The College Composition Class

VOLUME XXII NUMBER I

June 1952

EDITORIAL

What does a yearbook mean to you? Does it mean merely a book to look at, a book that is given to you and you take because you have paid for it? Or does it mean a collection of precious memories combined into one book that is yours for the happiness it will bring you now and in the years to come? We hope the latter is your sentiment; for we have kept this thought in mind during the making of your 1952 CHIEFTAIN.

The students at Husson College are from all walks of life, come from different sections of the state, and range in age from grandfathers to last year's high school graduates. In our feature section we have tried to give you a glimpse inside their "homes-away-from-home" and to show you the lighter side of life at Husson College.

Many hours of serious and faithful work have gone into the making of this book. The members of the CHIEFTAIN staff are particularly grateful to Miss Clara Swan for her willing and expert assistance in writing various sections.

I wish to express my gratitude to each member of the staff for his contribution to the yearbook—to Robert Hopkins and Charles Day for their thorough supervision of the business matters, to Patricia Curran and Betty Chandler for their meticulous treatment of the students-by-courses section, to Leo Smith for his clever ideas for the features section, to Wilfred Cote for his willingness to see that the members of the staff reached their destination for making pictures at the appointed times, to June Hollis for her expert handling of the faculty section and typewriting, to Eloise Holdridge and Barbara Shannon for their untiring efforts to keep the senior section up to date and their loyal after-school volunteer work, to Nancy Quigg for her assistance in regard to the individual photographs, to Cecil Porter for his iconographs, and Paul Hobbs, Margaret McLaughlin, Isabel Chapels, Dean McGinley, Rita Garland, Barbara Greeley and Robert Comeau for attending to various duties, too numerous to mention here.

On behalf of the CHIEFTAIN staff may I extend our appreciation to our faithful advertisers, the members of the faculty, school administration, and student council; for all played a very vital part in the bringing to life of the 1952 CHIEFTAIN.

Student Council

WILLIAM BURRILL

OFFICERS

President.....William Burrill
Vice-President.....Ralph Bickford
Treasurer.....Timothy Mayo
Secretary.....Arilla Whitehead

The Husson College Student Council is one of the most active organizations of the school. Its membership is made up of members from all other organizations of the school. The Student Store is the core of the Council's activities. Through the operation of the store, the members of the Council gain practical experience in all phases of buying and selling, as well as affording the Council an opportunity for earning funds to finance the many programs for which it is responsible. With Mr. William Curran as faculty adviser, the following officers have contributed a great deal of time and effort to the fulfillment of an elaborate program set up by the Council. President William Burrill, a senior in the Teacher-Training Course, not only conducted the meetings well, but also served as general handy man and clean-up man. Vice-President Ralph Bickford, who graduated in January, and Gerald Castonguay, acting Vice-President, assumed the responsibilities of filling the several dispensers and faithfully straightening up after the lunch hour. Secretary Arilla Whitehead kept meticulous records of the minutes of the meetings and handled all correspondence efficiently. Treasurer Timothy Mayo gained a great deal of practical experience in keeping the books for the Student Store. Somehow he always saw to it that there were available funds for any of the many demands of the Council and without using too much red ink! He kept a watchful eye on the Store Manager, George Merry. Manager Merry, together with Rita Garland, was responsible for keeping the inventory at the proper level at all times. As general supervisor, Mrs. Gladys Lowe keeps the store running smoothly and efficiently. The great variety of sandwiches and home-cooked foods offers the student an appetizing choice throughout the school year.

Other members of the council who contributed their services on one of several committees organized for the carrying out of the many projects of the Council included Patricia Curran, Edward McInnis, David Huff, Kathleen Dority, Beverly Sennett, Charles Day, Robert Burleigh, Patricia Robbins, Doris Curtis, Mary Lou Rogers, Rosemary Smart, Winifred Quint, Roger Dow, Lorraine Crabtree, Jane Purcell, Basil Osgood, and John Goodness. Perhaps outstanding among these projects was the Chief-of-the-Day election preceding the spring house cleaning and Open House. Open House is one of the highlights of the social calendar during the spring months, and it is at that time that the parents of the students are invited to inspect the building, meet the members of the faculty and to meet the parents of other students.

Recognition for student participation in any and all activities connected with college life is sponsored by the Student Council. Members of the Awards Committee were Arilla Whitehead, Rita Garland, and David Huff. Special Committees included the Student Relations Committee, George Clark, Robert Burleigh, and Lorraine Crabtree; Grounds Committee, Edward McInnis, John Goodness, Roger Dow, and Barbara Greeley; and the Curriculum Committee, Timothy Mayo, Basil Osgood, and Rosemary Smart.

All profits realized from the operation of the Store are directly or indirectly turned back into some project to benefit the student body of Husson College. The Student Council willingly lends a "financial helping hand" to other organizations so that they might be more successful in their contribution to life at Husson.

Future Teachers of America

ROBERT HOPKINS

The Forkner-Nichols Chapter of the Future Teachers of America organized for its fourth year of activity with the election of the following to the helm:

President ..... Robert Hopkins
Vice-President ..... Rita Garland
Secretary ..... Barbara Briggs
Treasurer ..... Margaret McLaughlin
Student Council Representative
..... Barbara Greeley

With its relatively new inception, the chapter aimed at 100 per cent membership. Under the guiding hands of Mr. Chesley Husson this was soon realized, and the 1952 charter proclaims that all teacher-trainees are members of the Forkner-Nichols Chapter.

