HUSSON LEDGER

JUNE, 1960 | HUSSON COLLEGE, BANGOR, MAINE | VOLUME 36, NO. 4

Welcome Back, Chief—So Long, Seniors!

President's Column

As the year fast approaches its end, I find my thoughts funneling into one simple and single area, that of the close ties in the Husson "family." In particular I see and feel with a great pride, the warm friendship between the administration and student body. To me it is our college's greatest strength and its finest asset.

It was my ill fortune to be absent most of the year. I over-cut! Necessity then demanded that the Faculty Council assume full management, and to exercise executive powers. Its work was made easier by the full cooperation of the student body, and in my heart there is a warm thank you to all parties. Ours is a good school and no better proof is needed than this year's acid test of the total good will displayed in classrooms and corridors of our beloved institution.

Mrs. Husson and I returned from Florida with the stars of home in our eyes. We found out definitely and irrevocably that we were home folks and that our home was Maine, 369 Ohio Street, 157 Park Street, and Green Lake. It was our friends, our staff, our students, the air, the hills, the evergreens, and Maine lobster, no less. It was the many, many sparkles of the one gem—"home." We were two happy people when we arrived on the Maine turnpike and the scent of home assailed our nostrils.

The assembly on my return will be a treasured memory for the rest of my days. Your "welcome home" to the Hussons was so sincere and warm that I look in vain for words to express my feelings. The student body of 1960 has hallowed the ground on which we stand, and over which many generations will march with their hearts attuned to the way of life that you have created for them. They will know and feel the spirit that guided you while here, and their lives will be enriched by it. You reached out beyond yourselves and "gave," and the Lord looks with favor on those who give of themselves to make others happy. May His blessings forever rest upon you.

The school year has been an outstanding one. It was full of activity in and out of the classrooms. Honors and distinctions were won. There was a "busy-ness" that kept all hands occupied. Only the idle and the indifferent get into mischief, and there was a minimum of this problem. Once our goals are set we work to achieve them, and we are fortunate that the members of our student body, in an overwhelming majority, are conscious of their goals and work toward them. I compliment you on your drive and energy.

I promise each and every one of you that I will obey the doctor's orders, rest and eat as directed, and qualify physically for longer hours in the office. I will use these hours to advance your interests, to do things for you that will smooth the pathways ahead, and to win for our college (yours and mine) increased recognition and respect. Our accreditation is not a static thing, and like you, the "top brass" (the Council and I) must work too. All who live in our house must work, else we falter and die. So to work!

To those who will leave our halls in June—happy landing and a career of challenges and successes. To those who return—a happy summer and a warm welcome in September. Goodbye, nice people for now.

Cordially,
"Chief"

CLASS OF 1960

Harry Jones III, Treasurer; Landon Reynolds, Vice President; Charlotte Turner, Secretary; Robert Sherman, President

SENIOR BALL

The annual May Ball, honoring the Senior Class, was held Friday, May 13, 1960 at the Brewer Municipal Auditorium. Members of Epsilon Tau Epsilon Sorority were responsible for the planning of the dance and decorating the auditorium. Sammy Saliba and his orchestra provided the music.

SENIOR CLASS ELECTS

The class of 1960 elected its officers as follows: Robert Sherman of Unity, President; Landon Reynolds of Winslow, Vice-President; Charlotte Turner of Eddington, Secretary; and Harry Jones III of Ellsworth, Treasurer.

Robert Sherman is one of higher ranking students of the class of 1960. He is enrolled in the Business Education Department and plans to attend graduate school at Kansas State Teachers College in the fall. Robert is single. He is a veteran of the Korean War having served in the Army Medical Service. Robert is a graduate of Unity High School. In high school, he participated in the school plays and public speaking. Robert is affiliated with Kappa Delta Phi Fraternity. At Husson he served as President of Kappa Delta Phi in his junior year, editor of the college yearbook, and a member of the drama club. Robert did his practice teaching at Calais Memorial High School where he received a superior rating.

Landon Reynolds is a transfer to Husson from the Bentley School of Accounting and Finance. He is enrolled in the Business Education program. Lanny is married to a very smart girl who works for Hornblower and Weeks. He is a graduate of Winslow High School where he was active in the band, the orchestra, student council. He also was a member of the All-state Orchestra. He is the son of Mr. and Mrs. Ronald Reynolds of Winslow. At Husson Lanny has been active in the Student Council, the Student Education Association, and served on the Husson College Bowling Team. He is affiliated with Kappa Delta Phi serving as its Treasurer this year. Lanny has accepted a position with the town of Keene, N. H. where he will become a member of its Business Education Department.

Miss Charlotte Turner of Eddington is a senior in the Business Education Department. She is a graduate of Brewer High School. She makes her home with her parents, Mr. and Mrs. Earl Turner of Eddington. While in high school, Charlotte was active in the Journalism Club, the Commercial Club, and the Glee Club. At Husson Charlotte has been a member of the Women's Athletic Association and the Student Council. She is affiliated with Pi Rho Zeta Sorority, Epsilon Tau Epsilon Chapter. She has served the past two years as Secretary of the class of 1960. Charlotte has accepted a teaching position at Dexter High School where she will head the Business Education Department.

Harry Jones III was elected Treasurer of the class. He is a graduate of Ellsworth High School. He transferred to Husson College from the University of Maine. He is a veteran of the Korean War. He was in the Army branch of the service. At Ellsworth High School, Harry was active in football, basketball, and baseball. He is the son of Mr. and Mrs. Harry S. Jones, Jr. of Ellsworth. His sister, Eleanor, attended Husson College. Harry is married and has one child. Harry has traveled back and forth between here and Ellsworth while he was completing his program and did not take an active part in extra-curricula activities. He is popular with the student body and all will find him a jolly fellow. He has several possibilities for a position and will shortly make up his mind which one is the best position for him.

