Sometimes the game is really won in the stands.

Yelling until your throat is hoarse. Knowing every player's name and stats. Sweating and worrying until the game's over and your team wins. You hope.

Sometimes fans put as much into a game as the players. And your part can make the difference between winning and losing. You can inspire the athletes to new heights. Just as they can inspire us all to reach for something higher.

Key Bank salutes you. Because without fans, a game is just a game.

Dear Friends of the Braves:

Another year is upon us. 1996/97, with the victory over UMaine, will be a hard act to follow. The alumni game this past fall with its All-American lineup was a reminder of our rich tradition as we suit up for our Centennial year. Radio coverage as never before will increase our presence in the community. All in all, this is a great year to follow the Braves.

Intercollegiate athletics are a great proving ground for leaders and basketball is a classical illustration of teamwork at its best. Your interest and attendance helps to make this experience happen and we thank you again for your support.

Sincerely,

William H. Beardsley

Preview for 1997-'98

OPTIMISM AND EXCITEMENT FILL THE AIR ON THE Husson College campus as the Men's Basketball Program gets geared up for another season. The reason for the excitement and optimism is that the Braves will return 10 players (4 starters) from a squad who finished 20-12, won the Maine Athletic Conference Championship, and returned to the NAIA National Tournament. Also, Husson will open the season ranked #20 in the NAIA Pre-Season Poll. The program has enjoyed great success over the last nine years, averaging over 22 wins a year and making six trips to the NAIA National Tournament.

Coach Caruso returns for his 4th year as Head Coach (60-31 overall) and his 14th year on campus. The Braves have made two trips in three years to the NAIA National Tournament under Coach Caruso's helm. Coach Caruso will look to guide his most experienced team into the 1997-98 season.

Once again as in years past, the Braves will have great balance. Leading the way this season will be last season's leading scorer, senior, guard Tony Tobin. Tony averaged 20.1 points and 4.5 assists per game. He has quickness and a deadly outside shot, and coupled with his ability to find the open man, this senior could help lead the Braves to a successful year. Another senior, who was the sixth man off the bench last year is forward, Giovanni Cotto. Giovanni averaged 10 points and 5 rebounds per game and will be called upon to provide senior leadership. With his versatility and athleticism, Giovanni will provide the Braves with a lot of flexibility.

Five juniors returning to campus for their third year will provide depth and experience are Chris Funk, Mike McCaffrey, Sean Foye, Mic Dyt and Brad Durost all have seen quality time over the last two years. Chris Funk, a 6'5" forward came into his own last season, averaging 12 points and 5 rebounds per game. His ability to play inside and outside provides a difficult match-up for many teams on the Braves' schedule. Mike McCaffrey, a 6'3: guard has started in 60 games over the past two years, giving him plenty of big game experience and great leadership on and off the floor. Mike averaged 11 points and shot 36% from the 3-pt line last season. Sean Foye, a 6'4" forward was a pleasant surprise last season emerging as a starter and the team's leading rebounder. Sean averaged over 7 rebounds per game with hard work and the ability to get to the right spot at the right time. Mic Dyt, a 6'8" center is coming off an injury plagued season but still was able to provide some quality minutes in a backup role. Mic enters this season in the best condition of his career and should come into his own as the year goes on. Brad Durost, a 6'1" guard had a solid year last season, always providing the necessary spark to get the Braves going. Brad's work ethic and team play is invaluable in the program.

Last year's recruiting class developed to be a contributing factor in last year's championship. This class was led by Nikos Sompatzis, a 6'3" guard from Greece. Nikos provided solid backup play at the point guard position. He has worked very hard to learn the system and his hustle always seems to make something happen. Brad Olsen, a 6'9" center started the season slowly but developed as it went along. Brad could emerge as a force in the paint with his off-season work in the weight room and an improved offensive game. Aaron Katz, a 6'1" guard had a positive influence on the team last season. Aaron worked hard in the off season and will look to increase his role on the floor this season.

All of this year's recruiting class is from the State of Maine. The class is led by Quinson Lancaster, a 6'1" guard from Lawrence High School. Quinson was a member of the 2nd Team All-State, averaging 21 points, 6 assists and 6 rebounds per game. Matt Breen, a 6'5" forward from Rockland High School, follows the foot steps of former Rockland standouts, Rick Mazurek, and Dwayne Knowlton. Matt was named Honorable Mention All-State, averaging 19 points and 8.5 rebounds per game. Adam King, a 6'5" forward may have been the most overlooked player in the state. Adam averaged 22 points and 6 rebounds per game for Brewer High School and was named to the Eastern Maine McDonald's All-Star Team. Tony Robb, a 6'1" guard from Woodland High School was named to the Eastern Maine McDonald All-Star Team. Tony averaged 15 points per game for the Woodland who went to the Eastern Maine semifinals. This year's recruiting class is going to have a bright future with the program.