The Chapter has been engaged in many activities. Among the first social occasions was a fall outing at Green Lake. Mr. and Mrs. Chesley Husson entertained the Chapter at their camp on September 27. An afternoon of outdoor sports and a camp-fire gathering were among the high lights of the day.

At the third meeting on October 16, a film entitled, "The Fight for Better Schools", was shown and received with great interest. The candidates for FTA delegation at the State Teachers Convention in Portland on November 25 were announced to be Basil Osgood, Timothy Mayo, William Burrill, Janet Kinney, and Barbara Briggs. Delegation was primarily interested in the formation of the Maine State Organization of the FTA Organization was agreed upon by the Chapters represented. The minutes of the meeting were forwarded to the Chapter while the Constitution is being revised by the Gorham Chapter.

The project committee appointed by Mr. Husson was in charge of the Thanksgiving Assembly on November 12, and the unit organization of the activities for the year was comprised of the following: Chairman, Robert Hopkins, Janet Kinney, Elizabeth Crouse, and Barbara Greeley.

On the evening of November 13, the "Psychology of Education" was presented by The Reverend Charles Dartnell of Brewer. His theme was an enlightenment of the psychology in teaching. The meeting was concluded with general discussion of the topic.

A Square Dance or an evening of mixed dancing was sponsored on February 13. A "caller" with his records was procured from the University of Maine.

One of the most delightful events of the year was the return of a former Husson Student to relate some of his teaching experiences. Lawrence Sellers spoke of his many experiences and philosophy of teaching on the evening of March 10.

The Future Teachers of America continued their activities with a spring outing, a program on Universal Military Training, and another Square Dance.

Under the leadership of Mr. Husson, the Forkner-Nichols Chapter of the Future Teachers of America professes its activities to be among the richest of all learning and the greatest of all experiences.

Epsilon Tau Epsilon bids the girl to aspire to have fellowship one with another.

ETE signifies scholarship, character, personality, and the many other intrinsic values possessed by its members. A bid to fellowship in Pi Rho Zeta International is the greatest honor thus bestowed upon a girl at Husson College. With honor and dignity her ideals are held most high.

The lifeblood of ETE has been incessant activity under the leadership of Misses Clara Swan and Mildred Bradford. To them, our sponsors, I am most grateful for their services to the Chapter and to each sorority member. I extend my deepest appreciation and gratitude to them for their indefatigible efforts and fine leadership. Many thanks to the officers for their faithful service and duty at the helm. ETE sisters, your most co-operative spirit, fine workmanship, and many attributes have made this year one of pleasant memories and many accomplishments.

May each successive year of ETE fellowship have that same spirit, and be as full of wondrous experiences as the year 1951-1952.

The Mu Sigma Chi Fraternity, a social-professional organization whose membership is based on scholastic and social achievement, began its 1951-1952 school year with a rather depleted active membership because of last year's graduation.

An immediate and enjoyable solution to the problem of membership was found with the prompt initiation of ten new members on the basis of last year's standing.

In October the fraternity was entertained by President and Mrs. Chesley Husson at their camp at Green Lake. The enjoyment of the group who attended was shown by the "polite" invasion of the baked beans that night.

The fraternity highlight of the year, the customary Christmas Ball, made its gala appearance in December. The outstanding decorations of evergreens, Christmas colors, and lights were accented by the music of Ray Nickerson, himself a member of the Mu Sigma Chi.

In January another initiation was held in which fifteen new members were admitted on the basis of the first semester grades.

In an effort to raise sufficient funds for the annual trip to the ball games in Boston, the Fraternity Frolics, which received their first post-war big boost last year, was again successfully presented in April.

Off the Record

Life in the classroom at Husson College follows a pattern to a certain extent. The same classes at the same hour day after day tends to make a pattern. Of course, classes and students vary and make each class and day different in that respect.

Outside of school Husson students tend to live their own lives in the most enjoyable atmospheres possible. Husson College has many dormitories off campus. The rules and regulations are governed by the House Mothers, in whose homes the girls and boys live.

Touring the city, we find on Court Street the "Stewart House". Grace and Bill Stewart are a congenial couple and have taken boys for the past few years. "Ma" Stewart can accommodate sixteen boys in her house. Previously, she had Husson girls.

This year in the big, white house at 122 Court Street, under the motherly guidance of "Ma" Stewart, reside fifteen Husson College students.

Here the boys live in a home-away-from-home where they may enjoy all the comforts of the congenial atmosphere. Except for the few rules set up by Mr. Husson, they live as part of Mr. and Mrs. Stewart's family.

Friendships are made and enjoyed among these students. Life is never a bore. Whether it be Paul, Bob, or Graydon playing the piano; or Jack, John, and Gary having an argument;

The Stewart House

whether it be Thornton complaining about the heat or "Ma" telling Leo to be quiet—there is never a dull moment at the Stewart House.

Every evening as Lee and Bill are having their after-dinner discussion in their third floor "penthouse" and Bob Sirois has started upstairs with his dishes, "Tiny", Allen, Nelson, and Elwin the more studious members of the house, have settled down to study and "Oopie" gets his regular phone call from Orono. Thus begins an evening at the Stewart House—what happens next can never be predicted.

Leaving Court Street we go up Ohio Street and the next stop is the "Smith House". Mrs. Helen Smith opens her home to Husson girls. First-year girls at this home certainly return for another year if they are taking a two-year program.

