Recessional	

HUSSON UNIVERSITY

HUSSON UNIVERSITY MISSION

Husson University inspires and prepares students for professional careers in current and emerging fields within the context of an education informed by the sciences and humanities.

We achieve this career preparation by supporting and emphasizing:

- Outstanding teaching.
- Scholarly contributions to one's discipline or field of expertise.
- An undergraduate and graduate curriculum that is challenging, relevant, and promotes critical thinking skills, self-confidence and strong communication skills.
- Commitment to ethical behavior and social responsibility through involvement in the world by faculty and students, administrators and staff, board members, and involved citizenship as a University.
- Lifelong learning to prepare students professionally and personally for the challenges of a constantly changing world.
- A diverse cultural and global perspective achieved through student development and experiential learning opportunities that reinforces our commitment to a strong academic community.
- Careful management and stewardship of University resources.

UNIVERSITY HISTORY

Founded in 1898 as Shaw Business College and School of Penmanship, Husson has schools of Pharmacy, Science and Humanities, and the New England School of Communications. Husson College became Husson University in October 2008. In May 2010, Husson University established its first founding college, the College of Health and Education, combining the Schools of Education and Health. In January 2011, Husson established its second college, the College of Business.

Boasting over 1400 students, the College of Business remains the heart of Husson University. Degree concentrations include accounting, business administration, business and technology, computer information systems, criminal justice and paralegal studies, hospitality management, with graduate degrees in business administration and criminal justice administration.

Also, founded in Bangor in 1892 as the Bangor General Hospital School of Nursing, the College of Health and Education - and its strong base of alumni and traditions - became part of Husson in 1983 as the School of Health. Since then, the College has expanded to offer a bachelor of nursing, graduate nursing, and master's and doctoral programs in occupational and physical therapy, respectively. Husson has built its School of Education presence with undergraduate degrees in elementary, secondary and physical education, alternative certification in teacher education, and graduate degrees in school counseling, human relations, pastoral counseling, and clinical mental health counseling.

Founded in 2007, the School of Pharmacy educates students in pharmacy practice and pedagogy. The graduates will receive their Doctor of Pharmacy degrees, enabling them to sit for the national boards and become licensed pharmacists in Maine and throughout the country.

Behavioral science courses have evolved into academic degrees in biology, chemistry, psychology, English, and health care studies. The School of Science and Humanities also provides academic support to all other majors and degrees at Husson University, and serves as the liberal arts foundation of the University.

DEGREE-GRANTING AUTHORITY

Husson University is incorporated as a nonprofit, independent institution of higher education by the State of Maine. The Maine Legislature first enacted degree-granting authority for Husson in specific Bachelor of Science programs in 1953 followed by other specific degrees and, most recently, the unrestricted authority to award the Associate of Science (1992), Bachelor of Science (1992), Master of Science (1993), and Honorary Doctorate (1969) degrees. In 2004, the Maine State Board of Education granted Husson the authority to award the Doctor of Physical Therapy. In 2007, the Maine State Board of Education granted Husson the authority to award the Doctor of Pharmacy.

ACADEMIC DISTINCTIONS

Based on a 4.0 grading scale, Husson University recognizes the following associate and baccalaureate academic distinctions at graduation:

Cum Laude	3.40 - 3.59
Magna Cum Laude	3.60 - 3.79
Summa Cum Laude	3.80 - 4.00

The Valedictorian is the baccalaureate graduate with the highest grade-point average. The Salutatorian is the baccalaureate graduate with the second highest grade-point average. The Outstanding Achievement Award is granted to the baccalaureate graduate with the highest grade-point average who does not meet the eligibility requirements for Valedictorian or Salutatorian, which include completing 90 credit hours at Husson University, enrolling as a full-time student, completing the degree in five years and other eligibility clarifications as set forth in the University Catalog.

ACADEMIC REGALIA

The tradition of academic regalia dates to the formation of the first European universities in the ninth century. At that time, scholarship was conducted at religious centers, and the dress of the scholar was also that of a religious cleric. Long gowns and hoods had the functional purpose of providing warmth in unheated libraries and cells. The use of the raiment continued unofficially until Oxford and Cambridge Universities permanently adopted the clerical vestments as ceremonial academic costume. This tradition spread to American colleges and universities in the late nineteenth century, when a code was set that defined the cut and style of American gowns and prescribed colors to represent the various divisions of learning. For example, golden-yellow, symbolizing the wealth of knowledge gained from scientific research, was assigned to the sciences. In accordance with tradition, Husson regalia includes a long black gown and a mortarboard

with a golden-yellow tassel. Husson Master's and Doctoral graduates wear hoods referring to their division of learning: drab representing business, peacock blue for criminal justice, gold for clinical mental health counseling and human relations, apricot for nursing and nursing education, ink for occupational therapy, olive for pharmacy, teal for physical therapy, and light blue representing school counseling. A golden-yellow cord draped across the shoulders of associate and baccalaureate-level students represents their academic honors.

HONORARY DEGREES

One Hundred and Fifteenth Commencement

Honorary degrees have been granted by colleges and universities since colonial times. These degrees are not awarded for academic achievements but rather they are awarded to honor or recognize the achievements of outstanding citizens.

Honorary degrees usually highlight the accomplishments of individuals in the arts, public life, education, scholarship, business, health and the sciences. The first honorary degrees date back to 1662, when Harvard College granted its first honorary degree fifty years after its founding. Since 1969, Husson has recognized prominent citizens for their contributions to the community, the State of Maine, the nation, and the world.

By virtue of the authority vested in its members, the Board of Trustees is pleased to confer honorary degrees upon the occasion of Husson University's One Hundred and Fifteenth Commencement.

MARY B. PRYBYLO

To Mary B. Prybylo, your lifelong commitment to serving your community through advocacy of access to quality health care and support for patient dignity have led to your success in the healthcare industry. Your leadership reflects great credit upon yourself, St. Joseph Healthcare and St. Joseph Hospital. Thus, it is an honor for the Husson University Board of Trustees to hereby confer upon you the Honorary Degree of Doctor of Public Service, with all the honors, rights and privileges pertaining thereto.

ROYCE M. CROSS

To Royce M. Cross, your personal values of integrity, hard work, loyalty and dedication as a business and community leader have resulted in your achievement of both business and personal success. This success reflects great credit upon yourself and your family business, Cross Insurance Agency. Thus, it is an honor for the Husson University Board of Trustees to hereby confer upon you the Honorary Degree of Doctor of Business Administration, with all the honors, rights and privileges pertaining thereto.

ASSOCIATE OF SCIENCE DEGREES

College of Business

SCHOOL OF ACCOUNTING

Associate of Science in Accounting

Kimberly N. Baker - *Cum Laude* -	Portland, ME
Jessica N. Carll - *Summa Cum Laude* -	North Waterboro, ME
Ashley L. Findlater	Houlton, ME
