Dedication

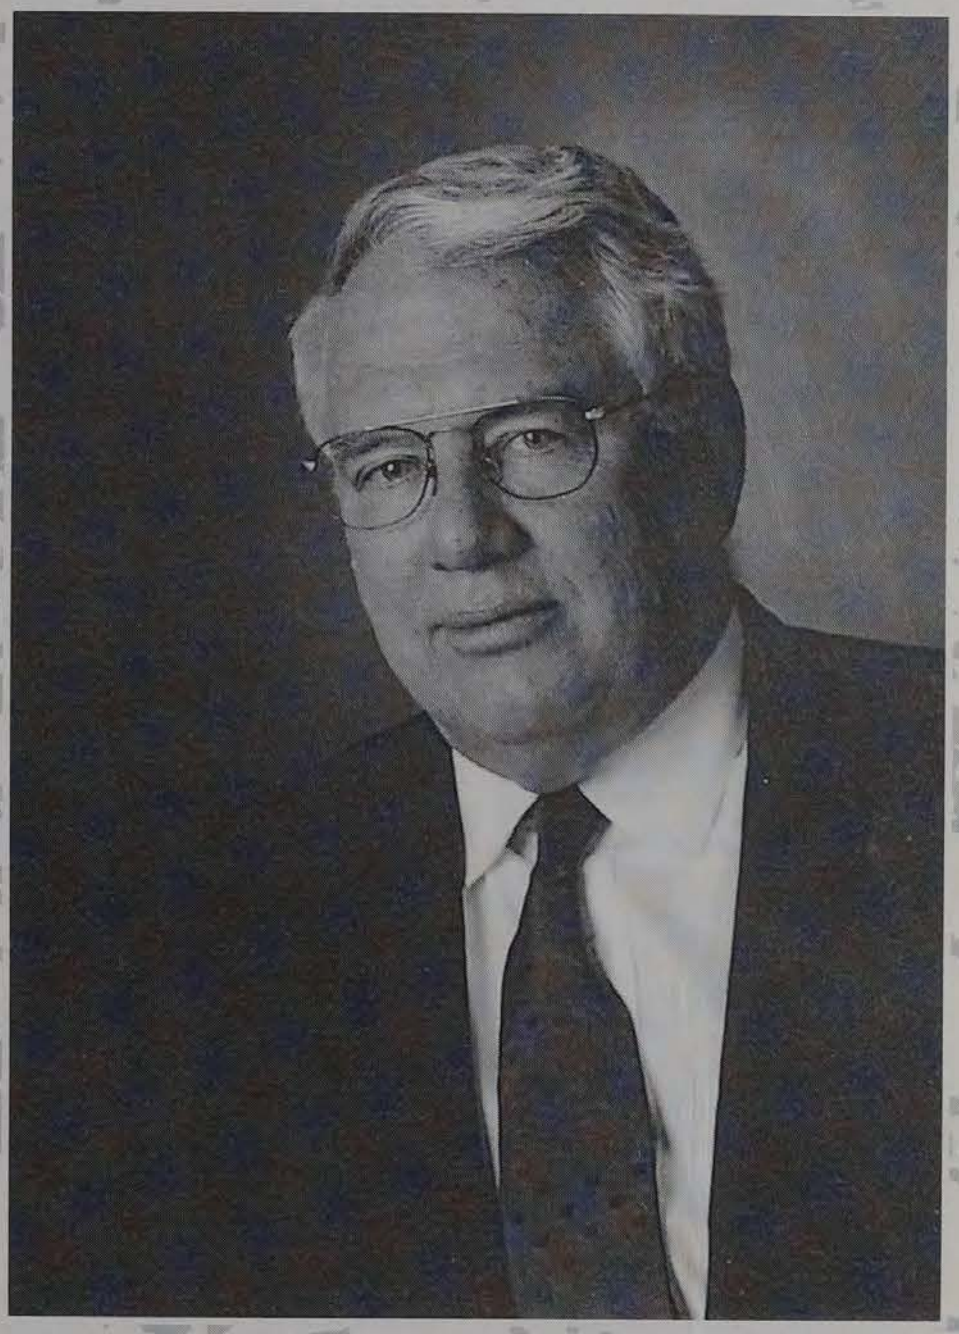

The staff of the Chieftain is proud to dedicate this edition of the Husson College year book to Dr. John Winkin.

