HUSSON LEDGER

APRIL, 1960 | HUSSON COLLEGE, BANGOR, MAINE | VOLUME 36, NO. 3

Husson's First Swim Team

Left to right: Carol Fowler, Brooksville; Patricia Jenkins, Bangor; Edwina Monk, Blue Hill; Joan Arnold, Frye; Joan Snowman, Bucksport; Jane Lanpher, Newport; Nan Clark, Belfast; Donna Winship, Bradley; Christine Demko, Madison; Patty Curtis, Newport.

President's Column

Greetings from Florida.

These are random thoughts as I sit in Cottage No. 4 at Val Halla, Bonita Springs, looking at the palm trees outside the window, and pelicans and herons in flight over the inlet on which we located. From the kitchenette window we see the Gulf of Mexico only a hundred yards away as it beats its surf on Bonita Beach. It is a pretty setting—but it's cold, and has been cold most of the time. Heavy frosts at night have hurt the farm economy here and Florida is unhappy in this adversity.

We were homesick for Maine from the beginning. We didn't want to leave Maine, our friends, the college on the hill, our way of life, and our family, so we didn't get off to a good start. Upon our arrival we found a basket of flowers from 157 Park Street to welcome us to our cottage, and Mrs. Husson wept. We have been overwhelmed by the kindness and thoughtfulness that have been accorded us from the students and faculty at Husson since I was stricken ill. No words of mine are adequate to say the thank you that is in our hearts. The Husson College "family" is indeed a warm hearted one, and we prize its nearness to us during these troubled times. We long to be back with you and look forward to May 1 when we embark for home. It will be good to sit in the office chair a few hours a day, and have a cup of Mrs. Lowe's tea at noon. It will be good to see your hungry faces at the counter requesting sandwiches and coffee. It will be good to say hello to each of you in person.

The doctor in nearby Fort Myers says that I am gaining strength, and that I should be back to work in September on a limited schedule. In short the report is good. My feelings are mixed because I have much work to do and I want to carry a full load. Since it isn't to be, I will leave more and more on the staff which has been doing so nobly in my absence. Loyalty and devotion from the staff and faculty have been mine for all time, and I am deeply grateful for their magnificent contributions to the Husson way of life as we know it both in and out of the classroom.

Give your best to Miss Swan, Miss Clark, and your instructors. Your cooperation will lighten their burdens. They have many more tasks, more decisions to make, more calls upon their judgment, more planning and programming, more responsibilities down the entire line. I know that I can count on you to help—just by being the best student that you know how to be. I rest easy knowing you as I do.

I include my compliments to the basketball and bowling teams. Winning the Conference title was good tonic for the patient! We read the Bangor News the moment it arrives searching out every item that tells us of Husson "doin's". I am proud of the record and deportment of our men and women who wear the college colors. Congratulations, and thank you.

To those of you whose names appeared on the Dean's list, my compliments. Please keep your names there. To those who missed it—just try a bit harder. Find another hour each day for secluded study and application. There is no glamor in study, nothing but work, and more work. Toil is the law of life and its best friend. So said one of the world's wisest men. You take it from there.

Mrs. Husson and I spend many hours in the open shelling on the beaches. It is a fascinating occupation. We have many beautiful specimens which I hope to display in the office for all of you to see. Seems like a simple thing in which to be interested, but it's a disease like

(Continued on page 2)

President's Column

(Continued from page 1)

coin or stamp collecting, or match covers, or buttons. As a health conditioner it is excellent. God provides the out-of-doors as man's best medicine and I'm grateful to this source for my simple, restful days out of doors. Each new day I consider a gift from above, and I face it eager to make the most of it. What can I do with it to count the most? When I am ready I'd like to follow the path of President Eisenhower, a man whose coronary failed to deter him. With such an example I am inspired to plan for many productive years ahead in the "friendly college on the hill". This is my prayer.

Mrs. Husson and I join in an expression of good wishes to all of you. We miss you and we hope that you miss us.

Cordially and sincerely,

"Chief"

FIFTH-TIME CONFERENCE CHAMPS

Back, left to right: Vachon, Kane, White, Geagan, Boardway, McKay, Haskell, Scott, Holmes, and Trask.
Front: Coach Merrill, Managers, Bears, Cunningham, and Fleming.

CHEERING SQUAD

Top to Bottom, Cummings, Allen, Craig, Mcguire, Hunter, Chase, Henderson.

HUSSON VARSITY

The Husson College Indians won the Northeast College Conference Crown for the fifth straight year. The Indians have compiled an outstanding record of 81 wins in the last 94 games over the past 5 seasons.

The team leaders for the Indians are:

Name	*Points*	*Rebounds*	*Class*
Jack Scott	415	226	Soph.
Jerry Kane	359	65	Soph.
Jim McKay	328	179	Soph.
Don Vashon	205	82	Jr.
Paul Boardway	151	144*	Frosh.
Red Haskell	106	70	Jr.
Al Trask	100	48	Soph.
Ronnie Geagan	51	41	Jr.
Junior White	30	13	Soph.
Buzzy Holmes	11	4	Frosh.

*10 games

This year the Indians averaged 95 points per game whereas their opponents averaged 75 points per game. This season the record was 17 wins and two losses. The conference record was 10 wins and 1 loss.

CHEERING

The 1959-60 Cheerleading season was a very successful one. Under the direction of our capable leader, Miss Mildred M. Bradford, many new cheers were developed. The squad practiced diligently throughout the season for perfection and pep.

The majorette-style uniforms of kelly green and white poplin were complemented by white blouses and white bucks. Feather headbands and Tom-Tom's were added color for the Indian Cheers.

Cheerleaders for the season were: Diane Allen, Sedgwick and Marjorie Cummings, LaGrange; Co-Captains: Phyllis Chase, Milo; Jane Craig, Ellsworth; Gail Henderson, Houlton; Patricia Hunter, Benton; and Paula McGuire, Stonington.

The girls performed at all home games and were able to attend some away games. Many compliments, justly earned, were received throughout the season; and anyone on the sidelines could readily perceive the joy and pride the cheerleaders took in their work. Hats off to the girls for a job well done!

GIRLS ARE TOPS

The 1959-1960 Girls' Basketball Season has been very successful this year. The girls completed the season with a 11-3 record. Considering the fact that only two members (Diane Hodgkins, and Beverly Burrill) of last year's first string returned, we believe we have an excellent record.

The members of this year's squad were: Forwards, Jackie Artus, Captain, Sheila Fernald, Rhoda Morehead, Dorcas Jones, Gail Joseph, Connie Knight, Mary Jane Leighton; Guards, Diane Hodgkins, Carol Fowler, Beverly Burrill, Joan Arnold, Patricia Curtis, Betty Early, and Marguerite Cyr; Managers, Helen Colby, Patricia Buck, and Betty McNally.

In the scoring department, Jackie Artus was high scorer with a total of 252 points—an average of 20 points per game. Other girls high in the scoring department were Rhoda Morehead—181 points—average of 13 points per game and Sheila Fernald—123 points—an average of 10 points per game.

On the offensive side, Diane Hodgkins was an outstanding guard along with Carol Fowler's height and the center position held down by easy-going Joan Arnold. Beverly Burrill played a first string position until her graduation on January 30.

Coach Kinney is looking forward to an undefeated season next year. The following girls will be returning another year: Jackie Artus, Rhoda Morehead, Sheila Fernald, Mary Jane Leighton, Dorcas Jones, Carol Fowler, Betty Early, and the three managers—Helen Colby, Patricia Buck, and Betty McNally.

M. A. A. Intramural Basketball Tournament

February 23 through March 8, Commerce Hall was bustling with intramural basketball activity. After several years of inactivty the M. A. A. reactivated the annual intramural basketball tournament. Eight teams entered the double elimination tournament all with an eye of coping the little silver basketballs awarded to the tournament champions.

The teams entered in the tournament were: *Outcasts* (Champs), Carl Gerow, Thaxter Trafton, Roger Tate, Phil Thibeau Bernie Stevenson, and Jim Doughty; *Kappa Delta Phi* (Run-

ners up), Bob Gilbey, Gary Seavey, Wayne Smith, Ed Youngblood, Joe Paul, and Dick Southard; *Actualies,* Ron McReavey, John Dill, Bob Chandler, Jim Perry, Barry Twitchell, and Elmer Berg; *Untouchables,* Tom Willett, Ernie Steele, Jim Stewart, Terry Knight, Gary Lawton, and Dick Sewall; *Burgers,* Paul Bradeen, Eugene Nardi, Earl Grava, Paul Fleming, Bob Leach, and Ralph Berg; *Spuds,* Mike Theriault, Bob Theriault, Dave Adelman, Bill Bowler, Pete Ladner, and Emery Herrick; *Cellar Dwellers,* Jim Manship, Merton Stanhope, Ben Welch, George Maximic, Ray Woodworth, and Dick Jordan; *Standins,* Terry Duffy, Cary Landry, Dick Pelletier, Ron Philbrick, Terry Coyne, and John McGuire.

First Round Scores:

Actualies	57	Standins	20
Kappa Delta Phi	55	Spuds	27
Outcasts	50	Untouchables	32
Burgers	35	Cellar Dwellers	18

Second Round Scores:

Spuds	33	Standins	22
Untouchables	29	Cellar Dwellers	21
Kappa Delta Phi	36	Actualies	30
Outcasts	46	Burgers	19

Third Round Scores:

Actualies	54	Spuds	18
Untouchables	35	Burgers	28
Outcasts	62	Kappa Delta Phi	39

Fourth Round Scores:

Actualies	40	Untouchables	38
Kappa Delta Phi	62	Actualies	52

Championship Round:

Kappa Delta Phi	68	Outcasts	54
Outcasts	53	Kappa Delta Phi	50

The finals were played on March 8. Kappa Delta Phi entered the games with their work cut out for them. KDP would have to drop a team that beat them by 23 points in the third and twice in the same night to capture the title.

Kappa Delta Phi went to work on the Outcasts in the first game as though they were going to cap two in a row. Led by Wayne Smith with 31 and Bob Gilbey with 11, the Greek letter men lead all the way to win 68 to 54.