The members of the class are real proud of these four individuals and display their friendship and recognition in this vote.

Mr. Sherman, Class President, will give the Welcoming Address at Commencement and Mr. Reynolds, Class Vice-President will read the scripture lesson at the Baccalaureate service.

The Senior Class voted to provide a scholarship for a returning, deserving member of the student body. This was awarded at the assembly on May 24. The class is to be complimented on their thoughtfulness in this respect.

BACCALAUREATE

Baccalaureate Services for the Senior Class will be held June 5, 1960 at 8:00 p.m. The services will be held in Commerce Hall. Reverend Charles Dartnell of the Brewer Methodist Church will be the speaker.

PRESIDENT'S TEA

Members of the Senior Class will be honored Wednesday, June 8, 1960 at the President's Tea to be held at the home of President and Mrs. Chesley H. Husson at 369 Ohio Street. The tea will be held from 3-6 o'clock p.m.

SENIOR BANQUET

On Thursday, June 9, 1960, graduation eve, the annual Senior Banquet will be held at the Pilots Grill. The Banquet will begin at 7:00 p.m. Members of the senior class and their guests will attend the banquet. Guests of the senior class will include members of the faculty and their wives.

COMMENCEMENT

Commencement is divided into two sections this year with the degrees being awarded Friday morning, June 10, 1960 at the Brewer Municipal Auditorium. Dr. Lloyd Elliot, President of the University of Maine will give the commencement address. Arlen D. Neal of Howland will be the class marshal. Robert Sherman of Unity, President of the senior class will give the Welcome Address. Fifty degrees will be awarded by President Chesley H. Husson.

In the afternoon at 3:30 p.m. the diplomas will be awarded by President Husson to the secretarial and terminal students. These exercises will be held at the Brewer Municipal Auditorium. Professor Mary E. Connelly of Boston University will give the commencement address. Arlen D. Neal will be the class marshal. Earl Grava of Millinocket will present the Welcome Address. Fifty diplomas will be awarded at this time.

SEA

The SEA Chapter at Husson College has finally finished work on the school's annual yearbook, the "Chieftain." On May 25 the SEA members gave a tea for the faculty and administration. The dedication was announced at this time. Arlen Dean Neal, President of the Student Council, gave the "Chieftain" staff medals.

Only Accredited Schools May Join SEAM

The Student Education Association of Maine will carry on, but some of its chapters may be dropped from the National Student Education Association unless their schools are accredited within the next two years.

The SNEA, acting last summer in the national meeting at Lawrence, Kansas, voted to accept chapters only from institutions that had been nationally or regionally accredited. As things stand now, this means that six of the ten Maine chapters are not eligible for national affiliation.

However, Maine has been assured that these six chapters will be carried in a "suspended" state for the next two years and will receive all services during that period. At the spring meeting, the Maine students indicated they want to continue the State organization whatever happens nationally.

This situation underlies the urgency of the need for accreditation of Maine's teacher training institutions.

Accredited schools are the University of Maine, Farmington State Teachers College, Bates College, Husson College. Schools with SEAM chapters that still lack accreditation are Gorham State Teachers College, Aroostook State Teachers College, Fort Kent State Normal School, Ricker College, Thomas Junior College.

Officers elected at the spring meeting are Gary Burden, Presque Isle, a junior majoring in junior high school education at Aroostook State Teachers College, president; Richard Langlois, Kezar Falls, a junior majoring in industrial education at Gorham State Teachers College, vice-president; Mrs. Joan Hammond, China, a first year student majoring in secretarial science at Thomas Junior College, secretary. Since none of the officers are from accredited schools, SEAM faces a problem in arranging representation at the next national meeting.

DRAMA CLUB

On May 4, the Drama Club presented "Almost Summer," a comedy in three acts. With the exception of a few rather long pauses, it went off as planned. The cast was as follows:

Paul Jones .....Paul McMennamin
Mrs. Jones .....Cyndi Craft
Mr. Jones .....Ronald Willette
Junior .....Alan Brown
Mary .....Peggy Brewer
Jack .....Lewis Abbotoni
Jane .....Lynn Clark
Mr. Smudgely .....George Maxsimic
Anna .....Marguerite Cyr
Lilah Johnson .....Susan Bell

Charlene Kelly and Betty McNally were prompters. Leo Loiselle, Carl Cunningham, and George Maxsimic were in charge of stage properties and tickets.

Chief-for-a-Day and Secretary

CHIEF-FOR-A-DAY, SAM BABINEAU and his secretary, GAIL JOSEPH

STUDENT COUNCIL

The year is coming to a close for the Husson College Student Council. It has been a very successful and profitable one.

One of the newest additions to the school made possible by the Council is some lounge furniture purchased for the Annex Lounge. This furniture consists of two couches, three chairs and end tables. A picture for the wall was donated by Mr. Tyler, advisor of the group. The Council asks the student body to take good care of this furniture as it has been put there for your pleasure.

The Student Council recently conducted the annual Chief-For-A-Day in April with very gratifying results on the part of the students. Competition was very close but the sportsmanship displayed during the campaign was excellent. At the end of the campaign, a dance was held to announce that Sam Babineau had been elected as the new "Chief" with Gail Joseph as his Secretary.