One of the most difficult adjustments a person has to make to college life is that of adjusting to a new home. If you are one of the girls at Mrs. Smith's, your adjustment is made easy by Mrs. Smith and your new "sisters".

There is always something going on night and day, whether it is Betts practicing her singing lesson, Norma and Betty looking over the banister while Sylvia entertains in the living room, or whether it is a heated argument between Jodie and Pat on Democrats versus Republicans. The only time it is quiet is when the telephone or doorbell rings, then you can hear a pin drop.

The good times the girls have and the friends they make at the Smith House during their stay at Husson College will both have a very permanent place in their hearts.

Continuing our way up Ohio Street, we stop at the King's Daughter's Home or the "K.D." as the Husson girls have fondly nicknamed it.

The Home is run by the King's Daughters Union, and it affords a real opportunity to have the dormitory privileges that mean so much to students who enjoy the companionship of the other Husson students.

Smith House

King's Daughters House

The house mother, Mrs. Elsie Mosher, is always on hand to give the girls help in their many problems.

Some of the many privileges extended to the girls are ironing and laundry facilities, appetizing meals, comfortable rooms, and a chance to be with other students doing the same things.

Here the students will have a chance to make many lasting friendships, friendships that will last a long time after school is closed.

Among the towns represented at the K. D. are Bath, Stonington, Brownville, Pittsfield, Jonesport, Camden and Stratton.

King's Daughters House

Cilley House

Retracing our steps to Court Street, we find Everett Street on which is located the Cilley House.

Nowhere else in the City of Bangor is there a greater spirit of amicability and enthusiasm than that which pervades the Cilley House. Nowhere else is there more activity and excitement. From early morning to late at night the house echoes with many varied sounds that denote how busy its occupants are—the shrieking of an alarm clock, the clatter of dishes in the dining room, the banging of a typewriter and the ever constantly ringing telephone.

What fills the house with such exuberance? Maybe it's the laughter of Peg Niles or the arguments of Jeannette Whitten and Irene Hardy over how wide the window should be opened, or the parties that Wilma Brown, Phyllis Cudhea, and Peg Niles have at a moment's notice.

Along with the lighter aspects of life at the Cilley House there is an atmosphere of respect for the well-being of others, coupled with an unbelievable amount of hard study. Underlying all this is Mrs. Cilley's helpfulness and guidance.

The girls here come from different parts of the state; all have different ideas and ambitions. Yet each strives diligently to fulfill those ambitions—everyone deeply interested in making a place for herself in the business world.

Crossing to the East side of the City, way out on Essex Street, we enter a large home for our girls; namely, the "Taylor House."

The pleasant home of Mrs. Hazel Taylor is also a home for girls who attend Husson and desire a place where they pay room and have kitchen privileges.

Taylor House

This year eight Husson coeds are rooming at "227 Essex Street." Some of the girls have lived here two years and find it a home of contentment and happiness. Here they laugh, study, try their luck at harmonizing, and prepare meals together. No one feels out of place living in such a home as the Taylor's. It is a group of girls who consider one another as pals.

One might wonder what life would be like at "227" if things weren't usually humming — especially the telephone!

Remember the night a call came all the way from Des Moines, "Parker?" More than the 'phone hummed after that! Fall House parties at Maine were a big night for Betty and her friend from Phi Kappa Sigma. He arrived a little earlier than expected, didn't he Betty? Thursday night is a mad rush for Myrna! One must duck while passing her room in order to miss the clothes that seem to fly into her suitcase as she hastily packs to head for Wilton. What's the attraction down there anyway? We wonder—Sylvia seems quite contented to stay in Bangor these days—makes it most convenient when the "interest" goes to Husson also, doesn't it? Santa Claus brought Faith a "sparkling rock" for Christmas this year, and to "Chris," a delayed present all the way from Germany. Rae and Donna, "cramming" with bookkeeping, find plenty of time for riding in Buicks, traveling to Lee, and clerking in dime stores.

Probably you wonder how Mrs. Taylor ever lives through it all—to be quite frank with you, the girls do too. They only hope she enjoys them. For, to put it plainly, they love every minute of their college life spent at "The Taylor House."

The "Y" has a new kitchen equipped with an electric stove, electric refrigerator, and all the dishes necessary in preparing and serving meals. There is little extra space in the refrigerator, with 25 girls using it! Two girls are usually in charge of keeping the kitchen in order for a two-week period. Groups of two, three, or four girls buy their food together.

On Cumberland Street, just a couple of blocks from school, Nancy Quigg, Beatrice Newhouse, and Beverley Sennett find apartment house "life" just the right combination with college routine.

Cumberland Apartments

On Center Street, rooming accommodations are available to an average group of Husson boys. Mrs. Arabella Clark runs the "Clark House."

We find Basil Osgood talking until and after midnight; Tim Mayo waking up the boys in time for school; Gerald Castonguay interrupting Basil's studying; Jim Ingraham winning all the card games; Loren Ritchie sleeping late; Paul Hobbs keeping his whistling apparatus in practice at all hours; and Bob Leighton busy at his accounting.

These boys eat at the Pine Tree Restaurant and really live an enjoyable life away from home. Never a dull moment here—even when it comes to shoveling out of snow banks, it is a co-operative job!

Some of our girls like the home and dorm life the "Y" offers them.