The night cap saw the Outcasts tighten the defense to stop the hot inside scoring of Kappa Delta Phi. Bernie Stevenson with 12, Thaxter Trafton with 14 and Roger Tate with 10 lead the scoring punch for the Outcasts. Wayne Smith tallied 23 and Joe Paul dropped 18 for Kappa Delta Phi in a game that was undecided until the final seconds.

The Intramural Tournament committee did an outstanding job of preparing the gym before each game and in the general handling of the tournament. The committee members were: Tom Willett, Jim Stewart, Dick Sewall, Terry Knight, and Gary Lawton.

J V BASKETBALL

SEASON RECORD

Husson		Opponent
62	East Corinth Academy	65
53	Morse Memorial High School	43
67	Searsport High School	54
85	Higgins Classical Institute	72
53	Lubec High School	56
45	Higgins Classical Institute	37
90	Danforth High School	49
68	Morse Memorial High School (Overtime)	65

62	Bridgeton Academy	74
43	Bridgeton Academy	79
89	Searsport High School	93
62	Thomas Junior College	75

Season's record: 7 wins and 6 losses

Average scoring per game:

Husson JV 66.3

Opponents 61.5

Individual Scores

Alston Wildes, Brooks, 231 points—average per game, 17.8

Pete Predaris, Bangor, 134 points—average per game, 10.3

Mike Meagher, Bangor, 85 points—average per game, 6.5

Dean Armstrong, Waterville, 76 points—average per game, 9.5

Paul Colburn, Waterville, 69 points—average per game, 8.6

Jim Ferguson, Rumford, 31 points—average per game, 4.4

Bill Emery, Rockland, 8 points

Bob Anderson, Patten, 5 points

Gary McEntee, Presque Isle, 4 points

Bob Moore, Bar Harbor, 4 points

This year's JV Basketball team notched a season's record of seven wins and six losses. The Junior Indians lost to East Corinth Academy in a squeaker on their floor to open the season. The JV's then realed off three wins in a row against Morse High School, Searsport High School and Higgins Classical Institute behind the balanced scoring of Al Wildes, Pete Predaris and Mike Meagher.

The JV's then lost to a tall Lubec squad at the Brewer Auditorium by a score of 56-53. The Junior Indians then reeled off four more wins in a row beating a vastly improved Higgins team for the second time and dropped Danforth High School twice. The JV's traveled to Morse Memorial High School and squeaked by in an overtime contest after coming from 12 points behind in a torrid fourth quarter.

This year's JV squad seemed to do things in series and the season ended in a series of losses. The JV's traveled to Bridgeton and engaged a tall Bridgeton Academy team in two games, losing both by rather large margins. The JV's traveled to Searsport and were dropped in a close game by a good Searsport High School squad. The seasons finale for the Junior Indians was in the Brewer Auditorium with Thomas Junior College providing the opposition. After a close first half Thomas pulled away and dropped the JV's 75-63.

The season featured a balanced scoring by the squad. Al Wildes averaged 17 points per game, Pete Predaris 10, Dean Armstrong 9, Paul Colburn 8 and Mike Meagher 6. Jim Ferguson assumed a starting role at center at mid-season. Ferguson did not score a great many points but he grabbed off several rebounds and contributed the needed basket in the clutch against Morse Memorial. A well deserved pat on the back is due the boys who played in a reserve role this year. A number of times these boys entered the game to relieve the regular players and dropped in a basket or two in the clutch.

As the season ends, the question is what about next year? Next year the JV squad will not be in action. A strong intramural program will be in operation, replacing the JV basketball squad. The administration of the college and the athletic department is of the opinion that this type of program will benefit many more students than ever before.

BOWLING

1960 was the second year the Husson bowlers entered the National tournament. With no place to move in the standing but up, 24 men appeared at the Bowl Mor Lanes Saturdays and Sundays to roll the necessary 45 games to prepare for the tournament. After rolling the required games the squad was selected on the basis of the high averages during the roll off.

The squad members were Bob Chandler, Charlie Kent, Pete Predaris, Pete Briggs, Dick Hawksley, and Gary McEntee. Chandler and Kent were members of the 1959 team. The remainder of the boys were in their initial year of competition.

RESULTS

Team, 3 Game Totals

Bob Chandler	542
Pete Predaris	474
Charlie Kent	488
Pete Briggs	436
Dick Hawksley	437
Gary McEntee	395
	2786

Doubles, 3 Game Totals

Bob Chandler	541
Charlie Kent	491
	—1032
Pete Predaris	505
Pete Briggs	503
	—1008
Dick Hawksley	454
Gary McEntee	382
	— 836

Singles, 3 Game Totals

Bob Chandler	556
Pete Predaris	540
Charlie Kent	535
Pete Briggs	475
Gary McEntee	459
Dick Hawksley	411

All Events, 9 Game Totals and 9 Game Average

Bob Chandler	1639	Ave. 181
Pete Predaris	1519	Ave. 167
Charlie Kent	1514	Ave. 166
Pete Briggs	1414	Ave. 157
Dick Hawksley	1302	Ave. 145
Gary McEntee	1236	Ave. 137

Bob Chandler and Pete Briggs graduate this year, but the remainder of the squad will be back to shoot for a regional championship next year. This year's squad has shown tremendous improvement over last year's squad. With new talent appearing in the school daily, competition for next year's squad should prove to be brisk.

CO-ED MIXED DOUBLES

W. A. A. Sponsored

Each Wednesday afternoon a group of Husson men and women move into the Bowl Mor Lanes to compete in the newly formed mixed doubles league. From all reports those participating are enjoying themselves.

The first thing the average youngster learns in school is that he's missing a lot of fun outside.—Anthony J. Pettito

NATIONAL INTERCOLLEGIATE BILLIARDS TOURNAMENT

Husson 17th Nationally, 1st in the New England Region.

For the first time, Husson College entered the National Intercollegiate Billiard Tournament sponsored by the American Association for College Unions. Joe Albert and Earl Grava were selected as participants and proceeded to sharpen their shooting eyes at Clark's Billiard parlor.

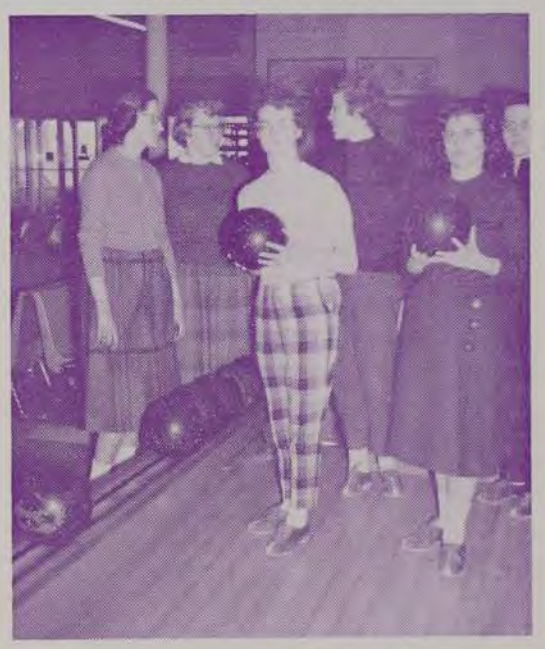

On February 24, Albert and Grava played the four fifteen inning games required for the National Tournament. Joe Albert pocketed 306 balls during his 60 innings and Earl Grava pocketed 236 balls during his 60 innings. Albert averaged over five balls pocketed per inning and Grava averaged nearly four balls pocketed per inning.

The 542 total balls were good enough to earn the school 17th place nationally out of 41 billiard teams entered in the Tournament. Husson was placed first out of six teams in the New England Region and Joe Albert was the top scorer in Pocket Billiards in the New England Region.

The Ledger staff congratulates Joe Albert and Earl Grava for this fine performance in this tournament.

We appeal to the billiard players in school to keep the eye sharp for the National Intercollegiate Billiards Tournament next year. Husson must retain its place at the top of the New England Region and the only way to accomplish this is through participation. Incidentally, there is a ladies' division, too. How about it, Co-eds?

