HUSSON COLLEGE DEGREES

Degree Granting Authority

Husson College has been awarded degree-granting authority by the Maine State Legislature. Authorization to award the Bachelor of Science (B.S.) degree in limited areas was initially enacted in 1953 and the degree was first awarded in 1954. Delmont Merrill, former president of Husson (1978 - 1987) was the first recipient of the B.S. degree in 1954.

Husson received additional limited degree-granting authority, including the Associate of Science (A.S.) in 1965, the Master's of Science in Business (M.S.) in 1978 and the Bachelor of Science in Nursing (B.S.N.) in 1982. The institution's degree-granting authority was further broadened with approval of the generic honorary doctorate degree in 1969, the generic Bachelor of Science (B.S.) and Associate in Science (A.S.) in 1991 and the generic Master's of Science (M.S.) in 1993.

Recognition of Academic Distinction

Students who maintain a cumulative grade point average of 3.4 (on a scale of 4.0) or better throughout their enrollment at Husson are recognized for that achievement as follows:

Cum Laude	3.40 - 3.59
Magna Cum Laude	3.60 - 3.79
Summa Cum Laude	3.80 - 4.00

Graduate Degrees

In 1978, Husson College received approval from the State Legislature to award the Master of Science in Business. The first degrees were conferred in 1981. In 1993, the State Legislature authorized Husson College to confer Master of Science degrees in Nursing. The first degrees were conferred in 1997.

Academic Regalia

The academic regalia or dress worn by graduates and other participants during a commencement exercise is steeped in tradition. The use of caps, gowns and hoods as part of academic ceremonies began in ancient European universities around the thirteenth century. It is thought that the regalia was worn to distinguish academic persons from other members of society. The regalia was also thought to serve some practical purposes as well in the unheated medieval buildings. In addition, custom dictated that hoods were needed to cover the heads of medieval scholars.

Late in the nineteenth century, academic regalia use became more formalized through the introduction of uniform code or standards of dress. Today the style of gown and the length of hood indicate the degree to be conferred. Dress differs for candidates receiving the undergraduate, master's or doctoral degree.

The hood is lined with the colors of the institution conferring the degree. Husson's colors are green and white. The velvet edging of the hood varies according to the degree. The color gold is indicative of science. The apricot velvet edging signifies nursing and the blue signifies physical therapy. Husson uses a yellow tassel on its mortarboards (caps), which is also a school color.

HONORARY DEGREES

One Hundred and Third Commencement

Honorary Degrees have been granted by colleges and universities since colonial times. These degrees are not awarded for academic achievements but rather they are awarded to honor or recognize the achievements of outstanding citizens.

Since 1969, Husson has recognized prominent citizens for their contributions to the community, the State of Maine, the nation, and the world.

By virtue of the authority vested in its members, the Board of Trustees is pleased to confer two honorary degrees upon the occasion of Husson College's One Hundred and Third Commencement.

ANTHONY diBONAVENTURA

To Anthony diBonaventura, for your gift as a pianist, musician and cherished teacher, your sharing of these gifts with others, from Husson College to the greatest concert halls in the world, and for your gift of magnifying your love of and artistry in music through a generation of accomplished students, the Board of Trustees of Husson College is proud to confer upon you the Honorary Degree of *Doctor of Fine Arts* with all the honors, rights and privileges pertaining thereto.

SIMONE L. LEVESQUE

To Simone L. Levesque, for your excellence in teaching, your enduring values and quiet leadership in, and love for, the St. John Valley, the Board of Trustees of Husson College is proud to confer upon you the Honorary Degree of *Doctor of Public Service* with all the honors, rights and privileges pertaining thereto.

THE CHESLEY H. HUSSON, SR. AWARD

The Chesley H. Husson, Sr. Award is bestowed upon an individual who shares the values and qualities of Chesley H. Husson, Sr., one who saw education through the eyes of the customer, who believed the classroom was a place where the student and the professional world were wed, and who was generous to one and all in the surrounding community.

A. MARK WOODWARD

To A. Mark Woodward, for your understanding, enlightened, value-centered leadership, and unwavering commitment to making Maine an even better place to live, the students and entire Husson community are honored to bestow upon you their cherished Chesley H. Husson, Sr. Award.