On May 23 the Council held their banquet at the Penobscot Valley Country Club. After a delicious meal, awards and certificates were given to members as a highlight of the evening.

We are all very pleased to have "Chief" with us. The Council takes this opportunity to welcome him and Mrs. Husson back to their "tribe" after spending the winter in Florida. "Welcome back"!!

The Council is in the process of setting up scholarships to be given to each department next year. Students from each department will be candidates. The Faculty Council and a member of the Student Council will choose the students to be recipients of these scholarships.

A message to the Seniors—the Council wishes you the best of luck as you start on your chosen careers. May you find much success and happiness.

So another year is ended. We are all looking forward to seeing you in the Fall. Have a nice summer!!

MINSTREL SHOW

One of the "really big" events of this year was the Mu Sigma Chi *Minstrel in Retrospect*. It was truly one of the best shows ever presented at Husson College.

A cast of many fine specialty acts, eight very funny endmen, and a large chorus of fine voices presented a show that kept the audiences entertained for nearly two hours.

The great success of the show is proven by the fact that it was presented on request in Brewer and Bar Harbor. The able supervision of Mr. Husson, Jr. and the fine direction of Terry Coyne were responsible for the show being so well done. They made sure that the cast practiced until they were ready for that crucial moment when the curtain opened and the show was on!

The specialty acts included in the show were: James Richardson of Brewer, who has a really tremendous voice, singing "Chances Are" and "Small Hotel"; the beautiful voice of Mrs. Ethel Libby singing "Happiness Street"; Miss "Personality Plus," Marjorie Cummings of LaGrange singing "Sweet Georgia Brown"; the very talented Gail Joseph of Waterville singing and dancing to "Honey Bun"; Mr. Al Jolson himself, Terry Coyne of Brewer singing "Mammy," and "Toot Toot Tootsie"; lovely Anne Robbins of Brewer singing "Over the Rainbow"; "Rocking" Terry Lucky of Veazie singing and playing "Rock-a-Bye Baby"; the "little man with the big sound," Steve Robbins of Brewer playing "Basin Street" and "Five-foot Two"; Maine's Appleblossom Queen, Miss Terry Bowden of Brewer singing and dancing to "Top Hat, White Tie, and Tails"; the very beautiful voice of Miss Jean Haskell of Bangor singing "Climb Every Mountain" and "So In Love"; and last but certainly not least, the adorable and talented Daigle Sisters doing an acrobatic dance.

The audiences were kept laughing by the very funny carryings-on of the endmen. They were: Tommy Tucker of Brewer, Dick Pelletier of Caribou, Terry Duffy of Bangor, Mel Dupre of Houlton, Andy White of Bangor, Don Vachon of Bangor, Bill Libby of Hampden, and Bob Hart of Lynchburg, Virginia.

The position of Interlocutor was very ably filled by Mr. Dean Neal of Howland. He did a fine job introducing the acts and conversing with the endmen.

The chorus also did a fine job backing the endmen in their solos and singing the opening and closing choruses.

Mr. John Gass of Bangor was the accompanist. We believe he is the best in the state. His hard work for the good of the show was really appreciated.

Everyone in the show really had a wonderful time preparing it and an even better time putting it on. We are very glad that it was so wonderfully accepted.

KAPPA DELTA PHI

On April 14, 1960, Lambda Chapter held its formal initiation and accepted the following people into the fraternity: Ronald Philbrick, James Doughty, James Stewart, Louis Albert, and Wayne Smith.

After the degree work was completed a short question and answer period was held. Refreshments were served after the meeting.

All of the members attended the 55th National Convention that was held in Bangor on April 22, 23, and 24. The convention was sponsored by Eta Chapter and was held at the home of Lambda Chapter, Husson College. It was voted at the convention that we should retain the "President's Cup" as we have won it for four consecutive years. The convention was a great success.

At the meeting held on May 12, 1960, it was decided that we will have a spaghetti supper in honor of the departing seniors. This supper will be held at the EASTCO Rod and Gun Club on May 19, 1960. An election of officers for the coming year was held at this meeting. The brothers elected to office are: Ronald Willette, President; Robert Gilby, Vice-President; James Stewart, Secretary; Alvin Trask, Treasurer; Wayne Smith, Chaplain; and Ronald McReavy, Historian.

As this is the final issue of the season the brothers of Kappa Delta Phi want to wish the faculty and friends in the student body a happy and prosperous summer vacation. We will be looking forward to meeting all of you again in the fall.

With the cooperation of Mr. Herbert K. Seymour and Mr. and Mrs. Robert Stirling of the International Business Machines Corporation and Mr. Roy Plumley and Mr. Robert Clukey of the Bangor and Aroostook Railroad, Husson College sponsored an institute on

tabulating equipment at the railroad offices April 23, 30, and May 7. Four women were selected to take part and received qualifying instruction. They were Doris Stone, Janice Brown, Regina Crook and Helen Conway. The men who took part were: Robert Chandler, Charles Kent, Richard Pelletier, Julian White, Bernard Stevenson, Terrence Duffy, Karl McGaw, Charles Bears, and Howard Carlson. The latter received instruction on sorting machines and tabulating machines. The program was coordinated for Husson College by Mr. James L. Wright of the faculty.

CAN'T FOOL HIM

A teacher took her young flock to visit a farm yard. One of the first graders saw through the full scheme. He turned to his buddy and said, "Don't wook, don't wook! If we wook, we will have to wite about it tomorrow."

THE HUMAN RACE

"Willie," said the teacher, "describe the human race."

"The human race is the men running after the women and the women running after the men," replied Willie.