His professional career has been magnificent. Dr. Winkin graduated from Duke university and holds a master's and a doctorate from Columbia university. He has been a lifelong educator. He served his country as a lieutenant commander in the United States Navy for five years during World War II. He served as Director of Athletics and coached three sports at Colby College, and at the University of Maine at Orono he led their baseball team to six college World Series.

Dr. Winkin is a Husson Fellow in Sports and Leadership, Director of the Sports Management program, works with the Physical Education program and is the Assistant Baseball Coach. But more than that, Dr. Winkin is a man of faith, and he works with the college chaplain to find opportunities to promote character and leadership development among Husson students. He fields vitality to the classroom, experience onto the sports fields and a general lust for life. His presence here has truly made a difference, and we the students of Husson would, in a small way, like to say, "Thank You."

President's Message

Dear Graduates of the Class of 2001:

Congratulations for a job well done. Your degree represents a significant passage in life, a tangible milestone in your education, and, a formal, enduring tie to Husson College.

Husson is proud that you entrusted your college education to us. At the same time, your life and career from here on will be a testament to the time we shared together and you will now personify the meaning of a Husson degree.

As an alumni(ae), you are also a permanent part of the Husson family. We stand ready to support you and at the same time, we seek your advice and ideas as how we can become an ever better institution.

We wish you our very best for the future.

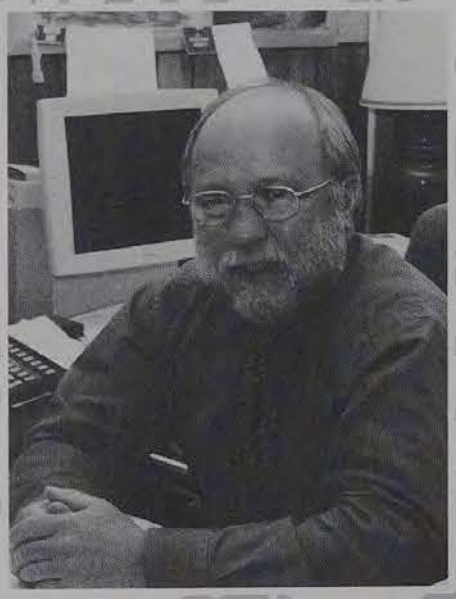

Sincerely,
William H. Beardsley
President

MIDNIGHT MADNESS..

