COACH'S MESSAGE

Geographically, Husson College falls short by approximately ten miles of being the northern most college in New England to offer intercollegiate baseball.

Without question, the geographical location imposes difficulties in facilitating a competitive baseball program, with a short playing season and extensive travel being the two most prevalent problems.

However, somehow, someway, the challenge and pride of succeeding, of proving, of accomplishing, can, and does become a rallying point for all those involved - Administration, coaches and players.

As one watches the 1984 Husson baseball team, the tangible component necessary for a team's success will be observable - talented players! What is not readily seen is an intangible positive attitude amongst the players. They have learned 1. to make do, 2. to offer no excuses, and 3. to concede nothing to themselves or to their opponents.

Beyond this, where at Husson quality prevails over quantity; many of the players must, and do, involve and extend themselves into the true concept of team play. Being asked to play more than one position, and/or out-of-position, becomes the rule rather than the exception for them.

The fortunes of this year's baseball team is difficult to predetermine, primarily because of the competitiveness of the schedule and how well the voids created by graduation in the middle of the infield, and in centerfield, are filled by new and returning players.

Catching (Randy Harris and Ed Boyce); the corners of the infield (Ken Huot and Jeff Crowley); the corners of the outfield (Ed Boyce and Walt Foster); and pitching (Jim Black, Mike Ware, Rod Wilson and Mark Farnham) appear to be fairly well set with veteran players. This, coupled with six returnees who hit .300 or better in 1983 (Jeff Crowley, Mike Ware, Ken Huot, Rod Wilson, Randy Harris and Walt Foster) gives optimism to a winning year in 1984.

Regardless of the outcome - a winning or a losing season - what really matters is that we, as a team, are appreciative of our opportunity to participate and represent our college. We know that when the last "out" is made, within ourselves we gave it our best! What more can be asked?

#40 MERRILL "RED" WILSON, Coach

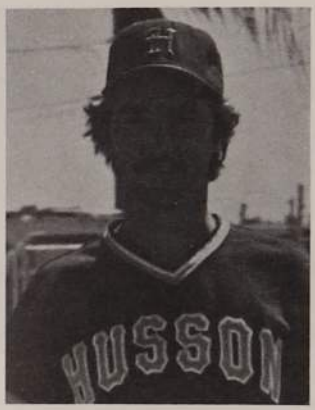

This is "Red's" second year as Coach of the Braves. Last year, he was voted NAIA District V Coach of the Year. In the summer "Red" manages the Y-D Red Sox in the Cape Cod Collegiate Baseball League. In 1977 he was voted into the Mass. Baseball Coaches Hall of Fame. He is a 1952 graduate of the University of Maine, where he captained the baseball team in his senior year.

THE 1984 HUSSON BASEBALL TEAM SINCERELY WISHES TO THANK THE BUSINESSES AND THE INDIVIDUALS WHO CONTRIBUTED TO MAKE THIS YEARBOOK POSSIBLE. MANY, MANY THANKS!