LADY BOWLERS

KELLEY, SPERRY, ARNOLD, FOWLER, BAILEY, BABCOCK

W. A. A.

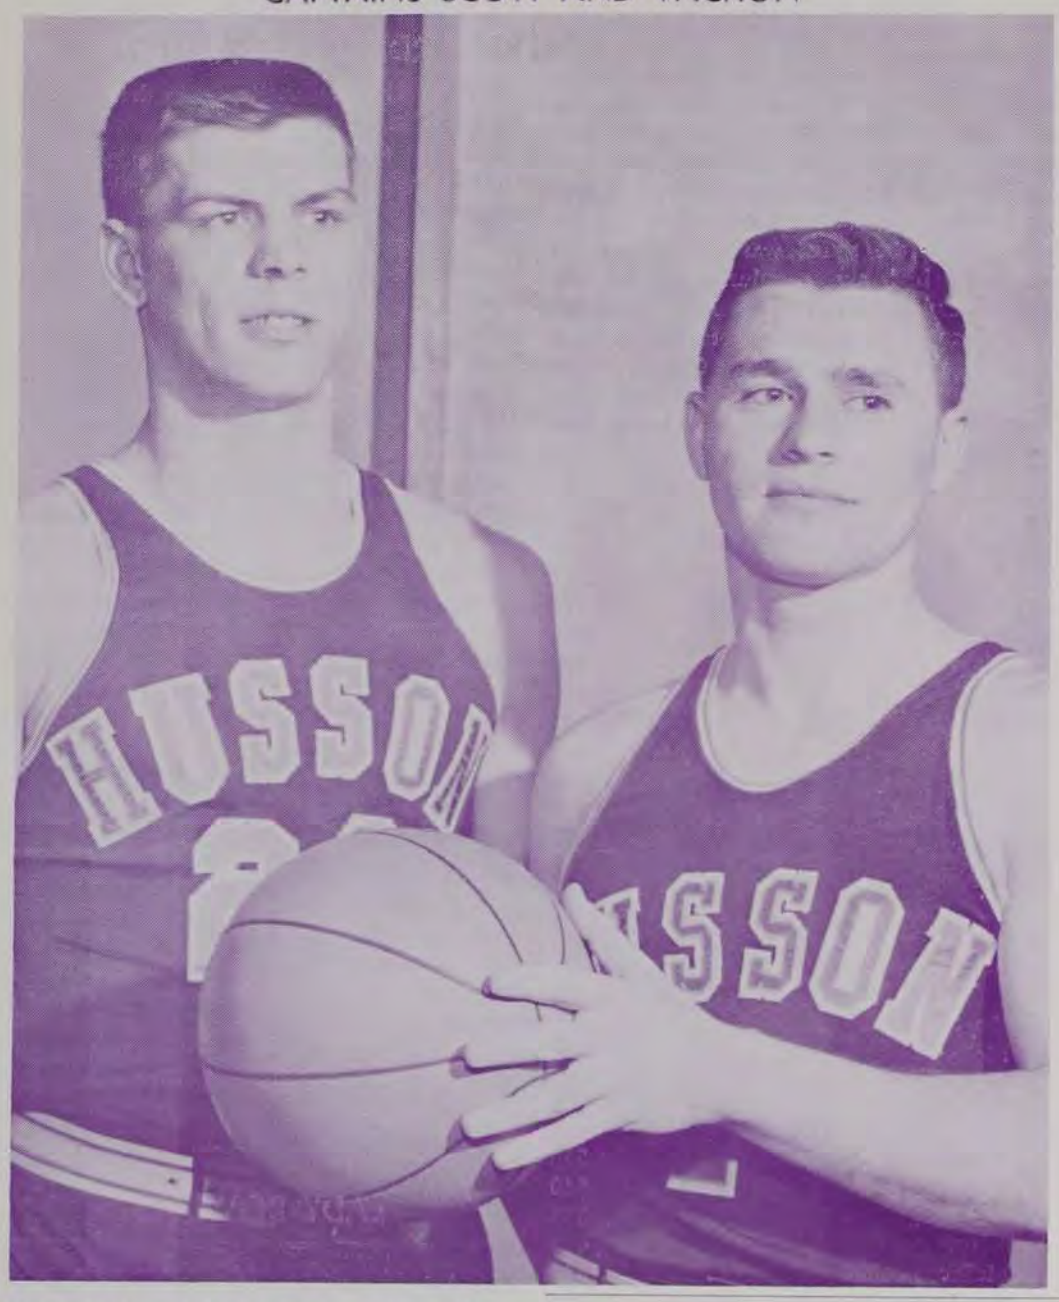

The Women's Athletic Association is sponsoring two activities at the present time. These two activities are the Swimming and Bowling Teams.

Each Wednesday afternoon the following girls bowl at the Bowl-Mor Lanes: Linda Babcock, Carol Fowler, Charlene Kelly, Ruth Sperry, Gail Joseph, Helen Colby, Marguerite Cyr, Patricia Bailey, Joan Arnold and Judy Pearson.

Each girl will be bowling six practice strings and 10 strings to compete their requirements for a bowling award.

On Monday afternoons and Tuesday evenings the Swimming Team meets at the new Y. M. C. A. Pool. Each girl must swim 10 hours in order to be eligible for a swimming award. The girls taking part in the swimming program are: Carol Fowler, Edwina Monk, Jane Lanpher, Patricia Jenkins, Donna Winship, Christine Demko, Nan Clark, Joan Arnold, Betty Early, and Joan Snowman.

CAPTAINS SCOTT AND VACHON

SPORTS AWARD NIGHT

The Administration of Husson College feted the Girls' and Boys' Varsity Basketball teams, the JV Basketball Team and the Cheerleaders at a Sports' Banquet Tuesday, March 22, 1960 at the East Bangor Community Hall. A delicious Chicken Pie supper was enjoyed by all.

Seated at the head table were Mr. George Hale of Bangor, the guest speaker; Master of Ceremonies Mr. John Tyler and Mrs. Tyler; Varsity Basketball Captains Donald Vachon and Jack Scott; Representative of the JV Basketball Team, Peter Predaris; Captain of the Girls' Basketball Team Jacqueline Artus; Cheerleader Co-Captain Marjorie Cummings; Vice President, Clara L. Swan; JV Coach and Mrs. Edward Carroll; Varsity Coach and Mrs. Delmont Merrill; Girls' Coach Miss Janet Kinney; and Cheerleader Coach Miss Mildred Bradford.

Members of the Boys' Varsity team attending were: Jack Scott, Ellsworth; Gerald Kane, Ellsworth; James McKay, Bar Harbor; Donald Vachon, Brewer; Wayne Haskell, Hermon; Ronald Geagan, Bangor; Julian White, Jr., Bangor; Paul Boardway, Bangor; Alvin Trask, Bradford; Blaine Holmes, Ellsworth; Managers: Charles Bears, Millinocket; Paul Fleming, Calais; and Carl Cunningham.

Those attending from the Junior Varsity Team were: Peter Predaris, Bangor; Alston Wildes, Brooks; James Ferguson, Rumford; Paul Colburn, Waterville; Dean Armstrong, Waterville; Michael Meagher, Bangor; Robert Anderson, Patten; William Emery, Rockland; Gary McEntee, Presque Isle; Managers: Alan Brown, Presque Isle; and Paul McMennamin, Presque Isle.

Members of the Girls' Team honored were: Jacqueline Artus, Milo; Sheila Fernald, Millinocket; Rhoda Morehead, Brooks; Gail Joseph, Waterville; Dorcas Jones, Union; Mary Jane Leighton, Bucksport; Carol Fowler, Brooksville; Patricia Curtis, Newport; Betty Early, Dover-Foxcroft; Constance Knight, East

(Continued on page 6)

Baseball

The Husson Indians will be defending their Northeast College Conference crown this spring when they embark on a tough 12-game schedule.

Last season the Indians finished the season with an impressive record of 9 wins and 3 losses. In conference play the Husson team finished first with a 5 and 1 record.

The 1960 schedule includes league games with Ricker (2), Aroostook State (2), and Washington State (2). The non-league games are with Farmington State (2), Maritime Academy (2), Colby Frosh (1), and Maine Frosh (1).

Lettermen returning to the diamond this spring are: Joe Paul, Don Vachon, Dean Neal, Bob Wiles, Jack Scott, Jerry Kane, Ronnie Geagan, Bernie Stevenson and Jim Doughty.

A large turnout is anticipated when the call for candidates is issued. It is rumored that many outstanding new players are anxiously awaiting the first practice.

Baseball Schedule

April 27	At Colby Frosh
April 30	Ricker
May 4	Maritime Academy
May 7	Aroostook State
May 9	At Farmington
May 12	Farmington
May 17	Washington State (doubleheader)
May 21	At Ricker
	At Aroostook State
May 24	At Maritime Academy

*Maine Frosh—Date not set at this time

HE OUGHT TO KNOW

The teacher was testing her students' knowledge of proverbs.

"Cleanliness is next to what?" she asked.

A small boy replied with feeling: "Impossible."

WELCOME, CLASS 1964

The following students have enrolled at Husson College as freshmen for the spring semester: David Adelman, Mars Hill; Robert Anderson, Patten; Mrs. Jacqueline Andrews, Bangor; Mrs. Mildred Appleby, Lincoln; Paul Boardway, Bangor; William Bowler, Bangor; Paul Bradeen, Milo; William Carney, Bucksport; Barbara Currie, West Enfield; Roland Cyr, Caribou; William Edgerly, Dover-Foxcroft; Terrance Fahey, Greenville; Sally Fowler, Rockland; Sandra Gerrich, West Sullivan; Robert Gilbey, Presque Isle; Lynwood Hachey, Orono; Peter Hall, Greenville Jct.; Kirsten Harvey, Caribou; Emery Herrick, Brooksville; Jeffrey Hinds, Bangor; Mrs. Joan Howes, Corinna; Charles Jones, New York, New York; Diane Kirkpatrick, Brewer; Peter Ladner, Easton; Ronald Lancaster, Dexter; Gary Mahany, Presque Isle; Gordon McKusick, Dexter; Donald McLaughlin, Bangor; Evelyn Meyer, Milford; Robert Millington, Niagara Falls, New York; Richard Morrison, Bar Harbor; Gene Nardi, Winterport, Linwood Perkins, Bradley; Donna Poulin, Rockland; Mrs. Judith Southard, Bangor; Marshall Stern, Bangor; Walter Sweet, Bar Harbor; Benjamin Welch, Jr., Bangor; David Wells, Kennebunk; Harry Willey, Jr., Carmel; David Yost, W. Farmington.

Roving Reporter

In this publication of the Ledger, the roving reporter calls on a transfer student, John Guptill.

Mr. Guptill, a native of Auburn, Maine, attended Bates College for one semester, and is a graduate of Auburn Maine School of Commerce. He is now a member of the senior class here at Husson, and will graduate in June with a B. S. degree in Business Education.

While in the Navy, John graduated from the Navy School of Music in Washington, D. C., and then traveled with the Navy Band. They held engagements in cities such as Chicago, New York, Washington, and even performed in Newfoundland. After being discharged from the service, he traveled with the Billy May Band before entering Bates. At present, John plays the drums in Al Corey's Band.

When asked about Husson, Mr. Guptill replied: "I enjoy going here very much, and think that Husson has a particularly good faculty."

Best of Luck, John!

John Guptill

V. A.

Approximately 7,780 veterans and dependents in Maine will be offered a choice between the old and new pension system, Myles P. Cronkite, Officer-in-Charge, Veterans Administration Office, Bangor, announced today.

These veterans and dependents are those already on the pension rolls and are currently receiving pension checks.

Under provisions of the new law, they may continue to receive their present pension payments. If they do, they are subject to the regulations and income limits of the present system.

Should they choose to come under the new pension law, however, their payments will be regulated by the provisions of the new law, Mr. Cronkite said.

Mr. Cronkite pointed out that once a choice has been made to come under the new pension law, it can not be changed. The pension recipient can never return to the system established by the present law.

On the other hand, he added there is no necessity to make a quick choice between old and new laws. There is no deadline for decison and pension recipients may continue to receive present payments as long as they are eligible.

All pension recipients will receive in the mail with their next pension check (March 1), a pamphlet explaining the choice and giving full particuars on both the old and new laws. Instructions for filling out a card to signify their choice will also be enclosed.

Any information about the old or new pension laws may be obtained at the nearest VA Office, Mr. Cronkite said.

