DEPARTMENT OF ATHLETICS NEWMAN GYMNASIUM

ATHLETICS

HUSSON COLLEGE BANGOR, MAINE FALL 1979

Husson College

The Institution: Private, co-educational college founded in 1898; new campus with dormitories for men and women built 1968.

Location: Bangor, Maine; easy access via Delta Airlines to Bangor International Airport; campus is one mile from Interstate 95.

Degrees: Offers two- and four-year degrees, based on liberal arts foundation, in accounting, business administration, business education and secretarial science. Offers M.S.B. in business.

Cost: Tuition and fees $2,900; room and board $1,800; current total $4,700 per year.

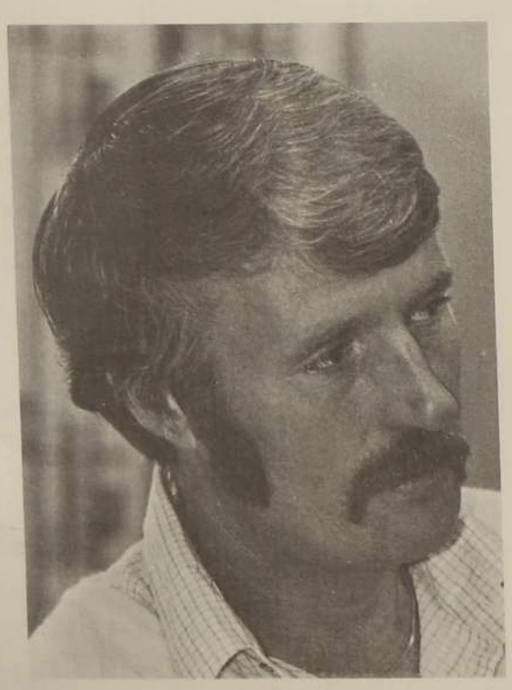

Athletic Grants: For information on athletic grants write: Mr. D. Bruce MacGregor Director of Athletics, Husson College, Bangor, Maine. 04401.

Financial Aid: Applicant must submit a Financial Aid Form.

Athletic Colors: Green and White and Gold.

Team Name: Husson Braves.

Phone: (207) 945-5641, Extensions 333, 334.

Director of Athletics Basketball Coach, Intramurals, Athletic Association D. Bruce MacGregor

Bruce is a graduate of Springfield College. He received his M.E.D. degree from Salem State College and completed his C.A.S. from the University of Maine.

During Bruce's eleven years as Husson's Basketball Coach, he has led the Braves to a 213-59 record.

Bruce has been honored by his fellow coaches on seven occasions by being selected Coach of the Year. He was named New England Small College Coach of the Year by United Press International in 1970. The Maine State Coaches and Sportswriters also selected him Coach of the Year in 1970 and again in 1976. Bruce has also been selected three times by the National Association of Intercollegiate Athletics District 5 and 32 (New England) in 1970, 1976, and 1979.

The past five seasons Coach MacGregor's teams have compiled a 124 and 16 record for an outstanding 886 percentage. They have also won the N.A.I.A. District #5 Championship two out of the last five years. As a result of these championships, the Braves were the first from the State of Maine to go to a national basketball championship.

The 1975-1976 season produced a banner year for the Braves as they posted a 30 and 0 record in New England.

In 1978 coach MacGregor and his team were invited to represent the N.A.I.A. and the United States in the Doncaster International Tournament in England. During the eight-day tour, the team won the International Tournament.

Bruce has also coached baseball (5 years) and golf (1 year) at the college. His teams in Basketball, Baseball, and Golf have all won a N.A.I.A. District 5 Championship.

Prior to joining the Husson staff, Bruce coached at Reading Memorial High School in Massachusetts where his teams compiled a record of 90 wins and 20 losses. In 18 years of college and schoolboy coaching, his teams have won 313 games out of 382 for a winning percentage of 79.

He, his wife and three children live in Hampden, Maine.

Women's Athletic Director Basketball, Intramurals, and Aquatics Director Ms. Hennessey

Pam is a native of Augusta and a UMO graduate. She holds the B.S., M.Ed., and C.A.S. degrees. She excelled in High School athletics of field hockey, basketball, and softball. While at UMO, Pam played on the field hockey, volleyball, and basketball teams.

Ms. Hennessey taught one year at the Junior High level before coming to Husson. She is the State of Maine Division of Girl's and Women's Sports Chairperson, past President of the Maine Association of Intercollegiate Athletics for Women, and Field Hockey Umpiring Chairperson for the State of Maine. She served as the Tournament director for the State Intercollegiate Basketball Championship for two years.