KAREN KELSEY, Team Manager
Hometown: Rockland, Maine

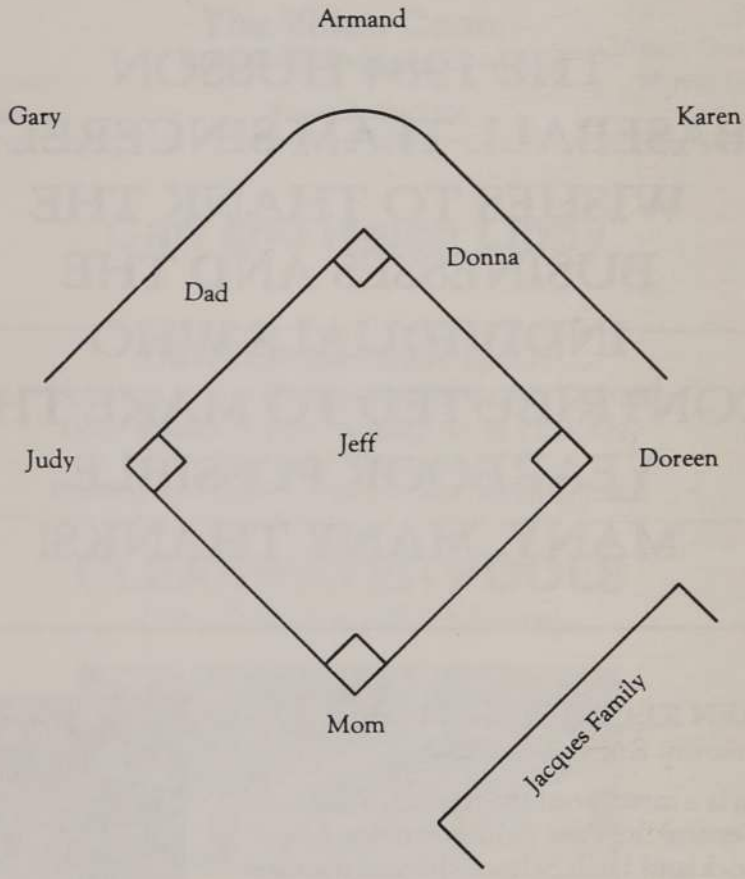

Karen is a member of the freshman class and is a General Business Administration Major. At Rockland High School she was manager of the girl's softball team for three years as well as scorebook keeper for the varsity baseball team. A willingness to contribute, and the ability to anticipate, best describes Karen's worth to the Husson Baseball Program.

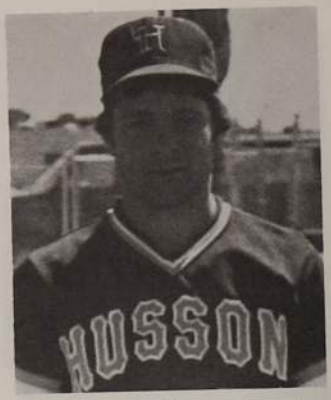

#8 - ED BOYCE, Senior
Pos: OF/C Ht: 6′ Wt: 175 lbs. Th/R B/R
Hometown: Bangor, Maine

Ed's value to the Husson Baseball Program is both on and off the field; a recognized leader who is Tri-Captain elect. Ed possesses a "major league" throwing arm. Although primarily a right fielder, he is more than a capable catcher, and this year is also expected to pitch. Ed was injured throughout most of the 1983 season.

The "home" team, as well as Ballenger Auto of Sanford, Maine; wish Ed and the Husson Braves the best of luck for the 1984 season.

#7 - MIKE WARE, Junior
Pos: Inf/OF/P Ht: 5'8" Wt: 170 lbs
Th/R B/R
Hometown: Passadumkeag, Maine

In 1983 Mike was voted by his teammates as Husson's Most Valuable Player, and justly so. To begin with, Mike was asked to play out of position as an everyday player - moving from shortstop to the outfield. As an outfielder, he was voted by the Coaches as All District V. As a pitcher, Mike gave a dimension coming in as a reliever that generated confidence to the entire ball club; contributing greatly to the overall success of the season.

Family and relatives of Mike Ware wish the Husson College Baseball Team the best of luck in their 1984 season:

Tom, Blandine and Jane Ware
Adelia Ware
Harry and Virginia McCann
Jim and Susie Berryman (Husson Grads, Classes of '65 and '64)
Betty and Howard Clements
Sally and Wayne Nickerson
Jill Berryman
Melissa Berryman

#1 - ROD WILSON, Sophomore
Pos: INF/RHP Ht: 5'9" Wt: 165 lbs.
TH/R B/L
Hometown: St. Stephen, N.B., Canada

A multi-talented, versatile baseball player perhaps best describes Rod's worth to the Husson Baseball Program. Rod can play the infield, the outfield and can pitch. Beyond this, he hits for average, hits for power and has "good" foot speed. As an indication of his ability, this past summer Rod was the last player "cut" from Team Canada - disappointing to be sure - but he should be a strong candidate for the 1984 National Team.

Johnson's True Value Hardware, Wilson's Border Baseball School and the Marysville Royals Baseball Team, wish Rod Wilson, Red Wilson and the Husson Braves a very successful season in 1984.

#15 - RANDY HARRIS, Junior
Pos: C/OF Ht: 6'2" Wt: 190 lbs TH/R B/R
Hometown: Molunkus, Maine

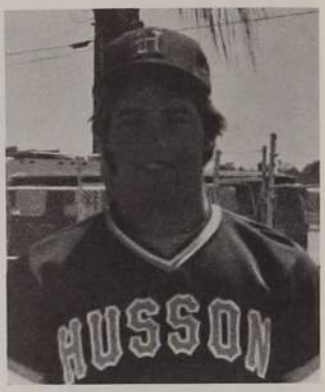

Randy's performance as a Freshman earned him MVP honors at the end of the season. Last year, as a sophomore, his statistics were "off," and although not voted MVP, his value to the 1983 Braves was certainly evident. A solid performer behind the plate, a good hitter, a fierce competitor and a true team player, makes Randy a coach's ball player.