War Orphans, 14 years or older, with a mental or physical handicap, can obtain special restorative or vocational training supervised by the Veterans Administration under the War Orphans Education program, Myles P. Cronkite, Officer-in-Charge, Veterans Administration Office, 96 Harlow Street, Bangor, announced today.

VA's Vocational Rehabilitation Board must first select those eligible for such specialized training, when after investigation, that board decides it would be in the child's best interest. The agency's vocational counselors then determine the course of study and set up a separate and distinct program for each student.

Applicants for War Orphans Education generally must be between 18 and 23 years of age. Also, they either must have completed high school or have left school upon reaching compulsory school age.

War Orphans Education is for the sons and daughters of WW I, WW II, or Korean War veterans who died of service-connected causes. They may receive up to 36 months of schooling, with VA paying an allowance of up to $110 a month. Applications for specialized training should be accompanied by a statement showing the handicap.

Congratulations, Mrs. K.

BOONE'S LEGEND EARNS
ALL-AMERICAN HONORS

The 1958-59 edition of the Boone High School Legend, student yearbook, earned an All-American ranking, highest honor bestowed by the National Scholastic Press Assn. of the University of Minnesota, Legend Adviser *Mrs. Orissa Kingsbury* former Husson English teacher and Summer Session workshop teacher, 1960 Editor Barbara Geyer announced yesterday.

It previously won an A-plus rating from the National School Yearbook Assn.

J. D. Michael, 1959 Boone graduate, was editor and photographer of the prize-winning book, one of only six letterpress yearbooks from schools of 2,000 or more students to receive the national honor. The Legend received 5,560 points from NSPA. Judge Benjamin Allnut, with 5,300 points necessary for the top rank, NSPA Director Fred L. Kildown announced in a letter to the Legend staff.

All aspects of design, layout, photography, advertising, copywriting and editing were considered in the judging. Allnut commended the Boone yearbook: "Careful editing is the earmark of this publication."

Pictorial coverage in the academic section the book was rated "superior," and almost all other aspects of the book, whose theme was "Orlando's Lakes," were ranked "very good" or "excellent."

The yearbook also received bonus points from the judge for pictorial advertising adding to the appeal and interest of the book, the financial status of the book, and student work hours spent in preparing it for publication. Members of the Legend staff spent more than 1,600 hours after school working on the prize-winning annual.

CAN'T FOOL HIM

Young Butch, 7 years old, was taken to see his new baby brother.

"Ma!" he cried, "the kid ain't got no hair. It ain't even got no teeth. Ma—somebody has gypped us! It's an old baby!"

NEWS FROM OUR ALUMNI

FROM MOROCCO

December 17, 1959

Dear Miss Swan,

I am finally getting around to writing you. Please forgive me for not writing sooner.

How are you and the rest of the faculty? I was so sorry to hear that President Husson is in the hospital. I hope he is much better by now.

I like it in Morocco very much. It is a lot different from the States, but I consider it a wonderful experience to live in a foreign country for awhile.

The people are mostly Arabs and Berbers. The Arab women wear long robes, and wear veils over their faces. The Berber women do not wear veils, I don't believe. A lot of the men wear long robes also. Most of the people are very poor. It is the Arab people that live in the towns; whereas, the Berbers live mostly in the hills.

There are quite a few French people here also. Most of our neighbors are French. We do not live on the base.

The most common languages are Arabic and French. Arabic is a very difficult language to learn.

The Moroccan people are called Moslems. Their religion is Islamism or Mohammedanism. The Koran is their Bible.

Morocco's present ruler is King Mohammed V. He is 49 years old. His palace is located in a city called Rabat. We have seen him in a parade.

The people ride a lot of burros, bicycles, motor bicycles, and motor scooters. They also have cars, trucks, and buses, the same as in the states. We see a lot of small cars; mostly Volkswagons and Renaults.

Morocco is an agricultural country. They grow delicious fruits and vegetables. Most of the people do their plowing with camels, burros, horses, cows, etc. I've seen them plowing with a camel and a burro together, which was a funny sight. Once in a while we see a farmer who is fortunate enough to have a tractor.

The Moroccans are noted for their leather. They make beautiful leather products by hand. A few examples would be: hassocks, pocketbooks, and camel seats. They also make beautiful blankets, rugs, different furniture, and many, many more things.

As for the climate it gets extremely hot during the summer, with temperatures rising above 100 quite often. The winter is a rainy season. It is damp and cold.

We have been to a few places sightseeing. We have seen a lot of old Roman ruins. We have been to the King's Palace, but were unable to go inside.

I am enclosing some postcards. Perhaps you can get a better idea of what the people here look like from them better than from my writing.

I will close for now. If you have any spare time, please write to us. I would like to hear how everything is going at Husson.

By the way, President Eisenhower will be here in Morocco for about five hours on the 22nd. I would like to see him.

Please give my regards to President and Mrs. Husson and the rest of the faculty.

Sincerely,
Alane Corey Coombs

Dear Miss Swan,

Many thanks for sending me the Husson Ledger. I enjoyed reading about all the students and activities. It makes me wish that I were back again.

I would like to subscribe to the Ledger for the coming year, if it is not already too late to do so. Could you please let me know how much it would be so I can send you the payment soon.

I am busy working every day—have been since the 15th of June—as a clerk-stenographer at Loring Air Force Base. I like the job but wish I could have found something in the Medical Secretarial line, since I have studied for that. I have just had a week's vacation and it sure seemed nice to be able to sleep a little later in the morning.

Thanks again for the Ledger. Will be looking forward to hearing from you. I wish you, the rest of the faculty and students a very Merry Christmas and a wonderful New Year.

Sincerely,
Gloria Hjulstrom

Dear Friends

Well the first day is over. It was a busy day. A workshop was held from 9:00 to 4:30. The speakers were heads of the school and departmental heads. So much information was handed out that my head is in a swirl. Tomorrow the individual departments hold meetings and the Freshmen register. There are three days of orientation which consists of testing and interviews and finally the scheduling. The first classes will be held on Saturday. I am eagerly awaiting meeting the girls tomorrow.

My department (secretarial science) has four teachers. One of the teachers is ill and won't be in until the 28th. Until that time her classes will be taken by the rest of us. It is only one week so won't be too bad.

Kevin
Son of
Darthea Hubbard
Atkinson

My courses have been changed a little from what I expected. I am not going to have Med. Sec. except for this first week of classes. I shall be teaching Shorthand I, Typing I, Secretarial Practice, and Advance Shorthand and Transcription a double period. Wednesdays I do not have a class until 2:30. This is in the Advance Dictation and the class runs through to 4:20. This comes on Monday through Friday. On Tuesday, Thursday, and Saturday, I have 8:15 classes. Monday and Friday my day starts at 10:15. Actually I am teaching 26 clock hours. The Secretarial Dept. has the heaviest teaching load as far as hours go.

I left Dexter Thursday (September 10) on the morning train and arrived in Beverly about 5 P. M. My trunks arrived Friday afternoon, so by Saturday afternoon I was quite settled. Beverly is smaller than Bangor—not much but some smaller. It is a coastal town and is a

Chris and Susan
Children of
Barbara H.
Wheaton

pretty town. My apartment faces the ocean. On the right hand side of the house is a public park.

They have made a public beach in this park. About four blocks up the street is a large public beach with bath houses. Out at the college, which is on the ocean are two more beaches.

I sit at my table and watch the boats in the harbor while I eat.

Enough ramblin' for one day—more tomorrow.

Tuesday—Another day is done. The freshmen with families came today. This morning there was registration and coffee from 10-11 a.m. This afternoon from 2:30 to 4:30 there was tea. The foods lab took care of the refreshments. That is, it was prepared in the lab. Of course the girls aren't back yet. They had a few seniors back early to act as escorts, hostesses, waitresses and pourers of tea. The trays of cakes and cookies were beautiful. Coffee and tea were served.

Of all things to happen, the weatherman was against us and it has poured all day—not gently but in sheets, very dismal for the poor homesick kids.

Tomorrow we test all day. Kuder, ability (I Q), and in our department, a little typing and shorthand to see where the freshmen stand.

October 10—School is well underway. I enjoy my teaching. The courses are familiar and the kids are interesting. We have some characters—as always—some "students" will always take all the cuts allowed. My beginning Shorthand and Typing groups are very good but my advanced group is the poorest. It is time for Teachers' Convention and another Maine teacher (in the Dept.) and I commented on how we would like to see what was new in the book stalls.

The end of the page. I do like, so far.

Sincerely,
Marion McFarland

Dear Mr. Husson,

I received the Husson Ledger yesterday and read of your illness.

I was sorry to read such news and hope that you are gaining every day and will be back to school before too long.

Do you remember me—Annette Cutting?

I haven't been in Bangor for years, but keep in contact with several friends. Betty Ryan Benoit and I write to each other regularly, and I have seen her several times when she has visited Boston.

I think of the days when I attended Maine School of Commerce so often and they were such happy days. I hope some day to be able to visit Husson College. It must be a wonderful school.

I am very happily married. My husband is an electrical engineer with I. B. M.

We have three wonderful girls. Martha is 13, Nancy is 10 and Barbara is 6½ (I noticed in the last edition of the Ledger that you have three sons and grandsons).

I am thankful that my girls take after their father as far as their ability to do Math is concerned. Remember how terrified I was of that subject?

I want you to know that my thoughts are with you and hope that you will be able to be up and about again soon.

Please extend my best wishes to Mrs. Husson.

Most Sincerely,
Annette Cutting Scott

Dear Swan,

Jennings is a graduate student at Washington University here in St. Louis. He will receive his Doctor of Science degree in June, 1961.

We are fine now. In May Dana had a brain hemorrhage and it was "touch and go" for 8 days but he is perfectly normal and healthy now. I was hospitalized in October with meningitis.

Jen received a grant from the public health service which will finance his studies and is progressing well.

Bryce is also great!

Love,

Dear Miss Clark,

As for this "Old grad" since he graduated, the business world has been very kind. I am employed by Cadillac Motor Car Division of G. M. C. and have received a promotion to Senior Accountant, which is one step from first line management, in the one year there. I am now in the position of Special Assignments in the Product Cost Department doing detailed analysis of costing procedures and adaptations to I.B.M. equipment and forecasting all productive inventory balances for the Division. I am also in the process of continuing my Master's Degree program at the University of Detroit, which I left off at Michigan State University last year.