Two other members of this year's team will be Jason Leighton and Jared Rivers. Jason is a 5'10" guard from Brewer High School who sat out last season as a red shirt. The former Brewer standout averaged 15 points per game during his senior year. Jared Rivers has spent the last two years as a student at the University of Maine. Jared is a 6'4" swingman who played for Skowhegan High School and was named 2nd Team All-State during his senior year. Both men will provide depth to the roster and will push the upperclassmen for playing time.

The Braves will have two players who will be red-shirted this season. Dale Landrith, a 6'9" center from Camden High School. Dale led his high school team to the State Finals in 1995. He was named 1st Team All-State and attended and played for University of Hartford. Dale announced he would transfer in June and will sit out this season with a broken bone in his back with two years eligibility remaining. Willie Rivera, a 6'3" swingman, transfers into the program from U. ME Presque Isle. He was a three-year starter for the Owls and was a key factor in their success over the last three years averaging 13 points per game. He will sit out this season and will have one year of eligibility remaining.

The Maine Athletic Conference will be as competitive as ever. The Braves seem to have the pieces of the puzzle to make another run at a championship. It will not be an easy road back to the MAC championship, but this is a group ready for the challenges ahead.

Coach Warren Caruso

Coach Caruso has been a part of the Husson basketball program for over a decade. A Bangor native, he came to Husson in 1984 after graduating from Bangor High School. In high school he was a track and basketball standout. He played four years under Coach MacGregor, and was captain of the 1988 squad. While finishing his degree, Caruso joined the men's coaching staff the next year. That year the Braves were 35-2 and finished the year ranked 4th in the country, in what might have been Coach MacGregor's finest season. In all, Coach Caruso served six years as an assistant. During that time the Braves made four trips to the NAIA National Tournament and compiled a 164-47 record.

During his years as an assistant, Coach's responsibilities focused on recruiting, scouting, and practices. Working with Coach MacGregor for six years and making four trips to the nationals, there was plenty of opportunity to prepare for big games and that experience is valued today as a head coach. Coach was also very involved in sports information; he oversaw the production and publication of the annual media guide as well as weekly press releases. His love for the basketball program and experiences gained as a player and assistant helped prepare Coach Caruso to be named head coach in 1994.

Coach Caruso begins his fourth year as head coach with an overall record of 61-33 and two trips to the NAIA National Tournament. Last year's team came together nicely and finished 20-11 winning the Maine Athletic Conference Tournament over Saint Joseph's College. During the regular season they recorded a stunning victory over NCAA Div. I University of Maine 73-72. Everyone who was at the game will remember Chris Funk's 3-pointer going through the net with 7 seconds left to give the Braves the edge.

A 1989 graduate of Husson, Caruso earned his B.S. in Public Accounting. Caruso has run a family business since 1981 and took over complete operation of Dana's Grill in 1988 from his father Richard. Dana's Grill is Bangor's oldest restaurant opening in 1938. Coach Caruso and his wife, Nicole opened a second location in Hampden in 1990. This past spring they

opened a third location on 290 State Street in Bangor. The State Street location is opened year round while the other two locations are opened seasonally, April to September. His mother, Judy, has worked in the restaurant for over 10 years as the food prep.

Nicole, Nathan, and Warren

Nicole and Warren were best friends in high school and started dating in 1983. They got married on September 29, 1990. Nicole works at the Eddington Post Office and part time at the restaurants. Nicole is the Braves' number one fan, many times being the lone voice of support when the Braves are on the road. Together they run three restaurants, a number of apartment buildings, and love Husson basketball. Nicole and Warren have one child, Nathan Richard Caruso born February 29, 1996.

In addition to his coaching duties, Caruso has other responsibilities on campus. He serves as advisor to students, Men's and Women's Cross-Country Coach and is the Director of Intramural. He has been a member of the National Association of Basketball Coaches since 1993. In the past, Coach Caruso helped promote the NAIA District V and Maine Athletic Conference men's and women's basketball championships during the 1990-1993 seasons. Coach Caruso has also worked at Coach MacGregor's Northeast School of Basketball, a summer camp for younger players as well as been guest lecturer at many other camps throughout the state of Maine. He also organizes clinics and Husson inter-squad games throughout the state.

Assistant Coach Victor Garay

Victor Garay

Born and raised in the Bronx in New York, Victor is a 1993 graduate of Husson College, with a degree in Business Administration. Victor played three seasons for the Braves at the point guard position and it was like having another coach out on the floor. His knowledge for the game prompted Coach Bruce MacGregor and his staff to acquire Victor to contribute to the growing success and tradition Husson College has to offer.

In 1994, Coach Garay stepped into the lead assistant job and has been instrumental in the program's success over the last three seasons. Victor spends countless hours both recruiting and scouting. His ability to relate to student athletes and convey his love for basketball and Husson make him an invaluable asset. Coach Garay has also put together the Braves weight lifting program and off season conditioning program. Victor's responsibilities also include practice, and individual player development.