The following wish Randy Harris and the Husson Baseball Team a successful 1984 season:

Billings Diesel and Marine Service, Stonington, Maine

and

Colwell Bros., Inc., Stonington, Maine

#44 - WALT FOSTER, Sophomore
Pos: INF/OF/C Ht: 5'8" Wt: 180 lbs. TH/R B/L
Hometown: Richmond, Maine

As a freshman last year, Walt immediately established himself as more than capable of playing at the college level - defensively and offensively. Although Walt never settled into a set position in 1983 (catcher, OF and DH), it appears he will, in 1984, be anchoring down one of the outfield positions as well as "spot" duty at third base. Walt is also a two year starter on the Husson soccer team.

Best wishes for a successful year from Mom and Dad, Steve and Nadine, Brother Rollie, Grandpa, Gary McAllister, Murdock, and MU Sigma Chi Fraternity.

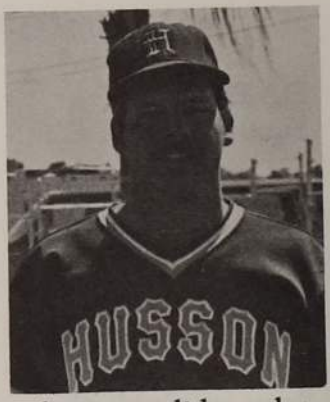

#13 - MARK FARNHAM, Sophomore
Pos: RHP Ht: 5'10" Wt: 175 lbs. TH/R B/R
Hometown: Augusta, Maine

If Mark can come close to pitching as well for the Braves this spring as he did for the Augusta Legion Team last summer (8-1), it will be a big plus for the Husson pitching staff. Last season, Mark's win over Xavier of Ohio in Florida did much to give confidence to the entire team.

The following wish the Braves a great 1984 season:

Malcolm and Patsy Farnham, Brother Michael; the Rankin Family and Kappa Delta Phi Fraternity.

#37 - KEN HUOT, Senior
Pos: 1B/LHP Ht: 5'9" Wt: 180 lbs
TH/L B/R
Hometown: Saco, Maine

In 1983 Ken emerged as one of the most solid and dependable members of the Husson Baseball Team. Prior to last season, he had been strictly a pitcher, but given an opportunity in the fall to be an everyday player, he quickly showed he "belonged." Ken still was used in "spots" as a pitcher, but his day in and day out performance as the regular first baseman did much to help the Braves make the District V Tournament. He is a Tri-Captain elect.

The following wish Kenny and the Husson Baseball Team a successful season:

Parents and Family: Mr. and Mrs. Ernest Huot, Sister Diane, Brother Danny and Fiancée Ellen, Sister Kathy and Husband James Nelson, Niece Jessica and Nephew Patrick Nelson; all of Saco. Aunt Margie and Uncle Alec Garon of Old Orchard Beach.

Friends: Mr. and Mrs. John Choroszy and Family of Saco, Chris Choroszy of UMO, Peter Feinberg of Dartmouth College, roommate Scott Gardner of Lincoln, Maine; and especially girlfriend Jennifer Young of Fairhaven, Mass.

#17 - JEFF CROWLEY, Junior
Pos: INF Ht: 5'7" Wt: 180 lbs TH/R B/R
Hometown: Old Town, Maine

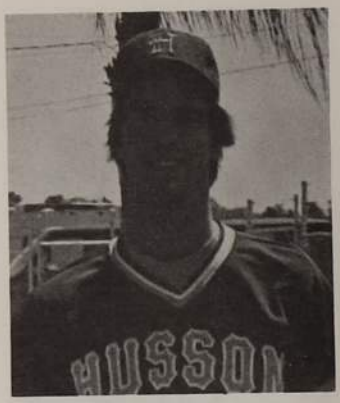

Although not always given the credit due him, Jeff is, without question, one of the premier college third basemen in the State of Maine. On a day in and day out basis, Jeff "quietly" gets the job done offensively and defensively. Last season Jeff led the team in hitting with a .379 average. This year Jeff may be asked to show his versatility by filling in at other infield positions on occasions, as well as take a turn on the mound.

#30 - DAVID VERTEFEULLE, Junior
Pos: LHP/1B Ht: 5'10" Wt: 175 lbs
TH/L B/L
Hometown: Ellington, Conn.

