Duxbury High School, Duxbury, Massachusetts, and for the past year, has been an instructor at Northampton Commercial College, Northampton, Massachusetts. Upon joining the staff at Husson College, Mr. Rice will teach courses in Economics, Management, Business Math, Law, and Advertising. He is married and has one son.

NEW LIBRARIAN

Husson College announces the addition of a librarian to its college library. He is Alan Taber McKenzie of Arlington, Mass. Mr. McKenzie is a graduate of Arlington High School and received an A. B. Degree in English Literature from Harvard College in June 1962. He was graduated cum Laude.

ROVING REPORTER

WILLIAM SPRAGUE

Former Husson Student Returns To School

Most of the students here at Husson realize the importance of a college education. Among them is William Sprague a former Husson student who has returned to school to obtain his B.S. degree in Accounting.

Bill Sprague is a native of Waterville, Maine. In the early days of his education Mr. Sprague attended school in Skowhegan. After two years with the Maritime Service, Bill returned to school to complete his junior and senior years of high school at Maine Central Institute. While at M.C.I. he washed dishes in the school cafeteria to help pay his tuition. In 1948 Bill entered the two-year accounting course here at Husson College. He worked part-time at the A & P while in school and lived at the Y.M.C.A. where he had his own kitchen privileges. Soon after graduation in 1950 Bill was drafted into the Army. While in the service he was stationed at Fort Devens, Mass., Camp Drum, N. Y. and also attended Army supply school in Virginia.

After completing his Army service Mr. Sprague began training as a manager in the Sampson's Supermarket in Skowhegan. He was

forced to leave, however, because of a back injury which he had acquired while in the Army. Shortly after Bill worked at Hathaway's Shirt, Waterville, Maine in the foreign accounts department but was laid off in 1958 because of the recession.

For the past four years Bill has worked as assistant manager for Sampson's Supermarkets in the Waterville and Portland stores but has returned to Husson this fall to acquire his B.S. degree.

Beula Sprague, Bill's wife and his sons William who is six and Jeffrey who will be four this month reside at Waterville. Mrs. Sprague stays at home to devote all her time to her growing sons. In Waterville she is near her friends, her church and her son's school. During her spare time, Mrs. Sprague assists in teaching Sunday school to primary school children.

Mr. Sprague lives at Husson Hall while attending school. He works part time at the dormitory as desk clerk and checking meal tickets. His work schedule permits him to go home every other week-end. Among Bill's pastimes are fishing and woodworking but at present when he goes home all his time is devoted to his wife and sons. In Waterville, Bill is a member of the First Baptist Church where he has been deacon until returning to Husson this fall and also belongs to the Masonic Lodge.

For the next two years life will not be easy for William Sprague and his family but after he obtains his degree a bright future lies ahead. As a disable veteran Bill realized the importance that an education would have on his life. After being out of school so long Bill faces new experiences everyday, as does his son William who is in the first grade of grammar school. William Sprague knows that if a man wants something in life he must work his best to obtain that goal.