"A home away from home,"—that is the Y.W.C.A. Its friendliness and homelike atmosphere is felt the minute one enters its doors. Many good and lasting friendships are established through the social activities held here. Before a girl realizes it, she is a part of the "Y" family and has come to like it very much.

The "Y" family is made up of about 25 resident girls, ranging in age from 18 to 30. It is set up to accommodate students and girls just beginning their careers. The limit to the length of stay is three years.

Now that we've given you a picture of the home life of our boarding students, let us look in some of the homes of Husson students.

We have three ideal set-ups to visit! The home is the greatest institution of the world today. Love and laughter play a large part in a happy home.

The Clark House

Cote Home

Let's visit "Grandpa" Cote. Bill Cote lives in Old Town, has two children; and the surprising part of it all is, he is shown here with his two granddaughters, Linda Evelyn and Sandra Jean.

Bill is a College Accounting student and graduates this year. He holds down a part-time position as an accountant and carries a full load at Husson.

His few spare moments are devoted to playing with the grandchildren.

On the way back from Old Town, the photographer and company dropped in on June and Frank Hollis of Veazie. June and Frank are our only brother and sister combination this year. Mr. and Mrs. Hollis own the Kitchenette and work very hard at the restaurant.

There is always a "Gang" at the Hollis home. If June hasn't a group of basketball or Sorority girls there, Frank has his basketball cronies. There is always plenty to eat; plenty of music and the old house doesn't really settle down until way after midnight.

Mr. and Mrs. Hollis extends a friendly welcome to all who stop at Veazie.

The next visit is in Hampden. Mrs. Margaret McLaughlin, the mother of two children, Starr and Reginald, is a first-year student in the Teacher-Training course. She sees both children off to school each morning and then drives to her own school duties for the day.

Mr. McLaughlin is Agriculture Instructor and Boys' Basketball Coach at Hermon.