Coach Hennessey is a respected basketball figure throughout the State of Maine. She is an active official and works in the high school and regional college tournaments for girls and women. In addition, Pam is also involved with field hockey officiating at both the high school and college levels. She directs the State of Maine High School Field Hockey Tournament.

Pam is a member of the Maine Association of Health, Physical Education and Recreation, the Eastern Maine Basketball Board; the United States Field Hockey Association, and the Maine Association of Intercollegiate Athletics for Women.

Among her duties at Husson are those of Women's Athletic Director, Women's Intramural Director, Aquatics Director, and Head Women's Basketball Coach.

The Team Effort

There is more to learning than academics. In addition to classes, every student must have an opportunity to participate in athletic, intramural and recreational activities.

This involves the team effort: varsity and intramural athletic programs supplement the classroom experience by emphasizing cooperation, leadership, courage, sacrifice, and discipline.

Athletic policies at Husson conform to the regulation of the National Collegiate Athletic Association and to the National Association of Intercollegiate Athletics. The College is a member of both. Within the NCAA and NAIA framework, Husson College teams participate in intercollegiate basketball, baseball, soccer, and in coeducational golf.

Women's competition is under the direction of the Maine Association of Intercollegiate Athletics for Women (MAIAW), and the Eastern Association of Intercollegiate Athletics for Women (EAIAW).

In addition to varsity sports, Husson offers men and women an extensive program of intramural activities including swimming, volleyball, table tennis, badminton, flag football, softball, soccer, and many others.

The spacious Newman Physical Education Center provides one of the most modern small college facilities in the East. The gymnasium can seat 2,000 fans and contains two regulation basketball courts. Located in the same facility are an Olympic-size pool with a spectator balcony, handball court, and rooms for judo, wrestling, weight lifting, and riflery.

The Center also houses offices for the entire physical education staff, a complete laundry, and equipment rooms.

Meet the Coaches

Soccer Coach
Lee Jewel III

Lee joined the Husson coaching staff in 1977. He graduated from Husson in 1971 with a B.S. degree and later received his M.B.A. from the University of Maine at Orono in 1974. Having returned from working overseas with the U.S. State Dept., Lee has all but completed his undergraduate and graduate degrees in physical education.

While at Husson he played soccer 4 years. He was named to the all-conference team his Junior and Senior years and was also captain his Senior year.

Baseball Coach
James R. Walsh

James R. Walsh of Bangor will be starting his first year as Varsity Baseball Coach at Husson College.

Coach Walsh served as Husson's assistant varsity baseball coach last year. He has also coached in the baseball program at Sanford High School and was actively involved in organizing an American Legion team in the Sanford area.

Coach Walsh also coached football at Sanford High School and is presently the head freshman football coach at Leonard Junior High School in Old Town.

While earning B.S. and M.Ed. degrees from the University of Maine at Orono, Walsh was active in baseball and football, where he was an All-New England, Honorable Mention selection as a defensive back in 1972.

Originally from Reading, Massachusetts, Walsh presently resides in Bangor with his wife, Kathy.

Golf Coach
Brian Enman

Bangor Municipal Golf Course assistant professional, Brian Enman, recently has been named varsity golf coach at Husson College.

Coach Enman assumed coaching duties this Fall for Husson golf team that earned five consecutive NAIA District 5 golf championships. The golf team under Coach Enman's reigns finished the fall season undefeated with a 6 and 0 record.

Coach Enman graduated from John Bapst High School in 1971 and attended P.G.A. business educational schools in Massachusetts and Texas. He has served in his present position at Bangor Muni. for the past seven years.

A 1972 winner of the Paul Bunyan Amateur Golf Championship, coach Enman has also won the P.G.A., Maine Chapter, pro championship in 1976, 1977, and '79. He also won the P.G.A. assistants championship in 1976.

Coach Enman, his wife Jacqueline, and their two children reside in Brewer.

Women's Softball Coach
Sue Skinner

This team was reorganized in 1976-77 after a few years of nonexistence. The first team was coached by Pam Hennessey. The 1976-77 reorganization had Coach Kenyon at the helm. In 1979 Sue Skinner, a former Husson outstanding athlete, took over the softball coaching duties.

Sue is a graduate of Husson College in the Business Administration program. While at Husson she was an outstanding basketball player and established several school records in the sport. Ms. Skinner pitched for the softball team and was a standout on that team as well.

Sue plays softball during the summer in the City League.

Women's Volleyball Coach
Laurie Osgood

Husson developed intercollegiate volleyball during the 1976-77 year. The team has had good success and has qualified for the State Intercollegiate Tournament. In 1977-78, Husson was #2 in the "B" Division. The following year, all colleges were grouped in one class and Husson ranked #5 in the State.