MU SIGMA CHI

The Mu Sigma Chi Fraternity's presentation of "A Minstrel in Retrospect" on April 14th at Commerce Hall received unprecedented ovations from students, faculty, and parents, alike. Under the well-managed auspices of Terry Coyne, the minstrel attained the brilliance of a long-run stage show. During the show Miss Diane Allen of Sedgwick was elected the "Sweetheart of Mu Sigma Chi," replacing the reigning sweetheart, Miss Patricia Buck. The other candidates for the "Sweetheart" crown were: Miss Suzanne Tufts, Miss Nancy Blake, and Miss Donna Winship. The minstrel will have been performed for the third time on Wednesday, May 18th in the Bar Harbor Playhouse, sponsored by the Lions Club. The first time was, of course, at Husson College; and the second performance was at the Brewer Auditorium, having been sponsored by the Brewer J. C. Special recognition must be extended, again to Terry Coyne, who did such an excellent job in organizing the show, and to George Currier, as chairman of the scenery committee.

The Fraternity House Committee of Richard Ray, Terry Robinson, and Terry Duffy with the aid of Ralph Dyer, Jr. are completing a preliminary draft of expenses which will be incurred in the purchase or construction of a fraternity house.

A list of fraternity alumni has been compiled by Bob Ronan, and letters are being sent asking each of them to contribute for the fraternity house.

In winding up the social activities of the fraternity for the year, the annual fraternity trip was made. Nine members and the faculty advisor, Mr. Husson, Jr. left Saturday, May 14th for a weekend in Quebec.

MEX'S SWEETHEART

Diane Allen

M.A.A.

The MAA May 9, held its last meeting of the year in the Husson Gym.

Old business taken up at the meeting was for the reimbursement of Billiard, and Bowling funds. These funds were reimbursed a total of $34.00.

The softball and volleyball leagues have been postponed until next school year.

At the present moment the possibility of a golf tournament is undecided—each player who would be participating would have to do it at his own expense.

Under new business the formation of a collegiate bridge team was talked about. Andy Caswell told the members the requirements for forming such a team. He also said he would be willing to teach anyone who was interested in learning the fundamentals of the game.

Mr. Carroll, our advisor, talked about the possibility of having a candlepin tournament with the University of New Brunswick in the near future. He also told us about our billiard team winning first place in this region, and that the school will be rewarded with a gold plaque in the near future.

Also, at this meeting movies were shown by our President, Bob Chandler on golf.

Coffee and donghnuts were served afterwards.

ETE

The ETE Mother-Father-Daughter Banquet was held April 1. Approximately 125 people attended. The menu consisted of either chicken or halibut. Each girl introduced herself and her parents and guests. After the meal, Mr. Black, father of Marie Black, gave the response for the fathers and Mrs. Day, mother of Janice Day, gave the response for the mothers. Reverend Charles Dartnell, Husson College Chaplain, was the guest speaker. He gave a most interesting talk on "Women."

April 28 was a very special meeting night. All members arrived at school a little earlier than planned, piled into waiting cars, and went to Miss Swan's and Miss Bradford's home to give Miss Swan a surprise birthday party. The Chapter presented Miss Swan with a wallet and key case set. Miss Watson and Miss Clark also attended the party. Refreshments consisted of ice cream, cake, and various kinds of soft drinks.

The annual May Ball was held May 13. It was a real success. Sammy Saliba's orchestra provided excellent dance music. The Brewer Auditorium was beautifully decorated with blue and white streamers. In the center of the floor there was an imitation garden and wishing well. Everyone who attended seemed to enjoy it very much.

On May 26, the members of ETE will go to Bayside for their annual spaghetti feed at Ada Woodman's camp. The girls will bring gifts for their secret sisters and the names will be disclosed.

This has been a very active and profitable year for ETE and the returning members are looking forward to next year with high hopes for another year of fun and work.

SUMMER SESSION

WORKSHOPS

1. June 20-24—Methods of Teaching Social Business Subjects
   Professor Bruce Jeffery of Boston University
2. June 27-July 1—Mimeograph
   Professor Thelma Watson of Husson College (No further registration possible)
3. July 5-9—Methods of Teaching High School Bookkeeping
   Mr. Leroy A. Brendel, Chairman of Business Education Department, West Hempstead, New York

Regular 5-week courses with Husson professors:

Economic Geography, Professor John Tyler
Report Writing, Professor Louise Miller
Business Machines, Instructor Janet Kinney
*Mathematics of Finance, Professor William Curran

*This course will be offered if there are ten registrations.

Introductory Typewriting, Miss Watson will present her fabulous course in typewriting for those young people who wish to acquire this skill for personal use.

A NEW THEORY

We also hear that, in the next rocket to the moon, they are contemplating sending a woman —on the theory that a woman driver can hit anything.

VA

Dr. Joseph S. Weltman, Manager, VA Center, Togus, announced today that veterans and war orphans who are taking training under the provisions of Public Laws 550 and 634, and who are scheduled to terminate their training on or before June 10, 1960, will have their training and educational allowance checks, covering the period May 1, 1960 through their ending date, on June 20, 1960. This is in accordance with previous years' policy, states Dr. Weltman.

Training institutions and establishments where the veterans or orphans are taking their training are encouraged to submit only one certification of attendance covering the period May 1, 1960 through the trainee's ending date, provided the ending date is on or before June 10, 1960.

Dr. Weltman states this procedure will greatly reduce the processing time of the certifications at the Togus Center and further insure the timely release of payment checks to the trainees.

PLACEMENTS

Keith Veazie will go to Millinocket with the Great Northern Paper Co.