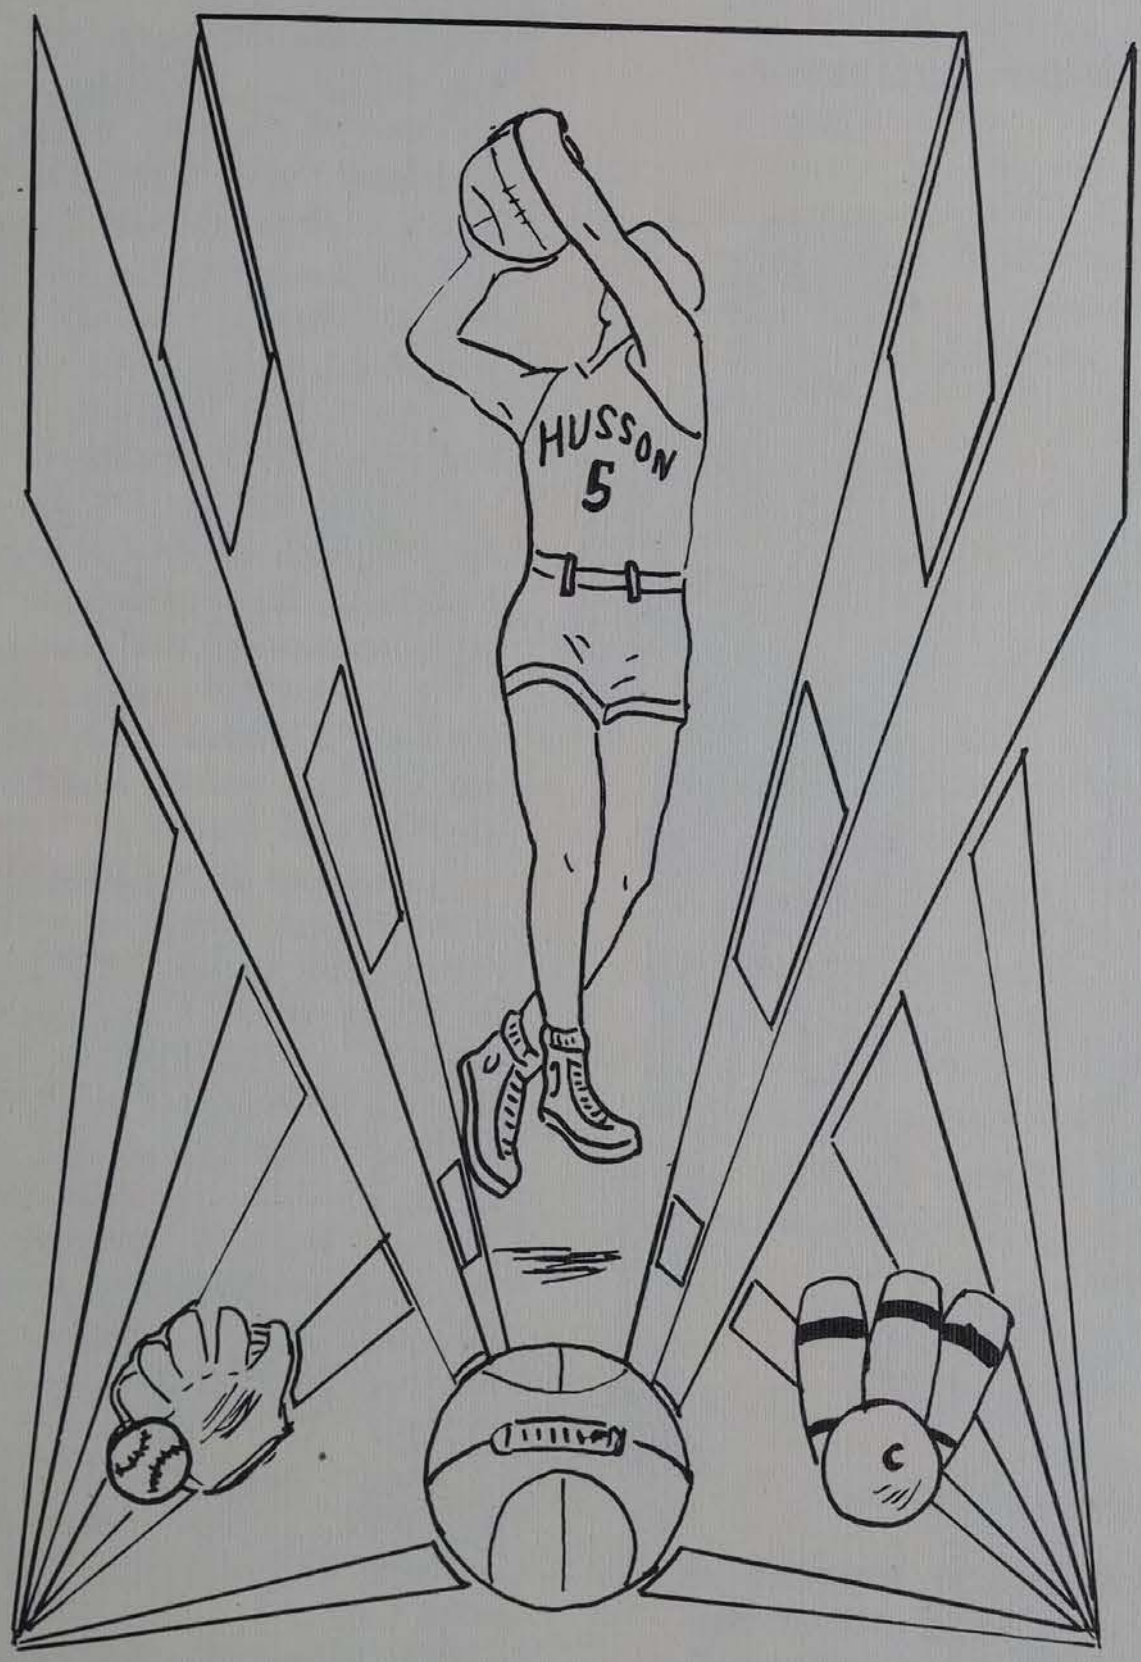

The McLaughlin children appeared at Husson College in the Sorority Minstrel. Margaret is a member of Phi Rho Zeta International Sorority.

A rich and full home life is offered these children. Both parents are up to date in educational practices.

Whether you visit a home where students room and board or where students "fend" for themselves "life off the record" is truly an enjoyable experience.