This will be David's second stint with the Husson Baseball Program. Although he did not participate in 1983, his performance in the Fall program was a major plus, and if he continues to regain the ability he possesses, this left hander could emerge as one of the top pitchers on the staff.

#20 - JIM BLACK, Senior
Pos: RHP Ht: 6'3" Wt: 180 lbs. TH/R B/R
Hometown: Saco, Maine

Rated by most as one of the premier college pitchers in Maine, last year Jim was voted All District V Honorable Mention. His most memorable game last season was a nine inning no-hitter against Colby in which he lost 0-1. A Tri-Captain elect, Jim is counted on to be the catalyst of the Husson pitching staff.

Good luck to Jim Black and the 1984 Husson College Baseball Team:

#3 - GLEN CARTER, Junior
Pos: INF Ht: 6′ Wt: 185 lbs. TH/R B/R
Hometown: Ellsworth, Maine

At the end of the 1983 season, Glen was voted by the players as the team's most improved player. His contribution to a team may not show up in the so-called "stats," for it goes beyond hitting and fielding averages. If one could objectively measure positive attitude, willingness to learn and loyalty; then Glen's marks would be amongst the highest on the team.

Parents Ronald and June Carter, Brothers Elwood and Mark of Ellsworth, Maine; and loving girlfriend Jan Pettengill of Meredith, N.H.; wish Glen and the Husson Braves a successful season.

#16 - JEFF BROWN, Senior
Pos: RHP Ht: 6′3″ Wt: 180 lbs. TH/R B/R
Hometown: Southbridge, Mass.

This will be Jeff's only year as a member of the Husson Baseball Team. He is on active status with the U.S. Air Corps and is enrolled at Husson under a "special" educational program. If attitude and desire alone will determine one's contribution to a baseball team, then the Husson Baseball Team will be considerably strengthened by having Jeff as a member of the pitching staff.

#33 - ALAN PARADIS, Freshman
Pos: INF Ht: 5'10" Wt: 150 lbs TR/R B/L
Hometown: Houlton, Maine

As a freshman, Alan comes to the Husson Braves highly regarded. He was the starting shortstop for the Houlton High School Baseball Team which captured the Eastern Maine Class A Championship in 1983. Fall baseball showed Alan the adjustment needed between high school and college baseball, and Alan showed, in return, that he could handle the challenge.

Best wishes Husson Braves!

#10 - TIM WEATHERBEE, Freshman
Pos: 1B Ht: 5'11" Wt: 170 lbs TH/R B/R
Hometown: Lincoln, Maine

Tim was a welcomed surprise in the fall season. Whereas little was known of his baseball ability, he showed definite defensive ability as a first baseman. Tim appears to be pleased he is playing baseball and conversely we are pleased he has made the commitment to be a member of the 1984 Braves.

The following wish Tim and the Braves success this year!

#11 - ARTURO PÉREZ, Senior
Pos: INF Ht: 5'9" Wt: 160 lbs TH/R B/R
Hometown: Caracase, Venezuela

Art returns to play baseball for the Braves after a three year absence and his return is welcomed. A quality player back in his home country of Venezeula, and at Wellsley High School in Massachusetts, we expect Art to give up-the-middle strength and depth to the 1984 Braves. He has been a mainstay of the Husson soccer team for four years.

#14 - JOHN KOLASINSKI, Junior
Pos: INF/OF Ht: 5'6" Wt: 165 lbs
TH/R B/R
Hometown: Winsted, Conn.

This is John's first year as a member of the Husson Baseball Team. Early indications are that John will be a welcomed addition in the respect he will give strength to the outfield, give added depth to the infield and enhance the positive attitude of the entire team with his willingness to play when and where needed.

All those listed below wish J.K. (as he is known) and the 1984 Husson Braves a most successful season:

Here's the inside story of our new Buttermilk Biscuits.

Why are our new Buttermilk Biscuits so fresh and delicious? 'Cause we make 'em the good old-fashioned way–from scratch.

First we start with the best ingredients–like real buttermilk. Then we roll the dough to just the right thickness and cut out each biscuit by hand.

Next we pop 'em in our new biscuit ovens–where they're baked up in small batches all through the day. So they're always fresh–just like our Kentucky Fried Chicken is.

Well, that's the inside story. Drop by and taste our Buttermilk Biscuits for yourself. Or pick up an extra dozen for the family.

And enjoy them happily ever after.
