# SEASON PREVIEW

The 2003 Husson Baseball season will be one filled with excitement. The Braves schedule consists play of a school record 18 home games and the hosting of the Sunrise Athletic Conference Tournament in May. The home games will be played on the new Alfond Diamond at the John Winkin Baseball Complex. Alfond Diamond is the premier playing surface for college baseball in the Northeast. The surface consists of 150,00 square feet of Fieldturf. Fieldturf is an artificial surface, which is very similar to grass, and can drain 250,000 gallons of water a minute. Numerous NFL teams, as well as, baseballs Tampa Bay Devil Rays currently use it in Tropicana Field.

When one looks at the Braves roster you will see a roster that is young but has experience. Five everyday players return who had more than 85 at bats from last years team. The return of Tony Creek and Tony Laprino (everyday players during the 2001 season) from red shirt seasons is also a plus. The Braves are a versatile team with many players being able to play more than one position. Here is a breakdown of the Braves by position:

**PITCHING:** The staff will be led by All Conference junior pitcher Barrett Dionne. He will be joined in the rotation by sophomore transfer Mike Cowperthwaite. The rest of the rotation will be made up of Aaron Brideau, Chris McInnis, Jeremy York, Craig Harvey, and Paul Klink. When not starting, this group will also be looked upon in long relief roles. The bullpen will consist of Tony Creek, Travis Tripp, Kurt Green, Kyle Mathieu, and Josh Ferguson. Many of these pitchers will also play vital parts in the Braves everyday lineup.

**INFIELD:** The infield is led offensively by last years Conference Rookie of the Year Craig Harvey at first base. He will be joined in the infield by veterans Josh Ferguson at third and Shawn Henderson at second. The shortstop will be much heralded Jason Harvey. Other players who may see time in the infield are Tony Creek, Cliff Urquhart, Andy Ham, and Kyle Mathieu. This infield is very good defensively.

**OUTFIELD:** The outfield is headed up by the return of Tony Laprino in center and 2002 All Conference selection Kyle Mathieu in right. Transfer Steve Estes, Tony Creek, Chris McInnis, and Justin Spencer will also see time in the outfield. Many of these outfielders are also pitchers thus a platoon system depending on who is pitching will be used during the season.

**CATCHER:** Veteran Jason Folsom moves from third to behind the plate. Folsom will be backed up by Seth Stoddard, Bill Kane, Jason Carbonneau, and Devin Potvin. Kane may also see time in the DH spot and in the outfield. Potvin swings a good bat and will also compete for the DH spot.

Welcome to Governor's

*A Most Unusual Restaurant*

Back in 1960, the sliding window at a little ice cream take-out was slid open for the first time. Owned and operated by Leith & Donna Wadleigh, "Creemee's" came into existence. The original idea was to sell ice cream year round. But, as is the case with many "great" ideas in Maine, the reality of what effect winter would have came to roost on the Wadleigh's little stand with the first snow. So, for the first two years, "Creemee's" was open and serving terrific ice cream from Mother's Day until the end of October.

At the end of two years, a sit-down lunch counter was added and then, to ensure year round employment, the Wadleigh's opened a full service restaurant with a dining room and waitresses. Of course, with all the changes taking place, Leith & Donna thought a new name would be in order. Now Leith could remember how to build the best hamburger in town, and recite the ingredients of his famous strawberry pie in his sleep, but remembering customers names was something else. All of the regulars were greeted with *"Hi ya Governor!"* Seeing as it was the customers who really made the restaurant what it was, Leith & Donna decided to name the new restaurant in honor of all those folks ...thus, "Governor's" was born.

Over the past thirty years or so, "Governor's" has grown to four restaurants, all with the primary goal of providing good wholesome food in a family dining atmosphere at prices a family *could afford.*

Since the first "Governor's" opened, the Wadleighs have gone the extra step to insure their homemade pies, cakes, bread and rolls are the tastiest and freshest available (our bakers start each day at four in the morning), and making sure the "Daily Specials" truly are *special.* Thanks for making "Governor's" what it is today, and enjoy your meal!

PERSONALLY, I ALWAYS HAVE ROOM FOR DESSERT ... I EAT IT FIRST! WELCOME TO GOVERNOR'S!