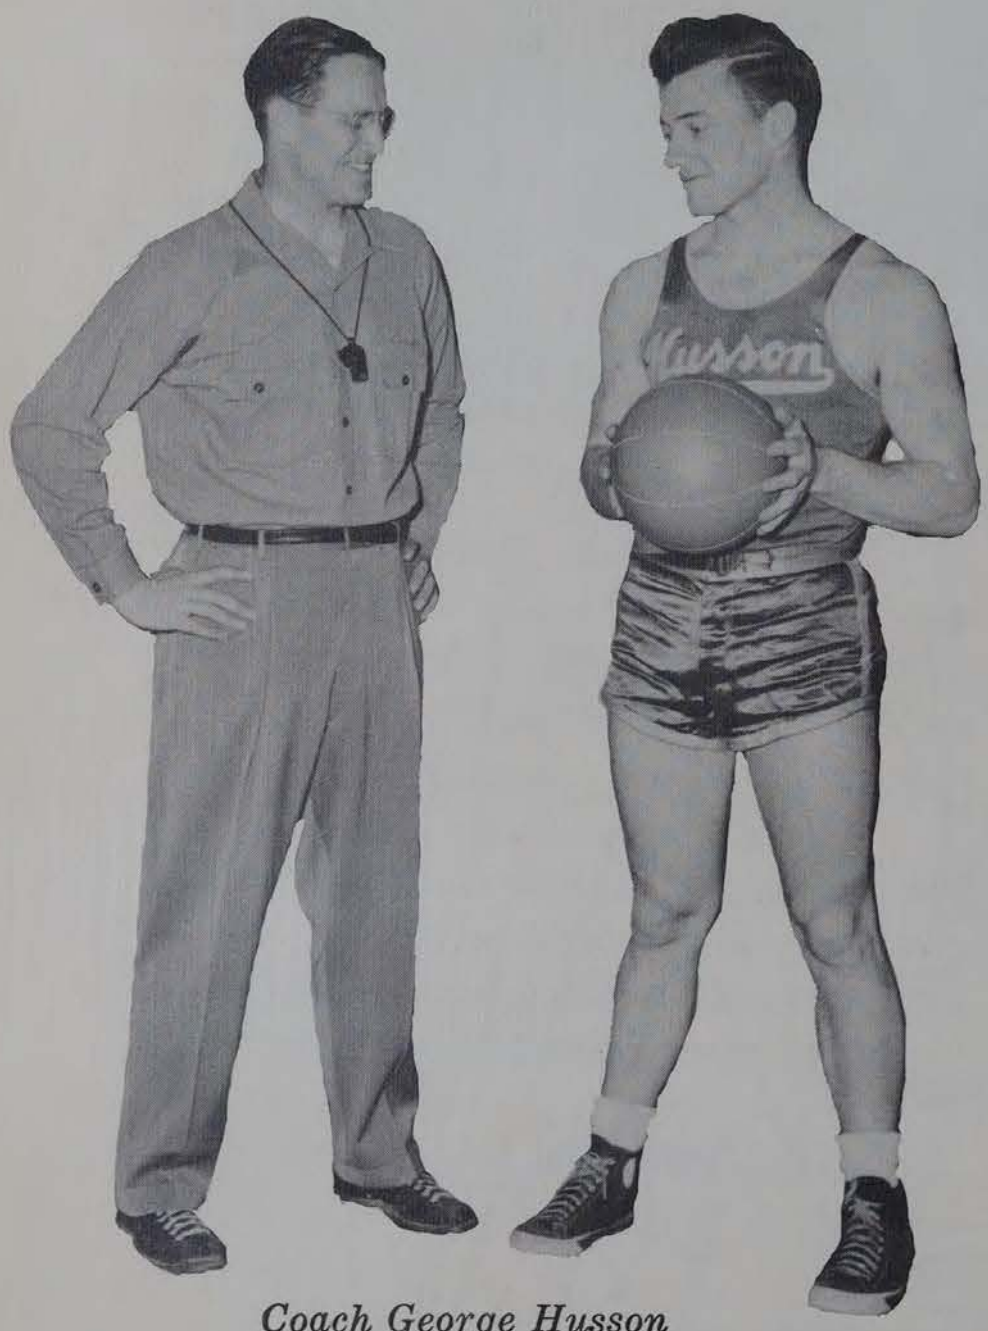

McLaughlin Home

Icongraph by Cecil Porter

SPORTS

Meet the Coaches

Coach George Husson

The Varsity Sports Program at Husson College is built around Basketball for Boys and Girls, Baseball, and Cheerleading. For participation in these sports the individuals receive Husson Athletic Certificates and chenille "H" letters.

Many hours of diligent practice and active play make up an athlete's program, male or female. Added to the above are the hours of study that are necessary to be in good standing on the teams.

The coaches are faithful to their teams, as a group and individually, and expect the same in return. There is much "give and take" on both sides. When a team loses, a coach suffers along with the team members. We, at Husson, believe in "United We Stand, Divided We Fall," and "It is not whether you win or lose; it is how you played the game."

George Edwin Parsons Husson. Jr., is Coach of Boys' Basketball and Baseball. He was born in Lynn, Massachusetts, and attended the Lynn schools. He received his Bachelor's degree from State Teachers' College, Salem, and his Master's degree from Maine.

"Huck," as he is called by the boys, was active in athletics while in high school and college. He was drafted in World War II and emerged as a Captain in the Field Artillery. He coached at Belmont High School before entering the service. He came to Bangor to be with his brother Chesley, when he returned from the war. He is married to Jean Hart of Belmont, Mass., and their daughter, Jeannie, is approaching four years of age.

"Huck" has a charming personality, is full of fun, and loves to fish. In fact, the girls think he is handsome too.

His Husson teams have done well, considering the working schedule of a large percentage of the players.

Mr. Husson is very active in the classroom, teaching Economics, Business Organization, Business Law, Introduction to Accounting, and Economic Geography.

He is affiliated with Kappa Delta Phi and Mu Sigma Chi Fraternities.

Coach Clara L. Swan

Coach Clara L. Swan attended the Princeton and Brewer schools. She was graduated from the former Bangor Maine School of Commerce, now Husson College, received her Bachelor's degree from American International College, and her Master's degree from the University of Maine.

"Swan," as she is known at Husson, taught in Mexico High School and Foxcroft Academy before migration to Husson.

She was active on the basketball court at both Brewer High and Husson College.

Coach Swan's girls' record is a satisfactory one. The Husson girls have won approximately 210 games out of 235 played over a period of 13 years. These same girls' teams have experienced only three defeats in the college gym.

Swan's hobbies are basketball and fishing.

She teaches in the Departments of Education and Secretarial Science. She is affiliated with the Epsilon Tau Epsilon Chapter of Pi Rho Zeta International Sorority.

Miss Mildred M. Bradford, Cheerleading Coach, is a product of the Bangor schools, a graduate of Castine Normal, Husson College, and the University of Maine. "Brad" studied for both of her degrees at Maine while teaching at Husson. She coaches the Cheerleaders and does an excellent job. She finds it difficult to keep a number of girls on the squad because of the working program in the afternoons. Husson is proud of the cheerleading squads she has produced. Many hours of practice are necessary to get a finished product.

While attending Husson, "Brad" was active in Varsity Basketball under Coach Swan. She served as President of Epsilon Tau Epsilon Sorority and the Women's Athletic Association, and was active in the Dramatic Club.

Her hobbies are painting and philately. "Brad" has an outstanding personality and an exceptionally pleasant classroom manner. She is head of The Department of Secretarial Science and teaches shorthand, penmanship, and office machines. She is affiliated with Pi Rho Zeta International Sorority.

Cheerleading Coach

Mildred M. Bradford

Assistant Coach Timothy Mayo, known as "Tim" to all, is doing an excellent job, both in the classroom and assisting Coach Husson.

Tim has a cheerful smile and knows his basketball inside out. He has handled the Jayvees successfully.

