Dear Braves and Fans:

Basketball is a great sport and we have a rich women's basketball tradition going back to coach Clara Swan's first undefeated team in 1952-53 to coach Janet Kinney's first undefeated team in 1958-59 to coach Mary "Kissy" Walker's 1993 team that made it to the NAIA's National Championships and the final "Fabulous Four." But win/loss records have never been the only measure of success. Some of coach Red Wilson's teams made up in character what they lacked in victories.
Academics have always been important. Travel has been a wonderful opportunity for many, building friendships that last a lifetime.

The 2000/2001 season is no exception to this rich tradition. I extend my very best wishes to coach Walker and the team and the fans. Good luck.

Sincerely,

William H. Beardsley

Our Mission

The Mission of the Husson College Women's Basketball Program is to provide a positive educational experience and to compete on a competitive level within the NAIA and NCAA affiliations. To strive to be the best we can on and off the court while having fun, promoting teamwork, leadership and good sportsmanship.

Community Events and Fund Raising

Youth Basketball Clinic

The Bangor Community supports the Husson Women's Basketball Program in numerous ways. All the ads in our media guide help finacially support our program. Proceeds raised from these ads aid the team on special trips such as this years trip to California. Traveling creates a learning experience and provides our players with the chance to play against tough competition thru-out the country.

In turn we believe it is important to give support back to our community. This year the team with the assistance of ETE will sell ribbons at home games to support the fight against breast cancer. Also all 50/50 raffles will be donated to this cause. The Braves have helped with the race for the cure, put on charity games with the Dare program to raise money for some of our Husson community members battling cancer. Our players have been to local nursing homes to pass out Halloween candy and every year we host a youth basketball clinic as well as assist with other local clinics.

Our local Bangor media has done a great job at providing us coverage during the season. We enjoy watching and reading about Husson College and appreciate the support!
