HUSSON LEDGER

MARCH, 1967 — HUSSON COLLEGE, BANGOR, MAINE — VOLUME 42, NO. 2

Donna McInnis Winter Carnival Queen

Circle K Club

On February 10, 11, 12th, the Circle K Club sponsored Husson's Third Annual Paul Bunyan Winter Carnival. The theme for this year's cherished event centered on thoughts of "Only In America".

On Friday evening, a coronation ball was held at the Bangor House Ballroom. Elected to reign as our 1967 Winter Carnival Queen was a senior, Miss Donna McInnis. She was crowned by our outgoing 1966 queen, Miss Brenda Leeman. Chosen as first runner-up was a freshman, Miss Nancy Cheyunski, and second runner-up was a sophomore, Miss Sue Wentworth. The other competing candidates were: the Misses Martha Cooke, Edna Dale, Carolyn Freeman, Mary Hillman, and Carol Taute.

Following the coronation, the queen announced the winners of the snow sculpture competition. Taking first place were the cheerleaders; second place, the Class of 1968; and third place M E X Fraternity. The other competing groups were: Kappa Delta Phi Fraternity, Delta Sigma Delta Sorority, Epsilon Tau Epsilon Sorority, Bell Hall, Dorm Council, Class of 1969, and the Class of 1970.

On Saturday, a few ski-doo's were at hand to give free tours on our new campus. Those who attended the event know that they had a great time. Regardless of the disappointment caused by "Jay and The Americans" in cancelling their Saturday evening concert engagement, the winter carnival was a success in terms of school spirit and student participation.

We, the Circle K men would like to thank our advisor, Mr. Walter Greenlaw, the administration, faculty, and students for their combined efforts and encouragement in making this carnival an enjoyable and memorable event.

Tax Requirements For Students

Maine students who work part-time or summers may have a refund coming on their 1966 Federal income tax returns, Whitney L. Wheeler, District Director of Internal Revenue said.

Students are required to file a tax return if they earned $600 or more. If they earned less than $600 and taxes were withheld from wages by their employers, they should file a return in order to obtain a refund of the tax withheld from their wages.

Unmarried students who earn less than $900 will not owe any Federal income tax. They are entitled to claim the usual $600 personal exemption, plus a $300 minimum standard deduction.

Students are entitled to claim their own personal exemption when filing a tax return, Mr. Wheeler said. Parents who furnish more than one-half the cost of support for their child who is a full-time student may also claim an exemption on their tax return, unless the child is married and is filing a joint return with his or her spouse.

The Brothers of Mu Sigma Chi held their annual Christmas Party for the orphans of St. Michael's. By special arrangement, Santa was able to "drop in" for a few minutes bringing gifts and surprises for all the kids. Channel 2 TV lent a couple of films about Christmas which were shown later. Fred Advocat was in charge with Don "Santa" Lucey helping him. The Brothers all chipped in $1.00 to buy presents and refreshments for the kids.

December 15, 1966, will long remain a date to remember for those attending the annual Christmas Ball. Mu Sigma Chi again presented, for the benefit of the student body, a boost in the social atmosphere at Husson College. The best of music by Jimmy Hoss and his Band brought a full crowd on the dance floor with every song.

The highlight of the evening was the crowning of the new Mu Sigma Chi Sweetheart for 1966-67. Miss Linda Nickless was selected by popular vote to reign as the new Sweetheart. Miss Nathalie Barlow, last year's Sweetheart, crowned Miss Nickless and presented her with a dozen long-stemmed roses. Master of Ceremonies for the coronation was Dave Tomlinson, head of the Christmas Ball Committee.

Other candidates for the Mu Sigma Chi Sweetheart were Linda Springer, Ginny Dean, and Sandy Delano. All of the candidates brought a great deal of pride to Mu Sigma Chi. The Fraternity wishes to thank everyone for being so cooperative and helpful in making this another Christmas Ball to remember.

The Brothers of Mu Sigma Chi Fraternity are proud to announce their new officers for 1967-68. They are: President, Steve Jacobs, 1st Vice-President, Gene Melville, 2nd Vice-Prsident, Dave Staples, Secretary, Jim Hathorne, and Treasurer, Doug DiMora. Many thanks to the outgoing officers, Bill Abbott, Dave Hart, and Steve Flanagan, for a job well done.