Tim is a graduate of Guilford High School and worked before coming to school. He is enrolled in his second year of the three-year Teacher-Training Course. We know he will do exceptionally well in the teaching and coaching fields.

Meet Our Captains and Leaders

Captain Smart

Captain Hollis

Captain Higgins

Meet Our Managers

"Liz" *"Gerald"* *"Crab"*

Husson College has been fortunate in its managers squad this year. Managers Lorraine Crabtree of Milo and Elizabeth Crouse of Presque Isle served the green and gold and the Husson girls in an outstanding way. "Crab" and "Liz" have done all the dirty work for the squad. They have managed us successfully and faithfully. We have enjoyed "Crab's" laughter and indomitable spirit. "Liz" has kept us all on the "straight and narrow" path.

Gerald Castonguay of Limestone has held down two jobs in one, trying to manage the boys' teams. He has been chief ball carrier, scorer, and general man-about-town for the boys. Husson gives him a vote of thanks for a fine service.

Barbara Briggs, a Husson Captain and veteran of two years of ball here, swished through 401 points for the girls this year. This is approximately half of the total points scored. She averages 9 out of every 10 foul shots at practice. Her high average for foul shooting in a game was 14 out of 15. Her high night from the floor was 42 points. The girls depend on "Briggsie" and "Briggsie" depends on them. She is an excellent team player.

A graduate of Freedom Academy and a veteran of high school ball, outstanding in her county, Briggs came to Husson to take the Teacher-Training course. Husson is fortunate to have her. She plays with her heart for her team and school. Briggs is looking forward to an undefeated season next year as it will be her last in any uniform. She will be on the bench as a coach and learn that it is a hard task to sit there!!

Frank Hollis, Captain of the Jay-vee Team is high scorer with 200 points to his credit. Frank, playing his first year for Husson, has come a long way.

He uses a one-hand set shot from 'way out, and his foul shooting is accurate.

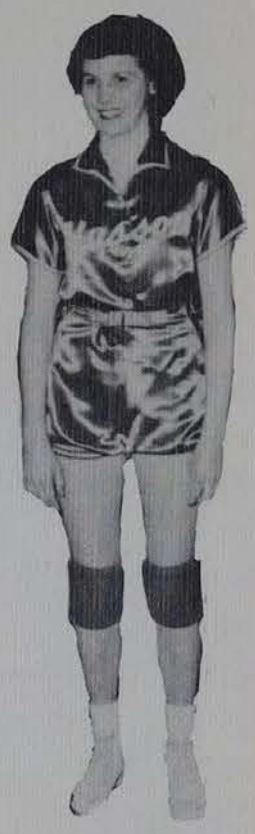

Frank is a stocky red head. He is a Bangor High graduate. The girls go for his muscles and red hair, but this doesn't bother Frankie a bit. He's cool and collected in competition.

Next year Frankie will probably be on the Varsity team and the Jay-vees will miss him.

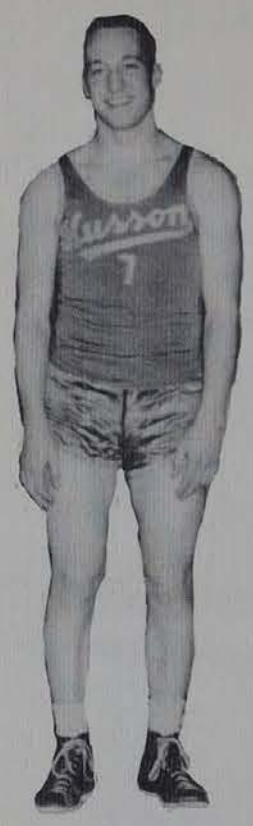

Outstanding Players

Trask

Briggs

Ritchie

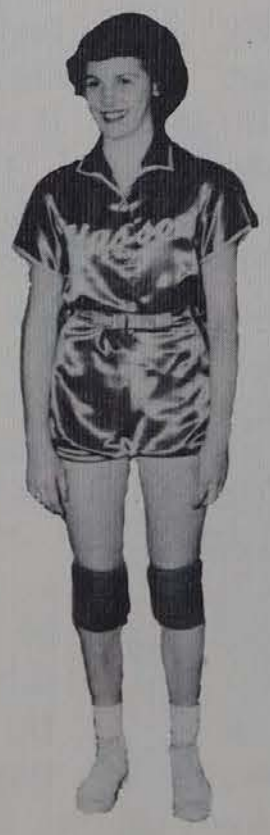

Lawrence

High Scorers

"Bob" Leighton 190

"Barb" Briggs 400

"Frankie" Hollis 210

The girls' basketball squad elected Rowena Higgins of Hodgdon, Captain for the year 1951-52. Rowena is playing her first year of basketball for the green and gold of Husson. She has done an outstanding job, and we look forward to a better season next year with Rowena back in the forward section. The girls enjoyed her leadership and the team stands with a 13-win to 4-loss record. "Hig" scored a total of 200 points for the season. She holds the Aroostook County Foul Shooting Championship. It has paid off in the Husson games. We are proud of Rowena at Husson. She is small in stature but of huge size to the opponents.

BOYS' BASKETBALL

Coach Husson and his boys have completed a lengthy schedule of games. With a small squad of men, Coach Husson had his trials and tribulations. However, in spite of this, the season was satisfactory. The Husson Varsity held its own against Higgins, Farmington, Washington State, and Maine Maritime Academy.