Wilbur McIntyre will collect your Income Tax. He will become a member of the Staff of the Internal Revenue Service.

Ronald Bishop will join the National Life Insurance Co. of Vermont.

Richard Parlee is going to work for Farm Family Life Insurance Co.

Peter Briggs will work for his father's firm, Briggs Beverage Co.

Norman Fenlason will be with Ware Knitters Corporation in Ware, Massachusetts.

Andrew Pease will go into Office Candidate School with the Air Force.

Richard Taylor will be with Ware Knitters of Ware, Mass.

Patricia Curtis has a secretarial position in Newport.

Karen Miller, Nancy Blake, Susan Bell, Lorine Boyer and Elizabeth McNally will work for the U. S. Navy in Washington, D. C.

Florence Johnston has accepted a position in Senator Margaret Chase Smith's office in Washington.

Many of the graduating classes are waiting for Civil Service.

Peggy Deane Dill and Carol Fowler have accepted positions with the Merchants National Bank.

Judy Pearson will be Medical Secretary to Dr. Gunn.

Alyce Brommels and Barbara Willett will work at the University.

Janice Brown is working for Acme Supply Co. and will continue in June.

Barbara Fickett will stay with Coffin and Wimple of Bangor.

Mrs. Susan Hicks will be employed by Fox and Ginn.

Jacqueline Hamlin is on the Library Staff.

Daniel Perry has a position with Sears, Roebuck and Co.

Kenneth Smith and Allan Storer will work in their home towns of Dover-Foxcroft.

Teachers All—Class of '60

Business Education majors have accepted positions in the following areas:

Frances Akerley, Bucksport High School

Landon Reynolds, Keene, New Hampshire High School

Charlotte Turner, Dexter High School
Janice Day, Bar Harbor High School
Donald MacLane, Eliot High School
John Guptill, Erskine Academy

Business Education minors have accepted positions in the following areas:

Mitchell Descoteaux, Waitsfield, Vermont High School (pending)

William Cluff, Wellesley High School, Massachusetts

Earl Libby, Limestone High School
Louis Albert, Fort Kent High School
Eugene Babineau, Fort Fairfield High School
Patricia Crory, John Bapst
Elaine Roundy, Searsport High School

MISS ROBBINS

Faculty Shower

WITH THE FACULTY

Edward Davis Miller is the only son of Mrs. Louise Miller, Dean of Women. Ed is a jovial lad. He is 31 years old. He is a graduate of Bangor High School and holds a B. A. degree from Bowdoin. He has attended Summer Session at Harvard and evening classes at New York City College.

Ed is Cost Analyst with Universal Atlas Cement, a division of United States Steel Corporation.

Ed is married and makes his home in New York City. He will be transferred to Dayton, Ohio, June 1st.

His hobbies consist of golf, photography and tennis. He loves to travel.

Second in length of time as a faculty child is Miss Penelope Foss, known as Penny to us all. Penny is the daughter of Mr. and Mrs. Millard Foss. Mr. Foss is our Dean of Men.

Penny is eleven years old and attends Fairmount School in Bangor. She is in Grade 6.

Penny's hobbies consist of her piano, horseback riding and all sports. She has a coin and a stamp collection.

Ledger Staff Wishes You A Happy Vacation

Here is a pert little miss. She is Miss Catherine Ann Curran, age 3. Cathy comes to school real often to teach the boys how to write. She is the only child of Mr. and Mrs. William J. Curran, Jr. Mr. Curran is Director of the Department of Business Administration.

Cathy is currently busy taking care of her mother, who has recently returned home from the hospital. Since Mr. Curran has become Chief Cook and bottle washer, Cathy is cooking for Dad.

Meet the Donahue children. Brian Gavin Donahue is three years of age and Ellen Frances Donahue is two years of age. Aren't they delightful. Mr. and Mrs. William J. Donahue, Jr. are real proud parents. Father Bill is Director of the Accounting Department. It is rumored that Brian already knows a debit from a credit!

Brian is an avid TV fan and "Huckleberry Hound" is his favorite show. Ellen insists on playing all day. She is ready for anything that Brian wants her to do.

Coach Delmont and Mrs. Merrill are the parents of three. Here is Coleen Diane, age 10; Linda Dee, age seven; and Robert Dana, age six. They all attend George Weatherbee School in Hampden.

Coleen is in the fourth grade. She brings home a real sharp rank card. She is a Brownie

Scout. Her favorite hobby is reading. Coleen looks just like her mother, Betty.

Linda attends grade two. She is also a Brownie Scout. She is perhaps the most impish of the children. She enjoys playing school and brings home a fine rank card to show that she loves school.

Bobby is full of all the things little boys need to make them boys! He is in sub-primary. Bobby is already an accomplished baseball player. His Daddy is sure he will pitch for the *Yankees* some day. He likes to fish, too. Like father, like son!

Here are the Tyler offspring. Get acquainted with Donn, age 10, Beverly, age 6 and Jimmy, age 4. They are the children of Mr. and Mrs. John Tyler. Mr. Tyler is an instructor in the Business Administration Department. He is also the able director of the Student Council.

Donn is in grade 5 at the Fairmount School. Beverly is in Kindergarten there.

Donn is a Cub Scout of three years' standing and has earned his Lion Badge and Geography Badge. His hobbies are reading and baseball. (He'll probably play for the Red Sox, eh father?)

Beverly just loves horses and the outdoors. She likes to picnic. She plays records and reads her storybooks indoors.