Congratulations to the Brothers who worked on the snow sculpture for taking one of the top three places in the judging. With such enthusiasm as was shown during its building, MEX will continue to grow and prosper.

YOUR OPINION MAY BE WORTH A $500 SCHOLARSHIP IN REED & BARTON'S "SILVER OPINION COMPETITION"

During the months of February and March, Reed & Barton, America's oldest major silversmiths, are conducting a "Silver Opinion Competition" in which valuable scholarships totalling $2050 are being offered to duly enrolled women students at a few selected colleges and universities.

Husson College has been selected to enter this Competition in which the First Grand Award is a $500 scholarship; Second Grand Award is a $300 scholarship; Third Grand Award is a $250 scholarship; Fourth, Fifth and Sixth Awards are $200 scholarships; and Seventh, Eighth, Ninth and Tenth are $100 scholarships. In addition, there will be 100 other awards consisting of sterling silver, fine china and crystal with a retail value of approximately $50.00.

In the 1966 "Silver Opinion Competition", an entry form illustrates twelve designs of sterling with eight designs of both china and crystal. The entrant simply lists the three best combinations of sterling, china, and crystal from the patterns illustrated. Scholarships and awards will be made to those entries matching or coming closest to the unanimous selections of table-setting editors from three of the nation's leading magazines.

Miss Dorothy A. Levesque is the Student Representative who is conducting the "Silver Opinion Competition" for Reed & Barton at Husson College. Those interested in entering the "Silver Opinion Competition" should contact Miss Dorothy A. Levesque for entry blanks and for complete details concerning the Competition rules. She also has samples of 12 of the most popular Reed & Barton designs so that entrants can see how these sterling patterns actually look.

Through the opinions on silver design expressed by college women competing for these scholarships, Reed & Barton hopes to compile a valuable library of expressions of young American taste.

Newman Club

The Husson College Newman Club is continuing to enjoy a successful year with an active membership of about twenty-five. Many of the meetings have consisted of short talks by our chaplain, Father Roche. Most of these talks have been followed by informal discussions. New activities are being planned for the forthcoming meetings.

The Newman Club extends an open invitation to all Catholic students to attend our meetings.

Cheerleading

This year's cheerleading squad has been an active and enthusiastic group. Each girl has put forth a lot of school spirit which is a credit to Husson College. Many new cheers were introduced to the student body and many favorable comments were received.

For the first time, the cheering squad has participated in the third Annual Winter Carnival Snow Sculpture Event. Much ribbing was shown as these rambunctious, hard-working girls attempted their first masterpiece. Surprise came when the cheerleaders placed first in the snow sculpture competition.

Next year look for continued enthusiasm and school spirit.

Placement Office News

IT'S A MATTER OF COMMUNICATIONS! This statement is heard at businessmen's luncheons, seminars, faculty meetings, committee meetings—and in the Placement Office.

At the time of this writing I have a list of 28 seniors on my desk. This list has been posted on the bulletin board for two weeks and only 10 have responded. If I am not in my office when you come to see me, nine out of ten times I am probably tracing down one of your classmates who hasn't responded to a bulletin board or a Daily Bulletin notice. The procedure, in the event that I am away from my desk when you come to see me, is to make an appointment through my secretary, Miss Roberta Robinson.

As many of you know, I have recently written a bulletin board notice concerning interviews. Campus interviews are provided at the request of employers, to be sure, but the college also spends considerable effort and money to have companies recruit here. WHY? First, it is an essential part of the senior's education. Talking with a representative of any company will broaden your perception of the business world. Certainly, you do not select a company on the basis of half truths supplied by ill-informed compatriots. Second, a variety of interviews gives you a firm basis to compare various company programs. Third, the interviewer is our guest and deserves your attention.

The question of whether or not your Placement Office is "doing as much for the one and two year students as for the B. S. degree seniors" is another rumor that needs to be dispelled. Every company representative that recruits here is asked to recruit for two year people. Many of them decline to do so because their secretarial and middle management trainees are recruited from local sources. A recent bulletin board announcement for an interview schedule with a federal agency interested only eight women out of 65 potential graduates. REMEMBER, GUIDANCE ACTIVITIES CAN ONLY BE MANIFEST WITH THOSE INDIVIDUALS WHO SEEK OUT THE SERVICE.