SPORTS

(Continued from page 3)

Union; Diane Hodgkins, Temple; Joan Arnold, Frye; Beverly Burrill, Belfast; Marguerite Cyr, Mt. Desert; Managers: Patricia Buck, Washburn; Helen Colby, Spruce Head; and Betty McNally, Bangor.

Members of the Cheerleading Squad honored were: Diane Allen, Sedgwick; Marjorie Cummings, LaGrange; Jane Craig, Ellsworth; Patricia Hunter, Benton; Phyllis Chase, Milo; Paula McQuire, Stonington; and Gail Henderson, Houlton.

Guests attending the banquet were Mr. James Wright, Miss Thelma Watson, Miss Priscilla Clark, Mrs. Howard Artus, Mrs. Ronald Geagan and Mrs. Paul Boardway.

Members of the teams were awarded letters and certificates for their participation in sports for this season. Special awards were made to the following:

Girls' Basketball

Husson College Scholarship, Jackie Artus
Coach's Cup, Diane Hodgkins
W. A. A. Sportsmanship Award, Joan Arnold
High Scorer, Jackie Artus

Boys' Varsity Basketball

Saul Harris Scholarship Award, Jack Scott
Nelson Degrasse Award, Donald Vachon
Coach's Cup, James McKay

ALUMNI

(Continued from page 5)

I personally feel that my education "stacks up" with all the grads that I have come in contact with and that includes quite a few colleges throughout the Mid-west. I think that Lou Peters and myself have made good showings and would be glad to give anyone information and possibly put in a "good word" for the grads coming up that would be interested in this part of the country.

Very truly yours,
James R. Goggin

February 15, 1960

Dear Mr. and Mrs. Lowe,

You've probably been wondering what in the world has happened to Pvt. Dow. (Pfc. in about 4 days). To tell you the truth, I've been waiting to accumulate a little news. But little has changed and little has happened since I saw you on Christmas leave.

Have been permanently assigned here at the Pentagon and am working with the File Procurement Section of the Security Branch of the Office of the Assistant Chief of Staff for Intelligence in MOS 960, which is the Army code for Security clerk. (Ran out of breath on that sentence!) This has proven to be very good duty thus far.

Am working a 36 hour week in a period of 4¼ days. Monday through Friday. Can't beat these hours, even in civilian life. Can't say so much for the pay though.

My Mother has been sending clippings and etc. of the Husson ball games and per usual I find Del and the gang continuing their winning ways. One of the clippings stated that on their last out-of-state trip they lost one game but didn't say to whom or what the score was. Could you give me this information? Looks as though one of the Aroostook County teams will be the big threat in class "L" this year. Presque Isle has been riding behind for quite a few years. I'll bet Bob and Mike are all smiles these days.

Am anxious to hear how the June graduates this year are making out in regard to jobs after graduation. Any of the fellows entering this man's Army? What about Bob Theriault?

When is the date of George Albert's wedding? Thought I might be coming home for leave around June but have decided to visit my brother and his wife in Georgia around Easter, so probably won't be home until sometime during mid-summer. Am also anxious to hear how "Chief" is doing. Did he go to Florida after he left the hospital?

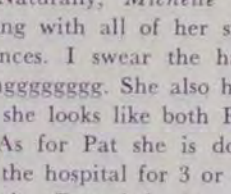

The weather here has been real nice with the exception of the past three days. Our first snow storm and believe me, these people do not know how to drive in snow or handle it. Not like We "Mainers".

Have been doing quite a bit of sightseeing the past few weeks. Probably the most interesting is the Smithsonian Institute. Will take the rest of my tour of duty here to begin to see it all.

Hope things are fine with you and Carl. Am anxious to hear from you again and hear of what's new around the campus.

Say hi to all for me and give my regards to Mr. Husson.

Sincerely,
Pvt. Dana Dow
Hq. Co. USA

January 29, 1960

Dear Mrs. Lowe,

. . . . And then there were three. Well, SHE'S here, and there is no doubt about there being a little French in her. She really looks the part. DOB was 27 January 60.

After a false alarm to the hospital (a 40 minute drive) the real thing came at 6:15 a. m. Pat was a mother and shortly after that I was told of my equally good fortune. All this talk about the expecting father doing a lot of floor walking is more poetry than truth; for having played a couple of ball games this week and staying up all night with Pat made me pretty tired and while sitting in the lobby I fell asleep. Besides, the lobby wasn't big enough to do much walking. Walter Reed Hospital doesn't furnish a waiting room for husbands.

If you, like everyone else, would like to know how it feels for me to be a father, all I can say is I don't know. I haven't been one long enough. In fact I doubt if it will be really "sunk" in for a while. I was married a half a year before I got the feeling I was in that status. So maybe later I'll have a few comments to make to the press.

Naturally, *Michelle Lynn* is a cute little thing with all of her six pounds and fourteen ounces. I swear the hair on her head is 6" longgggggggg. She also has a dimple in her chin as she looks like both Pat and I.

As for Pat she is doing fine. She will stay in the hospital for 3 or 4 days. I'm taking next week off to help her. We also are going to move into a place with a little more room (and, of course, a little bigger rent bill) next week. This set up has served its purpose; but we need some space to move in and most of all a little privacy. Living in a private home might be O. K. for someone who isn't home very much; but I've got a feeling we'll need to stay home for one reason or another. Ha ha. I don't mean to say we haven't been staying home; what else can you do on Army pay!

One year in and one to go. If the next one goes as fast as the first, I'll never miss the time. Two years in this man's outfit can be pretty short if you're as busy as they keep me.

I wish I had some news to report from Gary; but, unfortunately, I get just a little more mail from him than I do from the White House, I never hear from Ike. I have received a few letters from Wayne (Butch) Wadman and he and Nancy are expecting another addition real soon. He would like to teach in Connecticut next year.

Snow has yet to be one of our unmixed blessings. I would have loved to have had some for Christmas, but right now I do O.K. without it. Very seldom is it cold enough for more than a light jacket. I usually walk to work in the uniform I work in all day and nothing more. That's the New Army Green uniform I am speaking of that I displayed for the campus when I was home on leave last winter.

Tom Welch dropped in on us a couple of weeks ago. He and a friend were on their way to tour Florida. I just recently received a card saying they had landed in good order. He has a 1954 Olds 98 equipped with an air conditioning unit to make the journey more pleasant.

Here at the school of music, we are devoting our efforts to an All Eastern Band Clinic which is attended by all the big shots of military and civilian status. It's quite a Pow-wow that lasts two days. I have the unpleasant job of being Charge-of-Quarters one of those days, which will mean 1001 visitors.

I see I'm getting derogoratory about the Army again, so, it's time I said so long for now . . . I just said it.

John Rioux
1402 T St. S. E.
Washington 20, D. C.

CHIEF WRITES

Dear Clara:

Report to date:

1. Weather foul. Yesterday, February 3, first day in sun and warmth since arrival. It was 79° and sunny with blue skies. I turned 13 shades of red, leaving 126 more to go to get that "Florida tan."
2. Have gathered many shells. Keep a shelf open for your share. They are pretty, and interesting. Your "turkey wing" is very attractive.
3. When we arrived the flowers from 157 Park Street were waiting for us. Dorothy cried, and my heart turned over. We love Bangor, didn't want to leave it, and we are only now getting over our homesickness. It's hard to rest. It's an art to do nothing and do it every day. I'm not fighting it, but it's a strange way of life.
4. The doctor at Ft. Myers said I was doing well. I have gained no weight, still 157 lbs.—significant? Medication remains the same, but, by some queer quirk, my cholesterol count is at 334 and it must be reduced to 225. It isn't going to be done in a day.
5. Set a bait trap for the Husson College night intruder. Or a burglar alarm. Leave a Pepsi and a sandwich for him each night.
6. Read of the banquet and graduation. Many thanks for your contribution to my return to health. With you and Priscilla helping so ably, I can sleep nights. I am indeed rich with friends and employees of such high and rare quality.
7. Paul is working in Ft. Myers and likes the climate but hates the state economy and barred doors to 19 year olds. Too many jobs closed to him. His chum, Terry Averill is 21 and had no difficulty finding a good job.
8. Send me Dr. Whittaker's mailing address. I want to thank him via a card for graduation.
9. I'd like the names of all faculty children over four years of age. (Shells) Younger tots would not appreciate my back-breaking toil, and Dorothy's, in picking them. Lots of walking involved.
10. How's the weather? One night last week Caribou was the coldest spot in the nation. My transistor is working nicely. We have one TV station, Robin Hood, Three Years with the F.B.I., Harbor Command, all the oldies. We read and radio.
11. Our car has been kicking up. Right now it is in Bonita (6 miles from Val Halla) with starter trouble. Always something.
12. Al and Anne Bownan flew to Naples in their plane, and we had lunch with them. Anne looks fine. Al weighs 200 lbs. but carries it well. It was good to see them.
13. This 1600 calorie diet keeps my ribs showing The noon nap is an ordeal, but those are the orders. Actually I feel as good as I ever

(Continued on page 7)

CHIEF LEAVES FOR FLORIDA

FROM THE CHIEF

(Continued from page 6)

did. Send a check rein.

14. The numbers and this stationery give me a "homey feeling."

15. Dr. MacDougall and his Mrs. are taking us out in his boat today. They couldn't be any nicer to us than they have since our arrival. He has survived four heart attacks. We laugh at our meals. Celery, lettuce, tomatoes, no butter, pork, ham, milk, etc.

16. Each day that I awake I know to be a pure gift. As such I must be thankful and enjoy it to the full. With folks like you to help it's a great comfort, and a treasure.

17. Write a line when you have a moment.

Sincerely always,
Chief "Cardiac"

ETE

Feudin', Fussin', and a Fightin'

Epsilon Tau Epsilon and Delta Sigma Delta Chapters of Pi Rho Zeta International Sorority of Husson College presented a show, *"Make Mine Western Style"*, Thursday evening, March 3, 1960 at 8 P. M. in the Husson College Gymnasium.