The Jayvee team was the only team to defeat Sullivan before the Tournament. Captained by Frank Hollis the team boasts victories over Sullivan, Mattawamkeag, Thomas Business College, and George Stevens Academy.

Robert Leighton of Dover-Foxcroft is high scorer for the varsity with 199 points to his credit.

Frank Hollis of Veazie, a graduate of Bangor, is high scorer for the Jayvee team with 198 points to his credit.

Boys returning next year are Captain Frank Hollis, John Goodness, John Hewes, Robert Leighton, James Quinn, John Callinan, William Downs, Robert Burleigh and Burke Trask.

Next year should see a large squad and a successful one.

Frank Hollis of Veazie is Captain of the Boys' Squad. He is a Bangor High graduate where he starred in football. He has played for both the Varsity and Jayvees, being added to the Varsity team when it decreased in size to make it mandatory. He is high scorer for the Jayvees with over 200 points to his credit. Frankie returns for another year, and Husson will be that much richer. Frank's a "sharpie," especially when he sports his "party" trousers.

Robert Leighton, a first-year man at Husson topped the Boys' Varsity Club with 190 points. There are several high scorers in the club, but Leighton managed to beat them out with that beautiful one-handed push shot from outside. His hook shot while he is going away from the basket is a pretty sight to see.

Bob, a tall, lanky player, hails from Foxcroft Academy, where he was outstanding in basketball. He will return to us for another year, and we expect great things in the scoring department from this boy. In the forward court he is definitely an asset. His footwork is fast. With Bob and his shooting, the Husson Varsity will be on top next year.

CHEERLEADING is a thankless job most of the time. This year the squad was small but did an excellent job under the leadership of Rosemary Smart of Howland. She is a one-year Secretarial student and unless she changes to a two-year course, Husson ball players will miss her cheering next year. Thanks, Rosemary, for a fine job.

Players Showing Greatest Improvement

Kinney
"Pee-Wee"

Greeley
"Barb"

Hollis
"June-Bug"

Ritchie

F. Hollis

Downs

Strong on Defense

Lawrence *Ritchie*

(Burleigh, picture not available)

The squad will be depleted with the graduation of June Hollis, Madeline Johnson, Beverly Sennett, Jane Purcell, Arlene Delano, and Ruth Grindle.

The team met the alumnae, Winterport, Greenville, Mattawamkeag, Ellsworth, Higgins Classical Institute, George Stevens Academy, Mattanawcook Academy, Hampden Academy, and Pemetic High School of Southwest Harbor.

The outstanding players are grateful to the squad for their co-operation and rugged practices. It is a good team depending on those who force them to be their best at practice.

GIRLS' BASKETBALL

Under the coaching of Miss Swan, the Husson girls have a good record of thirteen wins and four losses. The outstanding game of the season was the Faculty game, with the Pajama Kids leading by a basket as the whistle sounded.

Scoring 873 points for the season against 516 for the opponents speaks well for the forwards. Captain Higgins came through with 200, Barbara Briggs scored 401 points out of a total of 873 with the rest being equally divided among June Hollis, Irene Hardy, Mona Bailey, and Mary Lou Rogers.

The Cheerleaders

BOYS' BASKETBALL

First row, left to right: Gerald Castonguay (manager), Frank Hollis, John Goodness, John Hews, Robert Leighton, James Quinn, John Callinan, Timothy Mayo (manager).

Second row: Wallace Clayton, William Burrill, Robert Burleigh, Coach George Husson, William Downs, Loren Ritchie.

Absent when picture was taken: Bourke Trask, Edward McInnis, Dean McGinley, James Ingraham, Clarence Thompson.

GIRLS' BASKETBALL

First row, left to right: Irene Hardy, Mary Lou Rogers, June Hollis, Barbara Briggs, Rowena Higgins, Barbara Greeley, Madeline Johnson Mary Lawrence, Beverly Sennett.

Second row: Ruth Grindle, Betty Chandler, Janet Kinney, Elizabeth Crouse, Coach Clara Swan, Arlene Delano, Jane Purcell, Winifred Quint, Lorraine Crabtree.

Coach Swan adds the following to her squad:

1. You've been a good Captain and an excellent team-man.
2. Next year make it 500 and keep your leg up.
3. Get a permit next year when we go to Boston to go out!
4. Don't forget to have your brakes relined so you'll stop.
5. I'll miss you and your 2 - 6 points per.
6. You've been an exceptionally good defense player.
7. Good luck in your huge undertaking, and don't forget to come back for the alumnae game.
8. I'm glad I stuck you in that *hot* corner.
9. You're a mighty mite, and we'll cage those glasses of yours.
10. I'll miss you and your cheery smile and those stories you are supposed to tell.
11. Happy to have you on the squad and to keep my chum in hand.
12. You've done well for your first year. I'm proud of you!
13. To you who graduate—Wish it did not have to be so!
14. To all of you—Thanks—
15. To the managers—You've been swell and have made my coaching much lighter by your excellent performance of all tasks. You're tops!

GIRLS' BASKETBALL

First row, left to right: Janet Kinney, Beverly Sennett, Mona Bailey, Rowena Higgins, Mary Lawrence, Irene Hardy, Winifred Quint.
Second row: Betty Chandler, Mary Lou Rogers, Barbara Briggs, Barbara Greeley, Madeline Johnson, June Hollis, Jane Purcell, Lorraine Crabtree (Manager).
Those absent when picture was taken: Arlene Delano, Elizabeth Crouse (Manager).
