Dear Braves and Fans:

Basketball is a great sport and we have a rich women's basketball tradition going back to coach Clara Swan's first undefeated team in 1952-53 to coach Janet Kinney's first undefeated team in 1958-59 to coach Mary "Kissy" Walker's 1993 team that made it to the NAIA's National Championships and the final "Fabulous Four." But win/loss records have never been the only measure of success. Some of coach Red Wilson's teams made up in character what they lacked in victories. Academics have always been important. Travel has been a wonderful opportunity for many, building friendships that last a lifetime.

The 2001/2002 season is no exception to this rich tradition. I extend my very best wishes to coach Williams and the team and the fans. Good luck.

Sincerely,

William H. Beardsley

William H. Beardsley
President

Dedication

During this past off season, long time Women's Head Coach Mary (Kissy) Walker stepped down after twelve successful years at Husson College.

While coaching the Braves, Husson compiled 236 wins, making Coach Walker the second all time winningest Women's Basketball Coach in Husson history. Her teams won four Maine Athletic Conference Championships: 93, 95, 96, 99. In 1993, Kissy coached the team to a Final Four appearance in the National Association of Intercollegiate Athletic's National Tournament.

Along the way, she had the opportunity to coach eight All-Americans, including new Husson Hall of Fame inductee Sharon Siebert.

Coach Walker continues her duties as Husson's Assistant to the President as well as the Coordinator for the Elementary Education program.

New Head Coach Harold Williams, staff and the 2001 -2002 Braves would like to proudly dedicated this year's program to Kissy Walker in honor of her time, effort, and dedication to the Husson College Women's Basketball program.

Thanks Coach.

HUSSON COLLEGE our mission

The Mission of the Husson College Women's Basketball Program is to provide a positive educational experience and to compete on a competitive level within the NAIA and NCAA affiliations. To strive to be the best we can on and off the court while having fun, promoting teamwork, leadership and good sportsmanship.

Community Events and Fund Raising

Youth Basketball Clinic

Bangor and numerous other communities throughout Eastern Maine contribute to Husson College Women s Basketball. All the ads in our media guide help to financially support our program. Proceeds raised from these ads aid the team on special trips, which have included Florida and California. Traveling creates a learning experience and provides our players with the chance to play against tough competition thru-out the country.

In turn we believe it is important to give back to our community. The Braves have helped with the Race For The Cure , put on charity games with the D.A.R.E. program, and passed out Halloween candy to local nursing homes. Also, each year we host a youth basketball clinic for students in grades K through 8, as well as assist with other local clinics.

Our local media has done a great job in providing us with coverage throughout the year. We enjoy watching and reading about Husson College and appreciate the support!