The show included many of the old western songs featuring the 40-voice chorus. A variety of specialty acts was also included in the program. The following were featured in the specialty acts: Gail Joseph of Waterville, doing an interpretive dance while the chorus sings "Buttons and Bows"; Cary and Jean Murphy of Millinocket singing "Your Cheating Heart"; Martyn Vanwart, a professional square dance caller; Marjorie Cummings of LaGrange imitating "Minnie Pearl"; Georgann Guidmore of Bangor singing "Desert Song"; Emily Richard of North Vassalboro imitating Charlie Weaver; Patricia Curtis and Carolyn Goodridge of Newport singing "Have I Told You Lately" and "Are You Teasing Me"; Jane Craig of Ellsworth and Gail Joseph of Waterville doing an Indian Dance; and Annette and Yvette Sirois of Bangor with a duet, "Dixie Melody".

Mudge (Minnie Pearl) Cummings

The following members served on the committees: Distribution of Tickets, Peggy Brewer of Washburn and Jane Mahan of Millinocket; Advertising, Brenda Towle of East Corinth, Gail Henderson of Houlton and Marjorie Cummings of LaGrange; Ticket Sellers, Ruth Sperrey of Perham and Joyce Ryder of Bangor; Ticket Collectors, Elizabeth McNally of Bangor and Christine Demko of Madison; and Ushers, Jean Shumway of Bath, Barbara Willett of Orono, Lynn Clark of Machias; and Mary Ann Hachey of Waterville. Programs were prepared by Marie Black of Brewer and Cynthia Walton of Bangor.

The announcer for the show was Patricia Buck of Washburn and pianist was William J. Cupp, Directors were Miss Mildred Bradford and Miss Patricia Robbins. Those featured in the chorus were: Ann Ladner, Presque Isle; Jane Craig, Ellsworth; Peggy Dill, Springfield; Phyllis Chase, Milo; Jeannette Smith, Bangor; Sandra Wark, Belfast; Dorcas Jones, Warren; Gail Joseph, Waterville; Carol Fowler, Brooksville; Simone Levesque, Frenchville; Janice Brown, Bangor; Susan Hicks, Eastport; Marjorie Gerow, Island Falls; Dorothy Luce, Kingfield; Suzanne Tufts, Kingfield; Charlotte Turner, Orrington; Janice Day, New Sharon; Marie Black, Brewer; Cynthia Walton, Bangor; Sandra Shaw, Old Town; Elaine Goodwin, Madison; Dolores Renault, Auburn; Rosalie Green, Dover-Foxcroft; Marjorie Cummings, LaGrange; Jane Mahan, Millinocket; Diane Allen, Sedgwick; Helen Colby, Spruce Head; Janis Sprague, Swans Island; Karen Crocker, Lincoln; Joyce Beaulieu, Veazie; Carolyn Clark, Fort Fairfield; Barbara Fickett, Orono; Mavis Churchill, Washburn; Doris Stone, Brewer; Lois Brown, Bangor; Barbara Stevens, Oakland; and Sally Sandstrom, Rangely.

TO BOSTON

Epsilon Tau Epsilon Sorority members and faculty left by B & A bus for Boston on Friday, February 19 at noontime. Clark Crane drove the bus in the worst storm of the year. It was a wild and woolly trip from Bangor to New Hampshire. In New Hampshire there was plenty of rain. After plowing through snowdrifts feet high, it was a pleasant sound. A New Hampshire school teacher ran into the side of the bus as she met it. No one hurt, no damage to the bus and just a little to the teacher's car. Everyone woke up suddenly from their sleep.

We had a time getting fed on the pike as the operator of the Howard Johnson restaurant was alone except for a short-order cook. We filled the place and took turns. Janie Mahan ordered two hamburgs, two cokes, two desserts for herself! Imagine! Think someone helped her out!

Upon arriving in Boston, the folks were assigned to three suites. Cummings, Allen, Green, Mahan, Bailey, Henderson and Goodwin bunked together. "Angel" Cummings was held responsible for the behavior and antics of this room. The seniors, Day, Turner, Roundy, Crory, along with Mrs. Day and Ellen Severence roomed together. The gals of the faculty with Mrs. Kinney to proctor them, occupied the third suite.

The kids all decided to go out to eat and go to a movie. The faculty dined at Steuben's. The steak is really good there. They decided to shortsheet all beds in the other two suites. Each group thought the other responsible that night but got together the next day and realized that there was only one guilty group—the faculty.

Saturday, Clark, Watson, Brad and Swan went by subway to Belmont Jr. High School to see the All-Star team of sixth graders play the city league winner in basketball (girls!). Jeannie Husson, Uncle Chesley's niece, was playing for the All-Stars. The All-Stars won with Jeannie scoring eight points. The score of the game was 14 to 8. All others hit for downtown and the shops. After the sojourn to the suburbs, the faculty went shopping too. Tired feet and aching backs were in vogue Saturday night.

The faculty and girls migrated by taxi to the Smorgasbord for a real fine feed. Some made three trips around the table of food!

ETE INITIATES FRESHMEN

During the evening, girls attended plays, movies, and just plain raised the roof at the Touraine. "Look Homeward, Angel," with Miriam Hopkins and "The Tumbler" with Charleton Heston were the stage plays. "Ben Hur" was an outstanding movie.

Saturday night the faculty returned to their quarters, only to find that gremlins (ETE'ers) had been there. Short-sheeted beds, P. J.'s all tied in knots and hidden, loaded cigarettes, no sheets, etc., seemed to be in vogue. Three alarm clocks were located under beds! (There is still one unclaimed in Swan's office). All in all, the faculty enjoyed their treasure hunt. That night most of the group joined the faculty and finally at 2:30 a.m. they returned.

Sunday morning church was the first of the day. The Cinerama was of the South Sea Islands and grand. Sunday Watson, Kinney, Brad and Swan ate enough of Bridgham's sundaes to last another year. Cummings and Green spent the afternoon eating the "MISTAKES" of the countermen!

All of us went to the Ice Follies; seats were excellent and the show was better than ever. Popcorn, ice cream and pop filled everyone up. The laugh of the evening was Miss Swan's cousin lighting a loaded cigarette on the way out. He thought Miss Bradford had handed him the cigarette on purpose. Wonder why some special ones from Husson laughed so hard!

After the Follies we counted noses on the bus, headed for Maine. We all slept except Mrs. Kinney, who kept her eye on us all.

The alarm-clock mystery was solved. R. Green, E. Goodwin, and Gail Henderson called by for *their* clocks.

This was a good trip!

ETE has had a busy time since the last publication of the *Ledger*.

Over Washington's Birthday weekend, 19 of us took a trip to Boston. We went by chartered bus Friday noon, February 19, and arrived in Boston at 7:30 p.m. that evening. We visited such places as Durgin Park, Prince Spaghetti House, the Smorgasbord, and the Ice Follies.

Some of the gang rode the subways most of the time. We had some interesting experiences with short-sheeted beds and alarm clocks. Some

(Continued on page 8)

DSD

Delta Sigma Delta have recently installed their newly-elected officers for the year as follows: President, Cynthia Walton, Bangor; Vice President, Jane Craig, Ellsworth; Secretary, Marie Black, Brewer; Corresponding Secretary, Sharon Bell, Gardiner; Treasurer, Gail Joseph, Waterville; Student Council Representative, Peggy Brewer, Washburn; and Parliamentarian, Susan Bell, Bangor.

March 3, the members of Delta Sigma Delta combined with members of Epsilon Tau Epsilon to present a western musical "Make Mine Western Style," which was very successful, thanks to Miss Robbins, Miss Swan, and Miss Bradford.

A come-as-you-are party has been planned for the next meeting, which should create a few surprises. Plans are also being made for a combined Delta Sigma Delta and Epsilon Tau Epsilon Mother-Father-Daughter Banquet, which will be held on April 1 at the Pilots Grill. This banquet will give the girls an excellent opportunity to meet each other's parents.

DELTA SIGMA DELTA SORORITY

E. T. E.

(Continued from page 7)

of our crowd left their mark on Brigham's Ice Cream and Candy Shop. They really liked the Hot Fudge Sundaes.

We arrived back in Bangor at 4:30 a. m. Monday morning, tired but thinking it was all worthwhile.

Our musical, "Make Mine Western Style," which we had March 3 went over with a big "bang" thanks to Miss Swan and her pistol. We sang a lot of the old western favorites and had a wide variety of specialty acts including square dancers, duets, solos, Indian dancers, Charlie Weaver, and of course, Minnie Pearl. Mudge was really good and probably will go a long way in her *dancing* career.

The next thing on our agenda is the Mother-Father-Daughter Banquet which will be held on April 1 at Pilots Grill. Each girl is to invite her Mother and Father to a meal at her expense. The banquet is held on the night before spring vacation so that the girls can have a ride home right after it is over. Reverend Dartnell is going to speak after dinner

ETE has a few other things planned for the rest of the year, among them of course is the May Ball. We also plan to take a weekend camping trip if things go well.

STUDENT COUNCIL

The Student Council is getting ready to begin a busy season. It will soon be time for awards to be made, a banquet to be planned along with many, many other things. One of the main items on the list is Chief-For-A-Day which will be held in April. Candidates will be chosen by the student body and then voted on at a later date after the boys and their secretaries have had time to carry on a campaign.

A project committee has been set up in order to organize ideas for projects that the Council may take on for the bettering of the school. A suggestion box has also been placed in the Student Store to enable students to aid in giving the Council ideas as to what the school would like to see done or changes made.

Richard Southard was recently elected as Assistant Secretary to fill the vacancy of Secretary Janice Day while she is out doing her practice teaching. Dick is doing a real fine job.

New members have been added to the Council. They are as follows: Leo Loiselle, Cynthia Craft, Cliff Rand, Lynn Clark, Barbara Stevens, Philip Inforati, Richard Crandall, Frederic Astle, Richard Harnum, Sharon Bell, Susan Bell, Mary Ann Hachey, Michael Mullins. We hope these new members enjoy their membership in the Council.

The Council wishes to remind students that the Student Council Loan Fund is still in effect and anyone wishing aid financially may apply to the Council for an application blank. President Dean Neal or Vice President John Connor will gladly talk to students that are interested.

This is all the news we have for this issue of the Ledger. The next issue will have more news as there will be the results of the Chief-For-A-Day election and many more Spring activities.