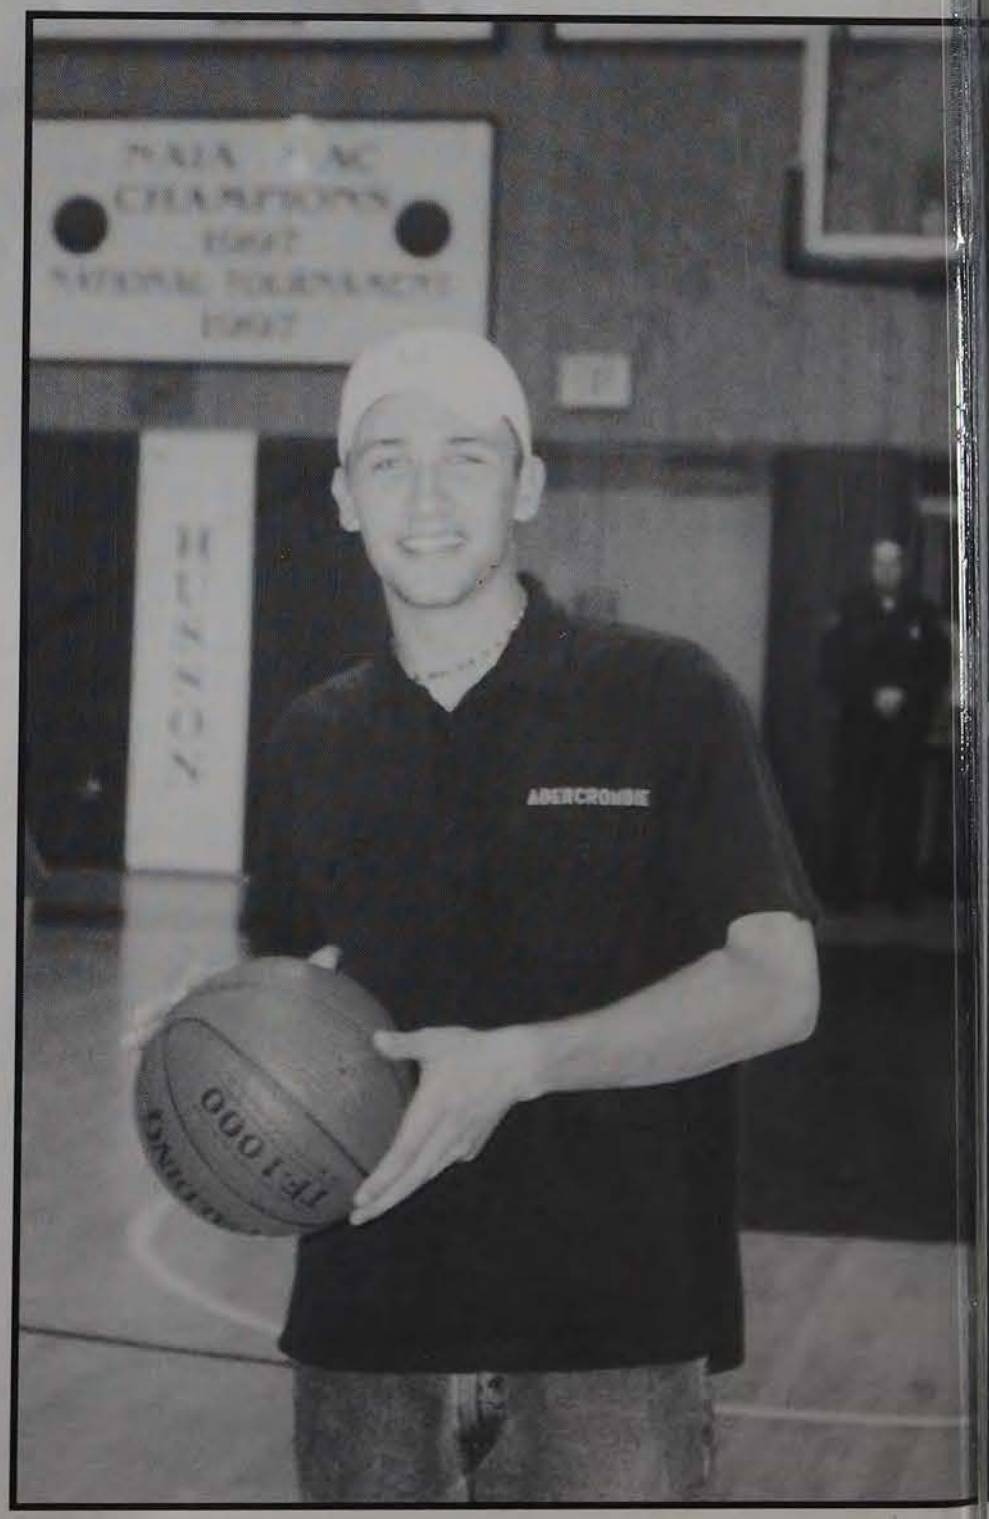

OPTS 3rd Annual Wheelchair Basketball Charity Event

2001 marked the third year for this OPTS fund-raiser. The event was again a huge success, made possible by all those who were involved. Over one-hundred people were involved in this event including supporters, volunteers, and participants. The proceeds from this event were donated to the Maine Adaptive Sports Program.