What are the activities taking place in this office right now in the interests of our one and two year seniors? Let me list a few:

1. Plans for interviewing each senior. This is the second year this will be done for the Secretarial department.
2. Plans for sponsoring the third annual Career Day program for Secretarial Seniors.
3. A follow-up study of fomer secretarial graduates.
4. An interview schedule is a constant dream. We will have two companies and three federal agencies plus the State of Maine Personnel Board this year—admittedly a small number. Yet, it is an increase of one company and one agency over last year. The four-year degree interviews have increased from 13 companies and agencies in 1961 to 86 this year. With patience and your cooperation, we can have the same success in other degree fields.
5. Provision of occupational information and literature.
6. Help with letters of application and compilation of data sheets.
7. Registration with the Placement Office so that we can call you when employers call us.
8. A clerical wage and salary survey will be conducted in the greater Bangor area.
9. Testing is carried on daily, as well as provisions made for administering the Civil Service Test at the college.

One of the reasons you are pursuing a college program is to prepare for a satisfying career. Husson College recognizes the importance of this phase of your total education. Please take advantage of all the services your tuition dollar is providing. Find out (from those hired to do the job) about companies, tests, recruitment practices, point averages, class standings, service commitments, career opportunities, alumni positions, and your own aspirations. Do not rely on the half truths and myths created by the ill-informed. Utilize all of the communication media available—bulletin boards, The Ledger, The Daily Bulletin, and those trained in the specialty of career development.

Student Directed One Act Plays Set For March 9

Nancy Lacasse, Dan Miller, Eugene Melville and Earl Goodyear will have an opportunity to exhibit their skill at directing a play when four one-act plays will be presented March 9 by the Husson Players. The student directors are being supervised by Husson Drama Director Albert E. Weymoth, who continues to provide Husson students with a variety of experiences in theatre. The plays will be presented in-the-round and on an elevated platform, which will make viewing much easier for people in the outside rows.

Nancy Lacasse is directing George Kelly's "The Flattering Word," a satire about a minister whose wife is forbidden to attend the theatre, but who finds himself the object of flattering words which result in a change of heart. In the play will be Dan Page, Anne Lewis, Chris Richards, Mary Hillman, and Bob Sweeney.

"Impromptu," a drama by the award winning author, Tad Mosel, will be directed by Dan Miller. In the cast are Ralph Smart, Chris Richards, Anita Plourde, and Dan Miller. The play concerns four "type" actors who find themselves on an empty stage without script or directions. The play is an interesting study of human relations.

The English version of Anton Chekhov's "The Brute," labelled "a joke in one act" will be presented by a cast directed by Eugene Melville. In the cast are Ralph Smart, Linda Whitney, and director Melville.

The fourth play of the evening will be a gripping drama of four men afloat in the middle of the Pacific. "Minor Miracle," by Verne Powers will be directed by Earl Goodyear and will have in its cast Al Castin, Henry McPherson, James O'Conner, and a fourth cast member yet to be selected.

The plays will be presented for one evening only, March 9 at 8 o'clock. Tickets will be on sale in advance and at the box office. As has been the custom during the past few Husson Player productions, a special reduced price will be in effect on advanced sale tickets.

THE HUSSON PLAYERS' PRODUCTION OF "THE MARRIAGE-GO-ROUND" WAS TERMED OUTSTANDING!

Four most capable actors demonstrated last November that they could handle a very adult theme in a superior manner. Linda Whitney, Anita Plourde, Seth Gilman, and Ralph Smart were most convincing in their roles in Leslie Stevens' provocative comedy, "The Marriage-Go-Round," presented November 17 and 18 before large and enthusiastic audiences.

Adding to the complexity of the show, the first performance was done on stage, while the second night's performance was presented in-the-round. Excellent coordination by Rod Smith on lighting, and Jim Santarcanglo as stage manager, assisted by Gail Rhulin, Linda Springer, Bill Poncelet, Larry Cook, and Gordon Gamage, made the transition from stage to floor a smooth one.

Seth Gilman proved himself the "pro" as Paul Delville, professor of cultural anthropology who was being "chased" by a blonde beauty, Katrin Sveg, played by Anita Plourde. Outstanding timing of line delivery, and picking up of cues, gave the show a very professional performance. Linda Whitney proved herself a better than average actress, and delivered her "lecture" lines most effectively. The spirit of the performers was excellent, and the audience responded many times with laughter. Each performance was rewarded with resounding applause.