Loan Committee

STUDENT LOAN

The Student Council would like to bring to the attention of students the availability of the Student Loan Fund. This fund is set up to assist students needing financial assistance to meet school expenses. A student may borrow up to $200 from the fund.

Any student wishing to borrow money may obtain an application from Mr. Tyler or from the following members of the Student Loan Committee: John Conner, Leo Loiselle, Sandra Shaw, Richard Martin, Ronald Willette, Philip Inforati.

MEX

The annual Christmas Ball was hailed a success by Mu Sigma Chi. Lou Pearson's Orchestra played an excellent array of music to a capacity audience. All in all the decorative scheme blended well with the season of Christmas. Not to be forgotten: Mr. Pelletier's inception of a new Bolshevik dance—"Bunny Hop."

The following were elected as officers for the years 1960-1961: Bob Hart, Frank Ackley, Terence Duffy, Roger Furbish, Dean Neal, Dick Pelletier, Carl Dunn, Don Vachon, Bob Ronan, John Simpson, and Charles Feck.

A farewell outing for the January graduates was held at the Orrington Grange Hall, January 26. Lou Albert and George Dyer who were to paraphrase the expression, "The Rock of Gibraltar" to the fraternity, arranged, prepared, and served the supper.

On April 14, 1960 the Mu Sigma Chi Fraternity will present the annual minstrel show. Under the auspices of Terrence Coyne the show will consist of specialties, endmen acts, and some surprise innovations. This show, to be known as "Minstrel in Retrospect," will insure you a memorable evening of enjoyment.

The "going national committee," now headed by Bob Chandler has progressed rapidly and is now able to see a conceivable end. Many of the fraternities to which correspondence was sent, responded very favorably. It is very possible that within the near future Mu Sigma Chi will have become nationalized.

BOB HART
President

Once again Mu Sigma Chi posts a winner with its 3rd annual Minstrel Show upcoming on April 14. An all-new show, "A Minstrel in Retrospect," brings back the days of the Mississippi show boats and vaudeville talents. Such greats as Lew Dockstader, Evans, Al Jolson are very well depicted by inschool and off-campus talent.

Girls, songs, comedy and jazz make up one of the best attractions. Hussonites have an opportunity to witness throughout the school year. I am sure you will feel your entrance fee well invested when the State of Maine Apple Queen, Miss Terry Bowden, swings into song as one of the show's highlights. Also when Bill Libby, one of the areas best minstrels, takes it from the top on "Brother Lo' Down."

So why not make it a family date and bring Mom and Dad on Thursday, April 14, to catch "A Minstrel in Retrospect" presented by Mu Sigma Chi Fraternity.

OPEN LETTER TO ALUMNI OF MU SIGMA CHI FRATERNITY

This has been a good year for Mu Sigma Chi. The interest and participation of the members has never been better.

This year we have started the machinery rolling to become affiliated with a national Fraternity and at the present have under consideration ten nationals that are of particular interest to us. The actual affiliation should take place sometime in the late spring or early fall of this year.

In addition to affiliation, the possibility of securing a Frat House for next fall is under consideration.

We invite all alumni of MEX to participate in these important decisions. Please contact the Fraternity for more information about our plans.

Sincerely yours,
Robert G. Hart, President
Mu Sigma Chi

KDP

On October 13, 1959 the first fall meeting was held at the home of Mr. James Wright, Chapter Adviser. At this meeting, plans were made to hold a spaghetti supper for the purpose of getting acquainted with prospective members. This get-acquainted supper was held on November 1, at the Orrington Grange Hall. The food was delicious and both members and guests enjoyed a wonderful evening.

A very successful rummage sale was held at the Bangor House on December 5. In fact, this sale was so successful that plans are being made to hold another sale in the early spring.

An informal party was held on December 13, for this year's pledges. On January 7, 1960, the following were formally initiated into the Fraternity, Ronald McReavy, Edward Youngblood, Paul Foster, Ronald Willette, Alston Wildes, Alvin Trask, and Donald Paul.

Due to the fact that some of the officers were going on student-teaching assignments, an election was held to fill the following offices: Vice-President, Jim Cyr; Treasurer, Alvin Trask; and Historian, Ronald Willette.

As this edition of the Ledger goes to press, the members of Lambda Chapter, Kappa Delta Phi, are looking forward in great anticipation to the 55th Annual National Convention of Kappa Delta Phi which will be held in Bangor on April 22, 23, and 24.

HOW TRUE

Professor: "What can you tell me about the great chemists of the 17th century?"

Student: "They're all dead, sir."

SOPHOMORES RECEIVE JACKETS

CLASS OF 1960

Thursday evening, February 25, 1960, the freshman class at Husson College held a Beatnik Hop in the Husson College Gymnasium from 8-12 P. M. Admission was 85¢ per couple and 60¢ single. Everyone wore their best beatnik clothes. Music was furnished by Bill Stetson's Orchestra. The following freshmen were on the planning committee: Howard Sanzone, Hampden, Connecticut; Mary Jane Bruce, Norridgewock; and Richard Shaw, Unity.

PRACTICE TEACHERS

Husson Seniors in Education are teaching at various high schools. They are spread from the east coast (Calais) to the border of New Hampshire (Berwick). Needless to say, they are all enjoying this phase of their education this year. Of course, there are problems and correcting of papers. I believe it is time for us all to recognize the fact that there is much work outside the classroom in order to be prepared for the next day in the classroom.

Following is a list of Seniors — schools — teachers:

Norman Babb—Calais Memorial High School
Robert Sherman—Calais Memorial High School
Julia Randall Smith (46)
Eugene Babineau—Mattanawcook Academy
Letitia Smith Clay (34)
Paul Foster—Schenck High School
Emmett Stevens (48)
Peter Briggs—Brewer High School
Woodrow Bailey (37)
Frances Akerley—Brewer High School
Ruth Wishart (47)
Ronald Philbrook—Brewer High School
William Booker (55)
Audrey Johnson Geagan (57)
Janice Day—John Bapst High School
Thelma Sennett Vining (56)
Patricia Crory—John Bapst High School
Sister Mary Pius
David Edes—Bangor High School
Donald Drossel
Ronald Bishop—Bangor High School
Mrs. Janice Burton
Charlotte Turner—Bangor High School
Mrs. Dorothy Lord
Mitchell Descoteaux—John Bapst High School
Brother Linus
Gary Seavey—Bangor High School
Ivie Mann
William Cluff—Winslow High School
Better Chandler (53)
Landon Reynolds—Waterville High School
Mary Jules (33)
Ralph Mahar—Berwick High School
Dorothy Crane (54)
Earl Libby—Eliot High School
Priscilla Ingraham (56)
Beverly Govone—Foxcroft Academy
Phyllis Hatch Wiley (45)
Elaine Roundy—Milo High School
Philip Gerow (56)
Richard Parlee—Dexter High School
Jeanette Grindle (55)
Louis Albert—Crosby High School
Marietta Packard Welch (55)
Glen McDougal—Carmel High School
Ernest Starbird (56)

January 7, 1960

Critic Teachers' Workshop

A workshop for critic teachers in business education will be held at Husson College, Saturday, January 9.

High school teachers of business education subjects will participate in panel discussions. Mrs. Janice Burton, Mrs. Dorothy Lord, Mr. Ivie Mann, and Mr. Donald Drossell of the Business Education Department of Bangor High School will be group leaders. Other members of the discussion groups will include: Miss Jeannette Grindle, Mr. Philip Gerow, Miss Mary Jules, Mr. William Booker, Mrs. Thelma Vining, Mrs. Phyllis Wiley, Miss Ruth Wishart, Mrs. Marietta Packard, Brother Linus, Mr. Emmett Stevens, Mr. Ernest Starbird, Miss Dorothy Crane, Mr. Woodrow Bailey, and Mrs. Priscilla Ingraham.

Those attending the workshop will be: Mrs. Janice Burton, Bangor High School; Mrs. Dorothy Lord, Bangor High School; Mr. Donald Drossell, Bangor High School; Mr. Ivie Mann, Bangor High School; Sister Mary Pius, John Bapst High School; Mrs. Thelma Vining, John Bapst High School; Brother Linus, John Bapst High School; Mr. William Booker, Brewer High School; Miss Ruth Wishart, Brewer High School; Mrs. Audrey Geagan, Brewer High School; Mr. William Bailey, Brewer High School; Mrs. Phyllis Wiley, Foxcroft Academy; Mrs. Marietta Packard, Crosby High School; Mr. Ernest Starbird, Carmel High School; Miss Mary Fleming, Calais High School; Mrs. Julia Smith, Calais High School; Mr. Emmett Stevens, Schenck High School; Miss Jeannette Grindle, Dexter High School; Miss Cecelia Chandler, Winslow High School; Mr. Philip Gerow, Milo High School; Miss Mary Jules, Waterville High School; Mrs. Letetia Clay, Mattanawcook Academy; Mrs. Priscilla Ingraham, Eliot High School; and Miss Dorothy Crane, Berwick Academy. Mrs. Louise B. Miller of Husson College is the general chairman of the workshop.

The panel discussion will be followed by a general question-answer period.

The members of the Husson College Business Education Department who will be participating in the cadet teaching program will have an opportunity to meet their critic teachers at a tea following the workshop. These cadet teachers are: Louis Albert, Presque Isle; Frances Akerley, Farmington; Norman Babb, Calais; Eugene Babineau, Lincoln; Ronald Bishop, Bangor; Peter Briggs, Brewer; William Cluff, Waterville; Patricia Crory, Presque Isle; Janice Day, New Sharon; Mitchell Descoteaux, Biddeford; David Edes, Bangor; Ralph Fortier, East Corinth; Paul Foster, Howland; Beverly Govone, Forestdale, Massachusetts; Earl Libby, Westbrook; Ralph Mahar, Woodland; Glendon McDougal, Pittsfield; Landon Reynolds, Winslow; Elaine Roundy, Benton; Gary Seavey, Rockland; Robert Sherman, Unity; Charlotte Turner, Eddington; Richard Parlee, Newport; and Ronald Philbrook, Belfast.