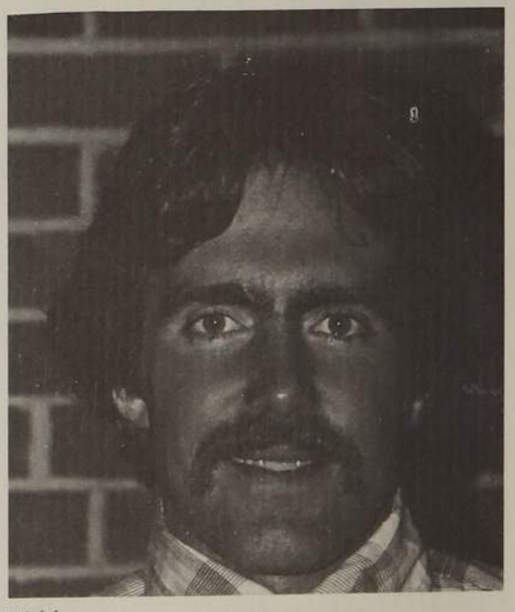

The late Al Kenyon was the first coach of the team. During the 1978-79 year, Laurie Osgood and Linda Spring took over the coaching reigns. In 1979-80, Laurie became the coach.

Coach Osgood completed her education at UMO with a major in physical education. Laurie is a native of Aroostook County and graduated from Easton High School.

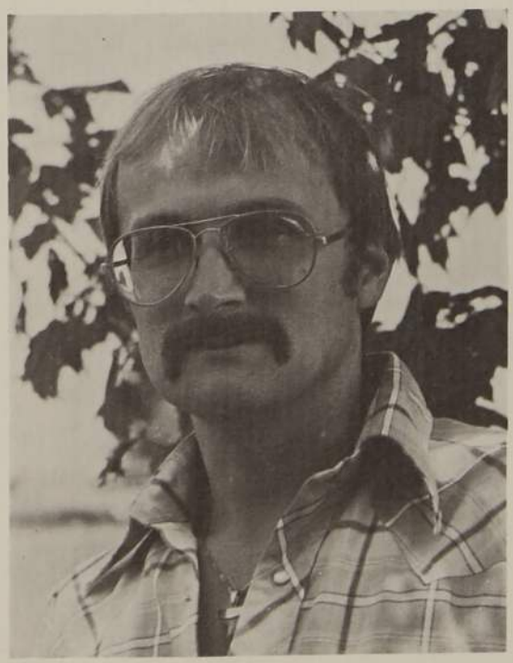

While at UMO, Laurie played varsity basketball, and softball. She was the assistant volleyball coach at UMO. Coach Osgood plays summer softball among other things for her own recreational enjoyment.

The Athletic Programs

The Husson College Athletic Program has been developed to the point where it now strongly supports seven intercollegiate athletic teams. The women teams include volleyball, basketball, and softball, while the mens area includes soccer, basketball, and baseball. Co-educational golf is also a key part of the athletic program.

Since 1926 Husson College has been rich in its heritage and tradition regarding the Athletic Program. Chesley H. Husson became its principal-teacher-coach in 1926-1927 and over the years believed very strongly in the values of Athletics, concepts of fair play and good sportsmanship. This philosophy still serves as a foundation of our present Athletic Program. Chesley later became the owner of the college in 1933 and Husson's president in 1947.

During these early years, "Chief" Husson, as he was affectionately called, was supported by Clara Swan who coached Women's Athletics from 1940 until 1959. Clara later became Vice President of Academic Affairs and Assistant to the President. In 1959 Janet Kinney replaced Clara and coached Women's Athletics for six years. Dr. Kinney is now serving as Head of the Secretarial Science Department.

After World War II George "Huck" Husson revived the Athletic Program, but it wasn't until 1954 that Husson secured the service of Del Merrill, a former Husson graduate, as basketball and baseball coach that the Athletic Program started to be noticed and recognized.

Through time, effort and leadership the former coach and Director of Athletics established the winning tradition of the "Husson Braves" as we know it today at the collegiate level.

Del's outstanding career record of 514 wins and 177 losses attests to this amazing winning percentage of 744! In 1973 Del became Vice President of Administrative Affairs at Husson. Del became Husson College's fourth President in 1977 and serves in this position today.

Keith C. Mahaney followed Del Merrill and became Athletic Director in 1973. Coach Mahaney's years as Athletic Director were also known as years of outstanding athletic teams. His leadership and compassion for students and athletes were held in awe by those who knew him. He also established his golf teams supremacy in the N.A.I.A. District 5 Area. His team won the N.A.I.A. District 5 Championship and went on to the nationals five out of the last six years, he remained at the college.

Although too numerous to mention, the present Athletic Department recognizes all former individuals who have been connected with the program and who have served and contributed to the team effort throughout the last 50 years.