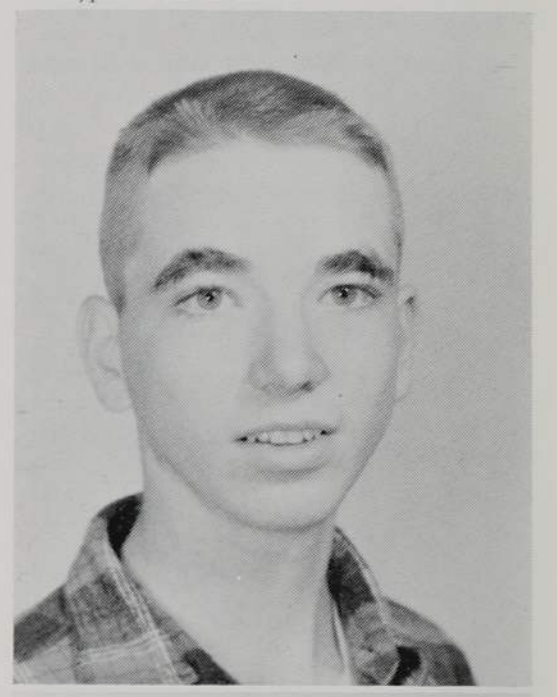

Jimmy stays at home and is an exceptionally active boy. He rides his tricycle and plays his records. Jim filed the kitten in Mr. Tyler's file drawer. It was quite a while before his folks discovered poor kitty.

Here are the next two oldest offspring. You can't call them children. Joseph and Kathryn are the son and daughter of Mr. and Mrs. Edmund Lebrun of Hampden. Mr. Lebrun is well known to the upperclasses at Husson. Joey is a sophomore at Hampden Academy and a well established businessman in his own right. He is a member of the Student Council, Science Club, School Yearbook Staff, and President of the Rifle Club. Joey is an honor student at the Academy. His hobbies are fishing, gun collecting and dancing. His pride and joy is his own truck he is buying himself!

Kathryn is in grade 7 at Hampden. She is an accomplished lass around the house. She studies the accordion and was on TV May 24. She plays on the softball and basketball team at school. She loves to dance.

Both plan to attend Husson, provided they can bypass Dad in classes.

Mr. James Wright of the Business Administration Department is the father of three boys. He and Mrs. Wright are real proud of their sons.

BRIAN WRIGHT

James L. is the oldest, age 10; Stephen B. is number two son, age 8 and Brian T. is the baby, age 4.

Jimmy and Stevie attend Fairmount School. Jim is in grade 4 and Steve in grade 2. Jimmy is on the Little League Farm Team, is a Cub Scout and in the fall will be a Lion. His hobbies are reading and baseball.

Stevie is talking baseball now. Mrs. Wright states that all there is now is baseball and more baseball. The boys belong to the Bangor Public Library Reading Club.

Brien stays at home and plays. He is into and out of things all day long.

Mr. and Mrs. Edward Carroll are the proud parents of a daughter, Deborah and a son, David. Debbie is 2½ years of age. She is an exact copy of father. She comes to school often to see that all is well. She likes the basketball games, too. She is most active at home and in her play. She is now washing dishes for fun.

Baby David is only eight months old. This picture was taken right at his start in life. He is a big boy and should really become a football player. He is going to walk before he creeps, according to his proud papa. He is cutting teeth now and keeps everyone on the jump.

Meet the Twins! These are the sons of Mrs. Margaret Lindberg of the English Department and John Lindberg, English instructor at the University. Meet Paul Matthew and Gordon Matthew, age 3½. Aren't they adorable? Can you tell which is which? Their parents can fortunately.

They keep busy sliding down a neighbor's slide, helping Mommie wash dishes and cook dinner. And most of all, they talk.

Paul wears blue trim on his clothes and Gordon wears red!

Lawyer Howard Foley conducts classes in History, Government and Law. He and Mrs. Foley have one son, David, age 4 and a fairly new daughter, Mary Jo, age six months.

David is a real active lad and his favorite pastime is playing "Cowboys and Indians."

May Jo's favorite interests at the present are sleeping and eating.

The Ledger introduced James and Steven Husson to you on its family page in the second issue.

The staff is sorry that no pictures of Mr. Norton's children are available. The Nortons have three, Peter, Jeanne, and Caroline.

Tomorrow's Men and Women
[The Class of 1960]

AMBITION PAYS

Ambition, like a winged steed, can fly in or out of a window. It all depends upon the energy with which a child pursues Pegasus. If he sits dreaming and wishing—Time is on the way—and some other child seized the mount.

But, for my neighbor lad, *Joseph LeBrun*, Ambition is spelled with a capital A. All of the days are filled with enchantment. America is a wonderful country. Opportunity is everywhere. Everything is delightfully fresh. And one of his recipes for Success in life is "Be friendly."

Joey was born in Wakefield, R. I. on Feb. 28, 1944. He moved, with his parents, to Hampden in 1955.

At present, Joey is a Sophomore at Hampden Academy. Going into the Junior class, he makes very good grades. He has made the Honor Roll before this and promises to do so again.

But a lad has to see Visions and there are Dreams. One of the dreams has been to own a truck. But, what was the advantage of owning a truck? Where was the money to pay for it? What could he find for work?

So Joey schemed and planned. What about all those apple trees that had passed the peak of production? Didn't people need fireplace wood if it was fitted?

So talking to a kindly neighbor he arranged to cut the old apple trees. He could have them if he would agree to clear away all of the brush and pile the wood neatly until it could be sold and delivered. How to cut? Came the question of a chain saw. The verdict—work enough must be found to pay for the saw. So, through the fall, nights after school and on Saturdays, the trees were cut and fitted. Orders came for both fireplace and furnace wood.