CHIEF'S LETTER TO JANUARY SENIORS

Dear Friends:

It is with considerable regret that I cannot be with you on this happy and important event in your lives. For many years I have looked forward to each graduation exercise with anticipation and great personal pride, knowing that our college on each such occasion makes a worthwhile contribution to our society by pouring new blood into industry, commerce, and education. It has been good new blood because we have always worked together, student and instructor, to reach the summit of achievement via the roads and paths of devotion to tasks, and the dedication of effort to purposeful living.

I compliment each of you upon reaching the goal that you set for yourselves four years ago. It is hard to believe that time passes so quickly and that you are now ready to accept the challenge of actual employment in the areas for which you have been making preparation. Your rewards will be many, I know, for you have proven during your stay with us that you have the qualities upon which promotion can and will be built. The world applauds character and industry, and these have been our goals together as we worked for academic advancement in the classroom.

The college is proud tonight to add your names to the growing list of Husson College alumni. I have great confidence in you, and know that you will be a credit to that list and to yourselves and families. On that happy assurance I extend the hand of fellowship and friendship through the good offices of our Executive Director, Miss Swan.

Mrs. Husson and I want to hear from each of you the moment your employment begins. Miss Swan will forward all mail addressed to the college, and we can then send our congratulations and good wishes to you individually. I will miss you when I return, but I hope, with God's care and guidance, that our paths will cross often in the days ahead. I ask His blessing tonight on the events that transpire here and for the promises of tomorrow as you forsake the classroom for the world outside. May your stay in the Husson "family" remain forever a pleasant memory.

Goodbye, good luck, and happy landing.

Cordially,

Chesley H. Husson, Sr.

President

Ed Muzzy and His Moosehead "Minnies"

("Chief" take note)

DEGREES

Bachelor of Science in Accounting: Ronald Morris Byers, Hermon; Edward Henry Cramer, Bangor; Elwood Gerald Martin, Bangor.

Bachelor of Science in Business Administration: Robert Walter Crane, Bangor; George Marvin Dyer, Brewer; Robert Hall Good, Hampden; Robert William Mann, Brewer; Richard Harrison Moody, Lincoln; Dale Marshall Neal, Lincoln; Alan Lauriston Smith, New Vineyard; John Joseph Somers, Ellsworth; David Leavitt Young, Bar Harbor.

DIPLOMAS

Department of Business Administration: Two Years—Kenneth Howard Ponkala, Monson.

Department of Secretarial Science: Junior Secretarial—Beverly Natelle Burrill, Winterport. Shorthand Clerical—Janet A. Hanson, Brewer. Typewriting Clerical—Janice Hall Dorr, Thomaston.

JANUARY GRADUATES

From:

Husson College
157 Park Street
Bangor, Maine

To:

With the Faculty

No. 1 Man, "The Chief," is vacationing in Florida. He is coming fine. He sent home shells and coral to the faculty children and faculty members. He lives on grass roots and shrimp! President Husson's address is Val Halla, Bonita Springs, Florida.

Del Merrill has just won another Northeast College Conference Crown. This is Husson's fifth championship. Del and the boys have done mighty well. Del has been on TV this season. He was one of the two officials for the Calais-Bar Harbor final (overtime) for the M school championship. He also refereed the state final between Mt. Desert and Kingfield.

John Tyler is continuing work for his Master's degree at Maine. In August John will receive his degree. His Economics and Law classes are large this year. The sophomore class is large and causes the extra load. He is keeping his hand in the extra-curricular program by supervising the Student Council.

Jim Wright is studying at Maine this semester also. He is working for his Post-Master's Certificate. The certification comes after one has completed thirty hours of study beyond the Master's degree. If you are looking for Jim off-school hours, you will find him keeping books for Don Dorr's father, teaching at Dow Air Force Base or baby-sitting his three sons!

Ed Lebrun is still house-building and settling. A new apartment has been made over his garage so that he now has a three-apartment house to rent. His new home is most modern and large enough for a gentleman farmer. It is beautifully decorated and the kitchen has all the modern conveniences. According to Ed, the electric dishwasher is the most valuable!

Bill Donahue is in the throes of Income Taxes. His office at home is a mighty busy place. A Husson student, Robert Ronan is in his employ. Of course, Bill is allergic to all these big snow storms and wishes he were in Florida with the Chief.

Bill Curran is teaching an Economics course for the Eastern Trust and Banking Company's employees. Bill is also the new Educational Adviser at Dow Air Force Base. Daughter Cathy visits school real often. She comes down to teach the boys how to read and write. She's three!

Chesley Husson, Jr. is busy with his evening sessions at Dow. The program keeps many faculty members busy. Chesley has found hard traveling between his home in Hampden and the College during these big storms. His Plymouth can't seem to jump the drifts that pile up in Hampden.

Dick Norton is still radioing and TV'ing. His weather predictions are not so well received as they might be because, for the most part, they are about bad weather. He entertains the "Husson Intellectuals" real often. His Dramatic Club is getting ready to produce a three-act play.

Bud Foss is wrestling with the blackboard in his Law classes. His advanced Law classes are FULL! He is getting his fishing gear ready for spring and has a dreamy look in his eye. The big fish better watch out when Bud is on the lakes and streams.

Howard Foley makes his daily trip up the hill to Husson. He eats his lunch here and then goes to History, American Government or Law. His contribution to the Husson program has been well received. Howard manages to down two Italian sandwiches, two bottles of milk and a little extra each noon. Must be that he's a growing man! He and Mrs. Foley are the proud parents of a new baby daughter, Mary Jo.

Ed Carroll is busy with an intramural program in basketball. The boys are working hard to come up with an Intramural Champ. Rumor has it that Volley Ball will be the next Intramural sport. He is teaching a DAB and, also, trying to complete off-campus credits toward his Master's at the University of Minnesota.

Mrs. Muriel Sanford, our Librarian, gave birth to a baby daughter, Nancy Ann. This is the first child for Muriel and John. The faculty wives and female faculty members held a baby shower at the home of Mrs. Lindberg. All had a good time.

Patty Robbins knows it's spring. Time is getting closer and closer. She walks on air; her eyes shine and she can hardly wait 'till school closes and she marches down the aisle of the Hammond Street Congregational Church. Patty will be tops as a minister's wife. She has all the social and mental attributes needed for a most difficult career as wife, mother, and adviser to all the ladies of the parish. She is marrying Reverend Dale True of Springfield, Maine.

"L. B." Miller is in the murky depths of the 1960 edition of the school yearbook. She and her S.E.A. cohorts are putting in many extra hours at school and at her home to get an excellent momento to each of you. She is visiting her practice teachers in the nearby areas.

Janet Kinney has completed a most successful basketball season. Her girls won eleven of fourteen games. Her W. A. A. has started bowling at the Bowl-Mor lanes and swimming at the Y. M. C. A. pool. She recently spent the weekend in Boston with her Mother and the Sorority. Gossip has it that she expected to wear her Mother out but her Mother beat her! Mrs. Kinney went to work at 8:30 A. M. after arriving from Boston at 5:00 A. M. and Miss Kinney didn't get in any extra cat-naps, either!

"Brad" is busy getting the Sorority production *"Make Mine Western Style"* under way. It looks and sounds like a good show. Brad is teaching extra Machines classes this semester so that all folks desiring this course, required or not, may learn how to operate the various calculating, adding, bookkeeping machines. She is just waiting for the ice out signal at the Lake!

"Pay Your Bill or Get Off the Hill" Clark has been extra busy since President Husson left these portals. Clarkie is paymaster, and adviser to all. She keeps the Veterans safe in their programs and sees that they file properly so they may receive their money on time.

"T M" Watson is busy planning changes for the Typing Department, Teaching Colored Mimeographing and dreaming about weekends at Parks' Pond. She managed to get off her diet on her recent Boston trip. It seems that ice cream and Thelma are old friends. Did you know she is a movie fan? One day in Boston, starting at 12:30 noon, she went to "Suddenly, Last Summer", The Cinerama, "On the Beach" and at 8:00 P. M. ended up at the Ice Follies in Boston Garden. Can you top this?

"Swanee" has finished up a refereeing schedule; completed second semester registration and is now thinking in terms of commencement. Fishing and spring seem to crop up now and then and she hopes the fish bite harder and are bigger this year. She's ready. She has a collection of alarm clocks in her office (found underneath the faculty beds in Boston)! Owners may have them by identifying them. Swanee felt that the tree, bordering the French Street entrance, is in the way so she tried to knock it down with her Dodge one slippery morning. No one hurt, all surprised and the girls pushed her out of the deep snow.
Happy Birthday, Chief

The faculty, office force, Doug and Bob purchased a convertible top for the Chief's new boat. When he comes home, he can fish in the hot sun or the cold rain. A receipt was mailed to him in Florida.

SFS
Oberlin College

Saga Food Service, Inc.
Oberlin, Ohio
December 29, 1959

Mr. George Dyer
R. F. D. #3
South Brewer
Maine

Dear George

This letter will serve to confirm your employment by Saga Food Service in accordance with our recent discussion.

1. Your employment will start on Sunday, February 14, 1959.

2. You will begin at an annual rate of $5,500.00. You will be eligible to participate in our profit sharing program beginning July 1, 1960. Upon assignment to a unit where you have complete operational responsibility, as manager you become eligible for a rating by your supervisor. Promotion and future compensations are based on this rating. Ratings are reviewed by a board of several supervisors, and are subject to review by the Board of Directors.

3. You will be assigned to Oberlin College as Management Trainee.

4. Mr. Phil Ward and Mr. Jack Wood will be responsible for your orientation and training. This period of training to be at the discretion of Saga.

5. Saga assumes the responsibility for all reasonable moving expenses such as furniture, meals, automobile expenses. (For further details see Policy Manual, Page 12.)

6. Since you are beginning employment at the beginning of the second semester of the normal school year, you will be eligible for a minimum of three weeks vacation prior to September 1, 1960. Thereafter you will be eligible for a minimum of six weeks vacation per year, including the vacations at Christmas and in the Spring, which are a normal part of the school year.

7. Saga will provide $10,000.00 term life insurance within thirty (30) days from employment date. Cost of this policy to be paid by Saga. You will also be eligible to join our Hospitalization Plan.

I believe these are basically the points we covered. If you have any questions about them or about anything else, please feel free to contact me.

I am sure it will be a pleasure having you with us.

Sincerely,
Harry W. Anderson
Vice President