Adding greatly to the enjoyment of the show were the beautiful costumes provided by Sleeper's of Bangor. Costume changes were frequent and colorful.

The production was directed by Albert E. Weymouth, Drama Director at Husson.

S. E. A.

Off to another year! The newly elected officers (January) are the following:

President	Gail Buck
Vice-President	Gene Melville
Secretary-Treasurer	Pat Hart
Public Relations	Gary LeSuer
Student Representative	Theresa Bourgoine
Editor	Linda Hardy
Adviser	Miss Renaud

For the promotional meeting Mr. Philip Gonya of Bangor High School spoke on the typical day of the teacher and why we should join a professional organization.

A Christmas party, complete with Santa, tolled in the month of December. The party was held at the home of our adviser, Miss Renaud. A snow sculpture was built by a committee headed by Gary Le Suer, thus representing S.E.A. in the Winter Carnival.

Looking ahead, a film of concern and interest to prospective teachers will be shown. Expectations are for a panel made up of some student teachers to come and sit answering questions put to them by the members of the Association.

It is hoped that a type of workshop of audio-visual aids and presentations can be arranged whereby the members of the S.E.A. will become acquainted with the operations of several pieces of equipment.

In May, all look forward to the annual banquet which brings the year to a close.

The following standing committees and chairmen were selected by the Executive Board:

HUSSON PRO AND CON SOCIETY IN DEBATE TOURNAMENT

As the first semester was drawing to a close, the Husson Pro and Con Society was busy preparing for its participation in the second annual debate tournament at the University of Maine, Portland. Meeting two afternoons each week, the debate squad proved that preparation is rewarding, even though it may not bring victory every time. Of the four rounds of debate participated in by Husson's debate teams, a Husson debater was selected second best in three of the debates. Husson lost to three of the most oustanding teams in the tournament, and in two instances the loss was a close decision.

Debating for Husson were Roy Ferland, Robert Maguire, Anne Lewis, and Ernest Tweedie. At semester break, the Pro and Con society lost half of its debate squad due to graduation and transfer and is looking for students who are interested in learning how to debate, or who have had previous debating experience. Students should contact Mr. Weymouth, if interested.

Editor
Husson **Ledger**
Husson College
Bangor, Maine
Dear Editor:

With due respect to the commendable job done by you and your staff, I wish to offer the following suggestion for considertaion: Would it be possible to offer to the student body a student directory, compiled and distributed by your staff?

I should think it could be economically and profitably printed and sold by the **Ledger** staff. The directory should incorporate each student's name, address, and phone number—alphabetically and chronologically by graduation date.

If this idea should be considered for possible action, I would like to additionally suggest that, first, the expenses of such an undertaking be computed, then a probable number of subscription sales be determined, and, finally, the expenses of the operation divided by the expected number of sales and multiplied by two—thus producing a profit to be donated to the building fund.

Respectfully yours,
Robby Robinson

Future Secretaries Association

"The Future belongs to those who prepare for it." Thirty-nine Secretarial Students are preparing for their future. They have become members of the newly formed Husson College Chapter of the Future Secretaries Association. This association has two advisors. Three representatives form the Dirigo Chapter of National Secretaries Association met with students interested in forming a chapter at Husson College. The Dirigo Chapter will be the sponsoring chapter of the F.S.A.

F. S. A. is a professional organization dedicated to furthering the secretary's knowledge, experiences, and professional contacts with the business world. This chapter expects its members to develop good work habits and good attitudes. In order to become a member of F. S. A., one must attain a 2.0 average, and be of highest character and integrity.

The Husson Chapter of F. S. A. held its first meeting February 14. The following officers were elected: President, Linda Whitney; Vice-President, Karla Davenport; Recording Secretary, Sandra Delano; Corresponding Secretary, Barbara Foss; and Treasurer, Karen Govone. Initiation of members and installation of officers is planned for March 30. The Dirigo Chapter, N. S. A., will conduct the initiation and installation ceremonies.

Yes, the Husson College Chapter of the Future Secretaries Association is planning for the future.

Delta had a Christmas party, and gifts were exchanged. The party was at the apartment of Meridel Blanchard and Connie Delano.