That wood had to be delivered. So, Joey dreamed of purchasing a truck, a little old used one. One that he could repair and [illegible] up. Once more the decision, "The truck must pay for itself." The truck was found. Saturday became a day of real repair.

Of course, fishing was a real hobby, but business was of most importance. And the wood delivered. One or two people asked if he would cart piles of rubbish to the dump. "Of course" he would. It was honest work, wasn't it?

And those big, friendly brown eyes would shine. And, "Just think, I was called to gather one lot of rubbish and three more people asked if I would work."

And soon was born the idea of a "Roto-Tiller." Many people wished to have small gardens and he could have them ready.

Perhaps people had trees in their orchards they wish to have trimmed. Then, too, there were dozens of people who enjoyed their fireplaces. Wouldn't they need wood for brisk fall evenings? So he plans to have dry slabs, also, for delivery.

There are many small Xmas trees in the home pasture. Surely many people will wish to order a tree for family pleasure this Xmas. If people wished he could, also, deliver wreaths. He could even learn to decorate them.

Joey has many hobbies, the most important being fishing, hunting, and gun collecting. And young boys have those things to consider. But, Modern Times seem to demand college training. And tuition, books, board, and clothing cost money.

And life is just beginning. And Modern Life demands that everyone seizes the opportunity to ride old Pegasus long and hard. And, so, Joey is hoping for plenty of orders along the line of his little business.

He is the son of Mr. Edmond LeBrun who is Professor of Business Finance at Husson College. His mother, Mrs. Josephine LeBrun, is Avon District Manager for this area. One sister, Kathy, is in the 7th grade at Geo. Weatherbee School.

Husson Girl Chosen Sweetheart Of TKE at Maine

Miss Diane Hodgkins, a Senior in the Medical Secretarial Course, was crowned Sweetheart of Tau Kappa Epsilon Fraternity at a banquet and dance held at the Bangor House May 6. Diane was chosen by the boys in the University of Maine Fraternity. She was presented a bouquet of roses and a gold trophy cup engraved with the occasion on the front.

Diane is engaged to Peter Kean of Reading, Massachusetts, a member of TKE. Mr. Kean will graduate in June with a degree in French. Diane will graduate from Husson in June from the Medical Secretarial Department. She has been active in Basketball and the Student Council while attending school. They will be married in August.

ROVING REPORTER

As graduation time draws near, the roving reporter calls on a June graduate, Mrs. Marjorie Gerow of Island Falls. Marjorie is enrolled in the Shorthand-Clerical course and has been a Dean's List student while here at Husson.

Since she is a widow with two young daughters, Mrs. Gerow feels that it is necessary for her to obtain an advanced education.

Our hats go off to you Margie!!!

Best Wishes to the Class of 1960

ALUMNI

HUSSON ALUMNUS EARNS DEGREE

Clayton Cummings of Windsor Locks, Connecticut will be awarded his B. S. degree in Electrical Engineering at the University of Hartford on June 5. He attended Husson for a half year in 1943. He entered the former farmer's program, which started in November and ended in March. Clayton was a good student.

At Husson College Clayton was high scorer on the Varsity Basketball Team. At that time he was considered the leading scorer in Eastern Maine.

Clayton left Husson to enter the service. He was stationed in Korea for a long time. While in the service he did manage to attend the Coyne Electrical School in Chicago.

After the service, Clayton moved to Windsor Locks, Connecticut and went to work for the Hamilton Standard Co. While employed these past eight years, Cummings has attended evening classes for his degree.

He is married to the former June Buzzell of Harrisburg, Pennsylvania. They have one child, Deborah Karen.

If you see "Mudge" Cummings walking on air, it is because Clayton is her brother.

Congratulations and best wishes are extended to you, Clayton, from the Faculty and Administration of Husson College.

MRS. JOHN RIOUX and daughter, MICHELLE

"AN APPLE for the TEACHER"

In this case, the teacher is Internal Revenue Agent, Richard E. Dyke (of our Portland office) and the "apple" is a complimentary letter from the Dean of Portland University, where Mr. Dyke is doing a little after-hours instructing. Dean Blake writes about how pleased they are with the interest, enthusiasm, and ability Mr. Dyke is showing in his capacity as instructor of a class in Income Tax Procedures at the University evening school. This aroused our interest so we proceeded to write Agent Dyke for details about this course he's teaching.

We learned that the class meets every Wednesday evening at seven o'clock, and though it is scheduled as a two-hour class, it generally is 10 o'clock before it breaks up. There are 13 students enrolled in the 15-week course which, at this writing, is now more than half completed. The students (three women and ten men) represent a very good cross-section of the taxpaying public. One of the ladies is employed as a comptroller in Portland, one is a housewife, and the other is an office worker. The men represent a similarly varied group, including real estate broker, two bookkeepers, an army officer, an insurance broker, a retired business executive, and four students who are going to day school to become lawyers.

Mr. Dyke conducts his classes on a lecture basis with practical application on problems. His lectures normally consume an hour or an hour and a half, following which they work on problems covered by the lecture. The students have a homework assignment each week which is corrected and returned to them with whatever comments the instructor feels are necessary. Instructor Dyke also reveals that he gives the class a test every three or four weeks and plans to give a two-hour final exam. In addition, the students are working on a cumulative problem which they must turn in at the end of course.