In addition to being an assistant coach, Victor holds a full-time job at Eastern Fine Paper Company where he works in the accounting department. Victor has been married to Mary Garay for four years and resides in Bangor. Mary is also a Husson College graduate.

45 Giovanni Cotto

6-5 190 Senior Forward

San Juan, Puerto Rico

Colegio De Diego

At Husson- Giovanni is coming off a solid year as Husson's sixth man. His athleticism and ability to get to the rim prove to be invaluable to the Braves. His offensive skills and knowledge for the game blend well with Husson's up-tempo style of basketball. Giovanni's role on the 97-98 squad has been expanded and his experince will be called upon as the Braves bid to repeat.

At Husson- Mick returns for his Junior year at Husson in the best shape of his career. After an off season of rest to recouporate from nagging injuries and minor knee surgery, he will be looked upon as a crucial ingredient in the Braves mix for the MAC crown. Mick's rebounding ability and off the ball skills will solidify the Braves' front court. His two years of experience has aided him in his development and he looks to be a regular performer in 98. Mick is a Dean's List student in the Sports Management Program.

5 Quinson Lancaster

6-1	180
First year student	Guard
Queens, NY	
Lawrence HS	

Quinson was named to the Second Team All State last season. He had a great career at Lawrence High School. His athleticism and quickness will allow him to play both guard positions, giving the Braves good depth in the guard spot. Quinson will only get better with playing time and look for him to have a bright future in the years to come.

Braves' Graduates

At Husson College, the men's basketball program has had its fair share of success on the hardwood. A great deal of time and hard work has gone into those achievements, but our basketball achievements would never outweigh our accomplishments in the classroom. Over the last 28 years, 90% (74-82) of the student athletes who participated in their last year of playing or eligibility have graduated with degrees from Husson. Most of these men have gone to be business and community leaders.

Degrasse and Kenyon Awards

Each year two awards are given to male basketball players. These awards are very important to our program. They are the Nelson Degrasse Award and the Allan Kenyon Basketball Scholarship. The Nelson Degrasse Award is given to an individual for his athletic ability, courage and good sportsmanship. The award has been given since 1969, and as the award states, "its aim is to keep alive in the minds of those who follow, the immortal image of a great American. We, who remain, proudly present our everlasting tribute to those whose standards can equal those of Nelson Degrasse." The 1997 winner of teh Nelson Degrasse award was senior Jeremy Durost. Jeremy graduated in the spring of 1997. Jerm's work ethic, dedication, spirit, and enthusiasm was an inspiration to those around him. He will be missed but not forgotten for everything he gave to the program.

An annual scholarship has been presented since 1978, to the male basketball player who best exemplifies former Assistant Coach Allan Kenyon's dedication and love for Husson College Basketball. The award was conceived in the emergency room at Eastern Maine Medical Center while Coach Kenyon's wife Linda and Coach MacGregor waited for word on an extremely sick Coach Kenyon. As Coach passed away that evening the scholarship grew rapidly from donations given by friends of the very popular Coach. Coach Kenyon coached during some of the most successful years for the Braves and his caring nature, sense of humor, and teaching ability left a mark on the program that will also be appreciated and remembered through this scholarship. Chris Funk was the 1007 recipient of the Allan Kenyon Award. Chris raised his level of play during the season and helped the Braves win the MAC tournament. Chris also made the same winning basket against Division I University of Maine. His hard work and team play symbolizes what Coach Kenyan stood for.

A Most Unusual Restaurant

Back in 1960, the sliding window at a little ice cream take-out was slid open for the first time. Owned and operated by Leith & Donna Wadleigh, "Creemee's" came into existence. The original idea was to sell ice cream year round. But, as is the case with many "great" ideas in Maine, the reality of what effect winter would have came to roost on the Wadleigh's little stand with the first snow. So, for the first two years, "Creemee's" was open and serving terrific ice cream from Mother's Day until the end of October.

At the end of two years, a sit-down lunch counter was added and then, to ensure year-round employment, the Wadleigh's opened a full service restaurant with a dining room and waitresses. Of course, with all the changes taking place, Leith & Donna thought a new name would be in order. Now Leith could remember how to build the best hamburger in town, and recite the ingredients of his famous strawberry pie in his sleep, but remembering customers names was something else. All of the regulars were greeted with *"Hi ya Governor!"* Seeing as it was the customers who really made the restaurant what it was, Leith & Donna decided to name the new restaurant in honor of all those folks...thus, "Governor's" was born.

Over the past thirty years or so, "Governor's" has grown to four restaurants, all with the primary goal of providing good wholesome food in a family dining atmosphere at prices a family *could afford.*

Since the first "Governor's" opened, the Wadleighs have gone the extra step to insure their homemade pies, cakes, bread and rolls are the tastiest and freshest available (our bakers start each day at four in the morning), and making sure the "Daily Specials" truly are *special.* Thanks for making "Governor's" what it is today, and enjoy your meal!