A comparative newcomer to Internal Revenue Dick entered on duty as a Revenue Agent (Trainee) in July of 1958 after graduating from Husson College with a BS degree in Accounting. In December 1959 he served as one of the instructors at our annual Taxpayer Assistance Refresher School.

In his letter to us, Dick shows very clearly how he feels about his venture into the teaching field, for he writes: "I really enjoy teaching, I find it very challenging and extremely self-satisfying. The old saying, 'From the students you are taught,' is very true, for I have found their questions very well thought out and very searching in nature."

Since IRS makes good use of "instructors," Dick probably will be having many opportunities to enjoy using his teaching skills.

HERE and THERE

Miss Madalyn Jordan will join the teaching staff at Husson in the fall.

Clarence "oopie" Thompson will teach and coach at Mattawamkeag High.

Bernard Gray is leaving Groveton, N. H. for other areas. His Business Department placed first in county competition.

Jeannette LePage caught a 4-lb. salmon at Phillips Lake when she was home at Easter.

Bob Cimbollek will do Physical Education at Garland Street Junior High next year.

Alumnae Basketball Team

Standing: B. Govone, D. Abbott, R. Mitchell, R. Whittier, B. Moore, and M. Adams.
Kneeling: J. Murphy, N. Hamilton, C. Murphy, A. Oxley, and E. Severence.

Mrs. Diana Wyman Lutes will go to the West Coast with her husband this summer.

Donald and Barbara Higgins are leaving Florida for Maine. Don will teach at Waterville High School.

Beverly Kane will head the Department of Business Education at Limestone High School in the fall.

George Portwine has resigned from teaching to go into private business.

Jim and "Ches" Ugone called at Husson with young son. He's a bouncer and pappy Jim is just "abusting" out all over.

Judy and Donald McLaughlin brought their daughter in to call. She's a beauty.

Jeanette Grindle has resigned from Dexter faculty to go into business work.

Patricia Robbins is being showered and partied this spring. She is being married on June 26, 1960 in Bangor.

Ralph Bickford plans to work at the University for his Master's degree this fall. He is being married soon.

Paul Goss will go to Springfield College for his Master's degree in September.

Jake Goss is happy at Greenville High. He visited with a group of students.

Ed Muzzy is catching half the togue in Moosehead.

Frank Leathers is Personnel Manager at the Bangor Mart.

Karen Crocker Welch called at school this past week. The staff extends deepest sympathy to her in her bereavement.

Mildred Young Melgard attended the Sorority Mother and Daughter and Father Banquet in April. She makes her home in Bangor.

CUPID'S COLUMN

MARRIAGES

Joyce S. Jacques, Bangor, to Guy A. Leonard, Bangor
Juanita F. Reed, Northeast Harbor, to David L. Stanley, Northeast Harbor
June Nason, Bangor, to Robert W. Mann, Brewer
Anastasia Paraskevakos, Lewiston, to Ruel W. Dutton, South Gardiner
Patricia A. Soldo, Palm Beach, Florida, to David L. Wallace, Northeast Harbor
Gwendolyn York, Brooks, to Joseph Wildes, Brooks
Jane M. Feeney, Bangor, to John J. Tucker, Seymour, Connecticut
Penelope Cleaves, Dexter, to Gordon C. Richardson, Bangor
Gwendolyn J. Stevens, Milo, to Paul J. Bradeen, Milo

For the first time in twenty-one years of Basketball history at Husson, the girls who came back to play ball once a year did the impossible. They managed to score one more basket than the Husson girls!

It was a gala night for the former Swan-coached aggregation. They were out for blood and glory and were not to be denied.

Ruthie Whittier (1958) and Ellen Severence (1958) were the only guards who returned. The Murphy twins (1957 and 1958) decided to help out in that area. They did, too.

The other girls, forwards all, were Nancy Hamilton (1958), Amy Oxley (1959), Marion Adams and Dottie Abbott (1957), "Red" Mitchell (1959), and Barbara Debeck Moore (1957).

They were coached by Beverly Govone who played with all these girls.

Picture was taken before the game began!

Constance M. Richard, Mattawamkeag, to Thomas A. Cahill, Mattawamkeag
Elizabeth M. Arisimeek, Bangor, to Carroll M. Bassett, Bangor
Sheila D. Striar, Bangor, to Bernard Kaye, Brooklyn, New York
Bonnie G. Bean, Bangor, to Jerry D. Conn, Silver Springs, Maryland
Jane D. Hester, Orono, to Joseph G. Roy, Rumford
Lee Jakowsky, Pittsburgh, Pennsylvania, to Harold Levy, Cleveland, Ohio
Viola M. Sinclair, Unionville, to Lee I. Smith, Cherryfield
Roberta Willard, Cambridge, to Raymond I. Olmstead, Charleston
Karen J. Crocker, Lincoln, to Robert L. Welch, Millinocket
Jeanette Sementilli, Bangor, to Charles R. Money, High Point, North Carolina
Margaret A. Seymour, Old Town, to Frank P. Tenney, Veazie
Carolyn M. Watson, Bangor, to Richard L. Stacey, Bangor
Norita B. Turner, Starks to Norman W. Frost, Newport
Evalyn L. Peggs, Arlington, Massachusetts, to Terrance Economy, Rockland
Ellen Cooper, Camden, to Robert A. Wiles, Brewer
Patricia Bonadiu, East Millinocket, to David L. Theriault, East Millinocket

BIRTHS

Mr. and Mrs. Thaxter Trafton, a daughter
Mr. and Mrs. Robert Hart, a son
Mr. and Mrs. Bruce Broussard, a son
Mr. and Mrs. Lawrence Eaton, of Caribou, a daughter.
